Three Named Lieutenant Colonels Here

True Man One Of Character, Speaker Says

A real American, particularly one in the armed forces, must have common sense, true spiritual being, patriotism, and a sense of values, graduates of Reese Air Force Base in Class 60-H were told.

Roy Bass, Lubbock attorney, told the graduates that term "real American" is the best compliment which can be paid in the world today.

"We must retain an open mind, the best attribute of an educated man," he said. "Progress in our military life comes through an open mind."

Being a strong spiritual man, he added, is not an evidence of weakness, but is a vital part of professional competence.

"It is the most foolish man who says he can get along without God," Bass declared.

A true man, he added, is one with courage and character, not one who is tall, strong, virile, or one who can eat or drink all he wants.

"We have confidence in you young graduates of Class 60-H," he concluded. "We have confidence in what you will do and what you stand for."

The class included 31 American cadets, two German officers, two cadets from Denmark, and a Vietnamese Cadet. The oath of office to Cadet Nguyen V. Le of Vietnam was administered by 1st Lt. Nguyen Van Chuong, liaison officer at San Antonio. The Danish cadets will become officers later.

Receiving the Commanders' trophy as highest ranking cadet was Dennie L. Sides. Presentation was by Col. L. C. Hess, base commander. Also honored as distinguished graduates were former cadets John Granskog, Francis Bales, Richard C. Spencer, Don C. Arbuckle, Clarence W. Hough of Snyder, Wayne L. Jennings, John R. Spey and Louis G. Rever.

Stamp Collectors Select Reese Men

Captain Joseph K. Enright has been elected president and MSgt. James I. Brown secretary of the newly formed South Plains Stamp Club. H. K. Fry of Lubbock is vice president and C. E. Reynolds treasurer.

The club has 47 members, including 6 from Reese and 1 Navy man. It meets the first and third Mondays of each month and will convene next Monday in the Reddy-room of the Southwestern Public Service Company in Monterey Shopping Center. All interested persons are invited for further study of stamp collecting.

Orders Send Lindlers 'Home'

The Lindlers are going "home" in more ways than one. Back in 1937, William C. Lindler as a "buck" private was assigned to the 20th Pursuit Group at Barksdale Field. It was his first assignment after enlisting. This week CMSgt. William C. Lindler of Reese received orders to report to the same outfit, now the 20th Tactical Fighter Wing at Weathersford, England. He hopes to go overseas early in September so the daughters may start school on time.

While stationed in England the sergeant married Doris McKewan of Manchester, England. Her parents, Mr. and Mrs. R. H. McKewan, naturalized here last April, live with the Lindlers.

Weatherford is 50 miles northeast of London and about 40 miles from a superhighway connecting London with Manchester.

"I've been trying for years to get back with the 20th; now I've made it," Sergeant Lindler beamed.

NEW SIGN—Officers of the 3501st Pilot Training Squadron rally around the new squadron sign erected in front of the unit operations building. First Lt. David Reiner, left foreground, and Maj. Richard P. Condrick, Squadron Commander, hold the drape after the unveiling. Standing behind, left to right, are flight instructors and flight insignia: 1st Lts. Byron W. Evans, Flight 4; Donald R. Brown, Flight 3; George E. Goodell, Flight 2; and Franklin C. Varley, Flight 1.

(Photo by Fontaine)

Reese Help For Devastated Chile Asked By President

More than half a hundred Air Force transports have ferried hundreds of tons of food, clothing and medical supplies to disaster-stricken Chile and more are on the way. Now the airman and his family can help with gifts or money to buy more desperately needed supplies.

President Eisenhower has authorized emergency drives at all federal agencies and said that he is "sure the generosity of the American people will respond to the urgent need."

Earthquakes, volcanic eruptions and tidal waves have devastated Chile for three weeks. An estimated two million people are homeless, with the figure rising as emergency communications are installed. Thousands are known dead.

Field hospitals flown from the U. S. are swamped round-the-clock.

Donations of money and clothing began pouring all from all over the world shortly after the first news of the disaster. Millions of dollars are needed to feed and clothe people who have lost everything as entire coastal towns disappeared in the froth of huge tidal waves.

The President has designated the American Red Cross as the coordinating agency for the U. S. Contributions can be made directly to local offices of the Red Cross on Air Force bases. Checks should be made out to the American Red Cross and designated "For Chil-

ean Relief."

"The need is vital and airmen of the U. S. Air Force have always been at the head of the line," Washington officials said.

Talent Show Offered Here Monday Night

"Command Performance - 1960" consisting of ATC Talent Contest winners, will perform in a variety show in the base theater at 7 P.M. Monday night.

Categories in the show will include vocal groups, musical instrument groups, dancing solo, western or country solo, specialty and novelty acts.

The "Tornadoes," Reese musical instrument group, is among the most popular entertainers in the program. The band is composed of A/2C John T. Smith, A/1C Ramon Villafranca and A/2C Carl Evans.

Lowry's top pianist, SSgt. Ray Hudson will be on stage playing the tune which brought him all the way to the top in his category, "The Nearness of You."

In the Western group singing, from Mather AFB, A/3C Wesley R. Vowell and A/3C David P. Stanley will perform to their best, singing popular western hits. In the Talent Contest held here last April, they took top honors in the western field singing "Same Ole Me" and "What Will They Do To Her."

No admission will be charged for the 7 P.M. Monday show and military personnel and dependents are invited to attend.

First Entries Made In ATC Motto Contest

First entries from Reese in the reopened ATC Motto Contest were forwarded to higher headquarters Thursday for competition with entries from other bases.

Some of the mottos suggested here were the same as entered in the previous contest and some had not been submitted before.

The reopened contest permits dependents, as well as military persons and civilians to submit mottos. Indications are that numerous dependents will compete for the \$500 Savings Bond offered the winner.

ATC officials stress that the accepted motto must tell in 10 words or less the command mission. Like most successful mottos, it must be "catchy" and should "sing." Numerous suggestions previously from Reese were considered good, but lacking "just a little something" needed to make them outstanding.

"It is felt that many people in Air Training Command did extremely well in working out proposed mottos," one ATC official said. "Just a small amount of additional thought should bring needed improvement. Perhaps some person at Reese will offer just exactly the motto that is needed."

Reese Needs A Good Slogan

Everyone at Reese is being asked to submit a slogan which depicts the operation and mission of the base.

Reese is an outstanding military unit with its own personality. This individuality should be brought to the attention of everyone through an appropriate slogan.

The slogan selected will be used on new signs at the main entrance, at the intersection of War Highway 5 and State Highway 116, and elsewhere.

What do you suggest? Send your ideas to the Office of Information now.

Wright, Ford, Arnette Given Higher Rank

Promotions have elevated three Reese majors — Hanford R. Wright, Charles F. Ford, and John W. Arnette — to the rank of lieutenant colonel. Colonel Wright put on silver leaves Monday, within minutes after he was notified by Col. L. C. Hess, Base Commander. Colonel Ford changed gold leaves for silver just as soon as word reached him on leave. Major Arnette's promotion is effectively shortly after July 1.

Colonel Wright has been in service 17 years and came to Reese in March, 1959 as personnel officer, from duty in Turkey. He also has served in the Aleutian Islands. He is a graduate of high school in Pittsburgh and is a former student of States Teachers College, Slippery Rock, Pa., and the University of Pittsburgh.

Colonel Ford, Hospital Commander since last January, has been in service 11 years and has been stationed in Japan, Korea, and England. He is a graduate of high school in Pensgrove, N. J., and is a graduate of Indiana University and its medical school.

Major Arnette has been wing adjutant since August, 1958, and has been in service 18 years. He served in Alaska and Japan and came to Reese from Command and Staff School. He is a graduate of high school in Winnsboro, S. C., and is a former student of Clemson College.

Service Club Head Closes Duty Here; Going To Perrin

Mrs. Daphne Hargett, director of the Reese Service Club since March, 1958, concludes duty today and Monday becomes director of the Perrin AFB Service Club.

"It's a bigger club, and most of all, I was raised in that part of Texas and will be with my family again," she said Thursday. She and her family plan to live on a farm.

Mrs. Hargett is a 1940 graduate of North Texas State College, where she majored in physical education. She formerly was district supervisor of WPA in Waco, supervising recreation in nine counties.

For three years she was recreation leader of a Veterans Administration hospital in Waco, later serving as recreation director of a mill in McKinney. She also served as recreation director of the Lubbock Methodist Hospital.

Her husband, W. A. Hargett, served 17 years in the Air Force and has a medical discharge.

CAPTAINS ASSIGNED

Captain Francis R. Patina, recently returned from 30 months duty in Spain, has begun new duty as instructor pilot at Reese.

From The COMMANDER'S DESK

By Col. L. C. Hess, Base Commander

The uniform we wear identifies us as members of the United States Air Force. Each officer and airman has to insure that his conduct in no way brings disgrace or discredit on the uniform he wears. He also has a responsibility to insure that his uniform is neat, correct in design and specification and in good condition at all times.

Individual officers and noncommissioned officers must set the example by wearing and keeping their personal uniforms in a neat and servicable condition. They also have a duty to make on the spot corrections of any violations of uniform regulations on the part of their juniors.

I expect all officers and noncommissioned officers to exercise this duty and notify the respective commanders of uniform violators.

General Urges Everyone Vote

General Thomas D. White, Air Force Chief of Staff, received the degree of Doctor of Laws from Fairfield University, Conn., this month and made an address.

He pointed out that democratic processes place obligations on American citizens to perform informed voting. He said the right to vote in free elections is a valuable privilege, frequently never offered in many countries.

"Even in the presidential election years, statistics show an average of 57 per cent over the past 20 years," General White said.

He added the record was the worst of any western democracies.

D-Day Not Forgotten

June 6, 1944, is a date secure in history — at least for all men and nations who prefer not to forget the stunning military steamroller that free men put into effect that day.

In preparation for the great assault on Fortress Europe the U. S. British, and Canadian planners had amassed more than 2 million troops and 16 million tons of weapons, munitions, and equipment. There were 4,000 ships to speed them across the channel; there were 11,000 planes to fight their battle in the sky.

Looking back, we remember how the whole free world riveted its fascinated eyes on the epic invasion of Normandy. If Hitler had pushed the Allies back into the sea on "The Longest Day," the course of the war would certainly have been prolonged — also altered, who knows how.

It is history in more ways than one — such a giant amphibious assault has passed into history because in any future great war nuclear weapons will make such a vast concentration of troops and equipment militarily disastrous. No camouflage, no secrecy, could prevent its being blasted off the map.

Still, that D-Day carries a lesson no one anywhere can discredit. It is the enormous effort, the incredible might that can be poured into a shattering blow by free nations determined to rid the world of disturbers of the peace. World War II had many frictions and dissensions among the Allies, but for the main job of winning it they kept their eyes and gunsights on the common purpose.

"Each individual American is responsible for doing his part to enable this nation to remain great. He must see to it that there is no moral laxity in his own make-up. He must not be indifferent to signs of moral decay, but he must work to raise the standards of public and private morality at every opportunity. We cannot tolerate as a nation slackness, softness, irresponsibility, or lack of discipline. If we do, these qualities will permeate our national character, weaken us, and eventually lead to our downfall. A nation without ethical or moral standards cannot produce the kind of men needed by our armed forces."

Maj. Gen. A. P. Clark, Director of Military Personnel

Sergeants Rewarded For Suggestions

Two NCOs have received awards for management improvement suggestions. TSgt. Charles S. Gray, OJT supervisor of the 3502nd Flight Line Maintenance Squadron, has been given \$25 for his suggestion on improving a filing system for a squadron in Sidi Sliame, Morocco. The suggestion was estimated to save the squadron \$500 a year.

A three-day pass and letter of recognition went to TSgt. Walter W. Coln of the '05th for a proposal to re-locate the "Follow Me" sign.

"I understand your suggestion

improves the effectiveness of the "Follow Me" vehicle and provides a more useful load carrying area," Col. L. C. Hess, Base Commander, said in his letter.

"Your participation in the Suggestion Program indicates to me that you are using your initiative and showing interest in your job and in the Air Force. It is my policy that approved suggestions be mentioned in Airman Performance Reports and in addition a three-day pass is authorized in recognition of your interest in improving operations."

REWARDED—TSgt. Charles S. Gray, center, receives a check for \$15 for a management improvement suggestion offered overseas. Major Joseph Burdick, right, commander of the 3502nd Flight Line Squadron, makes the presentation as CMSgt. William C. Linder looks on. (Photo by Moore)

Old Welsh Hymn Outlines Modern Mission For Man

By Chaplain Jerry L. Rice
There is an old Welsh Hymn written in 1840 which is very modern in theme and message.

It goes like this.
"We are living, we are dwelling, In a grand and awful time; In an age on ages telling: To be living is sublime. Hark! the waking up of nations, Hosts advancing to the fray; Hark! what soundeth is creation's groaning for the latter day.

"Will ye play, then? will ye dally far behind the battle line? Up! it is Jehovah's rally; God's own arm hath need of thine. Worlds are charging, heaven beholding; Thou hast but an hour to fight; Now, the blazoned cross unfolding, on, right onward for the right!

"Sworn to yield, to waver, never; consecrated, born again; Sworn to be Christ's soldiers ever, O for Christ at least be men! O let all the soul within you for the truth's sake go abroad! Strike! let every nerve and sinew tell on ages, tell for God."

There are any number of items in this hymn that affect us as modern-day believers.

First is the fact that we are living in a grand and awful time. Any of us would be willing to admit that we would rather live with automation than the strong-arm method of yester-year. And yet, we are constantly beleaguered with total annihilation of war. Truly we are living in a grand and awful time.

It recognizes that nations will lift up arms against nations and tells us that it is too bad that we cannot return to God's intended plan for man to be good.

The hymn recognizes that God's army will rise up and win the battle. We have but an hour to fight. (How true this is in push-button warfare.)

It tells us that we have sworn to be Christ's soldiers. That perhaps in other walks of life we have acted like animals or puppets, tearing at each other and dancing at the end of our earthly strings. "At least for Christ be men." Stand up on your own two feet and speak out for God. O let all the soul within you for the truth's sake go abroad! Strike, let every nerve and sinew tell on ages, tell for God.

If we have the same spirit and insight as this hymnist, our world would be a better place in which to live; and there would be no danger of war.

But, it takes more than spirit and insight, it takes action. Each of us who has been created by God have the obligation to see that the world is a better place to live in because we have made it that way. Can you say this is true about your life?

Aerospace Events

JUNE 18 - 1909, Special Congressional Medal was presented to Orville and Wilbur Wright.

JUNE 18 - 1928, Amelia Earhart, first woman to cross the Atlantic by air, arrived in England in an airplane piloted by Wilmer Stultz.

JUNE 19 - 1923, First flight of the first all-metal plane, Gallaudet CO 1, Liberty 400, was designed by the Air Corps engineering division.

JUNE 19 - 1941, The Army Air Corps was established, with Maj. Gen. H. H. Arnold as Chief of the Army Air Corps.

JUNE 21 - 1930, Randolph Field, San Antonio, was dedicated.

JUNE 23 - 1938, President Roosevelt signed the Civil Air Authority Act.

JUNE 23 - 1942, The first flights under BOLERO (build-up of the U. S. Air Forces in Europe) left Presque Isle, Me., for England.

JUNE 24 - 1943, Lt. Col. William R. Lovelace made a record parachute jump of 40,200 feet, near Ephrata, Wash.

GUARD ADDED

The female life-saving organization increased to three this week as Susan Hess joined Gail Corbin and Cozette Sprague at swimming pools. Mrs. Corbin is working at the Airman's pool, the others at the Officers' pool. This is the first year women have served as life-guards at Reese pools.

An in-commission rate of 73 per cent was maintained for T-33 aircraft at Reese during the first five months of 1960.

ENTRY BLANK **ATC**

MOTTO CONTEST

My Motto Is _____

10 WORDS OR LESS

RANK **NAME**

ORGANIZATION **DATE**

MOTTO CONTEST

New ATC Motto Contest rules make many more members of the ATC family eligible to compete for the \$500 U. S. Savings Bond first prize.

A recommendation from the ATC Public Relations Advisory Board opens the way to modest wealth and fame to dependents of all military personnel and civilian employees assigned to ATC within the contest period.

With thousands more potential entrants, contest officials predict vigorous activity at all bases in support of the new motto contest.

Other changes in the contest rules do away with the tie-breaking 25-word explanation and preliminary base judging. The contest runs from June 15 to deadline at 4 p.m., July 15. All entries must be in the base information office by that time.

Contest officials emphasized that all entries must be submitted on the clipped coupon found above or a reasonable facsimile. Entries will be judged on the basis of aptness, originality, neatness and compliance with contest rules.

The official ATC Contest rules are:

WHO CAN ENTER: All military personnel and Department of the Air Force civilian employees of the Air Training Command, and their dependents. Personnel entering the contest must be assigned to the Air Training Command within the contest period. Personnel from other Air Commands on TDY to ATC are not eligible.

CHOOSING MOTTO: Foreign language words or phrases will not be accepted. The motto should express a complete thought or group of thoughts in 10 words or less. Groups of isolated nouns will not be accepted; i. e., INTEGRITY - VALOR - DEDICATION. The motto will not duplicate those generally reserved to other Air Commands or service arms through usage and custom. Known slogans and heraldic phrases will not be acceptable.

HOW TO ENTER: Entries will be submitted to the base Office of Information. The clipped coupon from the Base Newspaper or a reasonable facsimile must be submitted with each entry. Entry must include the suggested motto and entrant's complete name, rank and organization. Individuals may submit as many mottos as desired, but each entry requires a separate coupon or facsimile. Your entry must be your original work, submitted in your own name. All entries become the property of ATC and none can be returned.

JUDGING: Selection of the winning entry will be made by a board of senior officers at Hq. ATC under the chairmanship of the commander, vice commander, or chief of staff, ATC. Entries will be judged on aptness, originality, neatness and compliance with the rules of this contest. Judges will determine method used to break a tie, if necessary. Decision of the judges is final.

PRIZE: The winner will be awarded a \$500.00 U. S. Savings Bond.

CONDITIONS OF ENTRY: Submission of entry by any individual constitutes agreement to participate in publicity pertaining to the announcement of the winner's name and the winning motto.

CONTEST CLOSES 4 P.M., JULY 15: Entries must be received by the base Office of Information by that time. Entries arriving at the base Office of Information after 4 p.m. will not be considered.

New Pamphlets Offer Assistance

Pamphlets of assistance to Reese people have been received on the base for those who need them.

One deals with life in Great Britain and another with Japan. A third is entitled "A Look at the United Nations." Rights, benefits, and privileges of former servicemen in civilian life are discussed in "Going Back to Civilian Life." Discussion of "Your Personal Affairs" is made in the pamphlet in the Personal Affairs office.

A fact sheet designed to provide

general information on most Federal benefits for veterans, their dependents, and beneficiaries is on order.

Woman's Chatter

By Mrs. Patrick F. Durning

The month of June continues to be busy with social activities.

Wives of members of the Flying Safety Office hosted the first of a monthly series of get-togethers by wives of Headquarters Squadron, 3500th PTW. The brunch was held at 10:30 a.m. June 9 in the Officers' Club with Mrs. L. C. Hess as guest. Hostesses were Mmes. Frederick Shriner, John C. Willhite, and Amos Fox. The squadron's wives will meet regularly on the second Thursday of each month.

Mrs. Daniel Johnson entertained her parents and sister at a coffee Wednesday in her home. Mr. and Mrs. R. C. Danklefsen and Miss Glennis Page, Snohomish, Wash., are visiting the Johnsons. Captain and Mrs. Glenn C. Rosenquist also are entertaining his parents, Mr. and Mrs. C. E. Rosenquist, Lincoln, Neb.

Many Reeseites are taking vacations and are leaving the base.

Captain and Mrs. Joseph Mecseji and family are visiting relatives in Omaha, Neb. The Mecsejis arrived after touring in Colorado,

including Denver and Colorado Springs, where they visited the Air Force Academy.

First Lts. and Mmes. Donald Patch and Gerald Hannah are spending 10 days fishing in the Colorado mountains.

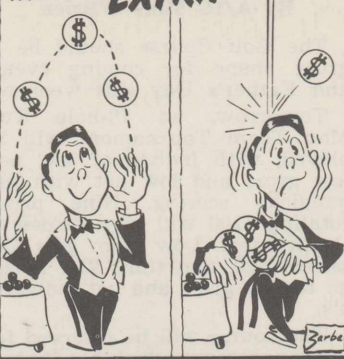

Major and Mrs. Alex Goodkin and daughters are on a 30-day trip in Canada.

Mrs. Howard Bunch and sons left recently to join her husband who is on TDY at Maxwell AFB, Ala. They plan to visit New York before returning to Reese in August.

Last week, Mrs. Calvin Baird and family left for the Philippine Islands where they will join 1st Lt. Baird. The family will remain in the islands for a three-year tour.

The M&S Group wives will sponsor the OWC Monthly brunch July 7 at the Officers' Club pool. Brunches have replaced luncheons for the summer months. Theme for the July brunch will be "Shipwrecked Pirates" and all members are invited to attend, either in shorts or bathing suits. The event will start at 10:30 a.m.

PAYROLL SAVINGS MEANS EXTRADOLLARS

OPPORTUNITY FOR ALL AMERICANS U.S. SAVINGS BONDS

OFFICERS REASSIGNED

Three Reese officers this week were alerted for reassignment.

Major Roland E. Lane, assistant wing operations officer, and Capt. Anthony Gekakis, flight commander, will go to SAC duty in November. First Lt. Robert D. Rosenbalm of the wing instrument school is going to USAFE in October.

LADIES — New cutting tables and new sewing machines in the Mathis Service Club hobby room are available to anyone. New curtains and summer sun clothes are being made frequently.

The Roundup

The Air Force has announced that 392 promotions to temporary colonel and 1,543 promotions to temporary lieutenant colonel will be made as a result of recent board action. The totals include non-line and line officers.

Officers in certain grades who are in the primary zone and fail of selection for the first time under the temporary promotion program will be placed on a control roster. This will make them ineligible for permanent change of station reassignments except in limited instances.

A ride up Pennsylvania Avenue in the presidential inaugural parade Jan. 20, 1961, is one of the "plus" awards going to the top five winners of this year's Freedoms Foundation Letter Writing Program. As in the past, cash awards also go to winners.

Bowling Results

Intramural League

Highlighting the Intramural Bowling League last week, SSgt. James H. Reames, of Transportation, rolled 222 for high individual game and racked 586 pins for the series.

The M&S team hit high game with its 860 while Transportation rolled 2,399 for the week's team series.

Golf Notes

By A/IC Mike O'Brien

The Golf Course should be in great shape for coming events and Father's Day this weekend.

Tomorrow, an 18-hole Two Man Team Tournament will be played, with individual low net, low gross and low net with full handicap scoring. Nine prizes totaling \$100 will be awarded to the winners. Low team gets \$30, second \$20, and third \$10. Prizes go to low gross and net individuals.

The course will be reserved for the tournament which has its tee-off at 9 to 11 a.m. tomorrow. Persons interested in entering play, call the Golf Course at Ext. 412. There is no entry fee.

The OWC had a weekly tourney last Sunday. The Mixed Partners low gross winners were Col. L. C. Hess and Dottie McCall — low net winners were Maj. Richard Conn and Flo McGuire. Their next event, June 19, will be a Scotch Foursome and a Cookout.

Intramural League

Undefeated 3502nd and ABG led the Reese Intramural Softball League this week, the '02nd with six wins and no losses, ABG with five and none.

The schedule indicates the games ahead might be "tougher," and trailing nines held high hopes of displacing the leaders.

Hospital had a 5-1 record starting the week, while M&S had 4-1 and Installations 3-2. Just below were PTG, 2-2, and PTW, 3-3.

Church League

The Reese Chapel softball team takes on a new opponent at 9 p.m. tonight in the Lubbock Church League. Games are played in Mackenzie Park, Lubbock.

The Reese team is composed mainly of M&S players, with help from Glen Whitsett, Don Mailhot, and Roger Easter. Prior to this week the nine had a 3-3 record.

Leave Period Hits League

Standings in the Reese Little League after Tuesday night's game between the Dodgers and Braves saw the Braves with 5 wins and 2 losses and the Dodgers with a 4-4 record. The Red Sox stood 2-5.

The teams are short of players due to the leave season, but the situation offers the smaller players more opportunity to play and learn the game. Lt. Col. James W. Weaver, league president, said. Outstanding players so far have been few and fairly good balance between teams has appeared.

The Sox, despite experience depth, are not hitting and their pitching has been hot and cold. Bob Johnson, who started strong, has been having trouble finding the plate with his pitches and support has been spotty.

Steve Yother is the Braves' big gun in hustle and hitting, and Ronnie McCall of the Dodgers is drawing praise from players for his hustle and desire.

The league will continue while construction on the diamond is in progress. The practice field will be used as the playing area two or three weeks when the new Little League park is under construction.
