RL Homecoming activities highlighted

The fashion forecast for Friday in Robert Lee is orange and black. It will be seen everywhere and worn and displayed in many ways. It's Homecoming '93!

At Robert Lee School, the entire week has been devoted to special activities. A new event this year will be a pep rally on the courthouse square Thursday night at 8 pm. The entire community is urged to join in and catch the spirit.

Friday's Homecoming

activities will begin with the 2:30 parade downtown. Steer Wars is the '93 theme. The school encourages more entrants in the procession. In the parade will be the school royalty, Mr. and Miss RLHS John Williams and Elaine Gibbs and the nominees for Homecoming King and Queen, Miss WCCCD Shawn Barnes and Little Miss WCCCD Hillary Wyatt, in addition to the Stompin' Steer Band.

Candidates for Homecoming Queen are: Kim Carver -

senior; Shanon Parks - senior; Danielle Green - senior; and Christy Hendry - junior. Candidates for Homecoming King are: Dean Burns - senior; Scot Millican - senior; Joe Blair - senior; and Lee McCown - junior.

Winners will be revealed at half-time of the football game between the Steers and the Irion County Hornets. They will be crowned by last year's royalty, Shelley Burrows and Danny Jackson.

Also honored at halftime will be the graduating class of 1943, fifty years after their exit from RLHS.

A Homecoming Dance will be held in the Rec Hall 10 pm - 1 am. The event is open to the public.

Twin Day was celebrated Wednesday at Robert Lee School. The event was covered by KLST and KTXS to be aired later.

Upcoming

RLHS Reunion Set

A reunion of anyone attending the graduating classes of RLHS 1950-1970 has been set for August 12-14, 1994 at the Holiday in Convention Center, San Angelo. A meeting will be held later in the year for planning events for the weekend. The reunion is an expansion of one started in 1984 of the classes of 1958, '59 and '60. Out-of-town classmates' addresses are necessary for a successful event. Those addresses may be submitted to "RLHS Reunion", Box 33, Robert Lee, TX 76945.

RL Class of '43

The Robert Lee High School Class of 1943 is meeting for their 50th class reunion on Saturday, October 2, at the Masonic Lodge Building. Class members invite friends, relatives, and members of other classes to a visitation with them from 2-4 pm.

Also, a special recognition for the group is being planned at Friday night's homecoming game. Class members are encouraged to meet at 6:30; so they may sit as a group during the game.

Br. Methodist

Monday, October 4th at 7 pm is the Annual Church Conference for the First United Methodist Church in Bronte. Dr. Janice Riggle Huie, Superintendent of the San Angelo District will conduct the meeting. Reverend Beck would like to encourage all members of the First United

Methodist Church to attend the church conference. Those who are heads of committees will be asked to give a brief report to Dr. Huie. Refreshments will follow the meeting.

KLST Coverage

Television Channel 8 - KLST in San Angelo will feature Robert Lee School's Twins Day activity, which was held on Wednesday, on Saturday, Oct. 2 at 10 pm.

Work Day Scheduled

The Hayrick Cemetery Association has scheduled a work day at the Robert Lee Cemetery on Saturday, October 16. The community is asked to join in the clean-up.

WCCCD

West Coke County Community Development will meet in a general meeting the first Monday evening of the month, October 4. The group meets in the county courtroom at 7 pm. Reports will be made on the September 4th Labor Day Extravaganza and committees will be finalized for the November 6th annual Hunter's Appreciation BBQ. Businesses and individuals are encouraged to join with others who are interested in OUR community.

40+ Dance

Tuesday, October 5, is the scheduled date for the monthly first Tuesday 40+ Dance at the Robert Lee Rec Hall. Dancing begins at 7:30 with tickets available at the door.

Wool Act Supported

Coke County Judge Royce Lee and County Commissioners Paul Burns, James Tidwell, Tim Millican, and Billy Joe Luckett joined in support of the Wool Act on Monday by sending a telegram to all House members in Washington.

The legislative proposal to axe the Wool Act has sent supporters scrambling to get letters, telegrams, and phone calls to lawmakers concerning wool and mohair programs before the House convenes for the vote.

According to news from Washington, an onslaught of support from the western part of the country descended on legislators from producers, the business communities, agriculture factions, and Indian agencies.

4-H Exhibitors Win at Fairs

Coke County 4-Hers placed very well recently at the Howard County Fair and the West Texas Fair. At the Howard County Fair, Shae Kelton placed his lightweight Charlais 2nd and Casey Antilley placed 2nd in the European Cross Progress class and 4th in the Charlais class. At the West Texas Fair, Shae Kelton placed 3rd in the lightweight Charlais class. Dustin Scott placed his lightweight Simmental 6th. Casey Antilley placed 2nd in the European Cross Progress class.

Twin Day celebrated at RL

Robert Lee, Texas, is the County Seat of Coke County. Robert Lee School began in 1891 held in a back room of a two story building at Hayrick. The school was later moved to Robert Lee.

Currently Robert Lee ISD is one of the largest employers in Robert Lee. Enrollment on the one and only school campus in town is 365 students in all classes Kindergarten through 12th grade.

The system is excellent because of good administration, teachers, and obedient students wanting to learn. The unique situation here is the eight sets of twins attending school, with a set graduating May 1993 and another set of preschoolers. (Total = 10 sets of twins).

Three sets are in the second grade with Mrs. Horn and Ms. Goodman as teachers. The twins are split. Ms. Goodman taught one half last year as a first grade teacher, she has the other half this year as second graders and she is a twin herself.

Twins of

Robert Lee ISD:

1. Amanda & Amelia Herring
21 months old
Pre-school
Parents - Mr. and Mrs. Jim Herring (both were raised in Robert Lee).
2. Jesse & Tyler Johnathon Eads
6 years old
Kindergarten
Parents - Mr. and Mrs. Jesse Eads (father raised in Robert Lee).
3. Tress & Tyler White

- 7 years old
Second Grade
Parents - Coach and Mrs. Kurt White (3 years in Robert Lee).
4. Jennifer and Jessica Fluhmann
7 years old
Second Grade
Parents - Mr. and Mrs. Mike Fluhmann (14 years in Robert Lee).
5. Angelica & Monica Navarro
8 years old
Second Grade
Parents - Mr. and Mrs. Delphino Navarro (8 years in Robert Lee).
6. Casey Neal & Colby Lyn Eubanks
9 years old
Fourth Grade
Parents - Mr. and Mrs. Jeff Eubanks (father raised in Robert Lee - mother D'Ann (Garlington) is a twin - Dan Garlington).
7. Rosa Isela & Rosa Marie Gonzales
13 years old
Eighth Grade
Parents - Mr. and Mrs. Jesus Costilla (Grandparents - mother died).
8. Aaron Kevin & Eric Devin Hood
15 years old
10th Grade
Parents - Supt. and Mrs. William Hood (both parents raised in Robert Lee).
9. Jeremy Wayne & Jerrid Dwayne Vincent
16 years old
11th Grade
Parents - Dwayne Vincent (5 years in Robert Lee)
10. Carla Esther & Carlene

Roe

A. J. Roe, Jr., 74, of Robert Lee died at 3:10 am on Monday, September 27, 1993, in Angelo Community Hospital, following an eight month battle with cancer.

Service was conducted at Robert Lee Methodist Church at 10:30 am on Wednesday, September 29, 1993, with the Rev. Kary Rawlings of Robert Lee officiating. Burial followed in the Robert Lee Cemetery, directed by Shaffer Funeral Home of Robert Lee.

A. J., affectionately known as "Snooks", was born in Winters, Texas, on March 22, 1919, to Georgia and A. J. Roe. He grew up in the Winters area then moved to Coke County. He served courageously with the Army in World War II in the South Pacific.

Upon his return from service he owned and operated the Red and White Grocery in Robert Lee. He married Fay Croslin on February 3, 1946,

...Twins

(cont'd. from page 1)

Esther Bewick
19 years old
1993 Graduates of Robert Lee ISD (Attending ASU)
Parent - Hilda Bewick and the late Carl Bewick (11 years in Robert Lee).

Mrs. Sheri Millican's Home Economics Classes have studied the odds of twins - Robert Lee's Schools have surpassed the odds. Her students are very interested in this because of the number of twins in Robert Lee.

Other twins that have grown up and graduated from Robert Lee High School are the late Floyd and Lloyd Higgins about 1943. Ronnie and Donnie Devoll graduated in 1968. Donnie and wife, Cheryl live in Robert Lee. His parents Lendy and Yvonne, also live in Robert Lee.

in Robert Lee. They bought some land in Lamar County and farmed until 1952. They then moved back to West Texas, where he worked in the oil field. In 1954, A. J. was employed by Perkins Prothro Oil Co. as a pumper and plant operator. He retired in 1981, so that he could enjoy traveling, golfing and fishing.

Mr. Roe was a member of the Robert Lee Methodist Church, where he was a trustee and was involved in many church related activities. He was a member and past president of the Texas Big Country Airstream Club.

Mr. Roe is survived by his wife, Fay Croslin Roe of Robert Lee; a daughter, Daphne, and husband, James Brown of Plano, Texas; a son, A. J. "Pete" Roe, III, and wife, Deone Roe of Winston-Salem, NC; grandchildren, Justin and Ashley Brown and Amber and Alan Roe; sisters, Gladys Slaton and Juanita Dean, both of Robert Lee, and Bobbie Lee of San Angelo; brothers, Bill Roe of Robert Lee and Donald Lee Roe of Abilene; and many nieces, nephews and friends. He was preceded in death by his parents and three brothers, Hiram, Ollie and J. L.

Pallbearers were Bill Jones, Bob Duncan, Royce Wallace, Zeddie Beal, Dale Wojtek, and Fred Beaty. Honorary pallbearers were O. B. Jacobs, Tom Rives, Leslie Copeland, John Conley, Wilbern Millican, Douglas Gartman, Paul Burns and Edward Rives.

Craig

Services for Wilmer I. Craig, 80, of Hobbs, were September 13, 1993, at Chapel of Hobbs, Hobbs Funeral Service, with Gorman Shepherd and Jack Stringer officiating. Burial was in Memory Gardens.

Mr. Craig died September 10, at Methodist Hospital, Lubbock, Texas.

Born March 7, 1913 in Memphis, Texas, he married Doris Eubanks, June 30, 1933 in Lovington, NM. They celebrated their 60th wedding anniversary, June 30, 1993.

Mr. Craig settled in Tatum, NM, in 1915, and attended Tatum schools, owned and operated a service station in Tatum, and drove a school bus for Tatum schools. He was a graduate of electronics school in Chicago, IL. He move to Hobbs in 1943 from Tatum and worked at Hobbs Army Air Base on B17 bombers. He was founder of Craig Electric in Hobbs and was a past member of of the Kiwanis, 32nd degree Mason-Shrine and Antique Car Club.

Mr. and Mrs. Craig owned a home in Robert Lee at 10th and Washington and spent many weekends and holiday time locally.

Survivors include his wife, Doris Craig of Hobbs; one son, Eddy Lee Craig of Hobbs; two daughters, Faye Harper and Cheri Harper Hukins, both of Hobbs; one brother, Lee Roy Craig of Riverside, CA; four grandchildren; and seven great-grandchildren.

Fort

Elva Hope Fort, 92, died Saturday, September 25th at the home of her granddaughter, Katy Hope Wardroup in London, England.

She was born to the late Mr. and Mrs. M. P. Coleman in Weches, Texas, November 24th, 1900.

She had lived in Bronte and Robert Lee. She worked for many years for Hemphill-Wells in San Angelo and Lubbock and retired to Sun City, Arizona.

Two sons, Weldon and Carroll McCutchen, and one

daughter, Katy Felker preceded her in death.

Survivors are, one daughter, Wilma Nell Peel of Sun City Arizona, fourteen grandchildren, several great-grand-

children, one brother, Bob Coleman of San Angelo, one sister, Josie Sims of Bronte, one sister-in-law, Linn Coleman of Ballinger and several nieces, nephews and cousins in this area.

- Letter to the Editor -

Dear Editor,

The residents of Robert Lee always seem to come forth in time of need. The following recently volunteered for the fire department when they heard it was in trouble: James Paul Skipworth, Steve Ebenstein, Richard Seals, Paul Bosworth, Tim Phillely, Jim Gray, Lynn Green, Kelly Graham, and Kimble Middleton. This brings the department up to the required number for the first time in years. The volunteer firemen (or should we say Fire Fighters, since we do have two women now), did so well at the Norvell fire. They performed wonderfully with a difficult job.

Now for some good news. The fire department has received a 5000-gallon tanker from the Forest Service. This will help, but the department is still in need of equipment and trucks. The city pumper is a fairly good pumper, but is several years past the age the state recommends for use, and will have to be replaced soon. The rural area is in dire need of at least one more truck. This is something in

which the citizens need to join together and find ways to come up with funds. We are very fortunate to have volunteers, but we do need to keep workable equipment for them. You may not be able to be in the fire department, but you can volunteer to head up a drive for money or help with obtaining it. Everyone has something he or she can do, and we will all have to help. Let's put our heads together and see what we can accomplish.

Jackie Walker,
Mayor of Robert Lee

4-H Poster Contest

Attention!!! Attention!!! 4-H members wanting to enter the poster contest must do so by Monday, October 4th. Your poster can be on any 4-H activity. Celebrate National 4-H week October 3-9th.

4-H Makes a World of Difference

National 4-H Week

Young people with a desire to learn more about their world have the opportunity to participate in a fast growing organization called 4-H.

4-H is currently the largest youth organization in the United States with its membership exceeding 4 million members. Over 5 million alumni testify that 4-H is one of the most successful youth development experiences available. Over 200,000 Texas youth belong to this organization. Coke County membership is currently 103.

4-H provides incentive to learn. It is the informal educational youth component of Texas Agricultural Extension Service extending the knowledge of Texas A & M University to the young people of the state through trained volunteer leadership.

4-H philosophy in Texas has steadily built a firm foundation of goals and objectives with positive principles. These are just a few of the principles of any 4-H program.

*Equal dignity and status for all youth. 4-H education, recreation, recognition, tours, trips, club and community activities help equalize opportunities and personal development of all young people. 4-H members are always treated with dignity and are encour-

aged to set their own goals and evaluate their own progress.

*Youth development. The main goal of 4-H is youth development. The development of a 4-H boy or girl is more important than the development of a winning project.

*Dignity and value of work. By glorifying and glamorizing good work habits and the results of productive effort, the 4-H program helps instill constructive values and sound attitudes in the minds of young people.

*Learn by doing. "Learn by doing" or experimenting is fundamental in any sound educational program and characteristics of the 4-H program. Learning through projects or small work 4-H members carry out practical projects which are designed to be within their ability, stimulating for them and of economic or social importance. 4-H projects are practical, real life enterprise, not "make believe". They provide a meaningful role for youth.

Participation in the 4-H program is voluntary and open to all interested boys and girls, between the age of 9 to 19, regardless of race, color, creed, national origin or handicapped.

For more information concerning the 4-H program call your County Extension Office.

Team Penning

A team penning will be sponsored by the Runnels County Riding Club on October 2nd at 8 pm in the Ballinger Arena on Hwy 158 West. Books open at 7:30 pm close at 8:30 pm. Part of the proceeds will go to help the Runnels County 4-H Horse Judging team attend Congress in Columbus, Ohio. For more information call 365-3849 or 365-2860.

New Fire Truck

Keith Eubanks, fire chief with the Robert Lee Volunteer Fire Department, said Wednesday the tanker truck acquired from the Forest Service is here. The truck was free with the understanding it would be painted and could only be used for the fire department.

According to Eubanks, the truck has a 5,000 gallon capacity with 600 gallon-a-minute pump. Some modifications will be required and the tank must be flushed since it had been used as a fuel truck. He said the truck is much appreciated and will solve the department's water problems.

Adult Basic Education

Registration for the free evening classes of the Adult Basic Education program will begin at 6:00 pm on Tuesday, October 12, 1993 at Robert Lee High School.

The classes will be held Tuesday and Thursday evenings from 6:00 to 8:30 pm for adults 17 years of age or older. Instruction is offered for adult students who speak a foreign language and want to learn to read, write and speak English. All classes are free.

Extension Homemakers

The Bronte Extension Homemakers resumed their TEHA club meetings on September 17th in the home of Annie Laurie McShane. The State TEHA meeting was discussed by the county agent. Marie Arrott gave a report on the District TEHA camp and the club field trip. Others attending were Virginia Boatright, Peggy Ham-bree, Paz Sanchez, Geneva Minnick and Maudie Collins. Jan Yanez, county agent, gave a program on recycling decorations. Next meeting will be in the home of Lela Parker on October 15th.

Change is such hard work.

BRONTE SCHOOL NEWS

Longhorns roll over Irion Co. Hornets

by Stover Taylor

The Bronte Longhorns traveled to Mertzon Friday night to take on the Irion County Hornets. One of the few bright spots of the night for the Hornets was the crowning of the Homecoming Queen during the pregame ceremony. The maroon and white offensive machine scored 8 touchdowns of which two were called back. When the final buzzer had sounded the Longhorns had rolled up 359 yards rushing on 63 carries and 138 yards passing for a total of 497 yards for the night. The Longhorn defense was stingy about giving up real estate allowing 57 yards rushing on 19 carries and 84 yards passing. The

Hornets completed only 8 of 28 attempts. Leading the ground game was Gary Bilbrey with 218 yards on 32 carries and three touchdowns. Jacob Goalson has 73 yards on 10 carries and Jason Cooper had 53 carries on 10 carries and one touchdown. Cody Holland and Brent Taylor had one touchdown each. Rudy Sanchez kicked a 12 yard field goal, the first one of the season for the Longhorns. Jacob Goalson and Brent Taylor had touchdowns called back. The offensive line which consists of Jason Wilson, Jay Parker, Raymond Fuentes, Delvin Pierce, David Cason, Edwin Thomas and Todd Harrell did an outstanding job opening holes for the running backs.

In the 1st quarter the Hornets took the opening kick-off, unable to move the ball the Hornets punted to Brian Hall, the punt returner for the Longhorns. On the punt return effort, Brian suffered a broken arm. Brian is an excellent utility player, able to play several positions. We will miss his leadership on the field and we wish him a speedy recovery. The Longhorns took the ball on their own 30 yard line and eight plays later Gary Bilbrey scored on a nine yard run. On this drive Kale Beck caught a 27 yard pass. Bilbrey had 30 yards rushing and Cooper had 13 yards. The extra point attempt failed. The first quarter score was 7-0.

In the 2nd quarter the Longhorns marched 55 yards on 11 plays where Bilbrey took it in from 8 yards out. The two point conversion failed. The Hornets scored when one of the Longhorn defenders fell down. The touchdown came on a 24 yard pass play. The Longhorns took the kick-off and scored 8 plays later on a Brent Taylor one yard run. The 2-point conversion was good. The first half score was 20-7.

In the 3rd quarter the Longhorns took the opening kick-off and drove 65 yards in 8 plays when Gary Bilbrey scored his 3rd touchdown of the evening. The extra point was good. The Longhorns were penalized 35 yards on the next Hornet drive to aid their cause and they scored their second touchdown of the night. Jason Cooper blocked the extra point at-

tempt. On the next Longhorn possession a perfectly executed screen pass from Brent Taylor to Jason Cooper resulted in a 60 yard touchdown. The extra point attempt was good.

In the 4th quarter new faces appeared in the line-up. Cody Holland scored on a two yard run and Rudy Sanchez kicked his first field goal of the season. Jacob Goalson had a touchdown called back. The Hornets were not able to move the ball and the final score was 43 to 13.

The defensive line which consists of Rudy Sanchez, David Cason, Todd Harrell, Jacob Goalson, Jason Cooper, Darrell Sharpe, Cory Robinson, Kale Beck, Jason Wilson, Jay Parker and Brent Taylor did an outstanding job of shutting down the Hornets. These guys have only given up 20 points in four ball-games. The Menard Yellow-jackets are coming to Bronte next Friday.

Br. School News

On Saturday, October 16, 1993, at 9:00 am, the new Preliminary Scholastic Aptitude Test/National Merit Scholarship Program (PSAT/NMSQT) will be administered for the first time in high schools across the country. Like the old test, the new PSAT/NMSQT continues to measure verbal and mathematical reasoning abilities important to do college work.

The 1993 PSAT/NMSQT allows students to experience the changes to the new SAT which is referred to as SATI: Verbal and Math Reasoning Tests. The content of the new test reflects all the revisions to the SAT, including an overall effort to make the test questions more like classroom work. Tests are different - not harder.

All juniors have received their PSAT/NMSQT Bulletin which gives the students and parents information concerning the test. Parents will receive a letter highly recommending the students sign up and take the test. They will sign up in the office at the high school and pay their fees of \$7.50 to Bronte High School by Friday, October 8.

Some folks never exaggerate - they just remember big.

Counselor's Comments

by Vicky McCutchen

Many parents who have children approaching their junior and senior years in high school begin to think about the postsecondary years. The fact is, students should begin to explore occupations and careers during their eighth grade year so that they will have some idea of what field they may want to major in for college during their junior and senior years. Many schools will administer an interest/aptitude inventory to help begin their exploration. These can be administered in 2 1/2 to 3 hours. The students will receive a copy of their results, the career area they are interested in, and what area they may be successful in. This is only for exploration because students will more than likely change throughout their high school years. The purpose is to get students to thinking and acting on future plans.

During the sophomore year in high school students need to sign up to take the PLAN, which is a pre-test for ACT (American College Testing program - college entrance exam). The purposes of this test are: 1.) to provide students with practice for college testing; 2.) career planning (an interest inventory is provided); and 3.) provide students with information that will be a good predictor of future success in high school and college. During the junior year in high school students should sign up at their school to take the PSAT/NMSQT. This is the Preliminary Scholastic Aptitude Test/National Merit Scholarship Qualifying Test and has

four basic purposes: 1.) provides practice for SAT (college entrance exam); 2.) helps students to find out about developed reasoning abilities; 3.) gives students an opportunity to qualify for national scholarships; and 4.) to obtain information from college.

The key to success on college entrance exams and scholarship opportunities are the four years in high school. These four years are designed to prepare students for college, and by taking the more challenging courses in high school, students will be more likely to succeed in college and on college entrance exams. Colleges require certain scores on ACT or SAT according to the students class rank in high school.

Lady Longhorn Volleyball

The Lady Longhorns defeated Albany (15-13, 15-11). Jennifer McCorkle and Kim Blair served well. Jill Johnson, Joni Barrett, and Cheryl Santos had a strong game at the net. The Longhorns play C-City, Tuesday, September 27th.

District begins Saturday against Miles. The Lady Longhorns have defeated Miles once before in the Colorado City Tournament (15-1, 15-6). Games will start at 2:00 for JV and Varsity afterwards. Come out and watch the Longhorns perform in Bronte.

Laughter is the brush that sweeps away the cobwebs of the heart.

SHANNON HEALTH NOTES

Diabetes Update

For decades people with diabetes became blind from diabetic retinopathy. Not only is treatment available for this leading cause of blindness, a recent analysis shows current treatments are even more effective in preventing blindness than previously thought. A commentary in the *Journal of the American Medical Association* by Dr. Frederick Ferris, of the National Eye Institute, notes that without treatment, more than fifty percent of patients with proliferative diabetic retinopathy were legally blind in five years. With treatment, less than five percent were legally blind in five years, and only one percent had severe vision loss. Dr. Ferris says results of several studies demonstrate the marked reduction in blindness from using current treatments for diabetic retinopathy. He notes that a number of programs have been developed to ensure that all people with diabetes are examined for diabetic retinopathy and assure adequate treatment for all who need it. With that, Dr. Ferris says, it is a tragedy that people may still suffer preventable blindness.

ROBERT LEE SCHOOL NEWS

Steers win wet, wild one over Bearkats

by Bill Burns

It was a wet, windy and wild night last Friday, when the Steers went to Garden City. Garden City had not won a game this year and they were determined to win against the Steers. The Steers would not accept defeat though, and remained undefeated.

1st Quarter

The Steers go off to a slow start with only one first down in the first quarter and a lost fumble. Toward the end of the quarter Anthony Wink and Dean Burns hit the Garden City Quarterback and knocked the ball loose. John Williams was right there to recover the fumble and took the ball 53 yards for a Steer touchdown. The kick was wide and the quarter ended Steers 6 - Garden City 0.

2nd Quarter

Scot Millican picked up a first down with a 19 yard carry. Jeremy Vincent picked up four more yards for the Steers. A 10 yard penalty against the Steers put the ball back to the Bearkat 23 yard line. Lee McCown covered that 23 yards on his next carry for the Steer touchdown. Robert Lee 12 - Garden City 0.

3rd. Quarter

The Steers lost a fumble, but good defense prevented Garden City from taking advantage of it. Charles Hayes blocked a punt for the Steers.

4th Quarter

The Steers had their best offensive effort of the game. They did not score, but had five first downs. Garden City

did score on a good pass play and then they made 2 points on the conversion.

The game ended Steers 12- Garden City 8. Good game Steers!!

Craddock descendants meet

The descendants of the late Jesse and Lela (Morrow) Craddock met recently in San Angelo for a weekend family reunion.

Jesse Craddock was the son and grandson of S. S. "Uncle Sink" Craddock and William Scarborough, 1880's pioneer settlers of Sanco. Jesse, an early blacksmith, was the founder of Coke Motor Company in Robert Lee, which was sold in 1944 to Cumbie Ivey, Sr., and at that time the Craddocks moved to Colorado City where they owned and operated Craddock Motor Co.

Lela, the daughter of J. Frank and Lela May (Westbrook) Morrow, came to Coke County in 1906 with her father and siblings.

The four children of the Craddock's graduated from Robert Lee High School as did their mother.

Attending the reunion were Mary May Craddock Wylie of Robert Lee; Mike and Fran Wylie Lomas of Robert Lee; Prescilla Wylie Bryan of San Angelo; David and Lisa Lomas Lewis, Jessica and Clay of Brownfield; Teri K. Bryan of Burleson; Frank and Shari Bryan and Kristen of Austin; Jay and Marian Craddock of Colorado City; Garry and Roberta Craddock Grau of Lubbock; and Dana Craddock of Lubbock; Bill and Carleen Craddock of Medina; Ann

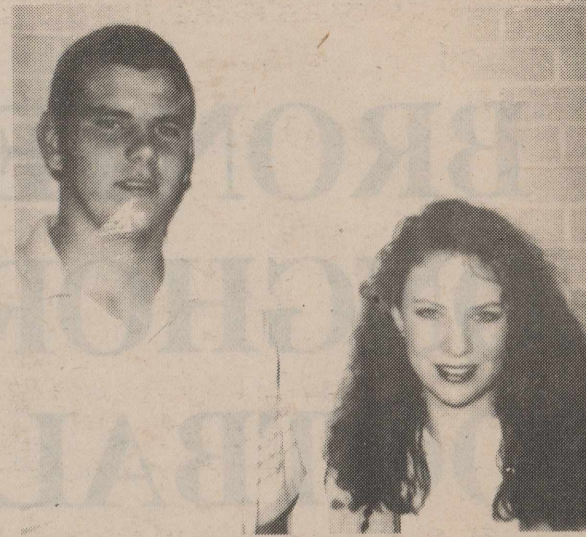

Craddock Wells, Tim, Cody and Misti of Medina; Frank and Faren Craddock, Rainey, Chad and Billy of Wall; friends Dori of Ingram and Lori of Comfort; Bob and Maxine Craddock Wulfjen of Richardson and Lou C. Wulfjen of Dallas. Joining were cousins Jane (Brannen) and Carlton Dodson of Amarillo and W. K. and Elmina Ramsey of San Angelo.

All descendants were present except two from the third generation and two from the fourth generation.

AON Scholarship Plans Underway

AON Club has begun preparations for its seventh annual Chicken Spaghetti Supper. Held each fall, the supper is the primary way funds are raised to support the AON Scholarship fund. Supplies are donated by AON members and all proceeds go to the AON scholarship fund. Since 1987 over \$5,800.00 has sent thirteen graduating RLHS students off to college. The 1993 Spaghetti Supper is planned for Oct. 22. Tickets for the Spaghetti Supper are now available from AON members.

God cannot alter the past, but historians can.
Samuel Butler

John Williams and Elaine Gibbs have been named Mr. and Miss RLHS by a student body vote. They will be honored Friday evening at the Homecoming game. Their parents are Gary and Gaye Williams and Bill and Judy Gibbs, all of Robert Lee.

Mt. Creek Results

A 2-Person team over 40, 27 hole tournament was hosted by Mountain Creek Golf Club on Saturday, September 18. Big winners Coronado-Soto and Anderson-Lay finished 1-2 at 99 to claim the top two spots in the Championship Flight. Taking 3rd with a 102 were Walker-Walker.

In the First Flight, Hodge-Baker carded 102 for the win.

Caudle-Caudle grabbed 2nd with a 105, followed by Webster-Northcutt at 3rd with 109.

Campbell-Campbell shot a 114 for first place in the Second Flight. Second place with a 116 went to Brackeen-Brackeen. Sparks-Sparks followed at 118 to insure 3rd place.

If you tell the truth, you don't have to remember anything.

Bridal Shower

Christy Bivins of Houston, formerly of Bronte, bride-elect of David Hortenstine of Houston, formerly of Taylor, was honored with a Coffee-Bridal Shower last Saturday morning in the home of the Wayne Arrotts.

The serving table was laid with a white embroidered cloth centered with a large arrangement of assorted colors of flowers. Coffee, orange juice, sweetrolls, sausage rolls, apricot fritters, apple cake and other coffee-time refreshments were served.

The home was decorated with antiques and flower arrangements. Gifts filled two bedrooms.

Hosting the occasion were: Mrs. Arrott, Linda Badgett, Brenda Barnett, Jolene Barrett, Jackie Corley, Sharon Gibbs, Wanda Gibbs, Velva Hartman, Brenda Hines, Jeanna Lee, Marifrances Mackey, Pam Parker, Donna Scott, Beverly Sims, Fran Sonnenberg, Jerita Taylor and Charlotte Tounget.

Special guests were the couple's mothers, Marilyn Bivins of Bronte and Kay Hortenstine of Taylor. The bride-to-be's sister, Melissa Bivins of San Angelo and her grandmother Mary Glenn and Nina Bivins of Bronte.

The bridegroom-to-be's mother, Kay Hortenstine, his grandmother, Mildred Lindell of Taylor, his sister, Holly Hortenstine of Taylor, and his aunt, Carol Lindell of Taylor.

Out of town guests were Misti Taylor Bedford of Abilene; Melissa Arrott Stockbridge of Lubbock; Kim Sims Wyatt of San Angelo; Dorinda Scott of Lubbock; and Janet Eubanks White of Lewisville.

Dunklin Reunion

The descendants of Cotus and Margaret Dunklin met at the Civic Center in La Rue, TX, Saturday, September 11th, 1993 in La Rue, TX, for the Family Reunion. This is the 17th year.

Family members present were: Joy Thomas, Bob and

Annie Rae Shuffield, Athens, TX; Nancy Campbell, Don Brown, Carol Ann Brown and children, Claire and Trent Brown, Morris and wife, Neleta Campbell of Flint, TX; Vivian Anderson, Jack and Pauline Dunklin of Jacksonville, TX; W. Jacque Dunklin of Virginia Beach Norfolk, VA; Jeanice Phillips, Jan Speaks of Malakoff, TX; Ralph and Pat Dunklin, Glynn and Jane Dunklin, Carl and Shasta Dunklin, Roy and Paula Smith, Jamie Dunklin, Ralph (Shortie) Sholars, all of La Rue, TX; Billy Joe and Diane Luckett of Bronte, TX; and Jim and Lois Dunklin of Robert Lee, TX.

Next year the Reunion will be held at the La Rue, TX Civic Center on June 11, 1994.

Beauty Tips and Techniques

by Becky Ross and Leigh Ann Stephens

Can makeup conceal port wine stains and other skin imperfections?

This is a question that is easily answered in the Merle Norman Cosmetic Studio. Color correctors can even out facial skin tones which appear as sallow, ruddy or irregular. Merle Norman's Color Corrector comes in four shades. Pure White lightens and brightens skin tone, and gives a youthful translucence to skin. It also helps to offset a slightly sallow skin tone. Yellow enhances an olive skin tone and diminishes gray sallowness. It may be used to even out such "bluish" imperfections as dark circles under eyes and scars. Lilac neutralizes yellow sallowness in mature skin. Mint softens ruddiness, neutralizing red tones, covers broken capillaries, and can tone down small areas of sunburn such as cheeks, nose, etc. To conceal portwine stains, Mint Color Corrector can be applied first and covered with Total Finish Foundation. The combination of the products provides excellent coverage and lasts for hours without retouching.

Judge proclaims Fire Prevention Week

County Judge Royce Lee has proclaimed the week of October 3-9, 1993 as FIRE PREVENTION WEEK in Coke County.

The Coke County Farm Bureau, in conjunction with all fire departments in the county are working together to emphasize fire prevention and protection throughout the county.

Fire Prevention Week is always Sunday-Saturday period in which falls October 9, date of the Great Chicago Fire of 1871. The Chicago disaster killed 250 people and destroyed more than 17,400 buildings.

In this proclamation, Judge Lee has called upon the citizens of Coke County to participate in Fire Prevention Week activities such as locating and eliminating fire hazards; developing a home escape plan; and as a 1993 theme suggests --- "Get Out, Stay Out! Your Fire Safe Response".

Robert M. Brown, President of Coke County Farm Bureau said, "Fire is both friend and foe. We can't live without it, but its destructive power is a threat we must control." Protect yourself by keeping fire a friend:

- *Regularly inspect your house and out-buildings for fire hazards. Check the electrical system, electrical appliances and equipment, fuel storage, heaters and heating systems. Make needed repairs or replacements without delay. Don't overload circuits or bypass fuses/breakers.

- *Remove trash, stacks of paper and other unneeded combustibles that could feed a fire.

- *Read and follow instructions with portable heaters. Place them where they won't ignite combustibles or be tipped over. Never use gasoline in a kerosene heater, and make certain gasoline and kerosene containers are clearly marked to avoid a mix-

up. Never use a kerosene or gas-fired heater in a closed area - have ample ventilation. Be certain you use the correct grade of fuel for your portable heating equipment.

- *Check your heating system prior to the heating season. Install and use wood-burning stoves as directed in the manuals or other literature. Screen fireplaces. Keep chimneys and flues free of obstructions and creosote buildup.

- *Keep matches and lighters out of children's reach.

- *Never smoke in bed and avoid the easy chair when drowsy. Avoid smoking when using flammable materials or in places that have readily combustible materials such as hay, straw, dry weeds, grain dust, etc. Store flammable liquids in well-marked closed containers. Make sure your cigarette or match is "out" before discarding.

- *Install approved lightning protection systems on main buildings. Inspect them annually to make sure they are properly grounded.

- *Be prepared for fire should it strike. Have operating smoke detectors and fire extinguishers. Develop and practice a home fire escape plan. Teach children how to call for help. Have a water supply available to fight fire.

- *Choose and regularly inspect fire extinguishers that are the right size and type for the fires that might occur.

- *Consider installing a sprinkler system in all new construction.

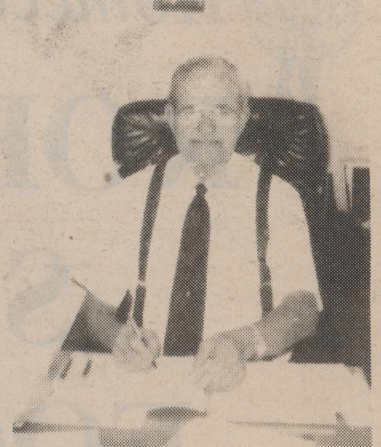

- *Latest information indicates that every 15 seconds a fire department responds to a fire somewhere in the U. S...

- A residential fire occurs every 66 seconds...

- There is a civilian (non-fire service person) fire death every 118 minutes...

- There is a civilian fire injury every 18 minutes...

- An estimated \$9,467,000,000.00 in prop-

Judge Royce Lee

erty damage occurred as a result of fire in 1991, including 49,000 vehicle fires.

It is further estimated that more than 4,000 civilians (non-fire persons) died as a result of fire in 1992.

*For the hearing impaired a bright flashing light provides success in gaining attention. Use 110 candela when placed approximately six feet from the floor and connected with a smoke detector. Always consider variables. For more information call 301-463-0278.

You don't just luck into things as much as you'd like to think you do; you build step by step, whether it's friendships or opportunities.

A lot of people mistake a short memory for a clear conscience.

UMW meets in Robert Lee

United Methodist Women (UMW) of Robert Lee held their first meeting of September at the church Fellowship Hall. Frances Lindsey served as hostess and President Nina Brewer brought an interesting program. UMW encourages reading, and the local unit has a fine library in the church basement covering the four areas of interest the national headquarters lists: many titles related to Christian Personhood, Supportive Community, Christian Social Involvement, and Christian Global Concerns. Some books are novels, true stories of interesting people, poetry, devotions, and humorous or serious approaches to many situations. Nina, an avid reader, gave a brief preview of six new books available for members.

Robert Lee's UMW has more readers than many other groups who report at district meetings. This has been a factor in the group's qualifying as a "Five-Star Unit", a coveted honor among church circles.

September's second meeting involved the usual business meeting followed by a program by Joyce Rives. Louise Walker served as hostess.

The purpose of the program, "Women Called of God", was to understand the role of prophets in scripture, to identify present-day women called by God to be prophetic voices, and to learn to listen and respond to the voice of God through contemporary prophets.

A review of Old Testament women called "prophets" and the naming of contemporary women whose voices have been heard and have made a difference in the world included Mother Teresa, Katherine Marshall, and others made the group feel that the fortelling of future events is not the only criteria by which a person may be considered prophetic. The provocative discussion which followed made members aware of the great influence which women may have on their communities and families.

Business Week, 1958:
"With over 50 foreign cars already on sale here, the Japanese auto industry isn't likely to carve out a big slice of the U. S. market."

Need a Ride?

Take a ride on the Van. The first Wednesday of each month you will find the Rural Public Transportation van on the road to Robert Lee. If you have business anywhere in Robert Lee on that day or can schedule it for that day, call the Bronte Senior Center for reservations. On the second Wednesday of each month the van will be in Bronte to take you wherever you would like to go, nursing home to visit, shopping, pay bills, etc. The van goes to San Angelo on Tuesdays and picks up and takes home congregate meal participants at the Bronte Senior Center on Monday, Wednesday, and Friday of each week. There is a suggested donation fee for those over 60 and a fare that is charged for those under 60. Fares for qualified Medicaid and AFDC clients are paid by the Department of Human Services.

The goal of the Rural Public Transportation system is to provide opportunities to more people and thereby increase rural ridership in West Texas. Fayne Thorn, our van driver, is trained for the safety of her passengers and is required to keep the van well maintained. So call the Bronte Senior Center for more information if you would like to ride with us.

LOOK WHO'S NEW Darik Tyler Fickle

Darik Tyler Fickle is the new son of Michelle (Adkins) and Kenneth Fickle in Germany. He arrived September 12, 1993, weighed 8 lb. 6 1/2 oz. and was 21" long. His father is in military service stationed near Frankfurt, Germany.

Proud grandparents are Angela and Joey Vann of Abilene, Carolyn Wellmaker of Katy, TX, and Ted Fickle of Gallatin, TN.

Great-grandparents are Elmer and Barbara Adkins of Robert Lee, C. R. and Zelma Reed of Dublin, TX, Evelyn Fickle of Wichita Falls, TX, and Thurmond and Betty Taylor of Abilene.

Great-great-grandparents are Edna Adkins and Mr. and Mrs. W. W. Walleit, all of Robert Lee, and La Rue Vann of Rotan.

PUBLIC NOTICE

Young Farmer Endowment Program

The Comptroller of Public Accounts is accepting requests for refunds of the special \$5 license fee on farm and ranch vehicles that agricultural producers have been required to pay to their County Tax Assessor-Collector before August 30, 1993.

If you believe you are eligible for this refund, contact the Comptroller's Office at 1-800-252-1382 for a refund claim form, or obtain one at your County Tax Assessor-Collector's office.

The Comptroller's Office is authorized to make refunds only for claims received by November 1, 1993. Claim forms and refunds of the \$5 special license fee paid on or after August 30, 1993, will be available only from County Tax Assessor-Collectors.

JOHN SHARP
Texas Comptroller
of Public Accounts

Fayne Thorne.

Health News

Margarine

Once again the facts on margarine have changed. The U. S. Food and Drug Administration recently released a report which did not flatter margarine. The report stated that the trans-fatty acids in margarine are similar to the saturated fats in butter in raising total blood cholesterol levels and, in some cases, lowering blood levels of HDL, or "the good cholesterol".

What Are Trans-fatty Acids?

According to Kelli Cochran, R. D., dietician at Methodist Hospital, trans-fatty acids are the result of "hydrogenation," which is the process of adding hydrogen molecules to a liquid fat to make it semi-solid and spreadable.

Hydrogenation is used in packaged cookies, crackers and snacks to help make them

crispier. Hydrogenation also is used to prevent a bad smell and taste that some cooking oils give off.

Tips to Cut Down on Fat

"Even though we receive updated information each day, the one message that has remained constant is that you should restrict fat in your diet," Cochran said.

Here are some helpful hints:

*Whether you use butter or margarine, use as little as possible.

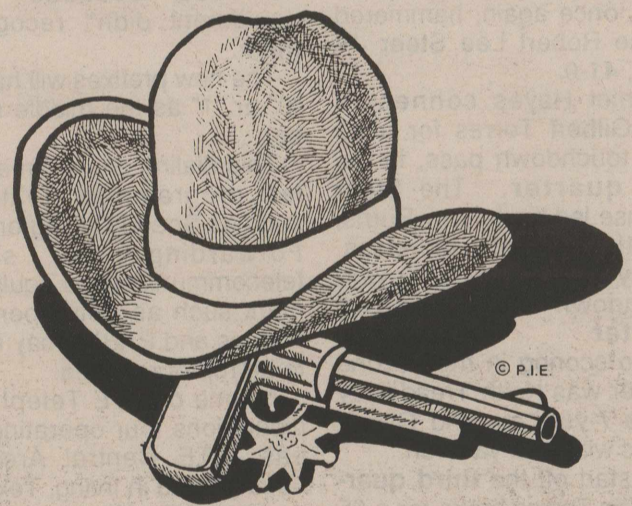

*Choose a soft tub margarine instead of a stick margarine.

*Try using olive oil instead of butter or margarine as a spread for butter.

*Look for low-fat or no-fat cookies and crackers.

*Watch for the words "hydrogenated" and "partially-hydrogenated" on food labels.

Today It's Not Easy Telling The Good Guys From The Bad

There are lots of people wearing white hats telling you how to invest your money. Many of these programs are risky, at best.

That's why the best place for your savings or investment program is right here at home. We'll show you the plan that will work best for you, and best of all, its insured by F.D.I.C. to \$100,000.

Teach Latchkey Kids About Food Safety

Millions of youngsters who will be on their own at home after school this year could benefit from a few food safety rules to prevent foodborne illness.

Children usually prepare their own snacks when they return from school. Parents can help prevent foodborne illness by reviewing the following list with children.

*Deposit books and book bags somewhere besides the kitchen. They can harbor many harmful germs.

*Throw away any left-over perishable foods brought home from a carried lunch. An exception to this might be unopened cans of foods that are self stable and do not require refrigeration, such as canned fruits and canned meats.

*Always wash hands before touching food.

*Use only clean utensils.

*Keep cold foods refrigerated. Always put milk, meat, cheese, etc. back in the refrigerator immediately and be sure that refrigerator door is closed tightly. Take out only what you plan to eat and refrigerate leftovers from any cans that you open.

*Do not eat any food that looks or smells "funny".

*If you are going to allow children to use a microwave, or any appliance for that matter, teach them to use it safely. Teach them to always use potholders and warn them

RL JV Football

The Water Valley Wildcats were, once again, hammered by the Robert Lee Steer JV team, 41-0.

Daniel Hayes connected with Gilbert Torres for a 25 yard touchdown pass, in the first quarter. The Steer defense led by Jeremy Burns, held the Wildcats scoreless. Harley Wagner ran a 70 yard touchdown in the second quarter.

Also scoring in the second quarter was Keith Treadaway with a 7 yard run and Gilbert Torres with a 15 yard run.

To start off the third quarter, Eric Torres broke for a 65 yard touchdown, bringing the score to 35 to 0. Keith Treadaway, with an outstanding run, ran a 35 yard touchdown which ended the game at 41-0.

The Steer JV football team did an outstanding job against the Wildcats. Come out and watch the Steers play the Cahoma Bulldogs, Thursday, September 30, at Coahoma at 5:00.

Economist Irving Fisher on Oct. 6, 1929; "Stocks have reached what looks like a permanently high plateau."

about burning steam from popcorn or any closed container in the microwave.

Play it safe to keep youngsters safe and free of foodborne illness.

Calling Procedure

Beginning October 15, 1993, all long-distance telephone calls placed within the "817" area code should be dialed 1+817+ the number, or 0+817+the number, even though the long-distance call is placed within the 817 area. Calls made without using the 817 area code will still be placed correctly until January 19, 1994, when all long-distance calls within the 817 area code must include "817". However, callers are encouraged to begin dialing 817 beginning October 15, 1993.

In the past, customers who called long distance within the 512 area code didn't have to dial 817. But with the increased demand for more telephone numbers due to cellular phones, computer modems, facsimile machines and data transmission lines, telephone companies were close to running out of available telephone numbers in the 817 area code.

By dialing the area code for all long-distance calls, it allows telephone companies to assign a series of phone numbers that telephone equipment previously recognized as area codes. These new phone numbers will have prefixes (the first three numbers of the seven-digit phone number) that, previously, telephone companies could not use because the equipment didn't recognize them.

The new prefixes will have a "0" or "1" as the middle number.

This dialing change may affect programmed features such as Speed Calling or Call Forwarding, and some telecommunications equipment such as coin-operated phones and PABXs may need to be reprogrammed.

As one of GTE Telephone Operations four operating areas, GTE Central Area -- headquartered in Irving, Texas, -- serves 2.5 million customer access lines in 13 states: Arizona, Arkansas, Iowa, Kansas, Minnesota, Missouri, Nebraska, New Mexico, North Dakota, Oklahoma, South Dakota, Texas and Utah.

Spence Fishin'

San Angelo Bass Club

The San Angelo Black Bass Tournament was held at Lake Spence and headquartered at Paint Creek Marina.

Big bass was lured in by John Wurster of San Angelo, TX. It weighed in at 8 lbs. 1.9 oz. and was hooked on a Pop-R top water lure.

1st Place
Chris Stone with 5 fish at 12 lbs. 3.8 oz.

2nd Place
Tom Lewis with 5 fish at 12 lbs. 1.4 oz.

3rd Place
Cliff Wagnor with 5 fish at 11 lbs. 3.0 oz.

There were 15 club members and the total weight of black bass caught was 98 lbs.

Midland Bassin' Bunch Classic

Bassin' Bunch Tournament was also held at Lake Spence and Headquartered at Paint Creek Area.

Jim Dixon weighed in a black bass at 3 lbs. 9.8 oz., to be the Big Bass for the day.

1st Place
Steve Walden and Jim Dixon with four fish at 9 lbs. 8.7 oz.

2nd Place
Cal Wolfenberger and Betty Taylor with three fish at 7 lbs. 6.2 oz.

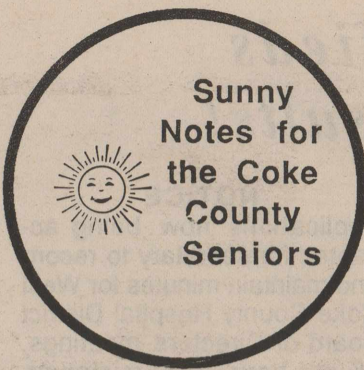

3rd Place
Dale Whisenant and Lue Kirby with three fish at 7 lbs. 4.6 oz.

Bassin' Bunch had a total of 20 members. They hooked 22 black bass with a total weight of 50 lbs. 14 oz.

Personal

Edith Hipp of Bronte returned home last Thursday night from Hobbs, NM, where she had spent a week in the home of her son, Wornock Hipp, Jr., and his wife.

Visiting in her home last Sunday were Jimmy and Charlotte Hipp of Midland.

Bronte News Home Delivered Meals

Do you know someone who might qualify for a home delivered meal three times a week? Call the Bronte Senior Center for more information.

Congregate Meals at the Center

Each week we print the menu for next week in our SUNNY NOTES column. Would you like to come join us for lunch? If so, call the Bronte Senior Center and sign up. You don't have to do this on a regular basis, just give us a try. A small donation is recommended for the lunch.

PAY LESS PER FILL UP.

Now you can fill the tub again and again without getting soaked. Because a propane water heater can save you \$2,000 over the life of the heater. And a propane water heater pays for itself in about two years. It heats twice as much water as an electric water heater in the same period of time. And propane is better for the environment. So get more hot water for less cold cash. Switch to propane. For more information call 1-800-64-CLEAR.

Texas Railroad Commission
