George B. Fields, Pioneer Resident Victim of Heart Attack Saturday

George B. Fields, 78-year-old pioneer Haskell resident, died of a heart attack at 9:30 a. m. Saturday while on a fishing trip at Lake Stamford, 12 miles south-east of Haskell.

Mr. Fields, who appeared to be in the best of health prior to his death, was sitting on the apron of the boat while Hemphill was filling the gas tank.

Final details are being worked out this week on plans for the formal opening of the Holiday Season in Haskell on Thursday, Dec. 1, the retail trade committee of the Chamber of Commerce reported today.

Downtown Christmas lights will be in place the latter part of this month and will flash on at dusk on December 1.

All Haskell stores participating in the Christmas Program will hold open house Thursday evening, Dec. 1, from 6 to 8 o'clock.

In addition to the Christmas lights, illuminated Christmas trees will be placed at intervals on the awnings in the business section.

Santa Claus Parade

The annual Santa Claus Parade will be held at 4 p. m. Friday, Dec. 2 through the business section.

On three consecutive Saturdays, Dec. 10, 17 and 24, a Community Christmas Tree will be held on the courthouse lawn at 3 p. m.

Between 35 and 40 presents will be awarded at each of these events, and each gift will have a minimum value of \$5.00.

Rogers-Cox Post No. 221 of the American Legion was host Friday for one of the best programs presented here in years, commemorating Veterans Day and paying special tribute to Gold Star Mothers of Haskell and vicinity.

The morning program included a talk by Judge Dennis P. Ratliff of this city, a period of silent prayer at 11 o'clock, and special recognition of Gold Star Mothers.

The Rev. Sam Reddell, associate pastor of the First Baptist Church, gave the invocation. Brax Gilmore, district vice commander of The American Legion introduced the speaker, Judge Ratliff.

At noon a luncheon was served Legionnaires and their wives and guests, followed with an afternoon entertainment program.

Tommy Hudgins, little son of Rev. and Mrs. George Hudgins of Weinert, was painfully burned on both forearms Sunday, while playing near a trash fire.

A colorful neon sign, in the shape of an Indian head, was placed at the entrance of Indian Stadium this week by the Quarterback Club.

Determined to give the HHS Indians all the support possible in their uphill encounter with Albany Friday, members of the Junior Class are selling "Scalp the Lions" tags.

Guests in the J. H. Strain home last weekend were Mr. and Mrs. James H. Strain and little daughter of Abilene, Ernest Strain of Houston and Miss Doris Strain, a sophomore student at North Texas State Teachers College at Denton.

Stores Will Close For Thanksgiving

Haskell business establishments and offices will observe a business holiday on Thanksgiving Day, Thursday, Nov. 24, and will be closed the entire day.

Haskell Public Schools will observe Thanksgiving as a holiday, and also will be dismissed Friday, giving the teachers and pupils a two-day holiday, it was announced today by Supt. C. D. Allen.

Classes in all schools will be dismissed Wednesday afternoon, Nov. 23, until Monday morning, Nov. 28.

Rehearsals are continuing on a two-week schedule for the Christmas Music Festival to be presented Dec. 18 under auspices of the Haskell Harmony Club.

At Wednesday night's chorus practice, 42 persons took part, and it is expected that a chorus of more than 50 voices will be included in the presentation.

Rehearsals are being held in the auditorium of the First Baptist Church at 8:30 Sunday afternoon, and each Wednesday evening following prayer meeting.

Mr. and Mrs. Hubert Bell are directing the program and they urge all persons planning to take part to attend all rehearsals possible.

Mr. and Mrs. Wallace Bird of Haskell are parents of a daughter, Margaret Dawn, born Nov. 6, in the Haskell Hospital. The baby weighed six pounds, 15 ounces.

Cotton Ginnings Total 9,218 Bales Wednesday

Cotton ginned in Haskell from the current crop neared the 10,000 bale mark today, as receipts at the local gins continued heavy, although slightly under the peak receipts of last week.

The three Haskell gins had processed a total of 9,218 bales at noon Wednesday, they reported. Considerable cotton remains to be harvested, the bulk of it with mechanical strippers in the opinion of local cotton men.

Light frosts and cold weather will favor the use of strippers, they point out.

In the county it is estimated that approximately 40,000 bales from the current crop have been ginned.

Loses Fingers in Accident at Gin in Weinert

Pete Stewart, an employee of the Paymaster Gin in Weinert, suffered a painful accident last week that cost him the loss of several fingers on his right hand.

Stewart was hospitalized at the Knox City Hospital and is recovering satisfactorily, it was reported.

Former Weinert Man Injured in Rig Accident

E. G. Ivie, former Weinert resident, is in a Jacksboro hospital, where he was taken after an accident on an oil well drilling rig, in which he lost the fingers of his right hand.

Mrs. Ivie, wife of the injured man, is the daughter of Mr. and Mrs. Neal Stewart of Weinert.

19th District Postal Employees Will Meet Here Dec. 3rd

More than 200 postal employees from 25 West Texas counties are expected in attendance at the quarterly meeting of the 19th Congressional District postal employees, to be held in this city Saturday, Dec. 3.

Haskell was selected as meeting place for the district association at its last meeting, held in Slaton.

Plans for the meeting here are being handled by the Brazos Valley Postal Employees Association, in cooperation with Postmaster Harold R. Spain and personnel of the local post office.

Events scheduled for the December meeting include a business session at 5 p. m. in the Elementary School auditorium, a tea, reception and book review for the women at the Magazine Club, with Mrs. Arlos Weaver presiding the review.

A number of prominent post office officials of Texas are expected to be present, including W. B. Weathered of Amarillo, manager of District Two.

A chili supper and cake auction will be held at the Elementary School Cafeteria Tuesday evening, Nov. 22, beginning at 6:30 p. m.

The event is being sponsored by the Junior High Parent-Teacher Association, and proceeds will be used on projects of the organization.

The public is invited to attend and enjoy an appetizing chili supper with friends, then take part in the cake auction which will follow the supper.

David H. Terrell, 80, retired farmer of the Paint Creek community, died at 10:10 a. m. Friday in the Haskell County hospital.

A resident of Haskell County almost 50 years, he had been ill for some time, staying at the home of a son, V. P. Terrell of Weinert until taken to the hospital Nov. 5.

Funeral for Mr. Terrell was held at 4 p. m. Saturday at the First Methodist Church in this city. Conducting the rites were the Rev. Gene Louder, Methodist pastor of Weinert, the Rev. C. C. Lamb, Methodist minister, and the Rev. A. L. Eubanks, pastor of the Baptist Church in the Paint Creek community.

Burial was in Willow Cemetery in this city.

Mr. Terrell was born July 14, 1875, in Marshall County, Mississippi. His parents moved their family to Ellis County, Texas, when he was nine years old. He married Mollie Lee Batty at Ennis on March 14, 1898, and moved to the Paint Creek community in 1909. His wife preceded him in death June 1, 1939.

Sign from Early-Day Haskell "Road to Ruin", Still Preserved

The apt and unusual name of the saloon made it known far and wide and the truthfulness emblazoned in the words "Whiskey—the Road to Ruin" was borne out in the establishment's tragic history. It is recorded that of four early-day killings in Haskell, three took place in the Road to Ruin saloon, and the fourth one next door to it.

According to Arbutckle, his brother-in-law, the late T. J. Lemmon, Jr., came across the old sign in a stack of used lumber a number of years ago. The smaller portion of the sign was missing. A replica of it has been made and attached to the larger section.

HASKELL VISITORS Mr. and Mrs. George Fuller of Guthrie, Okla., and Mr. and Mrs. Chastien Scott of Oklahoma City were recent visitors of Mr. and Mrs. F. L. Peavy.

The Friendly Blue Birds met Friday, Nov. 11, in the annex of the First Baptist Church.

The meeting was called to order by the president, Paula Urban. Then the Blue Bird group entertained their mothers with a play. An interesting feature was for each Blue Bird to tell whether they had any ancestors from any country other than America. Next, the group sang several songs, then had their pictures made.

Mothers present were Mrs. Urban, Mrs. Norton, Mrs. Max Brown, Mrs. Segal, Mrs. Alvin, Mrs. Branch, Mrs. Hodge and Mrs. Robertson. Mrs. Hodge served refreshments of cookies and punch. Paula Sue Urban announced the meeting. — Karen Brown, Reporter.

**Dr. R. K. McCall is
Guest Speaker at
B&PW Club Meeting**

Dr. R. K. McCall, pastor of the Presbyterian Church, was guest speaker at the regular meeting of the Business and Professional Women's Club Tuesday evening, bringing an interesting message in keeping with the Thanksgiving season.

The meeting was held in the banquet room of the Highway Drive Inn. A brief business session was held with the Club president, Mrs. Artie May Burkett, presiding.

"Meaning of Thanksgiving" was discussed by Dr. Gertrude Robinson, in which she told of the origin of Thanksgiving.

Topic of Dr. McCall's talk was "For This We Give Thanks." The speaker referred to the 103rd Psalm, and during the course of his talk stressed four things for which to be thankful: First, for the country in which we live, abundantly blessed with its standards of living. Second, the churches, which in addition to spiritual guidance, help hold the community together. Third, our Christian homes, citing the influence of devotion to home and what it means in the lives of our children. Christian hope was cited as the fourth blessing for which to be thankful. Christian hope helps to build a happy community, the speaker pointed out, and brings assurance of rest when our work is finished, he said.

The Educational and Vocational Committee served as hostess for the evening. Twenty-nine members and three guests attended.

Pirates Topple Weinert 32-20 Thursday Night

The Paint Creek Pirates took a firm grip on the Dist. 4 six-man football title Thursday night, with a 32-20 win over the Weinert Bulldogs.

By virtue of their win, the Pirates advanced to within a half game of Benjamin. Then with Mattson Mustang's upset of Benjamin Saturday night, the Pirates went ahead of the Knox Countians to annex the championship.

Thursday night's game was played in Paint Creek stadium before the largest crowd of the season to date.

Ray Hughes scored three times for Paint Creek, twice on passes from Leon Hokanson for 60 yards and again on a 45-yard fumble return. Gene Bounis went seven yards on a pass from Hokanson, and Hokanson scored on a 70-yard kickoff return. Hokanson kicked the extra point.

Eddie Swamer went 52 yards for one Weinert TD and Jackie Therwanger tallied two on runs of 45 and 70 yards. Therwanger kicked the extra point.

Paint Creek finished the season with 8-1 mark and Weinert with a 8-1 record.

New Styling Adds Length and Fleetness to Lines

The "Two-Ten" 4-door sedan is one of 19 freshly styled bodies in three series that will make up Chevrolet's passenger car line for 1956. All models have a longer, lower look. Front ends are more rugged-appearing through a redesign of grille and forward sheet metal. Engine choices include more powerful V8's and 6's. The car above affords an illustration of unique two-toning that separates top and lower body by a different color. The exterior and interior of each series has a distinct styling treatment.

SEDAN IN THREE SERIES—The four-door sedan, traditional American family car, is offered in three series by Ford for 1956—Fairlane, Customline and Mainline. Above is the Customline four-door in one of the 21 two-tone paint combinations offered on models which will be displayed by dealers Friday, September 23. A lower roof line, restyled grille and parking lamps, a new design of body side moldings are among 1956 Ford appearance changes. Thunderbird Y-8 engines in Fairlane models develop 202 horsepower for Fordomatic drive, or 200 hp for overdrive or conventional drive. In the Customline and Mainline, Y-8 engines produce 176 hp for Fordomatic, or 173 hp for overdrive or conventional drive. The 137 hp Ford I-Block six also is available in all models with all transmission types.

PROCLAMATION

WHEREAS, in these times of world upheaval it is necessary for Americans to appreciate fully their heritage of freedom and to dedicate themselves to the preservation of basic American principles; and

WHEREAS, The All-American Conference to Combat Communism, made up of fifty-four national organizations, representing a total membership of some fifty million individuals, is once again engaged in a program designated as "Know Your America Week" to bring the full force of an informed citizenry to bear on democracy's present day problems; and

WHEREAS, it is essential that the City of Haskell make this occasion a notable expression of community interest, as is being done in many other cities throughout the nation, now

THEREFORE, I, Courtney Hunt, Mayor of the City of Haskell, Texas, do proclaim the period from November 20 to November 26 as "Know Your America Week" and I hereby call on all of the citizens of Haskell to contribute freely of their time and resources to participate in the commemoration of "Know Your America Week" in order to defeat communism and preserve human freedom.

In Witness Whereof, I have hereunto set my hand and caused the official seal of the City of Haskell to be affixed.

This is to be an important meeting to complete organization of the group. Miss Madalin Hunt, president of the association said. Every member is urged to be present.

Honors Won by Texas 4-H'ers

FOUR Texas 4-H Club members have won all-expense trips to the 34th National 4-H Club Congress in Chicago, Nov. 27-Dec. 1, for their outstanding records in the 1955 National 4-H Clothing, Food Preparation, Garden, and Home Improvement programs.

Texas' 1955 4-H Clothing champion is Regina Ann Cato of Vernon. The 18-year-old 4-H'er has made 134 garments in her club career. She will be the guest of Coats & Clark Inc. at the Club Congress.

Regina made a wide variety of apparel, ranging from aprons to a lined wool suit. She makes all of her own clothes and made dresses for her mother and grandmother. Besides silk and cotton dresses, she has made and lined a wool suit, corduroy jacket, blouses and hat.

Regina served as clothing demonstrator and play leader for her club. This year she attended the State 4-H Roundup as a county delegate and helped with the dress revue where she did the narration. Her leaders are Mrs. Willis Cato and Mrs. C. A. Schmaker.

Regina Ann Cato, 17, of San Antonio, a 4-H'er for five years, has been named the state 4-H Food Preparation winner. Joanne Zoepferwein will be her host at the National 4-H Club Congress. Joanne has cooked and served over 2,900 meals and has helped with 261 others and planned almost 1,100.

Joanne has been a Jr. Leader under Mrs. R. L. Cook, has been president of the Northside Senior Club and has served on county committees. She has given 10 food preparation demonstrations, and cooks for a family of nine.

She is a member of the Girl Scouts, F.H.A. and other school organizations.

All these programs are conducted under the direction of the Cooperative Extension Service.

Rochester News

By MRS. JAMES A. GREER

T. J. Turner of Lewisville spent Wednesday night of last week with his mother, Mrs. J. N. Turner.

Mr. and Mrs. Woodrow Wadzeck and son Lynn, of Waco and J. P. Wadzeck of Plainview spent the weekend here with their parents, Mr. and Mrs. W. Z. Wadzeck. They returned to Plainview Sunday afternoon. J. P. Wadzeck went by Rube to pick up his nephew, Robt. Wadzeck, who had been visiting there. Robert is the son of Mr. and Mrs. Mark Wadzeck.

Mr. and Mrs. Herbert Reed of Brownwood, Mr. and Mrs.

George Fuller and Mr. and Mrs. Chasteen Scott of Oklahoma City were weekend visitors of Mr. and Mrs. John Clemmer. Mmes. Reed and Fuller are sisters of Mr. Clemmer. Mrs. Scott is the former Wilma Wayne Fuller. The Fullers were former residents of Rochester and it is always a pleasure to have them come back for a visit. Mmes. Reed, Fuller and Clemmer visited also with Mr. and Mrs. James A. Greer.

Mr. and Mrs. Olen Kidwell of Tahoka visited with Mr. and Mrs. Carey Kidwell Saturday. They were on their way to Chillicothe to visit a sick relative.

Mr. and Mrs. L. D. Hudson of Big Spring visited with Mr. and Mrs. Joe Clark last week end. Mr. and Mrs. Joe Hudson were also Sunday visitors in the Clark home.

Mr. and Mrs. Harvey Lewis of Lubbock were weekend visitors in the home of Mr. and Mrs. Ernest Stanfield, Sue and Billy Bob.

Dr. and Mrs. Luther Kirk of Plainview spent a while Sunday with their daughter, Rev. and Mrs. Davis Edens and family. The Kirks were on their way to Abilene where Dr. Kirk is conducting a revival meeting at the Fairmont Methodist Church this week.

Rev. and Mrs. Davis Edens received word Thursday of last week that Mrs. Edens' uncle Walter B. Kirk, a business man of Leveland had been critically injured when the plane in which he and two doctors, also of Leveland, were flying, crashed near Midland. The three men had started on a duck hunting trip when the accident occurred. Mr. Kirk suffered a broken neck, leg and arm, also cuts and bruises. Both doctors were seriously injured.

Glenn Cox and little daughter Diane of Snyder spent Friday in Rochester with his parents, Mr. and Mrs. Odell Cox, and also attended the football game between Rochester and Knox City, returning home that night. Glenn was accompanied home by his brother, Willis who spent the week end in Snyder. Mr. and Mrs. Odell Cox spent Sunday in Snyder and Willis came back with them.

The home of Mrs. Dale Graham was the scene of a pretty pink and blue tea honoring Mrs. Tony McWhorter Friday afternoon Oct. 28th.

Mrs. Graham greeted guests as they arrived and Mrs. Bud Clark invited them into the dining room where they were served punch, cookies and mints by Mrs. Bruce Lee and Mrs. Pete Huntsman, Jr. assisted by Mrs.

Troy Brown and Mrs. Luther Pope.

Plate favors were miniature pink and blue diapers. A lovely arrangement of autumn flowers centered the lace laid table. Flower arrangement was by Mrs. Doc Robinson. Crystal appointments were used.

Mrs. Joe Fletcher registered guests in the baby book.

Mrs. Wilson Bean and Mrs. Earl Alvis displayed gifts and Mrs. John W. Lee said goodbyes. Other members of the house party were Mmes. Paul Russell, Harley Brown, W. Buckner and Mrs. Ray Merchant.

The hostesses' gift was a baby bed. Approximately 30 guests registered or sent gifts.

Paul Clayton, student is Baylor University was home for the weekend. He is the son of Rev. and Mrs. Roy Clayton.

Mrs. J. M. Hicks went to the Plains to visit with her children Roy Hicks and family and Fred Hicks and family.

Mrs. L. M. Kay returned home the first of last week from a visit with relatives in East Texas and Louisiana. She visited relatives in Lubbock over the weekend.

Mrs. Ida Qualls of Sudan visited relatives here last weekend. She also was a guest of her mother Mrs. E. L. Carr, and a brother, Luther Carr at Knox City.

Mrs. G. Hicks who became seriously ill Sunday, was taken to the Knox City Hospital for treatment. However, she was able to be brought home Monday and is doing nicely now.

Mr. and Mrs. Jack Simmons of Spur visited his brother, Mr. and Mrs. Phil Simmons and family Sunday.

Mr. and Mrs. C. N. Phillips and son of Fort Worth visited with her sister, Mrs. Phil Simmons and family over the week end.

Dr. Chas. Gauntt, son of Mrs. A. A. Gauntt of Rochester has recently returned from South Gal Two... Rochester.

America where he attended the World Meeting of allergist doctors. The doctors held their meeting in Rio De Janeiro. Dr. Gauntt is an allergy specialist in Austin.

It is with regret that relatives and friends of the Rochester community learned of the death of George Fields of Haskell Saturday.

Mrs. Sallie Fields attended the funeral at Haskell Monday.

Mr. and Mrs. Howard Sloan are proudly announcing the arrival of a baby daughter who made her advent Monday Nov. 14 at the Haskell Hospital.

She was named Rebecca Gwyn and the little lady weighed a little more than 7 pounds. She has two older brothers, Dicky and Tommy.

Mr. and Mrs. Dal Adkins of Rochester are maternal grandparents.

Mr. and Mrs. R. A. Shaver, Jr. were in Abilene Tuesday on business.

Rhineland Community Planning Dinner And All-Day Social on Thanksgiving

Members of the Rhineland community are busily engaged in plans for the Thanksgiving dinner and all-day social event on Thursday, Nov. 24.

The committee in charge has arranged a most delicious menu of turkey and fresh home-made country sausage with all the traditional trimmings. Dinner will be served at 12 noon and during the afternoon concessions of all kinds will be available to entertain young and old. Valuable prizes will be given away, including a filled cedar chest.

Early Christmas shoppers will be especially interested in the handwork booth. Hamburgers and chili dogs will be served at 6 p. m. The meals are \$1.00 each. Proceeds from the day's activities will go to benefit the parish school.

Pete Loran and his Lone Star Band will be on hand to render appropriate numbers during the day.

The most important event of the day will be the crowning of the queen of the Thanksgiving festival. The candidates are Miss Valera Albus, Miss Janice Herring and Miss Irene Bellinghousen. One cent a vote will select your favorite and the deadline for all votes is 6 p. m. Thanksgiving Day.

The coronation will take place at 8:30 p. m. followed by a dance with music furnished by the Estrata Brothers of Wichita Falls.

Rev. Father John and St. Joseph's Parish extends to the public a most cordial invitation to attend the festivities.

Miss Wynelle Hellums of Dallas spent the weekend with her parents, Mr. and Mrs. W. D. Hellums.

May God bless you.—The D. H. Terrell family. 46p

We wish to thank everyone that sat up and sent cards and flowers while Bill was so ill in the hospital. We especially want to thank the doctors and nurses for their wonderful services.—Mr. and Mrs. Bill Shaw and son, Mr. and Mrs. Oval Shaw. 46p

Over 300,000 volunteer leaders in Scouting took training courses last year.

We shall always remain grateful to all of you.—Mrs. H. L. Boen and family, Mr. and Mrs. Garland Boen. 46p

ESPECIALLY DO WE THANK THE MINISTER AND MEMBERS OF THE HASKELL CHURCH OF CHRIST, THE HASKELL HOSPITAL STAFF, HOLDEN'S FUNERAL HOME AND THE LADIES WHO PREPARED AND SERVED FOOD.

A STEP IN THE RIGHT DIRECTION

RESERVE FORCES ACT OF 1955

CONGRESS has passed an act directly affecting two groups of Americans! Young men—17 to 18½ years of age—who are facing a future military obligation; and men who already have served 1, 2, 3 or more years of active duty and have been separated since August 9, 1955.

YOUNG MEN, according to provisions of the Reserve Forces Act of 1955, may become draft deferred by enlisting in the Army Reserve for eight years. Only six months of that enlistment must be spent on active duty training—after completion of high school.

MEN WHO HAVE SERVED on active duty can complete their Ready Reserve obligation by serving satisfactorily one year with an active Army Reserve unit. Any remaining military obligation will be completed in the Standby Reserve in which participation in reserve training is not required.

IN EITHER CASE, it's a STEP IN THE RIGHT DIRECTION—for YOU —for YOUR COUNTRY. For full information about the two new active reserve programs, contact:

Take Time to Read

This year millions of Americans of all faiths will join in daily Bible reading from Thanksgiving to Christmas in the twelfth annual observance of Worldwide Bible Reading, sponsored by the American Bible Society.

The program, which began when a U. S. marine on Guadalcanal wrote his mother asking that the family join him in reading the same passages of Scripture each day, has spread in scope to the peoples of more than forty nations.

The readings are without note or comment, and one may use whatever version of the Bible he prefers.

Below are the readings for each day, in the theme of personal faith as selected by numerous people from many denominations.

A special message to truck drivers' wives

from your Ford Dealer...

This year, everybody is talking about safety in automobiles. And with good reason. The hazards of the road take more American lives every year than we lost in the whole Korean war.

So important things are being done to make cars safer.

But— isn't safety even more important in trucks?

If safety is important to the man who drives a car a few hours a day, isn't it even more important to the man (and his family) who drives a truck for a living?

We think it is.

And we think you wives think it is. That's why we believe you'll be vitally interested in what Ford has done to make driving a truck safer for your husband.

Ford has taken the lead in safety with not just one, but a whole family of new safety features for America's trucks and cars.

What are these features that could be so important to you?

- 1. Lifeguard Steering Wheel**
Ford's exclusive Lifeguard truck steering wheel is built in such a way that, in case of accident, it helps protect the driver from any contact with the steering post. This kind of "deep-center" steering wheel actually acts as a cushion in case of accidents.
- 2. Lifeguard Door Latches**
Ford's Lifeguard door latches have a new "double grip" type construction. Their extra holding strength gives added protection against doors flying open in the event of an accident... to help keep the driver in the truck where he's twice as safe.
- 3. Seat Belts**
You've read a lot about seat belts. You probably know that the Accident Research Center at Cornell University, the American College of Surgeons and many other groups strongly urge that every owner equip his vehicle with seat belts. Studies prove that in about one-half of all accidents, injuries could be avoided or reduced by the use of seat belts.

Ford is the first truck manufacturer to make seat belts available (at low extra cost, for both new and used trucks).

In case of an accident, or sudden stop, a Ford Seat Belt holds the driver firmly in the seat. This greatly cuts down the chances of serious injury.

And remember—it isn't necessary to be driving fast to be seriously injured or thrown out of the truck in case of an accident. A sizable percentage of injuries of this kind occur at speeds of only 30 or even 25 miles per hour. (If your dealer happens to be out of seat belts temporarily, please be patient. He will have them shortly.)

- 4. Tubeless Tires**
This year, tubeless tires are standard on every Ford Truck. Tubeless tires prevent punctures. But they do help to prevent many blowouts. When a puncture occurs on a tubeless tire, the air is apt to escape very slowly. The driver has a greater chance to slow down and stop safely.
- 5. Power Brakes**
What we call vacuum-boosted power brakes make it possible for the driver to apply more force to the brakes, faster and easier. Power brakes are standard or available on '56 Ford Truck.
- 6. High Visibility**
A better view of the road—in front, behind, to the sides—can help the driver to spot trouble before it happens. A full-wrap window standard on the new Ford Trucks for '56... and a new full-wrap rear window is even at slight extra cost. All told, a new Ford Truck gives the driver one of the greatest all-around glass areas of any truck.
- 7. Reserve Power**
A "slowpoke" truck can be a threat to highway safety—a stumbling block in the flow of other traffic. Trucks that have enough power to handle the traffic stream. And they should have enough reserve power to pull out of emergency situations. So you will be interested to know that the new Ford Trucks for '56 have increased up to 26%, to make sure drivers have all the reserve power they are ever likely to need.

Why should any man who drives a truck have a living take chances, needless chances, by taking advantage of every available safety feature?

To repeat—if safety is important to a man who drives a car once in a while, isn't it far more important to the man who drives a truck all for a living?

When a man drives a '56 Ford Truck—Pickup or tandem-axle Big Job—he and his family have this peace of mind. They know he's driving a truck that gives him the added protection of exclusive Lifeguard safety features.

TEST PLOT INDICATES . . .
Western Stormproof and DPL Cotton Most Profitable Varieties for Area

Based on the results of a one-year test conducted on the Ed Lewis farm northwest of Rule this year, Western Stormproof and D.P.L. cotton are the most profitable varieties to grow in this area, according to Duane Howell, farm writer for the Abilene Reporter-News.

Pertinent facts about 12 leading cotton varieties were revealed to more than 50 persons last week at a cotton field day on the Lewis farm. Ed Lewis, son of O. G. Lewis, who farms his father's place, planted and raised the 12 varieties on adjoining rows in a test supervised by Haskell County Agent Frank Martin.

Conclusive evidence of the best varieties cannot be determined from a one-year test, Martin pointed out. He added, however, that a one-year test is a "big indicator" of the most profitable varieties.

All of the varieties in the test except two received a side-dressing of 16-20-0 fertilizer equivalent to 100 pounds per acre at the time of planting. Lewis' fertilizer machine broke down while he was planting the D.P.L. 15 and D-6 rows and he didn't notice the defect until he was through them.

To get an estimated per-acre income from each variety, Martin sent samples of each to the U. S. cotton classing office at Lubbock to be graded. He and Lewis then picked the cotton from the 21-foot strips where the stands of each variety were about equal and the growth and apparent yield typified the entire row.

Martin and Lewis could then figure pretty closely what the per-acre yield would be. And taking into consideration the staple length and grade they could arrive at a close estimate of the total per-acre each variety would produce.

Western Stormproof produced an estimated 423 lbs. of lint cotton per acre, the highest of any of the varieties. It had a staple length of 29-32, a Middling grade, and a lint percentage of 41.5.

At the current government loan price on cotton, this would mean an income of \$137.10 an acre, which was the highest of any of the varieties.

D.P.L. 15 was Western Stormproof's nearest cash competitor. It had an estimated per-acre production of 360 pounds of lint cotton of 15-16-inch staple, Middling grade and 42.7 per cent lint. This would mean a per-acre income of \$120.20.

Lankhart 57, which ranked fourth in lint production, was third in income because of its long staple of 31-32, the best in the test. It's estimated income on 341 pounds of lint cotton Middling grade was \$115.

Stormproof No. 1 outproduced both D.P.L. 15 and Lankhart 57 and had the same Middling grade, but its short staple length of 7-8 inch dropped its income to \$114.99 an acre. It's production was 364 pounds. The lint percentage was 41.5.

D-6 was fifth in cash income. It was eighth in production with 323 pounds, had a grade of Strict Low Middling, a staple length of 15-16 inch, and lint percentage of 40.7 for an income of \$103 per acre.

Next in cash income was Storm King with \$101.09. It ranked ninth in production with 317 pounds. It graded Strict Low Middling with a staple length of 15-16 inch. Lint percentage was 39.7.

Only a few cents separated the income of Marvelous Cluster, Hybred and Northern Star. Marvelous Cluster's income of 333 pounds of lint of Strict Low Middling grade, 13-16 inch staple and 41.8 per cent lint was \$97.87.

Hybrid, which was 10th in production with 316 pounds of lint, had an income of \$97.61 on cotton of Strict Low Middling grade and 29-32 inch staple. It's lint percentage was 41.8.

Northern Star, ranked seventh in production with 330 pounds of lint, had an income of \$97.15. It graded Middling Light Spot with a staple length of 15-16 inch. Per cent lint was 37.1.

The lowest producing varieties were Qualla and Kash, each with 206 pounds of lint. Qualla had an income of \$94.52, a strict low Middling grade and staple length of 29-32. It's lint percentage was 38.4. Kash, also with a Strict Low Middling grade, had an income of \$92.23 on a short staple of 7-8 inch. Percent lint of Kash was 40.4.

Paymaster 54 was the fifth-highest producing cotton, but its low quality dropped it to the bottom of the list in cash in-

come. It was graded Strict Middling Light Spot on 336 pounds of lint with a staple length of 13-16 inch and a lint percentage of 38.4 for an income of \$92.01.

The varieties were planted side by side and grown under identical conditions with the exception of fertilization. Lewis had about 11 inches of rain before planting, but the cotton received only about an inch of rain after it came up until it was ready to harvest.

Martin introduced as special guests Wednesday State Rep. Ed Cloud of Rule; Haskell County Judge Alfred Turnbow; and J. A. Scofield, Extension Service district agent at Vernon.

Baptists Will Take Special Offering Thanksgiving Week

A special offering for 1,081 children will be taken in Texas Baptist churches during Thanksgiving week, Baptist officials said Thursday in Dallas.

The goal of the offering, to be divided among five children's homes over the state is \$300,000.

The day of Sunday, Nov. 20, has been designated for particular emphasis in the 3,625 churches of the Baptist General Convention of Texas.

But in addition to the offering, both before and after Nov. 20, individual members as well as churches are expected to send other gifts of food, clothing and necessities for the children's use.

The five institutions which will receive the gifts are the Buckner Orphans Home in Dallas, the Texas Haven at Round Rock, the South Texas Children's Home at Beeville, the Buckner Boys Ranch at Burnet and the Mexican Baptist Orphans Home at San Antonio.

During the International Geophysical Year, 1957-58, twelve nations, including the United States and Soviet Russia, will inhabit the Antarctic for a short period to study the various phenomena of the southernmost sector of the earth.

G. B. Fields—

(Continued from Page 1)

came to Haskell County in 1890 when he was 12 years old. He attended Haskell public schools and then worked in a grocery store owned by his father, the late R. B. Fields, and his uncle, W. W. Fields. Later, he worked for a while in a hardware store, and afterwards entered the freighting business, hauling freight between Haskell and the nearest railroad points, Abilene, and Seymour. He continued in the freighting business until the Wichita Valley Railway reached Haskell County.

He then operated a local freight hauling business, in which he continued until his retirement in 1950. Since then, he had looked after his farming and oil interests.

Mr. Fields married the former Miss Minnie Jones of this city on July 30, 1901. She preceded him in death in 1932.

A member of the First Christian Church since boyhood, he had served as a church elder for some 20 years. He helped organize the Haskell Volunteer Fire Department and served as fire chief for several years. He was also an elderman on the Haskell city council four years.

Survivors include one daughter, Mrs. Haskell Stone of this city; two sisters, Miss May Fields of Haskell and Mrs. Geo. Dean of Anaheim, Calif.; several grandchildren, nieces and nephews.

Funeral services for Mr. Fields were held at the First Christian Church Monday at 3:30 p. m., conducted by the pastor, Fred E. Gresham of Haskell, Francis C. Nickerson of Monahans, a former pastor; Minister John Barry of East Christian Church in McKinney, also a former pastor; and Dennis P. Ratliff, elder in the First Christian Church.

Burial was in Willow Cemetery under direction of Holden Funeral Home.

Active pallbearers were Lynn Pace, Jr., Riley J. Pace, Bill Emsoff, C. O. Holt, Lon McMillin, O. V. Kroger, C. V. Payne, Audie Stocks. All elders, deacons and members of the First Christian Church, and all friends of the family were mentioned as honorary pallbearers.

CRUSHED AND BROKEN, this 16-family apartment house in Waterbury, Conn., was left high and dry after the rampaging Naugatuck River receded. This was a sample of devastation in the flood which, according to the Red Cross, destroyed 1,328 houses and badly damaged 4,808. (Wide World Photo)

Weinert Methodist Church Observes Fifth Annual Lord's Acre Project

Members of the Weinert Methodist Church observed their fifth annual Lord's Acre Project Wednesday evening, when proceeds from dedicated projects were tabulated and received.

A substantial sum resulted from the various endeavors, and from the sale of products and articles given in the program. The proceeds will be used for improvements to the church and parsonage, and the entire congregation participates in the annual project.

The program Wednesday evening included a supper, served in the church at 6:30. T. C. Walker,

chairman of the 1955 Lord's Acre project, gave the welcome address, and a brief talk concerning the special endeavor.

Bernard Bryant, Stamford businessman, was guest speaker. He was introduced by R. E. Edwards vice chairman of the church project. Following an inspiring talk by Mr. Bryant, a program of songs and special numbers was presented.

Others assisting in the evening's program were Mrs. T. C. Walker, who is secretary of the Lord's Acre project, and the Rev. Gene Louder, Methodist pastor at Weinert.

Group from County Attends State Farm Bureau Meet

Haskell County was well represented at the state Farm Bureau convention in Fort Worth last week, with ten members of the county organization attending the three-day session.

Attending were Mr. and Mrs. Shelly Royall, Mr. and Mrs. H. Herren, Adell Thomas, Mr. and Mrs. Gene Tomm, all of Haskell; Mr. and Mrs. Eddie Kainer of Sagerton, and H. D. Gammill of Rochester.

WEEKEND GUESTS IN R. B. WHITE HOME

Guests in the home of Mr. and Mrs. R. B. White last week were their sons and families, Mr. and Mrs. R. E. White, Carolyn, Marilyn, Andrea and Eddie of Iowa Park; Mr. and Mrs. Ben White, Jr., Beverly, Joyce, David and Benny of Pampa and Mrs. White's sister, Mr. and Mrs. C. N. Howard and Beckie of Bonham.

Paint Creek and Weinert Players Head Dist. 4 All-District Teams

Paint Creek and Weinert each placed two players on the first team of all-district players and one each on the second team. The all-district team selections were announced by coaches of District 4 Six-Man football this week.

Gene Mapes of Mattson, C. W. Drinnon of Weinert, and Ray Hughes of Paint Creek were named all-district for the second consecutive year. Out of 12 possible points, Drinnon, all-round player of Weinert, received a unanimous vote of all coaches. Mapes of Mattson, and Doyle Lowrance of Goree received 11 points each.

First Team
Backs—Leon Hokanson, Paint Creek, junior; Gene Mapes, Mattson, junior; Fred Wiggins, Weinert, senior; Linemen—C. W. Drinnon, Weinert, senior; Doyle Lowrance, Goree, senior; Ray Hughes, Paint Creek, senior.

Second Team
Backs—Johnny Hudson, Benjamin, junior; Herchel Force, O'Brien, junior; Derrell Coffman, Vera, senior; Linemen—LeRoy West, Benjamin, senior; Gene Bounds, Paint Creek, junior; Clyde Childress, Weinert, senior and Billy Trainham, Benjamin sophomore, (tie).

Doyle Lowrance, Goree senior lineman, was selected as the district's player in the All-Star football game at the Texas Six-Man Football Coaches School

which is held each year in August. C. W. Drinnon of Weinert was selected as alternate. Both players normally play center.

Hearts Attacks Kill Aunt and Uncle of Weinert Man

Mr. and Mrs. C. G. Gary of Weinert were advised Saturday of the deaths of Mr. Gary's aunt and uncle, Mr. and Mrs. H. G. Evans of White Rock, Hunt County, whose deaths occurred within 12 hours of each other.

Mr. and Mrs. Gary went to White Rock immediately after learning of the deaths of their relatives.

Mr. Evans, a merchant in White Rock, died of a heart attack Friday while attending a football game in Greenville. He was 64 years old.

Mrs. Evans, 60, went to Greenville Saturday to complete arrangements for her husband. The arrangements had been completed when Mrs. Evans suffered a heart attack in her car in downtown Greenville and died. The couple had been married 44 years.

Mr. and Mrs. Gary returned home Sunday. Funeral arrangements for Mr. and Mrs. Evans were incomplete at that time, pending word from a son of the couple, who was in Korea.

'Twas the Month before Christmas

... and just a week before Thanksgiving, everybody's thinking about the holidays, about the wonderful memories, the wonderful spirit, that soon will surround us all.

—Of course, at holiday time you'll want to look your nicest.

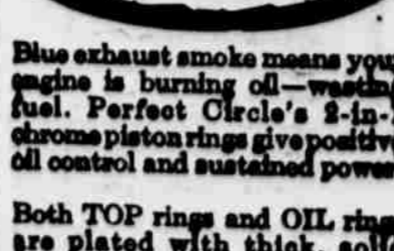

It's about time to have those "Sunday clothes" dry cleaned. We sincerely hope this makes you think of us.

Post Office Will Have All New Equipment in South Side Location

The Haskell post office will have practically all new equipment and fixtures when it is moved to new quarters on the south side of the courthouse square early next year.

Postmaster Harold R. Spain was advised this week of the new furniture and equipment which would be furnished the local post office in its new location. He also received an outline of the floor plan designed for the post office, which will be in a new structure on the site of the old Texas Theatre Building.

It will have a large plate glass front, and entrance lobby or vestibule will be on the west side of the front. A 12-foot lobby will extend across the entire front section of the building. Another lobby, approximately seven feet wide, will extend along the west side of the interior for a distance of 40 feet. Lock boxes, approximately 500 in number, will be arranged along the west lobby. Mail drops will also be located at the front in the west lobby.

General delivery, money order, and two stamp windows will be located across the front of the lobby. Entrance into the work room section of the post office will be through doors at the east side of the front lobby and at the end of the 40-foot lobby on the west side.

Floors throughout the building will be of asphalt tile over concrete. New furniture and equipment items which have been requisitioned include the following: Two lobby desks, dumping and stamping table, parcel post dumping table, canceling machine table, wing mailing letter case and table, facing slip case and

table, strip label case, pouch rack and four parcel post sack racks, scale bracket, city delivery letter case, flat paper case and tables, three city carrier cases and tables, three rural carrier cases and tables, six carrier stools, general delivery letter case and table and paper case and table, blank form cabinet, money order, registry and C. O. D. file cabinet, two storage cabinets, two money order cash drawers, four cash and stamp drawers, fireproof safe without chest cabinet work, fireproof safe with chest cabinet work, two metal lockers, coat and hat rail, three desks, seven office chairs, revolving high stool with back, six foot folding table.

Only equipment of the present office which will be re-used will be four sections of metal and steel shelving, a four-draw-

Mustangs Upset Benjamin, 27-26, To Cinch Title for Paint Creek

The Mattson Mustangs, winner of only one district 4 six-man game all season, rose to its heights Saturday night to win the Benjamin Homecoming game and knock the Benjamin Mus-

tangs out of the championship. The score was 27-26, and the score accurately pictures the closeness of the ball game.

The win by Mattson gave the title to the Paint Creek Pirates. The Pirates earlier had lost to Benjamin 24-34 but beat Weibert 32-20 to stay in contention in case Benjamin slipped. The Paint Creek team will play Jayton at Jayton on Thursday, Nov. 24, for the bi-district championship. Game time is 7:30. The Mattson team will be special guests of the Pirates at the tilt.

In the game, Benjamin struck first, with Johnny Hudson going 15 yards for the touchdown and Dwayne Secey making good the only extra point kick. Arlon Alexander tied it up a few plays later with a 15 yard run and a good kick. The quarter ended 8 to 8.

Hudson got loose again, this

time for 65 yards to lead again. But Gene Mapes followed good blocking for 35 yard sprint to tie it at 14 all. Pierce went over from the 2, Alexander ran 23 yards to knot the score at half time, 20-20.

In the third quarter, Hudson scored quickly on a 70 yard run but they failed to convert. The Mattson Mustangs would not be denied as Gene Mapes unloosed a long pass to Alexander who made a nice catch to go all the way, 70 yards in all. Alexander then threw to Durward Campbell for the winning extra point.

Both teams were held scoreless the final quarter, although both Mattson and Benjamin threatened at times.

Others who played stellar roles in gaining the Mustang victory were Hugh Smith, Jack Bowen, John Lee Holcombe and Loyd Klose. Leon Kretschmer and Fred Smith were available for duty but were not called on. (Continued on Page 8)

Haskell Man Is Eligible for World Trip

C. P. Woodson of Haskell has been declared eligible to win a trip completely around the world as a retail sales ambassador of goodwill, according to an announcement from Philadelphia this week.

A nationwide 'Round the World Jubilee campaign, now being conducted by Philco Corporation, will select 56 leading Philco retail appliance, radio and television salesmen to serve as envoys on a global goodwill mission to seven foreign countries, and Hawaii, next February. This unprecedented trip, largest ever undertaken by any one American industry, culminates a 6-months program by which Philco will offer free air passage to the ambassadors on a chartered Pan American Clipper.

On December 12th, closing date of the campaign, all eligible candidates in the expedition will be judged according to their knowledge of the American market, consumer preferences and the products they sell.

Woodson, owner of Woodson Radio & Electric is among the first in a group of eligible candidates from this area to be named in the 'Round the World Jubilee.

Record Hog Run Drops Prices To New Lows

By TED GOULDY

Fort Worth—Hogs topped at \$12.50 to \$12.75 at Fort Worth Monday, the lowest level for the class here since February, 1942. Sows sold at \$11.50 downward.

Both these prices reflected losses of \$1 to \$1.50 per hundred under last week's close.

Behind the collapse of hogs, prices was a near 170,000 hogs reported at 12 major markets on Monday. It was 33,000 more hogs than were reported the same day a week earlier and was the biggest run at some Cornbelt markets for a single day since 1942.

Similar declines were reported for hogs all across the country and the big supply of pork was putting pressure on all kinds of meat.

Pet Bobcat's Taste For Poultry Is Its Downfall

A pet bobcat's fondness for poultry, which had persisted despite the fact that the animal had apparently become adjusted to "civilized" life, resulted in an abrupt end to the varmint's career recently.

Mrs. T. A. Tate, who operates the Club Cafe and the Eagle Courts, had been missing an occasional hen from the flock at her home on the north outskirts of Haskell.

A neighbor, passing the Tate place one day last week, noticed a large bobcat in the vicinity of the poultry pen. Returning home for a gun, he came back and killed the animal as it ran into a nearby field.

Examination disclosed that the bobcat was wearing a collar and tag, indicating that it had likely been a pet at one time. The bobcat was fully grown, and one of the largest killed in this section recently.

BIG SCALE DEEP FREEZE

Cold dry air lends itself well to the preservation of organic matter. Scientists say that food-stuffs could be stored in the Antarctic to build up reserves or to stabilize the world markets.

How to be sure you are making the best buy in a new truck

➤ A new truck is an important investment. If you want to be sure you're getting the best buy, you've got to consider a lot of things: price, power, operating economy, good appearance—to mention only a few.

➤ Take price, for instance. Wouldn't it help you to know that you can buy a Dodge for surprisingly little money? Could be you didn't know Dodge trucks cost less than most other makes.

➤ Wouldn't it help you, too, to get the whole picture on truck power? The fact that Dodge Power-Dome V-8's outpower every other leading truck in the low- and medium-tonnage fields surely is important to your decision.

➤ And there are other Dodge advantages you'll want to think about—like the business-building beauty

of Forward Look styling, and the long life that spreads low initial cost over years of dependable service.

➤ It all adds up to this: To be sure of your best truck buy, take a few minutes to talk to your Dodge dealer. Just a phone call will put the wheels in motion.

Haskell Student Given Practice Teaching Job

George Christian of Haskell and sixteen other Texas Tech vocational agriculture students this week began six weeks of practice teaching in Texas high schools. The Tech students will take over actual teaching duties at the high schools after counseling with the regular teachers and observing classroom procedures. The practice teaching is a requirement for a Bachelor of science degree in Education at Tech.

Christian and a fellow student, Hilton F. Hayes of San Angelo, were assigned to Mont- erey high school in Lubbock.

CONTRACTORS' NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for construct- ing 8.845 miles of Gr. Strs., Base and Surf. from O'Brien to 8.8 mi. West on Highway No. FM 2229, covered by S 2081 (1), in Haskell County, will be received at the Highway Depart- ment, Austin, until 9:00 a. m., Nov. 22, 1955, and then publicly opened and read.

This is a "Public Works" Pro- ject, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legis- lature of the State of Texas, and as such is subject to the pro- visions of said House Bills. No provisions herein are intended to be in conflict with the pro- visions of said Acts.

In accordance with the pro- visions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on above named project, now prevailing in the locality in which the work is to be per- formed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman or mechanic employed on this project.

Legal holiday work shall be paid for at the regular govern- ing rates.

Plans and specifications avail- able at the office of C. W. Wes- brooks, Resident Engineer, Stam- ford, Texas, and the Texas High- way Department, Austin. Usual rights reserved. 45-46c

Mob Gangster's Super Car to Be Displayed Here

The personal car of John Dil- linger, gangland kingpin of the prohibition era, will be on display downtown in Haskell Friday and Saturday, Nov. 18 and 19. Its appearance here is being sponsored by the Haskell Fire Department.

Dillinger's 16 cylinder 1931 Cadillac was considered the most formidable machine for crime in its day. The car weighs 9,144 pounds—over twice the weight of ordinary cars—and was equip- ped with several anti-pursuit mechanisms.

The big V-type engine had smoke and tear gas generators, and a device in back of the car sprayed tacks onto the road to puncture tires of would-be ap- prehenders.

Designed for speed in excess of 100 miles an hour, the car had one and one-fourth inch bullet-proof glass with ports through which guns could be fired.

Inside the quarter-inch steel body special compartments were built to house a machine gun and large quantities of ammunition.

Dillinger and his mobsters reportedly used the car in a total of 39 holdups and 13 murders. The vehicle was finally aban- doned near East St. Louis when it ran out of gas during a chase by police.

Dillinger eventually was slain by police July 19, 1934 outside of Chicago theater on a tip from the gangster's ex-girl friend, later to become known as "The Lady in Red."

There will be a modest charge for viewing the car.

Junior High Art Club Formed, Officers Named

The newly-formed Art Club for Junior High School held its first business meeting Monday morning from 8 to 9 o'clock and elected officers.

Suzanne Weaver was elected president; Shirley Norman, vice president; Sandra Allred, secretary; Ted Dement, treasurer; Sammy Curry and Brenda Faulkner, reporters.

Mrs. Harold Purdy, who is an art major, volunteered to help the club with its work.

Several projects were suggested to the club to be carried out during the year.

Club meetings are to be held each Monday morning before classes.

Some of the members joining the club include Linda Huggins, Bette Landess, Sandra Allred, Linda Kay Speer, Shirley Norman, Ted Dement, Charles Pel-sue, Suzanne Weaver, Belva Adkins, Tinka Greer, Lon Dennis, McMillin, Buddy Conner, Jimmy Rexrode, June Bell, Jeanne Strey, Brenda Faulkner, Sammy Curry, Louisa Herren, Sara Lees.

The club needs and will welcome new members.

Cattle Trade Is Uneven, Steers Lower at Ft. Worth

BY TED GOULDY

Mature fed steers attracted sharply lower bids at Fort Worth Monday. Local packers reported steer beef inventories high in their coolers and moving out very slowly, and this accounted for the lower offers. A few lots sold early to small packers about steady, but later sales were generally 25 to 50 cents lower.

Cows were steady to strong, some strong weight canners and cutter cows 25 cents or more higher. Bulls held barely steady. Higher grade slaughter calves and the upper grades of stockers were steady, but the in between grades and plainer kinds were easier.

Comparative prices: Good and choice steers and yearlings \$16.50-\$19.50, a few yearlings to \$20; common and medium sorts \$10-\$16; fat cows \$9-\$10; canners and cutters \$6.50-\$9.50; bulls mostly \$9-\$12, some stocker bulls \$12.50; good and choice slaughter calves \$15.50-\$17.50, and cull, common and medium calves \$8-\$15; stocker steer calves of good and choice grades sold for \$16-\$19.50 and steer yearlings cashed at \$17.50 downward; stocker cows sold from \$8-\$12.

Producers Should Sell Only Market Ready Turkeys

Quality birds sold in top market condition are the turkeys which please the consumers, says F. Z. Beanblossom, poultry marketing specialist for the Texas Agricultural Extension Service.

The number of turkeys to be marketed this fall is not much different from last fall. Retail prices aren't likely to differ much either, says Beanblossom. But, he adds, the competition with turkey marketing agencies in other states for sales in the consuming centers is a concern of Texas producers.

Turkeys which are well feathered, meaty and have a good distribution of fat under the skin are always in the greatest market demand. Rushing turkeys to market before they are properly finished depresses the whole marketing process, explains Beanblossom.

According to the specialist, the ideal market bird is fully feathered on the back, breast, tail and underneath the wings. Few undeveloped feathers in these areas means the bird will pick well. Housewives won't be annoyed by having to pull pin feathers. A good covering of fat under the skin makes the bird easier to process but most important, says Beanblossom, a well-finished bird has eye appeal for the consumer.

Producers can determine the correct marketing date by making careful observations of the entire flock and by handling a few individual birds from time to time. The degree of fatness can be checked by looking at the skin covering the breast, particularly in front of the thigh area, says Beanblossom.

HERE FROM FORT SILL

Pvt. Billy Mack Taylor of this city, accompanied by Kenneth Williams of El Monte, Calif., and Ronald Watson of Philadelphia, Pa., spent the weekend here in the home of Pvt. Taylor's parents, Mr. and Mrs. Clarence Taylor. The three young men are now stationed at Fort Sill, Oklahoma.

VISITS MOTHER

Thurman Melton of Corpus Christi spent most of last week here visiting his mother, Mrs. H. E. Melton, who is seriously ill. Mrs. Melton has made some improvement in recent days.
