## John L. Tubbs, Retired Businessman, Dies Sunday; Final Rites Held Tuesday

John L. Tubbs, 70, retired businessman and longtime resident, died at 4:35 p. m. Sunday in the Haskell Hospital. He had been a patient in the hospital since Thursday, suffering from a heart ailment.

Funeral services for Mr. Tubbs were held at 3 p. m. Tuesday in the First Presbyterian Church with Dr. R. K. McCall, pastor, officiating.

Burial was in Willow Cemetery under direction of Holden Funeral Home.

Mr. Tubbs was born July 8, 1886, at Crawford, son of the late Mr. and Mrs. John W. Tubbs.

He was married to Mayre J. Churchwell in Uvalde Sept. 5, 1912.

He was a 1906 graduate of Draughon's Business College in Waco, and came to Haskell County in 1906, with his parents, from near Crawford. His parents purchased land several miles west of Haskell, where Mr. Tubbs was engaged in farming with his father until 1916, when he purchased an interest in Haskell's first steam laundry company. He managed this business for four years.

Mr. Tubbs sold his interest in the laundry and purchased a soft drink bottling and ice cream plant, which he managed for about two years, then organized the Haskell Laundry Company. He held controlling interest in and was manager of the firm from 1920 until 1944. He sold it and engaged in the electrical contracting business several years, selling it and retiring in 1954.

Mr. Tubbs was an elder in the Haskell First Presbyterian Church, and was a member of the Masonic Lodge.

Survivors include his wife; one daughter, Mrs. Roy Wiseman of Haskell; two sisters, Mrs. Maggie Anderson of Oklahoma City, Okla., and Mrs. Isabella Hays of Safford, Ariz.; and one grandson, Randolph Wiseman of Haskell.

## Summer Classes in Homemaking To Begin Monday

Summer classes in Homemaking for high school girls will begin Monday, June 3 at 9 a. m., Mrs. Mary McCollum, HHS homemaking teacher has announced. Any girl who has had one or more semester of homemaking is eligible to earn one-half credit during the summer. Classes will be held at the cottage each morning for two weeks, 9 a. m. to 11 a. m. During this period group activities will include refurnishing furniture, laundering of cottage curtains and some sewing.

At the conclusion of the group work each girl will plan, carry out and report on individual projects at home during the summer. All reports and projects will be finished in August in time for credit to be given before the opening of the fall term. A group of approximately 23 girls is expected to participate this summer.

During the month of August a class for the women of the community is on schedule. This class has become a regular feature for the past several summers, and usually is well attended. More definite plans will be announced later in the summer.

## Council OK's Joint Street Project With Precinct 4

In two meetings this week, the City Council gave pay raises to four employees, set a definite policy governing vacation time and sick leave for all employees, and OK'd a joint project with County Commissioner Francis Blake of Prec. 4 for grading up and improving approximately 20 blocks of streets in West Haskell.

In other matters coming before the Council, city officials shied away from setting up city or corporate court as suggested by Police Chief Tom P. Barnett, at least pending further study.

Also a group of seven Negro residents of North Haskell who came before the Council to see if a sewer line could be built to serve their homes, was advised that individual septic pools would be the most feasible solution to their problem. There is not enough "fall" in the area to link lines with the municipal system, the Negroes were told. They were assured cooperation of the city in providing specifications and other helps for the sewage disposal units.

Also, tentatively discussed was the proposition of securing some sort of disinfectant storm warning device, other than using the fire department sirens as at present. Mayor J. E. Walling said several persons had mentioned the matter to him, and some of the Aldermen also had been approached on the matter. Something similar to an air raid warning signal was discussed, as well as a steam or air whistle, but no definite conclusion was reached.

Street Project  
Commissioner Blake and eight residents of West Haskell appeared before the Council to discuss the joint street improvement project.

Explaining that the Haskell residents were also taxpayers in his precinct, Commissioner Blake said he felt they were "entitled to some help on their streets, and if the City will go a little ways our Precinct will do the rest and give these people better streets."

Blake explained that Precinct 4 would furnish a loader, two trucks, grader and operator and do all the work, if the city would furnish at least two trucks and pay one-half the cost of material required. Blake stressed that he would want his operator to do the fill and grade work.

After discussion, Aldermen voted to turn the project over to Hut Pitman, Street Commissioner, to work with County Commissioner Blake in carrying out the project. Caliche to be used will be secured from pits in the west part of town, and cost of the entire program will be small. Blake and city officials stated.

Special Session  
Policy governing vacation time and sick leave was adopted at a special meeting of the Council Monday afternoon, when pay raises also were granted four employees.

Salaries of City Secretary T. J. Arubucke and Water Works Supt. Roy Ollphant were increased from \$275 to \$300 per month each. Salary of City Nightwatchman Richard Spinks was raised from \$175 to \$190, and Mrs. Ora Stovall, assistant in the city's secretary's office, received a raise in pay from \$165 to \$175 per month.

Every employee of the city who has worked one year or longer will get one week's paid vacation each year. Vacation time is not (Continued on page 10)

## Commissioners Grant Pay Raises, OK Trailer Purchase for Prec. 3

Pay increases were granted two deputies, and an additional office deputy was employed in the office of the County Tax Assessor-Collector, by the Commissioners Court in regular session Tuesday morning.

The Court also authorized the purchase by Commissioner Louis Kuenstler of Precinct 3 of a heavy duty trailer for use in hauling a loader owned by the precinct.

The salaries of Mrs. Alene Rainey and Mrs. Janice Blackburn, deputies in the Assessor-Collector's office, were increased from \$150 per month to \$175 per month. Also, Mrs. Doris Montgomery was employed as deputy at the regular starting salary of \$150 per month.

The pay raises did not increase the regular salary budget of the assessor-collector's office. Mrs. Rainey and Mrs. Blackburn have completed one year's service as deputies, having started at the regular \$150 per month rate.

Purchase of the trailer for Prec. 3 will involve expenditure of approximately \$1,995.

The court also set Thursday, June 13, as date when the Commissioners would meet as a Board of Equalization to review tax renditions for the current year and make any revision deemed necessary.

Anti-Garbage Petition  
A petition originally intended for the City Council wound up in Commissioners Court.

Signed by 33 residents of South Haskell, it was a protest against the dumping of garbage near the south city limits in the vicinity of the city sewage disposal plant.

The matter was referred to the County Health Officer for whatever action might be necessary.

Plans for the Summer Recreation Program for the young people of the community were outlined at a meeting of the Youth Development Council Tuesday night.

One of the first objectives will be to raise a moderate budget for the program, and a committee headed by J. L. Mullins, assisted by Thos. B. Roberson and Lynn Pace, Jr., was named to conduct a fund raising campaign at an early date.

"We will probably make the drive Monday, or as early as possible," Mullins said Wednesday. "Only a few hundred dollars will be needed and we feel sure the people of Haskell will support the program generously," he said.

Plans were completed for Pony League baseball and several other projects were discussed at the meeting in addition to the fund drive.

Owen Felsus was elected president of the Youth Development Council, succeeding Carl Anderson, former president who will serve as vice president.

QB Club Meeting Slated Tonight  
Officers of the Haskell Quarterback Club will be elected at a meeting to be held tonight (May 30) in the High School lunchroom, at which time plans also will be made for activities during the 1957 football season.

All members of the club and all football fans and supporters of the HHS Indians are urged to attend the meeting tonight.

Dr. Turner Lewis, Former Resident, Dies in Childress  
Dr. Turner L. Lewis, 77, prominent Childress dentist and brother of C. A. Lewis and Mrs. E. M. Smith of Haskell, died at 8 p. m. Monday at his home in Childress. He had been seriously ill for the past year.

Funeral for Dr. Lewis was held at 2 p. m. Wednesday in Childress, and burial was in that city.

Dr. Lewis was a native of Collin County, and came with his parents to Haskell in 1900. ## Lake at Highest Level on Record, 1411.2 Feet

Continued inflow from rains during the past week has raised the level of Lake Stamford on Paint Creek to the highest point since the reservoir was completed, according to readings at the West Texas Utilities Company's Paint Creek Power Station.

Level of the lake was gauged at 1411.2 feet above sea level at 8 a. m. Wednesday, and the lake held approximately 46,000 acre feet of water.

Highest previous level reached in the lake was 1410.0 on June 7, 1954, when the lake held 42,000 acre feet.

Spillway level is 1414 feet, 2.9 feet higher than Wednesday's reading.

May rainfall to date at the WTU plant has been gauged at 10.25 inches, and total for the year is 23.35 inches.

## Homer Turnbow Dies Wednesday In Tennessee

Homer Turnbow, a former Haskell resident and well known here, died unexpectedly early Wednesday morning at his home in Hohenwald, Tenn. Death occurred in his sleep, relatives here were advised. He was about 58 years old.

Mr. Turnbow had been serving as a forest ranger for the past 12 years. He recently suffered a slight heat attack, but the illness was not considered serious, relatives said.

While a resident here in the 20's and early 30's Mr. Turnbow operated a service station between Haskell and Weinert for several years. He returned to Hohenwald in about 1934.

Funeral service for Mr. Turnbow will be held in Hohenwald, but arrangements had not been completed Wednesday afternoon.

Mr. Turnbow is survived by his wife and two brothers, G. A. and J. C. Turnbow of Haskell, and a sister, Mrs. Senia Ammons, also of Haskell; and several nieces and nephews.

J. C. Turnbow left Wednesday for Hohenwald to attend the funeral of his brother.

MRS. GENE OVERTON

School closed Thursday morning with the issuing of report cards and the seniors left on their senior trip early Saturday morning about an hour after the big rainstorm. We took the twins to the school at 3:30 that morning, and I know we almost met a tornado right in the middle of the Haskell-Stamford highway. We almost turned back toward home, but we were nearer Roy's cellar than we were our own, and by the time we drove three or four miles further the clouds looked better. All the seniors went on the trip except Clarence Isbell who had a job starting Saturday, and Martha Stephens whose mother was in the hospital. We were so sorry those two were not able to go. The senior sponsor, J. C. O'Neal, Mrs. O'Neal and Willie Lee Medford also made the trip.

We had cards from Laredo, and their plans were to attend Catholic mass at Laredo Sunday and go across to Nuevo Laredo, Mexico for a bull fight Sunday afternoon. They planned to go to Corpus Christi and then to San Antonio, but since it has rained so much there, those plans may be changed.

The 8th grade graduation program was Tuesday night with three boys and four girls graduating from Junior high into high school. Mary Lou McLennan played the processional. Patty Bean, daughter of Mr. and Mrs. Ellis Bean, gave the salutatory address, and special music was a song "His Eye Is on the Sparrow" by a quintet of seniors, Waller Overton, Neita Walton, Fred Selby, William Overton and Judy Earles. The valedictory address was given by Joan Griffith, daughter of Mr. and Mrs. Sammy Griffith. The speaker for the occasion was Dale Condon, the well known young lawyer of Haskell Junior high principal. Pat Morrison, gave perfect attendance awards to Ronnie and Judy Medford, Frances, Betsy and Nancy Jones, Judy and Sandy Earles, Butch Kohout.

Then Mr. Morrison gave diplomas to the following 8th grade graduates: Joan Griffith, Johnny Watson III, Mike Shaw, Patty Bean, Elizabeth Lopez, Martindale Coleman and Mary Lou McLennan.

Graduation for the high school was held Wednesday night at 8 o'clock. The processional and recessional was played by Carolyn Cook. The salutatory welcome address was given by William Overton. The class sang the hymn "Follow the Gleam," and Arvie Bergstrom gave the valedictory address. The speaker was introduced by Supt. Dan McRae, and Dr. Anthony Cook, president of Howard County Junior College gave the graduation address. The seniors were recommended for graduation by J. C. O'Neal, to the president of the school board, Gene Overton, who presented the diplomas to the following graduates: Arvie Bergstrom, Sue Shaw, Howard Scheets, Clarence Isbell, William Overton, Eddie Lee Thane, Leon Hokanson, Martha Stephens, Fred Selby, Waller Overton, Cynthia Russell, Eddie Mack Earles and Roddy Kuenstler.

Word was received Friday night of an accident in which Jerry Don Jones, son of Mr. and Mrs. L. B. Jones was seriously injured. The accident occurred near Big Spring where Jerry Don is in college at HCJC and is also working. He was trying out a car he was contemplating buying, and the car dealer was riding with him. They came up on a piece of highway equipment which had no flares, and to avoid hitting it he turned the car and

hit the soft shoulder. The car dealer was not hurt, but Jerry suffered deep facial cuts and concussion. His parents left for Big Spring, and he is still in serious condition, it is sad.

Pat Morrison received four basketball scholarships Saturday from the coach at Cisco Junior College. One was for Cynthia Russell, one for Sue Shaw and one for Neita Walton, and the fourth was for Eddie Lee Thane. These young people are on the senior trip and will sign or reject the scholarships when they return June 1. The community is very proud of these athletes, and congratulate them all.

Mrs. Frances Jones Hill of Denton and Mrs. W. S. Cole of Rule attended the graduation exercises to see their great nephews, the Overton twins graduate. Also attending were the twins' grandparents Mr. and Mrs. L. W. Jones, Sr., of Rule and their uncle's family, Mr. and Mrs. L. W. Jones, Jr. and children of Rule.

Fred Selby had as his special guest for graduation his brother David Selby and his friend from ACC in Abilene.

Mr. and Mrs. Morris Allen of Haskell attended graduation exercises when her brother Arvie Bergstrom graduated.

Rev. and Mrs. J. B. Thompson attended the graduation exercises.

Mr. and Mrs. J. Howard Montgomery were in College Station Saturday for the final review and commencement exercises, as their son John Carlos Montgomery received his diploma and his commission as a 2nd Lt. in the Army. Mr. and Mrs. Durward Livengood and daughter Carolyn also attended the graduation. Carlos is Mrs. Livengood's nephew.

Mrs. Leslie Cox of Ft. Worth was a recent visitor in the home of her sister, Mrs. W. S. Cox and Mr. Cox, and of her brothers W. A. and Howard Montgomery. Mrs. Cox was here to attend the wedding announcement, tea of her nephew Vaughn Cox and Miss Virginia Frierson.

Mr. and Mrs. Harvey Terrell had as their guests recently their son, Rev. Edwin Lee Terrell and Les Silman of Mineola. The children of Mrs. W. T. West in Stamford spent Mother's Day in the home of their mother and had a picnic lunch at noon. Those attending were Mr. and Mrs. Cody West of Goree, Mr. and Mrs. H. L. Terrell and Lloyd from Paint Creek, Mr. and Mrs. John Guilette, Mr. and Mrs. P. E. Thompson and Jay West of Stamford, Mr. and Mrs. W. S. Thomas and girls of Abilene, Mr. and Mrs. Jerry Terrell and children of Colorado, City, Mr. and Mrs. J. T. Caffey and Mrs. Don Caffey and baby of Stamford, Mrs. David Carman and children of Fort Worth, Mr. and Mrs. Cody Thompson and girls, Mrs. Durward Caffey and baby and Mrs. Lester Seth and children of Abilene. The West children were reared here in our community and you all know them, so I didn't sort the children and grandchildren families. I just mixed them up.

Mr. and Mrs. Elmer Stephens attended the funeral in Silverton for the family of his nephew, Rance Stephens. Rance Stephens and his wife parents, Mr. and Mrs. L. V. Vaughn were all killed in the Silverton tornado May 15. The two families lived next door to one another, and there was not a splinter of either house left. The families were asleep at the time of the storm, it was supposed. Mr. Stephens had led the discussion of the 23rd

Psalm at the Bible class at the Church of Christ earlier Wednesday evening.

Mrs. Elmer Stephens has been in the Stamford Sanitarium since returning from the funerals, suffering from shock and high blood pressure.

Mrs. M. B. Howard, who was released from a hospital is spending a few days with her daughter, Mrs. Rice Alvis and children west of Haskell.

Mrs. Paul Fischer and daughters attended the wedding at the Lutheran Church in Haskell Saturday night of Mrs. Fischer's nephew, Alton Peiser and Maurice Fouts.

Belated sympathy is extended Mrs. J. B. Doty in the loss of her mother, Mrs. Lee Watts of Avoca week before last. Mrs. Watts was also the grandmother of Mrs. Wayne Preston, wife of a former coach in our school. Mr. and Mrs. Preston were here from Abernathy of the funeral.

Announcement has been made of the forthcoming marriage of Jerry Thane, son of Mr. and Mrs. Edwin W. Thane, and Miss Joyce Marie Weiss of McGregor. The wedding is to take place on June 24 at the Zion Lutheran Church in McGregor. Miss Weiss has been teaching the 2nd grade in the schools in Waco, and Jerry is a ministerial student at the Capital Seminary in Columbus, Ohio. They are both graduates of the Texas Lutheran College at Seguin. Mrs. Thane told me Jerry is to begin his intern at San Antonio this summer at a Lutheran church there.

Jeff Smith, Jerry Hughes and Martindale Coleman and Johnny Watson are going to play in the Little League and Pony League baseball teams in Stamford this summer.

Mrs. J. Z. Williams has not been feeling as well last week and spent a few days in the hospital.

Rudy Raughton has spent the last several days with his parents, Mr. and Mrs. Clarence Raughton and his brother's family, Mr. and Mrs. James Raughton. Rudy has just completed his sophomore year at Baylor on a baseball scholarship. He left for Homer, La. Monday where he will play ball with the Homer Oilers this summer. He hopes to be back home by the middle of August.

Mrs. Ray D. Gressett has returned to her home in Lubbock after spending several months at the home of her parents, Mr. and Mrs. Raymond Bounds. Mrs. Gressett with a pink and blue party on Friday before she left.

Joe Patterson has returned home after spending about three weeks in the Haskell Hospital following surgery.

Mr. and Mrs. John Kohout's grandson, Doug Kohout, age 20 was hurt in a highway accident last week at Snyder and is in the hospital there. He is the son of Mr. and Mrs. Louis Kohout.

Mrs. Lilla Heflin underwent surgery in the Stamford Hospital Saturday and is getting along fine.

Mr. and Mrs. Dan McRae and children, Johnny and Linda, were in Dallas on Saturday after school closed for Linda's annual checkup. Her doctor was pleased with her progress, and said the dental surgery could be delayed for perhaps a few more years.

Mr. and Mrs. Pat Morrison and children were in Ft. Worth last Friday for the funeral of W. B. Owen who was a half brother of Pat's father, Rev. V. P. Morrison of Strawn. Mr. Owens suffered a heart attack several weeks prior to his death. The Morrissons came back by Strawn for a visit with Rev. and Mrs. Morrison.

Mike Overton left Tuesday with Rev. and Mrs. J. B. Thompson for Amarillo where they will spend several days with his uncle and aunt, Mr. and Mrs. Charles McBeath. Rev. and Mrs. Thompson are attending the Northwest Texas Methodist Conference in Amarillo this week.

Mr. and Mrs. Brooke Early, Albee and Paul are spending several days in Brownwood with Mr. Early's parents. Mr. Early had some minor surgery.

The pipe arrived for our new lake water system and the men of the community have been hauling it from the railroad car in Haskell down to the lake. Gene Overton and Paul Fischer furnished their "new" trucks and Commissioner Kuenstler furnished one of the precinct trucks to haul the pipe.

I'm sorry about last week's news. But the phone was out, and we had a full time job helping with the programs at school and graduating the boys.

Ray Hughes has completed his submarine training and has been assigned duty on a sub and is now in Cuban waters. His mother, Mrs. W. C. ## Livestock Receipts Down, Trade Active At Ft. Worth

By TED GOULDY

FORT WORTH — Receipts at Fort Worth in the cattle division were about 1,000 below a week ago as weekend rains slowed movement in the country. However, around the major marketing circle a seasonally heavy run was reported at more than 108,000 cattle and calves. This totaled 16,000 above a week earlier.

Trade at Fort Worth developed along fairly active lines and slaughter cattle and calves were mostly fully steady, with some calves strong. Stocker trade was very active as the out-of-state representation from the Cornbelt and the Western States were active. Prices ruled strong to unevenly higher on replacement calves and yearlings.

Hogs were 25 cents higher as choice meat hogs topped at \$19, and medium grades sold from \$16 to \$18.50. Sows cashed at \$15 to \$16.50.

Good and choice yearlings and heifers sold from \$19 to \$22.85, the top figure for a load of 760-pound fed heifer, from Johnson County. Plain and medium butcher yearlings and heifers sold from \$12 to \$18.

Fat cows cashed at \$12.50 to \$15, with one tippy load of cows from Tom L. Burnett Cattle Co., Foard County, topped at \$16 and averaged about 1,200 pounds. Canners and cutters sold from \$8 to \$12.50. Bulls drew \$10 to \$15.50.

Good and choice slaughter calves sold from \$18 to \$21, and common and medium offerings cleared at \$13 to \$17.50. Cull sows sold from \$10 to \$13.

Good and choice stocker steer calves ranged from \$19 to \$23, and good and choice heifer calves sold from \$16 to \$21. Good and choice stocker steer yearlings sold from \$18 to \$22. Replacement cows sold from \$10 to \$14.

## Munday Students Receive Degrees From McMurry

Mr. and Mrs. Wayne Smith of Munday received degrees from McMurry College, Abilene, May 27 in the school's 34th commencement exercises.

Wayne is the son of Mr. and Mrs. A. L. Smith, and Mrs. Smith is the former Julie Massey, daughter of Mr. and Mrs. J. W. Massey. Mrs. Smith is also the granddaughter of Mr. and Mrs. F. J. Josselot of Weinert.

Mrs. Smith received the bachelor of science degree with a major in education and minors in English and religion. She has been a member of Delta Beta Epsilon, woman's social club, also Christian Foundation, Volunteers, Sigma Tau Delta, and Future Teachers of America. She has also been Totem beauty, athletic sweetheart, class favorite, Kiva sweetheart, and class secretary.

Wayne received the bachelor of arts degree with a major in biology and a minor in chemistry. He has been a member of the German Club, Pre-Fessional Club, and Kiva, men's social club. He has also been class vice president two years, men's social club council secretary, and was elected to Who's Who in American Colleges and Universities. Smith was also salutatorian.

Both Mr. and Mrs. Smith are 1933 graduates of Munday High School. Smith will enter Southwestern Medical School in Dallas this fall. Mrs. Smith will teach in the Irving Public School.

Mr. and Mrs. Herbert Barnett of Fresno, Calif., are visiting in the home of Mrs. Barnett's parents, Mr. and Mrs. Jim Cameron and with other relatives and friends here. They are former residents of Haskell, having moved to California some 20 years ago.

It is with great admiration and glad we dedicate this salute to each and every of Haskell's new Rotary Club.

We know that the purpose of the of "Rotary" was to provide a better meaning "good will toward men" and real greater community welfare service.

We know the names connected with organization of our new Haskell Club, and proven ability and most sterling qualities.

We know that they will not only by the actual performance of their deeds, but by their challenge to other civic clubs and equals of our community.

We know that the greatest need of our is men who can see the need.

### Storage for Grain Sorghum Should Be Planned Now

Storage problems can be a headache to Texas grain sorghum producers. It's a choice between commercial and on-farm type storage, unless the producer wants to take "turn-row" prices.

In some areas when commercial storage is available, it's usually the best bet. Extension Agricultural Engineer W. S. Allen says the economy-minded farmer will leave moisture, fumigation and handling problems to the warehouseman. This means more time for seasonal task on the farm.

Harvest will generally be a little later this year, but Allen says early storage preparation will pay off. If a commercial warehouse is out of the question, sound, tight buildings equipped for drying grain sorghum will handle the job of on-farm storage.

On-farm storage will require fans, motor and duct system capable of providing two and a half cubic feet of air each minute for each bushel of grain. Allen says farmers interested in such an operation should not combine grain above 18 per cent moisture content. Grain should be leveled no higher than 8 feet in storage bins.

Successful farm storage will require a properly designed building, an adequate drying system and good management practices. See your County Agent for copies of Extension Bulletin B-246, "Drying Grain With Unheated Air," L-275, "Planning Farm Storage" and L-235, "Maintaining Quality of Farm Dried and Stored Grain."

### WHS Seniors and Sponsors Return From Colorado

Members of Weibert High School Senior Class and their sponsors returned Monday evening from a trip to Colorado. They visited many points of interest while there, including Canon City and the state prison, Colorado Springs and Denver.

Sponsors accompanying the class were Douglas Myers and Mr. and Mrs. T. V. Lum. Seniors making the trip were Roberta Raynes, Becky McGuire, Dolores Dunnam, Linda Walker, Bill Guess, Bobby Cass, Frances Walker, John Patton, Billy Allen, Richard Hix.

### Texas' Wyatt Earp, 5, Upholds Law at Boot Hill, Kansas, Fete

Wyatt Earp, 5 year old grandson of Mr. and Mrs. J. W. Earp and Mr. and Mrs. J. A. Driggers of Weibert, recently was sworn in as a deputy marshal at Dodge City, Kansas during the 8th annual Boot Hill Festival, May 3-5.

The "real life" Wyatt is the son of Mr. and Mrs. W. H. Earp of Pampa and was invited to the festival by its sponsors. He was given an original "old time" marshal's badge and Dodge City's mayor, N. J. Reese, gave him a Boot Hill certificate, making him a member in good standing of law and order.

Wyatt's father said it is not known for sure that little Wyatt is actually related to the famed marshal of Dodge City who died in 1882 in Arizona, but it is likely that he is a distant kinsman. Young Earp stood stern faced as Dodge City's Chief of Police Kenneth House, read the official oath—"do you promise to uphold the laws of Texas and Kansas, to obey your mother and father and Sunday School teacher?" Little Earp answered firmly, "I do." Chief House then pinned the badge on him.

During the Festival young Earp was joined at the head of a parade by western star Eddie Dean and attended many other festivities climaxed with a rodeo.

After the festivities officials of the Boot Hill Festival Glenn Cox and Richard Hancock accompanied by Chief House flew into Pampa and presented the young law-maker with the saddle and bridle which he used in the parade.

Chief House said that the boy was doubtlessly the youngest honorary marshal of Boot Hill ever made, as well as the youngest deputy of Dodge City. The title of honorary marshal of Boot Hill has always been reserved for outstanding dignitaries and actors who visited Dodge City. Among the few "marshals" ever named stand such notables as

## News from Rule

By FAYE DUNNAM

The members of the Freshman and Junior classes were entertained royally last Friday by the Abilene Chamber of Commerce when they went down for their "close of school" picnic. They were escorted to the skating rink, swimming pool, carried on a tour of Dyess Air Base, and had a picnic lunch at the park. A wonderful day was reported by the students and room mothers making the trip.

Ann Henry, Rule senior, was honored with a coke party in the home of Mrs. Weldon McCormick with Mrs. Tom Ed Simpson as co-hostess.

The table was laid with a lace cloth and a centerpiece of red roses. The plate favors were of miniature graduates. Cokes, tea, and tiny donuts were served.

Those present were Ann Henry and her mother, Mrs. R. O. Henry, Tommy Jo Simpson, Clarice Heatherly, Myrtle Murray, Pat Jeter, Lynn Fouts, Beth Tanner, Carolyn O'Pry, Charlene Mowell, Iva June Casey, Wanda Allison, Danna Hunt and Janice Mauldin.

The Rule Seniors left Monday night after graduation exercises for Austin, San Antonio, Corpus Christi, and Flying Dude Ranch at Bandera. They went by chartered bus and will be back Saturday. Mr. and Mrs. David Garlington and Mrs. Anna Mae Roberts accompanied them on the trip.

The Rule student body had the privilege of seeing films of "Operation Deep Freeze" and hearing A. B. Arnett, Jr. report on the expedition last Thursday.

Mr. and Mrs. A. B. Arnett have accompanied their son and family, Mr. and Mrs. A. B. Arnett Jr., back to Alexandria, Va., for a ten days visit.

Mr. and Mrs. Don Foil have moved to Abilene where they will make their home.

Mr. and Mrs. Henry Kindley Jr., of Graham visited in the C. W. Dunnam and Mrs. Ferber Chambers homes over the week end.

Mr. and Mrs. W. V. Almond visited their daughter and family in Colorado City over the weekend.

Mr. and Mrs. Herbert Hines visited their son, Alvin Hines, and wife in Electra over the weekend.

Mrs. Charley Tribby is visiting her son, Roy Tribby, and family in Lubbock and her sister Mrs. W. B. West in Hale Center.

Mr. and Mrs. L. T. Malone visited their son in a hospital in Big Spring over the week end, C. G. Malone.

Mrs. W. E. Wright has returned from Fort Worth after an extended visit with her daughter, Mrs. L. D. Elliott and family.

Mrs. M. E. Hines was called to Waco where her grandson is to undergo surgery. He was born May 19 in Providence Hospital and answers to the name of Donald Edwin Hines. He is the son of Mr. and Mrs. Aubrey Hines.

Mrs. Alma Allen visited her son, Mr. and Mrs. Grady Allen and Gary at Ralls over the week end.

Weldon Almond of Lovington, N. M., visited his parents, Mr. and Mrs. W. V. Almond last week.

Mr. and Mrs. H. H. Hines and Ruth visited relatives in Waco over the weekend.

Mrs. Henry Townsend of Rule is visiting her daughter, Mildred in Dallas.

Vernon Huddler of Lubbock is visiting his mother, Mrs. R. B. Huddler of Rule.

Visitors in the home of Mrs. Hattie Todd Sunday were Mrs. Lizzie Muse and son Gregg, and Mrs. Esther Mitchell of Albany.

Mr. and Mrs. Floyd Woodward and family of Levelland visited her parents, Mr. and Mrs. Lee Corzine over the weekend.

Mr. and Mrs. Vernon Townsend and family of Vernon visited her parents, Mr. and Mrs. Floyd Gauntt over the weekend.

Duncan Head has returned to his home in Haltom City after visiting his sister, Mrs. Hattie Todd.

Mrs. Jo Ann Perkins of Amarillo, visited her parents, Mr.

### Pastures, Ranges, Face Slow Recovery From Drouth

Recent rains have brightened the farming and ranching prospects in this local area. With promise of the drouth being broken plans to get operations back to normal must be made. Soil Conservation specialists point out.

Cropland farming will recover rapidly with good seasons, but the stockman and rancher will be considerably slower in his recovery. Several years of severe drouth, coupled with over-stocking have depleted ranges to a pitiful condition. The native grasses, once so abundant in pastures, are dead with only small turfs left as monuments. Weeds have replaced the grass and in many spots bare ground is visible.

What can be done for these over-worked ranges? They, like the human body, when overworked, mistreated and undernourished, must have rest in order to recover.

The prescription for pastures might read like this:

Defer grazing to allow the better native grasses to regain their vigor; to allow sufficient ground cover for protection and improved water intake of the soil. Continue treatment until definite improvement is obtained. Regulate stocking to growth and grazing in balance.

One example of how over-grazing affects foliage production is illustrated by Dr. F. J. Crider, with the nursery division of the Soil Conservation Service. In his study, Dr. Crider clipped grasses at various heights. The results ran like this: After a single clipping when 50 per cent foliage was removed, 2 per cent of the roots stopped growth for 14 days, 90 per cent foliage removal halted root growth for 17 days and 40 per cent of the roots were still unactive after the 33 day test.

Dr. Crider states, "These data have particular application to soil conservation and pasture management practices. They emphasize that the growing top cannot be reduced more than half without adversely affecting the functioning of the root system and the plant as a whole. They are striking evidence that close grazing or mowing during the growing season is at the expense of stand establishment and maintenance."

Roots and leaves are dependent upon each other. Over-grazing not only cuts back the growth manufacturing leaves, but also damages the food intaking roots—thus striking two blows to the grass plant and reducing its production.

The average housewife will, in her lifetime, wash enough eating and cooking utensils to make about 70 stacks as high as the Empire State Building (102 stories high) in New York City.

**loves to cut loose and cover the miles**  
 If you're looking for a real "escape artist," a car that loves to step out and get away from it all—well, it just happens that Chevy was born with that urge. If there ever was a car that loved to cut loose and cover the miles, it's this one. Yet it's so easy to handle that it even makes city traffic seem a bit lighter and parking places a bit bigger. Chevy's pretty easygoing out on the highway too. Not pokey. Far from it. You find, for example, there isn't a hill around that can make it breathe hard —not with Chevrolet's high-performance V8 on the pulling end. You've got up to 245\* horsepower here for the biggest helping of driving pleasure found in the low-price field! Chevy's new Positraction rear axle (optional at extra cost) adds still more pleasure. It delivers greater power to the wheel that grips, not the wheel that slips. You have surer control and better traction on any road surface. Stop by your Chevrolet dealer's before another good driving day goes by.

### Youth Asks A Question

There is plenty of room for thought on the subject of a letter received by The Free Press this week from a Haskell youth, a graduate of HHS and now a college student. The writer expresses the viewpoint frequently expressed by Haskell young people. The letter follows:

"I am enclosing a clipping I cut from the McCamey newspaper. As you might know, I lived in McCamey for six years. I have been in your youth center and I really enjoyed myself. I just sat there and asked myself why the people of Haskell could not have a youth center. Why they couldn't work together as a team, the way McCamey did. I visited McCamey two weeks ago and I saw not one teen-ager on the street. I talked to some of the kids there and I know how happy they are to have a place

to get together for a dance and play games.

"I think it is a disgrace for our town not to have one. If Weinert can start one, why can't Haskell?"

"I know a lot of people read your paper and I hope you will print this clipping, which was written by a High School senior. Maybe it will stir up some interest in a Youth Center."

The clipping: "Saturday night was one of the largest crowds ever. Over 200 teen-agers were present. It's really wonderful to have a place where so many youth can collect and have fun. We feel we can be proud of their behavior—after reading headlines of teen-murder, assault and broken plate glass windows. We are thankful that we live in McCamey—where people understand that teen-agers ARE people and want the opportunity to do right."

### Annual Audit - -

(Continued from page 1)

supplies amounted to \$914.57 as major expense items.

**Water Fund**

Total receipts in the water fund amounted to \$54,756. Water collections brought in \$52,216.00, water taps \$739.25, sale of supplies \$737.92, to account for the major revenue items.

Disbursements of \$52,585.42 included salaries and labor \$12,647.53, new water wells \$4,226.48, turbine pumps and motors \$2,318.00, water supplies \$6,675.32, office supplies and postage \$779.59, utilities \$5,347.81, gas, oil and tires for vehicles \$1,505.84, repairs for vehicles and equipment \$1,447.77, insurance \$523.69, purchase of lots \$845.00, and revenue bond payments \$13,650.00.

**Sewer Fund**

The sewer fund had receipts of \$19,230.05 from sewer collections and \$7.66 from sale of supplies for a total of \$19,237.71.

Total disbursements of \$20,627.72 included salaries and labor \$5,082.10, supplies \$1,160.06, interest, and principal on 1927 sewer bonds \$5,300.00 and revenue bond payments of \$7,748.19.

**Water, Sewer Operating Profit \$39,625.48**

Total cost of operations of the water department is listed in the audit at \$26,823.77, while gross receipts amounted to \$54,066.92 to leave net operating profit of \$27,243.15.

The sewer department listed gross receipts of \$19,237.71 with operating costs of \$6,965.38, to

leave a net operating profit of \$12,382.33.

**Interest and Sinking Funds**

Interest and sinking fund on tax bonds and warrants listed total disbursements of \$21,510.62, with a balance on hand March 31, 1957 of \$16,397.25.

Interest and sinking fund for water works and sewer revenue bonds had total disbursements of \$16,841.30 during the year covered by the audit, leaving a balance of \$6,165.50.

Also, the reserve fund and investment account in the Mercantile National Bank, Dallas, had a combined balance of \$25,950.08 on March 31, the audit shows.

**Bonded Indebtedness**

Total bonded indebtedness of the city at the beginning of the fiscal year April 1, 1957 was \$468,500, which at maturity will amount to \$691,650.00.

The sum of \$28,367.50 will be required to meet interest and principal payments due during the current fiscal year.

**ATTEND GRADUATION EXERCISES AT WTSC**

Mrs. J. L. Dilbeck of Haskell and Mrs. Howard Goss of Stamford attended the baccalaureate and commencement exercises at West Texas State College, Canyon, May 26. Billy Alton Dilbeck, son of the Haskell woman, received his Bachelor's Degree in Business Administration.

Bad driving conditions prevailed in less than 15 per cent of the fatal highway accidents in the U. S. in 1956.

### Rule and Haskell Students Present Rotary Program

Talented students of Rule and Haskell schools provided entertainment at the first regular meeting of Haskell's provisional Rotary Club Thursday at noon in the club room of the Texas Cafe.

"The Joy Notes," a quartet of sophomores in Rule High School, with Mrs. Novis Ousley of Rule as accompanist, gave five vocal numbers. Susanne Lane, freshman in Haskell Junior High School presented a clever skit, impersonating the principal and some of the faculty members of Junior High.

Novis Ousley, Rule business-man and Rotarian of that city, introduced the quartet, from the Rule school, Jo Smith, Jan Ousley, Fern Ross, Jackie Estes. Ousley also led the club in a sing song preceding the regular program.

Robt. R. King, acting as president of the newly-organized club, explained that charter for the Haskell group would likely be received with the next few weeks.

Nineteen members of the 21 charter members of the club were present for the meeting, along with seven guests.

cumulative and the employee cannot take cash instead of time off from work.

Also, each employee will be paid for time lost due to illness, at the rate of one day each month or a total of 12 days in any one year. The sick leave is not cumulative, and the certificate of a physician is to be furnished by employee when requested.

The vacation and sick leave policy applies to all of the city's 15 employees.

### Haskell Scouts Receive Awards At District Meet

Haskell Boy Scouts, Troop 35 and Scoutmaster Cecil Corley received awards Tuesday night at the annual District meeting of the Chisholm Trail Council in Stamford.

Scouts and their families enjoyed a picnic at the Roundup Hall at the Stamford Rodeo Grounds. Attending were approximately 150 persons from over the Northern District.

Troop 35 was given an achievement award for the Camporee held at Lake Stamford in March. Corley was awarded a badge for organizing a troop and a certificate for having one of the outstanding camping troops in the Northern District. As a token of appreciation the Scoutmaster, the Scouts and families presented him with a fishing reel.

The Scouts attending were Dave Hiebert, Tommy Hester, Robert Coburn and Perry Wayne Pogue.

The families who attended from Haskell were: Mr. and Mrs. D. V. Hiebert and Paul; Mr. and Mrs. Austin Coburn, and Sandra; Mr. and Mrs. Bud Pogue and son; Mr. and Mrs. H. V. Woodard and daughters; and Mr. and Mrs. Cecil Corley and Carol.

### Central Ward School News

By B. T. W. BREMBRY

James Hill, director of the Woodson High School Band, Abilene, together with Miss E. M. Whittington, chorus director and Mrs. T. L. Roberts, accompanist, gave a most interesting concert at the Elementary School Auditorium here Monday night, May 13.

The principal of Woodson High, D. W. Porter, gave an interesting account of the history and offering of his school. He brought three bus loads of students, and two or three carloads of school patrons as well as ten teachers.

Several other visitors were present, some of whom were Mrs. Dora Jordan and Mrs. Calvin, teachers in the Dunbar school at Monday, and seven of their students.

Rev. William Vaughn, pastor of the Sims Chapel A. M. E. Church in Stamford, Rev. R. C. Barrett of Matador, and Mr. and Mrs. Roscoe Floyd of Breckenridge sent \$2.00 as they could not be present. Mr. Howard of Knox City was also present.

Several of the patrons of Haskell and friends of the school were present with their entire families, some of whom were: Rev. and Mrs. Willie Johnson and children, Mr. and Mrs. Allen Clayton and children, Mrs. Lorene Henson and children, Mrs. Vernilla McDonald and daughters, Mrs. Lillian Bagley and children, Mr. and Mrs. Richard Ellis, his sister and Mrs. Green. Mr. Ellis was the only patron who sold \$7.00 worth of tickets, and he is one of the best supporters of our school.

Mrs. Birdie Glover has been our best supporter, Albert Sharp, Mrs. Nettie Custis, Mr. and Mrs. Albert Hall and others have been good supporters of our program and attended the concert also Lee Kirk, and we do appreciate all who attended. A fine spirit of cooperation. We do hope that others who are a bit slothful and non-cooperative will sense the need of throwing their arms around their children and help them go forward as interested citizens and parents are doing elsewhere.

Parents who kick are not pulling, and those who pull are not kicking. In unity there is strength. All should work for the growth and development of their communities and schools instead of trying to work against it. If all citizens and parents will work hard and trust God, success will come our way.

The homes, the churches, and school must work together for the development and growth of our boys and girls. We must have improved human relationship.

Again thanking our white and colored citizens for your support in making this and previous programs a success. We wish for each of you health, happiness, and continued success.

Education is our chief reliance in the march of races, and is America's most precious heritage.

### Haskell, Weinert Students to Receive Degrees at NTSC

Ruby Estalyn Edwards of Haskell and Doris Ruth Strain of Weinert are among 550 seniors who have applied for bachelor's degrees at North Texas State College, Denton, this semester.

Baccalaureate services have been scheduled at 11 a. m. Sunday, June 2, in the main auditorium. The Rev. Carlyle Marney, pastor of the First Baptist Church of Austin, will give the baccalaureate sermon. Commencement exercises will be held at 7:30 that night.

Mrs. Edwards is the daughter of Mr. and Mrs. William R. Edwards, Weinert, and is a candidate for the bachelor of science degree in physical education. She is a member of the Physical Education Professional Club.

Miss Strain, a candidate for the bachelor of science degree in elementary education, is the daughter of Mr. and Mrs. J. H. Strain, 707 N. Ave. F, Haskell. She is a member of Association for Childhood Education.

### Airman Robt. Baker Leaves Haskell for North Africa

Airman 3/c Robert Baker, son of Mr. and Mrs. Jack Baker, has left for South Carolina after spending a 30 day leave in Haskell.

Airman Baker will leave South Carolina May 29 for assignment in North Africa where he expects to be stationed for 18 months.

He recently completed 3 months training for the air patrol and was an instructor also while training.

### DAUGHTERS VISIT MR. AND MRS. GUY COLLINS

Mr. and Mrs. Guy Collins have as visitors in their home this week their two daughters and families. Visiting are Mrs. Jim Perrin and children of Adrian and Mrs. Hugh Olney and children of Socorro, New Mexico.

A solution of salt and vinegar will quickly clean unlaquered brass or copper.

In dusting books, wipe the leaf edges away from the binding. This keeps dirt out of the backbone pocket.

### Filming of "The Haskell County Story" On Schedule, with 15 Episodes Finished

A number of episodes in "The Haskell Story," a film narrative of Haskell County from early days to the present time, have been filmed and completion of the production on schedule is assured, C. of C. Manager Rex Felker and his assistants on the project, said this week.

Previews of some of the scenes show that excellent results are being obtained by Cameraman Charles Swinson, who is filming the entire production in color. He has captured plenty of action in many of the scenes, along with realistic reproductions of old buildings and scenes.

According to present plans, premiere showing of the film will be scheduled for three nights at the Texas Theatre some time in early summer.

Among the episodes already filmed are the following:

1. Prologue.
2. Indian Scenes.
3. Wild horses, buffaloes, long-horn cattle.
4. Old Fort Griffin.
5. Early day schools and teachers.
6. Pioneer horse and cattle ranchers.
7. John Rhyce, cowboy who discovered Rice Springs.
8. Saddle Tramps Riding Club.
9. Rodeo parade.
10. Rodeo action portraying the Cowboy Reunion in 1898.
11. Molly Bailey Tent Show.
12. Road to Ruin Saloon.
13. Old-time Circuit Rider and first church service held in Haskell.
14. Yellow Dog Cafe, showing activities of colored people.
15. Old time square dance.

Remaining episodes of the history to be filmed are the advent of the Prairie Schooner, or covered wagons bringing settlers, and re-enactment of a stage-coach hold-up.

Street scenes in all towns in the county also will be made in the near future for inclusion in the film.

### Carlton Allison's Purchase Gauntt Store In Rule

Announcement has been made of the purchase of F. E. Gauntt Furniture Company in Rule by Mr. and Mrs. Carlton Allison of that city.

Opening of the store under the new ownership will be Saturday, June 1. Name of the concern will be changed to Allison Furniture and Home Accessories. Stocks will include a complete line of furniture as well as home accessories.

Mr. Allison is a native son of Rule, the son of Mr. and Mrs. Jim Allison. Mrs. Allison is the former Maurine Freeman, daughter of Mr. and Mrs. Murry Freeman of Aspermont. She has been commercial teacher at O'Brien High School for the past two years, and he was formerly employed with Halliburton Oil Well Cementing Company in Rule.

Mr. Gauntt, who has been in business in Rule since May, 1927, said he and his family would continue to make their home in Rule. He will devote his time to looking after his farming and other property interests. "Plan to have time to visit around with my friends and catch up on my loafing," Mr. Gauntt said.

Mr. Gauntt has been actively identified with civic and business affairs in Rule for 30 years. He also served as Veterans Service Officer of Haskell County for a number of years.

### Your Ideas Needed in Community

What are Haskell's most pressing civic needs? Most of us have some definite ideas on what the town needs but never get around toward promoting the project.

The opportunity for every individual to present his particular civic project will be afforded in the final session of the Community Clinic to be held Thursday evening, June 6. And definite possibilities toward carrying out worthwhile suggestions. Make it a free to offer your ideas. You desire needs. You are offering civic projects. Various projects brought up.

### Awards Presented Fourteen Haskell Cub Scouts

Cub Scoutmaster Harold Hodge presented badges, awards, and membership cards to 14 boys at the Cub Scout Pack Meeting in Rice Springs Park Monday night, when a picnic was held honoring Cub Scouts. The affair was sponsored by parents of the youngsters.

Receiving the awards were: Dewayne Moore, Bear badge; Harold Hodge, Jr., Bear badge; David Fallstead, one gold and one silver arrow point; Ronald Lee Hilliard, silver arrow point; David Hairston, Bobcat pin and membership card. Others receiving membership cards were: Johnny Lytle, George Sherman, Danny Atkinson, George Lytle, Michael Williams, Thurman Howeth, David Fallstead and Donnie Camp.

The next Cub Pack meeting will be August 19 with a swimming party and picnic at Rice Springs Park.

### Sewing Room for HHS Homemakers Is Modernized

The sewing room in Haskell High School's homemaking cottage is now one of the most modern and comfortable classrooms in the local school system, as the result of cooperative group efforts.

A large evaporative type air conditioner was recently installed through the joint efforts of the Progressive Study Club, Harmony Club and Future Homemakers. The two clubs made generous gifts to the F.H.A., and the high school group added money earned by the serving of banquets, and prize money won by the first place float in the Christmas Parade.

This addition to the department will be enjoyed during warm days in the spring and fall, and especially during the summer classes and adult groups.

### National Soil Stewardship Week To Be Observed May 26 to June 2

Secretary of Agriculture Ezra Taft Benson has made the following statement in behalf of Soil Stewardship Week and Rural Life Sunday, both of which occur this month:

The Department of Agriculture is happy to join with the National Association of Soil Conservation Districts and national church organizations in the observance of National Stewardship Week which they are sponsoring May 26-June 2. During this week, on Rural Life Sunday, May 26, local churches of various faiths and soil conservation districts through out the nation will join in special recognition of man's responsibility as a steward of a God-given heritage—the productive soil.

Such observance is especially heartening to us in the Department of Agriculture who are charged with helping farmers use soil wisely and at the same time conserve it for continued production for generations to come. Our future food supply depends on the intelligence with which we use our productive resources—such as soil and water. Not only food but many raw materials for industry come from the soil. While solving today's problems, we must not neglect tomorrow's needs.

I strongly urge farm, church, civic, conservation and other organizations to participate in this event as an important means of becoming better acquainted with the vital importance of wise use of our land to both our material and spiritual welfare. I am urging employees of the Department to participate in soil stewardship observance as citizens in their communities or to help organized groups, when requested, in planning or conducting such events.
