Coke County Ranch Rodeo slated for tomorrow night

The 18th annual Coke County Ranch Rodeo has been set for tomorrow night, Saturday, June 13, at the Coke County Roping Arena in Bronte. This year's edition will begin at 5 pm, with approximately twenty area ranches vying for cash awards and buckles. Donations will be accepted for admission.

In addition, the Bronte Evening Lions Club will be manning the concession stand, with an array of barbecue plates, sandwiches, and all the trimmings.

Plan to come out and enjoy the rodeo action and concessions, which benefit the youth of Coke County with college scholarship funding.

2nd Annual Clay Antilley Invitational Golf Tourney set

The second annual Clay Antilley Invitational Golf Tournament is scheduled for Mountain Creek Golf Course in Robert Lee on Saturday, June 13.

The tournament is to honor the memory of Clay Antilley, who was tragically killed in a vehicle accident almost 2 years ago. His involvement with golf along with all his great contributions to 4-H and FFA made Clay one of Coke County's favorite sons.

The tournament will be an 18 hole, 3-person scramble beginning with a 1 pm shotgun start. There will be a free lunch before play and free Bar-B-Que dinner and live entertainment after the tournament by the "Divots" - Stephen Myers, Jeff Brisbin, Randy Flanagan, Doug Roberts and friends. Additional entertainment will feature the "Crowhaven Band" - Cole Flanagan, Kagan Maxcey, Weston Maxcey and Michael Rodriguez.

All donations are appreciated which are tax deductible with written receipts given out. Diamond sponsors are donations of \$500 and above. Gold sponsors are donations of \$200-\$499. Silver sponsors are \$100-\$199 and bronze sponsors

under \$100. Donations of any amount as well as those who would like to donate door prizes would be appreciated.

All proceeds will benefit the Clay Antilley Scholarship Fund. All checks should be made payable to "The Clay Antilley Invitational." Whether you play golf or not we would like for you to be a part of the tournament.

Only 18 teams (54 players) will be accepted; so sign up now. If you don't have a team, they'll find you a spot. Early entry fees and donations are appreciated. There will be free mulligans on every hole, closest to the hole prizes and beautiful hand carved mesquite plaques will be presented to the top 3 teams honoring Clay Antilley.

Tournament committee members include Bill Ballew, Clay Allen, Jessie Flores, Randy Smith, J.D. McClelland, Ricky Ross, Randy Flanagan, Jeff Brisbin, Tim Philley, Thad Metcalf, Don Powell, Stephen Myers, Nancy Baty, Tom Sawyer, Doug Roberts, David Bautista, Jimmy Skinner, Dick and Dana Sims and the Tommy Antilley family. For more information, contact Dick Sims at 453-9977 or the Mountain Creek Golf Course at 453-2317.

There will be a meal provided at no cost to guests. Following the meal, the BHRC Auxiliary will have a bake sale and auction. All proceeds of this auction will benefit the residents at the nursing home.

Then at dark, there will be a fireworks display paid for by the BHRC Auxiliary.

Each year this fund raiser is a huge success for the auxiliary. There are many people who help make this event possible. Many townspeople come and enjoy a great meal which the board members serve. The townspeople have always supported the nursing home and the auxiliary; and for that, the community is very fortunate!

Please mark your calendars for July 4, and plan to attend the meal, auction, and fireworks display at Bronte Health & Rehab Center.

CCHC Newspaper Project update

The Coke County Historical Commission Newspaper Project group held an introduction and work-day at the Wojtek Building on Tuesday, June 9, 2009. All the papers have been moved from the Observer office to the Wojtek Building and Coke County's volunteer historical preservationists have been working to arrange the papers in chronological order to be microfilmed by the West Texas Collection at Angelo State University.

Already several year's worth of papers have been separated into four categories and arranged in chronological order. With most of the papers on hand beginning with 1971, this project will require much dedication by volunteers. Documenting so much of Coke County's history will serve future generations well.

Coke County residents interested in volunteering for this massive project will be welcomed. Call 453-2495 for information, or drop by the Wojtek Building if there are volunteer's cars out front. Also, information may be obtained at the Coke County Library.

Bicycle Rodeo

On Wednesday, May 20, the back parking lot at Robert Lee Independent School District was busy with activities as the West Coke County EMS sponsored a Bicycle Rodeo for the students. Grades included were First through Fifth, as the rodeo was sponsored through Safe Kids Coalition.

Some of the activities conducted in the parking lot were the little bicycle rodeo; a 9-1-1 information booth with handouts for the kids; and a tour of the ambulance. The ambulance tour consisted of explanations for some of the safety equipment on board, which included backboards and their safe use, demonstrations with blood pressure cuffs, and the use of splints.

Assisting the EMS personnel were RLISD high school students and Coke County Sheriff Wayne McCutchen, along with two professionals from San Angelo, one with 9-1-1, and another with the Safe Kids Coalition.

"We the People"

By Jim Clendennen

We are now being bombarded with a huge propaganda campaign that will convince the gullible that the human race is a blight on the earth.

"Green" advertising has increased exponentially in the past six months. Windmills, hybrid cars, and clean technology of all kinds are touted every few minutes. Personally I love Windmills, hybrid cars, and any technology that advances civiliza-

Bike Rodeo! West Coke County EMS sponsored a "Bike Rodeo" for first through fifth grade students at Robert Lee ISD recently.

tion. But the ad campaign is not meant to help mankind but rather to aid in our subjugation. Many scientists are coming out of the closet and saying publicly that "Global Warming" is a hoax perpetrated to gain government control over resources and populations. It is for this reason that "Global Warming" is getting a new coat of varnish called "Climate Change".

The promoters of the Global ecology movement have but one motive, the subjugation of mankind under a global governance system. There are a lot of powerful people we should research and know that they are our enemies.

Maurice Strong is perhaps the most powerful person in the United Nations organization. Most people have never heard of him. Here is a sample of his beliefs. "Isn't the only hope for the planet that the industrialized civilizations collapse? Isn't it our responsibility to bring that about?" - Maurice Strong, founder of the UN Environment Program.

More quotes from promoters of global governance. "We've got to ride this global warming issue. Even if the theory of global warming is wrong, we will be doing the right thing in terms of economic and environmental policy." - Timothy Wirth, President of the UN Foundation.

"It doesn't matter what is true, it only matters what people believe is true." - Paul Watson, co-founder of Greenpeace.

"No matter if the science of global warming is all phony... climate change provides the greatest opportu-

nity to bring about justice and equality in the world." - Christine Stewart, former Canadian Minister of the Environment.

Research the environmental movement and you will discover that the thing most endangered is your liberty.

Check Out Coke County Library

Read and Relax winners in the drawing at the Coke County Library on Friday, June 5, were Daniel Munoz, Billy Coppedge, and

Madison Hall. These readers won a free shaved ice at Rhonda and Judy's.

All readers can put their names in the Friday drawing bucket once for each book they return. All names turned in will be saved for the Grand Prize Drawing on July 31.

On the last day of Head Start, the students were taken to Australia by Frank Daniels who read stories of kangaroos, koalas, kookaburras, and the Outback. The children enjoyed feeling a kangaroo pelt which was very soft. Mr. Daniels and his family will be missed when they move to another location that starts with an "A".

Library hours are Tuesdays, 8-12; Wednesdays, 8-4; Thursdays, 1-5; Fridays, 8-12. Call 453-2495 for information.

Clean Up Day! Members of the Bronte Junior Chamber of Commerce, Bronte High School Student Council, Leadership class and many adult volunteers, made Bronte's Clean Up Day a big success. Over 950 tires were removed from the City of Bronte and east Coke County. Youth volunteers also gave a fresh coat of paint to 40 of the City's fire hydrants. Other clean up projects are planned through out the remainder of the year.

Craft Fair! Bronte Chamber of Commerce directors Jennifer Stango (left) and Don-Ann Wheeler discuss festivities at the Craft Fair in Bronte on Saturday, June 6. The Bronte Community Center was full of wonderful arts and crafts, as well as face painting and goodies to eat!

Stolen property recovered by Coke County Sheriff's Office

On Tuesday, June 6, Coke County Sheriff Wayne McCutchen and Chief Deputy Randall Jacks traveled to a residence in Nolan County and served warrants on a subject for Burglary of a Habitation and Burglary of a Building.

This was the result of investigations by the Coke County Sheriff's Office into several burglaries in the Oak Creek area and in Blackwell.

Recovered property from this arrest included a welder, lawnmower and assorted power tools.

This investigation cleared at least three burglaries at Oak Creek Lake and one in Nolan County.

Corley's travel to Austin

Benny and Jackie Corley of Bronte traveled to Austin, Texas, for the state track meet. Their granddaughter, Jaci Corley, of Crane, Texas, was on a relay team with Beatris Salcedo, Summer Sutherland and Rousalyn Miller. They got a first place in this event. In the mile relay with Beatris Salcedo, Summer Sutherland, Jaci Corley and Amber Eaton,

they placed third. They were second over all at the meet.

Farm program calculation tools available online

USDA Farm Service Agency (FSA) announces that new online research and planning tools are now available for farmers and ranchers to assist them in examining how the new 2008 Farm Bill programs apply to their crops and operations.

Average Crop Revenue Election Program (ACRE) is a new revenue-based guarantee program administered by FSA that assists farmers and ranchers in managing the risks inherent in agricultural operations. ACRE is an alternative to the tradition price-stabilizing Direct and Counter-cyclical Program.

By visiting the FSA website at www.fsa.usda.gov, growers can enter their crops, acreages and price yield projections into an "ACRE

Calculator" to evaluate potential results. The calculator tool and other information including eligibility resources can be found by navigating to the Direct and Counter - Cyclical Program/ACRE pages shown in the menu bar on the left side of the FSA homepage.

The ACRE alternative provides eligible producers a state-level revenue guarantee, based on the five-year state Olympic average yield and the two-year national average price.

The website also provides a 2008 Benchmark Yield History, ACRE Revenue Yield Maps and ACRE Price Values. The calculator can be used for one year and repeated to project multiple year results. Additional ACRE background information includes fact sheets and

descriptive charts to help explain this program's provisions and calculations.

August 14th is the deadline to elect and enroll in ACRE for the 2009 Crop Year. Note that once a producer elects to participate in ACRE, the farm is no longer eligible for the regular Direct and Counter-cyclical Program through the 2012 Crop Year, the last year covered by the 2008 Farm Bill.

Producers should carefully evaluate their participation in ACRE. Payments in ACRE are made only when both state and farm-level triggers are met. By participating in ACRE, producers elect to forgo counter-cyclical payments, receive a 20-percent reduction in direct payments

and a 30-percent reduction in loan rates.

For more information about your options under ACRE and other new Farm Bill programs, contact the Coke Sterling FSA at 325-453-2751 to schedule an appointment.

CHANGE!!

Are You Ready To Be Changed?

But we are citizens of the state (commonwealth, homeland) which is in heaven, and from it also we earnestly and patiently await (the coming of) the Lord Jesus Christ (the Messiah) as saviour.

Who will transform and fashion anew the body of our humiliation to conform to and be like the body of His glory and majesty, by exerting that power which enables Him even to subject everything to Himself. • *Philippians 3:20-21*

But I tell you this, brethren, flesh and blood cannot (become partakers of eternal salvation and) inherit or share in the kingdom of God; nor does the perishable (that which is decaying) inherit or share in the imperishable (the immortal). Take notice! I tell you a mystery (a secret truth, an event decreed by the hidden purpose or counsel of God). We shall not all fall asleep (in death), but we shall be changed (transformed). In a moment, in the twinkling of an eye, at the (sound of the) last trumpet call. For a trumpet will sound, and the dead (in Christ) will be raised imperishable (free and immune from decay), and we shall be changed (transformed).

For this perishable (part of us) must put on the imperishable (nature), and this mortal (part of us), this nature that is capable of dying must put on immortality (freedom from death).

And when this perishable puts on the imperishable and this that was capable of dying puts on freedom from death, then shall be fulfilled the scripture that says, death is swallowed up (utterly vanquished forever) in and unto victory. O death, where is your victory? O death, where is your sting? Now sin is the sting of death, sin exercises its power (upon the soul) through (the abuse of) the law.

But thanks be to God, who gives us the victory (making us conquerors) through our Lord Jesus Christ.

Swimming Safety Part III

Lake and River

- Select a clean, well maintained area with a clean bathhouse, restrooms and a litter-free environment.
- Select an area with good water quality and safe natural conditions. Murky water, hidden underwater objects, unexpected drop-offs, and aquatic plant life are hazards. Water pollution can cause health problems for swimmers. Strong tides, big waves, and currents can turn an event that began as fun into tragedy.
- Make sure the water is deep enough before entering head-first. A feet-first entry is much safer than diving.
- Be sure rafts and docks are in good condition with no loose boards or exposed nails. Never swim under raft or dock and always look before jumping off to be sure no one is in the way.
- Avoid drainage ditches for water run-off. After heavy rains, they can quickly change into raging rivers that can take a human life; even the strongest swimmers are no match for the power of the water.

Swimming at a Water Park

- Be sure the area is well supervised by lifeguards before you or others in your group enter the water.
- Read all posted signs. Follow the rules and directions given by lifeguards. Ask questions if you are not sure about a correct procedure.
- Be aware that when you

go from one attraction to another, the water depth may be different and the attraction may be used in a different way.

- Get in the correct position before starting down a water slide - face up and feet first. On speed slides, be sure legs are crossed to prevent injuries.
- Wear a Coast Guard-approved life jacket if you cannot swim. Some facilities provide life jackets at no charge.
- Practice good hygiene. Shower before you get to a water park (or a pool). Change diapers in a diaper changing room. If somebody is ill with diarrhea, don't go into the water - that person could transmit the disease to others. Have toddlers wear swim diapers.
- Learn to swim. The best thing adults and children can do to stay safe in and around the water is to learn to swim.
