

My sister, Cleone, said it wasn't asafetida that was put in the tail of Charlie, the horse. She said it was allum. My brother-in-law, Neal, said, "Why don't you tell them the story of the time Paul built the fire under the horse and it pawed you?" My brother-in-law, Rich, said, "Why don't you tell them about the time Leonard smoked the cigar and reared back?" Neal wanted me to tell about the time the wagon bed floated off. (No, thanks, that one's on me!) Rich reminded us of the time Earl walked the tight rope in the high barn, or about the time he was not scared but was shaking because he was just a shade nervous.

But what I want to tell about is the story about my sister. Not very many little boys were fortunate enough to have three mamas, two of them being big sisters. They spoiled me, loved me, spanked me and treated me like their very own. They waited on me and I did things for them.

One day after lunch at school, I was sick and walked home. I got to feeling better on the way home and upon arrival found the house empty. Looking out the back door, I saw my sister. My first thought - what can I do to aggravate her, tease her and to have some fun?

Going back to the house, I spied the quilt storage that was above a closet. Hurriedly, I climbed in and pulled the door almost to. Cleone came in the house. I started out in a near whisper, C-l-e-o-n-e! C-l-e-o-n-e! I'd wait a few minutes and say

C-l-e-o-n-e! C-l-e-o-n-e!

Finally, she heard me and she hollered out, "Son, is that you?" I waited five minutes and called out again. She ran through the house, she ran outside the house. No son!

She settled back down, thinking surely nothing was wrong, I called out again,

O - N - E !
C - L - E -

She became frantic! She ran to the barn, knowing she'd see where a horse had drug me in, or one had pawed me, or stomped me. (She'd seen all these things happen before.) She returned to the house more excited than ever. She started searching the bedrooms. She came through the hallway, and from 4½ or 5 feet above the floor in the storage closet, I stuck my head out and said, "Hello, Cleone."

That has been 35 years ago and to this good day if anyone ever scared my sisters I would have fought them.

She fainted dead away and a little brother nearly died. Oh, yes, she forgave me but I never forgave myself. She was fifteen to twenty minutes coming to. When she did come to she was too weak to say a word, just a nice smile.

The year-1938. The scene-main street, Seagraves, Texas. Occasion-voting day? Trade day? Other? No doubt many of you will not only be able to recognize the year model of the cars, but you'll be able to recognize your car, your grandfather's car, your uncle's car, or your neighbor's car. The license plate on the Ford on the near right looks like 1938. The car is a 1938 Ford DeLux and the sign in the window says "Made in Texas by Texans." The cars are 1933 through 1938. There are several interesting things about the picture, many of which the News probably missed. Seagraves had a paved street, a Purina store, Bowers Brothers, and a railroad. See the railroad car on the spur at the dark building on the right near the end of the street? Every boy and man shown on the street had on a hat. There must have been some big to-do because the car on the right had Philco speakers on top for some occasion. If you care to share your information, please write us.

TEX PARROTT KILLED

Elijah B. (Tex) Parrott, age 51, was pronounced dead, 7.2 miles west of Seminole, Thursday night after he had rammed a tractor-trailer truck from the rear. The collision of his pick-up, belonging to Charles Cope, happened at 8:15 p.m. The accident was worked by Kenneth Selman and Clayton Koonce, Texas Highway Patrolmen. The pick-up dislodged 13 bales of cotton being hauled from the McClesky Gin, 20 miles west on the Hobbs Highway, enroute to Lubbock, Texas. Both vehicles were headed east going toward Seminole. In reporting the accident, the patrolmen stated that apparently the driver of the pick-up fell asleep. The driver of the truck, Bobby Eldridge Moore, gave his address as 1528 North Coleman Street in Hobbs, New Mexico. Parrott's address is Box 1166, Seminole. He had started to his home, just south of Seminole on the Andrews Highway, where he resided with his wife and two sons.

LITTLE MISS SPRADLIN STEALS SHOW

DON DANIELS TO LEAVE

Don Daniels, golf pro at the Gaines County Golf Club, announced Monday night at their annual banquet that he would be moving to Roswell Country Club January 1, 1970. He said about the best thing he could think about moving is that "Neil Van Zandt will not be hustling me on the greens or Doc Nolan on the course."

Daniels went on to thank everybody for their patronage and help during his three year stay at the local club. "If ever any of you are in Roswell, please come by the club and visit."

Start With Good Seed

"PRECISION COTTON PRODUCTION" MAKES GOOD SENSE WHEN IT'S DONE RIGHT. USE OF BED SHAPING, HIGH SPEED PLANTING, COMBINATIONS OF INSECTICIDES AND HERBICIDES AND OTHER THINGS INTENDED TO MAXIMIZE PROFITS HAS GREAT POTENTIAL FOR INCREASING PROFITS FROM COTTON. YET PERFECTING SUCH A SYSTEM HAS BEEN A REAL PROBLEM.

THE REASON? SCIENTISTS FROM TEXAS A AND M UNIVERSITY AND OTHER LEADING COTTON RESEARCH CENTERS POINT TO ONE BIG REASON: POOR QUALITY PLANTING SEED, THE LEAST COST ITEM IN THE ENTIRE SYSTEM. GOOD SEED, THEY STRESS, IS THE CORNERSTONE OF ANY PRODUCTION SYSTEM; UNLESS A PRODUCER GETS A UNIFORM, EVENLY DISTRIBUTED STAND OF VIGOROUS DISEASE-FREE PLANTS THAT ARE CAPABLE OF SETTING A HEAVY CROP OF UNIFORM BIG BOLLS, THERE IS LITTLE OPPORTUNITY TO APPLY ANY OTHER MANAGEMENT SKILLS. IN OTHER WORDS, THE PRECISION SYSTEM IS SHOT WITHOUT GOOD SEED.

THE "POOR SEED SYNDROME" IS WIDESPREAD. UNIVERSITY STUDIES SHOW THAT MUCH OF THE SEED PLANTED IN WEST TEXAS IS POOR QUALITY AND RESULTS IN STAND FAILURES AND LARGE NUMBERS OF WEAK, NON-PRODUCTIVE PLANTS. IT CAN CAUSE RE-PLANTING, A COSTLY PRACTICE WHICH WASTES TIME AND MONEY INVESTED IN OTHER PRACTICES; ALSO, YIELDS AND QUALITY ARE SACRIFICED WITH LATE PLANTED COTTON. JUST HOW MUCH POOR SEED COSTS THE COTTON INDUSTRY IS QUESTIONABLE, BUT AT THE VERY LEAST, THE LOSSES ARE PHENOMENAL. IN EXTENSIVE STUDIES BY TEXAS A AND M IN WEST TEXAS, IT WAS REPEATEDLY SHOWN THAT SEED QUALITY DIRECTLY AFFECTED NET PROFIT; THAT CROPS PRODUCED FROM "FARMER-SAVED" SEED (THE MOST COMMON SEED SOURCE IN THIS AREA) PRODUCED AS MUCH AS 116 POUNDS OF LINT AN ACRE LESS THAN THE SAME VARIETY FROM PURE SEEDSTOCK.

FEW DECISIONS MADE BY THE COTTON PRODUCER DURING THE SEASON WILL INFLUENCE PROFIT AS MUCH AS DOES THE SELECTION OF PLANTING SEED; THE INVESTMENT IN SEED THAT CAN BE PLANTED AT LOW RATES AND PRODUCE A STAND THAT WILL GROW OFF VIGOROUSLY WITH HIGH YIELD AND QUALITY FIBER. THE IMPORTANCE OF SEED AND ITS INFLUENCE ON PROFIT ISN'T SURPRISING WHEN YOU CONSIDER THE JOB SEED MUST DO. IT MUST TOLERATE ADVERSE FIELD CONDITIONS ALONG WITH WITHSTANDING THE STRESSES CAUSED BY VARIOUS COMBINATIONS OF INSECTICIDES AND HERBICIDES. IN TODAY'S HIGH SPEED, HIGH INVESTMENT FARMING, COTTON PRODUCERS SHOULD DEMAND A PLANT FROM EVERY SEED PLACED IN THE SOIL. NOT ONLY MUST THESE SEEDLINGS EMERGE RAPIDLY BUT THEY MUST DEVELOP AND CONTINUE TO GROW UNIFORMLY TO MATURITY. IT TAKES GOOD, HIGH QUALITY SEED TO MEET SUCH A DEMAND.

WITH SEED CARRYING THIS PROFIT BURDEN, IT JUST MAKES ECONOMICAL SENSE THAT THE PRODUCER KNOWS THE HISTORY OF HIS PLANTING SEED; WHERE IT COMES FROM, HOW IT WAS PRODUCED, ANY QUALITY TESTS THAT WOULD TEND TO PROVE THE PERFORMANCE OF THE SEED. CHIEF PROBLEM IN SEED QUALITY, APPARENTLY, IS THE SUPPLY. THERE JUST ISN'T ENOUGH REALLY GOOD, PROVEN, TESTED SEED PLANTED. VERY LITTLE FARMER-SAVED SEED, WHETHER GROWN BY THE PRODUCER OR BOUGHT FROM A NEIGHBOR, CAN MATCH THE QUALITY OF PURE SEEDSTOCKS THAT HAVE BEEN PRODUCED STRICTLY FOR SEED. THERE IS A WORLD OF DIFFERENCE IN COMMERCIAL COTTON PRODUCTION, WHERE YIELD IS THE MAIN CONCERN, AND IN SEED PRODUCTION. IT'S A HIGHLY SPECIALIZED BUSINESS THAT REQUIRES VERY SPECIFIC AND CAREFUL PLANNING AND HANDLING.

WITHIN ALL POSSIBLE LIMITATION, PLANTING SEED SHOULD BE PRODUCED UNDER CONDITIONS THAT PROTECT IT FROM SUCH NORMAL QUALITY DAMAGING HAZARDS AS: PRE-HARVEST OR FIELD DAMAGE; MECHANICAL DAMAGE DURING HARVEST; DAMAGE DURING TRAILER OR BULK STORAGE; MECHANICAL DAMAGE DURING GINNING AND DAMAGE DURING ACID DELINTING. FURTHER, THERE MUST BE EXTREME EFFORTS TO PREVENT "VARIETAL MIXTURE", A COMMON AND COSTLY TRAIT OF FARMER-SAVED SEED.

A BREAKDOWN IN ANY OF THE ABOVE CAN RESULT IN SEED THAT GERMINATE SLOWLY AND HAVE SLOW SEEDLING GROWTH; NON-UNIFORMITY IN GROWTH AND DEVELOPMENT; GREATER SUSCEPTIBILITY TO ADVERSE FIELD CONDITIONS; SKIPPY STANDS; HIGHER PERCENTAGE OF ABNORMAL SEEDLINGS. RESULTS: HIGHER PRODUCTION COSTS AND LOWER YIELDS. A NATURAL WEATHER HAZARD, SUCH AS THE EARLY FREEZE THAT NIPPED MUCH OF WEST TEXAS THIS YEAR, CAN HAVE A DAMAGING EFFECT ON QUALITY OF SEED COTTON.

NEED FOR QUALITY SEED--QUALITY REFERRING TO THE BRED-IN GROWING CHARACTERISTICS AND FIBER PROPERTIES OF THE VARIETY AS WELL AS THE PURITY, GERMINATION AND VIGOR OF THE SEED ITSELF--PROMPTED A GROUP OF WEST TEXAS COTTON PRODUCERS TO JOIN TOGETHER TO INSURE THEMSELVES A SUPPLY OF GOOD SEED. THEY FORMED A COOPERATIVE, GROWERS SEED ASSOCIATION, FOR THE SPECIFIC PURPOSE OF PRODUCING AND SUPPLYING ITS MEMBERS WITH QUALITY PLANTING SEED AT REASONABLE PRICES.

COOPERATIVE IS STAFFED AND GEARED TO HANDLE THE RIGID AND HIGHLY SOPHISTICATED REQUIREMENTS OF QUALITY SEED PRODUCTION. IT EMPLOYS SUCH ELITE PRODUCTION TECHNIQUES AS ONE VARIETY FARMS, ONE VARIETY STORAGE, HANDLING BIG VOLUMES FOR PROCESSING ONE VARIETY AND STRICT CLEANUP BEFORE ANOTHER VARIETY IS HANDLED. THUS, CHANCES FOR VARIETAL MIXTURE ARE VIRTUALLY ELIMINATED. FURTHER, THE

ATTENDS CONVENTION IN HOUSTON

Leona M. Warneke, administrator at Twilite Acre Nursing Home, Seminole, attended the twentieth annual convention of the American Nursing Home Association at the Shamrock Hilton Hotel, Houston, Texas, November 5-7.

Much of the discussion centered around testimonies regarding Medicare and Medicaid that the association recently presented to the House Ways and Means Committee, as well as around the future development and structure of the association itself.

Some 3,000 individuals were in attendance at the convention. In addition to November 6-7 meetings of the House of Delegates, which heard reports and adopted policies for the future, the association elected officers for 1970. President of the association, Ed Walker of Miami, Oklahoma, is ending his third year in office. Convention key note speaker, November 6, was John G. Veneman, Undersecretary of the U. S. Department of Health, Education and Welfare.

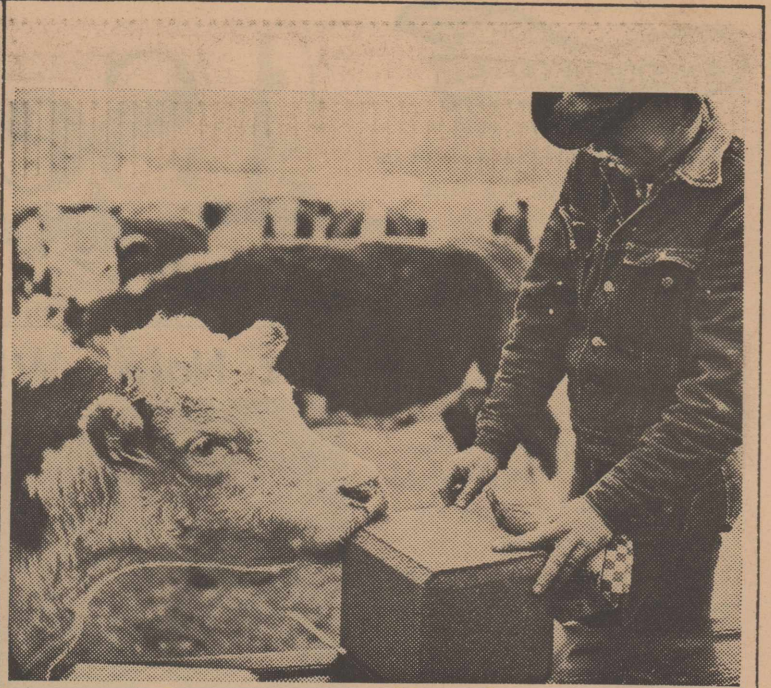

ASSOCIATION IS STAFFED WITH COMPETENT SEED BREEDERS AND AGRONOMISTS WHO PERSONALLY HANDLE EACH INTRICATE PHASE OF THE BUSINESS. AFTER PRODUCTION, SEED ARE SUBJECTED TO VARIOUS TEST AND GROW OUT PROCEDURES TO ASSURE THE HIGHEST QUALITY BEFORE BEING OFFERED FOR SALE.

GROWERS SEED HAS A UNIQUE METHOD FOR DISTRIBUTING THESE QUALITY SEEDS. IT'S CALLED THE SEED BANK. A PRODUCER GOES TO HIS LOCAL COOP GIN OR ELEVATOR, LOOKS OVER THE AVAILABLE VARIETIES (WHICH IS VIRTUALLY EVERY ADAPTABLE VARIETY), CHECKS THE PRICES, DECIDES WHICH HE WANTS AND IN WHAT AMOUNT. HE THEN APPLIES FOR THIS SEED, RECEIVES A "BANK CERTIFICATE" ASSURING HIM OF THE ORDER. THE ASSOCIATION GUARANTEES THAT THIS SEED, "BANKED" AND HELD FOR THE PRODUCER, WILL BE READY WHEN HE NEEDS IT NEXT SPRING. CERTIFICATES ARE ISSUED ONLY FOR SEED CURRENTLY IN STOCK. THE PRODUCER CAN ALSO INDICATE AND RECEIVE ANY SPECIAL CUSTOM TREATING OF THE SEED THAT HE WANTS.

SEED ARE SOLD FIRST COME, FIRST SERVED, BY SIGNING UP EARLY, PRODUCERS GET THE ADVANTAGE OF BOTH PRICE AND WIDE CHOICE OF VARIETIES. SEED BANKED NOW AND PAID FOR BEFORE NEXT JANUARY 15, IS SOLD AT LOWEST POSSIBLE PRICES. SHOULD THE PRICE DROP AFTER THE PRODUCER HAS BANKED HIS SEED, BUT BEFORE JANUARY 15, HIS PRICE IS ADJUSTED DOWNWARD. THE EARLY FREEZE THAT HIT MUCH OF WEST TEXAS THIS YEAR HAS CREATED AN UNUSUALLY STRONG DEMAND FOR PLANTING SEED; THUS, PRODUCERS ARE URGED TO SIGN UP FOR SEED NOW TO INSURE GETTING WHAT THEY NEED.

SEED BANK, ORGANIZED AND SUPPORTED BY WEST TEXAS PRODUCERS, IS A KEY EXAMPLE WHERE FARMERS RECOGNIZED A CRITICAL PROBLEM AND HAVE TAKEN STEPS TO ELIMINATE IT.

AMERICAN CANCER SOCIETY MEETS

The Potters are expecting a very important phone call.

In the years ahead, you'll be able to preset your telephone to transfer calls to the number where you're visiting.

Electronic switching—using a sophisticated computer system—will make this and many other new services possible.

For example, your phone will have a memory. By dialing just two digits of a

frequently called number, you'll activate that memory, then the phone will dial the remaining digits automatically. Electronic switching is fact, not fiction.

It's part of our program to plan today for tomorrow's communications needs.

We may be the only phone company in town, but we try not to act like it.

Southwestern Bell

The Seminole Volunteer Fire Department was called 14 miles southwest of Seminole last Saturday afternoon at 5:45 when a trailer loaded with three bales of cotton caught fire on the R. E. Smith farm. Evidently a rock passing through the machine had sparked the cotton, causing the damage.

Glen Cavitt of the Booster Club is putting up a sign "A Seminole Indian lives here." The address is 907 S. W. Ave. B. It could have read "A BIG Indian lives here," RAY HITCH. Helping put up the sign is a neighbor, Cary Rumans.

Last Wednesday we had Brownie Troop No. 471 and their leaders, Mrs. Corine Williams and Mrs. Dorothy Berry as our guests here at the News office. It's always a pleasure to have groups like these to visit our office and to show and explain to them each step in putting the news together until the final step of getting the newspaper in the mail and on the stands.

Much can be said of the leaders who take their time during the week to plan for their once a week meeting.

A highlight of their visit was the thank-you notes that each Brownie gave me, Madeline Shelton, for glasses I had contributed to their troop for their refreshments. I can remember when I was a Junior Girl Scout leader that Mrs. Elsie Day kept my troop supplies with glasses and they were very much appreciated by the troop and myself.

Brownies making the trip to the News office were Susie Fierro, Peggy Valadez, Rosie Salinas, Patsy Lujan, Shelby Crow, Rita Woosley, Cindy Smith, Cheryl Baker, Johnna Huffman, Vicki Williams, Tierica Bailey, Cynthia Folmar, Lisa Galvan and Myshell Norman.

ANNUAL COMMUNITY THANKSGIVING WORSHIP SERVICE TO BE HELD

The annual Community Thanksgiving Worship Service, sponsored by the Seminole Ministerial Alliance, will be held in the Seminole High School Auditorium next Tuesday evening at 7:30.

The principal speaker this year will be Rev. Omar Bantz, pastor of the First Christian Church here, with other pastors of the Ministerial Alliance participating in parts of the service.

Mr. Don Moore, music director at South Seminole Baptist Church, is in charge of the music, and will lead the congregational singing. Mr. Paul Marlin, director of the choirs at Seminole High School, is bringing a choir made up of High School students to sing for this special service.

Mrs. Jarvis Brown will play the organ, and Miss Terri Bates will play the piano. Mrs. Brown is the church organist at South Seminole Baptist Church.

Seminole 8th 12 Levelland 32

With 2 minutes to go in the first quarter the 8th grade Warriors of Seminole gave up the ball on Levelland's 2 yard line. On the first play from scrimmage Levelland broke loose for a 98 yard run to make the score 6 points in their favor.

In the second quarter Benny Flud recovered a fumble on the 40 yard line and the Warriors drove 60 yards for the touchdown with Martin making a fine run, Edwards with a fine run and aided by a 15 yard penalty. Half-time read Seminole Warriors 6, Levelland 6.

In the 2nd half the Warriors matched Levelland with another touchdown but from there on in, it was all Levelland as they increased their lead 20-12, 26-12, and 32-12 for a final score.

The 4th quarter was when Levelland got away from them when errors of fumbles and interceptions led to their final 3 touchdowns.

It was a tough day at the office when the computer broke down and everybody had to think!

SEMINOLE 7th 16 LEVELLAND 6

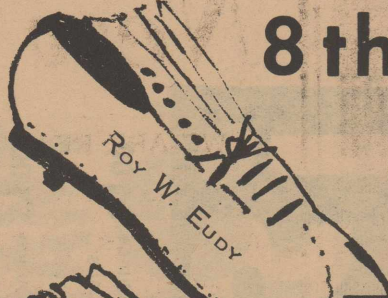

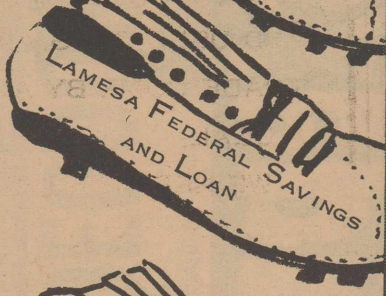

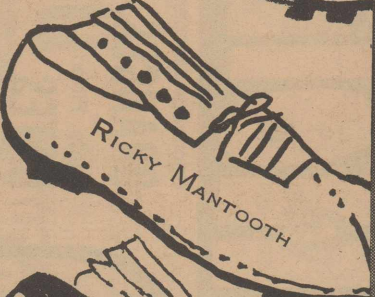

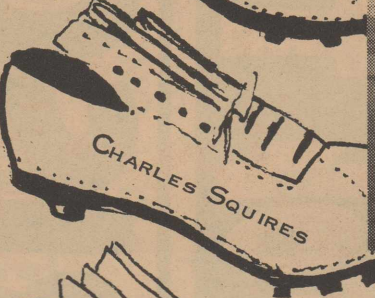

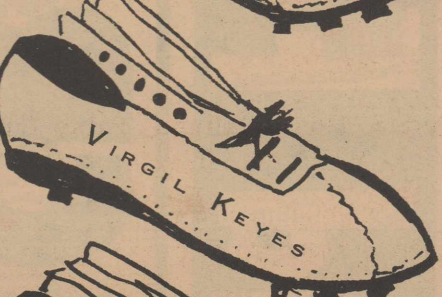

The seventh grade Warriors ended play last Thursday with a big season win over Levelland seventh, 16-6. They lost only once in the year. The unusual part of the story was that the 22 points were scored in only 17 seconds. The clock showed one minute, two seconds in the second period. Levelland gave up a 2 point play when they were trapped behind their own goal line. They had a free kick and Mike Nelson returned it 50 yards for a touchdown. The score was 8-0 in favor of Seminole. On the first play from scrimmage, Levelland scored on a long pass play and were back in the ballgame 8-6. The little Warriors were not to be outdone. On their first play from scrimmage, Sammie Harrell threw to end, Pete Hicks, and the score read Seminole-14 and Levelland-6. The 2 point play was good when Mark Stone threw to Sammie Harrell for 2 points. Twenty-two points had been scored and 45 seconds showed on the clock. This was the ballgame. The 7th ended their scoring and the year in a big way.

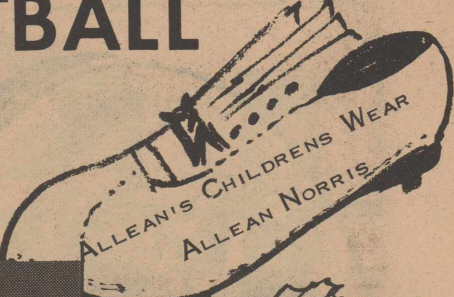

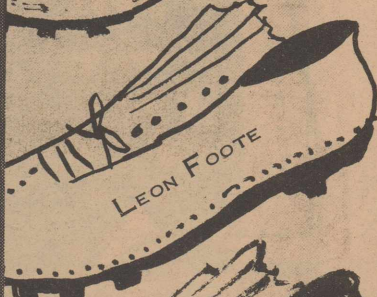

Myron Sims played an outstanding game on defense when he slapped down a pass in the final quarter with 3 minutes to go. Brad Hughes made some outstanding tackles and the recovery of a fumble. Mike Nelson tackled hard. The seventh grade Warriors had a great year along with their coaches, Bob Robinson and Charles Myer.

AROUND TOWN *By Jackie Squires*

With Thanksgiving being next week and Christmas soon to follow, makes me wonder where this year has gone. The merchants are getting ready for Christmas now with new merchandise arriving daily for the early shoppers. I'm always a late shopper and envy the early birds who get through and have time for other things. The window at the CASUAL SHOPPE looks especially pretty this week, all in blue and white---Thanks MRS. LEONARD CARDEN for calling last week and telling me how to cook my wild turkey. (I'll let you know how it turns out.)--- FAYE EARL window shopping at KELLEY'S DRESS SHOP Monday---MRS. FLOYD STARK at the ECON-O-WASH Thursday saying she had lived in Seminole since 1917. That's quite a record--- JOHN and LUCILLE McCLEAD, ALVIN, SR. and OPAL LAMM and MRS. A. H. HENSLEY were in Snyder Sunday to see their sister and daughter, BEA AYLOR, who is recuperating from surgery in the Snyder Hospital---ELVIS and KATHY WILLIAMS two of the happiest people in town last Wednesday after hearing from son, PETE, who is in Viet-nam. He had been in combat and it had been several weeks since they had heard from him---CHARLENE SHELTON having a slumber party Friday night after the football game. DIANA McCLEAD, NANCY HUNT, KAREN POOL, and MELONIE FELTNER attended. They were celebrating MELONIE'S birthday which was on Saturday--- CHARLES RAY back after visiting in Tishomingo, Oklahoma last week with his mother who is ill. CHARLES said she was some improved--- WESLEY BARNES and HENRY HICKS talking "roofs" at the RAYMOND RESTAURANT over coffee Monday morning, JIM SAVELL, also running in for a cup---CHARLES SHELTON received this letter from a friend last week, quote, "In last weeks issue of your SEMINOLE NEWS, I see you had caught yourself a snake. A pretty good one too. The other day I was out in the woods and ran onto one, I killed it and had a picture made with it. You won't believe this, but that snake was so big, the picture weighed out at 25 pounds even. Some snake "huh"---W. H. LAMBETH, LOCO HILLS, N. M. Boy! I've heard of fish stories like this, but never a snake story to beat this one---by the way, MR. LAMBETH, where did you find "woods" near LOCO HILLS?---UNCLE WARD, I tried to tell you that jogging could finally get you into trouble!!! Look out for me, because I'll be seeing you AROUND TOWN.

DEAR WOODENFOOTE,

NOT MANY DAYS GO BY BUT THAT WE ARE REMINDED OF YOU AND YOUR FAMILY. ROBERTA THINKS THAT I FIND SOME EXCUSE TO COME TO THE HOUSE ABOUT THE TIME THE MAIL GETS HERE ON FRIDAY, WONDERING WHAT THE BIG WOODENFOOT HAS STEPPED IN THIS TIME?

LOUIS AND SYBLE, DAVID AND JUDY COME HOME FROM GREENVILLE AND FT. WORTH WANTING TO KNOW, WHAT HAVE YOU HEARD FROM WALTER LATELY? AWHILE BACK JUDY FINISHED READING SEVERAL COPIES OF WOODENFOOTE AND EXCLAIMED, "WAS MY DAVID WALTER NAMED FOR THAT? WHY, JUST WHY, WOULD ANYBODY NAME A BABY WALTER AFTER KNOWING HIM?"

OF COURSE THE MENTION OF OLD FRIENDS FROM FAR AWAY PLACES ALWAYS BRINGS BACK MEMORIES. YOUR REMARKS ABOUT THE BIG TREES IN NORTHERN CALIFORNIA AND I THINK OF THE BEAR IN THE CAMP. THE OTHER NIGHT ROBERTA AND I WERE WITH A GROUP OF CHURCH YOUNG PEOPLE ON A HAYRIDE---WEENIE ROAST; WHEN WE POKED UP THE FIRE I THOUGHT A LITTLE SHOVEL WOULD BE JUST RIGHT FOR THE JOB.

A FEW NIGHTS LATER AS WE DROVE HOME FROM A FOOTBALL GAME WITH EGGS DRIPPING FROM ALL SIDES OF THE BAND BUSES SHE SAID "SORTA REMINDS YOU OF WALTER AND CLEVE DOESN'T IT?" EVERYTIME I SEE A LONG NECKED WHITE GOOSE I THINK OF YOU AND CLEVELAND (BY THE WAY, OUR LOUIS IS LOUIS CLEVELAND.) ON A DARK NIGHT IN THE TALL PINES IN TRINITY COUNTY. THE OTHER MORNING I PASSED AN ELEMENTARY TEACHER OUT IN THE HALL DOWN ON HER KNEES, WORKING DILIGENTLY WITH A STUCK ZIPPER, I WAS REMINDED OF CLEVELAND AND YOU. I CAN'T SEE A BOWL OF RIPE STRAWBERRIES WITHOUT THINKING OF YOU THE TRINITY POSTMISTRESS.

OCCASIONALLY I LOOK AT A PICTURE OF OUR GRAND-DAUGHTER AND AM REMINDED OF THE CASUAL REMARKS YOU MAKE ABOUT YOUR GRAND CHILDREN.

IF I WERE YOU I WOULDN'T WORRY MUCH ABOUT THE GOOD DOCTOR'S CONCERN FOR YOU FOR PRACTICING MEDICINE WITHOUT A LICENSE. I WOULD THINK THAT TO HAVE A PRACTICE YOU WOULD NEED AT LEAST ONE PATIENT.

THE CASTER OIL I CAN REMEMBER BUT THE ASAFETIDA WAS BEFORE MY TIME. I'VE SEEN SALT, ALUM, LIME AND EPSOM SALTS IN VARYING MIXTURES USED FOR HOLLAR TAIL AND HOLLAR HORN OF COWS, BUT ASAFETIDA IS A NEW ONE FOR ME.

Dear Sir:

We appreciate your paper for not including liquor advertising. Also, we thank you for publicizing the positive aspects of our community life. We believe a different group of people would seek publicity if more attention were given to the honest, the courageous, the upstanding, and the patriotic.

Sincerely,
Mrs. R. C. Barron

Dear Editor:

Several weeks ago I sent you a clipping of an outstanding product here at Abilene Christian College, Mr. Bob Keyes. I was reminded of this yesterday when an additional clipping in the Abilene Reporter News featured another outstanding personage, Ken Roberts. These are two of the finest ambassadors of your fine city.

I have several other athletes in my classes and they all appeal highly of Seminole because of their acquaintance with these individuals.

DEAR EDITOR,

YOUR EDITION WITH THE HOMECOMING PICTURES WAS A SPECIAL TREAT FOR SOME ONE WHO WANTED TO BE THERE, BUT COULDN'T. IT HARDLY SEEMS POSSIBLE THAT 10 YEARS HAVE PASSED (OR ALMOST 10) SINCE OUR GRADUATION. CAROL AND PAM DIDN'T LOOK A BIT OLDER. I JUST WISHED I COULD HAVE SEEN AND VISITED WITH EVERYONE.

TELL MRS. HUGHES THAT HER COLUMN IS MISSED VERY MUCH. READING WHAT SHE HAS TO SAY IS ONE OF THE HIGHLIGHTS OF OUR WEEK. WE HOPE SHE WILL BE BACK IN SEMINOLE AND ABLE TO DO THE FAIRVIEW NEWS AGAIN SOON.

"THE MAN WHO SAVES HIS OWN COTTONSEED"

Let's call him Grower A. He knows what seed production is all about . . . how seed quality insures greater production of higher quality cotton. He produces his seedstock with these elite methods: one variety farm, one variety gin for handling seed cotton, one variety trucking, one variety storage, handles big volume for processing one variety with absolute cleanup at every stage of handling. He knows that seed can be mixed at many points such as the gin or delinting plant and that "varietal mixture", so common with farmer-saved seed, hurts his overall production. Further, he's aware of the genetics and agronomics of seed production.

We salute Grower A. He produces planting seed exactly the way it should be done . . . exactly the way every bag of Johnny Cottonseed is produced. If your seedstock is anything less, you should be concerned. But maybe we can help. If you don't have the time, facilities or desire to go into the seed production business, check into our unique SEED BANK program at your local coop gin or elevator. You can get your choice of varieties in both **guaranteed quality and supply**. It's a service offered by your own cooperative, Growers Seed Association.

Sign up now at your local coop gin or elevators.

LOOP NEWS

BY MRS. BUCK CUNNINGHAM

LAST WEEK'S LOOP NEWS

Loop News was not reported in last week's edition due to the holiday and late mail service.

The Loop 4-H Club was well represented at the annual Gaines County Achievement Awards Banquet in Seminole held recently.

Miss Pam Owens, daughter of Mr. and Mrs. Earl Owens, was Mistress of Ceremonies for the occasion.

The recent pretty weather has enabled farmers to get into their fields and cotton harvesting has started. Mr. Howard Brooks of the Paymaster Gin in Sawyer Flat reports that he started getting cotton last week and if the weather holds will probably have enough to put on a night crew by mid-week. They ginned about 120 bales in three days and says the percentage of turnout is real good and the grades appear to be good.

Mr. Bert Davis of the Loop Co-op Gin has essentially the same report, beginning with "If the weather holds". The Loop Gin has had about 370 bales so far, with about half the amount being long-staple picked cotton.

Peanuts in the area were threshed last week after the long delay due to the rains and the remnants of the grain harvest are being brought in.

The State President of the Future Farmers of America will be a guest of the Loop School Thursday, November 13. There will be a high school assembly in the auditorium at 10:15 a. m., followed by a reception in the study hall from 10:30-11:00 a. m., hosted by the F. H. A. girls. Murray Edwards of Clyde is the president of the state organization for 1969-70.

Mr. and Mrs. J. E. White

announce the arrival of a new grandson, Colin Glenn Wise, who was born November 7, in Austin. He was 20 inches long and weighed 9 pounds. Parents are Mr. and Mrs. Glenn Wise of Austin.

In last week's girls' basketball action at Smyer, Loop lost the B-game but won the A-game.

The schedule of school activities for the coming week includes a pep rally at 1:30 p. m. Friday in the gym with school dismissed at 2:00 for the trip to Sterling City for the football game. On Monday, November 17, the Junior High basketballers start their season with Union at Union. This includes both boys and girls with the girls' game beginning at 4:00 p. m., followed by the boys' game. The following night the high school girls meet Meadow on the home court for two games.

The Junior High lost their last football game but scored 22 points, all by Craig Ancinec. These boys had had very little experience before this year and have shown improvement. It takes a lot of courage and enthusiasm to play while losing. We'd like to give them credit for doing a good job to the best of their ability.

State FAIR Plans
NEW YORK—A property insurance plan activated by insurance companies nearly a decade ago set the pattern for a government-industry program instituted in 1968 to make fire and extended coverage insurance readily available to persons who have difficulty obtaining such coverage, notes the Insurance Information Institute. A year after permissive legislation became effective, Fair Access to Insurance Requirements (FAIR) facilities were operating in 26 states and the District of Columbia.

JUNIOR STUDY CLUB MEETS

The Seminole Study Club met November 12, 1969 in the Women's Club Building. Mrs. J. W. Kennedy, president, presided at the meeting. Mrs. Dorothy Hargrove gave the invocation.

Hostesses were Mrs. W.B. Munnerlyn and Mrs. Earl McClellan assisted by Mrs. F.B. Farmer.

The table was laid with a lace cloth, centered with a lovely arrangement of yellow Marigolds, Chrysanthemums and Ivy. A beautiful doll dressed in purple velvet, graced the table, carrying out the theme of "better grooming." Arrangements of yellow Marigolds which came from the flower gardens of the mmes. T.D. Walkers and A. L. Duff.

Mrs. Ira Elkins brought the program of "Better Grooming", which was most interesting and enlightening. She brought to the attention of the members and guests of the many exotic fabrics and colors that are available today. Mrs. Elkins mentioned that styles and especially dress lengths could be a choice to the individual. "If you want your dress long, wear it long" She emphasized that if you use gloves to wear them, not to just carry them. And also, that hats are coming back in style.

Mrs. Ruby Hart, Federation Counselor, brought an article from the Federation Magazine entitled "Bridging the Membership Gap," stressing that programs should be updated and made timely.

Mrs. Elkins closed the meeting by pointing out the fact that Mrs. M. S. Doss had had our shrubs and yard "better groomed" and all the members expressed appreciation to Mrs. Doss for her thoughtfulness to the club.

RUBY LEWIS PAINTINGS ARE BEING ENJOYED
BY HOSPITAL VISITORS

THIS IS A NEW TWIST --- Lillian Shearer, one of the local nurses who is a patient in the hospital, is being wheeled out in the lobby by a Pink Lady, Mrs. Pauline Farrar. They're out to see the paintings of Ruby Lewis, a local artist. On display are eleven of her paintings. The News talked to Ruby and she said "It's fun to paint. I started painting in 1965 and have taken lessons from Mrs. Kite from Hobbs; Lela Wilson, Odessa; and J. D. Keel, Jr., Seagraves. Probably the best time I've ever had in painting was attending the workshop taught by Mary Lee Garrett at the Thunderbird Lodge, Taos, New Mexico. I've gone two times for two weeks each. She has two different oil painting workshops, one an aspen workshop and one a summer workshop each year. There are usually from twenty to twenty-five people there. I've met students from California, New Jersey, Maryland, Florida, Minnesota, Colorado, Nebraska, Texas, Louisiana and Ohio. Painting is sure fun."

If you visit the hospital walk through the lobby and enjoy the paintings. They'll be up during the holiday season.

A perplexed publisher looks over his 'big' little radish.

EDITORIAL

--- THE FIRST LIAR DOESN'T HAVE A CHANCE

Ross A. Smith, my wife's father, said years and years ago, "Never tell anybody that you've got the biggest car, the smallest horse, the tallest sunflower or the smallest pecan in the world. Someone will come by and prove you're wrong." Don Fleming had given me a radish that was 6 inches long, 11 inches around and weighed near one pound. It was laying on my desk and I was enjoying showing it. Till Mrs. Ernest Foote came in, that is. She said, "I've got a lot bigger radishes than that." "Uh huh", I said, "bring me some." And that's when my story got shot. She brought in three radishes (the one I had was bigger than a turnip) --- three white radishes, the longest one 17 inches long, 13 inches around and weighing up to 2 pounds and 10 ounces each.

"The bank in Ballinger offered a prize one year for the tallest sunflower anyone would bring in, so I checked sunflowers on my mail route. I finally found it--- 11 feet, 8 inches tall. I dug around it, cut it off under the ground, carefully strapped it across the top of my car and carried it in, 11 feet and 8 inches. I knew I had the tallest sunflower. Before I could get in the front door with that long thing they met me and said, Mr. Smith, don't bring it in unless it's over 12 feet; we already have several over 12 feet."

Then there's the story before World War II of some London firm who sent to Germany a drill bit labeled 'the smallest drill bit in the world', only to have it returned a few weeks later with a hole drilled through it.

Remember, we are not saying that Mrs. Foote raised the biggest radishes in the world, but if you have larger ones and will bring them by we'll give you equal space. (Mrs. R. M. E. Hughes said they must be horse radishes - they're so big.)

J. R. COKER ACCIDENTLY KILLED

Word was received in Seminole last Wednesday that J. R. Coker, 63, long time Seminole resident and one time county commissioner, had died after suffering a gunshot wound in the head earlier in the family home. A family spokesman thought that he suffered a heart attack after starting with a .22 rifle to try to kill a dog outside. "I think he fell after suffering a heart attack, with the gun discharging and hitting him in the temple."

He died in route to a Fort Stockton hospital from his home in Sanderson.

Mr. Coker had worked for many years with the Texas Highway Department in Seminole and in Sanderson where he was maintenance foreman. He moved to Sanderson from Seminole about 13 years ago.

Mr. Coker's family, the J. M. Cokers, settled in Gaines County January 4, 1904. J. R. was the second male child to be born in Gaines County.

Funeral services were held at 2 p. m. last Friday in the First Baptist Church in Sanderson with burial in Cedar Grove Cemetery in Sanderson. Pall bearers and honorary pall bearers were his employees.

He is survived by his wife, Mary; a son, Randall of Hobbs, New Mexico; two daughters, Mrs. Shirley Barnett, Seminole and Gayla of the home; a step-son, Gaylon Blakeley of Spokane, Washington; a step-daughter, Mrs. Joyce Crow, Midland; a brother, Dee Coker, Seminole; and a sister, Mrs. Cecil Cooper, Roswell, New Mexico.

FUNERAL SERVICES FOR E. B. (TEX) PARROTT, 51, WERE HELD SATURDAY, NOV. 15 AT 3:00 P. M. IN THE FIRST BAPTIST CHURCH WITH REV. GENE HAWKINS, PASTOR, OFFICIATING. BURIAL WAS IN GAINES COUNTY MEMORIAL CEMETERY UNDER THE DIRECTION OF SEMINOLE MEMORIAL FUNERAL HOME.

A RESIDENT OF SEMINOLE TWO YEARS, HE WAS A FORMER RESIDENT OF PLAINS HE WAS A MEMBER OF THE ODD FELLOWS AND THE AMERICAN LEGION. PARROTT WAS A VETERAN OF WORLD WAR II.

NEWS RELEASE FROM INTERNAL REVENUE

FOR A NUMBER OF YEARS WE HAVE VISITED YOUR HOMES THROUGHOUT NORTH TEXAS BY APPEARING REGULARLY IN YOUR LOCAL PAPER. ONE OF OUR THEMES THAT WE REPEAT ONCE OR TWICE A YEAR, HAS BEEN--"IT PAYS TO LOOK OVER THOSE TAX RECORDS BEFORE THE END OF THE YEAR." SOMETIMES YOU NEED TO CONSIDER BUYING OR SELLING SOME PROPERTY, EQUIPMENT, OR TAKING SOME OTHER ACTION THAT WOULD AFFECT THE AMOUNT OF INCOME TAX THAT YOU WOULD OWE. KEEPING GOOD RECORDS

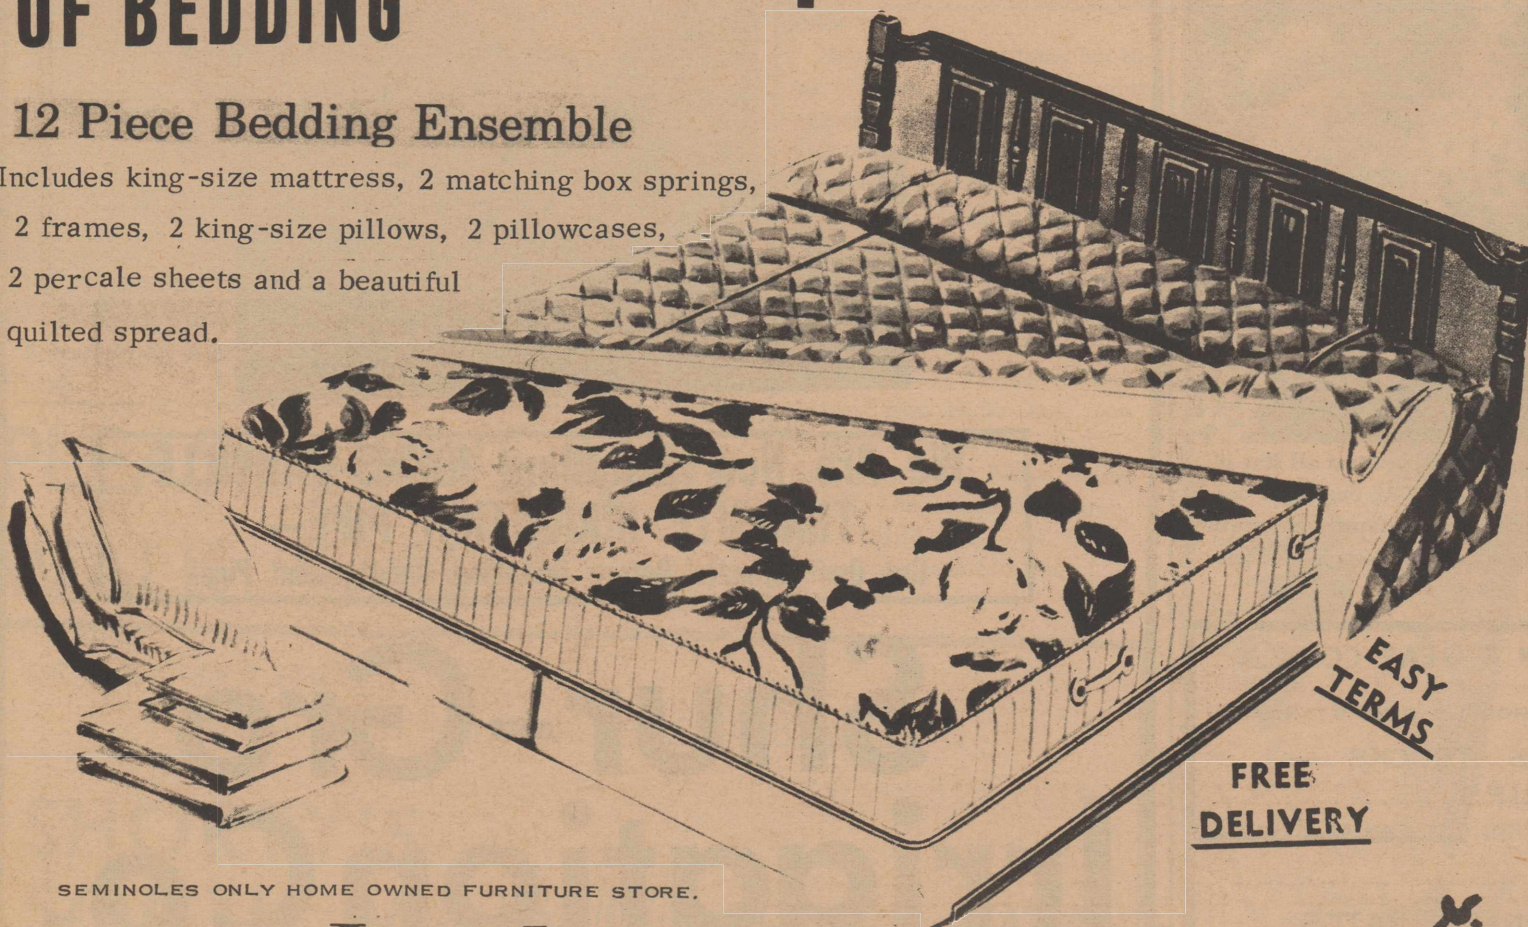

AND PLANNING YOUR TAX AFFAIRS IF JUST PLAIN GOOD BUSINESS. ANOTHER THEME REPEATED OVER THE YEARS HAS BEEN "DON'T WAIT UNTIL APRIL 15." THERE WON'T BE ANY BETTER TIME BETWEEN NOW AND DECEMBER 31 FOR YOU TO LOOK OVER YOUR RECORDS, DECIDE WHAT YOUR TAX SITUATION IS, AND TAKE WHATEVER BUSINESS ACTIONS YOU FEEL ARE NEEDED. IF YOU WAIT UNTIL JANUARY 1 IT WILL BE TOO LATE BECAUSE YOU WILL BE IN A NEW YEAR. IF YOU WAIT UNTIL APRIL 15 YOU PROBABLY WON'T EVEN BE ABLE TO FIND YOUR RECORDS TO TAKE THOSE DEDUCTIONS. Seminole 6 Pecos 21

The Seminole Indians went on a raid a couple of Friday nights ago and got some new horses - at Andrews. Last Friday night they were going to pluck Eagle feathers for a new headband. It did not work out. They lost 21 feathers and got only 6.

The Eagles intercepted an Indian pass on the 50 yard line after an exchange of possessions. They stayed on the ground and ground out 4 first downs only to suffer a major penalty. With 17 yards to go and 4½ minutes showing in the first quarter they used the pass play to go in. The kick was good and for all practical purposes that was the ballgame.

Pecos overcame other penalties and scored again in the second quarter to make the score 14-0 in their favor. With 20 seconds in the first half Lavern Bennett scored on a 3 yard play to make halftime read Seminole 6 Pecos 14.

The Eagles used the pass play sparingly but passed again in the third period for another touch-down. It was 4th down and long yardage needed. Final score Indians 6, Eagles 21.

It was a hard loss for the Indians. It knocked them out of District contention. They play Kermit there next Friday night.

No. 52, Tommy Harrell, and No. 12, Lloyd Barker, on defense against Pecos. Coming up behind is Donohoe, No. 30, and Ricky Thornbury, No. 33.

TRUCKS ON THE HIGHWAYS

"IF YOU'VE GOT IT, A TRUCK BROUGHT IT," THE SLOGAN OF AMERICAN TRUCKING ASSOCIATIONS, INC., MAY SEEM LIKE AN EXAGGERATION, EVEN TO TEXANS.

BUT LITTLE DO MOST PEOPLE REALIZE JUST HOW VAST AND FAR-REACHING THE TRUCKING INDUSTRY IN TEXAS REALLY IS. NOR DO THEY REALIZE HOW VITAL IS THE INDUSTRY TO THE ECONOMY OF THE STATE---AND TO THE SEMINOLE AREA.

FOR EXAMPLE, ACCORDING TO STUDIES CONDUCTED BY TEXAS MOTOR TRANSPORTATION ASSOCIATION, THE TRUCK AND BUS INDUSTRY IN TEXAS EMPLOYED 666,968 PERSONS DURING 1968 AND PAID THEM MORE THAN \$3-1/2 BILLION. IN FACT, ONE OUT OF FIVE NON-FARM PAY CHECKS IN TEXAS COMES FROM TRUCKS.

IN 1968, GAINES COUNTY ALONE HAD 1,161 PERSONS EMPLOYED BY THE TRUCKING INDUSTRY AND THEY EARNED \$6,292,620. THE VALUE OF THE 2,666 TRUCKS REGISTERED IN THIS COUNTY AMOUNTS TO \$2,889,900.

YES, WHEN ONE CONSIDERS THE IMPACT OF THE TRUCKING INDUSTRY ON THE ECONOMY OF THE STATE AND ON THE ECONOMY OF GAINES COUNTY, HE REALIZES JUST HOW IMPORTANT TRUCKS ARE TO HIS WELL-BEING.

AND WHEN HE STOPS AND LOOKS AROUND AT THE ITEMS IN HIS ENVIRONMENT, HE REALIZES THAT A TRUCK DID BRING JUST ABOUT ANYTHING HE CAN LAY HIS FINGER ON ---AT LEAST DURING ONE PHASE OF ITS JOURNEY.

Very few people go to the doctor when they have a cold. They go to the theater instead.

THE LLANO ESTACADO PORCELAIN ART CLUB MET SATURDAY, NOVEMBER 15 AT 9:30 A.M. AT THE SEMINOLE ROOM OF THE SEMINOLE STATE BANK. HOSTESSES WERE MRS. LOU MORRIS AND MRS. ESSIE WICKER.

IF YOU HAVEN'T CHECKED CAREFULLY INTO THE RECORDS AND ABILITIES OF YOUR DRIVERS, YOU MAY WISH YOU HAD WHEN A SERIOUS ACCIDENT OCCURS, WITH THE COST OF AUTO ACCIDENTS MOUNTING STEADILY, IT'S URGENT TO PREVENT THEM AND PROTECT YOUR EMPLOYEES, YOUR PRODUCTION AND YOUR PROFITS.

START WITH A PHYSICAL EXAMINATION FOR DRIVER APPLICANTS. THE ACCENT SHOULD BE ON QUALITY OF EYESIGHT, DEPTH PERCEPTION, NIGHT BLINDNESS, TESTS FOR TUNNEL VISION, ETC., AS WELL AS OVERALL HEALTH AND REFLEXES.

NATURALLY, YOU'LL WANT TO KNOW DETAILS ON EACH DRIVER'S RECORD AT THE WHEEL. HAS HE HAD MANY TRAFFIC VIOLATIONS? CHARGEABLE ACCIDENTS? IS A CHAUFFEUR'S LICENSE REQUIRED AND DOES HE HAVE ONE?

AFTER YOU'VE CHECKED OUT THE DRIVER APPLICANT AND FOUND HIM OK, THE NEXT STEP IS TO GIVE HIM PROPER INSTRUCTION. HAVE HIM OPERATE THE VEHICLE AS YOU WANT IT OPERATED, REGARDLESS OF HIS EXPERIENCE, NEVER JUST TURN A MAN LOOSE WITH ONE OF YOUR VEHICLES. YOU HAVE TOO BIG AN INVESTMENT IN HIM AND THE VEHICLE.

HOLD SAFETY MEETINGS FOR DRIVERS AT REGULAR INTERVALS. NO NEED TO MAKE THEM LONG -- A FIVE MINUTE DISCUSSION ON ONE SUBJECT OF DRIVING SAFETY OR DEFENSIVE DRIVING IS ENOUGH. COVER SUCH TOPICS AS FOLLOWING TOO CLOSELY, IMPROPER TURNS AND PASSING, INCORRECT BACKING, OR DRIVING TOO FAST FOR CONDITIONS. BE SURE TO INCLUDE DISCUSSION OF DRIVING REGULATIONS AS THEY APPLY TO THE VEHICLES YOU USE.

ALWAYS EMPHASIZE DEFENSIVE DRIVING. IT'S A NECESSITY FOR SAFETY IN TODAY'S TRAFFIC CONDITIONS.

Executive Mansion,
Washington, Nov. 21,

Dear Madam,

I have been shown in the files of the war Department a statement of the Adjutant General of Massachusetts, that you are the mother of five sons who have died gloriously on the field of battle.

I feel how weak and fruitless must be any word of mine which should attempt to beguile you from the grief of a loss so overwhelming. But I cannot refrain from tendering to you the consolation that may be found in the thanks of the Republic they died to save.

I pray that our Heavenly Father may assuage the anguish of your bereavement, and leave you only the cherished memory of the loved and lost, and the solemn pride that must be yours, to have laid so costly a sacrifice upon the altar of Freedom.

Yours, very sincerely and respectfully,
Abraham Lincoln

Mrs. Bixby.

MRS. EFFIE SMITH HONORED WITH PARTY ON 81 BIRTHDAY

A surprise party, honoring Mrs. Effie May Smith on her 81st birthday, was given in the home of her daughter, Mrs. Herman Freeman, at 1014 North 12th St. in Lamesa on Monday afternoon, November 17th.

Refreshments, consisting of grape punch and the birthday cake, which was baked and decorated with orchid and purple roses by Mrs. Smith's daughter, Mrs. A.P. McGuire of Seminole, were served from a lace-covered table which was set with crystal and silver appointments, and centered with an arrangement of white and orchid carnations and purple grapes.

Co-hostesses with Mrs. Freeman and Mrs. McGuire;

Co-hostesses with Mrs. Freeman were Mrs. Era Dunn and members of Mrs. Smith's Sunday School class at the First Methodist Church in Lamesa, where she is an active worker.

Besides Mrs. Freeman and Mrs. McGuire, two of her other eleven children were present- Mrs. Lawrence Anderson of Luther, Texas and Gov. Preston Smith of Austin, Texas.

Approximately 60 guests called between the hours of 2:30 and 5:00.

The Governor and his sisters topped the party off by taking their mother out for a birthday dinner at a Lamesa restaurant.
