Saluting the Robert Lee Class of 1991

Twenty-two seniors of Robert Lee High School will realize their goal, held by most students, within the next week and that is to graduate and lead a separate, independent life. It has been a delight to dwell upon all year, but it now looms large and even a little frightening before them.

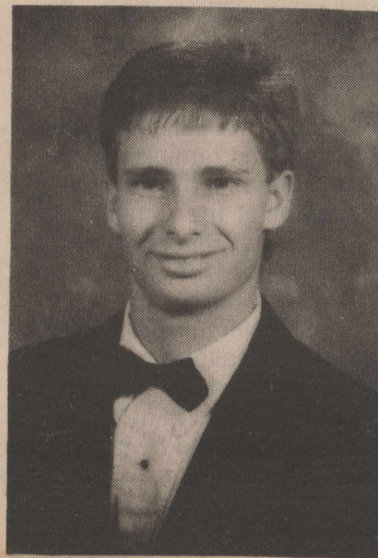

Formal graduation for the

class will begin with the Baccalaureate Service on Sunday evening, May 19, at 8 pm in the school auditorium. Addressing the class, family, and friends will be the Rev. Roy Epperson, pastor of the Robert Lee Baptist Church.

Candidates for graduation will receive their diplomas in Commencement exercises on Friday, May 24, at 8 pm in the

school auditorium. Speaker for the evening will be State Representative Rob Junell of San Angelo. Also on the program will be the Valedictorian of the 1990-91 class, Brent McPeek, and the Salutatorian, Sheree Burns.

Members of the graduating class are Thomas L. Baker, Jody Brasher, Creta Sheree Burns, Stephen Roy Epperson, Roy Brent Gibbs, Lenny Jackson, Amy Malynn Johnson, Ron W. McCown, Brent Douglas McPeek, Steve Oleksiuk IV, Heather Aliece Parks, Janet Lee Pentecost, Stephanie Dawn Poehls, Lori Mae Renfro, Robert Ely Rodriguez, Francisco Javier Saucedo, Christina Ann Sherrill, Jody Lance Tavarez, Ronald G. Waggoner, Randy Wayne Watkins, Jeffrey Wayne Wilkes, and Cecilia Ybarra.

Valedictorian honors at Robert Lee High School went to Brent Douglas McPeek whose grade average was 95.927. He is the son of Mr. and Mrs. Doug McPeek. Active in both academics and athletic activities, he plans to attend Texas Tech University this fall and major in Ag Economics.

Creta Sheree Burns is the class salutatorian with a grade average of 94.380. She is the daughter of Mr. and Mrs. Bill Burns and Mr. and Mrs. Lee Harris. A participant in all school activities, she expects to major in Pre-Med at Texas A&M University.

Rainfall totals reported

The Bronte area experienced various kinds of weather this past Sunday night and Monday night.

On Sunday night, damaging winds tore the roof off a portion of Mr. and Mrs. Ron Thorn's mobile home north of town. No one was injured.

Also, Paul Sublett, WTU Manager, reported a tornado on the Humlong Ranch south of town that damaged seven 55' transmission poles with electricity lines. The poles held feeder lines for Bronte's electric power. The city had no power for about 35 minutes until some repairs were made.

The tornado hit about 1/2 mile south of the Jerry Landers home and only 1/5 of an inch of rain fell.

The Bronte WTU crew and crews from San Angelo worked that night and until 3 pm Monday repairing the damage.

Also in the vicinity, a large ladder attached to an oilfield tank battery was lifted and

dropped ten feet from its stationary position.

Rainfall reports ranged from 1/2 inch in southwest parts of town to 1.8" south and up to 2.2" in northern Bronte.

Jerry T. Parker, north of town reported 3.4 inches with small hail lasting about 30 minutes.

Six miles east reports were 2 1/2 inches.

Monday night, rainfall measured an average of 1.6 to 2 inches in Bronte.

Tennyson reported 1 to 2 inches around.

Average total rainfall for the two nights in Bronte ranged from 3 1/2 to 4 inches.

Robert Lee didn't receive as much rainfall as the east side of the county, but on the other hand, no damage has been reported. West Coke County generally measured from 1 1/2 to 3 1/2 inches with the Paint Creek area falling short in the 2-day totals. Small, soft hail fell during both thunderstorms along with high winds but apparently neither resulted in serious damage.

McCabe, Johnson elected to UWCD

According to Coke County Underground Water Conservation District manager Eph Cummins, the voting totals of the May 4 election are now official. Fred McCabe, Jr., was elected director in Precinct 3 with 20 votes and Bud Johnson garnered 19 votes in Precinct 4 for that vacancy. Both unopposed, they will serve two-year terms on the panel of directors.

The Texas Senate approved legislation May 6 to change the underground conservation districts' terms to four years in Coke and Sutton counties. The bill returned to the House for consideration. A analysis of the bill stated that the change would save the cost of the elections every two years. An estimated 5-8% of the districts' budgets are spent on election costs.

Retired Teachers

The Coke County Retired Teachers Association will meet on Monday, May 20, at First United Methodist Church in Bronte.

Mary Frances Glenn will show slides and present a commentary on her and Clark's recent trip to Mexico.

News from Oak Creek

By Ann Pate

Fishing has been a grand affair around Oak Creek this past week. The big story would have to be the black bass caught Sunday morning by Don Murray of Abilene. The people that saw him catch it came in saying they bet this guy had an eight pound bass. Through the day, the stories began to grow until he was up to nine or ten pounds. We sat here in the store thinking that we had heard "stories" like this one before. Sure enough, though, when we laid him on the scales, he came in at a whopping 11 lbs., 5 oz. We're talking about a big fish here! After weighing him and getting some pictures, Mr. Murray decided to release the fish back into the lake. He'll be there another day for some other lucky fisherman. By the way, Mr. Big was caught on a Slug.

Other nice bass have been caught through the week, going anywhere from four pounds to six pounds, 8 ounces.

Crappie are doing good also. All week, nice full stringers of legal size crappie have been caught. JoAnn Williams of Odessa caught her limit, with a help of a few friends Thursday night. They also caught several nice white bass and some catfish. Nila Harries of Oak Creek brought over her biggest crappie to weigh and it went 1 lb., 12 oz. The Lockharts from Snyder also had a good week's catch. Minnows seem to be doing the trick.

Overall, fishing is at its best here at Oak Creek. The lake is about seven feet low and the water temperature stands at 69°. Come on out to Sportman's Lodge and wet a hook. Chances are good you will catch some nice fish.

Singing Winds winners reported

There were 32 entrants for the May 9th Thursday Night 9-Hole Golf Tourney at the Singing Winds Golf Course in Bronte.

Taking 1st place with a 27 were Wayne Coalson, Gwen Baker, Jackie Corley, and Wade Stautzenberger.

After a card playoff, the team of J. W. Caudle, Royce Clark, Richard Hembree, and Mickey Pierce placed 2nd with a 30 score.

Third place went to Jeff Webster, Sybil Henry, Katie Campbell, and Bert Johnson with a 30.

Finishing with a score of 31 to place 4th were Ken Campbell, Martin Lee, Marshall Lendle, and Rocky Rawls.

Personal

Visiting in the Joyce and Jim Wilson home for Mother's Day were Don Hester; Lee Ann Hester and Reid Kyker of Abilene; and Marie Hester and Sondra Hester, both of Robert Lee.

Don Murray of Abilene landed this monster black bass Sunday, May 12, at Oak Creek Lake. The bass was weighed in at Sportman's Lodge and went 11 lbs., 5 oz. for an official lake record. The catch was certified by Texas Parks and Wildlife Game Warden Sparks Burdett. Murray made the difficult decision to release the record bass back into the lake.

Coke to remain in 66th

Representative Robert Junell (D-San Angelo) announced that Coke County will remain in the 66th District under the plan released Friday by the House Redistricting Committee. The plan leaves Coke, Mitchell, Sterling and Tom Green counties in the district and adds Irion and Reagan counties to the district.

Junell stated "I am very pleased with the new district. My main concern was keeping my present district intact, which this plan does. I am also glad to be getting Reagan and Irion counties, two West Texas counties that fit with my current districts needs."

This plan will now be debated in the House Redistricting Committee. If it passes the committee, it would go before the full House for a vote.

The plan currently being discussed in the Senate on State Senatorial Districts will change Coke County. Coke and Mitchell counties would move into the 24th Senatorial District which is represented by Senator Temple Dickson of Sweetwater. This plan will be discussed before the full Senate during the week of May 13th.

Both houses must agree on a plan by May 27th, the last day of session, or a plan will be devised by a committee comprised of the Governor, Lieutenant Governor, Speaker of the House, Land Commissioner and Comptroller.

Wilkes, Burns net funds

Jeff Wilkes and Sheree Burns (from left) were named recipients of the AON Service Club's two \$500 scholarships. Presenting the awards were Vice President Kei Antilley and Marsha Wink, scholarship chairman.

Two \$500 scholarships were awarded to Robert Lee High School seniors Jeff Wilkes and Sheree Burns by the AON Service Club Wednesday. The luncheon to announce the recipients was held at noon at the First United Methodist Church fellowship hall. Members voted

several years ago to offer the scholarships to outstanding students and over the years have enabled a number of graduates to further their education. The fellowships are financed for the most part by the club's annual spaghetti supper.

Badillo to speak at SSCOC

Jairo Badillo, missionary with the Church of Christ in Cali, Columbia, South America, will be speaking this Sunday morning and evening at the Southside Church of Christ in Robert Lee at 11 am and 6 pm.

The Sunday sermons will be translated from Spanish into English by Mr. Badillo's former coworker in Cali, Calvin Henry. The day will also include a fellowship lunch at the new Rec Hall at 12:30.

The Southside Church of Christ has enjoyed a partnership in the Gospel with Jairo Badillo through supplying his

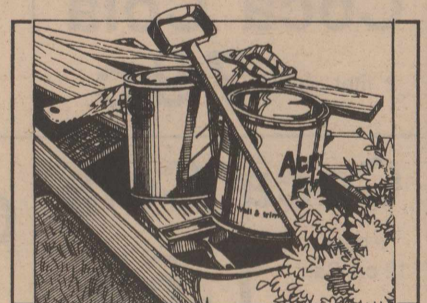

monthly salary since November of 1988. However, this will be the first time that the church has had the opportunity to meet him in person.

Calvin Henry, a college classmate and longtime friend of Jerry and Mimzi Horn, presently does evangelistic work among Spanish-speaking people in the inner-city area of Houston.

The public is cordially invited to hear Jairo Badillo at any of the Sunday services or to attend the Sunday lunch for an opportunity to visit with him on a personal basis.

Seniors tour Hollywood

By Jody Tarez and
Lori Renfro

On the early morning of March 25, we, the seniors, gathered at the Poehl's home to enjoy a send-off breakfast. It included breakfast burritos, donut holes from Dunkin' Donuts, juice, and much filming and picture-taking from the parents.

After eating, we stood around and visited, expecting to be one sponsor short on our senior trip. Then, to our relief, Mr. Bullard arrived and we were free to depart. With a rev of the engine and honk of the horn, we loaded onto the RLISD bus and were on our way, waving and saying our last goodbyes to parents and friends.

Midland Airport was awaiting our arrival, and we checked in our baggage, then boarded our plane. Since most of the seniors had not flown before, the flight was a new experience. After a 45 minute trip to El Paso, our plane was refueled and stocked with plenty of peanuts, cookies, and drinks. Once again, we were in the air, headed for sunny California!

Or so we thought. To our surprise, the weather was cloudy and cold. However, we were too excited to be affected by this setback. Soon, a bus arrived to take us to the Jay Leno Show. Or so we thought. An hour's drive into L. A., the bus driver and Mrs. Millican realized that we were on the wrong bus and had missed our opportunity to be on national television.

Due to our problem, we were taken to our hotel, where we unpacked and headed for Disneyland. We spent Monday night and most of Tuesday at Disneyland, enjoying features such as Splash Mountain (a log ride), Space Mountain (a roller coaster simulating space flight), Star Tours (a replication of Star Wars movie and a space ride), and the "It's A Small World" castle (every girl's favorite attraction). Also, we had our first encounter with the Disney Characters at our Early-Bird Breakfast. We met and took pictures with Daisy Duck (Brent Gibbs' sweetheart), Donald Duck, Friar Tuck, King John, Roger Rabbit, and Pinocchio. At 10:00, we left and returned to our hotel.

Universal Studios and a Hollywood/Beverly Hills tour were our plans for Wednesday. We boarded our tour bus early and our tour guide, Sheri Evans, gave us information on just about every sight we saw. Some of our fondest memories were Mann's Chinese Theatre, the Walk of Stars, Rodeo Drive (a street including expensive shops and many landmarks from the movie "Pretty Woman"), the famous HOLLYWOOD sign that stands on a mountainside, and many mansions of famous people. We stopped for lunch and shopping at Farmer's Market, a conglomeration of stores of foreign goods and foods. At 3 pm, we arrived at Universal Studios, and boarded the tram.

We saw such sights as the Psycho house and Bates Motel, JAWS, King Kong, a simulated earthquake that registered 8.2 on the Richter Scale, the clock tower from "Back to the Future," and reproductions of cities and buildings from various movies and commercials. The tram ride was over and we were free to roam around and enjoy side shows. The most popular ones were Conan, Riot Act, and Miami Vice Stunt Shows, Animal Actors (including Benji, Einstein, and a Budweiser monkey). Since the park would soon close, we gathered at the entrance to take pictures of the illuminated Universal Studios sign.

Thursday morning, we departed for the Hollywood Wax Museum. Upon entering, we had our photos taken with a very real-looking George Burns. The museum was amazing and awesome, including such figures as Dudley Moore as Arthur, Sylvester Stallone as Rocky, Bette Midler, Marilyn Monroe, Ed Asner, the Beverly Hillbillies, Sanford & Sons, Norman Bates, Elvira, and others. After a thorough tour, we walked to Knott's Berry Farm. This was an amusement park that contained many rides and entertainment shows. The favorite rides of the Seniors were the Boomerang (a fast and twisted roller coaster), Montezuma's Revenge (a half-circle ride that traveled at an unbelievable speed), and the Big Foot Rapids (a water ride after which everyone was soaking wet). The only show attended was the Good Time Theatre. Sheree, Harvey, Jody T., and Lori were the only Seniors who enjoyed the two comedians. One was a stunt man and the other was an impersonator. By far the best feature was the Boysenberry Ice Cream Sundae which Knott's is famous for.

We had the morning of Friday to ourselves, but had to be to the LA International Airport by 3 pm. The flight home was still exciting because we flew over the ocean and at night. Midland's lights from the air were a welcome sight. After a quick supper at various fast food joints, we started for home. We arrived at RLHS around 1 am and went to our homes.

In conclusion, we would like to share some of the most memorable times of our Senior Trip. All of the Seniors had the experience of relaxing in an outdoor hot tub while it rained. In this hot tub, we met Mauricio, who was the nephew of the President of Mexico! He couldn't speak English, so Harvey acted as our translator. Tuesday morning around 3 am, we were awakened by the horrifying sound of fire alarms. People ran around hysterically and fire trucks came to the rescue, only to find that it was false alarm, set off because someone was attempting to steal the speakers in his room. Ted Williams, a known fugitive, was apprehended by the police after a phone call from our very own Jeff Wilkes and Brent Gibbs. Another humorous incident claimed Jody T.

and Harvey as its victims. An unknown person consistently set the clock ahead one hour. Thus, the two guys were an hour early several morning

and had one less hour of sleep. We thoroughly enjoyed our trip and will have plenty of memories on which to look back.

The Seniors were accompanied on their trip by four fabulous sponsors: Sheri Millican, Graham Bullard, and Kenneth and Nancy Rasco.

The bids will be publicly opened and read aloud at 4:00 pm on June 10, 1991, at City Hall, 6 East 7th Street, in Robert Lee, Texas. Bid/Contract Documents, including Drawings and Technical Specifications may be examined at City Hall or at the following location:

REYNOLDS-HIBBS & ASSOCIATES
#17 Windmill Circle
Abilene, Texas 79606

A Bid Bond in the amount of five percent (5%) of the bid, issued by an acceptable surety, shall be submitted with each bid. A certified check or bank draft payable to the City of Robert Lee, or negotiable US Government Bonds (at par value), may be submitted in lieu of the Bid Bond.

In addition, the successful bidder must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex, or national origin.

Attention is also called to General Condition 141 "Restrictions on Public Buildings and Public Works Projects." The Bidder certifies by the submission of its bid that it:

1. Is not a contractor of a foreign country included on the USTR list.
 2. Has not and will not enter into any subcontract with a subcontractor of a foreign country included on the USTR list.
 3. Will not provide any product of a foreign country included on the USTR list.
- The City of Robert Lee reserves the right to reject any or all bids or to waive any informalities in the bidding. THINK BEFORE YOU DRINK AND DRIVE

It doesn't take a college degree to figure out that drinking and driving don't mix, but it does take a degree of self-control to say "no" to alcohol when you plan to get behind the wheel.

During this celebratory time in your life, we wish you well and hope you'll make the educated choice that could save your life and others as well.
