## Scott, Gibbs win BISD Board of Trustees seats

The Bronte Independent School District Board of Trustees had two 2-year terms that were decided in the May 4 election. Incumbent David Scott, with 97 votes, retained his seat. Kendall Gibbs, with 85 votes, will join him on the board after an absence of several years. Paul Williams received 42 votes in the election.

The Blackwell Consolidated School District needed to fill two 2-year terms and one 1-year

unexpired term. Incumbent Jason Jones, with 124 votes, will return to the board for another two years. Rick Griffin, with 61 votes, also earned a 2-year seat on the Blackwell board. Incumbent Jamie Walker had 59 votes.

Marsha Harris, with 103 votes, won the contest for the 1-year unexpired term. Dale Keiner received 42 votes.

## Coke County 4-H members win at District Round-Up

Several Coke County 4-H members won awards for their method demonstrations at the recently completed District 7 4-H Round-Up Contest held at Angelo State University.

Five members qualified for the State 4-H Round-Up held at Texas A & M in early June. They will be competing as part of the top 1% of 4-H members across the state.

In the senior Agronomy division, Robert Raney placed first. Stacey Denton placed first in the Horse division and Nicole Sanchez placed first in Consumer Life Skills. In the Pork division, Ashlee Millican and Kyla Millican placed first.

Also competing as a senior, Michelle Sanchez placed fourth in Clothing and Textiles.

In the junior division, Cody Denton and Taylor Percifull placed second in the Sheep and Goat demonstrations. In the junior Pork contest, Brody Dillard and Emilee Yanez placed second and Briana Brisbin placed third. All of these 4-H members should be congratulated on their hard work and accomplishments.

**Letters to the Editor**

Dear Sir:

Please find my check enclosed for my subscription for the Observer/Enterprise. I am always glad to read about my friends at home. I enjoyed the pieces you did about the "olden times". I am interested in the Grandmother book. Could you please send me some information about it and where I could buy the book?

Thank you very much for your help.

Martha Grubenman  
*(Editor's Reply: Thanks so much for your nice comments about the historical articles concerning Coke County pioneer women. These articles are being supplied, very graciously, I might add, by Jane Austin Bruckner. Thanks to Beth Prather at the Library, and her quick internet hookup, we found (she found) the address for Eakin Press, where you can buy the book. Their address is PO Drawer 90159, Austin, TX 78709-0159, phone number (512) 288-1771, and their email address is Webmaster@eakinpress.com I know others are also interested in this information, and I hope we have been of some help.*

**Cemetery upkeep relies on donations**

The Hayrick Lodge Cemetery Association has announced its annual drive for donations for the upkeep of the cemetery. Donations

Robert Lee Care Center resident Susie Bentley (right) earned a bronze medal at the Mid-West Playday held in the Angelo State University gym in San Angelo.

may be sent to Jeffie Roberts, 130 Buffalo Creek Rd., Robert Lee, TX 76945. The association does not charge for cemetery plots; care relies on donations. Although donations are welcomed at anytime during the year, the drive is a reminder to help with upkeep.

State prisoners from Carlsbad may be available for cleaning the cemetery as their work schedule allows. That group has been a boon to Coke County, as well as surrounding communities. They have saved the county and taxpayers thousands of dollars and always do an excellent job.

**Dyess air show slated for Saturday**

Dyess officials announced specific restriction which will be in place for visitors attending the annual Big Country Appreciation Day on May 11th. Many of these restrictions have been in place for several years but due to the Sept. 11th attacks and the war on terrorism, officials stated these rules will be strictly enforced.

Gates open for Big Country Appreciation Day at 9 am May 11, and flying acts begin at 10:15 am. The highlight act will be the world renowned U.S. Air Force Thunderbirds in their only Big Country appearance this year. Admission and parking are free.

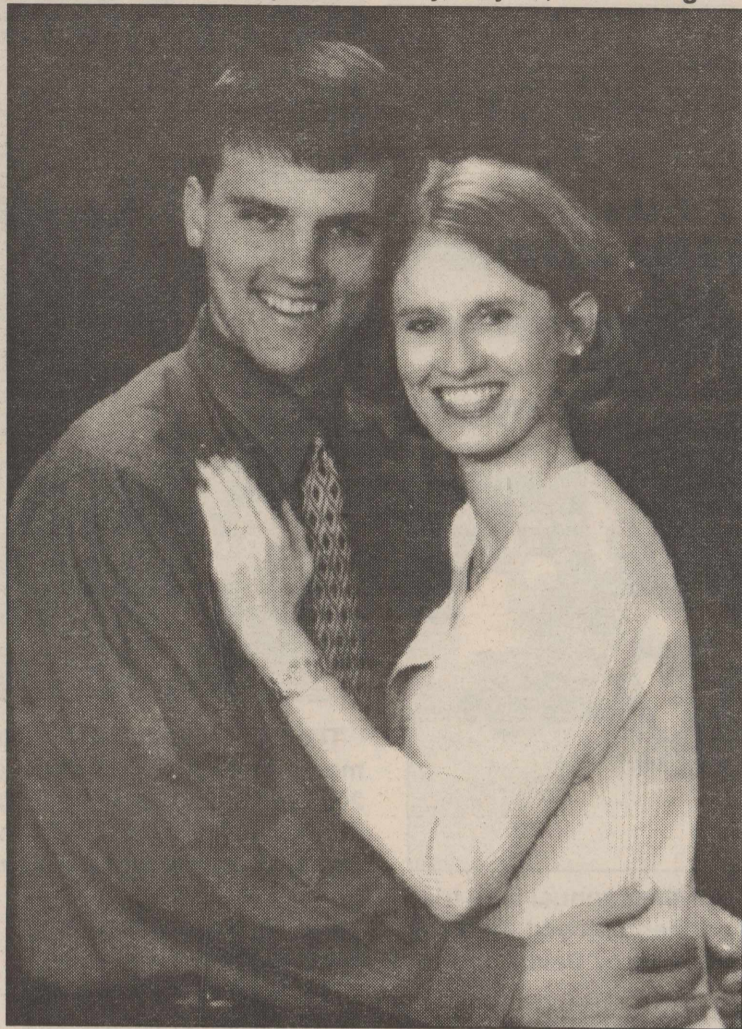

Rules for people attending Big Country Appreciation Day include:

- \*No weapons are allowed to be brought onto the base
  - \*No coolers are allowed to be brought to the event
  - \*No alcohol allowed to be brought onto the base
  - \*No animals (except seeing eye dogs) are allowed to be brought to the event
  - \*No glass containers are allowed to be brought to the event
  - \*No smoking allowed on the flight line
  - \*No bicycles, skateboards, roller blades or scooters of any sort allowed on the flight line
  - "We are working to keep inconveniences to a minimum for our visitors," said Capt. Dave Honchul, 7th Bomb Wing Public Affairs. Honchul offered recommendations for people attending the event, including:
    - \*Arrive early and be patient; visitors should be prepared for possible long waits; security personnel will get visitors on the base as quickly and efficiently as possible
    - \*Have photo identification with you at all times
    - \*Understand that everyone is subject to random searches of handcarried items; anything larger than a handbag will be searched; officials discourage visitors from bringing items like large bags or backpacks.
- For more information, contact Dyess Public Affairs at 915-696-2864.

# ROBERT LEE SCHOOL NEWS

The Robert Lee 3rd Grade class traveled to San Angelo May 2 for their annual field trip. The students visited the San Angelo Children's Art Museum and then enjoyed lunch at Mr. Gatti's. Third grade teachers are Mrs. Heather Askins and Mrs. Audrey Devoll.

## TAAS scores improve

Students' test scores on the Texas Assessment of Academic Skills (TAAS) are improving and research by the Private Enterprise Research Center (PERC) at Texas A&M University suggests that the state's accountability system is the reason.

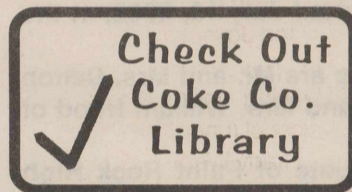

Student improvement on the TAAS may have more to do with schools and districts being held accountable than with availability of resources and per capita expenditures, says PERC Research Fellow Donald Deere. "Increases in the typical

measures of school resource such as the student-to-teacher ratio and teacher salaries cannot explain the pattern of passing rate increases across schools over time," he says. "Instead much of the explanation appears to rest with schools responding to the incentives of the accountability system."

Deere and Economics Professor Wayne Strayer, examining the state accountability system and TAAS test results for 1994-1999, found that between these years the fraction of students passing each test and the number of schools and districts receiving improved accountability ratings increased.

"The high visibility of the TAAS tests and associated accountability ratings have placed increasing pressure on district and school administrators

and on teachers to achieve TAAS success," Deere says.

It's not just books that can be checked out from the Coke County Library.

Two year's worth of Cooking Lite are now in the collection. Several year's worth of Country Magazine have also been donated. These are magazines which have really good information and entertainment in them. The magazines are in holders which can be put by a favorite chair and read at leisure. They are ready to be checked out just like the books. Donations of the Reader's Digest are also available to read. A

The audio library is becoming more popular as people begin traveling. Several tapes can be checked out to listen to along the way. The audio tapes cover the range from self-help, to mystery, to romance, to general fiction.

Library patrons are asked to "excuse the dust" for the next week. A portion of the ceiling fell down last Thursday and will be repaired as soon as possible. Commissioners David Rawlings and Bill Wheat were on hand when the sky fell and spent several hours hauling out the debris. Commissioners Burns and Pitcock have assessed the damage and cost. County crews will soon have the library back in shape. The kind

response is greatly appreciated.

Library hours are Tuesday, 8-12; Wednesday, 8-4; Thursday, 1-5; and Friday, 8-12. Books may be returned in Bronte to the Main Street Market.

**PUBLIC NOTICE OF APPLICATION TO ESTABLISH RATES**

Pursuant to Section 104.103 of the Texas Utilities Code, TXU Lone Star Pipeline (TXU LSP), a division of TXU Gas Company, hereby gives notice of intent to establish a supplemental firm transportation rate and an interruptible transportation rate designed to recover the costs of constructing and operating a 76.5-mile, 24-inch pipeline extending from the Bridgeport area in Wise County to the junction of Lines W and W7 in Denton County and then in an easterly direction to the junction of Lines D 17-9 and D9 in Collin County, hereinafter called the "Northside Project." The supplemental firm rate and interruptible rate are proposed to be charged upon the initiation of service on the Northside Project. The proposed supplemental firm rate constitutes a major change and will result in an annual increase in the revenues of TXU LSP of approximately \$9.8 million. These revenues will represent an 8% increase in the total revenues of TXU LSP.

The proposed supplemental firm transportation rate will be applicable to all firm transportation customers contracting for capacity on the Northside Project. The only current customer directly affected by the supplemental firm transportation rate will be TXU Gas Distribution. No other customer has agreed to contract for firm capacity on the Northside Project. The supplemental firm rate may, however, indirectly affect all residential and commercial customers served by TXU Gas Distribution in the state of Texas. The supplemental firm rate will be assessed to TXU Gas Distribution for its contracted capacity on the Northside Project in addition to the city gate rate approved in the Railroad Commission of Texas (Commission) Gas Utilities Docket (GUD) No. 8976. The supplemental firm rate may then be passed on to TXU Gas Distribution's residential and commercial customers. If any other transportation customers contract for firm capacity on the Northside Project, those customers may also pay the supplemental firm transportation rate in addition to any other applicable rates charged such customers.

TXU LSP also proposes an interruptible transportation rate for the use of the Northside Project. To the extent that shippers other than firm transportation customers use the Northside Project, they will be charged this interruptible rate. TXU LSP proposes to reduce the proposed supplemental firm transportation rate charged to firm customers on the Northside Project through an annual revenue crediting mechanism based on revenues from the interruptible rate approved in this proceeding.

Construction of the Northside Project is estimated to be completed in approximately 23 months after approval of this rate application. The proposed supplemental firm rate and interruptible rate will be effective on June 4, 2002, but will not be charged until the initiation of service on the Northside Project and will be charged for an initial seven year period. TXU LSP further proposes to reconcile the projected capital costs with those actually incurred and to adjust the supplemental firm transportation rate and interruptible transportation rate accordingly.

A Statement of Intent to make such change has been filed with the Commission in GUD Docket No. 9292 and is available for inspection at the Commission's office at 1701 North Congress, Austin, Texas, and at the offices of TXU LSP at 301 South Harwood, Dallas, Texas. Copies of the Statement of Intent have also been sent to the appropriate city official of each incorporated city served by TXU Gas Distribution. Any affected person may file written comments or a protest concerning the proposed changes in the rates with the Docket Services Section of the Office of General Counsel, Railroad Commission of Texas, P.O. Box 12967, Austin, Texas 78711-2967, at any time on or before June 17, 2002. Any person or agency that has a justiciable or administratively cognizable interest in this proceeding who desires to be designated as a party may petition for leave to intervene and request to become a party to this proceeding. The final date for intervention in this case shall be June 17, 2002.

**Tourism workshop set**

Tourism in Texas brings more than just visitors. It also brings dollars and opportunities to Texas communities, both urban and rural. To help explore tourism business opportunities in the West Texas area, a special day-long workshop will be held on Thursday, May 16, at the Grace Museum in Abilene.

Among the topics will be "Benefits and Strategies of Tourism in Rural Texas," "Engaging the Community for Tourism," "Winter Texans in West Texas," "Nature Tourism in Texas," "Texas Tourist Markets," "Tourism Networking"

and "Making it Happen."

Texas has about 167 million visitors per year. On average, a tourist spends about \$94.36 each day in the state. Fourteen percent of all Texas tourists engage in some type of nature tourism, which includes everything from bird watching to scenic trail rides.

"Tourism offers big opportunities for local economies," said Agriculture Commissioner Susan Combs. "For farmers, ranchers and rural communities, especially, this can be an important way to boost income."

The event is scheduled to run from 8 am to 3:15 pm. The Grace Museum is located at 102 Cypress St. in Abilene.

For more information or cost of event, contact Nicki Harle with the Texas Midwest Community Network at (915)-676-0329 or (800) 845-3563.
