Students receive athletic awards

The Athletic Banquet honoring Robert Lee High School's athletes was held on Tuesday evening, May 12, in the school cafeteria.

Black and orange were the order of the day as balloons, streamers, confetti, and various trophies and plaques decorated the tables. A good crowd of fans, parents, and dates joined the athletes for the occasion.

A number of presentations were made by students and Coaches Poehls, Bolding, Page, Jackson, and McCown. Coach Poehls served as master of ceremonies for the banquet and on several occasions expressed pride in the athletic efforts of the group but emphasized that their character and conduct meant more. Athletes were recognized by sport and by classes.

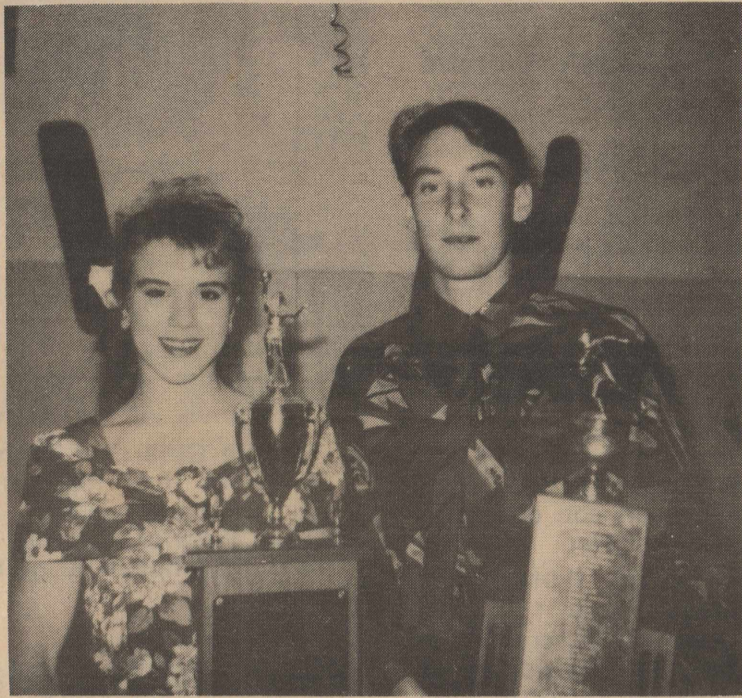

Spirits were high in anticipation of the State Track and Field competition in Austin. Representing the Steers will be Jason Dickey, 100 and 400 meter dashes; John Williams, shot put; and Lee McCown in the discus. The Steer golf team will try to make it three in a row as Class 1A winners by sending John Williams, Scott Antilley, Dean Burns, Danny Jackson, and Scot Millican to compete. The Lady Steers, winning 2nd at Regional, will represent RLHS on the State course with Wendy McPeck, Lori Wink, Danielle Glenn, Shelley Burrows, and Sheila Minjarez.

In other presentations, Russ Horn was named Cheerleader Hero and Elaine Gibbs will reign as current Football Sweetheart.

The Service Award was given to Superintendent Jerry Gibbs for his aid and devotion to school programs. He drew chuckles from the crowd when he turned to his wife, Liz, and said of the plaque, "You have to quit to get one of these," referring to his retirement from the school system this summer.

Shelbi Grim won the Lady Steer Award and Michael Hayes was honored with the Steer Award. The two prestigious honors are voted on by the students' peers and symbolize leadership, citizenship, and school spirit. Their names will be engraved on the large trophies to be left on display at the school.

The excellent dinner and enthusiastic appreciation and support of an outstanding group of young people highlighted the evening.

Receiving Robert Lee's prestigious Lady Steer and Steer Award for 1992 were Shelbi Grim and Michael Hayes. Presentations were made at the annual Athletic Banquet on May 12.

'64 Club installs officers

The '64 Study Club of Robert Lee, Heart of Texas District, met for its final meeting of the 1990-91 fiscal year on Feb. 12, at Fellowship Hall of First United Methodist Church. Hostesses were Winnie Pitcock, Nina Brewer, Virginia Milliff, and Coleta Fenley.

After a business meeting, officers for the ensuing year were installed.

Beth Prather, who has done installation rites for the club, very ably did so again. Her expertise, humor, and creativity have made her a favorite with the club. The fact that the closing meeting is

always a salad supper helps to make the session a favorite with members. Not only do they enjoy the varieties of good salads, but there is always a lively exchange of recipes.

Letter to the Editor

Congratulations Steer and Lady Steer state participants!

We are very proud of all our athletes at RLHS and as we end our 1991-92 school year I would like to thank you for your many hours of hard work.

We have always asked our athletes at RLHS to be dedicated, determined and filled with pride. At Austin this past weekend our State participants definitely showed these qualities we demand. With the weather conditions being far from perfect, our young ladies and young men battled from start to finish and represented our school and community as fine as I have ever seen. Good job, Athletes, and thanks Parents, for supporting and encouraging your sons and daughters during this athletic year. Have a good summer.

ROBERT LEE SCHOOL NEWS

Steers shine at state contests

Why do some folks continue to ask, "Where in the world is Robert "E" Lee"? We should be known by the athletic prowess of our local athletes and the intelligence of our academic competitors.

The first week in May, Wendy Lamar placed 6th in Literary Criticism at State and Shelbi Grim also placed 6th in Newswriting in Austin.

Editor's Note

[Editor's Note: Several of the articles appearing in this week's RLHS Senior issue are excerpts from the well-written **Steer Review**, the high school news letter. Thanks, Bunch!]

This paper is produced by the 1992 senior computer class of Robert Lee High School. The articles were written and edited by the senior class with the exception of the junior high section which was written and edited by the eighth grade class. The members of the computer class are: Scott Antilley, Eli Arellano, Tracie Tennison, Carrie Davis, Brandy Hayes, Michael Hayes, Russ Horn, Wendy Lamar, Christie Payne, Audra Pitcock, Nikki Digby, and J.J. Tennison. The advisor of this hard working group of journalists is Jerry Horn.

State UIL Academic Meet

On May 7, 1992, three students and two sponsors left for Austin to attend the State UIL Academic meet, from Robert Lee High School. The students participating were: Wendy Lamar in Literary Criticism and Lincoln Douglas Debate; Shelbi Grim in Newswriting; Krista Green Alternate, Lincoln Douglas Debate. Mrs. Tricia Ballew and Mrs. Kay Taylor went as their sponsors.

Wendy Lamar placed sixth in Literary Criticism and Shelbi Grim placed sixth in Newswriting. The students had a wonderful time meeting new people, eating out and sight seeing around Austin.

This year Robert Lee High School has sent twenty percent of its high school student body to either a State Academic contest or a State Athletic contest. The support of the administration, faculty, staff, family, and community members contributed to this superb effort.

Robert Lee selects Cheerleaders

On April 17, the Robert Lee Student Body, classes 8-11, elected the Cheerleaders for 1992-93. Chosen were Elaine Gibbs- Head, Carlene Bewick, Shanon Parks, Lori Wink, and Heather Millican.

Serving on the 1991-92 Cheerleader squad were Elaine Gibbs-head, Lori Wink, Nikki Tavarez Digby, and Shanon Parks

letes and the intelligence of our academic competitors.

The first week in May, Wendy Lamar placed 6th in Literary Criticism at State and Shelbi Grim also placed 6th in Newswriting in Austin.

Last week, the Steer Golf Team held off all comers to win the State Class 1A golf tournament for the 3rd straight year with a 679 total. John Williams had a 155 and the 2nd Medalist honor; Scott Antilley was 5th Medalist with 167; Dean Burns shot a 176; Danny Jackson had a 184 followed by Scot Millican with a 187.

The Lady Steers brought home the State 3rd place award in golf competition with an 853 total. Wendy McPeek, was named 9th Medalist with a 189 score. Other individual team members and scores were: Lori Wink, 215; Danielle Glenn, 225; Shelley Burrows, 227; and Sheila Minjarez,

230.

Mother Nature made the State competition as tough as she could with the stormiest golf and track meet on record but could not stop Jason Dickey from grabbing the gold in the 400 meter dash, then John Williams equaled that feat in the shot.

Robert Lee High School coaches made these observations on the three State track contenders, "Jason Dickey placed 4th in the 100 with an 11.1, and was disappointed, but he got over it when he won the 400 in a time of 50.1.

John Williams got off to a somewhat slow start but battled his way back to win the Shot with a toss of 51'1 3/4".

Lee McCown, our freshman, competed like the champion he is. He didn't place at Austin with his discus throw of 133'10" but we are still mighty proud of Lee."

8th Grade Promotional

by: Heather Millican

On May 21, 1992, at 8:00 pm eighth grade graduation was held in the Robert Lee High School Auditorium. The 31 graduates of the class chose the motto: To strive, to seek to find, and not to yield. - Tennyson. They selected peach and teal as the class colors and the carnation as the class flower. Their sponsor for the year was Coach Sid McCown. Mrs. Gayle Bolding served as their pianist. Ushers were Meagan Hill, Kannan Millican, Starsky Oleksiuk, and Corey Pitcock of the seventh grade. The Valedictorian was Heather Millican with an average of 97.24. The Salutatorian with an average of 97.22 was Jason Key. They were very honored to have Mr. Jimmy Bickley, a former Superintendent of Robert Lee I.S.D., to speak at their Graduation. His speech was very inspiring to all of them.

When the ceremony was over, a Graduation party was held for their enjoyment. It was a memorable night for everyone.

Candidates for the commencement were: Cynthia Denise Abalos, Casey Lee Antilley, Jesse Arellano, Denny Bohannon, Jeremy Gene Burns, Krystal Gayle Carver, Bucky Wayne Cook, Sabrina Ann Cowart, Tucker C. Robert Lee Project Graduation

The 1992 Robert Lee Graduation is fast approaching. Several parents of this year's Senior Class want to continue to provide the seniors with a drug and alcohol free alternative on graduation night. Project graduation takes place statewide.

It will be a parent chaperoned party lasting from 10:00 until morning on May 23, following High School Commencement. The Seniors will have a night full of food, fun games, movies, night golf, volleyball, and other activities.

Anyone interested in any way in helping support this cause would be greatly appreciated.

Horn, Salser honored by DAR

The Pocahontas Chapter of the Daughters of the American Revolution honored 18 area high school seniors.

Recipients were selected by their school's faculty on the

UMW host RLHS Seniors

United Methodist Women of Robert Lee entertained the Senior Class members and their families, the RLHS faculty, and friends Sunday night, May 17, immediately after Baccalaureate Service. The annual reception was held at Methodist Fellowship Hall with 96 attending. All of the graduates were present.

The hall was decorated with cut flowers from homes of church members, and the serving table held a centerpiece of carnations arranged with the class colors.

U.M.W. members look forward to this occasion each year, for it gives them an opportunity to have this final contact with the youths in whom they have had keen interest as they have grown up. Members share pride with parents, and a tinge of grief, as they realize the graduates will be breaking home and community ties as they go out on the beginnings of their own careers.

Best of luck to you, Seniors! Bronte Nursing Home

Residents of Bronte Nursing Home were busy during Nursing Home Week from May 10-16th. They enjoyed games of Washer Pitch, Basket ball Toss and a Bean Race. Sallie Barrett was the winner of the washer pitch putting four washers out of 6 in the cans.

Leola Hughes was runner-up with three. Alta Wilson and Gladys Baker were winners of the basketball toss. Pam Stoke's team was winner of the bean race. On Tuesday, May 12th, Lillie Richards, Leona Spivey, Alta Wilson, Gladys Baker, Claude Gentry, Emma Minjarez, Norma Gentry and Dean Pope took a trip to Stacey Dam. All enjoyed a picnic lunch in the Ballinger Park.

We closed the week out with the monthly Birthday Party hosted by the Home Extension club.

Those celebrating birthdays were Julian Herndon and Marlin Mackey.

WE HAVE BAR-B-QUE BEANS - POTATO SALAD

RL Band year detailed

by Eli Arellano & Scott Antilley

On August 5, the 91-92 Steer band season got under way. Mr. Bullard, the Drum Majors and section leaders met to plan the fall activities. On August 8, the band met as a whole and began to prepare for the UIL Marching Contest to be held on October 26 in Brady. At this time the band also began to sell the annual band calendars.

This year was the first year that the band marched with capes, they looked real good. The band's concept was based on music from the movie "Top Gun". The band did very well considering the music was eleventh grade level, and two thirds of the band was junior high. The band was under the field direction of Co-Drum Majors Carla and Carlene Bewick.

On December 19, the band held its annual Christmas Concert in the school auditorium. On April 14, the band traveled to Coleman and participated in the Concert and Sightreading Contest. The pieces they played were Newcastle March, Modal Overture, and Suite Britannia. On Tuesday, May 12, the band held its annual spring concert. The band performed Newcastle March, March Militaire, Homeowners Guide to Making Music, music from the

movie Top Gun, and Rock & Roll Hall of Fame.

The band council for this year consisted of: Carlene Bewick-president, Carla Bewick vice-president/secretary, Jonie Waggonner-librarian, Michael Woolley-assistant librarian, /Debra Drennan-Historian, Dean Burns-assistant historian. High school representative was Dean Burns, and junior high representative was Heather Millican. Band Sweetheart was Carla Bewick, and Band Beau was Dean Burns.

The Steer Band members were: Lenda Kapchinski, Todd Scott, Carla Bewick, Carlene Bewick, Debra Drennan, Jonie Waggonner, Dean Burns, Michael Johnston, Michael Woolley, Eliza Arellano, Laura Chesshir, Mandi Johnston, Cynthia Abalos, Jesse Arellano, Sabrina Cowart, Jason Key, Gina Luna, David Millican, Heather Millican, Patricia Minjarez, Katrina Rodriguez, T.J. Roe, Amanda Sanders, Elizabeth Saucedo, Eric Torres, Harley Wagner, Jaclyn Waldrop, Maranda Wojtek, Felipe Perez, Soyla Barrera, Donna Bell, Sabrina Brock, Brandi Brosh, Jerrod Copeland, Chad Goodman, Laine Gregston, Meagan Hill, Kannan Millican, Starsky Oleksiuk, Jennifer Parks, Mike Pentecost, Rachel Shook, Shalon Waldrop and Heather Ybarra.

Students appreciate Band Boosters

by Katrina Rodriguez & Patricia Minjarez

The Robert Lee Stomping Steer Band did extremely well this year.

They put in a lot of effort and time to succeed.

This year the band went to Brady for a marching contest. They then went to Coleman for sightreading and concert contest. They would like to thank the Band Boosters for all of their help. They would also like to thank their band director Mr. Bullard and their drum majors (Carlene Bewick and Carla Bewick) for helping them accomplish their goals. Seniors trace history

by Nikki Digby and Eli Arellano
The Senior Class of 1992 have been together all of their high school years but only two began here in 1979.

At that time Stacy Oleksiuk and Eli Arellano began their first step toward a lifetime experience. Not until two years later were they joined by Tracie Blair and Audra Pitcock.

Third grade saw the arrival of Carrie Davis, Christie Payne, and Brandy Hayes. Scott Antilley, Russ Horn, and Todd Scott were next to become part of the Class of 92 in fourth grade. Two years later Michael Hayes, Wendy Lamar, and Nikki Digby also joined the crew.

As two more years passed Cathy Smith and Lenda Robinson also joined the voyage in 1987. By their freshman year the class was completed by the arrival of J.J. Tennison and Bobby Millican. The senior class now consists of seventeen young individuals whose destiny was to graduate together.

Throughout the years that they have been together the Senior Class of 1992 has inevitably shared many memories. The struggle of many years has brought them closer together. There were times of hatred and jealousy, but their differences have been settled. In order to complete the Senior History we asked each senior what their most memorable moment in school has been. "The Garden City track meet my freshman year." "Brandy. "When Carrie, Nikkie, Christie, and I threw an earthworm out of Miss

Wright's classroom window during the dissection"-Tracie. "When Miss Wright called a parent teacher conference because I was chewing gum in her class."-Carrie.

"When I was elected Mr. RLHS."-J.J. "Spring break during our Senior Trip."-Bobby.

"Going to the Area II convention."-Michael. "Scoring a touchdown against Bronte my senior year."-Todd. "When Brandy and I would sneak out of school sixth period and go to the Cracker Barrel."-Wendy. "Hitting Eli's car in the parking lot."-Audra. "Going to state in cross-country and staying at the Cockroach Hotel."-Russ. "When Coach Jackson picked me up by my ear."-Eli. "Having my little girl."-Lenda. "Winning first high individual in wool judging at Texas Tech and being awarded a \$200 scholarship."-Cathy. "First day of school my senior year when I went to my first class and noticed that my brother was not there. It was sad because I knew we would be graduating soon."-Stacy. "Going to state in golf three years in a row."-Scott. "When I sang at the last pep rally."-Christie. "Elected Homecoming Queen and getting married."-Nikki.

As you can tell they remembered many different things which meant the most to them. However, the one memory that they will all share is that of each other. "We cannot discover new oceans, unless we have the courage to lose sight of the shore.

They're looking for a few dark houses.

The fact is, burglars love darkness. It makes them all but invisible. And there's no reason why we should make their crimes easier to commit.

You can make them think long and hard about burglarizing your home with a Guard-Lite from West Texas Utilities.

For pennies a day, you can give them what they hate — A well lit home. At the same time it's a convenient way to give yourself what you want most — peace of mind.

Call West Texas Utilities for more information about leasing a Guard-Lite.

FHA/HERO year detailed

An Organization with unlimited opportunities.

by Carrie & Brandy

The 1991-92 Robert Lee FHA chapter has had a year filled with unlimited opportunities. Not including the many local events, members have had the opportunity to travel to Dallas, Abilene, and Fort Worth as they attended the Cluster, Regional, and State Leadership Conferences of the Texas Association Future Homemakers of America. Yes, FHA/Hero has proved again to be a motivational, outspoken, and most importantly, a fun way to influence the leaders of tomorrow in a positive way.

During the 1991 state meeting last year, Brandy Hayes, a member of the Robert Lee Chapter, was elected as the new 1991-92 State President of the Texas Association. Her election was not only an honor to herself and family, but to her school and community. She was constantly involved with her many responsibilities and duties throughout the year.

Throughout the year, the Robert Lee FHA Chapter has been busy. The chapter participated in the Adopt-A-Highway program along with the FFA chapter. Members met and helped clean up our local environment by picking up trash along the Bronte highway.

The FHA chapter also participated in the American Smokeout and Tobacco week.

Members passed out brochures and information on

the dangers of tobacco and smokeless tobacco products. Posters were displayed around the campus, showing the feelings and views of others concerning tobacco products. Members also organized FHA/Hero week. The chapter made free cinnamon rolls for everyone that was wearing red and white. Dant Hughes was also named FHA beau for the 1991-92 year. Congratulations, Dant.

Local wins award

Russ Horn, a member of the 1992 Robert Lee High School graduating class, Russ was one of eighteen area students named as recipients of the Pocahontas Chapter of the Daughters of the American Revolution awards.

The students received a certificate and a medal.

Respective recipient's faculty selected them to receive the honor based on dependability, patriotism, service, leadership and outstanding character.

Son of Jerry and Mimzi Horn of Robert Lee, was Beta Club president, cross country state qualifier, and was involved in basketball, football, track, student council, annual staff, UIL, Future Farmers of America and band. He received the citizenship award, science award, Most Handsome, Prom King, Senior Salute, Cheerleader Beau, Who's Who, and junior class president. Russ plans to attend Lubbock Christian University and major in mathematics.

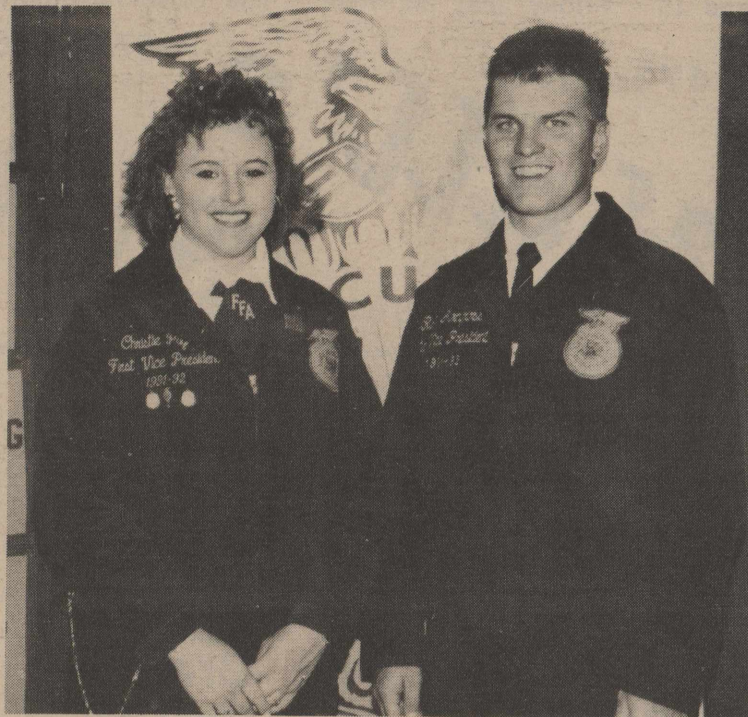

RLHS Senior Trip Remembered

By Carrie Davis & Brandy Hayes

On March 17, the Robert Lee High School Seniors embarked on a journey to a far away land. Their destination--San Antonio, Texas. Their all expense paid three day trip began at 4:30 pm on Tuesday when the bus finally arrived. The seniors entered the historical city around 9:00 pm. They stayed at the ever famous Travel Lodge Hotel, located on the historical Riverwalk, only a few blocks from the many attractions that make San Antonio such an attractive vacation destination.

The next morning, the seniors ventured to Sea World. They had a fun filled day watching Shamu and his marine animal friends. That night, the seniors cheered on the San Antonio Spurs at the Spurs vs. Kings basketball game.

They had a night of excitement as they watched their sports heroes in action. Brandy and Carrie even got autographs, but Russ didn't! Thursday, the seniors awoke early to get a head start at the mall. A day of shopping, eating, and spending money followed as the seniors looked for attractive merchandise. Before the day was through, every store in the mall knew Robert Lee was there. That night, after showing off their purchases, the seniors voyaged the short distance to the Magic Time Machine for their dining pleasure. The following day, the seniors returned home, but not before stopping at Fredericksburg for lunch and last minute shopping. The seniors arrived in Robert Lee around 5:00 Friday evening knowing that they had just been on a trip they would remember forever.

Pictured is Christie Payne, 1991-92 Chapter President and Area 1st Vice President. With Area II State Officer Royce Gernsgross.

Rasco, Gibbs retire

by the Class of 1992

After many years of hard work and dedication to the Robert Lee School System, it is sad to announce that two very special people will no longer be here with us.

In 1968, Mr. Kenneth Rasco arrived here in Robert Lee. He coached basketball, taught math, P.E., and health as well as being the Student Council sponsor. Over the years he has served as class sponsor for several classes and also as head supervisor in the janitorial department until his retirement in 1990. Thank you, Coach Rasco, for 25 great years.

In 1972, Mr. Jerry Gibbs became principal of the Robert Lee High School. Since then, he has worked very hard to help make this school a success. In 1988 after the retirement of Superintendent Jimmy

Bickley, Mr. Gibbs was promoted to that position, where he has served the last four years. While he has been superintendent, the school has purchased new buses (we can remember being left on the road by bus #1), carpet for the High School, air conditioners, and the new IBM computer lab (the machines on which this paper was produced). We would like to thank Mr. Gibbs for all the times he shared with this school.

Coach Rasco will be the Constable of Precinct 1 after retiring. Mr. Gibbs will be enjoying his retirement while traveling and hunting across the United States for a year.

"While on my trip, I will decide what to do with the rest of my life." We wish both happiness and pleasure. We will miss you.
