## Cold front brings much needed moisture to county

by Hal Spain, Publisher

A late season cold front brought with it some much needed moisture to Coke County over the weekend. Beginning Saturday night and most of the day Sunday, some parts of the county received over two inches of rainfall and some pretty chilly temperatures on Sunday which hovered in the 50 to 60 degree range.

Seems like everybody I have talked to got over an inch as a result. Beginning on the west side of the county, Paul Burns reported 1.6 inches, with David Hefner and Hal Spain reporting 1.5 inches near Lake Spence. Marshall Millican reported 1.68 inches at his place two miles southwest of Robert Lee on Hwy. 158. Mayor Joe White reported 1.1 inches at his home in Robert Lee.

In Bronte, Jimmie Guthrie reported 1.1 inches at Bronte, with Dewey Lockett recording 1.4 inches in town and 1.8 inches in the country. Ed Cumbie reported 1.4 inches north of Bronte, and Wayne McCutchen recorded the most with 2.4 inches total.

To add to the good news, we have received no reports

of bad weather in the county over the weekend, with the exception of some pretty strong winds as a result of the storm.

**Local elections  
 set for May 10**

Several local taxing entities will be conducting elections on May 10 to determine who will serve in leadership capacities for our schools and cities. Each election or cancellation of election is discussed below:

The Bronte Independent School District has five candidates who have filed for 2 positions on the board of trustees. Incumbents Kendall Gibbs and Scott Frasier will be joined on the ballot by Shane Kelton, David McWright, and Paul Williams. Early voting will be conducted at the school from April 28 through May 6, with election day voting to be held at City Hall on May 10.

The Robert Lee Independent School District has two open 3-year terms on their board of trustees. Incumbents Jeffie Roberts and Irma Torres have filed

for these two positions. RLISD will also have a 1-year unexpired term on the ballot. Brandi Brosh has filed for this trustee position. In years past, with no contested spots on the RLISD school board, the election may have been cancelled. However, the RLISD ballot contains a bond election issue on this year's ballot. By law, the trustee election cannot be cancelled due to the bond proposal on the ballot.

The bond proposal on this year's ballot involves two propositions: 1. (for or against) The issuance of \$15,000,000 of bonds for Robert Lee Independent School District and levying the tax in payment thereof. 2. (for or against) Maintenance tax as limited by Chapter 45 of the Texas Education Code. A combined sample ballot which includes all three elections is included in this issue.

Early voting will be the same dates as the BISD election, and election day is also the same (May 10). All early and election day voting will be held at the courthouse in this election.

Incumbent Joe White will

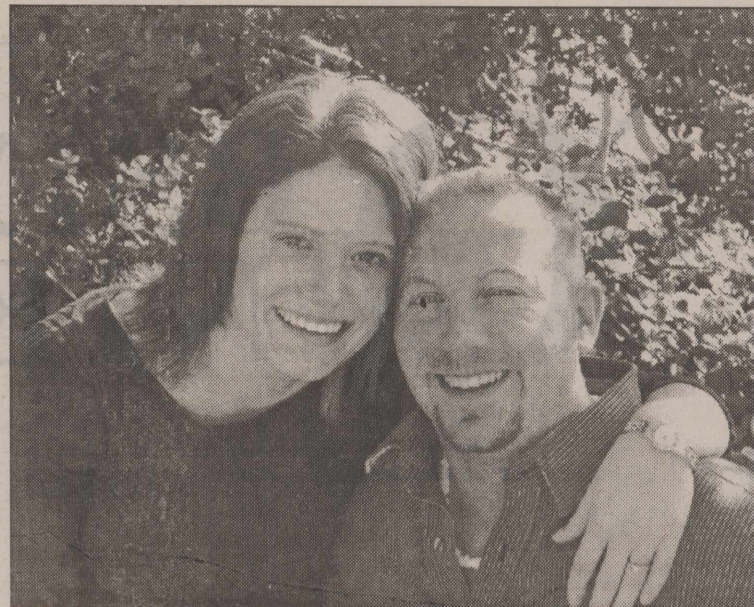

be joined on the ballot by Richard Cantrell for a 2-year term as mayor on the City of Robert Lee ballot. In addition, incumbent Bonita Cartrite, Trey Sawyer, and John Jacobs will be vying for two positions on the city council, with both being 2-year terms. Registered voters of the City of Robert Lee will be able to vote during the extended hours for early voting on April 29 and April 30. The Early voting poll place at the Coke County Courthouse will be open from 5 pm to 8 pm. The extended early voting hours are a requirement of the State Election Code and is required for cities only.

Early and election day voting in the city election will be the same as for the RLISD board of trustees election.

In the Bronte City Council election, Alvin Jones, Jim Guthrie, and Buzz Gohman have filed for three spots on the city council for 2-year terms. Gerald Sandusky has also filed for re-election for mayor. There are no contested positions for the City of Bronte election and the election is cancelled.

The East Coke County Hospital District has three board members who have filed for three 2-year terms. They are Alonzo Robbins, Garry Bivins, and Lee Wommack. According to Administrator Pat Young, that election will probably be cancelled due to no contested races.

The West Coke County Hospital District has three filings for three 2-year positions on the board. They are Pat Stephens, Mike Lomas, and Marilyn White. Since there are no contested

## Planned Emergency Response Drill

On Wednesday, May 7, the Robert Lee Independent School District will be participating with the Coke County Emergency Response Team in a Timed-Response Evacuation Practice Drill. This drill will be a simulation of an actual fire emergency at the Robert Lee campus and will be used to measure the response and evacuation time as in an actual emergency situation.

This drill is being coordinated with the Coke County first responder's team that includes the Robert Lee Volunteer Fire Department and the Coke County Sheriff's Department. Simulation of this actual emergency will include the sounding of the County fire whistle and the "running hot" of the first responders to the

school campus. Also students will be evacuated from the building as practiced by the monthly fire drill exercises.

Please do not attempt to come to the campus during this drill because it will only hinder the arrival of the emergency vehicles and provide an unsafe environment for the students. Do not be alarmed if roadblocks are established around the campus, as this is part of the emergency operations plan.

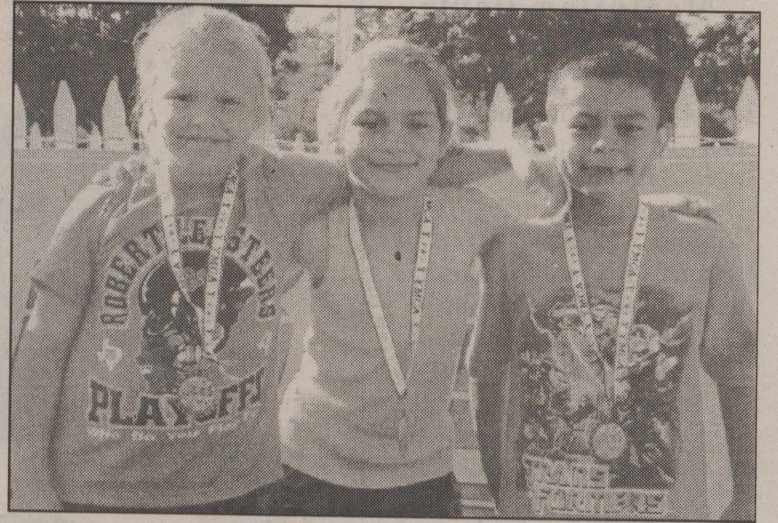

Please feel free to contact the Robert Lee ISD office at 453-4555 if there are any questions concerning this emergency drill.

## What Should I Do When I Sin?

**Repent**  
From that time Jesus began to preach, and to say, repent: for the kingdom of heaven is at hand. • *Matthew 4:17*

**Proof Of Repentance**  
They profess that they know God; but in works they deny Him, being abominable, and disobedient, and unto every good work reprobate. • *Titus 1:16*

**Confess The Sin**  
He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy. • *Proverbs 28:13*  
Confess your faults one to another, and pray one for another, that ye may be healed. The effectual fervent prayer of a righteous man availeth much. • *James 5:16*

**Stop Sinning**  
Lie not one to another, seeing that ye have put off the old man with his deeds. • *Colossians 3:9*  
Let all bitterness, and wrath, and anger, and clamour, and evil speaking, be put away from you, with all malice. • *Ephesians 4:31*

**Deliverance From Sin**  
For the law of the spirit of life in Christ Jesus hath made me free from the law of sin and death. • *Romans 8:2*

**Secret Sins**  
He that covereth his sins shall not prosper: but whoso confesseth and forsaketh them shall have mercy. • *Proverbs 28:13*  
For nothing is secret, that shall not be made manifest; neither any thing hid, that shall not be known and come abroad. • *Luke 8:17*

**The Pleasure Of Sin Is Only Temporary**  
Choosing rather to suffer affliction with the people of God, than to enjoy the pleasures of sin for a season. • *Hebrews 11:25*

**Roes named  
"Best in Texas"**

Texas career and technology education students and community leaders were recognized Monday, April 21, 2008, at the annual Best of Texas Awards Ceremony. Lindsey Roe, Family, Career and Community Leaders of America (FCCLA) alumni of Robert Lee High School, and her brother, Chase Roe, a senior at Robert Lee High School were named the Best of Texas Outstanding Alumni winner. A commemorative plaque was presented to winners and runners-up in each division.

"As we look at the qualities of the Best of Texas award recipients, we can all be reassured that our state and nation are in capable hands. These students hold not only their future, but our future in their hands, and those hands are highly competent," commented Mickey Ohlendorf, Best of Texas chairperson and Career and Technology Association of Texas member.

The Best of Texas Awards are sponsored by the Texas Career and Technology Council (TCTC) and were initiated to recognize outstanding achievements by students enrolled in career and technology education, and exemplary contributions by businesses and community leaders who have dedicated their support to career and technology programs. School districts throughout Texas submitted nominations in 13 awards categories.

The awards ceremony was held at 10 am at the William B. Travis Building in Austin. The Best of Texas festivities kicked-off with a breakfast reception and award recipients were treated to lunch at the Capitol Grill following the ceremony. Several of the award recipients' state legislators attended the event and visited with their respective students.

The TCTC is an organization representing nine professional organizations of career and technology education. TCTC strives to maintain one unified voice, speaking for and supporting career and technology programs. For more information about TCTC or Best of Texas Awards, visit [www.texascareerandtechnology.org](http://www.texascareerandtechnology.org).

The Steers got off to a great start, firing a school record 296 on the first day of competition, giving the Steers a 15 shot lead over second place teams Garden City and Archer City who both shot team scores of 311. While both Garden City and Archer City closed the gap on day two, the Steers managed a respectable 315 (611 total) to take a two shot win over Garden City's 613 and Archer City's 615. Philley once again led the Steers with an outstanding 4-under par 67 on day one, followed by a 74 on day two, for a total of 141, good

enough for second place in the medalist competition. All the Steers had outstanding two-day totals, including Brody Dillard 73-84-157; Haden Dillard 81-78-159; Taylor Percifull 75-84-159; and Mason Ross 82-79-161.

Cameron Hodge and Briana Brisbin competed as medalists and finished the tournament in very respectable positions. Hodge shot a 76-79-155 to finish tied for 12th in the field of 90 players. Brisbin also had a good outing, shooting a 95-86-181, placing her in the top 15 in the girl's competition.

**WCCHD meeting minutes**

By Pat Stephens

The Board of Directors of the West Coke County Hospital District met in regular session April 28, 2008, in the conference room of the Robert Lee Care Center. Members present were Mary Bessent, Mike Lomas, Dessie Kendall, Marilyn White, and Pat Stephens. Others present were Janie Munoz, Business Office Manager, and Roger Alexander, Administrator. President Bessent called the meeting to order at 9:35 am, and led the invocation. There were no visitors. The minutes from the March meeting were approved.

The work has begun on the new roof for the facility. The Board voted to put a new roof over the complete facility instead of roofing only half the facility, as planned. This decision is due to extensive water damage to the insulation occurring over the years.

New furniture has arrived at the facility to replace old, outdated furniture to ensure the comfort of the residents, and give the facility a face lift. Everyone is enjoying the new look. Painting continues in the Alzheimer's unit, and hopefully will be completed in the near future.

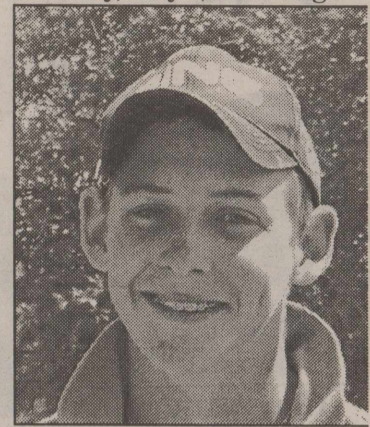

The Administrator reported to the Board no immediate staffing needs, although P.R.N.s are always useful. He's very pleased with the

staff. An electronic time clock has been purchased and is in the process of being installed. Roger hopes to have it complete and ready for use sometime in May.

The Board discussed in depth the financial statements, and they were approved. Roger gave his administrator's report, and future agenda items were discussed. The next meeting

**Golfing!** Haden Dillard (right), along with his dad, Keith, placed third in the championship flight at the Mountain Creek Adult/Child Golf Tournament recently, with a score of 67.

The meeting adjourned at 11:53, and the Board enjoyed a delicious lunch of pork roast, and all the trimmings.

**MAKE A DIFFERENCE  
VOTE FOR RLISD BOND ISSUE**

Traditionally, Coke County citizens and Robert Lee school boards have valued education and worked to make a difference for our school and community. In the early 1950's, the RLISD board stepped up to the task of building a new school. Board members Wilson Bryan, Jack Cowley, Bryan Gartman, Bob Godwin, J. C. Harwell, A.V. Sheppard, and Raymond Schooler assessed the need, saw the increasing taxing valuation and moved forward for the good of Robert Lee students. These men made a difference far into the future with the school they and the voters helped build.

Again in the 1960's, RLISD board members recognized the opportunity to improve school conditions and approved new construction. A part of that construction included the "new" gym, which is now almost 40 years old. The citizens of both decades had vision, dedication and commitment to this community and its children. Ordinary citizens made a difference in the life of Robert Lee and in the education system by approving new construction.

Just as past boards have done, the current RLISD Board acknowledged the opportunity for school improvements and called a bond election. Voters in the Robert Lee Independent School District can make a difference for today and the future by voting for the RLISD Bond Issue. Approving the bond issue to construct a school has many benefits.

- First, a new building would enhance student safety.
- It would enhance student academics.
- Updated wiring, heating, and cooling systems can reduce utility bills.
- Renovation of the current gym, football field, and track, along with construction of a new gym, promotes community support.
- New construction promotes community growth and economic development, and can encourage families to move to this community for academic advantages.
- The school is the "heart of the community". A thriving school means a thriving community.

Clay Antilley

**1st Annual Clay Antilley Invitational Golf Tournament set for June 28**

The first annual Clay Antilley Invitational Golf Tournament is scheduled for Mountain Creek Golf Course in Robert Lee on Saturday afternoon, June 28th. Tournament Chairman Dick Sims said that the tournament is to honor the memory of Clay Antilley, who was tragically killed in a vehicle accident almost a year ago. His involvement with golf along with all his great contributions to 4-H and FFA made Clay one of Coke County's favorite sons.

The tournament will be an 18 hole, three person scramble beginning with a 1:00 pm shotgun start. Entry fee is \$80 per person. There will be a free lunch before play and free barbecue dinner with live entertainment by Stephen Myers, Jeff Brisbin, Randy Flanagan, and friends after play.

All donations are appreciated, which are tax deductible with written receipts given out. Diamond sponsors are donations of \$500 and above. Gold sponsors are donations of \$200 - \$499. Silver sponsors are \$100 - \$199, and bronze sponsors are under \$100. Donations of any amount as well as those who would like to donate door prizes would be appreciated.

All proceeds will benefit the Clay Antilley Scholarship Fund. All checks should be made payable to "The Clay Antilley Invitational." Whether you play golf or not, we would like for you to be a part of the tournament. Only 18 teams (54 players) will be accepted; so sign up now. If you don't have a team we'll find you a spot. Early entry fees and donations are appreciated. There will be free mulligans on every hole, closest to the hole prizes, and beautiful hand-carved mesquite plaques will be presented to the top three teams honoring Clay Antilley.

Tournament committee members include Bill Ballew, Clay Allen, Jessie Flores, Terry Eaton, Randy Smith, JD McClelland, Ricky Ross, Randy Flanagan, Jeff Brisbin, Tim Philley, Thad Metcalf, Don Powell, Stephen Myers, Nancy Baty, Dana Sims, Don Hodge, Tom Sawyer, Doug Roberts, David

Why should you choose DECTOMAX®?  
It's the only dewormer that utilizes the doramectin molecule. DECTOMAX reaches plasma concentration that are maintained longer and cleared more slowly from the body than products with the ivermectin molecule. This gives DECTOMAX a half-life that's nearly twice that of the competition.  
In 9 out of 12 grazing comparisons, DECTOMAX injectable-treated cattle were up to 26 lbs. heavier than those treated with either Ivomec® 1% or Ivomec Plus. (The difference was statistically significant (p<.05) in three of the comparisons.)<sup>1</sup>
