CCSD recovers property

More than 60 additional items have been recovered in the ongoing investigation by the Coke County Sheriff's Department into the burglaries around Oak Creek Lake and Bronte.

On May 22, 1992 the Coke County Sheriff's Department, assisted by Constable Arrott and Parks and Wildlife, served two search warrants at a residence in Bronte. The search warrants were the result of confidential information received by the Sheriff's Department concerning the burglaries last month at Oak Creek Lake and Bronte. Two suspects were arrested on suspicion of burglary. One

suspect was also filed on for possession of a suspected controlled substance.

On May 26, 1992 the Sheriff's Department received information that another residence in Bronte contained items taken from a Nolan County burglary. Peace Justice Gary Shaffer issued a search warrant for the residence and at approximately 5:30 pm Coke County Sheriff's Department served the search warrant. Several items were found inside the residence matching the description of the stolen items. The suspect was arrested on a Nolan County warrant for burglary of a building.

Storytime ends with tour

On May 13, the storytime library session, let out for the summer. What a great time all of the youngsters had getting to walk to the old jail museum and view all of the old relics. They were all particularly fascinated to see where the really bad guys were hung with a rope! The comments were priceless.

We had a small graduation ceremony for those graduating to kindergarten. Those graduating were Kayli Jo Dickey, Reuben Torres, Colling Fleming, Lindsey Roe,

Stacy Denton, and Felicia Clawson. We wish you good luck.

We sang happy birthday to all the kids that will have birthdays in the summer.

The most delectable chocolate cupcakes, decorated with diplomas to honor the graduates, and rice krispies cookies were gobbled up quite quickly.

Please watch the newspaper after summer vacation for a notice of when the storytime will start up again. Probably sometime in September. Have a good summer.

Focus on disaster plans

On May 19 at 6 pm, a group of about 60 people interested in the safety and welfare of the Robert Lee, Bronte, and Blackwell communities gathered in the county courtroom. Purpose of the meeting was to organize a county-wide Emergency Planning Committee as part of Texas Disaster Act, requested by governor Richards.

At that time, Judge Royce Lee said that further planning and information would take place in about 3 weeks. It was a foregone conclusion that every county should have an Emergency Plan in the event

of a natural disaster or accident.

An announced shelter, with food and water, for each town, communication alternatives, medical emergency planning, and escape routes all would be needed during a natural disaster such as a tornado or flood, and for an accident of great magnitude such as a fire, explosion, or plane crash. An accident involving radioactive materials could be a factor locally, also.

A handout or instruction schedule is in the planning stage and could mean the difference between organization and chaos.

Cold doesn't dampen Burger Cookout

The Robert Lee Silver Lions Club played host last Friday evening to community volunteer groups - the West Coke County EMS and the Robert Lee Fire Department. Char-broiled burgers, chips, and homemade cobbler were served to almost 50 people. Cold north winds didn't dampen the spirits of those attending, who visited and did some washer pitching following the meal.

Betty Wojtek, administrator of the Eden Nursing Home, presented a short program on Elder Alert vials. She brought 200 of the plastic tubes and will bring more if needed. They are free to the Lions Club and anyone who asks for them. According to Mrs. Wojtek, her nursing home facility is one of 17 in Texas to receive the life-saving vials. A complete medical history of a resident is enclosed in the plastic tube; it is stored in the refrigerator, and a decal with the program's name is stuck to its door. Since a refrigerator is found in every home, a patient's medical history, medications taken, next of kin, etc can be stored there. An EMS volunteer or neighbor could have this information readily available for an ambulance crew, doctor or emergency room. The vials are not only beneficial to the elderly but anyone with a medical problem.

Mrs. Wojtek was accompanied by her husband, Frankie, a Robert Lee native.

Bronte Graduating Class honored

The Bronte graduating class was honored with a supper and party Thursday evening, May 21, in the home of Donna Crumpler of Bronte. Hosting the occasion were senior parents, David and Donna Scott, Carolyn Cole, Dawn Burwick, Janel Vaughn, Gerald Parker, Kay Robbins, Angie Richards, Mr. & Mrs. Thomas Lowe, and Crumpler.

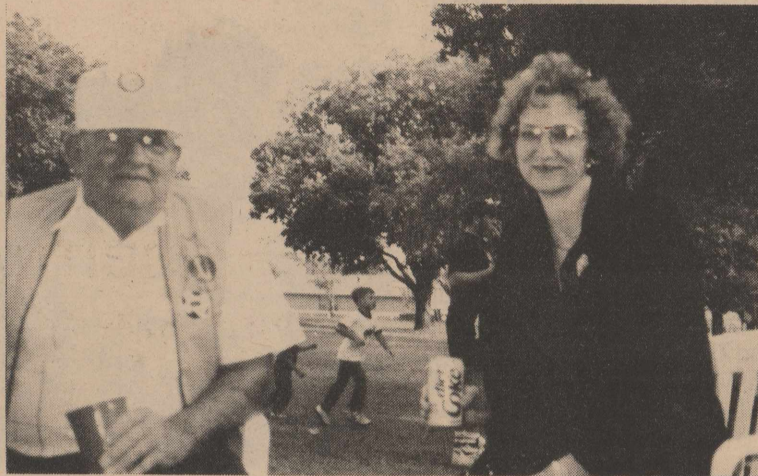

Personalized balloons decorated the home. Highlight of the party was the fun menu with catchy names for the food and eating utensils. Twenty-four items made up the menu, some of which were spoons, plates, etc. Six could be selected from the list and traded back and forth if the guest had nothing to eat with. For example, Go-Go Dancer was jello; Atomic Power was actually red beans; and Scene Stealer was ham.

Seniors who attended the supper were: Shay Burwick, Shayne Crumpler, Kristie Cooper, DeeAnn Flores, Trevor Lowe, Janet Magness, Corey Montez, Elaine Oleksiuk, Amie Parker, Alisa Richards, Luke Robbins, Sonja Salsler, Darla Scott, Tina Smith, Brandi Thomas, Tanya Kelly, and Teresa Vaughn.

Personal

Brother Garland and Linda Whitmire returned to Bronte last Saturday night after being in Denver, Colorado, since Thursday, May 21.

Linda participated in an Asthma Treatment program at National Jewish Hospital for immunology and respiratory disease.

Interim Lions Club President Joe Brazier visits with Betty Wojtek of Eden at the Burger Cook-Out last Friday for the West Coke County EMS and Robert Lee Volunteer Firemen volunteers. Mrs. Wojtek presented a short program on Elder Alert vials at the supper.

Davis attends services

Mrs. Ava Lou Davis of Robert Lee and her brother and wife, Mack and Cindy Tubb of Cisco, commemorated Memorial Day by attending the annual services at Ft. Smith National Cemetery in Ft. Smith, Arkansas.

Their brother, Frank Tubb, was killed March 15, 1945, during World War II and was buried in the national cemetery September 16, 1949. During a bombing raid on a Japanese ammunition ship, his plane, on a low pass, was hit by explosives and crashed on the coast of Formosa. Frank Tubb and two others could not be identified and were buried in the same grave at Ft. Smith after the war.

Mrs. Davis said the cemetery grounds are beautifully kept and the expanse of 8,500 markers is awesome. A

locator directory guides visitors to the grave they seek. The first recorded burial was in August, 1918, for a surgeon stationed at Ft. Smith.

Each grave was marked with a small United States flag and an avenue of over 1,000 large flags were flying to honor the war dead for the annual Memorial Day service. Volunteers, including school children, helped place the flags.

The State Commissioner of the American Legion was the speaker for the service and the impressive program also featured the Tabernacle Choir with stirring selections of religious and patriotic music.

According to Mrs. Davis, the family had not been back to the national cemetery since Frank Tubb's burial and were inspired by the trip.

The scholarship is sponsored by Santa Fe Pacific Foundation as a special project of the National FFA Foundation. Payne will use the scholarship funds to pursue a degree in Animal Science at Angelo State University.

Payne, daughter of Mr. & Mrs. Paul Payne, of Robert Lee received notice of the scholarship after a national panel judged Payne's application among the best in the nation. Judging criteria included evaluation of Payne's Supervised Agricultural Experience program in agricultural education, FFA activities, school and community involvement, high school grades and career plans. Payne's FFA advisor is Glen Heard.

This year the National FFA Scholarship Program awarded a record total of \$868,350 to 668 students. These outstanding young people were chosen from nearly 4,950 applicants. This is the ninth year scholarships have been made available through the National FFA Foundation by business and industry to reward excellence and enable students to pursue their educational goals.

FFA is a national organiza-

tion of 382,748 members in 7,744 local chapters throughout the United States, Guam and the Virgin Islands preparing for leadership and careers in the science, business and technology of agriculture. Local, state and national activities and award programs provide opportunities for students to apply knowledge and skills acquired through agricultural education. FFA members strive to develop agricultural leadership, cooperation and citizenship.

BRONTE'S BRIGHT FUTURE has been insured by businesses such as Louise's Country Designs

Louise and Dwain Walker moved to Bronte in 1974. She opened a Beauty Salon at the corner of Franklin and Oliver Streets. In February of 1988, she moved downtown to the old WTU office that had been a beauty salon since 1965. Dorothy Kiker opened a salon in the building in 1965. After operating the salon several years, she sold it to Eyvonne Lee, who opened it as The Beauty Den. Mrs. Lee sold it later to Brenda Hines and Donna Scott, who later sold it to Mrs. Walker. Louise opened the new business and provides complete Family Professional Hair Care, using the latest techniques and products on the market. Donna Scott is associated with the salon also, and they provide specialties such as haircuts, permanent waves, shampoo & sets, bleaching, and tinting. Donna and Louise say they are proud to be in the downtown area serving the people of the great community of Bronte.

Ode to the Bronte Seniors

Twas the night before Graduation in old Bronte town With Friday night on their minds those Seniors just couldn't lay down.

With Teresa in track, Shayne and Luke in basketball, the Senior class this year had just wanted it all !!!

When what to Mr. Johnson's wondering eyes should appear - But the Senior Class of '92 and a terrifying year.

With a nod to their heads this Senior class went straight to work with a state title in volleyball, girls golf and in basketball - a regional berth!!!!

For Shay, Alisa, and Darla with state golf on their minds, It was going to be hard to leave the excitement behind.

To the girls on the state volleyball champion team this year you never looked back - no other team could even get near.

And for the basketball boys even winning state could never be as sweet as beating Water Valley and Robert Lee !

With a twinkle in their eyes and a few hearty - uh-oh's the year for these Seniors is now coming to a close.

And I heard them exclaim on Graduation night "Don't worry Mr. Hartman - it will be all right!"

Beaty presents program

United Methodist Women (U.M.W.) of Robert Lee met May 12, in the Fellowship Hall to hear Alice Beaty give the last program of a study of the Gospel of John's stories of numerous people's encounters with Jesus.

The day's characters were Mary and Martha when Jesus called their brother, Lazarus from the grave; and the woman who first found the tomb empty after Jesus' resurrection, Mary Magdalene. Certainly, the lives of all those who had a personal experience with Jesus were forever changed.

The joy of the encounters for those people of the past can be felt by anyone today, but the joy is followed by "the sending." Christians are not called together only to feel his presence, but that they will make him present to others.

The action of the group was to make a donation to the Methodist missionary in Malasia whom the local congregation supports.

Hostess for the meeting was Louise Walker.

On May 27, the regular meeting on the third Wednesday was held in President Nina Brewer's home with Fay Roe serving refreshments. After a

business meeting, Louise Walker gave a meaningful program based on the well-known quotation, "A little child shall lead them."

To enforce the points she brought out, she displayed the famous painting by Hook showing Jesus with children around him. Plans were discussed to help with the local program for children in several ways. Most of U.M.W. members are grandmothers, and children have a special place in their hearts, and in their church.

Officers for next fiscal year will be: President, Fay Roe; Vice president, Mary Bessent; Secretary, Janie Naizer; Treasurer, Dianne Simpson.
