## NOTICE

Peaches are ready in West Gaines County at the CBK Orchard, (formerly (Norman Orchard).

AND A GOOD TIME WAS HAD BY ALL - - - At the head table at Mrs. R. M. E. Hughes' birthday party last Friday night were Lyndall and LaFrae Sharp, a nephew and niece; Mrs. Bessie Maltsberger, a sister; in the center, Mrs. Fisher Pollard, an aunt; Stanton Brunson from Crosbyton, Texas, who sent in the first reservation; and that delightfully young Mrs. Opal Hughes and her uncle, Fisher Pollard from Fort Sumner, New Mexico. "Well, he's older than I am," she said, "but not an old man." Sixty-seven guests made the birthday party. Each had one candle apiece, plus one to grow on. The party was held at Jo's Restaurant.

In 1967 I wrote to Ace Reid and ask about using the Cow Poke and since that day our relationship has always been good. And as he told me the other day in Kerrville, "Yep, our relationship must have been good if you're still using my cartoons, cause I know you're paying me."

When I think about the hill country and I think about the cow business I have to think about Reid, Jake and Zeb and the big saddles on the poor horses. His drawings about ranching, ranch life, falling down fences, poor prices for poor cows are just about as authentic as the hill country itself.

Cow Poke is not only ran in many weekly papers but daily papers, livestock journals, calenders and lately in some cookbooks.

Well, I visited the End of the Hills in Kerrville where Ace maintains his offices and sure enough he was not there. I did sign the register and found a broken rein off a bridle where his horse either jerked loose or he pulled it loose to whip his wife.

We went on down to the big Bazaar thing. This is a line of shops that cover a short block converted from an old rock motel. cont. on p. 2

THEREFORE, I URGE ALL CITIZENS TO RECOGNIZE THIS SPECIAL PERIOD, AND ESPECIALLY URGE FARM FAMILIES OF GAINES COUNTY TO BECOME MORE SAFETY CONSCIOUS, NOT ONLY DURING FARM SAFETY WEEK, BUT EVERY DAY OF THE YEAR.

**WOODENFOOTE CONT.**  
FROM PAGE 1

There was glass blowing, art work, wood burning, coffee shop, western costumes for sale and other places from two doors wide to larger. Also a bunch of art work by Ace Reid himself.

Mrs. Lenos C. Norton said, "That's Ace Reid there in that green shirt." Sure enough he looked like an overweight cowboy that had been leaning on the beer barrell some. "Yep," he said after proper introductions, "I've owned newspapers, sold them on the credit, they can't pay for them and I'm not going to repossess them. I'd have to run them again. I've tried newspapers, ranching, cartooning, art and cowboying, but I've always wanted to be in the popcorn business."

"What do you want to drink? We sell cokes and popcorn right here." He bought a round for everybody and then had the gall and audacity to tell me he made 35 bucks yesterday out of this place of business and that's more money than he made running a ranch, newspaper, cartooning or punching cows. "I've always wanted a popcorn business."

"Where you staying? I knew you'd be putting up with somebody cause a newspaper man cannot afford a room."

Well, it was a good visit. We're still paid up and the Cow Poke is as good as ever.

Norton would you please check on Ace Reid every now and then and see if he's still giving the drinks away or if he's charging. After all I'm afraid he's not going to be a successful shop keeper if he keeps giving away his wares.

at the present time, seven on a temporary basis, and that the average children in such families were 2.7. "It costs each tax payer in Gaines County 60¢ per year," he said, "to maintain such a program. At the present, four children have been placed in foster homes and in their custody, or temporary custody, is 25 children and the average pay check is \$20.18 per month." The average case has help for a continuation of 3½ years.

Mr. Stokes said further that his office would offer a family planning service, birth control service, services to unmarried parents, services to county officials with problems concerning similar people and a service helping people to adjust that have major health problems.

One of the best things that the speaker reported on was the immunity in a recent law concerning a citizen turning in a parent or a guardian for mistreating, beating or leaving children unattended. This law protects the neighbor and friends from court action when they suspect the mistreatment of minor children. These reports can be made to the police, to the hospital or to his office. The address and telephone number will be given at a later date.

Jim Dearman is shown with the 9½ pound rattlesnake he killed last Tuesday 7 miles southwest of Seminole on the Buck Roberts place. It was 62 inches long and had 14 rattlers. He said he killed it with a spark plug wrench, the only thing he could find handy. This is the time of the year for snakes to be out and everyone is reminded to be extra careful when outside.

**MR. BOBBY WHITE MEETS WITH GROUP OF INTERESTED CITIZENS LAST WEDNESDAY**

MR. BOBBY WHITE, DIRECTOR OF SERVICES OF THE LUBBOCK STATE SCHOOL FOR RETARDED CHILDREN, MET WITH A GROUP OF INTERESTED CITIZENS IN THE GOLD ROOM OF THE SEMINOLE STATE BANK LAST WEDNESDAY MORNING TO DISCUSS THE ORGANIZATION OF A BOARD OF ADVISORS AND TO OFFER TO THE COMMUNITY A SATELITE SCHOOL. THIS SCHOOL WILL OFFER SPECIAL TRAINING AND EVALUATION FACILITIES FOR THE PRE-SCHOOL AGE MENTALLY RETARDED CHILDREN. THE MINIMUM NUMBER OF STUDENTS PER TEACHER IS FIVE, AND THE MAXIMUM IS EIGHT. THE PRE-SCHOOL AGE, FOR THESE CHILDREN IS THREE YEARS TO NINE YEARS OF AGE. THE PURPOSE OF THIS SCHOOL IS TO PREPARE THESE STUDENTS TO ATTEND SPECIAL EDUCATION CLASSES IN THE PUBLIC SCHOOLS, TO EDUCATE THEM TO THE EXTENT OF THEIR ABILITY TO LEARN AND THUS PREVENT AS MANY AS POSSIBLE OF THESE CHILDREN ENTERING STATE INSTITUTIONS, ALSO TO TEACH THEM TO BE A PART OF OUR COMMUNITY AND HAVE A PLACE IN SOCIETY.

THIS SCHOOL WILL IN NO WAY BE A PART OF OUR PUBLIC SCHOOL SYSTEM. THE STATE, THROUGH THE SUPERVISION OF THE LUBBOCK STATE SCHOOL, WILL PROVIDE THE TEACHER AND PAY THE SALARY. THIS TEACHER IS NOT REQUIRED TO HAVE A DEGREE, OR SPECIAL TRAINING. THE STATE SCHOOL IN LUBBOCK WILL TRAIN THEM FOR THE JOB. THEY PREFER A MIDDLE AGE WOMAN, PREFERRABLE A WOMAN WHO HAS RAISED A FAMILY OF HER OWN, AND HAS UNDERSTANDING AND PATIENCE FOR THIS TYPE OF WORK. SHE WILL BE HIRED FROM THIS COMMUNITY, AND APPLICATIONS WILL BE TAKEN AT THE LOCAL MENTAL HEALTH CLINIC.

THE COST OF PLACING THESE CHILDREN IN INSTITUTIONS IS SO COSTLY TO THE TAX PAYERS. THE LUBBOCK STATE SCHOOL HAS TWO HUNDRED EIGHTY RESIDENTS AND OPERATES ON A BUDGET OF ONE AND ONE HALF MILLION DOLLARS PER YEAR FOR THE FIRST YEAR OF OPERATION. THE NEXT YEAR THEY INTEND TO DOUBLE THEIR RESIDENTS WHICH IN TURN WILL DOUBLE THEIR BUDGET TO THREE MILLION DOLLARS. MR. WHITE ALSO POINTED OUT THAT NO INSTITUTION CAN SUBSTITUTE THE SECURITY OF A FAMILY AND PARENTAL LOVE TO THESE CHILDREN, WHICH IS SO NECESSARY TO THEIR WELL BEING AND DEVELOPMENT.

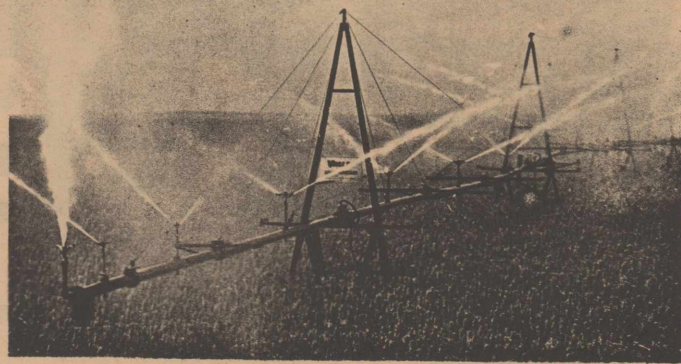

MUCH OF THE FUNCTION AND OPERATION OF THIS SCHOOL WILL DEPEND ON VOLUNTEERS IN OUR COMMUNITY TO WORK WITH THESE CHILDREN. THE SCHOOL WILL BE OPEN IN THE MORNING HOURS ONLY, FOUR HOURS PER DAY AND WILL SERVE ALL OF GAINES COUNTY AND DENVER CITY. TRANSPORTATION FOR THESE CHILDREN WILL BE DISCUSSED AT A LATER MEETING.

THE PURPOSE OF THIS SCHOOL IS NOT TO TEACH THE CHILDREN ACADEMIC CLASSES, MOST OF THE TRAINING WILL BE SELF-HELP TRAINING, SUCH AS BRUSHING TEETH, PUTTING THEIR CLOTHES ON, BUTTONING BUTTONS, ZIPPERS, AND TRAINING WITH BEHAVIORAL PROBLEMS THEY MIGHT HAVE. OTHER THINGS WILL BE ADDED SUCH AS SMALL HOUSEHOLD CHORES, SWEEPING A FLOOR, WASHING DISHES AND DUSTING, ETC. THE VOLUNTEERS WORK IN THE CAPACITY AS ENCOURAGEMENT MORE THAN DIRECTIONAL TEACHING.

THE BOARD OF ADVISERS CONSIST OF MRS. TOMMY MONTANDON, CHAIRMAN; CHESTER D. BROWNE, PAULINE ANCELL, JOHN THOMPSON, MRS. H. D. DOW, MRS. F. J. KOBERG, RAYMOND ASCEBEDO, MRS. WAYNE GEORGE AND W. L. WOODS. IT IS THE DUTY OF THIS BOARD TO SCREEN APPLICANTS FOR THE TEACHER, TO SECURE A PLACE FOR THE SCHOOL AND OTHER FACILITIES AND EQUIPMENT NECESSARY, AND TO WORK WITH THE VOLUNTEERS.

Everyone seems to have fishing fever this week. A. G. MEADOWS at the GIFT SHOP especially, he's looking for a bucket of worms. Said he had a fella to go along to tell him when the cork was a-bobbin' if he could just find the worms. His son, LARRY, telling me about the big bass he caught on a fishing trip, said it's mouth was so large it went over a fruit jar. While he was reminiscing about the big one that didn't get away, his wife, CHARLOTTE, spoke up and said "Yes, I also remember the 50 you brought home in a milk carton. --MRS. CHARLES GOODALL at KELLEY'S DRESS SHOP Monday saying that they had just returned from deep sea fishing at Port Aransas. She said the bait was so large she wanted to eat it. Another member of their fishing party caught an 80 pound hammer head shark. All of you folks with more worms than you need, please see that A. G. MEADOWS gets them. --MARGE GLADSON'S Siamese cat is missing. Anyone having a strange Tom Cat in the neighborhood, contact MARGE - she misses him. --SONNY and HAZEL HUFFMAN enjoying lunch out at JO'S RESTAURANT. Monday. --KAREN BOOE giving mom ELSIE, a helping hand Monday at the CASUAL SHOPPE. --The July Clearance Sale is still in full swing at O. H. HEARNE & SONS FURNITURE. PERVIS and VIOLA invite you to come on by and browse. --CARRIE KUYKENDALL shopping at the MODE-O-DAY Monday. --I've had so many compliments this week on my hair style. All the credit goes to ANGIE MORRISON at VALRIE'S. She's a jewel. --MADELINE and I going to Seagraves last Friday to take pictures of the car-train wreck and seeing AL and WANDA AB-SHIER passing with a load of iron, on their way to Lubbock. -- Dining out at the MONTERREY CAFE Tuesday night was the JOHNNY LEMMONS family, BILL, JEAN and DAVID WEBB. -- GREGG HUGHES taking his mother, MRS. KARL DON HUGHES, grandmother, MRS. E. C. MAYFIELD, and brothers and sisters out to eat Tuesday night, quite the young man. -- We wish to thank the anonymous donor of the second lemon cream pie she baked for us this week, even though we didn't get a taste of it. It went out the back door in the hands of W. L. W., who we all know as WALTER LEROY WOODS. -- Look out for me because I'll be seeing YOU 'AROUND TOWN.'

## MRS. NORMAN CROW Couple Recites Wedding Vow

Miss Gail McConal and Norman Crow exchanged double ring wedding vows at 8 p. m. Friday, July 10, in the Church of Christ in Loop, Texas. Brother John B. White, Superintendent of the Lubbock Children's Home, officiated the ceremony.

Parents of the couple are Mr. and Mrs. Keith McConal of Loop and Mr. and Mrs. Cecil Smith of Graford, Texas.

Given in marriage by her father, the bride wore a gown of imported Austrian silk organza. Her empire styled bodice was lavishly beaded with seed pearls. The same designs repeated around the straight lined skirt. The flowing coat train was accented by Spanish sleeves of beaded lace. Her shoulder length veil of silk illusion was accented by a beaded lace organza headpiece. Her bridal bouquet was fashioned in an arrangement of stephanotis and split white carnations, centered with a white orchid.

Matron of honor was Lajan McConal of Hobbs, New Mexico, cousin of the bride. Kella Burnett, cousin of the bride, from Hobbs, was bridesmaid. They were attired in floor length lime and white empire waist style dresses with matching headpieces and carrying a cascade arrangement of lime and white carnations.

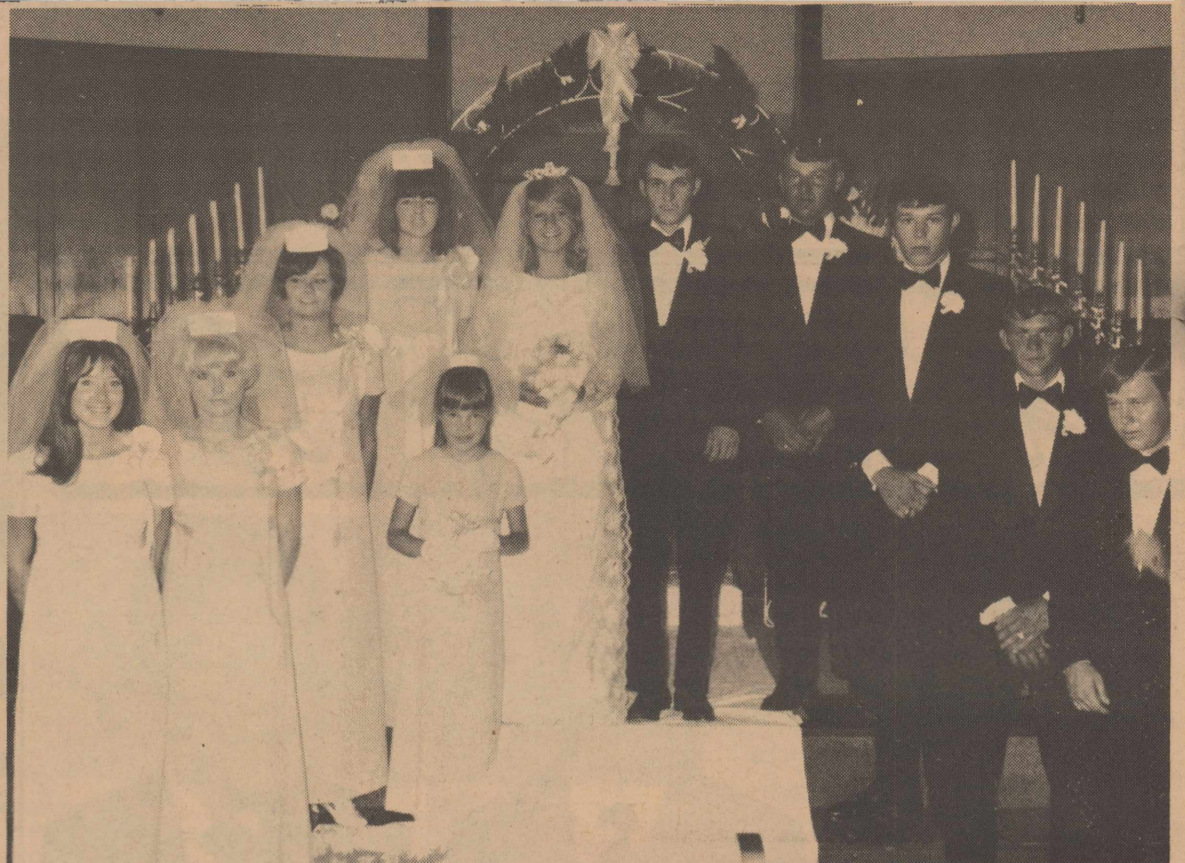

Serving as best man was Earl McKey of Lubbock and Bart Harris, brother-in-law of the groom from Plainview, was groomsman.

Candle lighters were Barry and Rickey McConal, brothers of the bride. They also acted as ushers.

Traditional wedding music was provided by soloist Eddie Oberholzer of Grand Junction, Colorado, cousin of the bride, accompanied by a chorus.

The bride chose for her going away attire an off white suit with brown accessories.

Following the ceremony a reception was given in the home of Jenny Schooler. Juanett McConal and Karen Burnett registered guests.

## MR. AND MRS. JERRY WAYNE HATLEY Vows Solemnized

An arch entwined with emerald foliage, centered with small wedding bells and a white satin bow, flanked by Swedish wrought-iron candelabra, each holding seven wedding tapers decorated the altar of the First Baptist Church for the formal marriage of Miss Patricia Ann Murphy and Jerry Wayne Hatley. Vows were officiated at 7:00 p. m. July 11 by Rev. Gene Hawkins, pastor. Pedestal arrangements of white and blue carnations completed the altar decorations. Family pews were marked with white satin bows.

Mrs. Dean Wheelis, organist, played traditional wedding music and accompanied Lynn Garrett, soloist.

The bride is the daughter of Mrs. D. L. Murphy, 200 S. W. 13th St., and the late Mr. Murphy, and the bridegroom is the son of Mr. and Mrs. Joe Hatley, 1402 W. Ave. A.

Escorted to the altar by her brother, Tooter Murphy, the bride wore a white floor length gown of peau de soie adorned in scalloped French lace designed and fashioned by her mother. The gown was designed with an empire waistline with long French lace sleeves that came to a point over her hands. The chapel train was edged in the same lace. Her veil of illusion was secured to a crown of seed pearls. She carried a cascading bouquet of white carnations centered with an orchid, tied with white satin streamers atop her deceased brother's, Arlie Murphy, Bible.

Miss Karen Landrum was maid of honor and bridesmaids were Misses Lana O'Neal, Cheryl Buck and Penny Harber. The bride chose floor length empire gowns of blue crepe for her attendants. Their headpiece was a white satin band holding a short blue veil. They carried nosegays of white carnations with blue satin streamers.

Miss Mika Anderson, flower girl and niece of the groom, wore a blue floor length dress identical to the other attendants. She carried a white basket filled with tiny white petals.

Spencer Dunlap was best man. Steve Hatley, brother of the groom; Luther Miller and Dwayne King were groomsmen. Dene and Gene Boyer were candlelighters. They assisted Randy Hatley, brother of the groom, as ushers.

Following the ceremony, a reception was held in fellowship hall. Miss Edna Sample registered guests.

The bride's table was laid with blue satin cloth with an overlay of white lace and was centered with an arrangement of white and blue summer flowers in a crystal compote. The multi-tiered wedding confection featured blue handmade sugar roses on the tiers and was topped with the traditional wedding couple. Bridal punch, nuts and mints were offered. Appointments were in crystal and silver. Mrs. Butch Harris of Ft. Stockton and Mrs. Tommy Thrasher of San Angelo, sisters of the groom, assisted at the bride's table.

After a wedding trip to Cloudcroft, New Mexico the couple are at home at 200 1/2 S. W. 13th St.

The bride is a student at Seminole High School. The groom is a Seminole High graduate and attended San Angelo State College. He is employed by Catus Drilling Company.

Perhaps you've never thought of life insurance as "happiness." But it is in many ways. It helps you get rid of financial worries so you can live a little! Each dollar you put into cash-value life insurance works like four. It works as a protection dollar. As an emergency dollar. As an opportunity dollar. And as a retirement dollar. Four ways. Ready money whenever you need it. That's a lot of happiness!

Weekend visitors in the home of Mr. and Mrs. A. L. Payne of 510 S. W. Ave G. were their children and grandchildren: Mr. and Mrs. Albert L. Payne, Brenda, Paula and Albert Lamar, Jr. of Oklahoma City; Mr. Curtis R. Payne and John of Los Angeles, Calif.; Rev. and Mrs. Richard Payne, Diana, Debbie and David of Stanton; and Mr. and Mrs. Carroll Forrest, Shellie, and Shirlee of Odessa.

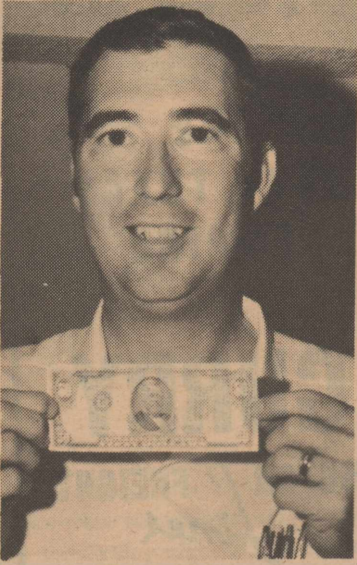

They were all here to help celebrate their parents 45th wedding anniversary Sunday, July 12th. They also celebrated Mr. Payne's mother's 90th birthday. The celebration took place in Welch,

Texas, where the grandmother, Mrs. W. L. Payne lives. Also present for the birthday celebration were Mrs. W. L. Payne's other three children and families, her two brothers and two sisters.

Mrs. Tommy Procter of Springdale, Arkansas recently returned home after a two weeks visit in Seminole with her sisters-in-law, Mmes. Lillie Hadaway and Laura Hadaway. She enjoyed seeing many of her old friends.

Mr. Wesley F. Rust, 3842 Englewood Circle, Odessa, says that the \$50 bill he is proudly displaying is proof that "it pays not to be a litter bug."

The morning of July 8, Mr. Rust and his wife were returning from Hobbs, New Mexico, to their home in Odessa, and at about 1:00 a.m. they stopped at Williams' Enco Service Station in Seminole to buy gasoline and to have a soft drink. Mr. Rust said that the caps from the bottles of Buck Brand beverage fell on the cement and he might have left them lying there had his wife not reminded him not to be a "litter bug."

It is a lucky thing for Mr. Rust that he picked up those caps because the Buck Grape cap was a "lucky Buck cap" and proved to be worth \$50.

The Rust family have been living in Odessa for less than a month, but their children had already told them to watch for those lucky Buck caps which are on all Buck Brand beverages. There are \$1, \$5, \$50, \$100 and \$500 caps unredeemed. Buck Brand beverages are available at dealers throughout Andrews, Ector, Gaines, Ward and Winkler counties. Buck Brand beverages are bottled and distributed by Monahans Coca-Cola Bottling Company.

**SCHOOL BOARD**

The tax rate was set by the School Board in last Monday night's meeting. A rate of 28¢ was set on the interest and sinking fund and \$1.68 on local maintenance state and county, for a total of \$1.96 per hundred. It is estimated by business manager, George Cristy, that the rate will be in approximately \$1,595,880.00.

2. The following resignations were accepted: Mr. Jake Harrell - head football coach and athletic director, Mr. Edard Love - high school speech, English and forensics coach, Miss Elizabeth Grubb - junior high school librarian, Mrs. Jewel Hutchins - fourth grade teacher at F. J. Young School, and Mrs. Edard Love - third grade teacher at F. J. Young School.

3. Ronald Henderson's request to attend the NCAA tournament instead of the state basketball tournament was granted.

4. The following policy for kindergarten eligibility was accepted. A pupil will be eligible to participate in the kindergarten program if he meets the age qualifications as prescribed by law and comes from a family with an annual income of three thousand dollars or less, or who is educationally handicapped by inability to speak and understand the English language to the extent that he is not familiar with the common English words that are necessary for normal progress in the first grade.

The extent of a pupil's ability to speak and understand the English language will be determined by personal interview and by tests. Tests will be administered by the school counselor, or counselors, and will include all or portions of the Stanford-Binet, the Weschler Intelligence Scale for Children, and other tests as may seem appropriate.

5. The board voted to contact their representatives and follow the recommendation of Mr. R. G. Burton, a school board member from Andrews, concerning the tax on school properties in Gaines County.

11. The budget was amended to take care of a past due milk bill, so that it might be paid.

**Chamber Of Commerce**

The Seminole Area Chamber of Commerce met for a breakfast meeting at Jo's Restaurant Tuesday morning. Reports were made on the success of the Old Settlers Reunion and Christmas in July. The Chamber reported \$435.49 was received from the Friday night celebration. The balance of \$305.00 was sent on the lighting bill owed an Odessa firm. The fireworks display cost \$289.00 this year. Area service clubs have donated \$175.00 toward this expense.

Chamber president Glen Cavitt reported that the county could not, because of a law forbidding them, participate in the expense of the Chamber. The City has not given a final word as of this date. The Chamber voted to form a board of city development at some future date so that a portion of the Chamber's expense might be defrayed in asking for a percent of the city tax dollar.

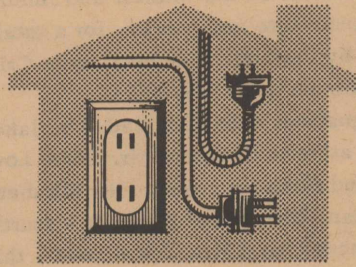

George Cristy, a director, pointed out that the tennis meet was a big success, that Seminole has been invited as a member of the Highway 180 tennis tour to take San Angelo's place, who has dropped out. He pointed out further the need for some help in operating the track meet Saturday - beginning time 9 a.m.

The Chamber discussed the present post office services and those that are being deleted. Residents are asked to write representatives and congressmen in hopes that some services can be restored.

Directors present besides Cavitt were Don Cates, George Cristy, Jim Davis, Robert Jones, Judy Treadaway, Gene Hawkins, Bob Clark and Charles Ray.

# Your house should be as good-

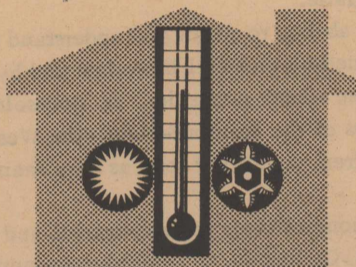

## □ ADEQUATE WIRING

Somebody once figured out that the average automobile has more wiring than the average house, for its size. Your car is adequately wired to serve the many purposes needed. And, so should your house.

## □ LIGHTING

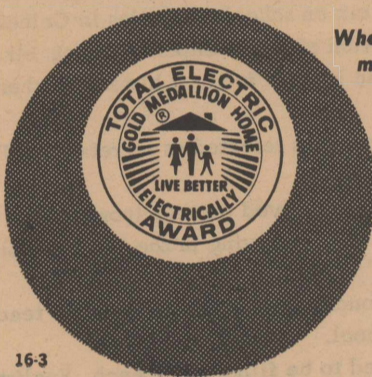

The same person figured out, too, that the average car has more special purpose lights for convenience, safety, and beauty than a house. But, for the same reasons, shouldn't your house have the right kind of lighting, too?

## □ COMFORTS

And, how about comforts... heaters, radios, air conditioners, convenience switches, power steering, power brakes, tape recorders, electric windows, and lots more. Does your home measure up to your automobile? It should, because you probably spend more time there.

# DOG DAYS

Here's that article again about Dog Days, taken from the same World Book encyclopedia. It's that time of the year again.

DOG DAYS are hot days in the summer. This name for sticky, close weather started with the ancient Greeks. They used it to cover the summer period of about forty days during which the dog star Sirius rose in the sky. The star now rises at a different time

of the year, but some people still call the warmest part of summer 'dog days'. At times there has been the mistaken belief that hot days were called 'dog days' because dogs were likely to go "mad" from rabies during hot weather. Actually, fewer dogs go mad in hot weather than in cold, and this particular superstition about dog days has largely disappeared.
