

Wesley Mickey was a preacher and, as far as I knew, always told the truth. That is, in everything except his milking. He enjoyed milking a cow and kept one for a long time, selling surplus milk. There's a lot of things I can't do but one thing I can do, and do well, is milk a cow. We had many arguments over who could get the most milk. The time came when he was to find out. "Walter," Brother Wesley said, "I'm gonna be gone on a two weeks meeting. Will you milk my cow?" (Now this was back during the time when they had long meetings, not those three day kind, five day kind or six day kind.) "Sure, " I said, "I'll milk the cow and she'll probably be giving a lot more milk when you get back." "Well, just don't dry her up, " he said.

The time came for him to leave and I milked the cow. The first few days she didn't do much better but I fed her good, I petted her and got with the milking. Jessie, his wife, took care of the milk and after a week the cow was giving a quart more per day and at the end of two weeks she was giving nearly half a gallon more a day. Mrs. Mickey kept saying, "Wesley can't stand this because this cow never has given this much milk." I fed her a little more, I was a little kinder to her and she just outdid herself.

After a few days I saw Mrs. Mickey downtown. "How's Wesley getting along?" I asked. "Fine, I guess, but he's about to milk that old Jersey cow crazy."

Wesley moved on to Fort Worth and I moved to Seminole. Years passed by and I met a mutual friend. The story was too good to keep. "Tell Wesley", I said, "that we ran a dairy too many years not to know how to make a cow give more milk. Since my conscience has bothered me all this time, I simply added a little water each day to get her up to the desired production."

He came to Seminole to hold a meeting. The story was not mentioned but he did go with me out to the chicken pen to gather up the eggs. Eleven hens - I observed him counting them very carefully. I got out ten eggs and he immediately pounced upon me. "Where's the rest of the eggs?'

AMERADA **FAMILIES** MOVING

Word was received over the past weekend that nineteen families from Amerada were being transferred out of Seminole. This was indeed a shock to local residents as the office building had been added onto in the last few months. Some employees are already working in Midland, driving back and forth. Some employees had just moved into new homes. It was not only a surprise to Seminole residents, but also to the employees themselves.

A BOY DIED THIS AFTERNOON. THE DOCTOR'S REPORT CALLED IT A BLOOD CLOT ON THE BRAIN, BUT RUMOR, BACKED UP BY SEVERAL LOCAL TEEN-AGERS WHO ARE "IN THE KNOW," HAS IT THAT THE BOY MAINLINED A MASSIVE DOSE OF "SPEED"-METHEDRINE-LAST FRIDAY NIGHT. WE'LL NEVER KNOW THE FULL STORY BACAUSE THE BOY NEVER REGAINED CONSCIOUSNESS.

HE WAS A NEWCOMER TO OUR TOWN. ONLY LAST SEPTEMBER HE TRANSFERRED TO THE LOCAL HIGH SCHOOL AS A SENIOR. DURING HIS SHORT STAY HE QUICKLY EARNED A REPUTATION AS A BRIGHT, DILIGENT STUDENT. HE ALSO HELD DOWN A PART-TIME JOB AFTER SCHOOL AND ON WEEKENDS, AND HIS BOSS SPEAKS VERY HIGHLY OF HIM. IN FACT, HE CAME TO LOVE THE BOY LIKE THE SON HE NEVER HAD.

I LAST SAW THE BOY IN CHURCH TWO SUNDAYS AGO WITH HIS MOTHER AND YOUNG SISTER. OUR SPEAKER THAT MORN-ING WAS A GUEST, AND I REMEMBER NOTICING THAT THE BOY WAS A GOOD LISTNER.

WHEN HE WAS ADMITTED TO THE INTENSIVE CARE UNIT AT THE HOSPITAL, I WAS CALLED IMMEDIATELY, I'VE SPENT MANY HOURS WITH HIS FAMILY THESE PAST FEW DAYS, LISTENING TO THEIR TEARFUL RECOLLECTIONS OF THE GOOD TIMES THEY ALL HAD SHARED, SEARCHING WITH THEM FOR SOME MEANING IN THIS UNEXPECTED TRAGEDY, AND PRAYING WITH THEM FOR THEIR BOY'S RECOVERY. NOW I CAN ONLY PRAY THAT THEY WILL FIND THE STRENGTH TO ACCEPT HIS UNTIMELY DEATH.

ACCORDING TO THE DOCTOR, THE METHEDRINE OVERDOSE CAUSED THE BOY'S BLOOD PRESSURE TO SOAR VIOLENTLY, DOING IRREPARABLE DAMAGE TO THE BRAIN. HE HAS SEEN IT BEFORE, HE SAYS, AND HE EXPECTS HE WILL SEE IT

THE BOY WILL BE BURIED IN HIS OLD HOMETOWN IN A NEARBY STATE, I WILL OFFICIATE AT A MEMORIAL SERVICE FOR HIS FRIENDS HERE. WHAT WILL I SAY? LIKE MOST OF THE MEMBERS OF MY GENERATION I FIND IT DIFFICULT TO UNDERSTAND THE KIND OF EMPTINESS AND CONFUSION THAT DRIVES YOUNG PEOPLE TO EXPERIMENT WITH DANGEROUS DRUGS. HOW CAN I EXPLAIN TO MY YOUNG LISTENERS THAT OUR BODIES ARE THE GIFT OF GOD AND THAT WE MUST PROTECT THEM AND USE THEM WELL? AND HOW CAN I COMFORT THE BOY'S GRIEVING FAMILY AS THEY RETURN TO A LIFE THAT WILL BE FOREVER MARKED BY THE GREAT VOID ONCE FILLED BY A BRIGHT, VIBRANT YOUNG MAN?

WHY DID THE BOY TURN TO DRUGS? WE'LL NEVER KNOW, BUT WE DO KNOW THAT HIS DEATH WAS UNNECESSARY, THAT WE COULD HAVE PREVENTED IT IF WE HAD ACTED IN TIME. HOW MANY OTHERS HAVE TO DIE UNNECESSARILY BEFORE EACH OF US GETS PERSONALLY INVOLVED IN TRYING TO STOP THIS DANGEROUS EXPERIMENTATION WITH DRUGS? A BOY DIED THIS AFTERNOON, AND WE NEED NOT ASK WHO IT AFFECTS, IT TOUCHES ALL OF US, AND OUR OWN

R.I. ARCHER RETIRES

A party for Mr. and Mrs. R. I. "Bud" Archer and the judge, Chester Browne, is enjoying it.

Mr. R. I. "Bud" Archer was honored at a retirement party last Friday at 4 p.m. in the commissioners' meeting room at the courthouse. Approximately fifty guests and courthouse workers attended. Mr. Archer is the first county employee to retire under the new retirement system for county employees. He had worked for Gaines County almost twelve years.

He and his wife are the par-

ents of five daughters. "There's a lot of things I'd like to do different, " Mr. Archer said, "if I had to live my life over, but I doubt seriously that I could do anything about it and would end up doing things the same way."

Among gifts given was a money tree with fifty to sixty bills. In making the presentation Chester Browne said, "When you put this tree out in the vard if it sprouts please give me a cutting."

Love Is Of God

Beloved, let us love: love is of God:

In God alone hath love its true abode.

Beloved, let us love: for they who love.

They only, are his sons, born from above.

Beloved, let us love: for love

is rest. And he who loveth not abides unblest.

Beloved, let us love: for love is light,

And he who loveth not dwelleth in night.

Beloved, let us love: for only thus Shall we behold that God who loveth us.

ASCS CHAIRMAN TALKS ABOUT FARM PROGRAM PROCEDURE

LOCAL FARMERS HAVE SHOWN CONSIDERABLE IN-TEREST IN THE RECENT AN-NOUNCEMENT THAT 1970 FARM PROGRAM PAYMENTS ARE EXPECTED TO BE COMPLETED IN JULY AND AUGUST THIS YEAR, ACCORDING TO TROY MARTIN, CHAIRMAN OF THE GAINES COUNTY AGRICUL-TURAL STABILIZATION AND CONSERVATION (ASC) COM-MITTEE.

"SOME FARMERS HAVE ASKED IF SPEEDING UP COM-PLETION OF PROGRAM PAY-MENTS MEANS CHANGES IN THEIR PARTICIPATION IN THE VOLUNTARY FARM PRO-GRAMS, " HE SAID. "THE ANSWER IS NO. NO BASIC CHANGES HAVE BEEN MADE IN THE THREE STEPS RE-QUIRED OF PARTICIPATING FARMERS--SIGN-UP. COM-PLIANCE, AND CERTIFICA-TION."

DURING SIGN-UP--FEBRU-ARY 2 THROUGH MARCH 20-ELIGIBLE FARMERS COME IN TO THE COUNTY ASCS OFFICE TO REQUEST PARTICIPATION IN ONE OR MORE OF THE PROGRAMS FEED GRAIN AND WHEAT. THEY SIGN UP FOR THE ACREAGE THEY WILL DIVERT IN THE CASE OF FEED GRAIN AND WHEAT, AND THEY AGREE TO COMPLY WITH PROGRAM PROVISIONS.

This group of Cub Scouts visited the News office during Boy Scout Week. Shown with their Den Mother, Mrs. W. R. Jones, are Wallace Jones, Johnny Hill, Junior Escobedo and Donald Alaniz. They are from Den 2. Their Cub Master is Pervis Williams. They asked such questions as how many people live in Seminole, what is the altitude, what jobs are abailable in Seminole, what is the main industry in Seminole, where is the hospital, where is the courthouse, how many doctors are in Seminole? Then they went out and checked on these things. They returned with the following information. Junior wants to work in the oil field, Johnny wants to be a farmer, Wallace a rancher, and Donald wants to build campers like his daddy.

WHERE 30 DIED - - - An International truck loaded with cattle turned over last Friday on the by-pass north and west of Andrews. Most of the cattle scattered. The injured and dead were drug out and had their throats cut and loaded into the trailer on the left. The load evidently shifted when the Odom driver started to make a corner, heading back south. The trailer tipped over on its right side and skidded into its present position.

Where There's Help There's Hope

And both are in your hands to give.

The March of Dimes believes that birth defects (a quarter of a million annually) should not rob a child of the chance for a full, satisfying life.

It has taken the lead in supporting programs of research, education, patient care and community services to make this goal a reality. It reminds you that the total can be reduced through use of rubella (German measles) and Rh vaccines now available.

LOOP

BY MRS. BUCK CUNNINGHAM

The Loop girls won the District 13-B championship in basketball Friday night with a 57-37 score over Sands. The girls took an early lead and kept it throughout the game. The score was 13-10 at the end of the first quarter with Loop taking a 29-19 halftime lead. They led by 43-31 at the end of the third quarter and held the opposition to only 6 points in the final period to win by 20 points, 57-37.

These girls have played well all year for Coach Fred Hamilton and finished District play with a 9-1 record and a season record of 23-4. They have represented our school and our community in a sportsman-like way.

They played a practice game Tuesday night. A District champion can only play another champion and Loop met No. 1 ranked Class-A Wylie at Roscoe.

A Bi-District, or the first round of Regional, will be played Monday night, February 16, against Balmorhea in the Kermit High School Gym at 7:30 p.m. Admission is \$1.00 for adults and 50¢ for students.

The last District championship for the Loop School was in 1961 when again it was the girls basketball team that won the honor for the school.

Regional play, in the event of a win against Balmorhea, would continue at the Regional tournament at South Plains College in Levelland on the 20th and 21st of February.

In other basketball action the Loop boys lost to Sands Friday night by a score of 89-57. Sands boys also took the B-team game. Sands boys repeated as District champions again this year.

Other basketball earlier in the week saw Loop win a pair from Dawson on the road. The girls won by a score of 58-39,

The Loop boys won 51-40 with Danny Yocom leading Loop's scoring with 12 points. Dawson's B-team boys won over Loop 34-

Following Friday night's game the Loop fans gathered for a social hour in the Community Building. Honor guests were Coach and Mrs. Fred Hamilton and his girls and Coach Wayne Fincher and his boys. Sandwiches, cookies, cupcakes, punch and coffee were served to approx- The first game is scheduled for imately 200 people.

Many lovely and useful gifts were received and David was admired by all. Refreshments of cake, punch and coffee were served. Approximately fifty guests called.

The Loop Young Homemakers met Monday evening, February 2, in the Homemaking Department. President Mrs. Keith Young called the meeting to order. After a brief business session Mrs. Eldon Harris introduced Mrs. Peggy Stephenson, representing Fabulous Fabrics of Lubbock. Mrs. Stephenson showed samples of garments that can be made from their knit fabrics and showed patterns available. She also showed lingerie, swim wear, suits, sweaters and pants. Refreshments were served by Mrs. Homer Smith and Mrs. Raburn Clark.

Present were Mmes. Keith Young, F. W. McDonald, Douglas Floyd, Raburn Clark, Bill Armstrong, Eddie Foshee, Arnold Smith, Buck Cunningham, J. E. White, Fred Hamilton, Bill Lowe, David Oats, Homer Smith, Terry Tennyson, Robert Scott, and Bill Ellyson.

The Loop Young Farmers met Monday evening, February 2, in the Vo-Ag room with Terry Tennyson, president, presiding. After a business session Mr. J. E. White showed a film on livestock raising in a confined area. About twenty members were present.

Mrs. Stanley Ancinec's 4-H with Vicki Todd scoring 35 points. Food group met last week. Their program was in the meat group. Linda Basquex led the pledge and Melissa Perez led the prayer. We made tuna sandwiches. Present

were Linda Basquez, Lilly Rodriguez, Melissa Perez and Sherry Chaffin.

Seminole volunteer firemen feverishly work over an M&M cabbed farm tractor at the Whitaker farm 10 miles southeast on Telephone Road and 4 miles east. Note the wheel where the rubber had been completely burned off. The fire occurred at approximately 8 p.m. Sunday night. The tractor ignited when being filled with butane and the lights were turned on. A worker disconnected a filler hose and moved the mobile butane tank, probably averting a much worse fire.

Stuart Coffee fires away for the freshmen against the Brownfield Cubs. That's Tim Ericson waiting for the rebound. They went on to a victory festival. Glen Smith topped all others with 9 root beers, followed by Mel Nelson with $8\frac{1}{2}$. (They said Glen didn't even get sick but don't mention it to Mel.)

Troy Earl Lewis, age 24, with wife, Patricia Ann, has moved to Seminole, 803 N. W. Ave. I. He will serve as the new drivers' license patrolman. He finished high school at Southland, Texas, attended Tech one year, served two years in the Army, with one year being in Vietnam. He finished patrol school in April, 1968, moving to Seminole from Midland where he had worked eight months.

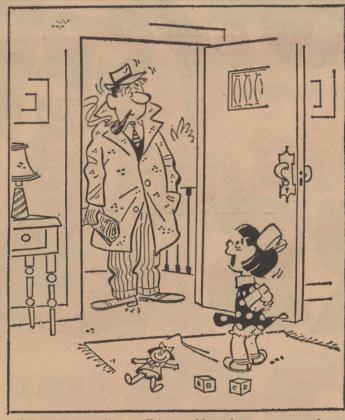

WOODENFOOTE cont. from p. 1 I reached in quickly and brought out three more. (Evidently Frances had gathered them up early the day before.)

He told C. D. Brooks later, so C. D. said, "That nut had me all set up for that egg gathering. He hadn't gathered up the eggs in a week."

Dear Wesley,

I can still out-milk you and still get more eggs out of my chickens.

SUPERINTENDENT'S REPORT:

- 1. Brenda VanWinkle is ineligible to play high school volleyball until February 1, 1971, because she ran in an AAU Track Meet in Albuquerque and Oklahoma City during this school year which were not approved by the State Executive Committee of the University Interscholastic League.
- 2. We are furnishing homebound instruction to Mike Wright, son of Mr. and Mrs. Jimmy Wright, who was injured in an automobile accident during the Christmas holidays. Mike is a sophomore and Omer Bantz is teaching him.
- 3. We are also furnishing instruction to Ricky Lippincott, son of Mrs. Linda Lippincott. Ricky is a first grader and is suffering from nephritis. Mrs. Gwen Collins is teaching him.
- 4. Jimmy Rash had to report to Lubbock today for Federal Grand Jury service. He does not know at this time how long he will be required to be there.
- 5. The net receipts from the Seminole-Kermit basketball game were \$519.80, Seminole-Ft. Stockton game \$601.50 and the Seminole-Andrews game \$483.10.
- 6. Our enrollment as of February 6, 1970 is 2133, compared to 2076 on February 7, 1969.

The sprint relay team from Lubbock Christian College out-distanced the New Mexico Junior College team from Hobbs to officially open the new track Sunday at Open House. One of the runners said, "Ooh, boy, at the bounce it's got in it." They ran the 440 in 41.9. The foursome was made up of Kenneth Gray, Ike Lewis from Ackerly, Robert Johnson and Danny Johnson. George Stephens and David Ratliff from NMJC put on quite a display of javelin throwing. David Ratliff threw 203 ft., which was 7 ft. better than their conference record, but listen to this - George Stephens threw 236.9, thought to be the second best in the U.S. in his class. NMJC out-ran LCC in the mile relay.

We're looking for trouble.

And we go out of our way to find it. Hopefully, before you do. We keep our telephone cables under air pressure to protect them from water, and we're constantly checking for leaks. We're testing your telephone line regularly to discover any potential problem before it occurs. But if you do notice trouble on your line before we do, just give us a call. We'll fix it...at no extra charge to you. We may be the only phone company in town, but we try not to act like it.

AS FROGRAM PARTICI-PANTS, THEY MAY EARN PRICE-SUPPORT PAYMENTS AND BE ELIGIBLE FOR PRICE-SUPPORT LOANS, FEED GRAIN AND WHEAT FARMERS MAY ALSO EARN PAYMENTS FOR VOLUNTARY DIVERSIONS.

NEXT STEP IS COMPLIANCE. IN GENERAL, THIS MEANS

ESTABLISHING THE PERMIT-TED FEED GRAIN, WHEAT, OR COTTON ACREAGE, IDENTIFY-ING THE DIVERTED ACREAGE THAT WAS SIGNED UP, AND PUTTING CONSERVING BASES AND DIVERTED ACRES INTO APPROVED SOIL AND WATER CONSERVING USES.

MEASUREMENT SERVICE. OFFERED AT COST BY THE COUNTY ASCS OFFICE, CAN PROVIDE FARMERS WITH THE EXACT MEASUREMENT THEY NEED FOR COMPLIANCE. MEASUREMENT SERVICE RESULTS ARE GUARANTEED IF FARMERS USE THE SER-VICE EXACTLY AS REQUESTED AND PERFORMED. MR. MARTIN URGED FAR-

MERS WHO HAVE NOT ALREA-DY ASKED FOR MEASUREMENT SERVICE TO DO SO WHEN THEY SIGN UP FOR THE FARM PROGRAMS.

THIRD STEP FOR FARMERS AFTER SIGN-UP AND COMPLI-ANCE-- IS CERTIFICATION. THEY CERTIFY THEY HAVE COMPLIED WITH PROGRAM PROVISIONS.

"I WANT TO EMPHASIZE THAT FARMERS SHOULD NOT CERTIFY UNTIL THEY KNOW THE ACREAGES PLANTED TO THE CROPS INVOLVED. IT IS A STATEMENT OF WHAT HE IS RESPONSIBLE FOR MAIN-TAINING THE DIVERTED ACRE-AGE THROUGHOUT THE YEAR," SAID MR. MARTIN.

AFTER CERTIFICATION, FARMS MAY BE CHECKED AT ANY TIME. IF A FARM IS FOUND OUT OF COMPLIANCE. THE FARMER MAY LOSE PART OR ALL OF THE PRICE-SUP-PORT AND DIVERSION PAY-MENTS AND MAY FORFEIT ELIGIBILITY FOR PRICE-SUP-PORT LOAN ON HIS CROP.

THE ASC COMMITTEE CHAIRMAN POINTED OUT THAT FARMERS MUST KEEP WITHIN PROGRAM PROVISIONS AFTER CERTIFICATION AND THAT FARMS ARE SUBJECT TO CHECK THROUGHOUT THE PROGRAM PERIOD.

WHEN THE COUNTY ASCS OFFICE RECEIVES A FARMER ER'S CERTIFICATION, IT WILL BEGIN AT ONCE TO PROCESS THE INFORMATION IN ORDER FOR PRICE-SUP-PORT AND DIVERSION PAY-MENTS TO BE MADE AS

Lloyd Coberly, engineer for TV Cable of Seminole, is shown in the above picture with a line extender in his right hand and a trunk line amplifier in his left hand. Mr. Coberly was discussing the TV cable service and pointing out some of the problems they'd had. "I do hope, "he said, "we will have the tower completed in February." As an example of the things that can go wrong with the cable system they have installed sixty-five line extenders. A line extender measures 3'x8", has lll parts and costs \$360.00. If any one of the lll parts go out someone has trouble. Besides the line extenders that have been installed fourteen trunk line amplifiers have been put in at a cost of \$450,00 each and sixteen bridge amplifiers. "We hope to finish the new construction at a cost of about \$100,000.00." FACTS OF YESTERYEAR

In a little pocket recorder put out by Campbell Bros. & Rosson Live Stock Commission Company with offices in St. Louis, Kansas City and Ft. Worth, some interesting notations were made by Mr. D. S. Cunningham from the years 1907, 1908 and 1909.

One interesting bit of information shows - Sartin steers bought, 103 head, Wt. 892 pounds, \$5.25 per head. (This will compare with today's prices of 25¢ to 30¢ a pound, or \$225 to \$250).

Another group of steers bought was 23 head weighing 742 lbs, \$4.65 price per head. 25 more steers bought - their weight -1,035 lbs.

A week's work in thos days in 1908 ($5\frac{1}{2}$ days) was worth \$6.85. Whiskey sold for \$3.30 a gallon. like this:

> \$1.10 11 lbs. bacon 10 lbs. lard \$1.50 1 gal. kerosene \$.25 \$1.75 1 sack flour \$2.50 meat \$1.65 meat Woodman of The World

\$2.20 dues In 1912 wages had gone up to \$30 a month. A new telephone line had been installed. A community line, no doubt, paid for services but your own line cost \$3.00 each for 6 members. Those listed were: W. P. Cunningham, Gus Schmidt, Cuchs, F. G. Brown ing, H. B. Crowder, Fanny Martin.

Monday morning August 9, 1909 the writer and D. S. Cunningham left home for to see the south west country. We aimed to go down on the Rio Grand in Brewster County to look at some Ptd. (Patent) land we were figering on trading for. The first day out from home we went SW to Seminole (35 miles sandy all the way - grass greennot much crops). Rained two or three showers on us during the day. Stayed at the Hotel that night. Nothing going on in Seminole, except there was a new married couple at the Hotel and I supose that was something going on.

August 10, 1909. We left Seminole to go to logan's store. 18 miles - taken a road that went south west and the most of the way was a good hard gravel road - good grass, no crops, not many houses. The noon hour came before we got to logan's store, so we nooned at and old settlers place where no body lived. It was the finest place to camp I ever saw - the house and tank was fenced all in together, and the yard and tank was set in Bermuda grass, and there was five big cottonwood trees in the yard, so we turned in our mules and cooked dinner and rested in the shade of the trees. It looked a little like rain this evening. night and no rain - we went southwest all evening sandy road and part of the way NO road. Passed one little store at Logston's ranch, passed the scratch wells a little before night. The scratch is Gray's ranch. Camped in the scratch pasture.

August 11th - morning clear. We still went SW - missed the road - went in some pretty bad

sand. Finaly got out of the sand and went west to Monument Draw in N. M., and struck monument and pyote road - went down the draw - passed several windmills in the Jal range. Nooned at three windmills and two tanks five miles from Jal ranch house. Passed some settler's claims along the draw but this is not much country. It is sandy and rocky land. Traveled all evening - just passed one ranch, the Jal. There was two adobe houses and some sheds two wind mills and lots was all there was there. The men was working with wild horses. Camp a little before night in tank lot one. Wind mill, plenty of Bermuda grass, three willow trees in lot. It is cloudy tonight but don't think it will rain. We aimed to cross the T. P. R. R. at Pyote, but we have about desided to cross at Pecos City and go A bill of groceries went something from there to Ft. Davis. We met a man this evening that had been in Brewster on a job for Davis Counties ever since 1884 and said it was a good country. Well we will quit and cook supper. Paw is out bird hunting. We haven't killed any game since we left. I saw one antelope this morning. We are still in N. M., nearly in the S. E. corner will go back in Texas in the morning. (To be continued)

Earl W. Smith Runs For Judge

Earl W. Smith of San Angelo, officially filed with the State Democratic Executive Committee office in Austin for the race for Judge for Texas Court of Criminal Appeals. He is running for the spot being vacated by Judge Ernest Belcher who is retiring.

Smith's goal in making this race is: "I want this Court to be-as in the past—one of the great courts in this land. Many decisions of this Court have been quoted by other states and the Supreme Court for their wisdom and correctness. I want to be a part of that great tradition."

Smith has just completed a campaign swing of Houston, Dallas, Ft. Worth, Beaumont, Midland, and Odessa. He goes to San Antonio today, and to Beaumont Friday for a reception.

When asked how he felt about the question of individual rights. Smith stated: "It is obvious from

Fairview News

BY MRS. OPAL (R.M.E.) HUGHES

Fairview is doing fine and is enjoying each other.

Mr. Jack Hughes and three daughters from Poolville, Texas spent Monday night with Mrs. Opal Hughes and Monday night Karl Hughes and Billy Pool, Jeff, Karen. and Bryan, Jimmie Williams, Lewis, Edwin, Amon, Jean and Leon Castelberry all visited with Mrs. Opal Hughes. Well, this was a real pleasure and I was so glad to have them all at my house.

Mrs. Hugh Castleberry, Mrs. Opal Gazaway, Vera Petit and Fairy Blodgett all went to Hobbs, New Mexico shopping one day this week.

Mrs. Opal Hughes went to Lamesa Sunday afternoon and visited her sister and their families and also visited with friends in Lamesa. While in Lamesa she visited the art school and watched them mix oil paints and put colors on flowers and watched them shade flowers. This was all real nice to know and a real pleasure. This artist was Jan Herring from Clint, Texas, close to El Paso. She had paintings on display at the First National Bank at Lamesa. These paintings at the bank was very pretty and interesting. She said she was a real fan of the Fairview News.

Mrs. Opal Gazaway, Vera Petit and Fairy Blodgett all went to see Mr. and Mrs. Hugh Castle- to meet you and the folks at berry this week.

Mr. and Mrs. Dee Coker come to see Mrs. Opal Hughes Monday evening. This was a real pleasure to have these old timers.

Mr. and Mrs. L. H. Hughes had their son, Hershell Ray, and Helen and their three sons to spend the weekend with them. Hershell and Harry come by and visited me (Opal Hughes).

Jack Hughes and daughters went to see Mr. and Mrs. L.H. Hughes.

While looking at the paintings in the First National Bank I had the pleasure of meeting Mr. Richard Crawley, Jr. and a number of ladies in the bank.

Saw Mr. and Mrs. R. C. Pattie yesterday. They did not feel too good.

Mrs. Homer Whitaker talked to her daughter in California. She said her husband was worse and his days was numbered.

Mrs. D. F. Rice is doing fine and has begun to do her early flower work.

Mrs. D.F. Rice went to see her sister, Mrs. Bill Brown, in Odessa this week. As you know, these sisters have such a good time together.

Mr. and Mrs. A.D. Woodie come to see Mr. and Mrs. Homer Whitaker yesterday.

Mr. Eldon Whitaker's tractor burned up on the farm. This was a big Moline tractor. We do hope that this tractor can be fixed.

Mr. and Mrs. Chester Sinclair are gone somewhere.

The Wootsie Houston family is all sick with the flu but all are better. We hope they will take care of theirselves.

Mr. and Mrs. Jim Cassell are doing pretty good. We hear from them quite often.

Mr. and Mrs. Woodrow Wright have been doing pretty good but Mrs. Wright has not been feeling

Mr. and Mrs. Noble Fox has Josie's mother visiting with her for a few days.

Below is a note left at Josie's for Mrs. Opal Hughes. Dear Opal Hughes,

I am a real fan of yours and have come to Josie's especially Fairview. We are so disappointed that we have not been able to visit with you.

Richard Crawley of Lamesa and his lovely wife brought us over for Sunday dinner. My daughter, Helen, and my young assistant, Sally Retter from New Mexico, are here with me.

Josie Fox has consented to tell you how much we enjoy your column each week. If you ever come out our way (Clint, Texas) please stop and visit.

> Best regards, Jan Herring

DAVID HENDERSON GETS LOOSE FOR 2 AGAINST KERMIT IN A LOSING CAUSE, 57-64.

"Your secretary called and said you were burning up about something!"

A small barn was destroyed by fire at 703 S.E. 7th St. at 12:20 p. m. yesterday. Seminole volunteer firemen are shown putting out the fire.

KERMIT DEFEATS SEMINOLE INDIANS

The Seminole Indians pressed to a 4 point advantage at the end of the third period of play last Friday night but saw it fade away in the fourth quarter when their shooting went cold and felt the sting of the Kermit Yellow Jackets 57-64. The loss was a rough one for the Indians to sustain, making their district record 4-2. The Panthers of Ft. Stockton are 6-0 after beating Monahans also Friday night. It was little David Henderson with 20 points that led all scorers for the game. He got 7 field goals and 6 free throws for the night. Hatley got 12 points, Whisenhunt 11, and Donald Roberts, the freshman, 9. With 6 minutes to go, the Indians still maintained a 3 point lead but saw it melt away as they were cold from the field and from the free throw line. Abrom and Dobbins went out by the foul route for Kermit, but it was late in the fourth quarter and the damage was done. Dobbins and Rockwell led the Kermit Yellow Jackets with 15 points each, but their scoring was scattered out over 8 players where Seminole had 5, Donohoe getting 5. The B team led their opponents by 4 at the end of 3 quarters and increased it to 6 at the end of the game, 60-54, in trouncing the Kermit B's. Gene Sims was hot. He got 26 points for his efforts with Tommy Shuler next with 9 points. Randy Smith and Kreg Pierson had

SOYBEAN LOAN DATES CHANGED

Price-Support loan availability and maturity dates are being advanced one month for 1969-crop soybeans Troy Martin, Chairman of the Gaines County ASCS Committee announced. This will improve the harvest time storage and marketing situation for soybean producers he said.

As a result, the final date to request pricesupport loans on the 1969 crop soybeans is May 31, 1970. The loan maturity date and the final date for producers to give notice of their intent to sell soybeans to Commodity Credit Corporation is June 30, 1970.

With soybean harvesting coming earlier each year, Martin said the handling of price-support soybeans following the loan maturity date has increasingly extended into the new crop marketing period, making storage space scarce for the new crop soybeans.

The change will help solve this difficulty by clearing CCC soybeans out of warehouses sooner, freeing space for the new crop. It will also extend transportation needs for soybeans over a longer period and lessen the demand for rail cars for old crop use during harvest.

CANCER SOCIETY

SEMINOLE DEFEATS PECOS 73 - 54

The Pecos Eagles had their feathers clipped last night in Seminole when Steve Hatley pumped in 25 points in the last 3 quarters and led the Indians to a 73-54 victory. Freshman Roberts came off the bench, scoring in every quarter, and ended up with 14. Whisenhunt had 12 points, a fine defense game, and pulled down 5 rebounds. Hatley had 6 rebounds and Livingston 5. David Henderson scored 8, Livingston 7, Clark Parrot 4 and Donohoe

Pecos managed only 3 charity tosses, compared to 21 for Seminole. Rodriquez led Pecos with 20 points and Calloway had 18.

The B-team also won from the Pecos B's 54-38, with Kregg Pierson getting 17, a high for Seminole. Randy Smith got 12.

"Aim high. It won't be any harder on your gun to knock the tail feathers out of an eagle than to splinter the barn door."

intersections inside the city limits of Seminole and in Gaines county that are hazardous to drivers. Recently, the law has been changed that gives the driver on the right of way of roads and intersections of like importance. (This is the way that an old law read at one time:)

WATCH- unless an intersection is marked, yeild or stop. You could be in error thinking that a well-traveled road or street has the right of way. Example: 1. Where two county paved roads come together in an intersection and both are unmarked, the driver on the right has the right of way, not the first driver into the intersection. 2. Where two graded roads come together unmarked, the driver on the right has the right of way. 3. A county road is a road that carries no Farm-Market number.

The telephone road leaving Seminole traveling Southeast toward Midland is a county road. Pavements dead ending against this road have the right of way if the other vehicle is on the right. Also, until it becomes a Farm-Market road at the Andrews County line, speed limit is 60m. p. h. in the day time and 55 at night. All county roads have the same speed limit day and night, 55 and 60. The 65 and 70 m. p. h. speed limit only applies to designated marked roads with a number and interstates. A word of caution- if you live next to the railroad track, don't forget about the train. If you travel a certain street or certain road day after day, rehearse the laws that apply to your street, your road, and your driving habits.

LONGER SCHOOL YEAR FOR NEXT YEAR

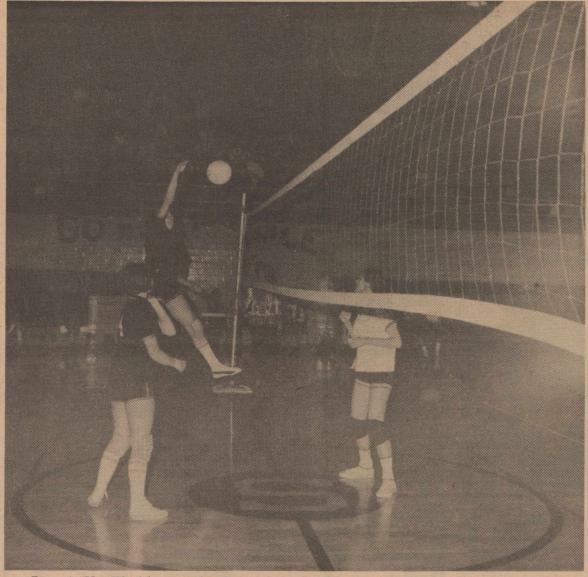

BOTH TEACHERS AND STU-DENTS WILL GO TO SCHOOL LONGER NEXT YEAR AS A RESULT OF LEGISLATION PASSED IN 1969 BY THE 61ST TEXAS LEGISLATURE. NEW LAW CALLS FOR 180 DAYS OF PUPIL INSTRUCTION PLUS AN ADDITIONAL 10 DAYS OF WORK FOR TEACHERS IN CONTRAST TO THE OLD LAW WHICH REQUIRED ONLY 175 DAYS FOR PUPILS AND TEACHERS.

THE EFFECTS OF THE NEW LAW WILL BE FELT ON THE LOCAL SCENE IN THE 1970 -1971 CALENDAR ADOPTED MONDAY NIGHT BY THE SEMINOLE BOARD OF TRUS-TEES. THE CALENDAR FINDS TEACHERS REPORTING FOR DUTY ON AUGUST 20 AND ENDING THE YEAR'S WORK ON MAY 31, 1971. THIS COM-PARES WITH THIS YEAR'S STARTING DATE OF AUGUST 27 AND ENDING DATE OF MAY

PUPILS WILL BEGIN SCHOOL ON AUGUST 24 NEXT YEAR AND BE DISMISSED AT THE END OF THE DAY ON MAY 27, 1971. ONE BRIGHT NOTE FOR STUDENTS WILL BE 6 HOLIDAYS SCATTERED THROUGH THE YEAR WHEN TEACHERS WILL REPORT TO WORK BUT PUPILS WILL HAVE A VACATION. THESE ARE IN ADDITION TO THE REGULARLY SCHEDULED LABOR DAY, THANKSGIVING, CHRISTMAS, AND EASTER HOLIDAYS. A COMPLETE SCHOOL CALENDAR IS GIVEN ELSEWHERE IN THIS PAPER.

THE PURPOSE OF THE ADDITIONAL 10 DAYS FOR TEACHERS UNDER THE NEW LAW IS TO GIVE TIME FOR IN-SERVICE WORKSHOPS AND PREPARATION. LOCAL ADMINISTRATORS INDICATED THAT PLANS ARE UNDERWAY FOR NEXT YEAR'S PROGRAM WHICH WILL CONSIST OF SOME TIME FOR WORK AND PLANNING AND SOME WORK-SHOPS ON VARIOUS PHASES OF THE CURRICULUM.

TEXAS INDUSTRIAL COMMISSION

AUSTIN, Texas -- Manufacturing employment has increased by 49.2 per cent during the past decade, placing more than half the jobs feeding the spiraling economy of Texas directly dependent on industry.

"Manufacturing is definitely the key to Texas' economic growth and will become even more so in the future," Jim Harwell, executive director of the Texas Industrial Commission said in analyzing the new figures.

"Manufacturing employment increased almost 50 per cent during the last 10 years while oil and gas, mining and agriculture all showed declines ranging from 11 to 24 per cent."

He said 56.1 per cent of the jobs in Texas were dependent on man ufacturing during 1969, compared with 43 per cent 10 years earlier. Manufacturing has increased an average of 24,000 jobs each of the 10 years.

Harwell credited the areas of machinery, both electrical and nonelectrical, and transportation equipment with the largest growth. Electrical machinery was responsible for 17.6 per cent of the growth, transportation for 17.1 per cent and other machinery for 13.4 per cent.

By category, electrical machinery proved to be the fastest growing industry in the state over the 10 year period. While increasing 17.6 per cent of the overall total, the area grew at a 285.8 per cent clip over its performance in 1959. Other strong growth sectors were miscellaneous durable goods up 181.7 per cent and rubber and plastics up 121.7 per cent.

Miscellaneous durable goods include such items as engineering and laboratory equipment, surgical and medical equipment, jewelry, sporting goods, needles and pins, brooms and brushes and ordinance equipment.

In plant numbers, chemicals were the big addition to Texas' industry during the decade with new plant and expansions totaling 1,053. Fabricated metals was second with 772 new plants and expansions.

Harwell said in 1969 mobile homes were the leading locating industry in the state. Mobile home companies, a portion of the transportation sector, located 31 plants in the state, the majority of which were in rural areas.

About 30 per cent of the industries added in the last decade were located in rural areas. In 1969 a total of 116 new plants were located in small towns, compared with 98 the previous year.

In all, a record of 4ll new plants were located in Texas during the year. This compares with the previous all time high of 327 new facilities reported in 1965. In 1968, a total of 29l new industries were located in Texas.

Last Saturday night at Seminole Assembly #213 Kim-et Earl was installed as Worthy Advisor to serve from February through May, 1970. The theme of the installation was "Nature" with the emblem being bounty of flowers.

Installing officers were Carol Everett, installing officer; Shirley Earl, installing musician; Tanya Jefferson, installing chaplain; Debbie Wallace, installing marshall; and Ruby Everett, installing recorder.

Other new officers besides Miss Earl were Madalyn Joiner, worthy associate advisor; Rena Bevers, charity; Cindy McDonald, hope; Margaret Wolfe, faith; Carol Everett, recorder; Cindy Smith, treasurer; Karen Landrum, chaplain; Myra Sullivan, drill leader; Jane Koberg, love; Vickie Jones, religion; Lena Hicks, nature; Marsha Buzan, immorality; Koren Wolfe, fidelity; Sheri Earl, patriotism; Amy Brasher, service; Debra Stillwell, confidential observer; Shelley Buzan, musician; and Linda Nelson, choir director.

Their motto is as follows: Let me be so strong that nothing can disturb my peace of mind. Let me think only the best, work only for the best, and expect only the best. Let me wear a cheerful countenance at all times and have a smile ready for every living creature I meet. Let me be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble. Let me live in the faith that the world is on my side as long as I am true to the best that is in me.

HIGH SCHOOL SPANISH STUDENTS PRESENT PROGRAM TO SIXTH

GRADERS

RECENTLY FOUR SEMI-NOLE HIGH SCHOOL FORE-IGN LANGUAGE STUDENTS PARTICIPATED IN AN EX-PERIMENT DESIGNED TO ADD VARIETY AND ENLIVEN 6TH GRADE UNITS OF STUDY IN SPANISH CULTURE AND HISTORY. THE PARTICI-PANTS WERE DANNY BUTTS, DEBORAH FORD, DIXIE MERCER, AND SALLY HUNT, SECOND YEAR SPANISH STUDENTS AT SEMINOLE HIGH. ALSO INVOLVED WERE THE SIXTH GRADERS IN MRS. SUMMER'S AND MRS. BARNES! ROOMS. THE TWO SIXTH GRADE ROOMS HAVE BEEN STUDYING SPAIN AND ITS PEOPLE, AND IN ORDER TO BRING A TOUCH OF VARIETY TO THE REGULARLY SCHEDULED CLASSROOM ACTIVITIES, THE FOUR HIGH SCHOOL LANGUAGE STUDENTS WERE CALLED UPON TO PRESENT TO THE SIXTH GRADERS UNITS ON MUSIC, ART, AND LITERATURE.

MISS SALLY HUNT PRE-SENTED HER PROGRAM ON SPAIN'S GREAT ARTISTS FROM THE GOLDEN AGE UP TO THE PRESENT, WHILE EMPHASIZING THE MORE FAMOUS PAINTINGS OF "EL GRECO," VELÁZQUEZ, GOYA, AND PABLO PICASSO, SALLY ACCENTED HER PRE-SENTATION WITH COLOR SLIDES OF THE ARTISTS! PAINTINGS.

DEBORAH FORD CAPTURED HER AUDIENCE WITH THE LIVELY LYRICS OF SEVER-AL SPANISH FOLK TUNES, "YA SE VAN LOS PASTORES," AND THE REVOLUTIONARY CLASSIC, "LA CUCARACHA." MISS FORD ISSUED SONG BOOKS WITH THE SPANISH LYRICS, AND SHE USED SING-ALONG RECORDS TO TEACH THE SONGS. THE GROUP THEN SANG THE SONGS, AND LATER THEIR YOUTHFUL TEACHER EX-PLAINED THE SIGNIFICANCE OF THE SPANISH LYRICS.

MR. DANNY BUTTS, WHOSE OWN INTERESTS LEAN TO-WARD STUDIES IN HISTORY. CAME TO THE SIXTH GRAD-ERS WITH A GRAPHIC DE-SCRIPTION OF THE MOORIS INVASION AND OCCUPATION OF THE IBERIAN PENIN-SULA. DANNY STRESSED THE IMPORTANCE OF MOOR-

February 12, 1809 Abraham Lincoln was born.

ISH INFLUENCE IN SPAIN'S HISTORY BY RELATING THESE INFLUENCES TO THE PRESENT. HE ILLUSTRATED HIS TALK BY POINTING OUT CURRENT TRENDS IN ARCHI-TECTURE AND PAINTING THAT BEST REFLECT THE LASTING INFLUENCE OF THE MOORS.

MISS DIXIE MERCER IN-TRODUCED TO THE SIXTH GRADERS A SAMPLING OF THE IDEALISM FOUND IN THE SPANISH CLASSIC DON QUIXOTE DE LA MANCHA. DIXIE HELD THE SIXTH GRADER'S ATTENTION FOR FORTY MINUTES AS SHE CARRIED THEM WITH THE KNIGHT ERRANT ON SEVERAL OF HIS WILD ADVENTURES IN SEARCH OF TRUTH. IN CONCLUSION, MISS MERCER STRESSED THE IMPORTANCE OF HAVING A DREAM TO FOLLOW AS DID THE IDEAL-ISTIC DON QUIXOTE.

MRS. SUMMER AND MRS. BARNES REPORTED THAT THEIR STUDENTS RESPONDED WITH UNUSUALLY HIGH IN-TEREST, IN SPITE OF THE FACT THAT THE SIXTH GRA-DERS ARE USUALLY VERY TIRED AND ARE NOT TOO RECEPTIVE AT 3:15 IN THE AFTERNOON. BOTH TEACH-ERS FELT THAT THE PRO-JECT WAS A SUCCESS FOR SEVERAL REASONS. THE FOUR THAT CAME OVER FROM THE HIGH SCHOOL SPOKE THE SAME LANGUAGE AS THE SIXTH GRADERS," WAS THE REASON GIVEN BY MRS. BARNES. MRS. SUM-MER SAID, "I THINK THAT THE 'TEEN-AGE TALK' CAP-TURED THEIR ATTENTION ... WHETHER THIS IS GOOD OR NOT, I CAN'T SAY, BUT MY SIXTH GRADERS REALLY DID LISTEN."

IN SUMMARY, BOTH TEACHERS AGREED THAT ANY ESCAPE FROM THE CUT-AND DRIED PROCEDURES OF THE TEXT BOOK THAT CAN BRING INTEREST AND STIMULATION FOR LEARNING IS WORTH-WHILE. AS FOR WHAT THE SIXTH GRADERS THOUGHT ABOUT THE EXPERIMENT, MRS. SUMMER AND MRS. BARNES SAID THAT THEIR CLASSES WAN IF OTHER HIGH SCHOOL STUDENTS COULD COME TO THEIR CLASSES AGAIN SOON,

SOUTHWESTERN BELL ANNOUNCES

SOUTHWESTERN BELL ANNOUNCED TODAY ITS PLANS TO SPEND \$120,000 ON CONSTRUCTION IN SEMINOLE DURING 1970.

"THIS EXPENDITURE WILL COVER SEVERAL PROJECTS NECESSARY TO KEEP UP WITH THE INCREASING COMMUNICATIONS NEEDS CREATED BY SEMINOLE'S HEALTHY GROWTH RATE," SAID G.H. SAWYER, SOUTH-WESTERN BELL MANAGER.

HE SAID PROJECTS THAT WILL PROBABLY BE START-ED OR COMPLETED IN 1970 INCLUDE ADDITION OF TRUNKS IN THE SEMINOLE CENTRAL OFFICE, EXTEN -SION OF CABLES AND LINES IN THE RURAL AREAS SURROUNDING SEMINOLE A AND RELOCATION OF CABLES ALONG U.S. HIGHWAY 180 IN CONNECTION WITH A HIGHWAY WIDENING JOB. "IT'S OFTEN SAID THAT

TELEPHONE GROWTH IS A GOOD YARD-STICK OF A TOWN'S PROGRESS, " SAID SAWYER. "WE HAD 2.173 TELEPHONES HERE AT THE END OF 1960. AT THE END OF DECEMBER, 1969, WE HAD 3,529 TELEPHONES, AN INCREASE OF MORE THAN 62 PER CENT. WE GAINED 227 TELEPHONES IN 1969."

HE ALSO POINTED OUT THAT SEMINOLE RESIDENTS DIALED 13,220 CALLS ON AN AVERAGE BUSINESS DAY IN

"IT APPEARS THAT EXPANSION WILL BE A WAY OF LIFE HERE FOR A WHILE, WHILE," SAWYER SAID. "WE EXPECT TO HAVE 4.300 TELEPHONES HERE BY

SAWYER SAID SOUTH-WESTERN BELL HAS AN-NOUNCED PLANS TO SPEND \$99 MILLION ON LAND BUILDINGS AND EQUIPMENT THIS YEAR IN THE SAN ANTONIO ADMINISTRATIVE AREA, OF WHICH SEMINOLE IS A PART. THE AREA COVERS ROUGHLY THE WESTERN HALF OF TEXAS.

If you wonder why the City continues to dig up the middle of the streets this is reason enough. Here's a 6" valve below street level that had a 4"x8" opening to operate it. Just north was a fire hydrant in the street that had to be moved for the new paving. City employees are shown digging out the valve so they can cut off a 6" main so that a fire hydrant can be moved so new pavement can be put down at the corner of S. W. Ave. B. and 3rd Street. (Real planning, huh?)

Dear Sir

I want to thank you for buying my lamb. I don't know you but I have seen you in the grocery store when I was in there with my mother. We haven't lived in Seminole but 6 months. My daddy is farming here now and we really like it. My brother, sister and I are looking forward to showing again next year.

Your friend,
Terrie Parum

Installing Gas Air Conditioning in the Winter is for the

and the Joneses and the Smiths...

and just about everybody who loves comfort and knows a wise move when they see one. Installing gas air conditioning now will allow you to beat the spring rush that always comes with that first hot or dusty day. So, while others are waiting for the overworked installers, you'll be cool, calm and collected...already enjoying the benefits of your winter air conditioning buy. Gas quietly cools your whole house for what you may have been paying to cool two or three rooms before. And, you'll save on repairs, too, because gas air conditioning has no compressor to break down or wear out, and a com-

pressor is a usual source of failure in other air conditioning systems.

So, join the smart ones. Call Pioneer today and tell them you'd like to find out more about installing gas air conditioning in winter. A representative will come tell you just what it will take to convert your present forced air heating system to gas air conditioning. It costs you nothing to get a complete cooling survey of your home or business.
