Upcoming

Angel Tree program begins

The Robert Lee community churches have joined forces to bring a little Christmas miracle into the lives of some special children this season. They are asking individuals who would like to give a gift to a child in need to pick out an "Angel." You may now pick up your "Angel" cards at Ace Hardware, The Carousel, and Robert Lee State Bank. The cards will include gift suggestions, sizes, and the child's age. The names of the children and the person giving the gift will not be given. You then make your purchase, wrap it and return it to one of the trees by December 15. The committee will make the deliveries.

It is our hope that the spirit of Christmas will move us all to see that every child in Robert Lee has a gift to open Christmas morning.

Miss Bronte contest planned

The Miss Bronte Contest will be held once again this year in connection with "Christmas in Olde Bronte." Any young lady age 3 through 18 and any Senior Ms. Bronte age 60 and over should contact any merchant for an entry form and rules for the contest. The contest will be held Saturday, December 2, and the winners will be announced at that time.

For additional information, prospective contestants can also contact Kay at Main Street Market or Earlene at Margaret's Flowers.

The Bronte Merchants Association is sponsoring this contest. All young ladies in these age groups are encouraged to participate!

Rodeo Assoc. Roping Club meeting

Everyone interested in becoming a member in either the Coke Co. Rodeo Association or Roping Club is urged to attend a meeting at the Coke County Arena in Bronte, Wednesday, Nov. 29, at 6:30 pm. Officers will be elected at this time, and the '96 schedule will be set.

Br. Sorosis Club to sponsor dedication

There will be a dedication of the gazebo sponsored by the Bronte Sorosis Club December 2, 1995, following the Christmas Parade (approximately 3:30 pm). Rob Junell will be the guest speaker. The Bronte Band will perform, and there will be a \$25.00 cash giveaway by the Sorosis Club. You may register at local merchants and you must be present to win.

Longhorn yearbooks on sale

The 1995-96 edition of The Longhorn will be on sale until December 4, 1995. Your copy of The Longhorn will be ready in August, 1996, and you will be notified when it arrives at Bronte ISD.

To order, or for more information, contact any of the yearbook staff or the yearbook sponsor.

Quilters having fun!
 We had fifteen quilters at the center Thursday morning. We had lots of visiting and quilting, and enjoyed a delicious meal. I am wondering why nobody asked me to quilt!

Rehab holds brunch
 The Rehab will be having their annual Thank You Brunch to honor everyone who generously supports West Texas Rehabilitation Center by donating quilts, afghans, and other home-made items to the January Telethon. A group of our quilters will be going December 9th to the Rehab to carry the quilt, Boots and Hats, put together by Marguerite Sonnenberg and quilted by all the wonderful ladies. It is a beautiful quilt.

Anyone wanting to attend the brunch has a special invitation from Rehab Gist Memorial Center, 4755 Hartford, Abilene, Texas. The brunch begins at 10:30 am. There will be refreshments and the opportunity to see the display of the beautiful needlework gifts given to the Rehab.

"55 Alive"
 The Fifty-Five Alive driving course has been cancelled due to lack of participants. Hopefully next year we will have more people interested in taking the course. It is a very good program and we are disappointed in the cancellation.

"Potluck"
 On Thursday, November 30, the doors open at the Bronte Senior Center at 9:00 am for "88" games and potluck luncheon at 11:30 am. Come and join us!

'64 Study Club meets

The '64 Study Club of Robert Lee met for its annual pre-Thanksgiving dinner at the Recreation Hall Nov. 7. Club members, husbands, and other friends enjoyed a delicious "turkey with all the fixins" before the evening's program was given by Kelly Nichols, Joan Davis, and Thelma Jo Hinnard.

The trio, who recently a "boat ride on the ocean," took turns sharing some of their experiences. Many listeners pronounced the program to be "the best one we ever had." Kelly, especially, who declared he had never been outside Texas boundaries before, kept his audience laughing and cheering.

Each of the travelers took many rolls of film, and several scrap books and wonderful pictures were passed around while the story was being told. It was, indeed, an entertaining and educational evening. Many surprising questions received just as surprising answers, often evoking laughter and applause.

Hostesses Maxine Post, Virginia Milliff, Thelma Jo Hinnard, and JoAnn Reese served 42 people.

Personal

A Diaper Shower honoring Mrs. Cyndy Caston of Robert Lee was held in the home of Mrs. Lorrie Martin on Thursday, Nov. 16.

The serving table was centered by a country basket filled with numerous baby items, a gift of the hostesses. Punch and cookies were served to guests. A silk corsage, featuring several baby items, was presented to Mrs. Caston.

Hostesses for the occasion included Martha Trejo, Mary Rodriguez, Melodie Barnes, Tammy Smith, Carol Seals, and Mrs. Martin.

**Case - Otto
exchange vows**

Coetta Danette Case of Kirkland, Washington, formerly of Denver City, Texas, and Joseph Charles Otto of Enumclaw, Washington, were married September 23, 1995, at Robert Lee Baptist Church. Reverend David Miracle officiated.

Parents of the bride are Mr. and Mrs. Jim Wilson of Robert Lee and Mr. and Mrs. Dan Case of Mt. Pleasant, Texas. Grandparents are Mr. and Mrs. Cale Farris of San Angelo and Mrs. Coye (Velma) Case of Mt. Pleasant.

Parents of the groom are Mr. and Mrs. Bill Otto of Enumclaw, Washington.

Maid of honor was Brandi Morgan, niece of the bride, of Denver City, Texas. Best man was Dusty Morgan, nephew of the bride, of Denver City, Texas. Ushers were Guy Morgan, brother-in-law of the bride, of Denver City, Texas, and James Lange of Winters. Wedding guests were registered by Mona Lange of Winters. Music was provided by Billy Hawkins and Matt Wilson, step-brother of the bride, from San Angelo.

The bride wore an off-the-shoulder, beaded bodice, floor-length gown of white lace. She was crowned with a wreath of tiny white flowers, baby's breath, and white pearls, with a waist-length veil. She wore pearls that had belonged to her grandmother for something old. Something new was her shoes. Something borrowed was her wedding gown, and something blue was her garter. She placed pennies for the year of hers and the groom's births in her right shoe. She carried a bouquet of teal and white carnations, with purple lilies, baby's breath, and green fern. The bouquet also had ribbon streamers of teal and purple tied to the hand piece.

The bride was given in marriage by her father, Dan Case. On her walk down the aisle, the bride stopped and presented a single carnation to her mother, her step mother, and the groom's mother. After Joe and Danette repeated their vows and were pronounced husband and wife, Billy Hawkins sang "Forever Is As Far As I'll Go." The couple then took the candles that had been lit by their mothers and lit their purple unity candle. They were then presented to their audience. They walked back up the aisle as husband and wife. After a few minutes alone with each other, they returned for a photograph session.

The reception followed in the Fellowship Hall of the church. The cake was off-white with tiny purple and teal rose buds, topped with a groom dressed in black with a black cowboy hat and his bride dressed in white standing under a tree. The cake was cut and was fed to each other. Sparkling apple cider and grape juice was served for the toast. The toast was made by the best man. The bride then tossed her bouquet to the single girls there. It was caught by the bride's sister, Kerri Case. The groom removed the garter from the

Mr. and Mrs. Joe Otto

bride's leg and tossed it. It was caught by Dusty Morgan, the best man.

There were finger sandwiches of tuna fish, pimento cheese, ham and cheese, and Hoagie sandwiches. Vegetable and fruit platters, chips, dips, nuts, mints, and punch were also served. Those serving were Zera Fields, Mona and James Lange, Dee and Guy Morgan, Kerri Case, Sarah Lawrence, and Sondra Hester.

Out of town guests for the wedding were Mr. and Mrs. Bill Otto of Enumclaw, Washington; Mr. and Mrs. Dan Case and Kerri of Mt. Pleasant, Texas; Sarah Lawrence of Mt. Pleasant; Mr. and Mrs. James R. Connolly of Santa Anna, Texas; Mr. and Mrs. Edwin Wright of Gardendale, Texas; Don Hester of Abilene, Texas; Mr. and Mrs. James Lange of Winters; Mr. and Mrs. Guy Morgan, Dusty and Brandi, of

Denver City, Texas; Michelle Floyd, Lena Ellis, Mae Spiser, Matt Wilson, Billy Hawkins, and grandparents of the bride, Mr. and Mrs. Cale Farris, all of San Angelo, Texas. Those attending from Robert Lee were Mr. and Mrs. Jim Wilson, Sondra Hester, Marie Hester, and Zera Fields.

Mrs. Otto is a 1991 graduate of Denver City High School in Denver City, Texas. She has attended West Texas State University at Canyon, Titus County Junior College at Mt. Pleasant, and the University of Texas in Arlington, Texas. She is employed by the County Seat Stores in Seattle, Washington. Her husband is a 1989 graduate of Enumclaw High School in Enumclaw, Washington. He is self-employed in building construction.

The couple will make their home in Enumclaw, Washington.

RLJH basketball begins

The Robert Lee Junior High basketball teams began basketball season Thursday, November 16 on their home court. The teams hosted the Water Valley Wildcats. The Dogies "A" team and the girls "B" team took impressive wins while the girls "A" team and boys "B" teams suffered losses.

The girls "B" team defeated Water Valley's "B" girls in a close battle by score of 26-20. The first quarter saw the girls put up 9 points to Water Valley's 6. Water Valley went on a scoring run in the second while Robert Lee went a little cold on the boards. Water Valley took a 16-9 lead into the half. RL came back in the 3rd to add 8 to their total and it was Water Valley's turn to go cold offensively. RL went into the 4th with a 17-16 lead. The girls added 7 more points to the score. Water Valley was able to add only 4 more to the score leaving the final score 26-20. High pointer for the evening was Erin Millican with 10, Jennifer Hamilton hit for 7, Tiffany Copeland 3, DeShira Dickey, Angela Barrera and Amber Freeman each sunk buckets for 2.

The Dogies' "B" team played a tough defensive game against a good Water Valley "B" team. The boys came on late in the fourth quarter, but Water Valley hung on to the lead leaving the final score 11-19. James Gallegos and Beau Blair tied for high point honor with 4 each. Louis Cornejo had the only other points for RL with 3.

The girls "A" team had a tough night against a really quick Water Valley "A" team. Robert Lee went down 0-14 in the first half and managed to hit for 8 in the 3rd, but Water Valley put up another 7 in the same quarter and kept Robert Lee completely off the board in the fourth while adding an additional 2 to their own total. The final score was RL 8 and Water Valley 23. Shyla Cole hit for 6 to take high point honors and Dixie Simpson added 2 to the total for the only other score of the evening.

The Dogies delivered a sound defeat to the Wildcats, outscoring the Cats 34-14. Andrew McCabe took the lion's share of the scoring for the team, hitting for 21 points, Dan McCown sunk buckets for 5, Joel Gallegos tipped in 4, Daniel Cates and Jeremy Eaton 2 each.

RL graduate participates in leadership program

Jennifer Goodman, a Tarleton State University student from Robert Lee, is enrolled in the Tarleton Association for

Student Leadership (TASL), a leadership certification program designed to make students more marketable in tomorrow's work force.

Goodman, a junior Pre-Med major, is a 1993 graduate of Robert Lee High School.

Begun in 1994, TASL is a leadership certification program which offers students the opportunity to develop and enhance the leadership skills which will assist them in their professional and personal lives. The program consists of three components which cover three long term semesters. Students participate in weekly two-hour workshops that are conducted by Tarleton faculty and staff or professionals from outside the campus setting.

Students can earn problems course credit for participating in the program with academic department approval, and those completing all three phases will receive leadership certification on their transcript.

Applicants for the program are interviewed by a selection committee and eligible students must be in good standing at the University, have completed 15 credit hours of work and maintain a 2.24 or better grade point average.

Hormones may be natural cancer protection

In a newly funded study of breast cancer, scientists are investigating how hormones can protect against the No. 1 cancer among North American women.

"We already know that women who have their first full-term pregnancies before age 20 achieve a 50 percent reduction in their risk of breast cancer," said Dr. Daniel Medi-

na, a cell biologist at Baylor College of Medicine in Houston, "and we know that women who wait until after age 30 to have their first full-term pregnancies increase their risk of developing breast cancer."

In a five-year study funded by the National Cancer Institute of the National Institutes of Health, Medina and other researchers will attempt to

learn how female hormones affect breast cancer.

Breasts undergo many changes during pregnancy, altering the cellular nature of the breasts in the process.

"If we can learn the mechanisms of these changes and how they can confer protection from breast cancer," he said, "we may be able to devise a way to achieve those

same results by other ways."

Medina said a form of three-dimensional imaging called confocal microscopy will help scientists follow normal and cancer cells to learn how they respond to hormonal changes and to locate cancer-resistance cells.

Turkey: Then and Now

Times have changed and so has our perception of turkey. Once a meat prepared only once or twice a year, we now eat turkey year-round. Turkey has an interesting history and is truly a part of American tradition and heritage.

Long before Columbus, the wild turkey was an important source of food to the American Indians. In addition to meat, turkeys supplied feathers for clothing and head-dress and sharp spears for arrows.

Wild turkeys greeted Christopher Columbus when he arrived in America in 1492. When Columbus returned to Europe, turkeys went with him. Spanish conquistadors also brought live turkeys back to Europe. By the early 1500s, turkeys were being raised in several countries.

By the time the Pilgrims landed in America in 1620, they already knew about turkey. European domestic turkeys were crossbred with the American wild turkeys, producing the early ancestor of the modern turkey. Soon, the turkey became a major food source. When the Pilgrims served it on the first Thanksgiving Day, the turkey became a symbol of American tradition.

Some people consider the turkey the second national bird of the United States. In fact, Benjamin Franklin commented, "I wish the bald eagle had not been chosen as a representative of our country; he is a bird of bad moral character . . . the turkey is a much more respectable bird, and withal a true original native of America."

The turkey has gone through many changes since its early ancestors. Although the wild turkey has bronze-colored feathers, modern turkeys have been bred over the years to have white feathers. This results in a lighter skin which is more attractive to many people.

Turkeys today are also bred for tenderness and greater meat yield. High quality feeding and breeding produce a high quality bird. Today, the only difference between a hen and a tom are the sex and the size (a tom [male] is generally larger than 16 pounds while a hen [female] is under 16 pounds). Historically, a tom was considered tougher than a hen. This is no longer the case through modern breeding.

Turkey is an all-American, year-round favorite. Best of all, it's good for you. Turkey is high in protein, low in fat and low in calories.
