He left three grandchildren, Julieanne Leonard and husband Travis, Dave Hufstedler and wife Lisa and Michael Hufstedler and wife Jessica. He also left behind three great-grandchildren Pratt Leonard, Logan Hufstedler and Price Hufstedler.

**Coke County Food Pantry**

The Coke County Food Pantry was established in 2001. It was organized as a Coke County Ministerial Alliance. The following churches were participants:

- Pecan Baptist of Bronte
- First Baptist of Bronte
- Northside Church of Christ of Robert Lee
- First Baptist of Robert Lee
- Central Baptist of Bronte
- First United Methodist

- of Bronte
- First United Methodist of Robert Lee
- Inglesia Bautista Orient Church
- Victory Assembly of God, Robert Lee

The first volunteers were Charlotte McKnight of FUMC of Robert Lee and Pauline Brumley of Pecan Baptist Church of Robert Lee. There have been many volunteers over the years. As of this time 2 volunteers, Mary & Fred Williams, travel to San Angelo to get food from the Concho Valley Regional Food Bank. When we started out, food was purchased at .7 cents per pound. We now pay .18 cents a pound and desserts are free food. This is purchased on Tuesday morning and shelves are re-stocked by Mary, Fred and Delores Roe. We are

open Wednesday from 2 pm to 4 pm.

Each recipient is given a cloth bag to fill when they first come to the food pantry, they are to bring each time they come. The bread & desserts are placed in a plastic grocery sack. We allow each recipient to do their own shopping and volunteers to do the sacking.

The food pantry has been in operation 12 years now. We have from 21-40 recipients each Wednesday. The need seems to be greater and greater as people have lost their jobs or have hours cut.

The holidays are coming soon and we need help funding Holiday Foods. We do accept memorials, cash donations, and food donations. There are times the schools have a food drive, individuals donate and clean out freezers and etc. This is a great help.

As of 2012 we are required to have each client fill out a client screening form. This is a federal law and USDA policy. This institution is prohibited from discrimination on basis of race, color, national origin, age or disability.

We would like to personally thank all of you who have made donations in the form of money, food and memorials. It has been a great help, we don't want anyone in Coke County to

go hungry.

Dolores Roe, Melba Grey, Mary Williams, Fred Williams

## Steers drop game to Yellowhammers

By Tom Sawyer

The Steers played a tough game against Rotan Friday night and came out on the short end of the scoreboard with one point deciding the final outcome when the time ran out. Steer players played a very hard fought game and never quit fighting for the win even in final minutes when things weren't quite going our way.

These young men should be very proud of what they accomplished and it will only make them stronger in the final weeks of the regular season. Look out district it's going to be a battle.

Robert Lee will have a schedule change this week with another team having to drop from play due to not being able to field enough players for a team. Friday night the Steers will travel to May to play the number two team Jonesboro. This was going to be the team's open week but due to the aforementioned circumstances the Steers open week has moved to October 25th. The only two teams left in our district will be Robert Lee and Blackwell which is very unusual because our only district game will be for the district championship.

Steer fans please come out and support our team by making the trips to the next few away games. The Steers will be playing tonight, October 18, in May against Jonesboro.

## Texas reservoirs may reach "all-time" lows

Texas reservoir levels continue to drop-nearing "all-time" lows, according to the state climatologist and could cause significant water shortages across the state if conditions do not improve.

"Our state is facing very serious water supply issues," said John Ross Copeland, president of Coke-Sterling County Farm Bureau. "Without substantial rainfall, we will face more than just water restrictions.

Reservoirs are drying up, leaving less water to sustain our communities, further our industries and grow our food."

Severe heat during the summer months reduced levels, and little rain fell to replenish the state's water resources. What water remains is utilized by a growing state population, which is predicted to grow to 46 million people in fewer than 50 years.

"It is important that we establish a way to allocate funds and ensure that our state has enough water for a sustainable future," John Ross said. "We need to take action now to ensure that our reservoirs don't run dry."

Texans will vote on a fund to prioritize and finance water resource programs through a constitutional amendment, designated on the November ballot as Proposition 6. If approved, Proposition 6 will establish a self-sus-

taining account to facilitate water projects in both rural and urban communities across the state.

Texans can vote on Proposition 6 on Nov. 5 or during early voting, Oct. 21-Nov. 1.

## Perry endorsing Proposition 6

Governor Rick Perry held a Press Conference October 2, 2013, at the San Angelo State Park S. Shore Boat Ramp at O. C. Fisher Lake. Jeffie Roberts and William "Bill" Hood were invited from the Governor's Office and attended the event. Jeffie is Chairman of the Upper Colorado River Authority and Bill is Secretary of the UCRA Board. They represent Coke County on the Board of Directors. Governor Perry was promoting Proposition 6 which will be on the November ballot. If you vote YES \$2 billion will be transferred from the Rainy Day fund to the Water Fund.
