Copter assembly group scouts RL location

A Canadian group of investors, Rotary-Air Force, Incorporated, was in Robert Lee Tuesday and Wednesday to examine the possibility of locating an assembly facility for gyrocopters. The down-sized helicopters are now being manufactured in Canada and owners are seeking a Texas site for production. Criteria includes a small acreage for a warehouse-type building and an uncontrolled airport with limited traffic to allow for testing and general use. Scouts have already looked at sites

near Paris, Texas.

Todd Blair of San Angelo, assisted by Craig Demere of Water Valley, have recently put together a gyrocopter from a kit purchased from the Canadian company. According to Demere, they have encouraged the company to look over the Robert Lee area for manufacture of the kits. He said a complete kit sells for \$19,000 to \$23,000.

The compact gyrocopter is a 2-seater and can cruise up to 90 mph. Several passengers were treated to rides and re-

ported thrilling trips.

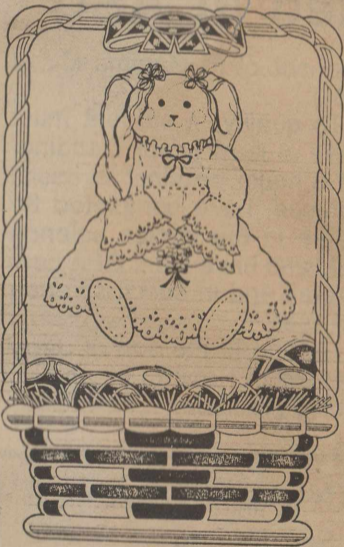

Demere said Tuesday that at this point, the 'copters currently have mainly recreational use but have a promising future for ag use, oil companies, border patrol or police work, or emergency transportation to or from inaccessible, rough terrain.

Apparently no decision has been made by the group and the West Coke County Community Development, as well as city and county officials, will try to visit with project leaders in the near future.

Gyrocopter personnel help a passenger to "buckle up" during a trial flight Tuesday at the Coke County Airport near Robert Lee.

County Easter Sunrise Services slated

The Aubrey Denman Ranch will be the place to be on Easter Sunday morning for the Annual Sunrise Service beginning at 6:30 am.

The occasion is to celebrate and commemorate the resurrection of Our Lord Jesus Christ.

The Rev. Phil Bell of Bronte United Methodist Church and Bro. Garland Whitmire of Bronte First Baptist Church will bring the message.

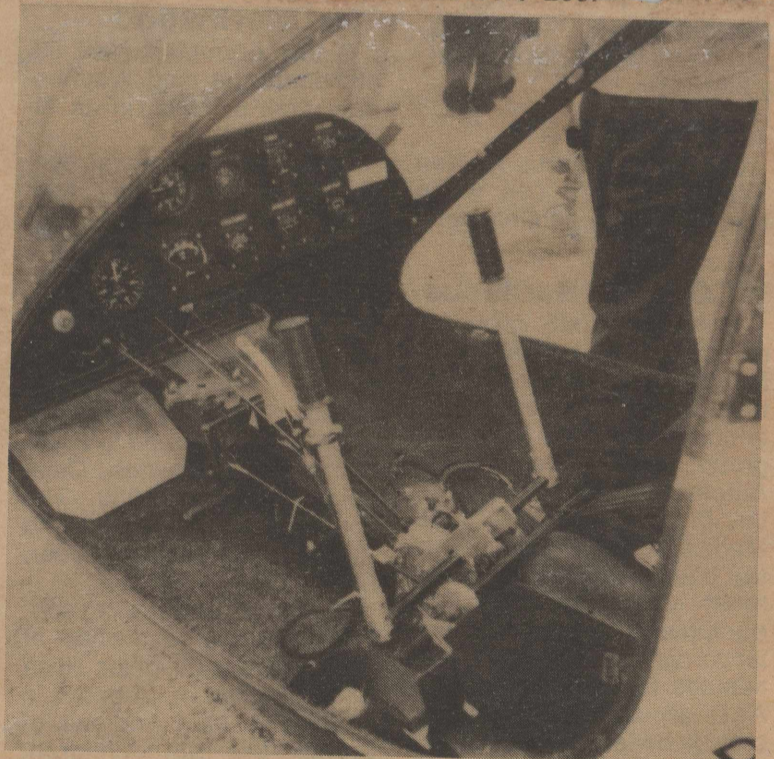

Congregational singing will be a part of the service.

Everyone is invited to participate.

The annual ecumenical Easter Service at Robert Lee's Mountain Creek Amphitheatre will be conducted at 7:00 am on Easter Sunday. Several churches traditionally take part in the service.

The Rev. Kary Rawlings will offer the greeting and invocation, followed by the introit by Della Dean. Prayer will be presented by Tommy Williams, minister. The Rev. James Chaney will provide scripture readings and the Rev. Roy Epperson will present the sermon. Music for the service will include a solo by Jodie Rodriguez and selections by a choir from the Northside Church of Christ. The Rev. Kary Rawlings will close the worship service with the benediction.

In the event of inclement weather, the service will move to the Recreation Hall.

Shown is the inside of a gyrocopter's two-seater and instrument panel.

Judge proclaims soil stewardship week

Proclamation

Whereas, our well-being depends on the production of ample food, fiber and other products of the soil; and

Whereas, the quality and quantity of these products depends on the conservation wise use and proper management of soil and water resources; and

Whereas, protection of our water from pollution depends on sound conservation practices; and

Whereas, conservation districts provide a practical and democratic organization through which landowners

take the initiative to conserve and make proper use of these resources; and

Whereas, the conservation movement is carrying forward a program of soil and water conservation in cooperation with numerous agencies and countless individuals;

Therefore I, Royce Lee, County Judge, of Coke County, in full appreciation of the value of our soil and water to the public welfare, and desiring to honor those who protect those resources, do hereby proclaim April 26 through May 3, 1992 as

Soil and Water Stew-

ardship Week in Coke County, Texas.

In official recognition whereof, I hereby affix my signature this 15th day of April, 1992.

Retired Teachers

Coke County Retired Teacher Association will meet on Monday, April 20, at the First United Methodist Church in Bronte for a covered dish luncheon and program at 12:00 Noon.

Wilbern Millican (l), area rancher, and Bruce Deer (r), as a representative of the Soil Conservation Service, witness Judge Royce Lee's signing of a proclamation declaring April 26-May 3 as Soil and Water Stewardship Week. Preservation of soil and water are vital to civilization's very existence and education of the public is dependent on promotion. "Our Treasured Trees" is this year's theme for the Texas Soil and Water Conservation Districts.

WCC EMS Barbecue

The WCC EMS group is planning a big barbecue for May 9. New updated equipment is badly needed for the ambulance. One item the group hopes to obtain is an Automatic External Defibrillator. Dr. Turner, the WCC EMS Medical Director, feels that this equipment is probably the most valuable piece of equipment that our ambulance can use. Being 30-40 minutes from a hospital, the AED allows our service to provide better cardiac care for our patients. The WCC EMS is taking any donations and proceeds from the barbecue in their quest in obtaining this updated equipment. Remember to support the barbecue and buy your mother a ticket for Mother's Day. Tickets can be obtained from any WCC EMS member.

EMS Barn receives new facelift

Approximately 30 members, family and other volunteers met last Sunday to paint the West Coke County Emergency Medical Service Ambulance barn. The Bill Allen family allows the WCC EMS to use the station at the corner of Hwy 208 and Hwy 158 to house the ambulance and supplies. The WCC EMS volunteers are required to keep the Ambulance barn up and it was badly in need of a paint job. Paint and other supplies were generously donated by local merchants and individuals. The local VFW chapter cooked hamburgers for the group. Many individuals dropped by during the day and gave donations.

The West Coke County EMS personnel and a number of volunteers gave the EMS facility a facelift Sunday. A unique design and bright paint sets off the highway intersection.

Letter to the Editor

Dear Editor,
April 17 is the date set for RLHS cheerleader elections. I think it has become quite

obvious that this election is nothing but a popularity contest. Sometimes I wonder why these tryouts are even held, when the student body has already made their decision. I have often wondered why it is a 100% student body vote instead of the way most normal schools do it by judges AND student body.

I feel that cheerleading should be based on the person's ability, spirit, and being able to keep the fans involved and spirited, instead of how popular you are or how friendly you are to other students the week before tryouts. It's very sad to me when there are people in this town that won't attend the games because they don't want to have to sit and watch the cheerleaders priss around or just stand on the sidelines doing nothing.

Signed,
Disgusted!

"An Evening with Our Stars"

Date: Thursday, April 30
Time: 6:00 pm to 8:00 pm
Where: Bronte Community Building

Why: An evening of fun and an attempt to raise funds for our Senior Center
What's going to happen: Talent by local folks, door prizes, desserts and drinks, and the drawing for the quilt. The quilt has been on display at different locations this past couple of weeks. Don't forget to make a donation and put your name in the pot for the drawing.

Potluck Luncheon and Dominoes

It is time again for another Potluck Luncheon and a morning of dominoes. The Center opens at 8:00 am on Thursday, April 23 and the fun begins. We usually have 2 tables of 6 playing "88" by 10:00 am. So come be a part of that group. Lunch is served at 11:30. We will have a program at 11:00 by Dr. Mary Kinney Bielamowicz who is an Extension Nutrition Specialist from Texas A&M University. So come early for "88", our program and then a wonderful potluck luncheon.

Attention: Secret Baby Picture Contest

This activity was planned as an entertaining contest among our participants at the Bronte Senior Center. Please bring a treasured "baby picture" to the Center. We will assign it a number and people will try to guess who the picture is. The staff at the Center will be the only ones who know who it belongs to. These pictures will be on display until the end of May. So be a part and lets have fun with this contest. Start bringing those pictures in today. Unveiling on Thursday, May 28th.
