County youth to compete in state contests

Bronte

The Lady Horns Golf Team and Track Team are headed for Austin where they will participate in the UIL State Meet at Memorial Stadium.

Tracksters include Eboni Taylor, Teresa Vaughn, Angela Davis, and Jami Morrow, alias "The Awesome Four-some."

Eboni will compete in the 3200 meter run on Friday morning, May 10.

Teresa will participate in the High Jump competition slated for 9 am Saturday, May 11.

Angela will compete Saturday afternoon in the 300 meter hurdles after winning first at Regional.

Eboni will also run in the 800 meters Saturday afternoon.

To conclude their competition, the girls will also be in the 1600 m relay Saturday afternoon.

The Awesome Foursome were second place winners at the Regional Meet and were awarded the "Curly Hays Award" for best Sportsmanship.

The Lady Horn Golf Team will be competing at the State

Class A Golf Tournament in Austin at Lions Municipal Golf Course. The first round will begin at 7 am Thursday, May 9 and the second round is scheduled for 7 am Friday, May 10.

Lady Horn golfers include Shay Burwick, Alisa Richards, Misti Mackey, Darla Scott, and Jami Morrow.

Robert Lee

Fifteen Robert Lee athletes, a lion's share for a Class A school, will compete in the State UIL meet this week. The Steer and Lady Steer golf teams will play in the State Tourney on Lions Municipal Golf Course Thursday and Friday, May 9 and 10.

Stephen Epperson, Jody Tavarez, Scott Antilley, John Williams, and Brent Gibbs make up the Steer squad.

The Lady Steer golfers are Stephanie Poehls, Wendy McPeek, Sheree Burns, Lori Wink, and Shelley Burrows.

Competing in the track and field events at Memorial Stadium May 10 - 11 will be Lenny Jackson in the pole vault; Ron McCown in the high jump and the 110 high

hurdles; Robert Rodriguez in the 800 m run; and the mile relay team, Robert Rodriguez, Brent McPeck, Ron McCown, and Jason Dickey.

Project Grad set for Bronte

Project Graduation will be held following Bronte High School's Graduation Exercise on May 24.

Parents and other concerned citizens in the community are sponsoring a Project Graduation Party for the graduates and their guests at the home of Angie and Garland Richards.

Contributions and donations to support the alcohol and drug free party may be given to Angie Richards, Marilyn Bivins, Fran Pierce, Fran Sonnenberg, Beverly Sims, or any senior parent.

Results posted in RL elections

Voting numbers became official this week in local elections when the three taxing entities canvassed their ballots. Totals were extremely light at all polls with the numbers higher in the Robert Lee city election, probably due to that race having the only contested outcome.

John McDermitt, administrator, reported that votes for the West Coke County Hospital District totaled 67. Kenneth Green had 58 votes and Joy Bagwell, with 60 votes, were returned to the hospital board as previous members.

Results of the Robert Lee city election were reported as Johnny Sevier 40, Sparks Burdett 89, Mary Cherry 85, and Joe Brazier 83. The top three vote getters will fill the three city council seats for two year terms. A. L. "Speedy" Brasuell received 65 votes to fill the one year unexpired term. Cherry and Burdett will be new to the council; Brazier is an incumbent while Brasuell was an appointee following a resignation.

Robert Lee Independent School District trustee candidates received the following totals: Edwin "Butch" Davis 55, Jim Clendennen 63, and Beverly Burdett 68. Davis and Clendennen are the incumbents and Burdett will be a new member of the board.

J. T. Henry, Mayor of Bronte, is pictured signing a proclamation to make next week Nursing Home Week in Bronte. Pam Stokes Wall, Administrator of the Bronte Nursing Home, looks on.

BNH Week proclaimed

J. T. Henry, Mayor of Bronte, proclaims the week of May 12-18, 1991, as Nursing Home Week in the Bronte community. He urges all citi-

zens to be a part of the quality of life nursing facility residents enjoy by visiting a nursing home in their community.

plaques which centered the tables for the annual Athletic Banquet.

Athletic Director Ed Poehls served as master of ceremonies, bypassing the traditional speaker to devote the entire evening to honoring the athletes. Coach Poehls and several presenters began the awesome task of noting each participant in every sport by recognizing past and present cheerleaders and sponsor Winnie McPeek for their contribution.

In turn, the football squad and boys and girls basketball, track, cross-country teams and golf teams were honored. Girls' tennis resurfaced also after several years' absence. All seniors were recognized with plaques.

A number of special awards were presented. Sheree Burns was named Football Sweetheart. The Cheerleader Hero award went to Brent McPeek. A Service Award plaque was presented to John Heck for his long-standing support of the local athletic program.

Lori Wink was named to re-

ceive the Lady Steer award, a relatively new recognition. The prestigious Steer Award went to Lenny Jackson. Both of these awards are given for outstanding leadership, commitment, and citizenship qualities. Recipients are voted on by team members. The large trophies remain in the school's trophy case and are engraved with each new addition.

The coaching staff, managers, statisticians, and those responsible for videos and other duties were also recognized.

In a tribute to the athletic program, Superintendent Jerry Gibbs noted that 79% of the high school student body participated in one way or another. He complimented the entire group on their manners and behavior and he appreciated the class they projected at their own school and in the numerous trips they had made to school functions. He observed that not all schools can be proud of the way their students conduct themselves and expressed his personal pride in the athletes as Robert Lee's representatives.

Breast cancer testing set

According to the American Cancer Society, one out of every ten women in the United States will develop breast cancer sometime during her lifetime. Every year, over 37,000 women die as a result of breast cancer.

According to a spokesman from the Regional Breast Care Center at Women's & Children's Hospital in Odessa, Texas, "The death rate from breast cancer could be drastically reduced if women would have mammograms done before a problem exists." By using modern state of the art X-ray equipment, breast cancers can be found when they are about the size of a grain of rice and well before the cancer can be felt. A woman who is diagnosed with breast can-

cer at this early stage has a 90-97% survival rate. However, a woman who is not diagnosed until a lump can be felt approximately a 50% survival rate in five years.

In an effort to find cancers at the earliest possible stage and prevent unnecessary deaths, a mobile breast cancer detection unit will be made available to local women on Tuesday, May 28th.

The mobile unit will be parked at West Coke County District Nursing Home, 307 West 8th, Robert Lee, Texas.

Appointments may be made by calling 453-2511.

For more information, you may call the Regional Breast Care Center at Women's & Children's Hospital at (915) 334-8888/561-9999.

WCCCD to sponsor blood drive May 21

The West Coke County Community Development will sponsor a community blood drive from 12 noon to 6 pm, Tuesday, May 21, 1991, at the Courthouse in Robert Lee. All healthy persons over age 17 are invited to give blood during the drive to help patients in this area. The upcoming Memorial Day weekend is especially a critical time. There will be a great need for blood due to the large number of accidents occurring throughout the long holiday weekend.

In this area, 65 blood donations are needed each day to meet patients' needs. United Blood Services, the area's nonprofit community blood provider, relies entirely on volunteer donors to help maintain a constant, sufficient blood supply. Blood comes from only one source - healthy people who are willing to give of themselves. Many people are alive today because blood was available when they needed it.

"Donating blood is safe, simple, and satisfying," said Paula Kennemer of United Blood Services. The body contains about 10 to 12 pints of blood and, since the body constantly manufactures blood, the amount given is quickly replaced. The donation process takes only 30

minutes, with about five to seven minutes for the actual donation. First, a medical history is taken. Temperature, blood pressure, pulse and blood iron levels are checked. After the blood is collected, it is typed and tested for diseases that might be transmitted to those receiving transfusions. This procedure benefits the donor as well as the patient because, if any of the tests indicate a need for medical attention, the donor is referred to his or her personal

physician. Blood can be separated into components, so one donation may help several patients. These components must be processed within a few years of donation, so there is always a need for a constant, fresh supply of blood donated by volunteers in this community.

For more information, contact Beverly Burdett or Dee Anna Harmon. If you would like to set up an appointment in order not to have to wait, contact Dee Anna Harmon.

O/E lauds nursing home service groups

In order for the readers of the Observer/Enterprise to know what the different volunteer organizations and individuals are doing for the communities and residents that need help, these organizations were asked to write an article for the newspaper.

The Observer/Enterprise has spotlighted the fire departments and emergency medical teams of Bronte and Robert Lee in past weeks. The organizations that enhance life for the County's Nursing Home residents are featured this week.

The West Coke County Nursing Home Auxiliary was organized in January of 1987 with sixteen members. It soon grew to more than forty members. After serving many hours, some have become inactive members and others have dropped out for various reasons. Because Robert Lee is a small town, many people serve in more than one area. These can include churches, schools, clubs, EMS, Senior Citizens, Fire Department, and many others. Some have had to make a choice between activities after having served a great deal. The present membership stands at 22 active members and 4 inactive members. The membership fee is \$5 for active members and \$10 for inactive members. The Auxiliary has a memorial program which helps in its activities.

The top priority for members is personal, one-on-one contact with the residents, learning to call them by name, where they are from, learning of their families and trying to help them with their personal needs and concerns.

The members have given their time making feeding bibs, pads, lap robes, and

RL Band Spring Concert slated

The Robert Lee Band Spring Concert will be held Tuesday, May 14, in the High School Auditorium. The concert will begin at 7 pm and will last approximately one hour.

Featured in this year's spring concert will be the Robert Lee 5th Grade Band, 6th Grade Band, and the High School Band. Also featured during the concert will be Carlene Bewick performing her State UIL Solo with Gayle Bolding accompanying her on the piano.

The Awards for all of the bands will be announced during the program.

The concert is free to the public.

Bronte rainfall totals reported

Various amounts of rain fell in the Bronte area Wednesday morning.

It averaged about 3/4 of an inch in Bronte. Ed Cumbie reported 1.2 inches of rain on his place 4 miles north of town and Turner Lee turned in a 1.3 inch report from the Maverick community 5 miles east of Bronte.

helping with craft classes.

The juice cart is passed and juice is served to every resident five mornings a week. This is the best area to learn names, visit, and learn of their concerns.

Auxiliary members help when they can by getting the residents to the various activities and entertainment.

Fundraising is a necessary activity so they can supplement the activities department to carry out their many activities. The organization has bought many things to enhance the quality of living for the residents. These items are always purchased after a suggestion and ok by the staff and/or board. A list of these purchases will be published at a later date.

Funds are raised through membership fees, donations, memorials, two bakes sale per year, raffles, rummage sales, and proceeds from the gift shop in the nursing home.

The WCCNH Auxiliary encourages interested persons to come and observe what is being done and to see what has been done in the past. Also, people are urged to at-

tend an auxiliary meeting to help decide whether they should join the group and in which area they would like to serve.

The Bronte Nursing Home is aided by a number of volunteers.

The Omega Coterie Club of Blackwell makes and gives the residents lap robes and bibs.

Birthday parties are hosted once a month by different organizations which include ladies from the First Baptist Church and the First United Methodist Church, the Home Extension Club, and the Sorosis Study Club.

Central Baptist Church volunteers have gospel sing-alongs every first Tuesday afternoon.

Other volunteers include Ruby Blackmon who helps in various capacities with the residents.

Chester Wilson and Larry Spivey hosted a barbecue recently.

Musicians who entertain the residents include Mary Belle Hilliard, Larry Spivey, Bryan James, Chester Derrick, Don Edmiaston, and Margaret Martin.

UPCOMING

The Coke County Cavaliers will provide the country/western music for both dances.

Awards Assembly

The Awards Assembly for Robert Lee High will be held Tuesday, May 14, 1991, at 8:30 am in the school auditorium.

Class Dismissed

Robert Lee schools will dismiss classes on Friday, May

10, at 2:30 pm. Buses will run at that time.

Br. Reg., Titling

Vehicle registration and titling will be offered in the First National Bank of Bronte on Tuesday, May 14, from 9 am to 1 pm by the Coke County Tax Office.

Property tax payments will also be accepted. Please bring your statements with payment for proper credit.

This is a regular service offered by the Coke County Tax Office and the First National Bank of Bronte.

Aux. Bake Sale

The Robert Lee Volunteer Fire Department's Auxiliary will hold a Mothers Day Bake Sale Saturday, May 11, at Super H Grocery. It will begin at 9 am. The Auxiliary will also have its cookbooks for sale.

I would like to thank you, Robert Lee, for your support in the City Council election. I appreciate your vote and ask for your continued help in making Robert Lee a place we are proud to live in.

COUNTRY AGENTS NEWS

by Tommy Antilley
Coke County Agent

Ideally, a lawn should be watered just as it begins to wilt. Most grasses take on a dull, dark appearance and the leaf blade begins to fold or roll. Common Bermuda grass lawns should be able to go at least five days between waterings.

Give your lawn a long drink when you water. If water applications are too light and too frequent, the turf tends to become weak and shallow-rooted making it more susceptible to heat and drought stress. Water enough so that the soil is wet to a depth of 4-6 inches. One inch of water will wet most soil types to the desired depth.

Apply water to the lawn as evenly as possible. To find out the distribution of your sprinkler, set out 3-5 empty cans in a straight line going away from the sprinkler. Run the sprinkler for one hour and see if the water in the cans is about the same level.

Be careful not to overwater. Just as the lack of water has a damaging effect on plants, overwatering can do just as much or more damage. Saturated soils cannot provide oxygen to plant roots or release carbon dioxide. "Wet wilt" occurs when plants receive too much water or when soils do not drain properly.

Plan and plant new yards for water efficiency by planting varieties that are adapted for our area and require less water. Sod rather than seeding as sod requires 50-60% less water for establishment.

Water early in the mornings as the wind is usually calmer and the temperature is lower so that less water is lost to evaporation. The worst time to water is in the evening because the lawn tends to stay wet all night making it more susceptible to disease.

Avoid fertilizers high in soluble nitrogen. Apply slow soluble nitrogen materials such as ureaformaldehyde of sulfur-coated urea which controls fast leaf growth while still providing a dark green color. The lawn will still show a lush green look, but will not have to be watered or mowed as often.

Try to prevent or reduce wasteful water runoff. If water begins to runoff, turn sprinkler off and allow water to soak into the soil for half an hour and then resume watering.

For more water saving information or information on landscapes, contact the county extension office.

Wink, Davis present WCCCD program

Robert Lee High School UIL participants Lori Wink and Carrie Davis presented the program Monday evening for the West Coke County Community Development's monthly general meeting. Those present enjoyed Wink's entertaining poetry selections and a humorous prose reading by Davis.

Following Secretary Edna Havins reading of previous minutes and the treasurer's report by D'Ann Eubanks, President Beverly Burdett called for committee reports on upcoming projects. She also touched on the success of the recent Volunteer Dinner.

The organization will sponsor a Blood Drive on May 21 in the courthouse. For appointments or information, contact Dee Anna Harmon.

Several months ago, the group voted to support the "Ole Coke County" pageant and the town by putting together a day of activities downtown to encourage area residents and tourists to remain in town all day prior to the opening night, July 20. Plans are well underway for activities on that day which will center around a bygone era to lead up to the pageant's "old-time" flavor and theme. A super opening parade is shaping up for the opening parade at 10 am. According to Dee Anna Harmon, some of the enjoyable groups who have promised to appear are a Fort

Concho brigade; Shriner's cycles; "Feathers" the clown; a combined Robert Lee-Bronte school band; and a riding club.

Ways and means of encouraging members and non-members to join in the WCCCD's programs and projects to promote the community were discussed. At Dave Hughes' suggestion, the

members present voted to give a door prize at each monthly meeting. They voted to give a \$25 prize of "WCCCD Bucks" (a gift certificate) to be spent at any West Coke County business. The group meets the first Monday evening of each month in the county courtroom at 7 pm. Win that door prize by attending the June 3 meeting!

Ivey Motor Co. honored

Ivey Motor Company has been awarded Ford Motor Company's highest honor for customer satisfaction -- the "Chairman's Award" -- which recognizes the top 2% of its dealer body.

With 5,400 Ford and Lincoln-Mercury dealers nationwide, Ivey Motor Company ranked among the top 129 dealerships in the country.

"You have demonstrated outstanding dedication, enthusiasm, and a tireless commitment to the total satisfaction of your customers" said Ford Chairman Harold A. "Red" Poling, in comments at the award ceremony. "I know

that's not easily achieved. It takes hard work and superior leadership on your part, and equally strong performance on the job by your employees, to ensure that the customer comes first."

The "Chairman's Award" honors the dealers scoring highest on customer satisfaction surveys. Customers rate dealers in all areas of sales, service, technical proficiency and convenience. Five dealers have received the award each year since the program began in 1985.

Ivey Motor Company, located at 721 Austin in Robert Lee, has won the "Chairman's Award" for the first time.

Quilters vs The Tater Family

Wonder what this is all about? Come and join our quilters this month and find out. It is time for them to meet again and work on another beautiful quilt. The doors will open Thursday, May 16, at 9 am with lunch at 11:30. Instead of a pot luck lunch, quilters are asked to bring toppings for baked potatoes and/or a dessert. The potatoes will be provided.

There will be a short program on The Senior Companion program given by Deborah Ellsworth of San Angelo. You will also get to meet "The Tater Family."

Come for lunch even if you aren't a quilter. It promises to be entertaining.

Strollin'

Seniors are still strollin' every Monday, Wednesday, and Friday at 8 am. Starting point is the Senior Center parking lot.

Senior Meals

Monday, May 13
Chili Con Carne

Letters to the Editor

Dear Editor,

I don't wish to renew the subscription to your paper - not your fault. It's just that I can't get it! It's two or three weeks late lots of times and I even completely miss some copies. It's all the fault of the Postal System.

Sincerely,
J Fields

Dear Mr. Spain,

Enclosed is a check for thirty dollars. Please keep sending the paper for two more years. Enjoy reading it every week.

Thank you,

Dear Friends,

Received your card a few days ago. Thanks for the reminder. I enjoy the hometown paper and would hate to miss it.

Sure enjoyed the article on the 85th anniversary of the old Dry Goods store in Bronte. Keep up the good work.

ROBERT LEE SCHOOL NEWS

Steer band earns second division rating

The Robert Lee High School Steer Band participated at the UIL Concert and Sightreading Competition Wednesday, May 1, at Coleman High School. The band's performance earned them a second division rating in the concert portion of the contest and a second division rating in the sightreading portion. Although not receiving the first division rating, the Steer Band has still greatly improved over the course of the 1990-91 school year. Congratulations to all of the band members and to their parents for supporting the music program in Robert Lee.

Members of the Steer Band include: Flute - Carla Bewick, Laura Chesshir, Sabrina Cowart, Wendy McPeek, Patricia Minjarez, and Jonie Waggoner; Oboes - Jason Key and Heather Parks; Clarinets - Cynthia Abalos, Eliza Arellano, Carlene Bewick, Mandi Johnston, Angie Ibarra, Lenda Kapchinski, Gina Luna, Sheila Minjarez, Shanon Parks, Janet Pentecost, Kat-

rina Rodriguez, Amanda Sanders, Elizabeth Saucedo, and Maranda Wojtek; Saxophones - Kim Carver, Jeremy Fluhmann, Amy Johnson, Heather Millican, Jaclyn Waldrop, and Michael Woolley; Trumpets - Jeremy Burns, Elaine Gibbs, Wayne Hayes, Brent Jameson, Michael Lamar, David Millican, Rachel Pentecost, and Eric Torres; Trombones - Eli Arellano, Jody Brasher, and Rhiannon White; Euphoniums - Saul Arellano, Debra Drennan, and T. J. Roe; Tubas - Jesse Arellano, Michael Johnston, and Anthony Wink; and Percussion - Sean Barrett, Dean Burns, Brandy Hayes, Daniel Hayes, Tray Taylor, Harley Wagner, Randy Watkins, and Arveatta Wheat.

The Robert Lee 6th Grade Band participated at the Snyder Concert and Sightreading Contest at Snyder High School last Saturday. The band, which is made up of mainly second year musicians, competed with thirty bands from across the area. The band received a second division rating from the judges in the concert portion of the contest and a second division rating from the sightreading judge. These are excellent ratings for a band that has never gone to contest and has never participated in any type of sightreading competition.

The band students participating were: Flute - Brandi Brosh and Heather Nichols; Clarinet - Cheryl Kapchinski, Claudia Olguin, Shalon Waldrop, and Heather Ybarra; Saxophones - Dona Bell, Meagan Hill, Laine Gregston, and Rachel Shook; Trumpets - Soyla Barrera, Jerrod Copeland, Bobby Longoria, Kannan Millican, and Jennifer Scott; Trombones - Jerrod

Pitcock and Daryl Calder; Tuba - Donny Edging; and Percussion - Mike Pentecost, Corey Pitcock, Starsky Oleksiuk, and Jason Tavarez. Along with these 6th grade students, three 7th grade students assisted the band in several sections. These students were: Clarinet - Gina Luna; Euphonium - T. J. Roe; and Tuba - Jesse Arellano.

A special salute goes to the parents of these band members for allowing them to participate.

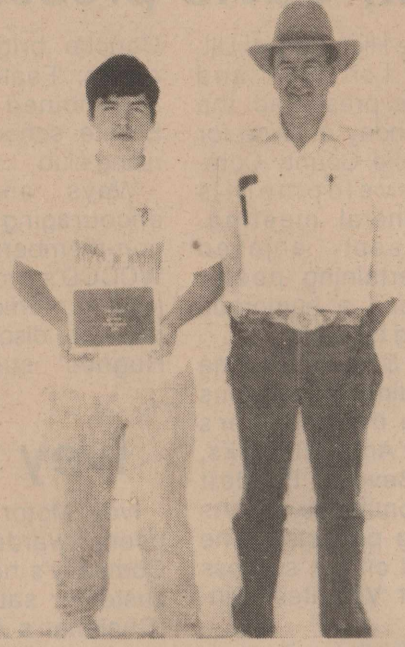

Jr. Hi all-district band tryouts held

On Friday, April 26, nine Robert Lee students participated, along with some 400 other students from area schools, in the Junior High All-District Band tryouts at Llano High School. These students were: Cynthia Abalos - Alto Clarinet; Jesse Arellano - Tuba; Brandi Brosh - Flute; Laine Gregston - Baritone Saxophone; Mandi Johnston - Bass Clarinet; Patricia Minjarez - Flute; Katrina Rodriguez - Contra-Alto Clarinet; Rhiannon White - Trombone; and Heather Ybarra - Clarinet.

Of these students, two placed in the first band and two placed in the second band. Cynthia Abalos placed first chair in the second band, Mandi Johnston placed first chair in the second band, Patricia Minjarez placed seventh chair in the first band, and Katrina Rodriguez placed first chair in the first band.

On Saturday, May 4, these four students went to Ballinger for an all-day clinic and then performed the music learned that day in a concert that evening.

Congratulations to these students and to their parents for their support in the band program.

Pictured above is Jonathan Torres with 4-H Shooting Sports Coach Richard Johnson. This past weekend, Jonathan won 2nd place in the Light Rifle class at the State 4-H Shooting Sports Extravaganza in Brownwood. One Hundred and Seventy-nine shooters throughout the state participated. Others representing Coke County included: Russel Vaughn, Trap & Skeet, 6th place; Will Simpson, Light Rifle, 8th place; and Anthony Wink, Light Rifle, 5th place, and Silhouette, 5th place.

Henson family reunion

The Henson family gang gathered at Brady Lake May 4 to enjoy the 5th annual Fred Henson, Sr. Reunion. Those attending were Fred Sr. and Milady Henson, Abilene; Jay and Voncille Whittley, San Angelo; Dale and Sue Wojtek, Robert Lee; Ed and Fredda Shuquist, Austin; Fred Henson, Jr., Carlsbad; Jonfred Henson and Connie Joe Henson, Abilene; Dick Henson, San Angelo; Craig, Janie, Jason, and Randy Whittley, Granger; Marie Henson, San Angelo; Maranda Wojtek, Robert Lee; Gene and Gwenda Pierce, Bill and David, Norman, Oklahoma; Carla and Harvey Wojtek, Freddie, Shane, Shanna, and Jamie, Robert Lee; Carla Kristinek, Will, Joshua, and Scott, Whitharral; Bobby, Lori Lou, Cody Lance Brandon, and Colt Landon Carter, Mabank; and Terry Wojtek and Shirley Jameson, Sterling City.

Camping, fishing, horse shoes, games, and lots of visiting entertained everybody. The reunion began 5 years ago as the Fred Henson, Sr. Reunion by his children Voncille Whittley, Sue Wojtek, Fredda Shuquist, and Fred Henson, Jr.

Immediate family unable to attend were Charles and Kay Cotter and Jennifer and Alesia Krotla of San Angelo; Joshua Henson of Abilene; Heather Henson of Albuquerque, New Mexico; Harold Whittley of Pampa; and Walter Kristinek of Whitharral.

In a short business meeting, Fredda Shuquist was elected President; Ed Shuquist, Vice President; Carla Kristinek, Secretary; Voncille Whittley and Connie Jo, Treasurers; and Craig Whittley, Lori Carter, Kay Cotter, and Terry Wojtek, Activity Directors.

WCCNH Auxiliary meets

The West Coke County Nursing Home Auxiliary met Monday, May 6, in the new recreation hall of the home. President Elaine Norvell presided with eleven members present. Those present were Mary Cherry, Joyce Wilson, Joyce Harper, Lucy Williams, Reba Tabor, Irene Newell, Maybell Stewart, Fay Roe, Zera Fields, and Pauline Vaughan.

The group decided to reupholster the ten armchairs purchased by the auxiliary three years ago for the recreation room. They also voted to buy material to recover the dining room chairs. This project will be done by other volunteers. All these chairs will match the draperies in their respective areas.

Plans were made to prepare

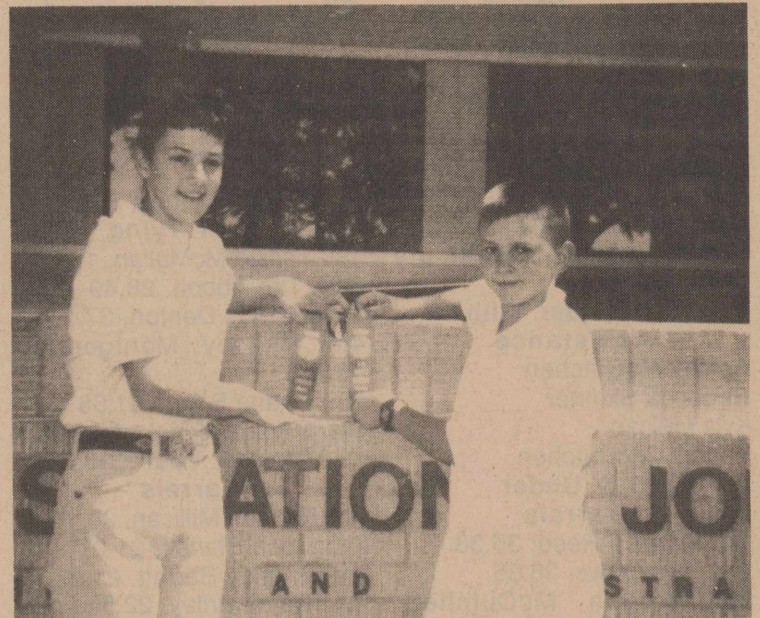

the long flower bed along the walk and windows of the new recreation hall and dining area. A watering system will be installed and flowers will be planted. Later, when the season is right, shrubs and/or miniature roses will be planted and the bed landscaped with bark or rock.

It was decided to hold a rummage sale on the patio and under the trees on the west and north sides of the home. The rummage sale will be on Saturday, May 25. Donations of sellable clothes and other articles will be appreciated. Contact any auxiliary member about where to bring the items the week before the sale.

The auxiliary adjourned to meet again the first Monday of September.

Waldrop, Helwig win at district contest

Seventeen counties and 350 4-Hers competed in the District 7 Roundup this weekend at ASU. This is the leadership contest. It is based on leadership, citizenship, and community involvement. 4-Hers present a five to seven minute method demonstration on how to do something or an illustrated talk. Competitors range from age 9 to 18 years. Representing Coke County were Jaclyn Waldrop and Chad Helwig. They placed 1st with their demonstration in Citizenship and County Government.

Jaclyn Waldrop and Chad Helwig placed first with their demonstration last weekend at the District 7 Roundup.

LOOK WHO'S NEW!

Chuck and Sheila Askins are the proud new parents of twin daughters born April 10, 1991, in Burleson, Texas.

Kaylie Paige weighed 4 lbs, 4 oz. and was 17 inches long, while Jamie Charlene weighed 4 lbs, 12 oz. and was 18 inches long.

The girls have one brother, Brent, who is 5 years old.

The children's grandparents are Raynelle and Charlie Askins and Wyman and Elsie Darden, all of Sulphur Springs.

Great-grandparents include Foy and Estelle Askins of Robert Lee, Raymond and Gertie Bloodworth of Silver, R. A. Petross of Sulphur Springs, and Winona Van Zant of Sulphur Springs.

CRMWD hosts barbecue

The Colorado River Municipal Water District played host to a large group of invited guests Tuesday for a barbecue lunch at its pavilion on Lake Spence. Lake Superintendent Royce Hood and wife, Frankie, headed up the meal preparation for brisket, sausage, salads, and cobbler, aided by other lake employees.

Attending were local law enforcement personnel, district DPS and Parks and

Wildlife officers, along with various spouses, county and city officials, and several other invited guests.

According to Hood, the annual event was established to show the water district's appreciation to those who have been involved with the lake in a number of ways.

The Best Never Rest.

ADVERTISEMENT AND INVITATION FOR BIDS

Coke County and Fisher County (hereinafter called the OWNER) will receive Bids for Airport Lighting Improvements, Robert Lee Airport and Rotan/Roby Airport until 11:00 AM, Monday, June 10, 1991, in the Commissioners Court Room at the Coke County Courthouse, Robert Lee, Texas, which time and place all Bids will be publicly opened and read aloud.

Consideration for award of the Bid will be made at 11:00 AM, Monday, June 10, 1991, at the Coke County Commissioners Court Meeting, Coke County Courthouse, Robert Lee, Texas and at 2:00 PM, Monday, June 10, 1991, at the Fisher County Commissioners Court Meeting, Fisher County Courthouse, Roby, Texas.

Bids are invited upon the several items and quantities of work as follows:

At the Robert Lee Airport a medium intensity runway lighting system will be installed on a 4,400 LF runway and will include a photo cell, transclosure, 10-inch beacon, beacon tower, radio control unit, lighted wind cone and segmented circle. A low intensity runway lighting system will be replaced with a medium intensity runway lighting system at the Rotan/Roby Airport. The MIRL (runway 3,300 LF) will include a radio control unit, photo cell, transclosure and new wiring to the existing beacon and wind cone.

Contract Documents, including Drawings and Technical Specifications, are on file at the office of GSW & Associates, 1030 Andrews Highway, Suite 211, Midland, Texas 79701 and Coke County, Robert Lee, Texas and Fisher County, Roby, Texas.

Copies of the Contract Documents may be purchased for \$50.00 from GSW & Associates for each set of documents obtained. No refunds will be made.

A certified check or bank draft, payable to the order of the OWNER, negotiable U.S. Government bond (at par value) or a satisfactory Bid Bond executed by the Bidder and an acceptable Surety in an amount equal to five percent (5%) of the total Bid shall be submitted with each Bid.

The Contractor must insure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin on the entire project.

The OWNER reserves the right to reject any or all Bids or to waive any informalities in the Bidding.

If the Bid is not awarded at the previously mentioned meetings of the Coke County and Fisher County Commissioners Court on June 10, 1991, then the Bids may be held by the OWNER for a period not to exceed sixty (60) days from the date of the opening for the purpose of reviewing the Bids and investigating the qualifications of Bidders.

May proclaimed Older Americans Month

President Bush has issued a proclamation that recognizes May as Older Americans Month. The theme for this year's observance is "Older Americans, Our Greatest Natural Resource."

"Social Security benefits play an important part in helping older Americans maintain their independence," Franklin H. Upp, manager in San An-

gelo, said recently. "While these benefits were never intended to cover an individual's or family's total living expenses, they are of significant help in enabling beneficiaries to provide themselves with the food, clothing, and shelter required for good health."

In the future, as in the past, Social Security will continue to keep old age a time of fulfill-

ment so that, with the poet Browning, we can say: "The best is yet to be..."

More information on Social Security benefits can be obtained at the San Angelo Social Security Office located at 2214 Sherwood Way. The telephone number is 949-4608 or call 1-800-234-5772.

What Is The DUAL-FUEL HEAT PUMP?

It's an Add-On Cooling and Heating System that offers you an ENERGY EFFICIENT way to COOL & HEAT your home with ELECTRICITY and GAS, helping you to save money on your energy bills!

HERE'S HOW IT WORKS...

The DUAL-FUEL Heat Pump allows you to use your present gas furnace, duct system and electrical wiring. It replaces your old worn out air conditioning unit, but does much more - it cools and heats. The heat pump provides the most efficient heating for your home during normal winter weather and uses your existing gas furnace to assist during extremely cold conditions if needed.

REMEMBER

When you need to replace your old air-conditioner ask a COOLING & HEATING DEALER about the Dual-Fuel Heat Pump that both cools and heats.

As a WTU customer you can qualify for

\$500⁰⁰ cash

when you install an Electric Heat Pump with a SEER rating of 10 or more and your home meets WTU Energy Saving Plan requirements

NOTICES

the above-named Municipality will request the Texas Department of Commerce to release Federal funds under Title I of the Housing and Community Development Act of 1974, as amended, to be used for the following project: Project Title: Water Distribution System and Fire Protection Improvements

Contract Number: 700801
Purpose of Project: The purpose of the project is to replace small (1-1/4 to 2 inches) galvanized iron distribution lines with 6 inch PVC lines and additional fire hydrants.
Location of Project: Bronte, Texas
Enumeration District: 276 & 277

Estimated Cost of Project: \$125,576.00

FINDING OF NO SIGNIFICANT IMPACT

It has been determined that such request for release of funds will not constitute an action significantly effecting the quality of the human environment and accordingly the above-named Municipality has decided not to prepare an Environmental Impact Statement under the National Environmental Policy Act of 1969.

The reasons for such decision not to prepare such Statement are as follows:

1. There will be no negative impacts on the environment as a result of an activity or project undertaken with Texas Community Development Program funds;
2. Some increase in noise, dust, or other nuisance levels may occur during the project; however, such disturbances will be temporary and will cease on the completion of the project;
3. None of the activities to be undertaken will affect any known local, state, or national

historic, architectural or archaeological resource presently listed, or potentially eligible for listing, in the National Register of Historical Places or in any state or local registry;

4. No effect is expected on protected or endangered wildlife or vegetation; and

5. No farmland will be taken from use or otherwise adversely impacted.

An Environmental Review Record respecting the within project has been made by the above-named Municipality which documents the environmental review of the project and more fully sets forth the reasons why such Statement is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying, upon request, at the City Secretary's office during normal business hours.

Public Comments on Finding

All interested agencies, groups, and persons disagreeing with this decision are invited to submit written comments for consideration by the Municipality to the Office of the Mayor on or before May 25, 1991. All such comments so received will be considered and the Municipality will not request the release of Federal funds or take any administrative action on the within project prior to the date specified in the preceding sentence.

RELEASE OF FUNDS

The City of Bronte will undertake the project described above with the Texas Community Development Program funds from the Texas Department of Commerce (TDOC) under Title I of the Housing and Community Development Act of 1974, as amended. The City of Bronte is certifying to the Texas Department of Commerce that the City of Bronte and Mayor J. T. Henry, in his official capacity as Mayor, consent to accept the jurisdiction of the Federal courts if an action is brought to en-

force responsibilities in relation to environmental assessments, decision-making, and action; and that these responsibilities have been satisfied. The legal effect of the certification is that upon its approval, the City of Bronte may use the Texas Community Development Program funds, and the Texas Department of Commerce will have satisfied its responsibilities under the National Environmental Policy Act of 1969 and 24 CFR Part 58.

Objections to State Release of Funds

The Texas Department of Commerce will accept an objection to its approval of the release of funds and acceptance of the certification only if it is on one of the following bases: (a) that the certification was not in fact executed by the chief executive officer or other certifying officer of the Contractor approved by TDOC; or (b) that the Contractor's environmental review record for the project indicates omission of a required decision, finding, or step applicable to the project in the environmental review process. Objections must be prepared and submitted in accordance with the required procedure (24 CFR 58), and may be addressed to the Texas Department of Commerce, Community Development Division, PO Box 12728, Capitol Station, Austin, Texas 78711.

Objections to the release of funds on bases other than those stated above will not be considered by the Texas Department of Commerce. No objection received after June 17, 1991, will be considered by the Texas Department of Commerce.

Arrott competes at state

Brian Arrott, along with 60 other students from 1A to 5A schools, competed in Feature Writing at the State Academic Meet in Austin May 3.

The competitors had thirty minutes to interview ex-Attorney General Jim Maddox. They then had an additional hour to write a human interest story based on that interview.

This was Arrott's first year to

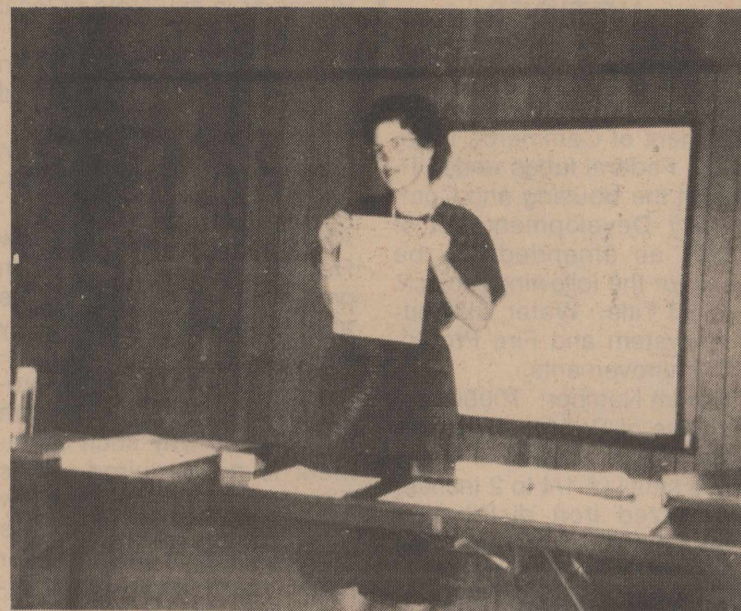

compete in journalism and his success put him in the top .01% of all journalism students in the state.

"I am very proud of Brian's success. I only wish he had competed in previous years," sponsor Connie Bozarth said.

Arrott, who is now eligible for various scholarships, plans to attend Texas Tech and major in Broadcast Journalism.

Eggshells recycled into fashion jewelry

The Bronte and Robert Lee Extension Homemakers met Thursday, May 2, for a day filled with leadership, nutrition, and environmental programs. Kristin Cranfill, Agent in Tom Green County, presented a program focusing on "Recycling with Eggshell Jewelry." Ann Beard, Clothing and Textile specialist from A&M, presented "Hazardous Household Products." Jan Yanez, Coke County Agent presented "Wellness - The Choice is Yours." Club members included Doris Penny, Zera Fields, Marie Arrott, and Virginia Boatright. Guests included Kimberly Jones, Teena Pierce, and Kei Antilely.

Clothing and Textile specialist Ann Beard presented one of the programs at a combined meeting of Bronte's and Robert Lee's Extension Homemakers meeting May 2.

Personal

Margaret Martin returned home Sunday from a very enjoyable visit in the home of her son Gary and his family in Waxahachie.

She arrived on Friday and enjoyed a long visit with her grandson, Eric Martin, who had recently returned to Fort Hood from serving in Desert Storm in Saudi Arabia and Iraq.

Joining them on Saturday was another grandson, Kevin Martin of Dallas, and her daughter and son-in-law, Dorothy Ruth and Dan Mitchell of Sugarland.

Mr. and Mrs. James Arrott of Tennyson accompanied Mrs. Martin to Waxahachie where they visited James' son, Dee Arrott, and family.

Br. NHS nominees

The Bronte National Honor Society announced its two nominees for the NHS Scholarship program. They are Lee Sonnenberg and Eboni Taylor. Lee is the son of Mr. and Mrs. Bruce Sonnenberg and Eboni is the daughter of Mr. and Mrs. Stover Taylor. Both of these students are graduating seniors.

The National Honor Society will be awarding \$1000 scholarships to 450 NHS scholarship nominees. Results of the scholarship awards should be announced sometime this month.

the Concho Valley Council of Governments presents: IN CELEBRATION OF OLDER AMERICANS MONTH . . .

The Area Agency on Aging

The Concho Valley Area Agency on Aging (AAA) is located at 4860 Knickerbocker Road in San Angelo and serves a thirteen-county area. The AAA provides services to senior citizens to ensure they are able to remain independent and age with dignity.

Each city, county, and non-profit agency is unique in the services it provides in its community through funds provided by the AAA. Some of these services are: Congregate or group meals, home-delivered meals, Senior Center Operations, Home-maker I and II, transportation, legal services and will clinics, case management, emergency response, residential repair, visitation, and respite care.

The AAA also offers a Nursing Home Ombudsman Program. The Nursing Home Ombudsman receives and investigates complaints by residents of nursing facilities. Ombudsmen are volunteers trained to serve as mediators among residents, their families, and facility administration to help resolve problems concerning the residents' quality of life. Serious complaints are referred directly to the AAA Staff Ombudsman

and then to the Texas Department of Health. The Ombudsman volunteer provides a valuable service to nursing home residents and their families and new volunteers are welcome.

Senior Centers have been designated as the focal points for the elderly to obtain some or all of the above-mentioned services. The Senior Center in your area may provide supportive services, such as: Advocacy, information and referral, letter reading/writing, telephone reassurance, outreach discount programs, material aid/income support, health promotion, health screenings, and services in care facilities. Because every Senior Center is different, contact the Senior Center in your county to find out which services are available to you and your family.

To participate in any of these programs, a person must be 60 years of age or older. There is no income criterion. Voluntary contributions are encouraged and any money collected is put back into the program to help maintain and expand services. However, no senior citizen is denied any services because they cannot contribute.

55+ Experience . . . Works!

The 55+ Experience Older Worker Employment and Training program is helping employers fill jobs with efficient, experienced, and stable mature workers. The program is designed to benefit everyone involved.

The participants, aged 55 and over, benefit not only by building self-confidence and self-esteem, but also by learning new skills, renewing old ones, and becoming valuable and contributing members of the community once again. The program provides workers to private businesses in a variety of fields such as clerical, recordkeeping, security guard, health care, maintenance and janitorial work, child care, retail workers, and numerous others. There are no fees charged for these services.

Businesses benefit by being able to obtain mature, experienced workers. Individuals who are seeking employment are carefully matched to businesses with job openings. Studies show there is less turnover and absenteeism, fewer accidents, and

the older worker understands the value of a job well done. In some instances, businesses will qualify for reimbursement of 50% of the mature workers wages during the training/orientation period. Again, no fees are charged for

this important employment service.

The community benefits as well as more older citizens are gainfully employed and thus able to make a vital economic contribution.

The Senior Companion Program

Every day Senior Companion volunteers assist their peers by easing loneliness and bolstering self-esteem. They help clients solve problems and provide assistance with activities of daily living. These volunteers mean the difference between a life of independence and dignity or one of mere survival for more than 100 older adults with physical, emotional and/or mental health problems.

Senior Companions are volunteers age 60 and older

with low, fixed incomes. They have a demonstrated ability to assist adults with exceptional needs. Through ACTION, the federal domestic volunteer agency, these volunteers are eligible for a tax-free allowance that helps them underwrite the cost of serving as a Senior companion volunteer.

This program succeeds because of a simple idea -- that the best way to help seniors is to help them help themselves.
