

My yellow boots have 14 inch tops on them. They're the tight legged kind. I wore them to the peach orchard this morning and it was a successful trip. Any trip's a success when you're with pleasant people, like the Mrs. and Uncle Ward Collier, Sr. and Aunt Alice. (He's the Ft. Worth kin that I get most of my stories from.)

But we started on the yellow boots. If they could talk, they could probably tell you some history that should not be told. There's some blood on them that either came from cutting a goat's throat or an operation, making a gender calf. There's a mark still left where I was cutting brush with an ax and liked to get a toe. There's a mark where ol' General (my horse) got me too close to a barb wire fence. (His real name was Major but I'd given him a few promotions through the years. The previous owner had got him up to Major.)

The story that's outstanding in my mind is when we were working cattle a few years ago and I said to the Mrs., "We'll be working about 200 calves this morning, why don't you come out and watch the rodeo?" Well, that was a mistake. She did.

Now, I never was too good a cowboy anyway. We never did rope calves and drag them in. I got up early and went to the farm. I took ol' Skip, the collie dog, and headed for the back side, a mile away. Ol' Skip was delighted. I put him out and he started his bark and by sun up every animal was in the corral. Help arrived and mamas were cut off from their offsprings. All the calves were thrown in the lower alley and by 8 o'clock we were ready to begin our work.

Assignments were made. One man caught the head in the squeeze chute. One man squirted raw oil in each of their ears. One man marked their ears. One man ran the branding iron and another man the knife. This left one other important job - hazing the calves in.

Things started moving pretty rapidly then, with the mamas begging for their calves and the calves begging to be with their mothers. The butane fire, keeping the branding irons hot, was roaring and everyone was bent on getting his job done so the squeeze chute gate could be opened and another calf out of the way.

Things were going good. Mrs. Woods and a few others were sitting in the cars right outside the fence, watching the operation. The work went fast and by 11:00 o'clock we only had about 15 or 20 left. But the man hazing had troubles. The calves that were unworked were all of the larger ones, Black Angus, and determined not to get in that chute. Some of them weighed 150 to 200 pounds.

In disgust, I finally went back to help him. "I'll show you how to get them cattle in that chute," I said. I got one up close. The man hazing grabbed him by the head, I got him by the tail. And I'm here to testify I made two or three mistakes and the first

1 Mama - 26 Piglets?

SOMEONE CALLED THE NEWS OFFICE AND SAID, "THERE'S A MOTHER HOG THAT'S HAD 21 PIGS." "NO, YOU MISUNDERSTOOD. TWENTY-THREE PIGLETT'S." THERE WAS A BLACK ONE, THERE WERE WHITE ONES, STRIPED ONES AND SPOTTED ONES.

MARSHALL FLEMING, SON OF MR. AND MRS. DON FLEMING, SAID, "I DID HOPE SHE'D HAVE 25. MY COUSIN KEEPS BRAGGING ABOUT THE SOW THEY HAD THAT HAD 24." MARSAHLL, HAVE YOU COUNTED THESE PIGS LATELY? I'VE COUNTED 25 TWICE AND 26 ONCE. THE COUNT WAS MADE ONCE, TWICE, THREE TIMES BY THREE DIFFERENT PEOPLE. THREE MORE BROTHERS AND SISTERS HAD ARRIVED IN THE LAST 30 MINUTES--26 GRAND TOTAL. THE MOTHER WAS A CROSS BETWEEN A HAMPSHIRE AND A YORKSHIRE. THE FATHER WAS A HAMPSHIRE. THE NEWBIRTH STARTED AT 5-6 A.M. AND FINISHED APPROXIMATELY 11 A.M.

Safe Taken For Dope

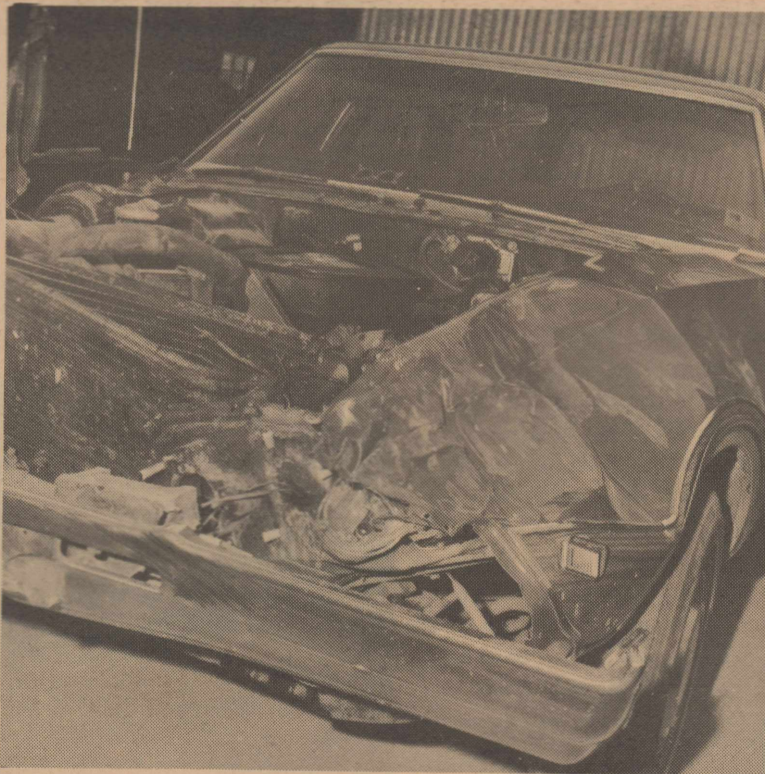

Sunday was a busy day for local police and sheriff's officers. James Boykin was picked up in California, charged with armed robbery. One was arrested for bootlegging, 5 for being drunk, 2 DWI, plus a wreck on S.W. 11th and Ave. G. It was a busy evening for protectors of the law.

8-1-70 - A.K. Hancock, 22 miles west of Seminole, theft of electric drill and wrenches - \$100.00.

8-8-70 - A safe was taken from the clinic sometime between 5 p.m. Friday and 7 a.m. Saturday. Evidently the thieves were looking for dope. Dr. Dow reported to police that the safe contained less than \$30.00 worth of narcotics. (If any reader locates the safe where it has been dumped, please contact Seminole police.)

8-8-70 - Clothing stolen from auto belonging to Max W. Elliot on Autry's parking lot. Value \$145.00.

3 Car Wreck

1968 OLDSMOBILE DRIVEN BY MRS. RONNIE WICKSON.

Sunday at 5:45 p.m. a 1959 Chevrolet headed west failed to stop at S.W. Ave. G. and 11th St. and did approximately \$2,000 damage in a three car accident. The driver of the Chevrolet was Epifanio Mireles, 25. He tried to go between a 1968 Olds station wagon driven by Mrs. Ronnie Wickson that had stopped on 11th St. and was waiting to turn back east on Ave. G. and a 1968 Pontiac that was traveling north on 11th St., driven by Floella Seal Cook.

The Wickson car sustained the greater part of the damage - \$1200-\$1300, the Chevrolet driven by Mireles, \$500 - \$600, and the Cook Pontiac \$400- \$600. No one was injured seriously, as the fronts of the Wickson car and the Cook car were damaged and the rear of the Mireles car on both sides. Robert Mireles was a passenger with his brother.

COURT BATTLE - AUG. 19

THE 38TH DISTRICT COURTROOM, JUDGE TRUETT SMITH PRESIDING, WILL BE THE SCENE SET UP AUGUST 19TH WHEN THREE OIL COMPANIES WILL DO BATTLE OVER RE-EVALUATIONS. COUNTY JUDGE, CHESTER BROWNE, REPRESENTING THE COMMISSIONERS COURT SAID THEY HAD EMPLOYED DENVER CITY ATTORNEY, VERNON TOWNES, AS SPECIAL COUNCIL TO WORK WITH JOE MCGILL IN DEFENDING AGAINST AMARADA DIVISION OF AMARADA-HESS CORPORATION, ATLANTIC RICHFIELD COMPANY AND MOBIL OIL CORPORATION. NAMED IN THE SUIT FILED BY THE THREE OIL FIRMS AS DEFENDENTS ARE THE COMMISSIONERS COURT, MADE UP OF THE JUDGE, 4 COMMISSIONERS PLUS THE TAX ASSESSOR. THE OIL COMPANIES SAY THE RE-EVALUATIONS WERE SET UP AT 16 PERCENT OF ACTUAL CASH MARKET VALUE WHILE THE SURFACE, THEY ALLEGE, IS SET UP AT ONLY HALF THAT AMOUNT. ON THE OTHER HAND, THE DEFENDENTS FEEL THAT THE RE-EVALUATION IS FAIR NOT ONLY TO THE SURFACE HOLDERS BUT THE OIL COMPANIES TOO. THE HEARING, WHICH IS SCHEDULED FOR AUGUST 19, AT 10:00 A.M., RESULTED FROM AN EARLIER PLEA REQUESTING A TEMPORARY RESTRAINING ORDER. TRUETT SMITH, DISTRICT JUDGE, REFUSED TO ISSUE THE ORDER BUT SAT THE HEARING FOR ONE WEEK FROM TODAY.

PICKED UP IN CALIFORNIA

The man with the gun was not interested in the roll of money, the quarters, the dimes, the nickels or the pennies, but the folding money was all gone at Hughes Gulf Service at 618 S. Main last Wednesday night. It was closing time at 9:00 p.m. when Jim Boykin, age 24, told a fellow employee to go to the storage room and produced a gun to encourage him on his way. Jesse Venegas said, "This is the belt that he tied my hands with. He told me to stay in there five minutes and I stayed long enough. Karl Don Hughes, owner of the station was out of town celebrating a wedding anniversary.

Venegas worked his hands free and rushed to Jo's Resturant next door asking someone to call the police saying, "He got the money."

Hughes had hired Boykin to begin work earlier in the week but Wednesday was the first day he showed up -- only to grab the cash in-take at day's end.

It was thought that the hold-up man left in a pick-up that was parked in the area. He did not drive it to the station on Wednesday.

LATER REPORT--Steve Johnson and Don Jackson left last Sunday evening to return Boykin from Visalia, California. He was apprehended in Cutler, California.

one was wearing those tight legged yellow boots. I'll never know how it happened but that black calf tucked my pant leg down in my boot real firmly. You see, his left hind foot got down in my boot with my left foot. I don't believe any two men could have caught that calf, tied him and got his foot down in that boot as far as that calf did.

I had no choice but to hold onto his tail. That calf bawled. He bellowed and he stepped on me where it was hurting the worst - on the inside of my heel. Now, if you think that was bad, his right foot was loose and he liked to kicked me to death with it. I had no choice but to hold on, stand as close as possible and beg for help. Everybody came to my aid. Five or six men held him and when it was hurting the worst, I looked over at the Mrs. and she was laughing like a crazy person. I'll tell you, that's one of the few times I've ever wanted to kill her. Well, maybe not plumb dead, but she didn't know how I was suffering.

The calf was finally removed but the smell remained. What happened to me ought not to have happened to that collie dog. The yellow boots remain and the small broken blood vessels still attest to the terrible treatment that calf gave me. I enjoyed making him a steer, without sedation. The calf is long gone. The years have passed. Mama still laughs and I finally can work up a weak smile.

NEW WATER WELL COMPLETED FOR CITY

Last week the city completed another new water well. This brings back to number 12 the producing water wells that the city is using. (They had lost one.)

The new well is located approximately 1/2 mile south of the runway at the airport, south of the Hobbs Highway. Last Saturday the new well was being test pumped by Anderson Welding and Machine Service at the rate of 800 to 1,000 gallons per minute. At 3:30 p. m. on Monday it

was still producing some sand after four days of testing. An 8 inch main will connect the 12th well with 3 other wells adjacent to the runway at the airport. The 8 other wells are those that are located on S. W. Ave. G. Extension, 3 1/2 miles west of the city limits.

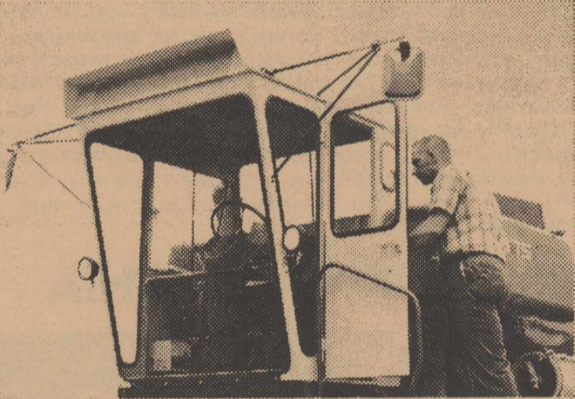

E. B. Baker Drilling Co. drilled the well for the city. Bart Walden, councilman, was over joyed with the new well and its potential worth to the city of Seminole. The new water well was 252 feet deep. It will be cased and gravel packed before being tied into the new system.

Eight men made the local jail their home last night after being picked up on the Denver City highway for fighting and investigation. The fight began anew when Beanado Blanco driving a 1964 Ford failed to yield the right of way and struck a Pontiac driven by Victor Lozano from Denver City. Damage to the Ford was several hundred dollars. Seven or eight police units gathered at about 12:30 A.M.

THE NUMBER ONE KILLER - HEART DISEASE !!!

MRS. DONNIE CASTLEBERRY

Vows Solemnized

Miss Cathy Mae Lambert became the bride of Donnie Lewis Castleberry July 14, 1970 at 7:00 p. m. in the First Baptist Church. Double ring vows were repeated before an altar graced with twin seven branch candelabras flanked on each side with a basket of white gladiolas with pink satin bows. The altar rails were decorated with English ivy. Rev. Gene Hawkins, pastor, performed the wedding ceremony. Pews were marked with ivy tied with white bows.

Miss Nancy Hawkins, organist, accompanied Miss Kay Lynn Hounshell, soloist, as she sang the bride's chosen selections.

Parents of the couple are Mr. and Mrs. Charles W. Lambert, Jr., 103 S.W. 12th St. and Mr. and Mrs. L. V. Castleberry, Rt. 3, Seminole.

Escorted to the altar by her father, the bride chose a formal length gown of white satin peau de soie, overlaid with silk organza. The empire waist fell to an A-line skirt accented in back with a cascade of ruffles, topped with a bow. The elbow length sleeves ended with matching ruffles. Her elbow length veil of tulle was attached to a head band of organza loops and pearl sprays. The bride's cascade bouquet was of pink and white carnations surrounded with fern and ivy tied with satin streamers.

Miss Kim McBeth, maid of honor, was attired in a formal length gown of deep rose with silver embroidered. She carried a nosegay of white carnations, centered with a pink carnation tied with white satin streamers.

Jimmy Wright served the groom as best man.

Robin Lambert, sister of the bride, and Leon Castleberry, brother of the groom, were candlelighters. Ushers were Amon Castleberry, brother of the groom and Bryan Pool, the groom's cousin.

The reception was held in the Fellowship Hall. The couple were assisted in receiving by the bride's mother, Mrs. Charles Lambert; the groom's parents, Mr. and Mrs. L. V. Castleberry and Miss Kim McBeth. The serving table was covered with a full-length taffeta and white net cloth, centered with a bouquet of pink gladiolas and carnations with a backdrop of pink net entwined with English Ivy. The three tiered wedding confection, topped with the traditional bride and groom was served by Miss Kay Hounshell of Andrews. Miss Linda Bingham presided at the punch bowl. The reception hostess was Mrs. Paul Landrum. Crystal and silver appointments were used.

Miss Jean Castleberry, sister of the groom, registered guests from Seminole, Andrews, Seagraves, Odessa, Monahans, Abilene and Levelland.

The couple are graduates of Seminole High School. They will be residing in Amarillo after next week where the groom will be attending college.

For a wedding trip to Amarillo the bride chose an aqua double knit crepe with dropped waist line ending with a flare of pleats. She wore white accessories. Her corsage was lifted from her bridal bouquet.

To start small screws which cannot be held in position with your fingers, wrap a small piece of cellophane tape around both the head of the screw and the screwdriver. This will hold the screw until you get it started. Hint: The greater width of the tape should be stuck to the screwdriver so that when it is pulled from the screw, the tape will be removed with it.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement, censure, or removal of any person holding an office named in Paragraph A of Subsection (6) of this Section shall be by affirmative vote of at least five (5) members.

"(6) A. Any Justice or Judge of the Appellate Courts and District and Criminal District Courts, any County Judge, and any Judge of a County Court at Law, a Court of Domestic Relations, a Juvenile Court, a Probate Court, or a Corporation or Municipal Court, and any Justice of the Peace, and any Judge or presiding officer of any special court created by the Legislature as provided in Section 1, Article V, of this Constitution, may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any person holding such office may be censured, in lieu of removal from office, under procedures provided for by the Legislature.

"B. Any person holding an office named in Paragraph A of this subsection who is eligible for retirement benefits under the laws of this state providing for judicial retirement may be involuntarily retired, and any person holding an office named in that paragraph who is not eligible for retirement benefits under such laws may be removed from office, for disability seriously interfering with the perform-

ance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to the misconduct or disability of particular persons holding an office named in Paragraph A of Subsection (6) of this Section, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) After such investigation as it deems necessary, the Commission may in its discretion issue a private reprimand, or if the Commission determines that the situation merits such action, it may order a hearing to be held before it concerning the removal, or retirement of a person holding an office named in Paragraph A of Subsection (6) of this Section, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefor, it shall issue an order of public censure or it shall recommend to the Supreme Court the removal, or retirement, as the case may be, of the person in question holding an office named in Paragraph A of Subsection (6) of this Section and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order public censure, retirement or removal, as it finds just and proper, or wholly reject the

recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary."

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any person holding an office named in Paragraph A of Subsection (6) of this Section, against whom a proceeding is instituted to cause his retirement or removal, due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the person holding an office named in Paragraph A of Subsection (6) of this Section in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No person holding an office named in Paragraph A of Subsection (6) of this Section shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to and cumulative of, the methods of removal of persons holding an office named in Paragraph A of Subsection (6) of this Section provided elsewhere in this Constitution."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1970, at which election the ballots shall be printed to provide for voting for or against the proposition: "The constitutional amendment relating to the removal, retirement, or censure of Justices, Judges, and Justices of Peace under prescribed circumstances."

"The fuel," says little Glen, "my daddy buys \$1.00 worth at a time, enough for three shots." The rocket takes out like the 'real McCoy', travels 600-700 feet high, then the nose cone pops off and is let back to earth gently with its own parachute. "We have to shoot it when the wind is still, because last time it drifted about one block away before it landed.

Letters to the Editor

DEAR EDITOR:

I HAVE SEEN RECENTLY THREE (3) ESTIMATES ON OUR TAX BILL IN THE 62ND SESSION. THE TMA IS ADVOCATING NO ADDITIONAL TAXES. ANOTHER ESTIMATE HAS BEEN PLACED AT THE FIVE HUNDRED MILLION MARK. THEN CAME ANOTHER OPINION THIS WEEK WITH A ONE BILLION DOLLAR FIGURE FOR ADDITIONAL TAXES TO OPERATE OUR STATE.

WITH AN ECONOMY MINDED GOVERNOR AND A STATE LEGISLATURE IN A MOOD TO TRIM ALL FAT IN THE 1970'S, THE ANSWER SHALL LIE SOMEWHERE BETWEEN THE FIRST TWO ESTIMATES.

THERE ARE MANY AVENUES OPEN TO REDUCE GOVERNMENT SPENDING AND TO INCREASE OUR EFFICIENCY. IT WOULD BE HELPFUL TO ALL OF US IN THE LEGISLATURE TO RECEIVE WRITTEN SUGGESTIONS FROM TAX-PAYERS OFFERING SPECIFIC SUGGESTIONS ALONG THIS LINE. A FEW SIMPLE IDEAS COULD WELL SAVE TAX-PAYERS MILLIONS OF DOLLARS. SOME OF THE BEST SOURCES OF IDEAS ARE FROM INTERESTED AND INFORMED CITIZENS.

DEAR EDITOR,

THOUGHT YOU MIGHT BE INTERESTED IN SEEING PART OF THE DAMAGE DONE BY THE HURRICANE CELIA IN THE CITY OF ROBSTOWN, TEXAS, WHERE 95 PERCENT OF ALL BUILDINGS AND HOMES WERE PARTIALLY TO TOTALLY DESTROYED WITH NO FATALITIES. CROPS WERE SEVERELY DAMAGED. WINDS WERE CLOKED AT 161 MILES PER HOUR. WE LIVED THRU IT WITHOUT A SCRATCH PERSONALLY. I DID HAVE ABOUT \$1000.00 DAMAGE TO MY COTTON GIN.

WE ARE CAMPING IN OUR HOUSE WITH NO WATER, ELECTRICITY OR TELEPHONE. BELEIVE ME IT GETS WARM WITH NO ICE TO COOL YOUR WATER, IF YOU HAD ANY, AND 30 MILES TO THE NEAREST RESTAURANT TO GET A CUP OF COFFEE OR A MEAL. BELEIVE IT OR NOT, I HAVE BEEN EATING RICHARD WATTS' FAVORITE FOOD, "RANCH STYLE BEANS" FROM THE CAN BUT NOT FOR BREAKFAST AS HE DOES.

WE HOPE TO HAVE OUR UTILITIES ON BY AUGUST 12TH OR 15TH.

I DON'T LIKE THE WEST TEXAS SANDSTORMS BUT PREFER THEM TO HURRICANES. HOPE TO BE BACK IN THAT GOOD OLD SAND COUNTRY SOMETIMES IN OCTOBER. ENJOY READING THE SEMINOLE NEWS THAT WE RECEIVE EVERY WEEK.

Dear Walter,

Just a note to include this cut about 'asafetida'. Based upon your superior training on the subject, I felt you might wish to take issue with "Crume's" column.

Today starts my second week and it is rough. Classes from 8-12:15; 1:30-5; 7:15-9 on. Interesting with 580 total students from 16 states with 250 of us in first year. I have 31 in my trust section.

Love to all,
Ken Courtright

The following article was taken from Paul Crume's column 'Big D.'

Asafetida is not used much anymore, though the authorities say that it is a useful stimulant to the sympathetic nervous system, and excellent palliative for those who belch too much and are given to stomach gripe and an effective drug for settling down those who shake with the screaming meemies. It is apparently just as effective at keeping people at a distance as the best of the modern men's colognes.

(Editor's note: Well!)

DEAR EDITOR,

THANKS A MILLION FOR KEEPING THE NEWS COMING. AS I JUST COULDN'T DO WITH OUT IT.

AS YOU KNOW, WE HAVE BEEN ON THE MOVE SINCE WE LEFT GOOD OLE SEMINOLE AND ALL OUR DEAR FRIENDS. AND WE DO GET TO HEAR THROUGH YOUR PAPER.

7. The Board of Directors of the Seminole Area Chamber of Commerce voted last month to pursue the implementation of a Board of City Development. This task will require the total support of all members of this chamber. We must remember and understand that its success will depend upon the ability to inform and educate our citizens to an understanding of the Board of City Development, and to emphasize how such a plan will benefit the people of Seminole.

In order to accomplish this task, it is necessary to appoint a Steering Committee, which will begin the necessary plans.

s/Glen Cavitt, President

The Steering Committee consists of George Cristy, chairman; Gene Hawkins, Jim Davis, Dwayne Herman, Ron Wickson, Joe Smith, John Goldmon, Dr. Dow, Tom Rogers, Glen Cavitt, Don Cates, Bob Clark, Dink Aryain, D.G. Hoffman, Pat Belew, Jack Jordan, Rayford Bates, Leon Foote and Maugie Turner.

Objectives of the Steering Committee:

- A. To meet with other members of the steering committee and become as informed as possible about the implementation of this plan.
 - B. To establish an organized plan of publicity, and information to the press, radio, civic clubs, and the general public.
 - C. To be able to sell this plan to all members of this community.
8. Frank Nix volunteered to head up a group to paint the signs, if someone would clean off their approaches. Different volunteers agreed to clean in front of one sign.

Her veil of English illusion was attached to a cluster of petals tipped in seed pearls.

Miss Pamela Owens was maid of honor and bridesmaid was Vicki Todd. They were attired in street length dresses of empire design. The royal blue dress was trimmed in peau de soie at the waistline and a hem length bow and streamer adorned the back bodice. A royal blue Dior hair bow complimented the ensemble. A red rose was carried by each.

Flower girl was Shelly Harris, cousin of the bride, and candle lighters were Deon Smith, sister of the bride, and Kim Harris, cousin of the bride. Each was attired in like costumes of the bridal attendants.

Serving as best man was Herbie Marchbanks of Brownfield and groomsman was Charlie Hicks, also of Brownfield. Seating guests were Kent Smith, brother of the bride, and Craig Ancinec. Eddie Smith, nephew of the groom from Texarkana, was ring bearer.

A reception was held in the fellowship hall following the ceremony. The bride's table was laid with white net over white and adorned at the corners and center with miniature wedding bells. An ivy trailer was placed around the centerpiece and down the center of the table to encircle the punch bowl. White carnations and candles were placed in the center. Bells topped the three tiered wedding cake. The registry was laid with white lace and centered with the bride's book and blue votive candles.

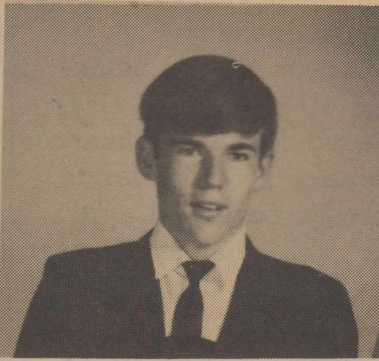

Mrs. Summerlin is a 1970 graduate of Loop High School and her husband is a 1970 graduate of Brownfield High School. He will attend Stephen F. Austin College in the fall.

The couple will be at home in Nacogdoches.

WRITER IDENTIFIES PASSENGERS IN AN OLD PICTURE

On July 29, 1970 on page 12 of the News a picture was run of an early day Gaines County car and asked for identification. Pauline Little Rollins writes on the picture the following things.

The car itself is a Maxwell and it is believed that it was the first car in Gaines County. The writer identified the passengers as follows. In the back seat and nearest the camera is Grace Ramsey, in the center is Mary D. Ramsey. Velma Austin is on the far side in the back seat (adopted daughter of Mrs. Emma Austin, who married Ben Ramsey, the young man standing outside the car.) Driving the car is Ed Ramsey and Mrs. Ramsey (Winnie) next to him. The little girl standing up, as was identified in the picture, was Carrie Ramsey. She was the youngest one in the picture, born in October, 1899.

Mrs. Rollins wrote that everyone in this picture is deceased.

The News thanks Pauline Little Rollins.

August 4, 1970

Dear Madeline:

Enclosed is the picture with the identifications made. Would you please send another copy of this paper.

Pauline has consented to give the history behind each person in the picture. That is if you would like to know or your readers would like to know the history.

**COMMODITY
DISTRIBUTION CENTER
IN SEMINOLE**

Bob Clark and his wife Vickie take care of the office located in the east portion of the old Dr. Hood clinic, the commodity distribution center for needy families of Seminole. The commodity program was chosen by the Commissioners Court rather than the food stamp program.

In a talk last week Clark stated that 524 people participate in the program at the present time. These pre-packaged surplus agricultural products are furnished by the federal government for distribution in each county. Those that qualify are old age groups, disabled wage earners, aid for dependent children and where one person does not make as much as \$125.00 per month or graduated incomes up to a family of ten, not making over \$330.00 per month.

When a person or a family qualifies for the program a family of ten would receive 20 lbs. of dry beans, 10 lbs. of butter, 20 lbs. cheese, 25 lbs. flour, 25 lbs. corn meal, 10 lbs. shortening, 10 cans of #303 chopped meat, dry milk, rolled wheat, 2½ lbs. peanut butter, 10 cans of turkey or pork, 10 containers of 12 oz. egg mix, 20 cans of milk, 10 cans fruit or fruit juices, 10 cans 16 oz. corn syrup, 20 lbs. grits, 10 cans beans or corn, 10 boxes macaroni, plus other items if in stock.

The largest family receiving commodity products is a family of 15.

Paula Kaye Childers And William Charles Thomas Exchange Vows

Miss Paula Kaye Childers and William Charles Thomas were united in marriage at 7:30 in the evening on Friday, August 7, 1970. Don Fleming, Church of Christ minister, officiated at the double ring ceremony.

Parents of the couple are Mr. and Mrs. Alvin Childers and Mr. and Mrs. B. J. Thomas.

An outline of greenery interspersed with daisies and holding long yellow tapers formed the background for the ceremony in the First Methodist Church. The aisle was marked with yellow votive candles on tall white markers trimmed with boxwood garlands and yellow satin bows. The parents' pews also featured a bouquet of daisies.

An a-capella chorus, composed of Joe Coffman, Mike Walker, Marshall Fleming, Don Coffman, Mary Jo Smith, Rose Ann Martin, Marilyn Allen and Susie Bevers, sang "My God and I" as Jim Curt Schooler and Danny Jack Kelley, cousins of the bride, lit the background candles. Danny Thomas, brother of the groom, and Vincent Ellyson, cousin of the bride, lit the candles on either side of the chancel rail.

Miss Sammie Hill, organist, played selections from Mendelsohn's Wedding March. Miss Susie Bevers, soloist, sang "Twelfth of Never" and "If Ever I Would Leave Thee."

Given in marriage by her father, the bride wore an original gown of white beaded Alencon lace and silk peau d'oise. The all lace bodice featured a high ruffled neckline and long tapered sleeves, ending in ruffles over her hands. Pearl beading traced the design of the lace and marked the empire waistline. The a-line skirt of the silk swept to fullness at the back, forming a bouffant train falling from above the lace bodice to reach chapel length. Her matching lace Mantilla veil was caught to a camelot pill box and drifted beyond the length of her train. Her bouquet, carried on a white Bible, was fashioned of yellow roses and stephanotis. It featured several keepsakes depicting highlights of her life. Her satin and lace covered Bible was a high school graduation gift from friends at Westside Church of Christ.

The traditional "something old" was a puff in her bouquet, made from a piece of lace taken from her maternal grandfather's baby dress; the "something new" was her gown; "something borrowed" was the garter belonging to Metah Moe, her college social club, and traditionally worn by brides of that sorority; "something blue" were ribbons from the flowers given to her mother by her father when she was born. She had coins in her shoes bearing dates of the couple's birth years.

At the close of the ceremony, the couple lighted their wedding candle, which was displayed in an arrangement of boxwood and daisies, as the chorus sang "Be With Me, Lord".

Miss Marylyn Childers, her sister, served as maid of honor with Miss LuAnn Thomas, sister of the groom. Miss Loretta Bryce, Snyder, Miss Jan Phillips, Sunray, and Miss Sheila Montgomery, Lovington, New Mexico, were bridesmaids and Miss Genna Lee Ellyson, cousin of the bride, was junior bridesmaid. They wore formal length gowns of yellow etched peau. The empire waists were accented by full length satin sashes tied in Cinderella bows in the back. Their headpieces were bands of daisies on lace with shoulder length petal shaped veils, designed and made by the bride and Mrs. Lloyd Coffman. They

carried old fashioned nosegays of daisies and baby's breath in French lace circles tied with long satin streamers.

Flower girls, Miss Velma Raye Kelley and Miss Cerise Ellyson, cousins of the bride, wore gowns identical to the bridesmaids. They carried original baskets of lace and ribbon, designed and made by a great aunt and uncle of the bride, Mr. and Mrs. M. M. Ellyson of Lubbock.

The groom was attended by Jerry Thomas, who served his brother as best man, Lou Storm, Kenny Bryant, Todd Fields, David Schuler and Skeet Doss.

Pete Childers and Jimmy Thomas were ring bearers. Pete, brother of the bride, carried a pillow fashioned from the bride's baby pillow; Jimmy, brother of the groom, carried the pillow used by the groom's parents in their wedding.

For her daughter's wedding, Mrs. Childers selected a dress of ice green crepe, accented with lace motifs. Mrs. Thomas chose a dress of teal blue lace trimmed in satin. They wore yellow rose corsages.

A reception was hosted by Mr. and Mrs. Childers immediately following the ceremony. The bridal table was laid with a floor length cloth of white illusion over crystalline and banded in rows of lace. A gold candelabra with crystal prisms and white tapers was featured in an arrangement of daisies. The four tiered wedding confection was topped with an original creation of white satin bells, trimmed in seed pearls and white satin bows. Cake, hand molded mints and bridal punch were served by Miss Ann Gady, Miss Roseanne Martin of Snyder and Miss Brenda McRae of Sunray. The groom's table was covered in a cutwork linen cloth, centered with an arrangement of daisies around a wrought iron candle tree. Mrs. Mickey Ray presided at the silver coffee service and Miss Connie Golden and Miss Marilyn Allen of O'Donnell served cookies, mints and nuts.

Wedding guests were registered by Miss Susan Coffman from Lamesa, Loop, Seagraves, Snyder, Odessa, Lubbock, Sunray, Ralls, Denver City, O'Donnell, Hobbs, Lovington and Albuquerque, New Mexico.

Immediately following the reception, Mr. and Mrs. Thomas left for a wedding trip to points in New Mexico. Paula wore a hand crocheted dress and beret in white over yellow, made especially for this occasion by her maternal grandmother, Mrs. C. M. Ellyson of Lamesa. Her accessories were yellow and white and her corsage was of yellow orchids.

Mr. and Mrs. Thomas are both 1968 graduates of Seminole High School. Billy attended South Plains College and Paula attended Lubbock Christian College. The couple is enrolled as junior students at Texas Tech University for the fall term and will be at home at 3002-4th Street, Lubbock.

REHEARSAL DINNER

Mr. and Mrs. B. J. Thomas hosted a rehearsal dinner for the wedding party on Thursday evening, August 6, 1970 at Jo's Restaurant. PAULA CHILDERS HONORED WITH BRIDAL COURTESY

A miniature bridal couple standing before an arrangement of marconi daisies interspersed with yellow baby's breath and centered with a white candelabra formed the centerpiece on the serving table when Miss Paula Childers was honored with a bridal brunch Friday, August 7, at 10:00 a. m. in the home of Mrs. Bill Ellyson of Loop.

Carrying out the bride's chosen colors, the quartet tables were centered with arrangements of yellow daisies in white wicker baskets. Plates were laid for the feminine attendants, Miss Marylyn Childers, LuAnn Thomas, Loretta Bryce, Jan Phillips, Sheila Montgomery, Genna Lee Ellyson, Velma Kelley and Cerise Ellyson and the hostesses Mmes. Jenny Schooler, Jack Kelley and Ellyson. Other guests included Misses Roseann Martin, Brenda McRae and Marulyn Allen.

The hostess gift was ironstone in the bride-elect's selected pattern. Her attendants presented her with a pegoir set.

Around Town WITH Jackie Squires

We attended the 50th wedding anniversary reception Sunday of MR. and MRS. N. S. WOODS. N. S. and NONNIE have known one another since they were small children. N. S. said "Yes, I thought she was the prettiest little girl I had ever seen, wearing that red dress; she's been my girl all of my life." It's a pleasure to see a couple who have lived together 'half a hundred years, ' who still have such love and admiration for each other as these two do. It brings to mind the verse "Come and grow old along with me, the best is yet to be." . . .

Another couple of whom we are most fond paid the WALTER WOODS a visit this past week, MR. and MRS. WARD COLLIER. While they have been married only six years, marrying in their twilight years, they are one of the youngest couples I've known. They dress smart in the latest colors and fashions and they walk at least two miles a day. If you remember back a few issues, UNCLE WARD is the fellow I asked "Did you really walk from our office to the WOODS' house on 19th Street?" and he answered "Heck no! I jogged part of the way." They enjoy traveling and just being together. They are in great demand as house guests because of their bright personalities. Hurry back, Colliers, we're looking forward to your next visit. . . .

The DON MELTONS and children from Levelland stopping by for church services Sunday at the Westside Church of Christ. Don used to teach in the Seminole Schools and is now teaching at Levelland. Don't wait so long to come back for a visit, Meltons, we've missed you. . . .

We're having Vacation Bible School this week at the Westside Church of Christ. We extend to each of you a very "special" invitation to attend, especially all of you young folks. . . .

MEL and MILDRED HARP and son PRICE closing O. H. HEARNE & SON for lunch. Mel said eating was just a habit. He said an old farmer decided to break his mule of the eating habit. He did, but the mule died. . . .

EVELYN FOWLER at the MODE -O - DAY saying she had just taken granddaughter KATHY home to Ft. Worth. Kathy has been here for the past few weeks, recuperating from a broken leg.

LUCILLE McNAIR, new owner of the MODE-O-DAY, telling me about the nice suit FAYE BRYANT gave her as a going away gift from FAYE'S DRESS SHOP. . . .

JOE HARBER so glad to have wife CHRISTINE home after spending the week in Odessa, caring for grandchildren. He took her out to eat at JO'S Monday night. After caring for five grandchildren, Christine deserves a good meal out. . . .

FOLKS & Facts

Mr. and Mrs. W. H. Wiley of Watonga, Okla. visited last week with Mr. and Mrs. L. T. Jeter.

Mr. and Mrs. Phil Mayfield and children of Athens, Texas visited last week with her aunt, Mrs. Bessie Sample, Ear and Edna.

DRESS SHOP last week, after ANN became suddenly ill and had to go to the hospital. ANN and MARGE GLADSON were both dismissed Monday. I hope to see their happy faces back on the job soon. . . .

DICIE HOPPER spent her vacation in Cleveland, New Mexico, where LOMA UNDERWOOD is spending the summer. Dicie said Loma told her to ask us if we couldn't get her paper to her a day earlier. She doesn't receive it until Monday. Sorry, Loma, we do the best we can, getting it sent off on Wednesday.

Our daughter PHYLLIS PIERCE and grandchildren TAMMY and BILLY, JR. spent Saturday with us. I wonder if other parents look at their grown children and think "I'm glad I raised someone I like and she's so smart to have produced two such magnificent specimen of humanity as my grandchildren and to have married someone I like." Love that family. . . .

BESSIE SAMPLE at JO'S RESTAURANT being the good neighbor and bringing us coffee and pie last night. . . .

EULA COX over from Midland last Wednesday to see her mom, MRS. BERTIE B. HOWELL and sporting a broken right arm. Such things do happen, Eula, did you break a mirror, too?

LARRY SULLIVAN, down Plano way, missed the big event last week because of 'Uncle Sam'. He was in camp at Ft. Sill, Oklahoma when daughter, NELDA LOUISE, made her debut August 5. THERESA'S mother, MRS. O. B. CULP, was there and called the news back to GRANDDADS, O. B. CULP and GLEN SULLIVAN. . . .

The absence of a teenage girl around the house means you can find the comb, rollers, hair pins and spray net in their proper place. No clothes strewn all over the place, no telephone conversation lasting for hours, no boys dropping by asking "Can she go for a Coke?" no one asking "Mother, can I have this new dress; it's on sale for only \$20.00," or her brother screaming "Mother, she wore my new shirt and I haven't even had it on yet." A tank of gas lasting a week, instead of two or three days. It's been rather peaceful at our house since PAM went to visit her granddaughter ELSIE McFATRIDGE in Oklahoma City last week. But I'll have to admit it's also been rather dull. We miss you, BABY. . . .

Look out for me because I'll be seeing you AROUND TOWN.
