Haskell's kindergarten teacher stopped in to get some cardboard to make an elephant—that's what she said. While deliberating she regaled us with several stories concerning her charges. Not long ago while the class of 14 boys and 2 girls was having chocolate milk time, Marvin Gregory, son of the Cecil Gregory's was saying grace. Saith he, "Thank You Lord, for this food, bless our teacher," he paused and then declared emphatically, "and thank You for our pretty girls."

man were talking. "What does your flag look like?" asked the American. "It has three stripes," replied the Dutchman. "Red, white and blue. We say they have a connection with our taxes: we get red when we talk about them, white when we get our tax bill, and pay until we are blue in the face." "That's just the way it is with us here," commented the American, "only we see stars, too."

Talked to one of the Paint Creek senior sponsors at last week's B&PW club meeting. She said they're getting ready to leave on their senior trip to New Orleans. "We are going to find out what sights the kid want to see and then we'll see how far the money will go. The twain may never meet!" Nita Herren, (Madame President to you!) and Mrs. Luther Burkett have been dashing in and out of the office trying to get their program ready for the spring conference of the 18th District P-TA to be held here April 28. If they've forgotten an ynames in that little gem it must be the busboys's.

A recent practical joke, we hear, had the most frustrating outcome of the year. Vinnie Lytle and Nita Turnbow sneaked into Barbara Alexander's apartment and wrapped an almost life-size teddy bear in a blanket. Then they arranged the animal in a position to resemble a recently deceased human. All the light bulbs were unscrewed and the room disarranged. Then the culprits went home to await the explosion. A little later Barbara came home. She walked in and said, "Wonder what that teddy bear's doing wrapped up like that?" and put the blankets back on the bed. She walked into the kitchen and turned on the lights which didn't work. "Oh those silly girls!" she said, reaching up and screwing the bulb back in. Mean-time Nita was chewing her fingernails for fear Barbara would be so frightened she'd have a heart attack or something. Fat chance.

Pop's most optimistic fellow we know. He thinks the tomatoes he'll grow will be as big as the ones on the seed packages. Ye-Hoodi of the Aspermont Star leaned on the counter and proffered these philosophical words. "Income taxes are like shaving. Once you start, you can't quit." "Yeah" responded the publisher. "You might kill a man and get away with it, but you can't get away without paying your income tax."

Ye-Hoodi tried to find a brick-lay to come and fix the brick wall round hi wife's flower beds. Seems he just bought a new Chevy with automatic gearshift. "That's the first one-legged car I ever drove," he says. "I drove it into the driveway and forgot and left it in 'drive.' Well, my wife says that I wake up ten minutes after something has happened. When I woke up the car had rolled into that little wall and just made a crease in it. Now every time she sees it, she tells me about it. So I thought I'd better get it fixed" he reflected.

Hear the Mitchell's had to buy a wash tub to bring their catch of fish from Galveston. At least we think it's fish. They said before they left that after they caught something, they'd have to ask a native to identify it.

## Haskell County History

**30 Years Ago—April 22, 1926**  
Work is progressing rapidly on improvements to the city water system, which will include the erection of a steel elevated storage reservoir of 150,000 gallons capacity, concrete surface reservoir of 50,000 gallons capacity, chlorinator plant, pumping houses and extensions to water and sewer mains.

Work of installing some 40 new street lights and standards in Haskell was started last week by the West Texas Utilities Company.

Mr. and Mrs. W. T. Sarrels spent a part of this week in Mineral Wells visiting their daughter and her family, Mr. and Mrs. Bill Buie.

Miss Annie Maud Taylor returned to Abilene Tuesday to resume her studies in Hardin-Simmons after spending several days here with her parents, Dr. and Mrs. L. F. Taylor.

Mrs. E. G. Post has returned to her home in Paris, Texas, after spending the past week with relatives and friends here.

George Neely of Gladewater spent the weekend here with friends.

Mr. and Mrs. John W. Pace, Jr., and baby of Rochester, Minn., are here visiting Dr. Pace's parents, Mr. and Mrs. John W. Pace.

Fred Bishop, injured recently in a truck wreck, has been removed from his home to the Stamford Sanitarium for examination and treatment.

Rumors that the City planned to discontinue the practice of furnishing water free to farmers during the dry spells, were discounted this week by John S. Rike, City Alderman and Water Commissioner. The city has made arrangements to use a large well near the West Texas Utilities Co. plant to furnish water for farmers.

Mrs. Irene Ballard, Madalin Hunt, Marguerite McCollum and Ruthie Faye Miles attended a state meeting of Delta Kappa Gamma sorority in Mineral Wells last week.

ties sold for \$9.35 per 100 Friday in Kansas City, to top the market on that day's sales.

Rain varying from one to one-half inches fell over Haskell County Tuesday and Wednesday to give farm prospects a big boost. Big rains and overflows are reported in various parts of the state.

The spring term of District Court will open Friday, April 26 with Judge Bruce W. Bryant presiding. A heavy docket of both civil and criminal cases is pending.

J. F. Pinkerton has purchased a new grain separator which he expects to operate when the threshing season opens. He says he has a large acreage in grain for which he would have to depend on outside help to harvest, and believes the new equipment will pay for itself in one season.

Mr. and Mrs. T. J. Lemmon, Sr., have returned from Spur where they visited their daughter, Mrs. J. E. Morris and family.

Delegates from Haskell clubs attending the district meeting of Women's Clubs in Vernon are: Mrs. Alfred Pierson from Child Culture Club, Mrs. Bailey Post from Magazine Club, and Mrs. Courtney Hunt from the Harmony Club.

Mrs. Roy Williams of Knox City is spending the week here with her sister, Mrs. Jesse Collier and family.

Mr. and Mrs. Leo Southern of this city are the parents of a son, born Tuesday evening, April 20.

Students from the McConnell school will present a play, Aaron Slick of Punkin Creek, at the Midway School Friday night.

He plans to go into business with his brother in Jud. E. W. Panchard of Plantersville was here this week looking after some land interests he has in this county. Ernest Cook, who was digging a well on Mrs. J. S. Rike's place had a narrow escape from death last week. A large bucket or tub of dirt which was being drawn to the surface fell on him, cutting an ugly gash in his head, breaking his collar bone and severing his ribs. Had he not been a very strong man and able to partially ward off the falling object, he probably would have been killed. As it was he had his wounds dressed and promptly rallied

from the shock and was on the streets a few hours later looking but little the worse for the mishap. Rayford Hills, the little son of W. L. Hills, was on the roof of his father's stock shed at Rule last Sunday morning, flying a kite. He became so engrossed that he forgot where he was for a moment and walked backward off the shed. His right arm was broken just above the wrist in the fall. Dr. W. A. Kimbrough and brother, J. G. Kimbrough, prominent citizens of Rosebud, Falls County, were prospecting in Haskell this week. Our oldtime citizen, L. W. Roberts of Lubbock County, is here arranging to drive out to his ranch about 600 head of steer yearlings purchased in this section.

**Crazed Negro Woman Sets House Afire After Tossing Lye Water on Officers**

A 48-year-old Negro woman, apparently demented, gave officers and firemen a bad time Tuesday morning, and ended up in the Haskell County Hospital with serious burns on her arms and face.

In rapid sequence, the woman, Lee Ella Phillips, who neighbors said had been "acting strange" lately: Locked herself in the kitchen of her frame residence on North Ave. B; refused admittance to officers when they came to question her; threw strong lye water in the faces of Sheriff Bill Pennington and Deputy Garth Garrett when they forced open the locked door; set fire to her house in the confusion; finally was forcibly removed from the burning building and carried to the hospital.

The house, a rambling wooden structure, and all its contents was practically destroyed before firemen could be summoned. Combined insurance on house and furniture was reported at \$2,500.

The chain of events started when Constable Bob Marlow and Deputy Garrett, accompanied by Buddy Wilson, Negro man, went to the woman's house to question her about one of her children not being in school. The officers were refused admittance to the house, and neighboring Negroes told officers the woman had been "acting strange."

Marlow and Garrett called Sheriff Bill Pennington by short wave radio. When he arrived, the Sheriff and Deputy entered the house and demanded that the woman open the door she had locked. Receiving no answer, they forced the door.

Then, as they started inside the room, the woman dashed a quantity of lye water from a bucket, into the faces of the officers.

The acid-like solution burned Sheriff Pennington severely on the neck and one shoulder, and on one knee. A quantity of the solution disintegrated part of the sleeve and a large section of a heavy jacket he was wearing. The fact that Deputy Garrett was wearing glasses probably saved him from serious injury. Some of the lye solution struck Garrett on the face and neck, inflicting painful burns.

Immediately after tossing the acid, the berserk woman stuffed a handful of newspapers into a burning gas stove, then tossed a quantity of clothing on the blaze and flames quickly swept through the room and other parts of the house.

Firemen were summoned, and Sheriff Pennington and Deputy Garrett, suffering intense pain from their acid burns, went in the Sheriff's car to the Clinic for medical treatment.

In the meantime, the crazed Negro woman resisted efforts of Constable Marlow and Buddy Wilson to get her to leave the house. Finally, the officer and the Negro man forcibly removed her from the blazing room. Both men received slight burns, and the Phillips woman was severely burned on the arms and her face.

An ambulance was summoned and she was carried to the hospital for emergency treatment.

At a hearing Tuesday afternoon, the woman was declared of unsound mind, Sheriff Pennington said, and will be committed to a State institution. She was detained in the county hospital Tuesday night, under guard.

The Phillips woman has lived in Haskell for a number of years. She has several children, officers said.

**Teenagers Escape Serious Injury in Car-Pickup Crash**

Heavy damage was incurred in a car-pickup collision 2 1/2 miles South of Haskell Sunday evening when a pick-up driven by Larry Anthony, 14, ploughed into the side of a 1935 Dodge driven by DeWayne Lancaster, 15, both of Haskell, according to a report by Sheriff Bill Pennington.

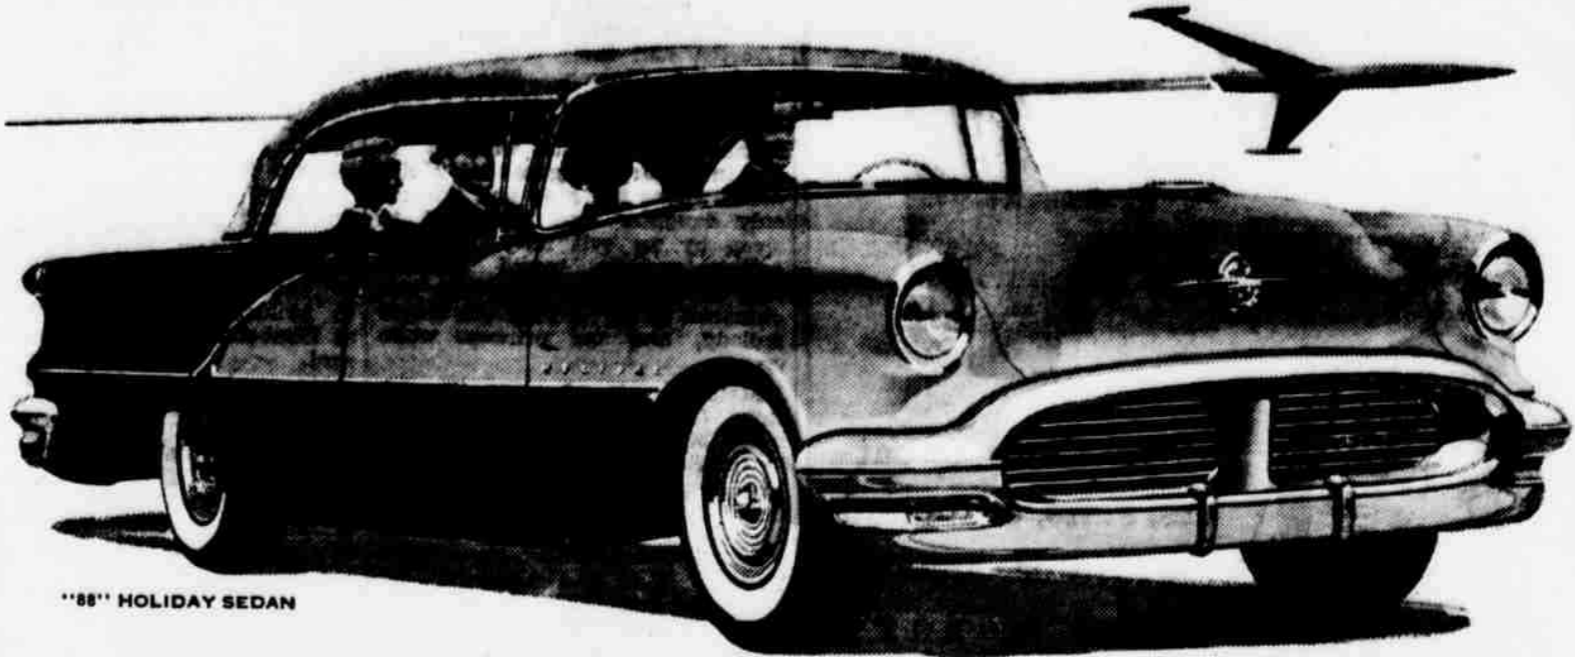

Pennington said that the damage to the car would probably amount to \$500 and to \$300 for the pick-up. The two vehicles were traveling along an unpaved road south of Haskell about 10 p. m. Sunday when the Lancaster car attempted to make a U-turn in the road. The pick-up which was following apparently could not stop in time to avoid the collision, said the Haskell County Sheriff.

Lancaster, Fred Brown, Jr., Belva Adkins, C. O. Holt, Jr., and Tom Cathey, all of Haskell were taken to the Haskell County Hospital where they were treated for minor cuts and bruises and released. Sheriff Pennington reports. Others in the two vehicles were Patsy Campbell, Kay Strickland, Robby Collins.

The Dodge involved in the wreck was recently won by the Lancaster teenager in a contest sponsored by the automobile company. He was presented with the keys April 7 of last year. The accident was investigated by Sheriff Pennington and Deputy Garth Garrett.

**IT'S TORQUE THAT MAKES THE WHEELS GO 'ROUND!**

**... And the High-Torque Output of Oldsmobile's Famous Rocket Engine is Instantly Translated into Outstanding Performance at the Rear Wheels!**

**LET'S TALK TORQUE!** In plain language, torque is "twist." It's the force that makes the wheels go 'round.

So it follows... the more torque your engine has, the more go power your car has... the more getaway at the light... the more action on the open road!

That's why, when it comes to power, there's nothing like Oldsmobile's Rocket T-350 Engine—because the Rocket is torque TNT! Figures prove it: 350 pound-feet at 2800 rpm (340 pound-feet at 2400 rpm in '38 models).

**OLDS CHASSIS IS ENGINEERED TO HANDLE HIGHER TORQUE!**

Oldsmobile has the chassis to take Rocket torque... a skillfully engineered Oldsmobile chassis with an extra-sturdy, dynamically balanced drive shaft, and an extra-rigid frame that resists twisting and weaving.

What's more, the Rocket's got horsepower — to spare! And with Oldsmobile, it's high usable horsepower... a by-product of engine design aimed straight at the wheels — design that translates horsepower into terrific torque at normal engine rpm's.

**TOP TORQUE MEANS TIP-TOP PERFORMANCE!**

The result is higher torque — silken, responsive Rocket action. Touch the accelerator — ever so gently — you "go"... and we do mean "GO!" You thrill to smoother, swifter bursts of power for everyday use — spectacular performance, when you need it... when you want it.

Any way you look at it, you can't top the Rocket for thrills for the money — or for top return when it's time to trade. Stop by soon. Rocket 'round the block... or around the town if you like!

MRS. GENE OVERTON

Two programs last week at Paint Creek began the closing of school activities. Thursday night the piano pupils of Mrs. Gene Overton had their recital at the Methodist Church. The church was decorated to resemble a garden in the spring time, and the theme of the recital was set in the imaginary kingdom of Melodia where the king and queen's only daughter had been put to sleep by an evil fairy. Only a certain melody would awaken her, so all the true kingdom was gathered to try to play the magic melody, and the princess woke up.

Melodies played were "In A Rose Garden" by Jane Earles; "The Marine's Hymn" by Johnny McRae; "Airy Fairies" by Linda McRae; "Sing, Robin, Sing" by Vicki Morrison; "Lullaby Waltz" by Brenda Hisey; "Betty's First Waltz" by Amelia Perry; "Road to Dreamland" by Joan Griffith; "March of Progress" by Marlene Watts; "The Drum Major" by Vernay (Dubrow) Howard; "Country Gardens" by Margaret Fischer; "Betty's Wooden Shoe Waltz" by Dorothy Coleman; "The Big Bass Singer" by Judy Calloway; "At the Fair" by Paulette Fischer; and "Cane Song" by Ann Hise, Mike Overton was the Prime Minister.

Friday night the first, second and third grades had their closing program in their Public School Music work. They also had a garden scene with "The Woman in the Shoe's" big shoe home as the center of interest. The theme was built around the song "The Story Book Ball" with Mother Goose's children having a party at the home of the Old Woman in the Shoe. Characters were: Narrator, and introductory song, Linda McRae. The Woman in the Shoe, Vicki Morrison. Her children: Danny Guadalucozar, Eugene Palacios, Josephine, Ann, and Lydia Polina. Humpty Dumpty, Larry Walton, Little Boy Blue, Larry Edwards, Little Jack Horner, Danny Thane, Little Miss Muffet, Brenda Hisey, Three Little Mice, Ann Hise, Milla Perry and Norma Earles. Mr. and Mrs. John E. Kuenstler, and Mr. and Mrs. J. B. Kuenstler and children spent last Friday in Lubbock visiting Mrs. Kuenstler's sister, Mrs. Earl Bishop who is a surgical patient

at Methodist Memorial Hospital. Miss Magdalena Clements and two of her Homemaking students, Barbara Grand and Dolores Ann Pustejovsky were in Fort Worth Friday and Saturday attending the state meeting of the Future Homemakers of America. The meeting was held at the Will Rogers Coliseum.

Jimmy Ned Hokanson was a week end guest of his parents, Mr. and Mrs. Albin Hokanson. Jimmy Ned recently graduated at Draughon's Business College in Abilene and is now employed at Kimbell's Warehouse in Stamford.

Mr. and Mrs. Jack Gilleland of College Station were week end guests of their parents, Mr. and Mrs. Estel Gilleland and Mr. and Mrs. John Clifton of Haskell. Jack is in his Senior year at A. & M. and is doing his practice teaching this term at Bowie High School.

"You work sixteen hours, and what do you get? Another day older and deeper in debt. Saint Peter don't you call me, cause I must stay, I owe my soul to the P.C.A."

So most of Paint Creek attended the annual meeting of our Production Credit Association last Friday at the Cowboy Reunion grounds at Stamford. Bill Mack and his musicians from Radio Station KWFT and Channel 6 of Wichita Falls entertained for the morning session while the registration was going on. At 10:30 the business session began, and J. B. Pumphrey of Old Glory was re-elected as a director. Reports were given by J. L. Hill, secretary-treasurer, and by the board of directors. Attendance prizes were a G-E electric range which was won by Mrs. Moeller of Irby, and a John Deere 14-ft. four-wheel trailer chassis on rubber was won by Mrs. Letz of Old Glory. At noon a chuck wagon meal was served to a large crowd. To me it looked like the largest crowd we have ever had, however I didn't hear an estimate of how many were there. Paint Creekers I saw were Mr. and Mrs. Jodie Earles, Mr. and Mrs. John Nanny, Mr. and Mrs.

Ray Overton, Roy Overton, Mr. and Mrs. Allen Overton, Mr. and Mrs. Bill Mickler, Mr. and Mrs. Arthur Moody, Mr. and Mrs. Herbert Fischer, Mr. and Mrs. Paul Fischer, Mr. and Mrs. Von Cobb, Mr. and Mrs. Sambo Cobb, Mr. and Mrs. T. N. Gillespie, Mr. and Mrs. Dan LePevre, Mr. and Mrs. Frank Pustejovsky, Mr. and Mrs. Clarence Ketrone, and Mrs. Edwin Thane. I'm sure there were many others.

S-Sgt. David Kohout re-enlisted in the Air Force April 2nd and he and Mrs. Kohout are living in San Marcos where he is stationed with the 85th Field Maintenance Squadron at the Gary Air Force Base. They were living at Littlefield when he re-enlisted. Sgt. Kohout first enlisted in the Air Force in February, 1952, and took his basic training at Lackland Air Force Base, San Antonio, and attended Fabric and Leather school at Chanute Air Force Base, Ill. He was assigned to Weisbaden, Germany, from July, 1952 to July, 1955, and then was at Biggs Air Force Base until he received his discharge on Feb. 9, 1956. Mrs. Kohout is the former Addie Aggies and ex-Aggies attending the A&M Muster at the Corral in Haskell Saturday evening were Jack Gilleland and Gene Overton.

Mr. and Mrs. Fred Phillips and Mr. and Mrs. John Fred Phillips of Abilene were here Sunday to visit their aunt and her husband, Mr. and Mrs. W. A. Montgomery. Also with them were Mr. and Mrs. J. F. Austin from Eastland, mother and stepfather of Fred Phillips.

Mr. and Mrs. James Raughton and daughter Jean Ann of Eola were week end guests in the homes of their parents, Mr. and Mrs. Roy Overton and Mr. and Mrs. Clarence Raughton.

Mr. and Mrs. W. J. Smith and son Jeff spent last week end in Houston visiting Mr. Smith's mother.

Dinner guests in the home of Mr. and Mrs. Allen Isbell Sunday were Mr. and Mrs. Gene Mickler and son Jay of Fort Worth, Mr. and Mrs. E. W. Mickler and Linda of Stamford, and Mr. and Mrs. W. D. Mickler.

Little Debbie Gillespie of Abilene spent last week end with her grandparents, Mr. and Mrs. T. N. Gillespie.

Mrs. Ray Perry entertained with a surprise birthday party for her husband, and for Mrs. Pat Morrison Monday evening when she entertained the Young

Married Couple's Class of the Methodist Church. Games of "42" were played, and refreshments of birthday cake and ice cream were served to the class members.

Mr. and Mrs. Harvey Terrell of the Pardue Ranch spent last week end with their son, Ray, Edwin Lee Terrell in Ft. Worth. He is a student at the Baptist Seminary there. They went to Ft. Worth with her sister and her husband, Mr. and Mrs. P. E. Thompson who visited with their daughter's family, Mr. and Mrs. Rex Lindsey of Fort Worth, and their other children who came for Sunday were Mr. and Mrs. Lester Yarborough of Denton, and Mrs. Tommie Hise and children of Vinita, Okla.

Homefolks enjoyed seeing Emilee Griffith and Ives June Casey give their "Safety in the Home" demonstration on Harry Holt's "Man on the Farm" program on Channel 9, KRBC, Abilene last Friday night. They won first place in the competition at the Wichita Falls 4-H Club Meet Saturday before last. William Overton drew the posters they used in their demonstration, so two Paint Creek young people have a part in it. Emilee will go to Washington, D. C. to the National 4-H Club meeting in the summer, and we are so proud of her. She graduates this year, also.

Tuesday night, April 24, two little Paint Creek girls were presented in a piano recital at the First Baptist Church in Stamford. They are Ann and Mary Lou McLennan, daughters of Mr. and Mrs. Alec McLennan, and pupils of Mrs. C. M. Lester.

We have had a regular epidemic of measles at Paint Creek. Spencer Patty had measles and couldn't be our little mouse in Dickory, Dickory Dock, and one of our little goats in the Boy and His Goats, Curtis Bittner, took the measles and we had only two goats, Ina Bittner, Mary Lou McLennan, Patty Bean, all have been out of school with measles, and someone said there were four 7th Graders out.

The rain was wonderful. Almost everyone reported from an inch to one and one-half inches. The wheat all greened up so fast it makes it look so much better. Of course, just washing all the dust off the wheat made it look greener. It isn't very high, but it has little heads on it. The poor old oats have just about given up the ghost, but some of the newly planted oats are com-

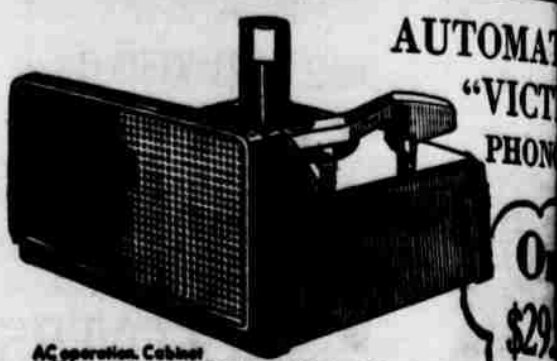

ing up, and look green and pretty. Farmers are laying off the cotton land, and all of the farms look so newly plowed and amell so good. We still could use a good rain.

I just phoned Cousin Pogo at TV Station KRBC, and his secretary said to bring the little First, Second and Third graders program about Mother Goose to the station on Monday afternoon for the Calvin Keewe program. Don't another one of you little people take the measles, and we'll go put on a show Monday. And all you Paint Creekers tune us in and see us perform at four o'clock Monday afternoon. The program time is being changed to four.

Children Honor G. F. Mullino On Birthday

G. F. Mullino, pioneer Haskell County resident, was honored on his 81st birthday when his children, grandchildren and great-grandchildren gathered Sunday, April 15, at the home of his daughter Mrs. R. N. Cluck in Cisco. More than 30 persons were present.

Mr. Mullino, prominent farm owner and former County Commissioner, has lived in Haskell County 56 years.

Mr. Mullino's children are Mrs. Chuck of Cisco, Mrs. H. K. Henry of Haskell, Mrs. Wallace Irwin of Midland, Mrs. Bill Taylor of Rochester, Felix Mullino of Rochester, Mrs. Walter Whaley of Eastline, and James Mullino of Baton Rouge, La.

Other guests besides the children were Mrs. Mullino, his grandchildren: J. M. Whaley of Houston and Mrs. Whaley and their children, Jim and Mimi; Dan and Kathy Irwin of Midland; Pat and Kay Henry of Haskell; Virginia Mullino of Rochester; George Mullino and Sharon Mullino and son Buddy of Rochester; and Bobby Cluck of Cisco.

Also, Mrs. Felix Mullino of Rochester, Herman K. Henry of Haskell, Walter Whaley of Eastline, and R. N. Cluck of Cisco.

Future Nurses Club Studies Plans for Organization

The Future Nurses Club met April 19, to discuss further organization plans. The executive committee was named to prepare a draft for the club constitution concerning membership, purposes of the club, duties of the officers, and meetings.

The group was shown a film, "When You Choose Nursing," and was dismissed after refreshments were served.

Haskell Will Host First Conference Of New 18th District P-TA Saturday

Haskell will be the site of the first annual conference of the newly created 18th district of the Texas Congress of Parents and Teachers.

Mrs. Bob Herren, 18th district president, announced the official call to conference in the April edition of "The Oak Messenger," publication of the P-TA.

A pre-conference board of managers meeting will be held Friday from 3 to 5 p. m. in the school board education room, of Haskell High School.

Other pre-conference activities will include a luncheon, hosted by Mrs. Luther Burkett at 5 p. m., the district board of managers' dinner from 7 to 9 p. m. in the Haskell Elementary School Cafeteria, and a briefing period following the dinner.

Saturday morning the conference gets underway at the Haskell High School auditorium, headquarters. Numerous speakers have been secured for the conference. Mrs. Herren announced, Mrs. Leon Price, state P-TA president, will be the featured speaker.

Other featured speakers include Dr. Cecil Yarbrough of Snyder, state and district citizenship chairman; Mrs. Robert Cross of Anson, who will present life memberships; Mrs. E. M. Pittman of Anson, state board member; Delbert Downing, manager of the Midland Chamber of Commerce, who will speak at the luncheon Saturday on "Administrators Are a Necessary Evil, I Think," honoring superintendents and principals and teachers; and Dr. Donald McDonald of Abilene, who will conduct buzz sessions.

A time schedule for events at the conference include: 8 a. m.—registration at the entrance of the high school building; 8:30 a. m.—Junior High School opening to perform; 9 a. m.—official opening with Mrs. Herren presiding; pledge of allegiance, welcome, report of conference committees, introduction of platform guests; 9:45-10:15 a. m.—presentation of conference theme "The Blessings of Liberty" with speech students of Mrs. Terry M. Diggs assisting; 10:15-11 a. m.—presentation of state representative by Mrs. Leon S. Price; 11-11:20 a. m.—buzz sessions, recognition of local committees, announcements; 11:20-11:45 a. m.—briefing period for delegates for "sharing sessions"; 1:35-1 p. m.—luncheon honoring superintendents, principals and teachers; 1-2 p. m.—sharing sessions (divided into 5 groups) junior high building; 2 p. m.—Cokes; 2:05-3 p. m.—panel, "Strengthening the Blessings of Liberty Through Responsible Citizenship," moderated by Dr. Yarbrough; 3-3:30 p. m.—report of conference committees and awards, courtesy resolutions, invitations for 1957 conference; 3:30-4 p. m.—presentation of life memberships ceremony by Mrs. Cross; 4 p. m.—"Our Conference Through the Eyes of Youth," two high school students, retirement of colors, benediction, post conference for executive committee meeting, post conference for board of managers meeting.

During the conference there will be a display of yearbooks, history publicity, and arts and crafts. Troy Carraway of Abilene, district arts and crafts chairman, said the display will feature murals based on the subject of the conference theme, "The Blessings of Liberty."

Hugon Family Reunion Held in Stamford Sunday

The descendants of E. D. Hugon and Judith Solomon Hugon met for their seventy annual family reunion in the American Legion Hall in Stamford Sunday, April 15.

Registration began at 9:30 a. m. with Mrs. V. P. Terrell, Mrs. Joel Massey of Munday and Misses Lynda Perrin and Jerry Turnbow registering the 168 attendees. Name tags which were hand drawn tree branches signifying the family tree were placed on each member. Printed inside the tree branch of Josselot descendants name tags were the name "Cathrine," implying descendants of the late Mrs. Victor J. Josselot. The tags were made by Miss Ruby Brock of Memphis, Tenn.

The house was called to order by Luther Toliver, president of the organization. Mrs. Marvin Medford led the group in singing hymns accompanied at the piano by Miss Mary Ann Thomas. Prayers were led by Mrs. P. J. Josselot. County Judge Alfred Turnbow gave the welcome address in which he extended a welcome to all present. Rev. Lavoid Robertson, pastor of the Mattson Baptist Church brought the devotional. The dismissal prayer for the morning services was led by J. P. Perrin.

During the noon hour a feast of attractive and delicious foods was served buffet style. The afternoon program consisted of a song by Janice Medford and a poem "If You Could" (Dudley Perrin). A phase of Hugon family history was given by Mrs. T. M. Cunningham, Denton.

Luther Toliver, president, presided during the afternoon session in which Mrs. John Solomon, 83, Haskell, being the oldest person present was presented a gift. Eddy Marvin Medford, infant son of Mr. and Mrs. Leroy Medford was presented a gift as the youngest to attend. A baby show followed of all children under two years of age.

Mr. and Mrs. F. J. Josselot were the couple present who had been married the longest (1910). Mr. and Mrs. Clinton Bacus of Lubbock were the couple married most recently.

A rising vote of 35 members was made of those who attended all seven family reunions. Visitors were Mrs. W. D. Kemp, Haskell and Reynolds Wilson, Denton, a former Haskell resident. Mrs. Kemp grew up in Cook County on a farm adjoining the V. J. Josselot family.

The secretary, Margaret Toliver, read a letter of regret from Mrs. Henry Smith, Gainesville, who was unable to attend. Mrs. Smith, a sister of the late Mrs. V. J. Josselot, is the only immediate survivor. Other letters mentioned were received from Mr. and Mrs. J. D. Josselot, S. Mrs. Blanca; Mr. and Mrs. Roy Brock, Durant, Okla.; Mrs. E. A.

Hugon and Mr. and Mrs. J. H. Riley, Gainesville; Mrs. Lawrence Nichols, Temple; Mr. and Mrs. Lee R. Hugon, Corpus Christi; Mrs. Minnie Holton Chazos and Mrs. Ellen Davis, Houston.

The meeting was turned over to the incoming president Earl Ward, Gainesville and Mrs. Ralph Sidener, sec.-treas., also of Gainesville. Officers for 1954 were elected which are County Judge Alfred Turnbow and Mrs. V. P. Terrell, sec.-treas.

The reunion is to be held next year in the Community Building in Gainesville, Texas.

SPL Dames Club Members Work on Friendship Quilt

Members of the SPL Dames Club made plans to refurbish their treasury by sewing and raffling off a friendship quilt at a later date. This was decided at their April 19 meeting in the home of Mrs. Vivian Abbott.

Present were Mrs. I. Ivonne Black, Margaret Wall, Nancy White, Lela Mae Robbins, La Nell Sanders, Lucille Dement, Virginia Buerger, Joan Harriston, Inez Hutson, Bernice Harris, Lois Greer, Roy Payne, Vivian Abbott. The next meeting of the club will be held May 3 with Mrs. Nancy White as hostess.

Sam Hugh Smith, Former Officer-Pilot In SAC, Speaker at Study Club Meeting

The Progressive Study Club members and visitors were fortunate in hearing an interesting talk given by Sam Hugh Smith, formerly a Major in the Strategic Air Command, who now operates farming interests here. He was introduced by Mrs. Robt. Wheatley, director of the program Thursday night, April 19 in the Homemaking Cottage.

Mr. Smith, or better still, "Sam Hugh" as we know him, insists he is a plain dirt farmer now, mostly a "dust" farmer the last few years. In his diffident way, he gave a very moderately informative talk on a few interesting facts of the Strategic Air Command and what they were trying to do with experimental crews.

He spoke briefly of freedom by using this quotation "Freedom is not free. Freedom must be bought for a price. It can be paid only in the coin of human character. Who can say exactly what is the price of freedom? It is paid by events and circumstances. But we do know this—freedom includes courage, self-denial and responsibility."

He talked mostly of the B-47 and its crew of three which had to be proficiently trained to do the work of a regular crew. He was a pilot but he flew as an observer on a B-47 which includes the duties of a radar operator, bombardier and navigator. The B-47 was the first all-jet bomber which could range farther in mile and take more actually than the crew were capable of taking. On heavy take-offs, rock-ets and brake shoots were used

## Mrs. Lillian Brown Attends Austin Meet Of Educators

Mrs. Lillian Brown, county co-ordinator of elementary schools, returned Sunday from a three-day meeting in Austin of elementary principals and supervisors.

Outstanding speakers at the events were Dr. Harold Shane of Northwestern University, Evans-ton, Ill.; Dr. Mabel Maxey, T. S. C. W., Denton; Dr. Charlotte Dubois of the University of Texas and Muzon Law of the U. of T. Drama Department.

In the opening day session, Dr. Shane told the group that all children, not just the exceptionally slow and the exceptionally brilliant, deserve creative experiences.

Dr. Shane decried the tendency toward "going back to the 3 R's." "The physical, social and intellectual development of a child are like the three legs of a stool. All three are important," he said. Dr. Shane pointed out that this new philosophy of education made more work for elementary principals since they must provide a broader curriculum for the children.

Dr. Maxey told her audience of a thousand educators that "drawing" reveals the child, allows him to discover himself. She showed the efforts of children 3-12 years of age to illustrate her convictions.

"Dr. Dubois spoke on the subject of music, mentioning many techniques Haskell County has used in elementary schools," said Mrs. Brown.

Dr. Law advocated in a demonstration with a dozen 8-10 year old children that youngsters can and do create their own drama. Thursday and Friday afternoons are and music demonstrations were given in regular classes at Austin elementary schools.

In 1955, 2,158,000 persons were injured in motor vehicle accidents.

belonging to Cliff LeFevre while they are building.

Mr. and Mrs. Buddy Nugent of Wichita Falls visited in the home of Mr. and Mrs. Cliff LeFevre Sunday.

# Don't let "Shrinking Horsepower" put a drag on your engine

Keep the full, safe power of your engine

Clean-burning Gulf NO-NOX protects against the deposits that cause "Shrinking Horsepower" in today's sensitive, high-compression engines. NO-NOX helps you keep new-engine power... new-engine safety and thrift... for thousands of extra miles.

### Get the gasoline that burns clean\*

\* PROOF: See how the asbestos glove, on the left in the picture, is smudged by the "dirty-burning tail-end" of gasoline... while NO-NOX leaves the glove on the right clean. That's because Gulf refines out the "cupful of trouble"—the "dirty-burning tail-end"—from every gallon, in making NO-NOX.

SIZZLING PERFORMANCE? Don't let 'em kid you! Hot talk doesn't change the cold fact Dodge is America's performance champion! Get behind the wheel and...

# DISCOVER THE DIFFERENCE IN DODGE!

It licked the pants off American stock cars and made expensive European sports cars blush! At the Bonneville Salt Flats, the '56 Dodge shattered every record in the book—306 official AAA records in all, including 27 world's unlimited records held by European sports cars!

Whipped all cars at Daytona Beach, too! 280 hp. V-8 engine outperformed all cars in the recent NASCAR acceleration runs.

Just push a button and GO! A touch of your finger commands the horsepower of the Dodge engine. The push-button driving is safe, automatic—and mechanically perfect.

Dodge is built for top performance, endurance and dependability! The big, extra-strong chassis boasts a frame with rugged box-section side rails. Offlow shock absorbers give precise control. Roller bearings make steering easier and more responsive. Rear springs are "toed-in" to resist side-sway.

### Mrs. Chas. Hunter Elected Regional Sorority Officer

Mrs. Charles F. Hunter, New Orleans, La., was elected president of Province IX of Alpha Xi Delta Sorority at the joint Province IX and IV Convention held April 8, 7 and 8 in Tallahassee, Fla. Province IX is composed of the states of Arkansas, Louisiana, New Mexico and Texas.

Mrs. Hunter, the daughter of Mr. and Mrs. H. D. Persons of Haskell, is a graduate of University of Texas. She has been active in fraternity work for some time, having served as Texas Alumnae State Membership chairman and for the past four years as Vice President of Province IX. She is the newly elected president of New Orleans City Panhellenic and was the Rush Chairman of that organization during the past year.

Mrs. Hunter and her daughters will be in Haskell in June for a visit with her parents.

### JAYTON MAN NAMED ON ISAAC WALTON PANEL

Ardon Lee Walker of Jayton has been chosen as one of the two delegates to represent Texas at the 3rd annual conference of Young Outdoor Americans sponsored by the Isaac Walton League, April 18-20. The group will meet to bring each other up to date on conservation efforts in their home states.

### Sen. Geo. Moffett Is Candidate for Re-Election

SEN. GEORGE MOFFETT

The Free Press is authorized to place the name of Senator George Moffett of Chillicothe in our announcement column as a candidate for re-election to the State Senate from the 23rd Senatorial District, composed of Archer, Baylor, Cottle, Foard, Harde-man, Haskell, King, Knox, Throckmorton, Wichita, Wilbarger, and Young Counties.

The first native to represent this district in the State Senate, Senator Moffett has been a leader in that body for several years, and is said to be the author of more amendments to the State Constitution than any other member. They include amendments to speed up court procedure and to build a state office building. The latter will be started soon and will save the State thousands of dollars in office rent each year.

Often called "Cotton Geoge," Senator Moffett has vigorously championed efforts to broaden markets for farm and livestock products—especially cotton. He maintains that finding broader markets for farm and ranch products is the best long range solution of the farm surplus problem.

Senator Moffett has shown strong interest in matters affecting his district, as well as those of statewide importance, including oil development, the schools, and war veterans. He is the author of the County Veterans Service Officer Law and other measures for veterans. He is regarded as being an independent thinker who votes his honest convictions upon legislative matters.

"I regard public office as a public trust, to be filled in the public interest," stated Senator Moffett.

"I have never been offered a fee during my service in the Legislature. I pay my own campaign expenses.

"I favor, and have voted for, bills requiring members of the Legislature to register the names of companies or persons from whom the receive fees. The people are entitled to such information.

"The last Legislature did the best job of tightening Texas insurance laws that has been done in 50 years. Fourteen hundred insurance companies were attempting to do business in Texas—almost as many as in the other forty-seven states. I voted for all the bills which closed the loopholes in our insurance laws, and if further strengthening is needed, I will support bills to do so.

"Our state hospital system needs more buildings to relieve badly overcrowded conditions. The system also needs to secure more nurses and doctors, and to increase the very low salaries of present employees.

"I expect to discuss other issues during the campaign.

"I have always voted a straight Democratic ticket, and will appreciate your vote and support in the Democratic primary. Thank you."

Speeding on U. S. streets and highways last year killed 12,700 men, women and children.

### A&M College Names Research Director For Westex Area

College Station, Texas—A co-ordinating research conducted by the Agricultural Experiment Station in West Texas has been announced. Dr. R. D. Lewis, station director announced. He is Dr. Gerald W. Thomas of College Station who will assume the new duties.

"In a region large as Texas, with widely varying types of agricultural resources, it is essential that there be some effective co-ordination with this and with other agencies, and especially with the people on the land and in related industries," director Lewis pointed out.

Dr. Thomas will be especially concerned with Texas Agricultural Experiment Station activities and relationships west of a line running roughly from Wichita Falls south to Coleman, Menard and Sonora.

Some of the duties of the new coordinator pointed out by director Lewis include determining from farmers and ranchmen and public groups the future problems and needs for research in the area, developing effective working relation and interchange of information with other agricultural agencies and public groups, cooperate with Texas A&M College Agricultural Extension Service district agents on research and education problems.

A highly decorated World War II Navy torpedo bomber pilot, Dr. Thomas has been associated with Texas A&M Range and Forestry Department and the Experiment Station since 1951. Prior to that time he had much experience in soil and water conser-

vation with the U. S. Soil Conservation Service. Dr. Thomas has conducted much research in range grazing of livestock, grass reseeding and rainfall as related to farming and ranching. He is author of 14 publications relating to agriculture in West Texas. He and Mrs. Thomas have three children.

### Haskell Student With A&M Group Making Tour

James Frierson, Haskell Student at Texas A&M College, will be one of thirty-nine seniors and graduate students of the school's Agricultural Economics and Rural Sociology Department to make an inspection trip to the Houston area April 24-25.

While making the trip the group will be guests aboard the Sam Houston Yacht for a floating seminar, leaving the yacht at the San Jacinto Battleground. Four of the students will be guests on the TV program "Whats New in Agricultural Economics and Rural Sociology."

Something wonderful happens when you begin to LIVE BETTER...Electrically

This is the happiest time of all; when the whole family's together enjoying each other at home. That's the start of good living, and electricity makes it even better, whether it's taking over the kitchen chores or providing the atmosphere that makes these moments so worthwhile.

Cheerful, well-placed lighting is the keynote of this friendly room which helps give

Dad a welcome home. Air conditioning makes this a year-round room, too. The master switch by the stairs lets Mom light any room in the house, and Sis can turn the music from the hi-fi set to the speaker in her bedroom if she wants. Wouldn't your family love conveniences like these and the many more that low-cost electricity can provide? Why not start now to Live Better...Electrically.

**More Than 2,000 Singers Gather Here Sunday for Annual Singing Convention**

More than 2,000 singers from a wide area of West Texas, as well as others from points in Oklahoma and Central Texas, gathered here Sunday for the annual program of the Haskell County Singing Convention.

Hallie E. Chapman, convention president, said the crowd was the largest in years. "They were here from almost everywhere, it seemed," he said. "From places as distant as Pampa, Slaton, Lubbock and other points, not to mention many of our neighbors from Jones and Knox Counties," he added.

Chapman and convention officials said they desired to thank businessmen and others of Haskell who helped defray costs of the event. "Many of the visiting singers said the program was one of the best they ever attended anywhere and they are anxious to come back to Haskell," Chapman declared.

The American Legion auditorium was filled to overflowing by the convention crowd, while many parked cars through the facilities of a public address system furnished by Wynn Oil Company of Abilene.

Among the quartets and song groups taking part in the convention program were Campbell Quartet from Lubbock, Ozarks Quartet, Wichita Falls; Stamps-Baxter Quartet, Dallas; the Jubilaires from Abilene; the Pampa Trio; Phillips Family Quartet from Weatherford; Tankersley Junior Quartet from Knox City, and others.

All convention officers were re-elected. They are: Hallie Chapman, president; T. C. Cobb, vice president; Mrs. Troy Ash, secretary.

**Texas Aggies from Five Counties Hold Muster Here**

Between 45 and 50 Texas Aggies from Haskell and four adjoining counties assembled here Saturday evening for the traditional Texas A&M Muster, held at the Corral Building in Saddle Tramp Arena grounds.

Joe Astin of Stamford, president of the five-county Muster, presided for the impressive program. Wallace Cox, Jr., was the program chairman.

The evening meal, in the form of a chuck wagon supper, was prepared and served under the supervision of Truett Cobb, Saddle Tramp wagon boss.

Haskell was chosen as site for the 1957 Muster, and District Attorney Royce Adkins of Haskell was named Muster chairman.

**Two Haskell Youths Enlist in Navy's "Texan" Company**

Bill Wayne Ferrel, son of Mr. and Mrs. V. L. Hamilton, Rule, recently enlisted in the Navy's "Texan" Company, announces Chief Dan Loftin, Abilene Navy Recruiting Office.

The two local men left Abilene April 23 for Dallas along with nine men from the Abilene area and arrived in Dallas where they were processed and sworn into the Navy April 24th. After processing, they boarded American Airlines Flagships for San Diego, Calif., where the "Texan" Company will take training as a unit. After completion of nine weeks of training, the men will return to Texas.

Twenty-seven other drivers involved in accidents in the U. S. under 25 years of age.

**Twenty Local Candidates to Pay Major Costs of Demo Primaries**

Unless additional candidates make their appearance during the next 10 days—by May 7—most of the expense of holding the Democratic primaries in Haskell County will be shared by 20 candidates, less than half the number two years ago. In 1954, 43 local candidates were listed.

Cost of the 1954 primaries was figured at \$3,252.50, and that sum was apportioned among the 43 candidates. State office-seekers pay only a minor part of the county primary costs, with the major expense borne by local candidates.

If cost of holding this year's primaries equals the 1954 primary cost, candidates are going to pay approximately twice the filing fee charged two years ago, since balloting will be on half the number of offices.

Individual assessments against office-seekers in the 1954 primaries ranged from \$225 for District Judge to \$5.00 for Justice of the Peace in smaller precincts of the county.

The county Democratic executive committee will meet May 14 to estimate the expense involved in holding the two primary elections this year, and to work out a schedule of assessments against candidates for the various offices to be filled this year. Although the procedure to be followed in determining the assessments has not been announced, a safe conjecture is that the levy against each office will be in the neighborhood of 10 per cent of the annual office fee or salary. It will have to be that much unless primary costs are drastically reduced from the 1954 figures.

**Paint Creek Senior Class Will Sponsor Talent Show**

The Paint Creek junior boys and girls 4-H Club co-hosted a party Monday evening, April 23 in the high school gymnasium. Emilee Griffith led the group in games and later Frank Martin and Miss Wanda Greenhill, the county agents, gave demonstrations.

After the demonstrations refreshments of cookies and cold drinks were served. The party was well attended by clubbers and a few parents.

**HERE FROM LUBBOCK**

Judge and Mrs. T. R. Odell of Lubbock spent several hours here with friends Wednesday afternoon, on their way home from Olney. Judge Odell was greeting his friends with a southpaw handshake, as the result of a fractured right shoulder suffered several weeks ago. "The injury has just about mended but I still have to be partial to my right arm and hand," the former Haskell lawyer commented.

**Soil Stewardship Day Program at Stamford May 4**

Soil Stewardship Day will be observed in Stamford on May 4 at 7:30 p. m. at St. John's Methodist Church. The observance will be sponsored by California Creek Soil Conservation Service and Stamford Ministerial Alliance.

There will be soil conservation and soil conservation. Speakers will be O. F. Armstrong of Abilene, the Soil Conservation Service, and Dr. Hugo B. Haterius, pastor of Bethel Lutheran Church. Refreshments will be served.

"There can be no separation of man from the land, his whole existence is tied to the soil," is the thought brought out in preparation for the observance.

"Jesus once spoke of the tragedy in man losing his soul saying, 'What is a man profited if he shall gain the whole world and lose his own soul?' One might also ask, 'What has a tiller of the soil profited, if he shall gather temporary financial gain and lose the top soil of his farm?'"

Families from all over this area are invited to attend.
