Haskell County History

20 Years Ago—Jan. 21, 1937 Hon. Harry Hines of Wichita Falls will be the speaker at the annual Haskell Chamber of Commerce Banquet. Date for the affair has been set as Feb. 26.

W. T. Shepherd, area engineer for the WPA, said this week that the contract on the Municipal Park here would be finished by Jan. 25. The work being done has transformed the park area into one of the beauty spots of this section.

Europe's recent "war scare," although thousands of miles away, has brought additional money to Haskell farmers who have been selling junk and scrap which has accumulated on farms. Last week local buyers paid out more than \$2,000 for scrap iron. It is understood all of the scrap is going to export markets.

In a deal closed last week, Mr. and Mrs. A. M. Woodruff of Rule purchased the large two-story residence of Mrs. R. J. Earnest, located just east of the Norton House.

Mr. and Mrs. Oscar Oates are in Dallas this week. Mr. and Mrs. W. E. Welsh and daughter, Miss Ruth, and Mrs. Barton Welsh left Tuesday for Temple and Houston where they will spend a week with relatives and friends.

A meeting of farmers was held at Midway last week, where plans were discussed for organizing a co-op to secure electric service for that section.

Michael Watson, who has been connected with the Resettlement Administration at Wichita Falls as assistant supervisor for Wichita, Wilbarger and Clay Counties, has been transferred to the district office here.

John Oates, Jr., of Dallas is here visiting relatives and friends. Clarence Lewellen, well known farmer of the Roberts community, who has been ill for some time, is in Chicago where he is taking treatment from specialists.

50 Year Ago—Jan. 20, 1927 All members of the sheriff's department began work Monday "rounding up" all automobile owners who had not registered

their cars for 1927. Saturday, Jan. 15 was the last day to register without a penalty. Tax Collector Chas. M. Conner reports that 1816 license plates have been issued this year to date, compared with 1995 last year.

Mrs. L. H. LaDuke of O'Brien fell from a feed stack while hunting for eggs Tuesday, and broke both bones of her left leg and fractured her left ankle. Although the injuries are very painful, she is making speedy recovery.

Mr. and Mrs. G. F. Atchison left this week for Corpus Christi, where they will spend the remainder of the winter.

Louis Hamilton of this city recently purchased a Fordson tractor and is using the new equipment this week in sowing grain on his farm near Gauntt.

Mr. and Mrs. George Cannon of San Antonio are here for a visit with her parents, Mr. and Mrs. H. S. Post.

Mrs. J. E. Grissom and children of Abilene spent last week here with Mr. and Mrs. C. D. Grissom while her husband was in the northern markets.

Every hardware firm in Haskell was represented this week at the state hardware convention in Dallas. Attending were F. M. Smith of McNeill & Smith, Wallace Cox of Jones Cox & Co., and N. I. McCollum of McCollum & Couch hardware company.

Jay Cox of the Howard community has purchased a new Ford Tudor sedan. He went to Strawn after his new car last week.

The following guests from Merke, spent the weekend with Mr. and Mrs. Courtney Hunt: Mr. and Mrs. R. O. Anderson and daughter Frances; Mr. and Mrs. Elington Britton and Mrs. Claud Comegys and son Bill.

Mrs. B. M. Whiteker is the new president of the North Ward Parent Teacher Association.

50 Year Ago—Jan. 19, 1907

J. L. Pigg, who lives east of town, is probably Haskell's champion turnip grower. He has marketed a quantity of large, high quality turnips here during the past 10 days. Yesterday he exhibited some of the largest we have even seen, weighing four to four and one-half pounds each.

T. E. Bowman sold this week to H. L. Sherrill of Temple a farm of 135 acres nine miles northwest of Haskell for \$2,800 cash. Mr. Sherrill also purchased the Chatwell farm in the same neighborhood about 10 days ago for \$4,000.

The water works at Weinert, the new town on the Wichita Valley, was burned a few days ago. The fire was caused by an explosion of gasoline. We are informed that new machinery will be put in at once.

J. F. Jeter, who lives southwest of town, sold several bales of cotton in town Monday.

J. W. Mason of Williamson County has purchased a farm near Rule. The consideration was reported at \$50 per acre.

J. W. Bell has the framework up for a large implement house on the southeast side.

W. S. Fouts and J. E. Cloud made a drive with their greyhounds and caught a large wolf Monday.

C. D. Grissom, W. W. Kitley

and Walter Tharp went out bird hunting the other day and killed 101 quail.

R. P. Williams of the Pinkerton community has purchased the Bon Ton restaurant on the east side of the square and has moved to Haskell.

T. E. Ballard, W. T. Hudson and J. L. Baldwin each shipped two cars of beef cattle to Fort Worth Monday.

Mrs. E. L. Frost and son Wyatt are visiting friends in Haskell. They formerly lived here until moving to Mineral Wells.

L. D. Morgan returned this week from Emma, and says he is moving back to Haskell.

Letters to the Editor

Rule Man Terms Hospital's Demand "Cold Blooded"

Editor, Free Press: While awaiting the Hospital Board's decision as to whether the old pensioners and others financially disabled are the same folks as other people, it would be well to look into the admittance fees as published:

- 1. O. B. cases, \$50.00. 2. Medical cases, \$50.00. 3. Minor surgery, \$75.00. 4. Major surgery, \$100.00.

In O. B. cases with normal delivery the patient leaves the hospital in a few days. Negroes and Mexicans are usually out the next day. The \$50.00 admittance fee for this type of service is a little steep without exacting more when they leave the hospital.

In the case of minor surgery, this classification would come from simple fractures of the toes, arms, and ribs, cases that would not require a day's hospitalization. Lacerations would also come under this category. Again \$75.00 would be a little steep.

Admittance fees for medical cases and major surgery might be right if the patient was allowed credit for this amount in the final settlement. Remember, there will be a doctor's bill in these cases. The Hospital is not supposed to practice medicine, and the doctors usually expect something for their work.

This ridiculous and cold-blooded demand by the Hospital Board is a disgrace to Haskell County. M. W. Rogers, M. D. Rule, Texas.

ANNOUNCING

The Highway Drive-In is now under the management of George Yancey.

Our hours of operation will be from 6 a. m. to 10 p. m. daily.

We invite all our friends and the general public to visit us for delicious foods and courteous service.

THE HIGHWAY DRIVE-IN

Why Make New Year's Resolutions?

Since my early youth the importance of making fitting New Year's Resolutions has been of much interest to me. Apparently there is only one count against declaring good, constructive, character-building New Year's Resolutions.

i. e. They should be a part of our daily life instead of an annual custom.

After many years of disappointments in efforts to phrase my resolutions to best serve my purpose, and after talking with others who were having the same discouragements, and finding that some of them were only Resolving "That they would resolve no more." I was still mindful that there could be no progress without RESOLVE.

Nothing worthwhile comes to us without purpose and effort.

"THERE MUST BE RESOLUTIONS"

Reflecting on all my resolutions of past years, and in talking with "the man on the street", reading between the lines, and listening to the undertone, I found one purpose PRE-EMINENT.

i. e. FIND GREATER HAPPINESS FOR MYSELF.

This has been my continuous resolution for many years. A resolution that needs no amendment. The rewards have been sufficient. Yet I feel very much in need of your counsel for the best way of accomplishing this coveted desire through nineteen fifty-seven.

I hope to discuss this with you from time to time.

For today I am asking that you commit to memory and appropriate to your own use and benefit. 1 Kings 2:2. "I go the way of all the earth; be thou strong therefore, and shew thyself a man."

J. M. Crawford

Sagerton News

By MRS. DELBERT LEFEVRE

Mrs. Fred Spitzer honored her husband with a birthday dinner in their home Sunday, Jan. 13. He was 78 on Monday, Jan. 14. Guests were Mr. and Mrs. W. G. Wienke of Old Glory, Mr. and Mrs. Gerhardt Spitzer, Weldon and Kenneth of Old Glory, Mr. and Mrs. Bobby Spitzer, Vicki and Tommy of Abernathy, Mr. and Mrs. Martin Rueffer, Dorothy, Martin and Dennis of Haskell, Mr. and Mrs. Johnny Spitzer and Gary of Sagerton, and Mr. and Mrs. Louis Spitzer of Old Glory.

Mr. and Mrs. Mose Guinn visited in Hobbs, N. M., last weekend with Mr. and Mrs. Fred Morgan and son, and their son, Johnny Guinn.

Mrs. J. C. Spitzer entertained with a birthday party for her son Gary, Thursday afternoon, Jan. 10, after school on his 6th birthday. His birthday cake was decorated with miniature baseball players.

Guests included Mike Summers, Sammy Bell, Douglas and Kathy Corneson, Phyllis Kaye Stanhope, Yvonne Ross, David Sellers, Martha Kay and Richard Letz, Ray Clark and Ken LeFevre.

Kitley and sons, and Jack Kitley, all of Rule; Mr. and Mrs. Reece Clark, Mr. and Mrs. Joe Clark and family, Mr. and Mrs. M. Y. Benton and Mrs. John Clark.

The members of the Zion Lutheran Church held a going away party for their pastor, the Rev. and Mrs. Zucker, who are moving to their new home in Shreveport, La., this week. The party was held in the parish hall Sunday evening, Jan. 13, and a large crowd attended.

After Rev. Zucker leaves, both Lutheran churches in Sagerton will be without pastors, since the pastor of St. Paul's, Rev. Wendel, moved to Sweetwater last fall. The pastor of the Trinity Lutheran Church in Haskell, Rev. Berry, conducts services at St. Paul's early every Sunday morning and the pastor of the Lutheran church in Albany will conduct services at the Zion Lutheran church every Sunday, beginning next Sunday at 8:15 p. m.

The 1957 officers of the Sons of Herman Lodge will be installed at the Lodge Hall in Old Glory next Sunday afternoon at 2 p. m. Officers will be present from lodges in Haskell, Rhine-land, Roscoe, Hermleigh and Wilson, besides the local members. The guest speaker will be a lodge representative from San Antonio.

News from Rule

By FAYE DUNNAN

Pvt. Charles R. Sorrells U. S. 54173064 USATC AAA 13th B. M. of Rule entered training Sept. 18, 1956. He has completed his basic training and is now attending Military School where he is studying to be a supply clerk. He is the son of Mrs. W. E. Sorrells of Rule.

The Rule Chapter of Future Farmers of America selected Barbara Carnes as their Beauty for the year. She is a senior and received the honor of winning the Annual Queen in December.

The Future Homemakers of America selected David Springs, Junior Class president, as their Best for the year.

Many out-of-town friends and relatives attended the last rites for Ferber Chambers on Jan. 7. They were from Haskell, Stamford, Weinert, O'Brien, Abilene, Gatesville, Jacksboro, Amarillo, Happy, Brownfield, Lubbock, El Mott, Midland, Guymon, Okla., McGregor, Rising Star, Wichita Falls, Goree, Austin and Graham.

A 1c Charles W. Hines, home station Harlingen Air Force Base, will be stationed at Sheppard Field in Wichita Falls for a short period of special training. He is the son of Mr. and Mrs. H. A. Hines of Rule and a 1949 graduate of Rule High School.

Mr. and Mrs. Bill Holy of Rule are the proud parents of a future football star, Kimmy Ray. He made his appearance at the Stamford Hospital on Jan. 9 and weighed 6 pounds, 3 ounces.

Mr. and Mrs. W. F. Malone of Fort Worth visited friends and relatives in Rule last week.

Mr. and Mrs. Will Hines have returned from a two weeks visit in California where they visited their son, Marvin, his wife and family.

Mrs. Dave Hunt has returned from a visit in Canyon with her daughter, Dr. and Mrs. W. J. Wooten and son, in Canyon.

A 2c John H. Denison is visiting his mother, Mrs. Wayne Denison, Henry is stationed at the Air Force Base in Newburger, N. Y.

Mr. and Mrs. O. G. Lewis and Linda visited in Lubbock last weekend and returned Linda to West Texas State in Canyon where she will resume her college studies.

Mrs. Raymond Saffel attended the funeral of her cousin, Ed Reeves, in Dallas last week.

The Methodist Wesleyan Service Guild met in the home of Mrs. H. H. Hines last Tuesday night. Mrs. H. A. Hines gave the devotional and Mrs. Duke Jeter gave the Bible Study on Paul's Letters. Eleven were present.

Plans were made for the District Meeting to be held in Rule on Feb. 17.

Connor Horton, Joe B. Cloud, J. C. Lewis and L. W. Jones, Jr., have returned from Austin where they attended the State Administrators meeting.

Players on the Junior football team are sporting their new football sweaters. They are grey with blue letters. Twenty-nine boys received jackets this year.

Our basketball teams played two nights last week. Paint Creek came over Tuesday night and Old Glory on Friday night. We were losers in all matches, but our teams were in there working.

Jackie Whorton, son of Mr. and Mrs. E. B. Whorton, had the misfortune of getting thrown from his motor scooter last Saturday and breaking his wrist. Wrong wrist to get out of exams though!

Mr. and Mrs. Mordant McCKinney and Mr. and Mrs. C. O. Davis have been in Austin this week for the inauguration of the Governor.

Mr. and Mrs. H. L. Griffin of Shalower visited with the L. T. Malones in Rule this weekend. Mr. and Mrs. H. V. Brown and family visited with her mother, Mrs. F. E. Hines and sister, Ruth Hines this weekend.

Mr. and Mrs. Ben Kitley visited Mr. and Mrs. Jimmy Kitley

Memetos of 1957 Inaugural to Be Distributed

WASHINGTON, D. C.—The 1957 Official Inaugural Program—one of the most distinctive in history—and the most memorable Official Inaugural Medal will be distributed throughout the nation announces the Inaugural Committee 1957.

This is the first time in history that memetos have been made available to the general public outside the metropolitan Washington, D. C., area.

Except for the swearing-in ceremony at the Capitol, the entire Inaugural funds are raised by the sale of program for the Inaugural Committee. Sale of the two official souvenirs is an important source of funds for the Inauguration expenses.

Norman Rockwell, one of America's great artists, executed the portrait of President Eisenhower and Vice President Nixon for the front cover of the official program. The President's 1953 Inauguration Prayer is engraved on the back cover. Both covers are highly suitable for framing. The handsomely designed brochure contains biographical sketches, historical information, photo review sections and other features on Inaugural activities.

The distinctive Inaugural Medal was designed by Walker Hancock, American sculptor who designed the 1953 medal. The likeness of the President and Vice President are featured on the 1957 medal—the first since 1909 when the likeness of President Taft and Vice President Sherman appeared on the medal. Medals in both bronze and silver are available for sale to the general public.

Orders for these historic keepsakes of the 43rd Inauguration should be sent direct to 1957 Inaugural Committee, Washington, D. C. Official programs are \$1.10, postage included. Bronze medals cost \$3.50 and silver medals are \$27.50; postage included. Money order, check or cash should be enclosed with orders for the Official Program and Official Medals.

Nabam-19 Fails to Cut Incidence of Cotton Root Rot

Weslaco—During the past 2 or 3 years, unconfirmed reports circulated in the Lower Rio Grande Valley that cotton root rot has been controlled and yields of cotton substantially increased by the use of a fungicide, Nabam-19 in irrigation water.

In recent field trial at the Weslaco Substation No. 15, Nabam-19 applied in irrigation water failed to reduce the incidence of cotton root rot or materially increase cotton yields when 2, 3, and 4 gallons per acre were used in each of four irrigations. Vapam, another fungicide, applied at 100 pounds per acre prior to plantings was also ineffective as a cotton root rot control measure.

Root rot spots of wilting and dead plants occurred as frequently in treated test plots as in untreated plots and spread equally from one plot to another, regardless of treatment. Three other field trials receiving a single application of 4 gallons of Nabam-19 per acre and one which received 3 gallons per acre in 2 applications did not reduce root rot loss.

Step into the wonderful world of AUTODYNAMICS
It breaks through the vibration barrier!
 Right off the bat, you'll realize there's something entirely different about driving the new Swept-Wing Dodge. You know it's the slickest piece of live action you've ever driven. The most responsive and easiest handling, too.
 But the thing that really hits you is the silence! Why, all the irritating noises, all the annoying road sounds common to automobiles have vanished!
 For Autodynamics has introduced a revolutionary new suspension system—Dodge Torsion-Aire—that cushions you in a "Realm of Silence." Thick cushions of "live rubber" isolate engine vibration, noise and road shock at its source.
 Actually, everything is new in the Swept-Wing Dodge—from new race car torsion bars to new Push-Button TorqueFlite, from new 310 hp. V-8 engine to new Total-Contact Brakes.
 This is Autodynamics in action... yours in the most exciting car that's ever come up the pike. See and drive the Swept-Wing Dodge today!

Deborah Class of First Baptist Meets Jan. 14

The Deborah Class of the First Baptist Church met in the home of Mrs. A. C. Pierson Jan. 14 for a business meeting and social.

WTU Woman's Club Meets in Home of Mrs. C. O. Holt

WTU Woman's Club met Jan. 10 in the home of Mrs. C. O. Holt and wove baskets.

Weinert Study Club Plans Projects for Year

Weinert Study Club met in the Community Center for a regular meeting Jan. 8. The program, "Family Responsibility Toward Our Older Citizens," was directed by Mrs. W. B. Guess.

Wa-Han-Ka Camp Fire Girls Meet With Mrs. Hodge

The Wa-Han-Ka Camp Fire Girls met in the home of Mrs. Harold Hodge on Friday, Jan. 11.

Plans were presented to the Club for a city park and children's play ground which is the club's projects for the year.

Four Local Women Invited to Belton Forum on Water

Four women from Haskell are among the more than a thousand invited to attend the Texas Women's Forum on Water at Mary Hardin-Baylor college in Belton Feb. 9.

Hostesses for the meeting were Mrs. R. J. Rainey and Mrs. R. L. Edwards.

Jo Iva Johnson, Thomas E. Long, To Wed Jan. 27

Mr. and Mrs. R. I. Johnson of Haskell are announcing the engagement and approaching marriage of their daughter, Jo Iva, to Thomas Eugene Long, son of Mr. and Mrs. B. E. Long of Kermit.

Hospital Notes

The following persons were admitted to Haskell County Hospital this week: Mrs. Bud Harris, Haskell, medical.

86-Year-Old Chico Resident Dies in Haskell Hospital

Mrs. Sarah Jane Fletcher of Chico, Texas, died at 2:15 a. m. Monday in the Haskell Hospital after an illness of several days with pneumonia.

She was born Oct. 30, 1870, in Harrison County, Ark. She was married to Willie C. Wilson in June, 1896. After his death, her second marriage was to Luther A. Fletcher, in 1902.

The following persons were dismissed from Haskell County Hospital this week: Barbara Brewer, Rochester; Mrs. Jack Pippin and infant son, Haskell; Lenore Dumas, Old Glory; Mrs. D. D. Johnson, Haskell; Mrs. J. R. Chenault and infant daughter, Stamford; Frank Oman, Weinert; Lahoma Dickson, Anson; Mrs. C. D. Pennington, Haskell; Scott White, Rule; Gary Harlan, Goree; Joe Greer, Haskell; Mrs. Ryce Adkins, Haskell; Mrs. Jack Williams, Rule; John Winters, Haskell; Mrs. J. M. Sloan, Haskell; Mrs. Annie Stuller, Weinert; Mrs. J. R. Lawton, Rule; Michael Smith, Rottan; Mrs. Eula Parker, Rochester; P. R. Solomon, Rule; Robert Turner, Rule; Mrs. B. C. Cooper, Haskell; Mary Ann Anders, Rule; Mrs. Rudy Garza and infant son, Rule; Virginia Roberts, Haskell.

Legion to Sponsor Benefit Dance for March of Dimes

A March of Dimes benefit dance, with all net proceeds going to the 1937 Dimes campaign, will be given at the American Legion hall on Thursday evening, Jan. 31.

In announcing the annual event, sponsors said that a popular dance band would provide music for the dance and the affair will be open to the general public.

Every eye has a tiny blind spot where the optic nerve enters the retina, according to the Better Vision Institute.

Scout Executive to Attend Cub Pack Meeting Here

Kenneth Lafferty, District Scout Executive of Stamford, will be at the Cub Scout Pack meeting on Monday night, January 21 at 7:30 o'clock in the Elementary Auditorium.

ferty will be glad to answer questions about Cub Scouting. Parents are invited to attend their boys.

The dollar in your pocket now will help make it possible for him to walk without braces. And more: It will help train the hands and minds of many professional experts, all desperately needed... it will help finance search to perfect the vaccine. Today, there is less polio, but: Tens of thousands born too soon for the vaccine still in your help.

Sorghum Hybrids Available For Planting in '57

Seven grain sorghum hybrids, developed cooperatively by the Texas Agricultural Experiment Station and the U. S. Department of Agriculture, will be available to farmers for planting in 1957. These hybrids are the result of research work which began in 1927 and are the first practical hybrids to be released from these studies.

The seven hybrids, RB 800, Texas 601, RB 610, Texas 611, Texas 620, RB 650 and Texas 660, are the best of several hundred produced and tested during the past 30 years at the Lubbock and Chillicothe stations. Tests were conducted last year throughout Texas and all have thus been grown under limited field demonstrations. The plant breeders for the Texas station say still better hybrids with improved adaption to various growing conditions can be expected in the near future.

Farmers are advised to plant one or more of the hybrids adapted to their areas and to make comparisons with standard varieties. Further, it is suggested that only certified hybrid seed be planted as insurance that seed planted are correctly labeled.

Planting seed of these seven hybrids are white, but the grain produced will be red. In general, the higher the hybrid number, the later its maturity, but none is as late as Plainsman. Yields 20 to 40 per cent greater than varieties of the same maturity under most conditions can be expected. The plants show superior seedling vigor, rapid growth and uniform height and maturity. Since the hybrids have larger heads and are often slightly taller than the varieties, occasionally more lodging may occur in the hybrids. Cultural practices for the sorghum hybrids are the same as recommended for sorghum varieties.

Detailed information on each of the seven hybrids is given in L-310, Grain Sorghum Hybrids. It is available from the Agricultural Information Office, College Station, Texas.

Three or more bedrooms are the usual thing in the majority of homes now being built in the United States.

HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

By VERN SANFORD
 Texas Press Association

AUSTIN, Texas—Texas' 55th Legislature is down to business with a "first things first" agenda. House member agreed to Speaker Waggoner Carr's plea to give top priority to appropriations. A \$2,000,000,000 appropriation bill is proposed by the Legislative Budget Board. It would require no new taxes. But it does not include such strongly-backed items as the teacher pay raises.

Members of the House appropriations Committee, headed by Rep. Max Smith of San Marcos, already have begun their dollar-by-dollar deliberations. Said Speaker Carr, as they began, "You are the key to the whole session."

A host of other controversial problems will be pushing for attention. Among them:

1. Long-range, statewide water conservation. Sen. George Parkhouse of Dallas, chairman of the Water Resources Committee, is asking for prompt action. Sixteen bills, two constitutional amendments were presented by the committee.
2. School integration. Rep. Joe Chapman of Sulphur Springs circulated a Texas Manifesto which pledged signers to support legislation to help preserve school segregation.
3. Election code revisions. Rep. Joe Pool of Dallas proposes a law requiring a run-off between top candidates in special elections for U. S. senator and congressman-at-large. He wants it passed on an emergency basis to apply to the upcoming race for Price Daniel's place. Republicans are protesting vigorously.
4. Lobby control and legislative ethics. Rep. Zeke Zbrank of Dallas says he will introduce a bill requiring lobbyists to file monthly financial reports.

Key post assigned—Though new faces abound—56 in the House, seven in the Senate—honors, as usual, went to old hands.

Sen. Ollie E. Lock of Lufkin, veteran of nearly 20 years in the Legislature, was elected Senate president pro tempore. It is the top Senate honor, second in line to the governorship.

House Speaker Waggoner Carr of Lubbock is a fourth-termer.

Rep. Max C. Smith of San Marcos, now in his seventh term, drew the important House appropriations committee chairmanship. Other key chairmen in the House are Frates S. Seeligson of San Antonio, revenue and taxation; W. S. (Bill) Healy of Paducah, state affairs.

Other returning lawmakers hold remaining House chairmanships. They are: aeronautics, Vernon J. Stewart of Wichita Falls; agriculture, Harold B. Parish of Taft; banking, Thomas R. Joseph of Waco; claims and accounts, W. A. Stroman of San Angelo; commerce and manufacturers, W. W. Glass of Jacksonville; common carriers, J. B. Walling of Wichita Falls; comptroller's accounts, Louis H. Anderson of Midland; congressional and legislative districts, Malcolm McGregor of El Paso; conservation and reclamation, Leroy Saul of Kress; constitutional amendments, Jack Welch of Marlin; contingent expense, Louis Dugas of Orange.

Also: counties, Merton J. Murray of Harlingen; criminal justice, J. E. Wintfree of Houston; education, James A. Turman of Gobler; "engrossed" bills, Herman Yeak of Brenham; enrolled bills, Walter C. Schwartz of Brenham; federal relations, Eligio de la Garza of Mission; game and fish, Cecil Storey of Lewisville; highways, Jim Moore of Fort Worth; hospitals and special schools, Moyné L. Kelly of Atton; insurance, Marshall O. Bell of San Antonio; interstate commerce, Ernest Latimer of Abilene; judiciary, Wade F. Spilman; judicial, Richard C. White of El Paso.

Also: labor, Scott McDonald of Fort Worth; liquor regulation, DeWitt Hale of Corpus Christi; livestock, A. J. Bishop, Jr. of Winters; local uncontested bills, Robert W. Baker of Houston; military veterans, Paul Brashear of Cisco; motor traffic, Joe Pool of Dallas; municipal and private corporations, R. L. Strickland of San Antonio; oil, gas and mining, Richard C. Slack of Pecos; penitentiaries, Warren C. Cowen of Fort Worth; elections, Carlton Moore of Houston; public health, J. Edgar Wilson of Amarillo; public lands and buildings, Bob Wheeler of Tilden; public printing, Charlie Hotman Jr. of Nacogdoches; representation before legislature, Reagan R. Huffman of Marshall; rules, R. H. Cory of Victoria; school districts, Alonzo Jamison of Denton.

New Era—Secretaries will be heard, but not seen, this session. This and a number of other innovations are being tried out by the 55th Legislators.

Formerly, the lawmakers' secretaries usually including many University coeds, were on and off the floor all during sessions. House members' secretaries had no desks of their own.

Now the house secretaries have basement offices. Their employers have new private telephones to call their secretaries, other lawmakers' desks and outside.

But banished secretaries can console themselves with pay raises—up from \$9 to \$10 a day in the House, from \$13 to \$14 in the Senate. Both are paid seven days a week.

Even so, many observers deplored the passing of the senatorial "beauty parade."

House members also voted to permit radio and television broadcasting of their sessions.

The Clark of Dallas combines a slim linen sheath with a flowing cotton tweed jacket to make a smart spring costume. The jacket is sleeveless and matches the dress color of either pink, mist or bitter-sweet. Sizes 8-18. About \$40.00.

Rule Girl Selected For Betty Crocker Homemaker Title

By FAYE DUNNAM

The Betty Crocker Homemaker of Tomorrow in Rule High School is Lynnell Fouts.

She received the highest score in a written examination on homemaking knowledge and attitudes, administered Dec. 4, to Senior girls in the graduating class. Her examination paper will be entered in competition to name this state's candidate for the title of All-American Homemaker of Tomorrow and will also be considered for the runnerup award pin designed by Trifari of New York.

General Mills is sponsor of the program designed to assist schools in education for home and family living and to emphasize through a sound scholarship award program the personal qualities and sense of values necessary to successful homemaking. A total of \$106,000 in scholarships will be awarded.

Lynnell is the daughter of Mr. and Mrs. A. E. Fouts of Rule.

Deficient Flow Reported in Texas Streams During Month of December

December began with a period of low streamflow throughout the state, reports the Board of Water Engineers at Austin, in a monthly review of water conditions.

Moderate rises in streams in the eastern two-thirds of Texas occurred after general soaking rains in mid-December. These flows returned by the end of the month to another period of deficient flow. Heaviest runoff occurred in the coastal plain from Corpus Christi eastward. Streams in the interior carried only small volumes of runoff. The flow of Comal Springs at New Braunfels showed an increase of about 15 cubic feet a second during the month to average about 30 cfs daily or approaching 10 per cent of the longtime average.

Total storage in major reservoirs increased 2 per cent from 43 per cent of the potential conservation capacity to stand at about 45 per cent of capacity.

Lake Stamford on Paint Creek held 14,600 acre feet of water at the end of December, 1956, or 26 per cent of conservation capacity. This compared with 29,000 acre feet (51 per cent) in December, 1955.

Proposed Bill Would Reduce Car Insurance Rates

Austin—A bill that would permit companies to charge lower automobile insurance rates has been introduced in the Texas Legislature by Senator Jarrard Secret of Bell County (Temple).

This would be possible when, as the legislation proposes, a flexible rating system is substituted for the present antiquated single or uniform rating system for determining rates for surety and casualty (including automobile insurance).

"Many insurance companies now are in position to charge lower rates for insurance, but are not permitted to do so because the State Board of Insurance Commissioners under the present law name the same rate for all companies," the senator explained.

Other advantages of the proposed law were listed as:

1. A buyer of casualty and automobile insurance can shop around to find the lowest rates and best coverage—something he cannot do under the present law because all companies must charge the same rate.
2. The careful driver is penalized under the present rating system. Rates are determined by the State Board of Insurance Commissioners on an average basis. Thus, the careful driver pays the same rate as the careless driver. This would not be true under the flexible system.
3. The present system is nothing more than "fair trade" applied to the insurance business, with the State fixing the prices.
4. The State is losing nearly \$6,000,000 in taxes each year now because much insurance business that should go to companies authorized to operate in Texas is going to "non-admitted" companies that pay no State taxes.

Rattlesnakes cannot hear, so you needn't be quiet around them—just get away as fast as you can.

Value of Nation's Farm Crops Shows Gain in 1956

The Agriculture Department at Washington said this week that the 1956 farm crops had a total value of \$18,973,732,000, a slight gain from the \$18,575,494,000 at which 1955 crops were valued.

These figures did not include the value of livestock and livestock products.

Corn held its traditional spot as the top money crop. It was valued at \$4,571,274,000 this year, compared with \$4,360,633,000 for 1955.

Cotton, including cottonseed, was second with value of \$3,444,063,000 compared with \$2,648,293,000 last year. Hay was third at \$2,302,100,000 compared with \$2,342,200,000 last year.

In determining the value of a crop, the department multiplies the production by the estimated average price farmers received for it.

This year as well as last, California led the states in the value of its crops, \$1,770,296,000 this year compared with \$1,652,990,000 in 1955. Illinois finished second both years with crops valued at \$1,461,331,000 this year and \$1,274,213,000 last year. Texas was third both years with \$1,122,459,000 this year and \$1,233,068,000 last year. By states, the values of 1956 and 1955 crops, respectively, included:

Oklahoma \$272,348,000 and \$254,131,000; Texas \$1,122,459,000 and \$1,233,068,000.

Paint Creek . . . Community News

MRS. GENE OVERTON

We must all sit up and take notice, and maybe write some letters to our Legislature concerning this new idea of the Texas Educational Agency is toying with of no schools in Texas with under 500 scholars. Right now this will not affect us, since our population is so sparsely settled, but don't kid yourselves that if schools like Rule, O'Brien, Weiner, Rochester and Sagerton have to combine their schools with larger ones, that Paint Creek could keep hers for long.

The bad thing about it is that we won't have a vote as a community on whether we want to merge or not, it will be taken as a county vote, and the majority vote will determine the outcome. Usually in a school merger, each community votes on whether they want to continue as they are, or join a larger school, but this time everybody will vote together, and goodness knows the larger school district will have every advantage. It's plumb undemocratic.

Our Representative from this district is on the Legislative schools committee. He is Uncle Ed Cloud from Rule, and he believes that even if a town has a three teacher school, and that is what they want, they should be allowed to keep it. However, he may need to hear from us so he can quote "my constituents have written me, etc." That is always a help to a legislator. I've heard. The address is just Hon. Ed Cloud, Representative of the 33rd District 1805 Brazos, Austin, Texas.

Rev. and Mrs. Virgil Smith and son Mike, were here recently to visit Mrs. Smith's mother, Mrs. W. L. Hise, and her brothers and sisters and families, and Rev. Smith's parents, Mr. and Mrs. Jude Smith at Rule.

The Hise family had dinner New Year's Day with their mother in Haskell. Attending were Mr. and Mrs. Glen Walton and children, Mr. and Mrs. Billie Hise and children, Mr. and Mrs. Lonnie Hise, Mr. and Mrs. Velton Moore and children, Mr. and Mrs. Welton Howard and children and Rudy Raughtons.

Mr. and Mrs. Twain Mickler of Colorado were here from Friday through the weekend to visit their parents, Mr. and Mrs. Jess Mickler and Veda Griffin. Twain had to attend some classes in Abilene Monday and Tuesday, and Shirley stayed here for a longer visit. Everybody who saw the baby Sunday morning at church said she was a little doll. That wasn't one of the grandmothers who told that, either.

Did you see Ray and Amelia Perry, Wynelle and Jack Ray on television Monday night? Pretty good square dancers, didn't you think?

Mr. and Mrs. Orville Ray and two sons, and Mr. and Mrs. Everett Holsapple from Alamogordo, N. M. were holiday visitors with his sister and family, Mr. and Mrs. J. B. Marr and children.

Mr. and Mrs. Wendie Jarmon and children spent last Wednesday day with Mr. Jarmon's aunt and family, Mr. and Mrs. Garland Cauloway, Selda and Judy.

Mrs. Albin Hokanson underwent surgery at a hospital in Abilene last Wednesday. She was able to come home Friday and is feeling fine.

Durward Livengood and Woodroe Smith went to several towns on the plains last week and began working in Odessa as carpenters. They came home for the weekend and returned Monday to work this week.

Mr. and Mrs. Clyde Gordon of Plainview and their son and wife, Mr. and Mrs. Clyde Lynn Gordon of Lubbock spent last weekend with Mrs. Gordon's sister, Mrs. W. A. Montgomery and Mr. Montgomery.

Ray Hughes spent the holidays with his parents, Mr. and Mrs. W. C. (Kid) Hughes and Jerry. Ray is in the Navy and stationed at San Diego.

Recent visitors in the home of the O. H. Houstons were their children, Mr. and Mrs. Lester Ivy and sons Stanley Pau and Teddie Mack of Albany, Peggy Houston, teacher in Lueders, Mr. and Mrs. Dempsey Bouldin and son Brent, of Stamford, and Mr. and Mrs. M. E. Hughes and son, Dolin.

Mr. and Mrs. Jess J. Micker were in Big Spring last weekend to visit their son and family, Mr. and Mrs. Bobbie Micker and baby Melynn. Melynn has been sick lately.

Mrs. Jewel McLennan and Tom Paul spent last weekend in O'Brien with her parents, Mr. and Mrs. J. B. Herring.

Mr. and Mrs. Henry Thane had as their guests recently Mrs. Thane's sister's family, Mr. and Mrs. Charles Wendt of Plainview and their son, Charles William Wendt and his wife of Hale Center.

Mr. and Mrs. Jess Cook were called to Ponca City, Okla., last Tuesday where Mr. Cook's father, Wade Cook, had suffered a heart attack. The girls Carolyn and Charlotte are staying with Mr. and Mrs. Paul Fischer and attending school. The Cooks phoned the girls Friday and said Mr. Cook was no better and they would remain in Ponca City until

there was some sort of change in his condition.

Ellis Bean spent a few days in the Stamford Sanitarium last week where he was suffering from a sore throat and an attack of asthma.

C. C. Middleton has been asked by the Haskell County Commissioners Court to trap wolves in the southeast part of Haskell County. Coyotes have eaten all the chickens belonging to several families and have begun preying on calves. Mrs. Brooke Early said they had killed several on their ranch.

It was good to see Rev. and Mrs. Gerald Pinkston again. They are enjoying their work at Avondale, Arizona so much. They had lunch with Mr. and Mrs. Morris Haynes and then visited other members of the Baptist Church which they pastored several years ago. They came to school to see friends and former students of Mrs. Pinkston. She was our Homemaking teacher while they were here. They have applied for foreign missionary service and were on their way to Fort Worth to take a physical examination. If they pass they will receive their appointment, and they are hoping they will go to Indonesia. Paint Creek will always appreciate the wonderful work the Pinkstons did with our young people while they served in our community. Mrs. Pinkston gave them a love for better music, and she was such a wonderful, gentle lady herself, she inspired our girls to be ladies too. They both planned such wholesome entertainments and socials for the young people, and we Methodist loved and appreciated them as much as their own congregation. Paint Creek's love and best wishes go with them wherever they serve.

Mahon Backs Plan for Immediate Help To Drought-Stricken Areas of Texas

WASHINGTON, Jan. 16 (Sp.)—Rep. George Mahon of the 19th District has joined with several other Texas Congressmen and Senators in introducing legislation to bring early assistance to the drought stricken area of Texas and the Southwest.

The proposal as worked out and presented was termed a "two-fold approach to the drought problem."

The bill was described on the floor of the House by Rep. Bob Poage of Waco, chairman of the House Committee on Agriculture, as calling for immediate assistance to farmers and ranchers in the wide area of Texas and the Southwest; who are in desperate need of help.

Mahon and Poage pointed out that the prime purpose of the bill would require the Department of Agriculture to make payments to land owners who will agree to defer the use of their depleted pasture lands for periods of not less than 12 months. The program would become effective immediately and would continue over a period of three years after the drought is broken.

The Congressmen explained that the present crisis "could well become a permanent condition unless steps were taken to give the pasture land a chance to recover."

Another feature of the bill would instruct the Secretary of Agriculture to assist in providing protein feed concentrates such as cottonseed cake. Members of the group said they felt the cake was needed immediately to maintain the range herds of the Southwest; and that type program would be cheaper and more effective than the hay or grain feeding program now being carried out.

"This bill would enable the stricken area to take the steps which they know to be sound from a conservative standpoint but which they cannot afford to take in the absence of some Government program," the lawmakers explained.

Terracing Major Project of Soil Districts in '57

Terracing has been a popular conservation measure this past year. In two districts serving this area, the California Creek Soil Conservation District reported 1582 miles of terraces built or rebuilt. While the Wichita-Brasos Soil Conservation District reported 229 miles of new and rebuilt terraces in 1956.

Many farmers became aware of the importance of water conservation this year. Those with a good functioning system realized a fair cotton crop while those without terraces or inadequate terraces did not. So we must make benefit of the limited amount of rainfall we receive, yet have protection for the big rains too.

Terraces are usually built to take care of the water that falls only above them. When water from the fields above drain into them or rains of high intensity fall they cannot hold the water unless outlets are provided to allow this extra water out.

Where possible terraces are constructed to spill excess water on pasture land. This provides an excellent emergency outlet. When this is not possible a waterway should be established as an outlet.

Some farmers are under the impression that a waterway is used to drain terraces. However, by placing a partial block in the terrace at the waterway, the terrace will store as much as it can safely hold. Any excess water will be disposed by flowing down the waterway.

Permanent grasses make the best waterway and may be used as pasture strips, for hay, or harvested for seed. On steep slopes they are the only practical waterways. On some of the flatter land a sown waterway such as

sudan, oats or other growing crops may be leaving of all rain the soil is necessary proper protection of Terraces, with adequate drainage, are a necessary dryland farming operation. By continuing Nature we can make ductive lands.

Railroads put 65,000 cars in service in 1956, 110,000 more on Jan. 1.

At today's prices a million dollars to buy length of 277 miles field railroad extends states.

Interstate Commission report of Nov. 1956 closed that 89.8 trucks last checked more defects or

Paint Creek Wins Over Weinert and Rule Cagers

By JUDY EARLES

Tuesday night, Jan. 8, the Paint Creek Pirates were triumphant over the Rule Bobcats, winning both games.

Nelta Walton scored 27 points for Paint Creek and Harvey Smith of Rule made 12 points as high scorers.

In the boys game, Eddie Lee Thane scored 29 points for Paint Creek and Sonny Whorton hit 14 for Rule.

Friday night, Jan. 11, the Pirates defeated the Weinert Bulldogs in a double header, with the boys winning their game 53-30 while the girls won their contest 55-20.

In the girls game Nelta Walton of Paint Creek netted 24 points for high honors, and Christine Hutchison, Charlene Sturdy, Joyce Walker and Louise Hicks each scored four points for Weinert.

Taking high point honors in the boys game were Eddie Lee Thane of Paint Creek with 19 points and David Bogrim of Weinert with 12 points.

Kenneth Howard is Given Promotion In TCU Army ROTC

Fort Worth, Jan. 15—Kenneth Howard, a junior from Haskell, was promoted to Cadet Sergeant First Class and assigned as a squad leader in the Battalion of Cadets in the TCU Army ROTC recently.

Howard, a geology major, is going to TCU on a scholastic scholarship. He is the son of Mr. and Mrs. William Hollis Howard of Route 1, Haskell.

IN WICHITA FALLS HOSPITAL

James N. Bradley of 904 South 3rd Street, a resident of Haskell County since 1902, is in a Wichita Falls hospital where he underwent surgery. He entered the hospital Jan. 8. Mr. Bradley expects to be in the hospital no longer than seven days, but will convalesce a while before returning to Haskell around Jan. 25.

Our Representative from this district is on the Legislative schools committee. He is Uncle Ed Cloud from Rule, and he believes that even if a town has a three teacher school, and that is what they want, they should be allowed to keep it. However, he may need to hear from us so he can quote "my constituents have written me, etc." That is always a help to a legislator. I've heard. The address is just Hon. Ed Cloud, Representative of the 33rd District 1805 Brazos, Austin, Texas.

The Haskell school, which is the largest school in the county, and would naturally benefit the most from such a change, is not in favor of forcing smaller schools into their system. Mr. Bob King, the superintendent, said he could think of nothing worse than to be superintendent of a school where some of the patrons had been forced to send their children there and had wanted their own school instead. So it is a nice situation in our county where every school is in agreement as to what they want. Now if we can only convince the Educational Agency and the Legislature everybody will be happy. I think they are thinking mostly of the real little one-teacher schools in East Texas, maybe, but it will affect us too. Be thinking about it.

Mr. and Mrs. Max Ray are announcing the arrival of a baby daughter, Jan. 3rd, at Alamogordo, N. M. They have two other children Max and Lee Orville. Both work at the big plant at White Sands, N. M.

Little Larry Watson had to have some dental surgery at the Haskell Hospital not long ago, when he had six of his baby teeth pulled. He was at the basketball tournament that night, so I guess it didn't hurt much.

Mr. and Mrs. Bill Mickler were in Lueders Sunday afternoon to visit Mr. and Mrs. Clifford Yeager and to show Mrs. Mickler their new home. Bill helped build it.

Thirty members of the Cobb family enjoyed dinner at the home of Mr. and Mrs. Marvin Cobb Christmas Day.

School Supt. Dan McRae and Board members Gene Overton and Roy Medford attended the annual meeting of the Texas School Administrators Association in Austin last week.

Paint Creek journeyed to Rule last Tuesday and played themselves a ball game. Our girls won their game 55-27 and our boys 97-46. There was no way to treat my old home town team, but I guess as long as it's Paint Creek we won our games with Weinert Friday night, too. The boys score was 53-30 and the girls score was 94-22.

Recent visitors in the home of the O. H. Houstons were their children, Mr. and Mrs. Lester Ivy and sons Stanley Pau and Teddie Mack of Albany, Peggy Houston, teacher in Lueders, Mr. and Mrs. Dempsey Bouldin and son Brent, of Stamford, and Mr. and Mrs. M. E. Hughes and son, Dolin.

Mr. and Mrs. Jess J. Micker were in Big Spring last weekend to visit their son and family, Mr. and Mrs. Bobbie Micker and baby Melynn. Melynn has been sick lately.

Mrs. Jewel McLennan and Tom Paul spent last weekend in O'Brien with her parents, Mr. and Mrs. J. B. Herring.

Mr. and Mrs. Henry Thane had as their guests recently Mrs. Thane's sister's family, Mr. and Mrs. Charles Wendt of Plainview and their son, Charles William Wendt and his wife of Hale Center.

Mr. and Mrs. Jess Cook were called to Ponca City, Okla., last Tuesday where Mr. Cook's father, Wade Cook, had suffered a heart attack. The girls Carolyn and Charlotte are staying with Mr. and Mrs. Paul Fischer and attending school. The Cooks phoned the girls Friday and said Mr. Cook was no better and they would remain in Ponca City until

FIRST PRESBYTERIAN CHURCH

 Tuesday:
 2:00 p. m. Mid-Texas Presbytery meets at St. Peter Church, Fort Worth.

Gen. Nathan F. Twining, Chief of the U. S. Air Force, started his Army career in the infantry.

Important Message to Parents of Children of School Age

The Haskell Independent School District is now in the process of taking the annual school census for the school year 1957-1958.

Article 294 of the Penal Code requires every person having control of any child which will be over 6 or under 17 years of age on September 1st next thereafter to supply the information called for on the census form.

The school is very anxious that parents having children that will attend school for the first time next year to contact the office of the Superintendent, phone no. 69, and enumerate such children. Each year a large number of first grade children fail to be enumerated and the school fails to receive their scholastic apportionment money from the State. Your cooperation in this matter will be greatly appreciated. We must have this information not later than JANUARY 27, 1957.

MERCURY BOOSTS PRODUCTION TO A MERCURY A MINUTE TO MEET DEMAND

A record 40,000 Big M's being built in January... a 43% increase over December.

A Mercury a minute, every minute of the day and night! All Mercury assembly plants are working overtime with the largest work force in Mercury history to meet the tremendous buyer demand. The landslide swing to Mercury is solid evidence that the new Big M is the most exciting car value of 1957. Never before has so much bigness and luxury cost so little. Prices for America's most beautiful and advanced car are just an easy step above the low-price three.

Rule Grid Mentor Is Named Top "B" Coach in Area

By FAYE DUNNAM

The Abilene Reporter-News has selected Frank Baker, Rule coach, as the Abilene Area Class B coach of the year for 1956. This is the second year as Rule coach for Baker. The first year the team lost 9 and won 1. This year the boys came out with 9 victories and 1 lost. The team had lost 4 seniors from the previous team. A lot of hard training went into the victories for the season.

Sonny Whorton and Jack Holcomb were selected on the Class

B All-Area Team.
 Sonny shared honors in the first team backfield with Billy Davidson of Hermleigh and Jimmy Hobbs of Trent and Andy Springer of Aspermont. Sonny is a senior and has lettered all 4 years and was on the second team all Area choice in 1955. He is the next highest scorer, having scored 129 points for the team this year. He weighs 170 pounds. He is also football hero for the year.

Holcomb, a sophomore, plays end. He weighs 180 pounds and has earned his second letter.

On the Class B all-Area Honorable Mention Team is Guard Fred Heatherly, a senior and Back Douglas Davis, a junior.

New Officers of Rule Rebekah Lodge Installed

The Rule Rebekah Lodge No. 163 met on Jan. 7 for installation of officers. Mrs. H. H. Hines, district deputy president, was in charge of installation. Installing officers were: Mrs. John Duncan, Deputy Warden; Mrs. Bertha Yarborough, Deputy Chaplain; Mrs. Carl Hoag, Deputy Treasurer; Mrs. Holland Weaver, Deputy Secretary; Mrs. S. O. Turner, Deputy Marshal.

Officers installed were: Mrs. Jno. Duncan, Noble Grand; Mrs. Willie Hedgpath, Past Noble Grand; Mrs. Leslie Simpson, Vibe Grand; Mrs. Holland Weaver, Chaplain; Mrs. Carl Hoag, Secretary; Mrs. Bertha Yarborough, Treasurer; Mrs. A. B. Cox, Warden; Mrs. Ervin King, Sr., Conductor; Mrs. S. O. King, RSNQ; Mrs. Perlie Woodard, LSNQ; Mrs. Joe Todd, RSVG; Ruth Wright, LSVG; and Mrs. H. H. Hines, Musician.

Highway Drive-In Reopened by New Proprietors

Re-opening of the Highway Drive-In was announced this week by George Yancey, who will be assisted in operation of the establishment by his wife, Mrs. Thelma Yancey. Both are experienced in the cafe business.

The drive-in will be open each day from 6 a. m. to 10 p. m., and will feature delicious foods and courteous service.

The new proprietors invite the public to visit the drive-in and try their food and service.

Sen. Johnson Asks Immediate Aid For Drought Areas

Senator Lyndon B. Johnson, as one of his first actions in the 85th Congress, last week introduced in the Senate a bill providing immediate additional assistance to farmers and stockmen in drought areas and setting up a program to restore drought-hit pasture land to productivity.

As immediate assistance, the Senator's proposal instructs the Secretary of Agriculture to give assistance in providing cottonseed cake to cattle owners.

The second section of the proposed program calls for conducting an extensive soil conservation program through the use of a deferred grazing plan. "This would make it possible for stockmen to give their land a chance to recover from the effects of the drought, once it breaks," Senator Johnson pointed out. "The bill would require the Department of Agriculture to make payments, at normal annual rental value, to landowners agreeing to defer the use of their depleted pasture lands for periods of not less than 12 months.

"In other words, the plan would make it possible for our stockmen to do what they know is sound from a conservation standpoint but what they cannot afford to do unless an adequate Government program is provided."

An identical bill was introduced in the House of Representatives by members of the Texas Delegation.

Local Dealer Sees New Appliance Models for '57

C. P. Woodson, owner of Woodson Radio and Electric recently returned from a business trip to Lubbock where he inspected the 1957 models of appliances manufactured by Philco and Zenith.

He attended Thursday and Friday a two day convention of Carrier Air Condition Dealers, at Texhoma Lodge, Lake Texhoma, Texas. Attending were dealers from two states with more than 500 dealers and salesmen present at the showing of the new line.

CARD OF THANKS

To those who expressed their sympathy in any way during the passing of our loved one, we extend our heartfelt thanks. We are grateful for every kind deed, word of sympathy and the lovely floral offerings. May God bless each of you.—The family of Edgel M. Owens.

NOTICE TO BANKING CORPORATIONS

Notice is hereby given to all banking corporations in Haskell County, Texas, that the Commissioners Court of said County will on the second Monday in February A. D. 1957, the same being the 11th day of said month, receive proposals from any Banking Corporation in the county aforesaid, that may desire to be selected as a depository for funds of said Haskell County, Texas, and also as depository for the trust funds of the District and County Clerks of Haskell County, Texas.

Said proposals shall be delivered to the County Judge of Haskell County, Texas, on or before 10 o'clock a. m. on the 11th day of February, A. D., 1957.

All proposals must be sealed and each proposal must state the rate of interest that said banking corporation offers to pay on the funds of the county for the term between the date of such bid and 60 days after the second Monday in March, 1959.

Each bid shall be accompanied by a certified check payable to the County Judge of Haskell County, Texas, in the sum of \$1000.00, the same being not less than one-half of one per cent of the County revenue of the preceding year, as a guarantee of good faith on the part of the bidder, and that if his bid shall be accepted said banking corporation will enter into and give the required bond. Upon the failure of the banking corporation that may be selected as such depository to give the required bond the amount of such certified check shall go to the county as liquidation damages.

The Court reserves the right to reject any and all bids.

Done by order of the Commissioners Court of Haskell County, Texas, in regular session on this the 14th day of January, 1957.

Alfred Turnbow,
 County Judge, Haskell County, Texas.
