Jesse B. Smith Memorial Fund To Fight Cancer

In honor of the late Jesse B. Smith, friends have announced the establishment of the Jesse B. Smith Memorial Fund for the American Cancer Society. Gifts to the fund at the first of the week amounted to \$73.50. Contributions to the memorial fund in any amount will be accepted at the parsonage of the First Christian Church, or may be mailed or given to Rev. Guy Harris, pastor of the church.

Haskell Club Now 100% Rotary Foundation Club

For its contributions of a minimum of \$10 per member to the Rotary Foundation, the Haskell Club of Haskell has been designated a "100% Rotary Foundation Club," it was announced today at Rotary's world headquarters in Evanston, Ill.

The objective of the Rotary Foundation is the fostering of projects to further understanding and friendly relations among the peoples of different nations. One of its principal objectives is the awarding of fellowships to outstanding college graduates for one year of study abroad as Rotary ambassadors of good will.

In the past 12 years, more than 1,200 of these fellowships have been awarded to students from 67 countries for study in 44 countries with grants totaling in excess of \$3,000,000. Four Texas students currently are studying abroad under this program—one from Cleburne at the University of Chile in Santiago, Chile; one from Gonzales at the University of London, England; one from Harlingen at the University of Sydney, Australia; and one from Sulphur Springs at the University of Strasbourg, France.

Local Dies Today

Lane, 83, formerly of this city, died today in his home in Texas. He had been there for three

suffered from about a year. He was buried at 10 a. m. today at St. Church, with Claude Stovall, minister officiating.

of the Knox City direction of Home.

1875, in Spring-Lane lived in about 40 years. He moved to Haskell in

ried to Annie in 1904 at was a veteran American War-ber of the Bap-

clude his wife; Lane of Fort daughter, Mrs. of Arlington; ren and two

County School Superintendents Oppose Bill Abolishing Office

Interest was focused upon House Bill 101, at a meeting of District VII county superintendents held in Haskell Tuesday. House Bill 101 provides that the Commissioners Court may call an election to determine whether the office of County Superintendent shall be abolished in all counties having four or fewer common school districts, with 100 or fewer scholastics in the common school districts. A hearing of the bill was held on Feb. 11, and at that time it was sent to a sub-committee for further study. Their report may come at any time.

The District VII group, meeting in the office of Haskell County Superintendent Jessie Vick, discussed the various aspects of the bill, and passed the following resolution: "Resolved that county superintendents of District VII go on record as opposing House Bill

101, inasmuch as it will not effect the financial saving that it proposes; that it misrepresents the educational advantages and administrative services offered in the counties involved; and that it lacks any constructive motive for the advancement of public education."

A copy of the resolution was sent by telegram to the committee chairman, and to other key figures.

It was observed that only one or two of those present would be affected by the bill if it should pass, but all regarded it as an "opening wedge" that might serve finally to abolish all offices of county superintendents in Texas.

County Superintendent Merriek McCaughey of Knox County presided at Tuesday's meeting. Other county school officials present were Supt. O. B. Wilbank of Baylor County, Supt. Ernest B. Whitaker of Jack County, Supt. Henry W. Johnson of Montague County, Supt. Clive Pierce of Taylor County, Supt. B. M. Dinsmore of Wichita County, Supt. Emma Hughes of Wilbarger County, Supt. Jessie Vick and Mrs. Elbert Payne of Haskell.

All Taxable Property To Be Re-Appraised

The Commissioners Court has decided to employ the Fort Worth firm of Pritchard and Abbott, valuation engineers, to re-appraise all taxable property in Haskell County, with the exception of oil and gas, utilities, and railroad properties.

Decision to use the services of the valuation engineers was made after the Court had made an exhaustive study of the county's assessment policies and tax revenue needs.

There has been no revision in the property evaluation schedule of county and state taxes in more than 30 years, it was

Indians Scalp Pipers 54-51 In Season's Finale

The HHS Indians wound up the cage season here Friday night by defeating the Hamlin Piped Pipers, 54-51, in a district contest.

The victory left the Indians final record at 6-AA play at six wins and two losses, while Hamlin finished with 3-5 district score.

Wayne Ammons led the Tribe with 17 points, while Fred Middleton and Louis Jones tossed in 13 apiece for the Indians' cause. For Hamlin, Cecil Robinson racked up 16, and David Wade 12.

Hamlin took the girls' game, 51-44. Nelda Kreger of Haskell was high point scorer, with 31. Haskell whammed Hamlin in the boys' B game, 35-21. Bobby Gibson of Haskell was high for the game with 16.

Farm Bureau Buys Former Telephone Co. Building

Purchase of the building formerly occupied by the local exchange of General Telephone Company as office headquarters for the Haskell County Farm Bureau was announced this week.

Henry W. Smith president, told the group that the directors had closed the transaction recently in purchasing the building from the Haskell National Bank.

"This will mean that Farm Bureau will have a home of its own," Smith told the group. "After the necessary repairs to the building are made, which will require several weeks."

The two-story building is located just off the northwest corner of the court house square, on North First Street.

Supt. Baker Gets New Contract At Mattson

At the regular meeting of the Mattson School Board, trustees extended the contract of Supt. William R. Baker for a two-year period running through the school year 1960-61.

Supt. Baker is now completing his second year as administrator of the Mattson school system and his sixth year on the school's faculty.

Baker taught at Mattson in 1951-52, then taught at Knox City and Merkel. He returned to Mattson in 1954 as science and math teacher and boy's athletic coach.

Local Beauticians Attend All-State Beauty Show

Haskell beauty shops were well represented at the All-State Beauty Show held last week at the Adolphus Hotel in Dallas.

Attending from this city were Frances Arend, Geraldine Hise, Jewel Blake and Janie Kelley from Criterion Beauty Shop; Della Medford, Nadine Pogue, from Della Medford Beauty Shop; Edith Langston from Edith's Beauty Shop; Ethel Kirkpatrick and Margaret Rainey from Kirkpatrick Beauty Shop.

Adult Cubbers, Scouters Meet In Stamford Tonight

The Northern District round tables for all Adult Cubbers and Scouters will be held in the basement of St. John's Methodist Church at 7 p. m. tonight, Feb. 19.

Will Return To Venezuela After Visit Here

Mr. and Mrs. Doyle D. Price and three children, Rusty, Billy Jo and Donald Lynn of Maracaibo, Venezuela, have been here for the past three weeks visiting in the home of their parents and grandparents, Mr. and Mrs. W. L. Price.

They left last week for Corpus Christi, where they will visit relatives and friends for a few days before leaving on their return trip to Maracaibo.

Mr. Price and his family have been in Venezuela for the past three years, where he is employed by Brown & Root of Houston.

Meeting Slated Friday To Discuss Cotton Program

A meeting of all upland cotton farmers in Haskell County will be held here Friday, Feb. 20, in the district court room of the courthouse.

The meeting will start at 9:45 a. m. and will be conducted by ASC personnel.

Purpose of the meeting is to discuss the choice of acreage allotments and price supports available to farm operators for the 1959 upland cotton crop.

Chairman Ray Overton points out that the meeting is intended to help farmers understand thoroughly all the factors involved in the farm operators

choice between his A and B allotment and price support. There will be adequate discussion, he emphasized, but no effort to influence the choice of operators. The decision must be the farm operator's own.

Legislation enacted late in the summer of 1958 gives every farm operator this opportunity of electing a choice in 1959 as to the allotment-price support program which will apply to his upland cotton crop.

He may elect to comply with his "regular" Choice A farm allotment, in which case he will be eligible for the full level of price support available for the crop, (not less than 80% of parity), or he may elect to comply with the Choice B allotment, which is 40 per cent larger than Choice A allotment, and his crop would then be eligible for price support at a level which is 15% of parity

While upland cotton farm operators have already been informed what the Choice A and B allotments are for their farms, the chairman urged that they wait to make their final decision about the 1959 allotment they will comply with until they understand about how the applicable price supports will effect them.

The national price support level for 1959 crop upland cotton has been announced by the Secretary of Agriculture, with notices being sent upland cotton farm operators, informing them of the amount of the support available under both Choice A and B farm allotments. The operator must file his choice at the County ASC office before the deadline—March 16.

Awards Offered For Letters On "Why Haskell Needs Youth Center"

Attractive awards have been announced for the three best letters written by students in Junior High or High School on the subject: "Why Haskell Should Have a Youth Center."

Each letter must be in 200 words or less, and should deal with the good purposes a Youth

Center will serve and the desire of young people to use it. Letters must, in the opinion of the judges, present some character building ideals.

Award for the best letter submitted will be a \$25 Savings Bond. Second place award will be \$10 cash, and third place award \$5 cash.

Prizes being offered are not meant as payments for the letters but tokens of appreciation for the interest of young people in the program and a recognition of their ideals.

Deadline for entries is March 5, 1959, and all letters must be postmarked not later than that date.

Entries should be mailed to "Youth Center Editor, Box 577, Haskell, Texas."

Central Baptist Church Plans New Building

Plans for a new church building in this city were announced this week.

Central Baptist Church, on North 3rd and Avenue C, will build a 3,684 square foot structure. Its sanctuary will accommodate 220 persons, the pastor, Rev. J. V. Vestal said.

The building will be financed by sale of \$13,500 in bonds, the pastor stated. Rev. Vestal will direct the campaign, assisted by Rev. E. E. Gilbert, field director for A. B. Culberson Co. of Fort Worth.

The bond sale will be launched Feb. 22.

The pastor designed the new structure. Members of the building committee are Oris Gibson, James Atkinson, James Kelly, Robert Thornberry, John Wooten and Hines Bishop.

Jaycees Endorse W. H. Cox Jr. For School Board

Haskell Jaycees met Tuesday night in a regular meeting. Final plans were completed for the "Mystorama" show to be staged Monday night, March 2 at the high school auditorium.

Jaycees also voted to unanimously support Wallace Cox Jr. in his race for a place on the School Board.

Cub Pack 36 To Hold Blue-Gold Banquet Feb. 26

Cub Pack 36 of Haskell will hold the annual Blue and Gold Banquet Thursday, Feb. 26 at 7 p. m. in the Elementary School lunchroom.

This will be a family affair with all Cubs and their parents attending.

Following the dinner, awards will be presented to Cub Scouts. Other highlights will be a Webelos ceremony graduating eight boys from Cub Scouts to Boy Scouts. Also three boys will be graduated from the Cub Scout den to the Webelos den.

Special guest at the banquet will be Kenneth Lafferty of Stamford, Scout Executive of this district.

All Cub Scouts and their parents are invited to attend.

Domino Night And Musical Will Be Held At Mattson

An old-time Domino and Musical Party will be held at Mattson School Saturday night, Feb. 21, beginning at 7:30 o'clock. The event is being sponsored by the Senior Class of Mattson School, and everyone is invited.

There will be enough domino tables for everyone to play, and those who don't care to play will be entertained with music. An attractive door prize will be awarded. An admission of 25c will be charged.

Names Of Three Candidates Filed For Trustee

Names of three candidates have been filed for the two vacancies on the local School Board to be filled in the annual trustee election April 4.

On file Wednesday were the applications of Lynn Pace Jr., Wallace H. Cox Jr., and Joe Harper, whose term as trustee expires this year.

V. W. Felker, whose term as trustee also expires this year, has not filed for re-election.

Goal of \$6,000 Set For Youth Center

Plans were outlined at a meeting Wednesday morning for a community-wide drive to raise \$6,000 to complete a Youth Center for the use of the young people of Haskell and neighboring communities.

A two-days campaign has been planned during which it is hoped to raise the \$6,000 which has been set as the minimum goal.

A group of 27 volunteer workers has been organized to spearhead the fund drive, which calls for an intensive canvass of the business section on Thursday, Feb. 26.

On the following day, Friday, Feb. 27, the campaign will be carried out throughout the residential section of the city, covering all sections of town.

The finance committee in charge of the campaign has Mayor Ira Hester as chairman, and includes John Crawford, T. B. Roberson, W. O. Holden, Dorothea Rueffer and LaVerne Jones.

As a start on the Youth Center, two large buildings have been secured and moved to the City Park just east of the swimming pool. They will be placed in use as soon as an adequate heating system can be installed.

Chairman Hester has announced that a meeting of all campaign workers will be held Monday, Feb. 23 at 7:30 p. m. in the Texas Cafe. At that meeting, last minute details will be gone over, he stated.

Committee assignments for the current year were announced at the February breakfast meeting of the Chamber of Commerce directors Tuesday morning in the Highway Drive Inn. Also, directors were given reports on the recent banquet and membership meeting, and were told of progress and development on several projects.

Highlight was a brief outline of a recent trip to Washington, D. C., by A. M. Turner who made the trip with a farm group from this section.

Secretary manager Mrs. W. R. Johnson gave a report on the banquet, which from all standpoints was one of the most successful in recent years.

She also told of the progress to date on the city's landing strip being completed north of town.

Report on a building proposal under consideration was given by Tom Barfield, to the effect that the project was not feasible.

Application for permit to establish motor freight service here is not being considered nor pressed at this time by the Burlington Lines, Lon Pate reported.

In announcing committee assignments for the year, President Jim Byrd asked all directors to submit suggestions for the C. of C. work program at the next breakfast meeting.

C of C Committees For 1959 Announced At Directors Meet

Committee appointments announced included the following: Executive Board: Jim Byrd, President; Myron Biard, Dr. T. W. Williams, Lon Pate, Mrs. Luther Burkett, Mrs. Roy Johnson.

Agriculture: A. M. Turner, Chairman; Frank Martin, Joe Harper, Ed Fouts, Bill Lawson, Bob Herren, Royce Williams.

Aviation: Ira Hester, Chairman; C. O. Holt, Alvin Sherman, Wilda Medford, Henry Withers.

Civil Affairs: Royce Adkins, Chairman; Dennis Ratliff, Ben Charlie Chapman, J. E. Walling Jr., Jay Weaver.

Clubs and Organizations: (Continued on Page 10)

Weinert High showed his registered steer to the Wichita Beef Show last week. Shown above are, from left: Donnie King; F. W. Martin, Haskell County Agent; Mrs. Bill King, Jerry's mother; Show Judge Doug Wythe; Bill King, and Jerry King. The champion steer was bred by Buford Cox of Haskell and weighed 930 pounds.

Realistic Approach To County's Tax Problem

The step taken by the Commissioners Court in employing a firm of appraisal engineers to re-evaluate taxable property in Haskell County is a business-like approach toward solving the financial problems of the county.

By applying business methods in determining the taxable value of all property in the county, the tax load will be equally divided, with every property owner assuming his proportionate and fair share of the costs of county government.

The antiquated assessment policy which has prevailed since the days of the horse and buggy has resulted in a hodge-podge distribution of the tax burden, with some property being assessed at less than two per cent of its value, and other property going on the tax rolls at better than 30 per cent of its value.

County officials cannot be altogether blamed for this situation, because it is the outgrowth of statewide laxity in adjusting state and county taxing procedure to the trend of rising property values and increasing costs of government operations.

The re-appraisal of property values for taxation purposes will likely result in criticism, and the Commissioners Court is well aware of this fact. But they are also aware that they have taken the only sensible and realistic route possible toward putting Haskell County on a business-like basis in the matter of tax evaluation.

We deem that many of those who may criticize the plan at first, will, within a short time accept it as the only fair and equitable method of distributing the county's tax load among those from whom it must be collected.

Tax Cut Deception

Federal, state and local civilian government workers in 1927 just about equalled the estimated number of qualified voters in one-third of the states in the 1928 elections, Tax Foundation, Inc., has pointed out.

In 1927 (latest year for which worker totals are available), 8 million persons were employed by the three levels of government, thus: Federal, 2.4 million; state, 1.4 million; local, 4.2 million.

Meeting their paychecks hasn't become less onerous, either. On an annual basis it is estimated that the total civilian worker payroll cost for 1927 was \$30 billion, thus: Federal, \$11 billion; state, almost \$5 billion; and local, \$15 billion.

Public Payroll \$50 Billion

(The Houston Chronicle)

If the best that Rep. Charles Halleck can do as Republican leader in the House is to try to deceive the public about a tax cut, the Republicans would have been better off keeping Rep. Joe Martin as their leader.

Tax reduction is a serious issue with the American public. Many citizens are suffering from the burden of taxation. Their desire for relief should not be misused for political purposes.

After visiting the White House, Halleck said there is a good chance for tax reduction in two or three years, if the Democrats will go along with President Eisenhower's program.

The President has proved the most extravagant in history. Although he claims his proposed \$77,000,000,000 budget for the next fiscal year will not result in a deficit—a claim challenged by fiscal experts—he is asking for an increase in foreign aid and is encouraging greater domestic spending for unnecessary purposes.

The American people aren't going to be fooled. They know economy when they see it. And they know that without rigid economy, no tax reduction is possible.

Haskell County History

20 Years Ago—Feb. 24, 1909

A fire record charge of 15 per cent which has prevailed in connection with the fire insurance key rate for Haskell for the past several years, has been lowered to 10 per cent, city officials were advised this week by Marvin Hall, state fire insurance commissioner.

Two members of the Haskell Indians 1929 district champion football team have been selected to play in an All-State Class B game at Wichita Falls on next Labor Day. Coaches Perry Mason and Scott Whitaker have been advised. The players selected are J. C. Scott and Sam Henshaw.

County Commissioner I. A. Leonard of Prec. 2, a prominent farmer of the Mattson community, died at his home early Tuesday.

Miss Ruby Sue Persons, who is attending the University of Texas, spent the weekend here with her parents, Mr. and Mrs. D. H. Persons.

A large frame residence on the farm of the late J. A. Mapes about eight miles northeast of Haskell was destroyed by fire Tuesday afternoon around 4 o'clock, together with a large part of the household goods and furnishings.

The house was occupied by Mr. and Mrs. Elbert Mapes and family. Mr. and Mrs. Leo Southern and sons of Empa visited her parents, Mr. and Mrs. B. Cox and other relatives in Haskell this weekend.

Contract for placing the final asphalt coating on a 10-mile stretch of Highway 120 from a point five miles east of Haskell to the Throckmorton County line has been awarded by the Highway Commission.

Work is to start within a few weeks, it is understood.

W. A. Lyles, Haskell jeweler who has been in the Stamford Sanitarium for the past two weeks suffering with pneumonia, has recovered to the extent that he could be returned to his home here Saturday.

30 Years Ago—Feb. 21, 1909

Controversy over division of a reward totalling approximately \$1,800 offered for the arrest and conviction of the persons who killed J. K. Beauchamp, nightwatchman here, on Oct. 23, 1926, was settled in District Court Saturday.

Six persons sharing in the award were W. F. Harris of Rule, Sheriff Frank Heard of Throckmorton, T. T. Taylor of Comanche, Bennis Conner of Comanche, Sheriff Gilbreath of Comanche and City Marshal Pate of Comanche.

E. Sutherlin, a resident of Haskell many years, has moved his family to Wichita Falls to make their future home. He will be connected with the Willys-Knight and Overland automobile agency in Wichita Falls.

West Texas Utilities Company has announced a reduction in rates for domestic and commercial purposes. The new rates for residences is 13 cents per kilowatt hour for the first four kilowatt hours used per room per month; 9 cents per kilowatt hour for the next four kilowatt hours used per room per month; 6 cents per kilowatt hour for all used in excess of the above amount.

Minimum monthly bill is \$1.50 per meter.

Girls basketball teams from 17 schools in this area have entered a tournament to be held Saturday at English Park in this city. The meet is sponsored by the athletic department of Haskell High School.

Manager Hughes of the Texas Theatre announces that equipment has been ordered for the showing of sound pictures, and that installation should be completed within the next few weeks.

The Norton Hotel in this city, which was heavily damaged by fire last summer, has been rebuilt into a modern apartment house. The building is a two-story stucco, and now has six complete apartments and ten bedrooms. All rooms and apartments have gas, water, and other modern conveniences.

Contractor J. W. Smith of Welnet was in Haskell Tuesday and closed a contract with F. C. Lowe to build a house on his farm west of town.

C. L. Jacks has sold his residence near the South Ward school to J. L. Means.

Hardy Grissom has returned from the northern markets where he made heavy purchases for his firm.

Misses Deron and Shirley Neatherly have returned from Farmersville where they have been attending school.

The Commissioners Court has approved the issuance of \$20,000 in Jail Bonds and have contracted for what is known as the Hill lots on the southeast corner of the square as site for a new, modern jail.

A. H. Day has traded his property for a home and drug business at Bruceville, Texas, to Henry M. Langford of that city, who plans to move to this section.

John B. Lamkin has equipped his blacksmith shop with

a gasoline engine and a power hammer.

A. G. Hemphill, manager of the Farmers Supply Company of Aspermont was a visitor in Haskell Saturday.

J. C. O'Bryan, former editor of The Free Press but who now resides at Channing, has been appointed district attorney of the 69th judicial district.

60 Years Ago—Feb. 25, 1899

While a good many cattle are drawn and show more or less damaging effect from the late blizzard, there has been but little actual loss in this section. This result is due in a large measure to the fact that owners all had a little feed to help them over the tight places.

We are informed that a prominent official of the Wichita Valley Railway has announced that the company would begin an extension of the line from Seymour within 60 days. It is very likely that the road will be completed into Haskell before too long.

Miss Maud Best of Albany, who spent several days visiting the Misses Johnson here, has returned to her home.

Dr. Freeling Taylor of Stonewall County was in Haskell yesterday trading and found prices so favorable that he made a bill of nearly \$100 with one of our local merchants.

Miss Lela Lawson, who has been residing with the family of M. S. Shook for some time, left several days ago for California, where she will visit her sister.

J. G. Rainer, who recently with J. C. Jones, both of Throckmorton County, purchased the J. C. Forbes flock of 4,000 sheep in this county, has moved to Haskell with his family. They occupy the Rushing residence in the north part of town.

H. C. Cousins recently purchased through Foster & Scott the McClish 320 acre survey, which adjoins his place, at \$2.50 per acre.

So far as we have been able to learn, wheat suffered but little damage from the recent unprecedented cold weather.

PEOPLE, PLACES AND THINGS

By A. PATE

Out at the Clinic the other evening, we had the opportunity of watching a couple of experts make some adjustments on the new X-ray equipment installed a short time ago.

Despite Technician Jean Elliott's patient explanation of how the complex mechanism works, it's still a fascinating mystery to us. In the realm of hospital equipment, we can't tell one end of a thermometer from another, much less read one. But this X-ray gadget—now, when you see it you can't help but realize you're looking at a marvel of scientific achievement.

The darned thing makes it possible for the doctors to check your innards from head to toe, then file the record in the form of a film for future reference and checking. Not a chance to conceal anything from this thing, once Jean presses the button and starts it to buzzing.

We have a sneaky feeling that the Income Tax man helped develop this mechanical Snooper.

Talking to a friend of ours from Seymour the other day, and he razzed us about Haskell coming up to their back door and latching on to that Miller Creek water supply. Then, in a serious vein, he commented that Haskell and the other Water Authority towns were smart in taking steps to provide water for the future.

Although Seymour people turned down the Water Authority program by a decisive vote, he thinks it is only a matter of a few years until they will have to find a source of surface water.

He saw a parallel in Seymour's action in voting against the Water Authority to Haskell's stand against Stamford building their lake on Paint Creek a few years ago.

Now it can be seen that had the two towns worked together to develop the project, both would have profited greatly. But we couldn't see it that way and missed the boat.

Fortunately for all concerned, the Miller Creek site was available for development and the water rights have been assigned to Haskell, Munday, Rule and Goree. Engineers have termed it the last good site for a surface water reservoir in this section.

Travis Clifton, Sweetwater man who is district representative for Magnolia, is a loyal member of the Rotary Club of Sweetwater who never misses a meeting if it can be helped.

When that does happen, Travis attends a neighboring club meeting in some town in his district to "make up" his attendance. He is a frequent visitor at Thursday meetings of Rotary here, as well as in Stamford and Hamlin.

Recently he decided to make up for a missed meeting, so he drove 40 miles to Hamlin, arriving there a few minutes after 1 o'clock. Going to the regular meeting place, he was given a hearty welcome.

During the meal, Travis

thought to himself that some new members had come into the Hamlin club. New faces to those he had seen at previous Rotary meetings there.

Finally the truth dawned—he was at a meeting of the Hamlin Lions Club! Lions and Rotarians meet at the same place on different days, he learned.

Despite the mix-up, Travis enjoyed the meeting and good fellowship. "Only thing, they wouldn't give me a make-up card," he complained.

Haskell people who still get a bang when they recall some of the stories told by Jack Lacy at the C of C banquet, can appreciate one told by the speaker at a banquet in Tulsa.

Editor H. M. Baggarly relates the story in his column in The Tulsa Herald as follows:

A new Methodist minister was assigned a charge in an East Texas town. It was a busy little town, and the only parking place he could find for his bright red car on Saturday afternoon was in front of a beer parlor.

A long-tongued sister saw the conspicuous car and her left eyebrow went up like a Venetian blind. By the time she had repeated her story several times, she had him in the parlor, lying on the floor, dead drunk!

Sunday morning, the stewards of the church asked their minister if he wasn't going to correct the false story from the pulpit.

"No," he replied, "I have other plans."

That night he hired the janitor to park his bright red car in front of the woman's home and leave it there all night.

Jim Byrd, new president of the Chamber of Commerce, is a fellow who never worries about how to occupy his spare time.

For business livelihood, Jim is manager of Brazelton Lumber Company, a job that requires a full eight hours of attention every day.

Then, his new civic post in the C of C requires attendance at numerous committee meetings, as well as time for considering and discussing community problems and projects.

Also, Jim is Chief of the Has-

HASKELL COUNTY ABSTRACT CO. Prompt and Efficient Service South Side Square - Haskell

kell Volunteer Fire Department, subject to call at any time, day or night.

As Alderman Jim Byrd, he is City Water Commissioner and Mayor pro tem, with the duty of presiding at sessions of the City Council when the Mayor is absent.

A member of the Methodist Church, he on the board of stewards and holds the office of church treasurer.

In the Rotary Club, Jim serves as chairman of Inter-City Activities, and is a member of several club committees.

And, believe it or not, Jim manages to squeeze into his daily schedule a little time to devote to his principal hobby of raising game birds, including pheasants, chukars, and quail. He's no stranger on the lakes, either, when fish are biting.

No matter where you see him, at Council meeting or church, at his lumber yard or fighting fire, Jim always has a wide-awake, well-nourished appearance.

Evidently the man finds time to eat and sleep, too.

Cemetery Assn. Thanks Members For Dues Paid

The Haskell Cemetery Association expresses appreciation to those who promptly responded to the January reminder of payment of their annual dues for the upkeep of their cemetery lots.

All who have inadvertently not paid, are urged to pay on or before March 1, that the caretaker may be able to keep the winter weeds and grass from getting ahead.

Payments are to be made to the secretary, Mrs. Joe Maples.

CARD OF THANKS

We take this opportunity of saying thank you to our many friends who helped in any way during the loss of our loved one, Mrs. A. C. Schaeffer. May God's richest blessings be with each of you in our prayer.

A. C. Schaeffer, Mrs. Lewis Cox, Mrs. H. U. Ferrell, Mrs. Loyd Beard, Mrs. H. S. Yarbrough, Leslie Nichols and A. N. Nichols.

FALLOUT SHELTER for a family of four to six shows how a layer of 2 feet 3 inches of earth over a 6-inch concrete roof slab offers good protection even in highly radioactive fallout zones. Cost of this backyard shelter would range from \$1,000 to \$1,500, including ventilation equipment. It is recom-

Soil Testing Lab At Seymour In Third Year

The Baylor County Soil Testing Laboratory recently completed its third successful year of operation, according to Roy L. McClung, Baylor County agent, who also supervises the soils testing laboratory and makes the recommendations. This laboratory was opened Jan. 13, 1956, as a branch of the state laboratory at College Station, to serve this area of the state, and operates under the supervision of the state soils chemist.

McClung stated that at the end of its third year of operation, the laboratory had received 2560 samples from 44 counties in Texas and a few samples from Oklahoma, New Mexico, Colorado, Nevada and California. The development of irrigation and a corresponding increase in use of fertilizers has increased the importance of soil testing, McClung said.

It is just good business to test your soil to see what needs to be added before spending a lot of money for fertilizer, the county agent stated. Then too, the agent believes that any farmer should be glad to spend a dollar to find out what his soil is deficient in regardless of whether or not he intends to use fertilizer. In addition to the needs of various soils the laboratory has found that

thousands of dollars are being wasted each year by the use of the wrong kind or improper ratio of fertilizers. You would not spend a lot of money for medicine without finding out what you needed first. The same principal applies to fertilizing and soil testing.

The county agents' offices have a supply of information sheets and sample bags. F. W. Martin, Haskell County Agent, stated that many Haskell County farmers have submitted samples to the soils laboratory the past three years, and encourages everyone to have their soil tested. Martin stated that soil testing is not the answer to all our problems, but he is of the opinion that it should be the first step in any soil building program. He will be glad to assist anyone in taking samples and filling out information sheets. Samples should be mailed or carried to Soil Testing Laboratory, Seymour, Texas. The fee for testing is \$1.00 per sample.

RECENT VISITORS IN W. L. PRICE HOME

Mr. and Mrs. W. L. Price of this city had as visitors in their home last week, a son, W. L. Price Jr., and daughter Lesa of Corpus Christi.

Feed grain prices in the 1958-59 marketing year are expected to average a little below the 1957-58 level, principally as a result of large supplies, says John G. McHaney, extension economist.

Only 16 Per Cent Of County Cars Safety Checked

Residents of Haskell County were reminded today that the 1959 deadline for having their motor vehicles inspected is midnight, April 15.

Captain Alan Johnson, Motor Vehicle Inspection Service, Texas Department of Public Safety, stated today there are 5,920 motor vehicles registered in Haskell County; of these 16 per cent have been inspected.

Drivers are urged to have their vehicles inspected early to avoid the last minute rush. This time of the year is noted for adverse weather conditions which may be predominant during the next two and one-half months. As a result the number of inspection days will be cut down since stations cannot inspect vehicles under these adverse conditions.

"Passenger cars are inspected for brakes, lights, reflectors, horn and windshield wipers, while commercial vehicles are inspected for the above plus additional items required by law," Johnson said. "In 1958 approximately five out of every one hundred accidents were caused by a mechanical defect; therefore, owners are urged to have their vehicles inspected as soon as possible."

Recurring 'Hopper Plague Is Feared By Farmers

Agricultural workers are keeping a close watch this year on grasshoppers—that ravenous insect that engulfed much of the Texas Panhandle in 1958.

A late fall survey of insect eggs shows that grasshoppers are likely to be more widespread in the western states this year but not so heavily concentrated as during the scourge of last spring.

During the survey, grasshoppers were found on 22,666,922 rangeland acres in 15 western and midwestern states as compared with 18,686,492 in 1957. However, where the previous year's survey showed many areas of extremely heavy infestation, the most recent count revealed most of the acreage to carry only a light or moderate number of hatchable eggs.

Field workers check the hopper eggs in order to give advance warning to farmers and ranchers. Later spot sampling will be made as the year progresses. One encouraging note in Texas and Oklahoma is the fact that they have found considerable parasitism of grasshopper eggs by blister beetles and bee flies, which should reduce the egg hatch.

Colorado, Montana and California have the largest rangeland areas with heavy grasshopper populations, followed by Wyoming, Utah, Oklahoma and Texas. Some 3,460,000 acres in Texas have an egg count ranging from "light" to very "abundant."

The effects of the Texas Department of Agriculture's campaign against the hopper last spring showed up clearly in the survey. Few grasshoppers were found in many of the areas treated with insecticides. Over 1,000,000 acres were treated in Texas during the campaign.

Grasshoppers are a very real threat to the farmers' and ranchers' pocketbook. The average annual loss to crops and range forage in 17 states west of the Mississippi is estimated at \$90 million.

Pest control workers urge land owners to keep a sharp eye on potentially threatening areas so they can act promptly if spring surveys show that grasshoppers are hatching in abundance.

Finishes Course At Missile School

Fort Sill, Okla. (AHTNC)—Army 2nd Lt. Thomas H. Holland, 23, son of Mr. and Mrs. William T. Holland, 200 S. Avenue K, Haskell, completed the 17-week field artillery officers basic course Feb. 4 at the Artillery and Missile School, at Fort Sill.

The course, designed for newly-commissioned officers, trained him in the duties of a forward observer and familiarized him with the responsibilities of a battery grade officer.

Lieutenant Holland is a 1958 graduate of Texas Western College and a member of Alpha Phi Omega and Sigma Gamma Epsilon fraternities.

Beer drinkers of America consume more than 200,000 barrels of the beverage a day.

Scotty Oman In Army Finance Section

Fort Bliss, Texas (AHTNC)—Army Recruit Scotty D. Oman, son of Mr. and Mrs. Frank B. Oman, Weinert, recently was assigned to the 22nd Finance Disbursing Section at Fort Bliss.

Oman, a clerk in the section, entered the Army last October and received basic combat training at Fort Carson, Colo. The 23-year-old soldier is a 1954 graduate of Weinert High School and attended Midwestern University. Before entering the Army, he was employed by Stout Realty, Hobbs, N. M.

Don Wayne Oates Heads Fraternity

Denton—Don Wayne Oates of Haskell has been elected vice president of Kappa Alpha, national social fraternity, at North Texas State College this semester.

Oates, son of Mr. and Mrs. Charles V. Oates, Rt. 1, Rule, is a junior management major. He is a 1956 graduate of Haskell High School.

Wildlife Report Made In Movies, Ready To Show

A motion picture review of the work of the Game and Fish Commission during 1958 is being released this week, according to H. D. Dodgen, executive secretary. The picture was premiered Thursday night before the members of the Commission in its job of developing more hunting and fishing for the three-quarters of a million Texans who bought licenses during the year.

At the same time the picture deals with other work done in behalf of the general conservative program.

For fishermen, the report covers the activities of both fresh and salt water. There are beautiful shots of planting small-mouth bass in the south fork of the Llano River, where this clear beautiful stream may soon become the home of the so-called "king of fresh water game fish." The picture also shows work being done at Possum Kingdom on chemical treatment to control the population of undesirable fish.

On the coast the film shows the building of artificial fish reefs with old car bodies; the creation of additional fish passes between the bays and the gulf. It also describes work being done to increase oyster beds.

For the hunter the film gives a report on the wildlife management areas, where chukar are being planted, deer and ducks are being hunted, and wildlife programs developed throughout the State.

The picture will be available to clubs and civic organizations and may be had by writing the Film Library, Game and Fish Commission, Austin.

Haskell, Jones, Singers To Meet In Stamford

The regular Haskell - Jones County program of singing will be held in Stamford Sunday, Feb. 22 at 2 p. m. in the Calvary Baptist Church.

Sam White of Stamford, who is in charge of plans for the singing, states that some of the best singers in this section are expected in attendance.

All singers and music lovers are invited.

HERE FROM ABILENE

Mr. and Mrs. Delbert Rose and children, David and Larry of Abilene, spent Sunday in the home of the Abilene man's mother and sister, Mrs. Opal Rose and Nelda.

The Navy's newest heavy-weight, the aircraft carrier USS Independence, contains more than 1,500 compartments and has more than 2,300 telephones.

One of the many mysterious feats to be presented in "Mystorama," feature entertainment program at the High School auditorium Monday evening, March 2, under auspices of Haskell Jaycees. Advance sale of tickets for the show is now being conducted by Jaycees.

"The Ten Commandments" At The Texas For 4-Day Run Starting Saturday

Cecil B. DeMille's Production "The Ten Commandments," acclaimed by the nation's press, advance audiences and ministers of all faiths as an overwhelming motion picture experience and the all-time pinnacle of movie-making, will begin its local engagement Friday at the Texas Theatre for a four-days run.

Ten years in the planning, three years in research, three years in the actual shooting, the masterwork of the screen's master showman is by far the biggest production in film history. Utilizing the talents of a massive cast of top stars and the best technicians the industry has to offer, the Paramount picture backgrounds an eternally dramatic and meaningful story with spectacle that has been called colossal in its scope.

The dramatization of the Book of Exodus stars Charlton Heston as Moses, Yul Brynner as his implacable enemy, Rameses II, Anne Baxter, Edward G. Robinson, Yvonne De Carlo, Debra Paget and John Derek.

Starring also are Sir Cedric Hardwicke, Nina Foch, Martha Scott, Judith Anderson and Vincent Price, with even the "supporting" roles played by a long list of stars. Extras number upwards of 25,000 and were hired for the Egyptian location shooting by the tribe.

Running three hours and thirty-nine minutes, the Vista Vision, Technicolor film is the account of the life of Moses from the time his mother set him afloat on the Nile, through the years as a mighty general in Pharaoh's army, to his betrayal and exile to the desert, and finally his deliverance of the Israelites and his receipt of God's Commandments. Many scenes were made on Mount Sinai itself, on the shores of the Red Sea and on the very desert sands that felt Moses' footsteps.

From its premiere performances on, the film has been receiving extraordinary acclaim for its awe-inspiring recreations of the building of Pharaoh's treasure city, the Plagues, the Exodus, the Pillar of Fire, the etching of the Commandments in the stone of Sinai by the fiery finger of God and the miracle of the parting of the Red Sea.

Rule Soldier Has Part In Maneuver Held In Germany

4th Armed Div., Germany (AHTNC)—Pfc. Ernie L. Lancaster, whose wife, Helen, lives in Rule, participated Feb. 2-7 with the 4th Armored Division in Exercise Free Play, a large scale Seventh Army field training exercise in Germany.

The maneuver was designed to determine the readiness of units and to provide further training in the various concepts of modern warfare.

Lancaster, a driver in Battery C of the 4th's 16th Artillery, entered the Army in May 1957. He arrived in Europe in November 1957.

The 23-year-old soldier is a 1953 graduate of Carney High School, O'Brien. He is the son of Mr. and Mrs. Oscar Lancaster of Springtown, Texas.

Rule Student On Honor Roll At WTSC

Dennis Briles, Rule graduate, was listed by Dean Walter H. Juniper on the fall semester honor roll at West Texas State College in Canyon. The roll is comprised of students in the top five per cent.

Briles received his B. S. degree from WT in Jan. 1959. He is a member of Alpha Chi, honor society, and was named to Who's Who Among College and University students during the fall term. He is majoring in education.

RETURNS FROM VISIT IN LAREDO

Mrs. John McGuire has returned from a two month's visit in Laredo, Texas, in the home of her daughter and family, Mr. and Mrs. O. E. Christian. Two sons and their wives, Mr. and Mrs. John McGuire of Abilene and Mr. and Mrs. Floyd McGuire of Weinert, went to Laredo during the week end and accompanied their mother home. They made numerous pictures of the picturesque country between Uvalde and Junction, and saw more than 200 wild deer in that area.

'59 MERCURY Planned for People

Mercury's new beauty is planned for people... makes room for 6, not just 4!

Here's proof you needn't sacrifice comfort for beauty. Unlike most '59 cars, Mercury is beautifully built for roominess. For instance: the hump on the floor has been cut in half, giving the middle rider more leg room... and a thicker, softer cushion. Mercury has the roomiest passenger compartment of all. Has the widest doors. Has the most visibility. Yes, you're comfortably fixed... in a Mercury.

Rule "Joy Notes" Present Program At Rotary Club

A quartet of Rule songsters "The Joy Notes," presented a delightful program at the meeting and luncheon of the Rotary Club Thursday at noon in the dining room of the Texas Cafe.

The group of talented girls, all seniors in Rule High School, are popular entertainers at gatherings throughout this area. Recently they presented a program at the Austin meeting of Small School Administrators. They have appeared at numerous clubs, and also have been on Abilene radio and TV programs.

The quartet composed of Audrey Jo Smith, Fern Rosa, Jackie Nell Estes and Ann Ousley, with their accompanist, Mrs. Novis Ousley presented a number of songs and duets.

During the brief business session, club president Tom Barfield announced that the nominating committee of District 579 had unanimously endorsed the nomination of Rotarian Robt. R. King for District Governor without opposition.

Announcement was made that Rotarians would meet with the Haskell Lions Club in a joint meeting Feb. 17.

Tom Roberson led the club singing, with Mrs. Ruby Withers as accompanist.

In addition to the Rule choral group and their accompanist, other guests were Rotarians Connor Horton and Novis Ousley of Rule, J. R. McDaniel and K. K. Francis of Stamford, Manford Reid of Rochester and Bill Wilson of Snyder.

MU Student Trio On Program At Joint Club Meet

Three students in the Fine Arts Department of Midwestern University, Wichita Falls, accompanied by Dr. D. L. Ligon, vice president of the university, furnished the program at a joint meeting of Haskell Lions and Rotary Club Tuesday at noon in the dining room of the Texas Cafe.

The trio included Barbara Otis of Walters, Okla., and Don Lewis of Friona, vocalists, and Tissa Roberts of Archer City, organist and accompanist.

Lion Jetty V. Clare introduced Dr. Ligon, who in turn introduced the talented university students. Dr. Ligon also spoke briefly about Midwestern, and expressed pleasure of his group in being invited to Haskell.

The musical program included solo numbers by Miss Otis, and by Don Lewis who sang two songs from the production "Oklahoma" which will be presented by MU fine arts department students in May of this year.

Lions Club President J. G. Vaughter presided for the joint meeting of the two clubs. He announced plans for local Lions to attend a meeting with Seymour Lions Wednesday at noon, and also reminded members of the approaching Zone Meeting in Knox City March 17.

Recognition was also given Rotarian Robt. R. King who has been unanimously nominated for District Governor of Rotary International.

A visitor at the meeting was F. A. Robinette of Seymour, district manager of General Telephone Company of the Southwest.

Mr. and Mrs. Payne Hattox and children, Tommy and Lavene, pictured, returned recently after having served some 22 months in missionary work in Sweden, with headquarters in Stockholm.

Mr. Hattox will preach at the Church of Christ in this city at the evening service at 8:30 Sunday, and will give a

report on the work in Sweden. Mr. Hattox and his family have returned to this area in behalf of the work in Sweden for an indefinite period. They are presently making their home in Munday.

He will be visiting various parts of this area and speaking to Church of Christ congregations in behalf of the work.

The church is purchasing a building in Sweden to be used for worship services.

The Munday church has sponsored the Hattox family in their missionary work, and is also sponsoring the purchase of the building in Sweden. A number of churches in this area have also had a part in the work.

Kick-Off Supper Meeting Launches Farm Bureau Membership Drive

A representative group of 35 members of the Farm Bureau met in the Texas Cafe Monday evening, Feb. 16 for a kick-off supper meeting launching the organization's membership drive this week.

H. W. Smith, president of

the county Farm Bureau presided for the occasion. He pointed out that Gov. Price Daniel has designated this week as "Farm Bureau Membership Week" and each county in the state is working on new memberships and renewals, he said.

Jack Moore of Brownfield, area membership representative, addressed the group on the importance of organizing for agriculture.

Loys D. Barbour, Iowa Park, District III director, was also present to talk on Farm Bureau and its achievements. He congratulated the local group on the planning of their membership drive and encouraged each worker to obtain as many new members as possible in order to reach the 1959 quota of 810 members by the end of the fiscal year on Oct. 31, 1959.

President Smith presented Past President Adell Thomas with a pin in recognition of his service as president of the local group for the past two years. Other past presidents at the meeting were H. H. Sego and C. H. Herren, who were also given recognition for service to the organization during their terms.

In concluding the meeting, President Smith suggested that delinquent members be ready to pay their dues as the workers call on them this week so that the quota can be reached this year.

Special guests at the meeting were Mrs. L. D. Barbour and Mrs. Ruth Gard of Iowa Park, secretary to the district director.

U. S. Navy cruisers can travel at speeds in excess of 31 knots. They are not as heavily armed as battleships because they are designed for high speed duties.

Jaycees To Present Baffling Program Of Mystery In Stage Revue March 2

The people of Haskell will be baffled and bewildered when the amazing Boxley and Marie arrive in town with their "Caravan of Mysteries" on Monday, March 2, as the featured attraction of a colorful and hilarious stage revue to be presented at the High School Auditorium.

The stars of this great show, "Mystorama," are Boxley and Marie, known from coast to coast as the "Miracle Masters" and are particularly noted for displaying their numerous mysteries and illusions at a fast and snappy pace.

Flash, color and hilarious appeal are the keynotes of their great act of amazement and amusement. They have mastered their miracles in the leading theatres and night clubs in America, and have also completed many seasonal tours of major fairs throughout the country. They have also appeared on a number of national television shows, including the Ed Sullivan Show and Art Baker's "You Asked For It."

Among his many feats of mystery, Boxley will feature the levitation of "Floating Princess," a breath-taking presentation wherein he places a

Young woman in an apparent state of hypnosis and then floats her in mid-air.

young woman in an apparent state of hypnosis and then floats her in mid-air.

VISITING PARENTS

Lieut. Thos. Holland, who recently completed a special course at Fort Sill, Okla., is visiting in the home of his parents, Mr. and Mrs. Tom Holland. Lt. Holland will report at Oakland, Calif., March 2.

VISITING HERE

State Highway Patrolman S. C. Merchant of Odessa is visiting in the home of his parents, Mr. and Mrs. Max Merchant and his grandmother, Mrs. J. O. Merchant. He recently underwent an appendectomy and will be here a week or longer while convalescing. He has been a member of the Highway Patrol three years.

Farm Bureau Group Attends Dallas Meeting

H. W. Smith, president of the Haskell County Farm Bureau, and several members of the organization, including E. A. Schaake, L. B. White, Dabney White and C. H. Herren attended a Farm Bureau chairman's rally in Dallas last week.

Purpose of the meeting was to hear an outline of plans for the annual membership drive, given by Millard Shivers, state organization director.

Mr. and Mrs. Kenneth Bledsoe and children, Michael and Barbara of San Francisco, Calif., are here for a several weeks visit in the home of their parents and grandparents, Mr. and Mrs. Slover Bledsoe. Kenneth is a Radioman, first class, in the U. S. Navy and is being transferred to San Diego, Calif.

Weinert Whams O'Brien, 37-26, In Opening District Playoff Series

Weinert and O'Brien battled extreme coldness from the field and at the free throw line here Tuesday night and the Weinert Bulldogs soared past the O'Brien Bulldogs, 37-26, in the first game of best-of-three series for the District 14-B championship.

Weinert opened the game with a barrage of deadly field shooting and pulled into an early lead. In the first period the lead changed twice before Weinert finally pulled ahead 2 points at the end of the quarter. In the second quarter the Weinert Bulldogs pulled ahead of the cold O'Brien team and didn't allow them but 2 points for the whole third quarter.

During the third quarter Weinert built up a lead of 33-11 but O'Brien came back to score 12 points in a row to cut it to 23-23 before Weinert gathered its forces together to stave off the threat. There were plenty fouls during the third and last quarter with Weinert losing the use of David Boykin by route of too many fouls, and O'Brien lost Johnston by route

if too many fouls. An example of both teams' tremendous frigidly is depicted at the free throw line. Weinert hit nine of 20, while O'Brien could sink only six of 21.

Of O'Brien's 26 points, all-stater Danny Walworth scored 19 with his slick jump shots. He hit seven field goals and five of O'Brien's six free flips. Leading Weinert was Jerry King with 10 points, while Bob Raynes added nine and David Boykin eight.

The second game of the series will be played here Thursday night and a third game, if necessary, will be played here Saturday night. The winner will meet Knox City in bi-district play next Monday night.

The Box: Weinert: Boykin 3 2 8; Walker 4 2 10; Swanner 2 2 6; Raynes 4 1 9; King 1 2 4; Totals 14 9 37.

O'Brien: Walsworth 7 5 19; Johnston 2 1 5; Carver 1 0 2; Covey 0 0 0; Rowan 0 0 0; Totals 10 6 26.

Haskell Gains 3 New Families In Past Week

Haskell gained three new families as residents during the past week, the regular survey made by the Chamber of Commerce revealed. A committee of the Progressive Study Club will contact newcomers and present gift certificates from Haskell stores as a gesture of welcome to the community.

Listed as new residents are the following:

Mr. and Mrs. Charles H. Vest 805 North 5th Street.
Mr. and Mrs. Ruben Beaty, 206 North Avenue A.
Mr. and Mrs. James Putman, 102 South Avenue B.

Weinert Boy—

(Continued from page 1)

in the heavyweight class. His steer weighed 1150 pounds and sold for 40c per pound for a total of \$460.00.

Jerry Dunnam, Weinert, placed ninth with his heavyweight steer. The animal weighed 1018 pounds and sold for 38c per pound, bringing \$386.84.

Jerry Hutchinson, Weinert, placed in the red ribbon group with his entry in the middle weight class. His steer weighed 980 pounds and sold at 38c a pound for a total of \$372.40.

Judy Boone of Weinert showed a light weight steer to 19th place. Her steer weighed 936 pounds and sold for 35c a pound for a total of \$327.60.

The steers entered by King, John Gannaway, David Gannaway and Jerry Dunnam received prize awards of \$52.00 each. Jerry Hutchinson and Judy Boone received choice awards for \$35.00 each on their entries.

Total money won by the six exhibitors from Haskell, including sale money and awards, amounted to \$4,597.57.

The group of Haskell County 4-H Club boys and girls was supervised by F. W. Martin, County Agent.

Savings Bonds Goals Told At District Meet

The 1959 Savings Bonds goal for area counties was announced at a district meeting of bankers and volunteer bond workers, held in Abilene Thursday evening, Feb. 12.

Attending from Haskell were J. M. Crawford, chairman of Haskell County bond sales, and Haskell Postmaster Harold Spain.

Representatives were present from nine counties comprising District 16. The meeting was sponsored by West Texas Utilities Co.

"The 1959 goal for Texas is \$182,500,000 and the goal for Haskell County is \$321,000," county chairman Crawford announced.

Harry Phillips, vice president of the First National Bank of Fort Worth and Fort Worth district bond chairman was the key speaker at the meeting. He stressed the fact that the Savings Bonds program is a vital part of the country's defense efforts.

"The main theme of the bond program for 1959 will be to strengthen America's peace power—buy U. S. Bonds," Phillips said.

Three Trustees To Be Elected At Mattson

Three trustees are to be named in the Mattson School District this year, in the election which has been set for Saturday, April 4.

Trustees whose terms expire are Herbert Kretschmer, Jake Stewart, and Ernest Peiser, president of the board.

Hold-over members of the board of trustees are T. C. Walker and Jess Leonard, whose terms expire in 1960, and Henry Smith and Jack Chapman, whose terms expire in 1961. Walker is secretary of the board.

Qualified persons wishing to have their names placed on the ballot may do so by making the request to the County Judge, or by five qualified persons making the request.

The forms to be used are available at the office of the County Judge, County Superintendent, or at the Mattson Superintendent's office.

Former Residents Celebrate 50th Anniversary

Mr. and Mrs. L. M. Keel, former residents of Haskell County, were honored in their home at Rising Star Feb. 7 by their children and grandchildren at an open house in celebration of their Golden Wedding anniversary. Receiving hours were from 2 to 5 p. m.

Luther M. Keel, the son of the late W. W. Keel of Gorth, Ala., came to Texas in 1900 and settled in Upshur County.

He married the former Eugenia Mae Jones, daughter of Mr. and Mrs. Joshua Jones, on Feb. 6, 1909 in Gilmer, Texas. They moved to Smith County near Troup, in 1912 and to Haskell County in 1924. They have been living in Brown, Comanche and Eastland Counties since 1938.

All nine of their children were present for the anniversary celebration. They are Allen W. Keel of Seagraves, Mrs. E. L. Edwards of Plainview, Mrs. Ollin Willis of Comanche, Mrs. J. H. Ingram of May, Mrs. B. E. Russell of Holliday, Mrs. J. W. Gifford, Mrs. Joe Fraley and Eugene M. Keel, all of Rising Star, and Leroy M. Keel of Houston.

A large number of friends, neighbors and relatives called during the afternoon to extend best wishes. Many gifts were left and those unable to be present sent gifts or letters and cards of congratulations.

A beautiful wedding cake was decorated with roses and bells and a large golden "50" which topped the cake.

Miss Allie Mae Keel, a granddaughter, served the cake, and another granddaughter, Mrs. Pat Westmoreland, served punch. They were assisted by Misses Lois and Nell Keel.

Among out-of-town guests were Richard Jackson, Mr. and Mrs. Marshall Campbell and Nicky, Lois Hardy, Mr. and Mrs. E. L. Stodghill, Mr. and Mrs. Floyd Kilgus, and Mrs. Ed King of May, Texas. Also Mr. and Mrs. J. M. Crump and Larry, Mr. and Mrs. R. T. Willett, Mrs. Essie Lyons, Mr. and Mrs. Ray Lancaster, Gary and Ronnie of Rising Star, and Mr. and Mrs. Ocie Crump and family of Brownwood.

A number of their 28 grandchildren were present, and one of the couple's eight great-grandchildren.

Mr. and Mrs. Keel have been members of the Missionary Baptist Church for about 50 years, and all of their children and their companions are united with that church except two. These two and their companions are members of the Primitive Baptist Church, one being a minister of that faith.

Mr. and Mrs. Keel recently received a card and letter shower from friends throughout this section, on the eve of their anniversary observance.

B&PW Club Takes Part In National Survey

The local Business and Professional Women's Club recently participated in the "Design for Living" program—a nationwide survey of traffic signing practices.

Comments have been received from various states revealing the use of both their own State Traffic Manual and the Manual on Uniform Traffic Control Devices for Streets and Highways.

The nation-wide survey has been found to be a stimulating and rewarding experience. It has determined that State Highway Departments throughout all states are desirous of bringing about uniformity in signing practices for the ultimate reduction of traffic accidents.

Locally, the participating club noted that we have more than 200 stop signs within the city limits, three 3-color traffic lights, four school zone restriction warnings and one blinker type signal on Highway 277 at the Junior High School crossing. Haskell is governed by the State Traffic Manual, conforming to the color and shape signs as set up in the manual.

Outstanding leaders interested in reducing the number of highway fatalities by promoting universal insistence on uniformity of traffic control devices include the Registrar of Motor Vehicles and the Commission of Public Safety. Other groups include the automobile and casualty insurance companies of many states and numerous national organizations.

Elementary P-TA Program Marks Founder's Day

The Haskell Elementary Parent-Teacher Association had its regular meeting Wednesday in the Elementary Cafeteria. The program was in celebration of Founder's Day, with Mrs. Roy Wiseman, president, presiding, and past presidents of the association were honored on this occasion.

Fairs were shown by Madala Hunt who visited the exposition this past year. Room Count was won by Mrs. Dorothy Woodard's Fourth Grade room, and refreshments were served by the Hospitality Committee.

NEWS OF INTEREST WOMEN

BUDDING ARTIST

This budding young artist is the picture of neatness in her neat-looking leisure ensemble by Comanche Mills. Jelly bean appliqued smock is in black and white check cotton by Lowenstein. Skinny pants are in black corduroy.

American Music Is Program Theme Of Harmony Club

The Haskell Harmony Club presented the "Parade of American Music" at the HHS Homemaking Cottage on Feb. 14.

The Valentine motif was used in decorations. A white linen cloth with red floral print covered the table, centered with a lovely arrangement of red tulips and styrafoam hearts tinselled in red and gold with greenery. An attractive centerpiece of dried flowers and leaves of autumn hue was on the buffet.

The president, Mrs. Tommy Hawkins, presided at the business meeting.

The club collect and song "Texas Our Texas" was given by the club.

Mrs. J. M. Littlefield, director of the program, gave an interesting discussion of the purpose and meaning of the Parade of American Music. February was designated as the month for presentation of American Music in the clubs by eleven states. The purpose is to give the public a better understanding of American music and to learn more of the American composers.

The club slogan is "A Parade of American Music program from every federated club." The composers of greatest popularity are Ethelbert Nevin, Charles Griffes, Charles Cadman, Samuel Barber, Gershwin, Rogers and Hammerstein, Victor Herbert, Romberg, and Berlin.

Stephen Foster was tops in folk music, with David Guion as second, but above all was Edward McDowell.

Mrs. O. E. Patterson rendered two piano solos, Humoresque by Dvorak and Crescendo by Lassen.

Mrs. Gene Tonn and Mrs. Nina Cook sang "No I'm Not Dreaming," as a duet, with Mrs. Patterson as piano accompanist.

Mrs. Tommy Hawkins gave a discussion on "How We Listen" from the study course "What to Listen For in Music." She stated, "No composer believes that there are any short cuts to better appreciation of music. We all listen to music according to our separate capacities. We listen to music on three separate planes."

These are, first, the sensuous plane. Second, the expressive plane. Third, the shrewdly musical plane. The intelligent listener must have the melodies, the rhythm, the harmonies and what we should strive for is a more active kind of listening. Mrs. Nadine Middleton sang a solo, "I Love a Little Cottage," with Mrs. Withers as accompanist.

The hymn of the month, "O God Our Help in Ages Past" was sung as a club number.

Mrs. G. F. Mullino as hostess served coffee and Valentine heart cookies, assisted by Mrs. Littlefield, to the following members: Mesdames Nina Cook, J. F. Cadenhead, A. C. Foster, Alton Middleton, Henry Withers, Al C. Williams, O. E. Patterson, Tommy Hawkins, Gene Tonn, Guy Harris, J. M. Littlefield, G. F. Mullino, and Miss Beryle Boone.

East Side W. M. U. Meets For Bible Study Monday

The Womens Missionary Union of the East Side Baptist Church met Monday, Feb. 16 at 3:30 p. m. with 18 members present.

After short business session, Bible Study was conducted by Mrs. T. E. Mercer, who brought an inspiring program. Next meeting will be a business and social meeting Feb. 22 at 3:30 p. m. in the annex of the church.

Oil Imports Threat To Country's Economy, Speaker Tells B&PW Club

"The 50 per cent of the world reserves of crude oil that the United States had in 1939 as against 17 per cent that year by the Middle East has been reduced to 14 per cent as against 71 per cent now held by the Arabian countries," stated French M. Robertson of Abilene, well known lawyer and oil man, when he spoke to the Business & Professional Women's Club Tuesday evening in the Highway Drive in dining room.

"The magnitude of the Middle East oil reserves, plus low labor costs make it economically impossible for us to compete on price per barrel. This gives an idea of the problem created by excessive importation of crude oil and its products and the threat to our country's oil industry and our security," the speaker declared.

The Abilene man, former member of the State Prison Board and Governor's Oil Import Study Commission, is currently serving as a member of the State Hospital Board.

Robertson pointed out that the findings and recommendations of the Governor's Oil Import Study Commission concluded that mandatory restrictions on imported crude and its products are urgently needed. Without these limitations this country is being flooded with cheap foreign oil—eliminating

jobs, curtailing incomes and reducing tax collections as witness the plight of Texas today. Nettie McCollum, club president, welcomed both club members and guests of the club.

The guest speaker, former Haskell resident and civic leader, was introduced by Stella Trice, International Relations Chairman. Centerpieces for the tables were arrangements of chrysanthemums and daffodils and oil derricks, carrying out the theme of the program. Artie Mae Burkett, Fadwa Hassen and Lelia Conner, members of the International Relations Committee, served pie and coffee to 25 members and the following guests:

Mr. and Mrs. French Robertson, Dr. and Mrs. T. W. Williams, Mr. and Mrs. Virgil Hudson, Mr. and Mrs. Hill Oates, Mr. and Mrs. Theron Cahill, Carrie Williams, Mrs. Thurman Bynum, Charles M. Conner, W. P. Trice, Byron Franzler, Myron Eldard, Homer Campbell and E. H. Culbertson.

CAMPUS HIT

Perfect for campus wear is this checked cotton dress by Minx Modes of St. Louis. The white yoke buttons into the flat-topped neckline and can be easily removed for washing.

FIESTA JACKET

It's an easy trick to turn a white cotton sweat shirt into a smart fiesta jacket. Open the shirt down the front and finish the edges. Then make a colorful border design using Wright's rick rack and bias tape. When it needs laundering, simply toss the jacket into the washing machine.

Facts Of Alaska Theme Of Weinert Club Meeting

Weinert Matrons Club met Thursday for a regular meeting at the high school dark room. Mrs. Jay Cox directed the program on Alaska, given by the 5th and 6th grade pupils. They told of the size, products, population and culture. Arch Mayfield conducted a quiz on "Facts of Alaska."

Mrs. R. C. Liles presided over the business session. Thirteen members attended. Hostess was Mrs. G. C. Newsom.

The next meeting will be Feb. 26 in the home of Mrs. R. H. Jones. Mrs. G. C. Newsom will direct the Bible program.

Attending Thursday's meeting were Mesdames V. C. Derr, W. B. Guess, C. T. Jones, R. H. Jones, J. W. Liles, R. C. Liles, J. A. Mayfield, Fred Monke, G. C. Newsom, R. J. Rainey, P. F. Weinert, C. G. Gary, Frank Oman.

Birthday Party Honors Ricky Wayne Phemister

A birthday party honoring Ricky Wayne Phemister on his fourth birthday, was held Wednesday afternoon, Feb. 11 in the home of his parents, Mr. and Mrs. Wayne Phemister.

After a series of games had been played by the little guests, gifts were opened after which ice cream and cake was served to the following: Mark and Jane McCoy, Clifford and Katie Campbell, Jimmy Lee and Becky Higgins, Mrs. Jimmy Campbell and Mrs. G. W. Roberts.

H.D. Agent Will Conduct Workshop On Millinery

A millinery workshop will be conducted by Barbara McAnelly, county home demonstration agent, for all women in the county who are interested in learning how to make a hat. This workshop is open to non-home demonstration club members as well as club women. Registration for the workshop will be from 2 p.m. to 5 p.m. on Monday, Feb. 23. The workshop will be in the agent's office on the third floor of the court house. All supplies will be displayed so that those interested may place their order.

HHS Students On D-E Panel At Study Club

Thursday, February 5, found members of The Progressive Study Club continuing their pursuit of jewels to fill the Gerspon's Treasure Chest. As the location of the priceless jewel "Understanding" became apparent, the club received assistance from a guest panel made up of Haskell High School students and their instructor in the Driver Education course being offered in the high school.

Following a concentrated drive by the Federated Clubs of Texas to incorporate Driver Education in the public schools in Texas, The Progressive Study Club, under the leadership of Mrs. Arlos Weaver, was proud to present this panel as evidence of the progress being made in our school toward safe driving through knowledge of highway rules and Traffic Safety.

Moderated by Richard Gaines, the youth panel gave insight into the nature of their Driver Education course. "Recently a group of students noted several types of drivers," said Ken McCollum. "They are as follows: the Road Hog, the Over-Cautious type, the Daydreamer, the Impatient type, the Show-off. In our Driver Education Class we learn not to be any of these drivers."

Commenting on the establishment of laws governing speeding, Phil Spain brought out the story. "In one large city a policeman ran out from the curb and, shaking his night stick, ran beside the chugging automobile and declared the driver was under arrest for speeding and endangering the lives of women and children. The driver was clipping along at the terrifying speed of six miles per hour. The driver was scared but, when taken to court, he was not fined because there were no speed laws on the statute books. Immediately, laws were established to permit automobiles to travel in town at six miles per hour, and on the highway at twelve miles per hour!"

Liability, a relatively new aspect of our traffic laws, was illustrated by Jo Boone, who said "Responsibility means to be liable. It is our duty to accept responsibility no matter what the accusation may be. It is very important to accept the responsibility, driving a car, no matter what your age. Parents are held liable for the teenagers. We must trust the judgment of adults especially our parents.

All teenagers have the desire to be trusted. Not all teenagers are show-offs. The few who are, by being teenagers, causes all teenagers

to get the name of being show-offs. We are all a personal influence on someone and it is our duty to do our best.

"Sportmanship, courtesy, habit and false courage," said Jody Kennedy, "play roles in a good driving. Experience is a good teacher, usually, when it happens to someone else. A near accident is also a good teacher. It also tells how a good serviceman and a good driver can be compared. There are rules to follow just as in sports. "If you are courteous to one person he will try to be courteous to someone else. "Good drivers drive by habit and not by 'on-the-moment' thoughts. False courage leads a person to think he is 'getting by' with something and often leads to accidents."

Highlight of the business meeting which followed the program was the election of officers for the 1959-60 club year. Mrs. Bailey Toliver accepted the presidency for a second term and will head the club, assisted by the following officers: First vice president, Mrs. Garvin Foote; second vice president, Mrs. Bill Holden; recording secretary, Mrs. Allen Overton; corresponding secretary, Mrs. Don Nanny; treasurer, Mrs. W. C. Johnston; board member, Mrs. Howard Perry; historian, Mrs. Virgil Cobb.

Mrs. Wm. J. Kemp and Mrs. Don Nanny were hostesses for the evening and were responsible for the decorations and refreshments.

PARENTS OF DAUGHTER

Mr. and Mrs. Jimmy Reeves of Snyder are announcing the arrival of a daughter, Rebecca Jane, born Feb. 16 in the Rotan Hospital and weighing seven pounds, 13 ounces. The mother is the former Janice Davis of Haskell. Grandparents of the baby are Mrs. Mary Davis Brown of Haskell and Mr. and Mrs. Reeves of Rotan. Maternal great-grandmother is Mrs. Chas. Bartond of Haskell.

District Director B&PW Attends District Meeting

Mrs. Luther Burkett, director of Business and Professional Women's Club in District VII, attended a State Board meeting at the Hilton Hotel in Fort Worth last weekend. Mary Ryan, McAllen, state president of B&PW Clubs, presided at the meeting and gave an interesting and informative report on the National Program Planning Meeting she attended in Washington on Jan. 8.

A summation of accomplishments was given by all officers, district directors, and standing committee chairmen with outlines and suggestions for future plans of the State Federation. The Legislative Steering Committee gave a detailed report on the status of the Legal Rights amendment that will be sponsored by Senator George Parkhouse of Dallas, president pro tem of the Senate, and cosponsored by Sen. George Moffett of Chillicothe. The committee outlined the work that must be done by the members of the federation if the amendment is to be passed.

Dr. Minnie L. Maffett, Dallas, a charter member of the state federation, gave a brief report of her visit to Japan for the Triennial Conference of the Pan-Pacific and Southeast Asia Women's Association and Formosa for the purpose of studying the sanitation problems and observing the results of the nursing projects being carried on and sponsored by the national federation of B&PW Clubs.

Tyler, "The Rose City," is also the convention city for the Texas Federation, which will meet there June 12-14, 1959.

Mr. and Mrs. H. L. McKay of Brownfield and Eddie McKay of Denton spent the weekend in the home of their aunt and uncle, Mr. and Mrs. W. A. Lyles.

Dedication Of E. B. Evans School Observed With Program Feb. 11

Dr. E. B. Evans, president of Prairie View A&M College, was principal speaker at the dedication program for the new E. B. Evans School in this city, held Feb. 11 in the high school auditorium.

In addition to Dr. Evans, the audience of several hundred persons heard talks and dedicatory expressions from a number of school administrators and educators of this section, and from local school officials and board members.

The program also included music presented by several school choirs and music organizations from out-of-town.

Dr. D. W. Porter, principal of Woodson High School, Abilene, presided as master of ceremonies. Rev. Odis Jackson, pastor of Hopewell Baptist Church, gave the invocation.

Others taking part on the program were O. J. Thomas and Dr. Anderson, both of Prairie View A&M College; Principal R. Hayden of Woodson Elementary School, Abilene; Dr. Joe A. Chatman and Joe A. Chatman Jr., of Lubbock.

Dedicatory expressions were given by Principal C. A. Thomas and Principal C. A. Jordan, both of Midland; C. Emerson Jackson, past president of TSTA; City School Supt. R. R. King, and Board Members J. A. Bynum and Ed Hester.

Principal B. T. W. Brembray closed the program with timely remarks, and the benediction was given by Rev. J. L. Shellman.

Evans School Is Host For Girls Cage Tourney

The new E. B. Evans school was host for the Dist. 21 girls basketball tournament Saturday, Feb. 14.

Schools participating were Washington, Anson; Washington, Breckenridge; McGee Ward, Knox City; and E. B. Evans, Haskell.

First place was won by Breckenridge, second by Knox City, and third by Haskell.

The boys district tourney will be held Feb. 21 in Breckenridge.

There will be a Fashion Show on March 6 at E. B. Evans school. For modeling fashions and other information, contact Mrs. Walker or Mrs. Ellis at the school.

Several Farm Workers Listed At TEC Office

The Munday local office of the Texas Employment Commission, located in the City Hall, is taking applications for employment and now has several farm workers available for full-time or temporary employment.

The office was established as part of the Wichita Falls local office, says Ben T. Fowler, office manager, to render a better Farm Placement service to employers and workers of the Baylor, Haskell, Knox and Throckmorton County area. Charles A. Dunnam of Weirter is Farm Placement interviewer in charge. Local farmers and ranchers are urged to list their needs for either permanent or temporary farm workers either in person or by telephone.

No charge is made to either the employer or the worker for this service.

Notes

Cotton Root Rot Poses Threat To Ornamentals

Ornamentals are a favorite victim of cotton root rot and the disease troubled many Texas homeowners last year. Now is the time to begin planning a control program to combat the disease and reduce damage this year, advises Harlan Smith, extension service plant pathologist.

It is one of the most common plant diseases in Texas and is found in all areas except the Panhandle and High Plains, points out Smith. It is most common in heavy, alkaline soils.

"People building and buying new homes seem to be troubled most by the disease," Smith said. "This is due to two factors. First, they often build on an old cotton field where the disease fungus is present. Secondly, people move from other states onto infested soil and their favorite in the other state. These species often are susceptible to root rot."

Ornamental plants affected by the disease die suddenly. Small plants often die within a few days after the first wilting while larger trees may die more slowly. The root system of affected plants decays and small plants can be pulled from the soil with little effort. The bark on the roots is decayed and brownish, woolly strands of fungus frequently can be seen on root surfaces.

Under moist conditions, spore mats sometimes appear on the soil surface. These mats may range from 2 to 12 inches in diameter and first are white and cottony. They later become tan and powdery.

The disease seldom can be cured after it attacks, says Smith. It is combatted by growing resistant or immune plants; drying-out and acidifying the soil and by certain cultural practices. For a list of resistant plants as well as advice on cultural practices, he suggests that a copy of L-390, "Cotton Root Rot," be obtained from local county agents or the Agricultural Information Office, College Station, Texas.

Cub Scouts Of Weinert Have Annual Banquet

Weinert Cub Scouts of Pack 28 had their annual Blue and Gold Banquet Monday night, February 9.

The theme of the banquet was the carnival of colors which the Pack had been studying this month and decorations were carried out in keeping with it. These decorations were planned and furnished by the Weinert Study Club which sponsors the Cub Scouts.

Invocation was given by assistant Cubmaster Eddie Sanders.

Mrs. M. W. Phemister, president of the Study Club, welcomed the Scouts and parents. Toastmaster Carter Tucker recognized leaders. Arch Mayfield gave a welcome to parents in behalf of the Cubs. A response was given by R. S. Sanders. Cubmaster Bobby Owens presented awards to Arch Mayfield, Frank Dutton, Larry Sanders, Rocky Sanders, Ronnie Alexander, Ross Dunnam and Gilbert Jimenez.

After the presentation of awards, Carter Tucker showed slides of a camping trip made when he and Mrs. Tucker toured several states and Canada.

The program ended with the Pledge of Allegiance.

Other Cubs attending were Terry Sanders, Rodney Yarbrough, Danny Owens, Phil Hunt and Ronnie Stewart.

Fifty-six people attended the banquet.

IN VA HOSPITAL AT MCKINNEY

O. L. Moore of this city was carried to the VA Hospital Tuesday in a Holden ambulance. Mr. Moore will likely be in the hospital for 10 days or longer.

RETURNS FROM VISIT IN PALESTINE

Mrs. G. R. Couch has returned home from a five-weeks visit in the home of her daughter and family, Mr. and Mrs. D. L. Scifres in Palestine, Texas. Mrs. Couch was on hand to welcome her new grandson, Darrell Lee Scifres, who arrived Feb. 5.

Various religious bodies in the nation have made available to their boys in Scouting distinctive awards in recognition of their growth in knowledge, experience, and service in their church, synagogue, or other religious association.

Paint Creek . . . Community News

BY MRS. GENE OVERTON

The girls basketball play-off games for district champion will begin Friday night Feb. 20 at the Rochester gym. The second game will be here in our Paint Creek gym Tuesday, Feb. 24, and the final game, if there is one, will be in the Haskell gym on Thursday night Feb. 26. The winner of two games of the three will enter the Regional competition at Canyon.

After Rochester beat us so soundly last Tuesday in our own gym, we aren't as cocksure we'll win district as we were when we wrote the news last week. I still think our girls can win, however. They played some good ball against O'Brien Friday night winning the game 44-32.

Mr. and Mrs. Boyd Cathey and daughter Elizabeth of Grand Prairie, were weekend visitors in the home of her parents Mr. and Mrs. W. A.

Montgomery. Other Sunday afternoon visitors in their home were Mrs. Ethel Irby, Mrs. Stella Webb, Mrs. Spencer and Mrs. Irene Ballard of Haskell. Mr. and Mrs. Paul Fischer, Margaret and Paulette left Saturday morning for Seguin to get their daughter Clara Ann. They brought her back to Cisco where she entered Cisco Junior College for this second semester of her freshman year.

Mrs. Ray Overton Jr. underwent dental surgery at the Haskell Hospital Monday morning and had some abscessed teeth removed. Mr. and Mrs. Ray Overton Sr. spent Monday and Tuesday with their granddaughter, Mary Margaret in Haskell.

Mr. and Mrs. J. H. Perry and Mr. and Mrs. J. H. Montgomery attended the meeting of the veterans of World War I at the Legion Hall in Haskell Sunday afternoon. Gene Overton and J. Coleman attended the dinner and the Commandery inspection of the Stamford Commandery of the Masonic Lodge Thursday night.

Dorothy Coleman, Mary Beth Sikes, Mike Overton and Eddie James Shanafelt attended the Sweetheart banquet at the First Baptist Church at Stamford Thursday night.

Mr. and Mrs. Gene Overton and Mike were in Rule Sunday afternoon to visit her brother's family, Mr. and Mrs. L. W. Jones Jr., and family, and her parents, Mr. and Mrs. L. W. Jones Sr. Mrs. Nora Dunn spent the weekend in Abilene and Water Valley visiting her daughters and their families. Her daughter Pauline, Mrs. White lives in Abilene and her daughter, Ruth, Mrs. Fred Phillips, Sr. has recently moved to Water Valley from Abilene.

Mr. and Mrs. Roy Overby were community visitors Sunday spending several hours with Mr. and Mrs. W. A. Montgomery.

Mr. and Mrs. Ira Coleman are remodeling their house and it is going to be so attractive. They are putting grey asbestos shingles on the outside, and a white asbestos roof. Their kitchen has new cabinets and a new wall oven and cabinet top stove burners. It will surely be nice, and we know they will enjoy it.

Judy Callaway, 15 year old daughter of Mr. and Mrs. Garland Callaway underwent surgery at Hendrick Memorial Hospital last week for removal of a small tumor on her knee. She returned home Monday, and Wednesday Mr. and Mrs. Callaway and Judy left for Houston where she will undergo further examination at the Anderson Clinic.

Mr. and Mrs. Pat Morrison and children visited Judy in an Abilene hospital Saturday afternoon. Sunday afternoon Mr. and Mrs. J. E. Kuenstler, Mrs. Lucille Watson, Mr. and Mrs. Arthur Howard and Mrs. Ray Perry visited Judy and Mr. and Mrs. Callaway at the hospital in Abilene. Mr. and Mrs. Ray Overton Sr. were in Quanah Saturday

afternoon to see her brother-in-law, S. Q. Bailey who is recovering nicely from recent surgery.

Mr. and Mrs. George Free spent Tuesday night and Wednesday with their granddaughter Mary Margaret Overton while Mrs. Overton was a dental patient in the Haskell Hospital.

Flows are turning all over Paint Creek and the sound of tractors can be heard way before sunup and long after dark. Our wheat is green, but not very tall. With all the anmoisture it must have roots 6 feet long, but above the ground, it doesn't look like much. Compared to the wheat fields this time last year, it doesn't look as if we have any. This spring when the weather is warm, it will begin to grow and we should make some fair grain this year, even if we haven't had any grazing from it.

Neighbors met Monday and Tuesday to plow for Garland Callaway so he could have his land put up before they leave for Houston.

Mr. and Mrs. Mike Flores are grandparents of a new granddaughter, Mr. and Mrs. Johnny Gonzales (Mrs. Gonzales is the former Gregory Flores) had a little daughter weighing 7 pounds and 7 ounces, born at the Stamford Sanitarium Feb. 8.

Jim Ned and Leon Hokanson of Dallas spent last weekend with their parents Mr. and Mrs. Albin Hokanson. Saturday night they enjoyed a barbequed chicken supper at the home of an aunt and uncle Mr. and Mrs. Don Compton of Hamlin.

Mr. and Mrs. M. E. Hughes and Mrs. and Mrs. W. C. Hughes attended the funeral of the Hughes' aunt, Mrs. Pearl Nash in Throckmorton.

Mr. and Mrs. Gladstone McLennan left Sunday for Kilgore and attended the funeral there of Mrs. McLennan's brother, Clyde Jones. They went with another of her brothers, John Jones and his family, of Munday.

One year from today there will be 36.5 million more people in the world.

News from Rule

BY MRS. FAYE DUNNAM

Attend Convention

Rule Co Operative Club directors and their wives attending the Ginners Convention in Galveston were Mr. and Mrs. Ernest Williams, Mr. and Mrs. Pete Eaton, Mr. and Mrs. O. G. Lewis, Mr. and Mrs. T. K. Kevil, Mr. and Mrs. Wallace Allison, Mr. and Mrs. A. D. May, Mr. and Mrs. Felix Mullino of Rochester accompanied the group.

The group went down early and went deep sea fishing in the Gulf.

Boy Scouts To Austin

Four boys from the Rule Troop No. 44 attended the Scout Meet in Austin over the weekend. They caught the bus in Abilene and went down with the group, Scotty White, Jackie Whorton, Joe Harold Cloud and David May represented the Rule Scouts.

One Act Play Cast Selected

Selections were made last week for the cast of the one-act play "Special Guest" which will be given at the district meet in Rochester on March 24. Members of the cast will be Audrey Jo Smith, Jackie Coker, Johnny Estes, Roy Lee Tate and Kay Ball. Mrs. Faye Dunnam will direct the play.

Named "Homemaker of Tomorrow"

Clarice Heatherly, daughter of Mr. and Mrs. W. L. Heatherly of Rule, received the 1958 "Betty Crocker Homemaker of Tomorrow" pin when the Future Homemakers of America had their banquet on Saturday night, Feb. 14, in the dining room of the Texas Cafe in Haskell. She received the highest score in a 50 minute written examination on homemaking knowledge and attitude. Her test will be entered in competition with those of other school winners in the state. Carroll Carter, the FHA best, was presented an identification bracelet by the FHA vice president, Sue Fischer.

Bridal Shower

Miss Nona Bryant, bride-elect of Raymond Harley, was honored with a bridal shower in the home of Mrs. Leroy Williams Saturday afternoon, Feb. 7.

Guests were greeted at the door by Miss Josephine Tarbett. Helen Williams registered the guests. Mrs. Williams showed the gifts.

In the receiving line were Miss Bryant, her mother, Mrs. Clyde Bryant, and her sisters, Mrs. Floyd Bristow of Rule, Mrs. J. L. Evans of Midland, and Mrs. Frances Imler of Odessa.

Refreshments of cake and punch were served.

Williams Sorrells Rites

Miss Helen Williams, daughter of Mr. and Mrs. L. C. Williams of Rule, and Charles Wayne Sorrells of Knox City were united in marriage at 7

p. m. Saturday, Feb. 7, at the home of Rev. R. N. Tucker, pastor of the Sweet Home Baptist Church.

They are at home in Lubbock where Mr. Sorrells is employed by a cement contractor. The bride has been attending Rule High School and was employed at the Rule Review.

Finishes Recruit Training

David Springs, apprentice petty officer second class, USN, son of Mrs. Fred Hughes of Rule, graduated Jan. 30 from Recruit Training at Naval Training Center, San Diego, Calif.

Bryant-Harley Rites

Miss Nona Bryant and Raymond Boyce (Slick) Harley were united in marriage in a single ring ceremony Sunday afternoon, Feb. 8 at 4 p. m. at the Philadelphia club house in Rule.

The ceremony was read by Rev. R. N. Tucker before an altar of pink carnations flanked on each side by pink gladiolus. Floyd Bristow, brother-in-law of the bride, gave her in marriage.

Maid of honor was Mrs. Elda Mae Bryant, sister-in-law of the bride. She wore a blue-green and white suit with white accessories and a corsage of white carnations. Beauty Bryant of Abilene, brother of the bride, was best man. Kay Ball furnished piano music.

The bride was dressed in a white and blue sheath dress with white gloves and white hat trimmed in blue. Her corsage was white carnations.

The bride is the daughter of Mr. and Mrs. C. R. Bryant of Rule. She attended Rule High School and was majorette of the Rule Pep Squad of '58. She was class president her freshman and sophomore year and class favorite her freshman year.

Mr. Harley is the son of Mr. and Mrs. Troy Gregg of Jacksboro. He attended Fairy High School in Hico. He is employed by Acme Well Service of Rule.

After a short wedding trip the couple are making their home in Rule.

A reception was held immediately following the ceremony. The wedding cake, topped with the traditional bride and groom, was cut by Kay Ball. Mrs. Melba Evans served punch.

Have Overnight Camp-Out

Weinert Boy Scout Troop 28 held their first overnight camp-out of the year Friday and Saturday, Feb. 13 and 14, when 10 Scouts and their Scoutmaster W. A. Sanders enjoyed the outing.

Scouts taking part were Scotty Moody, Ronnie Moody, Ronny Stewart, Jack Dunnam, Jackie Sanders, Bill Jetton, Lynn Gray, Benny Maples, Larry Caddell and Dale Carroll.

The Scouts had a lively time, with cooking being done buddy style, under the supervision of Scoutmaster Sanders. Scouts will meet with the Cub Scouts of Weinert Feb. 16 for the annual Scout banquet.
