Law strengthens liability enforcement

In September, the simple matter of registering a motor vehicle in Texas will become a little more complicated.

The change is a result of insurance reform enacted by the 72nd Legislature.

Beginning September 1, the owner of a motor vehicle must submit current proof of financial responsibility with an application for initial registration, renewal of registration, or transfer of registration. This new requirement is a must, regardless of whether registration is accomplished in person or by mail.

The most common evidence of financial responsibility is a liability insurance card issued to the policyholder by the insurance company. Examples of other types of acceptable proof include insurance policies and binders, pool coverage documents, and certificates of self-insurance, bond, etc.

The original or a photocopy of the evidence will satisfy the requirement of proof of financial responsibility. All original documentation will be returned.

Questions about proper evidence of financial responsibility may be directed to your automobile insurance company, your local County Tax Assessor-Collector, or to the local Division of Motor Vehicles Regional Office.

For more information, contact Kristeen Roe, Coke County Tax A/C, at 453-2614.

Beginning September 1, Texans will be required to show proof of financial responsibility before they can get a driver license, renew a license or have their motor vehicle inspected, according to DPS Director Col. Joe E. Milner.

"This may seem like an inconvenience to law-abiding Texans, but in the long run, this new law should help protect all motorists by increasing the number of persons who have the legally-required auto liability insurance," Milner said. Texas motorists have been required since 1981 to have auto liability insurance, but only about 75% of the state's drivers have valid policies in force.

Also effective September 1, the fine for not having liability insurance will be increased from \$75 to \$175 - \$350. Repeat offenders will have to pay

\$350 to \$1,000 and face the possibility of having their vehicle impounded for 180 days.

"Starting September 1, anyone wishing to renew his driver license, get a license for the first time or needing to get a motor vehicle inspected will be required to show proof of financial responsibility at our Driver License offices or Motor Vehicle Inspection Sta-

tions," Milner said. "For most Texans, it will be a simple matter of showing a wallet card issued by their insurance company."

The new law also requires a person to have proof of financial responsibility before obtaining vehicle license plates, which are made available through the Texas Department of Highways and Public Transportation.

ROBERT LEE SCHOOL NEWS

Epperson receives Jr. PGA scholarship

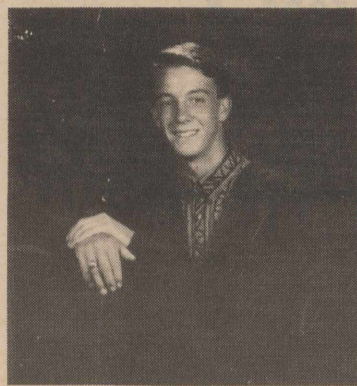

Stephen Epperson and his dad, Roy, recently participated in the 2nd Annual Joe Black Hardin Simmons University Golf Classic in Abilene. The tournament was played at the Country Club Golf Course on Friday, August 9. Their team of four, which included Bob Sharp and Wes Speigh, won the first place trophy with a team score of 55.

Stephen left Saturday, August 24, to attend Camp HSU 101 (Freshman Orientation) at Hardin Simmons University in Abilene. He will remain at HSU and begin classes after Camp HSU 101. Stephen has recently received notice from HSU that because of his High School academic scores, he has been awarded a Couch Grant and a Davidson Family Scholarship. Stephen will be a Business Major at HSU and a member of the HSU golf team, having signed a letter of intent back in July.

During his four years at RLHS, Stephen was a member of the Beta Club, and he was honored to be placed on the second team of the 1990-91 District Basketball team. He was a four-year member of the golf team and participated in three State Tournaments. He and his teammates had the distinction of placing second in 1988-89; first in 1989-90; and were again first in 1990-91 in the State Golf Tournament. Stephen was also a member of the State Golf Team in 1989-1990 and 1990-1991.

Stephen has been a member of the North Texas Junior PGA for several years and he was notified on July 26 that he had received a scholarship from the North Texas Junior PGA. Stephen had applied for the scholarship earlier in the year. Stephen's parents left for Brazil on July 25 and he had to wait until they returned home on August 8 in order to let them know about the \$8,000 scholarship.

The grant and scholarships are greatly appreciated by Stephen and his parents be-

Stephen Epperson

cause these honors have made it possible for him to go to the school of his choice. The Eppersons are also happy for all the awards presented to classmates of Stephen in the last year and this summer. Good luck to all those 1991 graduates who continue to leave daily for the first year of classes at their respective campus.

RLJHS elects cheerleaders

Junior High cheerleader elections were held early in the week at Robert Lee by 7th and 8th graders. Heather Millican, 8th grade, will serve as head cheerleader. Others on the squad are 8th graders Patricia Minjarez and Krystal Carver along with 7th graders Kannan Millican and Meagan Hill.

RLISD posts enrollment

Elementary school has registered 174 students.

Several staff changes have been made. Patricia Ballew has moved from Junior High English and has taken over the high school English department. Elena Sanchez taught two periods last year, Spanish I & II. This year, she is

teaching more Spanish classes and is now the CLA teacher. Three new faculty members include Glen Heard, Vocational Ag; Beth Heard, Jr. High Language Arts; and Terry Page, high school girls' athletics and Jr. High Science.

BRONTE SCHOOL NEWS

Young Horns face rebuilding season

The Bronte Longhorns scrimmaged the Menard Yellowjackets last Friday night in Bronte. The young Longhorns, which consist of one senior, two juniors, eleven sophomores, and six freshmen, were handled by Menard's veteran team by a score of 5-0.

"The young Longhorns learned from their mistakes and showed signs of improvement by the end of the scrimmage," said Coach Keith McCutchen.

Jacob Golson, a sophomore running back, broke his collarbone on the third play of the scrimmage.

Gary Bilbrey, also a sophomore, showed potential at running back after Golson's injury.

Jason Cooper, sophomore, played well on defense by breaking up a couple of pass attempts.

Freshman quarterback Brent Taylor had several good runs and showed promise as a passing quarterback.

Other players on the 1991 roster include junior guard Daniel Pullen, sophomore tackle Rudy Sanchez, sophomore back Jaime Flores, sophomore end Jay Parker, senior tackle Trevor Lowe, sophomore guard Randy Bilbrey, junior guard Justin Stensby, and sophomore back Brian Hall.

Bronte will scrimmage Wall on Thursday night at 6 pm and

will open their season at Jim Ned on Friday, September 6, at 8 pm.

The rest of their season includes these scheduled games: September 13, 8 pm, in Bronte against Miles; September 20, 8 pm, in Bronte against Water Valley; September 27, 8 pm, at Merton against Irion County; October 4, 7:30 pm, in Bronte against Sterling City, district game; October 11, 7:30 pm, at Roscoe, district game; October 18, 7:30 pm, in Bronte against Garden City, district game; November 1, 7:30 pm, at Rotan, district game; November 8, 7:30 pm, in Bronte against Robert Lee, district game; and November 15, 7:30 pm, at Roby, district game.

Freshmen defeat Abilene

Showing much poise, the Bronte Freshmen defeated Abilene Cooper 9th grade, 15-6, 10-15, 15-8.

Their success in game one was due mainly to accurate serve receive and only one missed serve.

Scoring honors were evenly distributed with Joni Barrett scoring 4; Laura Thomas 4; Lindsey Burwick 1; Jill Johnson 3; Gina Clayton 2; and Micah Arrott 1.

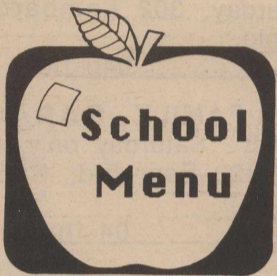

A mental letdown and nine missed serves doomed them in the second game. Burwick's 4 points including one ace was a bright spot.

The girls rallied in the third game to squelch Cooper's momentum. Again, Burwick led serving with 6 points, Johnson had 2 kills and Dunn turned in the game winning kill.

Good hustle plays were made by Thomas, Arrott, Clayton, and Barrett.

Lady Horns take wins

Workouts began for the Lady Longhorns on Monday, August 12, to prepare the teams for their new and promising year.

After a week of "three-a-days," the junior varsity and the varsity teams traveled to San Angelo Monday, August 19, to participate in the Central Scrimmage. Junior varsity and varsity teams from Central, Lakeview, and Water Valley also participated in the scrimmage. Instead of regular game procedures, the games lasted for 30 minutes.

The varsity demolished their opponents by a combined score of 125-29.

"Transition was the key," Coach Connie Bozarth said, "It was exceptionally smooth

for this early in the season."

JV and freshmen players competed closely, gaining valuable playing time. "The potential is there, all they need is experience," Bozarth said.

More scrimmage action occurred Tuesday, August 20, when Odessa High and Miles traveled to Bronte. Again using the 30 minute format, the varsity defeated Odessa 29-13.

This Friday and Saturday, August 30 and 31, the Ladies will travel to Pecos to participate in the Cantaloupe Classic Tournament. They are expected to do well among the 4-5A teams also playing in the tournament.

Lady Horns lasso wins

Taking on 4A Sweetwater in their first game of the season, the Lady Horns lassoed a 15-7, 15-8 win last week.

Seven seniors make up the varsity team and their experience showed as they fought off the scrappy Mustangs several times.

Behind the serving of Darla Scott, the Horns jumped to a 6-0 lead. However, several serve receive errors by Bronte allowed Sweetwater back in the game.

Tina Smith and Teresa Vaughn turned in several kills apiece, thanks to the setting of Kristie Cooper and Alisa Richards to put the game out of reach.

Brandi Thomas then came in to serve an ace for game point.

In the second game, Amie Parker and Vaughn roamed the net, keeping the Mustang defense scrambling.

Again Scott and Thomas led the serving assault with 4 and 6 points respectively.

The JV match provided some exciting moments for fans who braved the oven-like gym.

Jennifer McCorkle put on a serving clinic, scoring 8 points and 2 aces on the way to a 15-10 score.

In Game 2, the freshmen team got their first taste of

high school competition, narrowly losing 14-16.

The third and deciding game saw the Horns maintain their momentum from Game 1 and defeat the Mustangs, 15-10.

Coach Connie Bozarth said she was very pleased with the teams' performances and looks forward to a successful season.

The Lady Longhorns will travel to Big Spring Tuesday, September 3, for both JV and Varsity volleyball games.

Trice degree told

John Mark Trice received his master of education degree from Sul Ross State University during summer commencement August 17. He coached at Robert Lee High School last year and is currently serving as principal at Ropesville.

Commencement speaker was Dr. Charles W. Benson, superintendent of the Corpus Christi schools.

Becky Espino, member of the Texas State University System Board of Regents and business manager for the Fort Stockton Independent School District, presented diplomas to the graduates. Espino is the first Sul Ross graduate to serve on the board.

WCCCD welcomes new RL residents

West Coke County Community Development members voted August 5 to form a committee, chaired by Leta Caston, to welcome new residents. Welcome packets will be distributed to these people which contain area information, brochures, business cards, discounts, coupons, flyers, and small gifts. Churches, organizations, and businesses who were missed when committee members called and who want to participate, may contact Leta Caston, 453-2453 or 453-2701, or Dee Anna Harmon, 453-2804 or 453-2545.

The committee has encountered positive response to the Welcome packets. Some have given pens and business cards to go into the packets, for example. These packets should draw benefits for local merchants by making the new residents familiar with what the business community has to offer, said a WCCCD spokesman.

Walker celebrates 80th

Curtis Walker was honored Saturday in his home with a party celebrating his 80th birthday.

His wife, Clara, family, and friends were entertained by reminiscing about old times. Joyce Walker recited the "Memoirs of Curtis Walker's Life," and Mike Sanders had posters to accompany the stories.

The favorite stories were of "Hardware" going to the office, Froggy's Cafe, Key Feed Store, and Ivey Motor Company.

Grandkids remembered bouncing around the pastures at Silver in the back of his red pickup when they went to help him feed the cows.

After supper, the little great-grandkids and the big grandkids enjoyed a pinata filled with candy. The party was topped off with the Birthday Song, five freezers of homemade ice cream, and a chocolate "Rancher's Cake."

Those in attendance included Bobby and Joyce Walker; Dave, Donna, Laurel, and Meredith Walker; and Rex and Gwen Walker, all of Odessa; Curtis Wayne, Annice, Kevin, Robert, and LaShellye Walker; Donald and Janice Walker; Steve, Stacy, and David Pullig, and Tom Lisemby, all of San Angelo; Wanda Caulder of Abilene;

NOTICE OF COMPARABLE TAX RATES AND REVENUES

The legislature has enacted a statute on school funding to comply with a court mandate enforcing the state constitution. Under prior statutes (SB 1) the tax rate for last year provides \$ 4695 per student in state and local revenues. Under this statute (SB 351) that same rate now provides \$ 4564 per student in state and local revenues.

State law only requires a minimum tax rate of \$.72 for county education districts. State law does not require a school district to adopt additional taxes. Neither does state law require a school district to adopt a tax rate that maximizes the receipt of state funds.

The board of trustees of the Robert Lee I.S.D. School District hereby gives notice that it is considering the adoption of a tax rate of .19468 that will provide \$ 5067 per student in state and local revenues.
