**Mobile breast cancer unit set May 28**

The Mobile Breast Cancer Detection Unit of Odessa, Texas, which services Robert Lee, today received the certification of the American College of Radiology Mammography Accreditation Program.

Mammography is an x-ray examination of the breast, which the American Cancer Society and other medical experts see as the best means for the early detection of breast cancer.

The program is voluntary and is designed to insure that women receive optimum quality mammographic examinations. The process is done through a peer review evaluation of the facility's staff qualifications, equipment, quality control, and quality assurance programs, image quality, and breast dose. The accreditation must be renewed every three years.

The accreditation program was instituted because of the concerns of radiologists, other national medical organizations, and the public that qualified personnel perform and interpret mammograms and that dedicated mammographic equipment be used. The American College of Radiology received an American Cancer Society Control Grant which was used to pilot test the Accreditation Program.

Breast cancer will strike one in 10 women. The American Cancer Society predicts that about 41,000 women will die

of breast cancer this year. As there is no way to prevent the disease, early detection and treatment offer the greatest hope for survival.

The American Cancer Society recommends that women do monthly breast self-exams and have regular physical breast exams by a doctor. It further recommends mammography on the following schedule:

- a baseline mammogram (for reference) between age 35 and 39;
  - a mammogram every one or two years between age 40 and 49;
  - an annual mammogram from age 50.
- The Breast Cancer Detection Unit will be in Robert Lee on Tuesday, May 28. You may call 453-2511 for an appointment.

### "Caught" slated May 26th

"Caught," the newest film from Billy Graham's World Wide Pictures will be shown on Sunday, May 26, at 7 pm, at the Robert Lee Baptist Church.

The true-to-life dramatic story portrays the power of one person caring for another.

An 18-year-old American, Tim Devon, goes to Amsterdam in search of the father he has never known. His mother reluctantly admits he was born illegitimately out of a college romance between her and a Dutch exchange student.

In this city, far from his home, he slips into the self-destructive drug culture, but is encountered by a single, caring person -- a person of deep faith. The person, Rajam Prasad, found a way to share Christ's message of

love, hope and forgiveness in a way that Tim could not ignore.

Vast audiences who have witnessed the film's premiere in movie theatres around the world have been gripped by its central focus on their friendship which was forged out of danger and desperation.

Deeply moved by the warmth of the film with its many moments of humor, Billy Graham, said "'Caught' is certainly the most outstanding film yet produced by World Wide Pictures."

"Caught" rings a challenge to us all; in reality, one caring person can have an immeasurable impact on the life of another lonely, disillusioned, desperate person. The public is cordially invited to attend this showing.

### Spencer receives TSU Spirit Award

Reggy Glen Spencer, a Tarleton State University student from Roby, was one of eleven TSU students selected as a recipient of the 1991 John Tarleton Spirit Award. Spencer, a junior majoring in Agricultural Services and Development, received the award during the annual spring Student Leadership banquet hosted by the University's Office of Student Services.

The John Tarleton Spirit Award was created in 1988 to recognize students for outstanding contributions to the student life programs at TSU. The award honors student leaders who give freely of their time and resources to insure the success of campus activities while leaving behind a wealth of opportunity and experience for the fellow students. Sometimes called the "other education," these extracurricular activities provide a set of experiences complimentary to the formal educational process.

The son of Mr. and Mrs. Richard Spencer of Roby and grandson of Mr. and Mrs. Garland Spencer of Bronte, Reggy is a member of the Kappa Delta Rho national fraternity, the Collegiate FFA, and the Alpha Chi national honorary scholastic society. Active in TSU's Intramural program, Spencer played all sports, coached girls softball and volleyball, and is a member of the Texas Amateur Softball Association.

## Luncheon honors "A" honor roll youth

The "A" Honor Roll Luncheon was recently held for the Bronte Elementary students in 4th, 5th, and 6th grades. It was held in the Homemaking Building. Two students recognized for this honor were Brandy Denton, daughter of Mr. and Mrs. Kerwin Denton, and Angie Shults, daughter of Cathy

Shults. Garry Bivins, local businessman, was the guest speaker. He encouraged the students to always do their best because the end results would be worth all their efforts. He said that they already had a good reputation for doing well and he knew

this would continue throughout their school years.

A special thanks was expressed to Mrs. Melissa Howard, and her Homemaking I class for preparing very delicious meals throughout the year for the Honor Roll Luncheons.

Pictured is Garry Bivins, speaker, and Angie Shults (l) and Brandy Denton, honorees at the luncheon for the 4th, 5th, and 6th grade students making the "A" honor roll for the 5th Six Weeks at Bronte Elementary.

### Grads travel back to elementary

The Bronte High School 1991 Senior Class took a walk back into their past Monday night. During a Progressive Dinner sponsored by the Senior parents, the graduating students journeyed back into their elementary years as they biked from one stop to another.

The first event was with JoBeth Shields of Winters, their Kindergarten teacher, as the students relived the fun of painting. It was followed by the appetizers at the home of Mickey and Fran Pierce.

Then they rode to Ron and Beverly Sims' for a session of making molded handprints with Wanda Barbee, their first grade teacher.

The third course, at the home of Garry and Marilyn Bivins, featured the highlight of the fourth grade, Shug Lawhon and the flutophone band playing "Your Cheatin' Heart."

The party closed with Tamara Marshall's big water balloon bash at the park.

### Senior points of interest

The 1991 Bronte Seniors will have a lot to remember in the years to come. Following are a few points of interest that will go in their scrapbooks.

"Life is about 10% what you make it and about 90% how you take it," is the motto the Class chose. It joins the red rose as the official class flower, and "The Dance" as the class song. Class colors are burgundy and silver.

Senior sponsors for this year were Mary McMullan and Lloyd Walker.

Class officers include President Brian Arrott, Vice President Misty Golson, Secretary Eboni Taylor, Treasurer Stephen Shults, Reporter Lee Sonnenberg, and Student Council Representative Misti Ensor Cotton.

**Best of luck to the grads**

Twelve long years of hard work will culminate for the Bronte Seniors of 1991 as they graduate, Friday, May 24, at 8 pm in the auditorium.

For eight of the twenty-three graduates, the journey through childhood, puberty, and early adulthood began together as kindergartners in 1979.

Chubby-cheeked and snaggle-toothed, the eight (Brian Arrott, Susan Culp, Bill Magness, Justin Phillips, Jason Pierce, Angela Reyes Davis, Lee Sonnenberg, and Eboni Taylor) have weathered 13 years of growing up together. Misti Ensor and Misty Golson started with the group but moved away, only to return later.

Julie Blair joined the class in first grade, with Cory Thorn moving in during second grade.

In third grade, Bill Windham was a new addition to the talented class. During fourth grade, they gained Melissa Bivins and Tim Sims as new classmates. Sean Conway joined the group in fifth grade.

Their junior high years saw the addition of Debbie Montez and Ray Wallace in sixth grade and John Thomas in seventh.

Ree Baldwin became a member of the class her

Freshman year and additions continued as Stephen Shults moved in during tenth. The newest classmate, Sherry Healey, moved here last year.

Throughout the years, the Seniors of '91 have offered their wide range of talents to BHS through participation in countless activities.

Not only are they students, athletes, and scholars, they are also state qualifiers, state champions, actors, musicians, PALS, cheerleaders, livestock showmen, singers, journalists, FCA members, class officers, student body leaders, a dwarf, single, married, parents, job-holders, artists, and entertainers to name only a few.

They will discover many more talents as they pursue their goals in life. In the meantime, we proudly wish the Class of 1991 the best of luck in their future endeavors.

A summertime party atmosphere was the scene for the Sorosis Study Club's last meeting of the 1990-91 Club year. Diane Luckett was the hostess for the affair in her home Thursday evening, May 9.
