Ranch rodeo results told

The Coke County Ranch Rodeo Team recently participated in the Invitational Ranch Rodeo held in San Angelo. Without the support of Robert Lee State Bank, First National Bank of Bronte, Shaffer Funeral Home, Key Feed Store, Bob Wrinkle's Ace Hardware, J & B Lumber, Super H Grocery, Davis Grocery, The Lone Star Roper, and Ivey Motor Company, the team would not have taken part.

The Coke County Team placed sixth overall out of twenty county teams. The team consisted of Douglas Roberts-captain, Gary Baker, Kelly Baker, Brad Barnett, Sparks Burdett, Mike DeRonde, Roger Graves, Tommy Hendry, Joel Percifull, Billy Jack Roe, and Wayne McCutchen. The team competed in eight events. The team had hard luck in some events, but were only out of the top four in other events by a few seconds. However, the team did place in two of the events. Kelly Baker placed third in the Barrel Racing with a time of 20.66 seconds. She was only out of first place by 18 seconds. Mike DeRonde easily won the Bronc Riding with a score of 78 points.

The team was pleased with the results, but will not be satisfied until they win first overall. The team looks forward to the chance to participate in the competition next year.

July 4th picnic

Our next outdoor activity will be on Saturday, July 4th. Our 4th of July picnic will feature Billy Newman on the keyboard. We are planning to start a little later than in June, so it shouldn't be quite so warm for the dancers. Join us on the West Wing patio at 6:00 for ice cold lemonade and visiting, a picnic of sandwiches, chips and deviled eggs at about 6:30, and music by Billy Newman at 7:15. The terrific auxiliary will be serving ice cream with different toppings for dessert.

Hobo night

Hobo nite was our first outdoor fling of the summer, and everyone must have been looking forward to this, because we did have a crowd! Forty-six residents were joined by forty family members, friends, volunteers and staff for a fun evening.

We all gathered in the shade of the pecan trees for our supper of hobo stew, lemonade, and watermelon. Then we all kicked back and listened to some really good music and singing by Kyle Long, Matt Wilson, and Michael Wilson playing from the hobo hut.

I have to apologize to the band. Tommy and Roy thought it was a little warm dancing on the patio, but they should have checked out the temperature in the hobo hut. In my effort to make the hut give the band some shade, I also cut off all the breeze. Those guys were sweating blood up there.

Thanks to the band for performing while in the middle of a heat stroke, to the family, friends, volunteers and staff who provided the stew, helped get everyone out, serve and fed and back in, to the auxiliary and Butch Davis for the watermelon. And a special thanks to Chris Popish who came in from San Angelo on his day off and was such a big help.

We all had a great time and everyone's already asking when the next one will be.

Coffee and news

We've had a couple of treats at coffee break lately. Virginia Milliff brought us homemade cookies, and Sayde Chumley shared her birthday cakes with us. For those of you that don't drink coffee, we usually have juice, and we always have news. We read the Observer/Enterprise and sometimes the newsletter.

BJH Cheerleaders receive award

The Bronte Junior High cheerleaders recently returned from a National Cheerleaders Association summer camp workshop where they received the NCA "Spirit Award". The workshop was held at San Angelo Metro and attracted over twenty cheerleaders from surrounding states.

The National Cheerleaders Association is sponsoring the "Spirit Award" at each of over 500 NCA workshops held across the United States. The Bronte cheerleaders were selected for the above all other cheerleaders at the workshop on the basis of their overall squad unity, friendliness, cooperation, leadership, and sportsmanship. This award was voted on by all participants at the NCA camp.

The presentation of the NCA "Spirit Award" came at the completion of a full workshop of training on cheerleading technique, cheers, chants, jumps, partner stunts, and pyramids, as well as a leadership program for sportsmanship, crowd participation, responsibilities, organization, and dedication. The National Cheerleaders Association has been conducting summer workshops for over 40 years, teaching over 125,000 students each year on the art of cheerleading.

Bronte Junior High cheerleaders have recently returned from National Cheerleaders summer camp. Cheerleaders for the 1992-93 school year are: Leia Brunson, Miranda Scott, (bottom row) Shelly Sims, Courtney Arrott & Kim Hall, head cheerleader, (top row) Olivia Guzman, not pictured.

A mechanical clothes washing machine was invented about 1860 by Hamilton E. Smith of Philadelphia. A crank on the machine turned paddles inside which pushed the laundry through the water.

HEALTH NOTES

Citrus Cigarettes?

Various methods have been tried to help people kick the smoking habit, but an alternative now being tested at Duke University Medical Center's Division of Biological Psychology may offer satisfaction without nicotine and without actually lighting up.

Dr. Jed Rose, the primary inventor of the nicotine skin patch, has developed a cigarette substitute that uses puffs of citric acid to replicate the sensations of nicotine smoke on the tongue and airways, as well as gives smokers something to hold.

The cigarette substitute, made from lemons, allows the user to draw a puff of very fine citric acid powder. Dr. Rose says the puff of citric acid is mildly irritating to the throat - as is nicotine smoke - effectively fooling the sensory system. He says current tests with smokers combine the citric acid cigarette substitute with the nicotine skin patch to help conquer the sensory and biological addictions to nicotine.

ISE seeking host families

Want to know more about the world and its people, but haven't the time or funds to travel? Try bringing a bit of the world to you. Invite an exchange student to share your home and become a part of your family.

Families who have participated in an exchange program have reported a new appreciation for other cultures and a great satisfaction in opening their home and hearts to an international visitor. Family members not only learn of another country, but

become better acquainted with their own sense of nationalism, history and traditions. Participants have said, "It is the most wonderful learning opportunity I could give my family."

International student exchange, Inc., (ISE), is presently seeking host families for students from seven-

teen different countries. Students between the ages of 15 and 18 are carefully screened by ISE for suitability. They bring their own spending money and are covered by health insurance.

While living with you, a student attends the local high school and is expected to bear his or her share of household responsibilities. The length of stay can range from three months to a full year, depending on your wishes. An ISE representative will help you select a student from numerous student applications which include family photos and biographical essays.

For more information on being an ISE host family, or on sending a son or daughter abroad, phone ISE's Regional Office nearest you.

Schooley Reunion held

June 27, 1992, for the 47th consecutive year, the family of the late Frank and Rufinia Schooley, met in the old Voca High School building, now a community center, for a reunion. Pearl Ditmore is the last of the older generation, her husband was Charles Schooley. Lots of good food, visiting, picture taking and games were enjoyed by the group. Attending from Robert Lee were Irma Casey, Add and Barbara Davis. Barbara's daughter Pam Hoover and children, Jarrod and Emily, of Kendalia, joined them there.

Add and Barbara went on to Kingsland and visited his sister and husband, Jack and lone Raymond, on returning they picked Irma up in Brady where she was visiting her cousins, Marie Crane Edwin and Romel Schooley.

Sunday the group from Brady attended church in Voca, Irma had not attended church there since a young girl.

Mrs. David Hoover, Jarrod and Emily, Kendalia and Mrs. Mike Ward, Jeanna and Kacy, Cleburne, spent the weekend of June 13th, in the house of Add and Barbara Davis. The group was joined on Saturday evening, for a fish fry, by Javan and Mossy Vosburg, Irma Casey, Bill and Dwala Casey of Robert Lee, Grady and Dian Coulter, Oak Creek Lake, Rocky and Phebe Heffernan, of Bronte. Jarrod and Emily remained with grandparents for a week and their mother came by for them on her way back home from Little Rock, Arkansas. She joined her husband there to look for a place to move. David is working for Molex Company there.
