**WACKY WEDNESDAY** kids clown around for the camera (top) and a little girl bows her head in prayer during Wacky Wednesday's worship time. Wacky Wednesday, at Floydada's First United Methodist Church, is now ministering to over 80 children every Wednesday. The fun day is open to kindergarten through 5th grade and includes games, singing, story time, and eating. Last week the kids were treated to roller skating and next week's Wacky Wednesday will be a pool party. See related story on page 2. Courtesy Photo

## PAC serving districts from around the State

**By Alice Gilroy**  
The Parent Adolescent Center in Floydada served 81 students from 48 districts around Texas during the 2007-2008 school year.

Districts besides Floydada and Lockney included: Albany, Andrews, Big Spring, Borger, Brownfield, Bovina, Granbury, Hale Center, Hale County, Idalou, Littlefield, Pampa, Midland, Pampa, Muleshoe, Snyder, Valley, and Vernon.

FISD is responsible for supplying teachers for PAC, budgets, and meeting state education requirements.

During the June 10th board meeting FISD Trustees reviewed projected expenditures and revenue for PAC.

The total budgeted for PAC was \$182,211.76. This included salaries, insurance, retirement, etc., for staff: Lee Hurt, Anne Jones, Shelly Miller, Chuck Bischoff, Chris Brattain, Corina Suarez, and Debbie Bertrand. State and federal revenue for PAC in 2007-2008 was \$185,758.00.

"Seventy four percent of the kids that go through PAC are not from the 110th (Floyd County's Judicial District)," FISD Superintendent Jerry Vaughn told Trustees.

Of the 81 students served at PAC, 16 were from Floydada.

"All these students (except for Floydada because they are already counted) can be added into our ADA (Average Daily Attendance) count," said Vaughn. "We get paid for those extra students."

When asked by Trustee Bart Greer if "this was a good thing?", Vaughn said, "It's a wash."

"It is better now that the State has granted FISD 'alternative accountability,'" said Vaughn.

According to Vaughn it no longer counts against FISD if a student from another district does not graduate while in PAC.

"Whether or not they graduate now goes back to the school district they are from," said Vaughn.

Vaughn said he had applied for the alternative accountability and as long as the district continues to get that the district won't be penalized.

"(Accountability) didn't hurt us last year and it won't hurt us this year," said Vaughn.

"We have also seen a marked improvement on re-enrollment into school of the students from PAC," said Vaughn.

in '04-'05. It has stayed consistent and now has a score of 95.

Eighth grade has shown dramatic improvement in reading and math. Reading scores in

2002-03 were 74 and are now 97. Math was 45 and is now 83. Social Studies has gone from 72 in 2002-03 to 73 this year. However last year's Social Studies score was 89. Eighth grade Science testing began in 2005-06 with a score of 76. It dropped to 60 in 2006-07 and to 49 this year.

Ninth grade scores in reading have climbed since 2002-03 from 66 to 90. Math has also climbed from 52 up to 86 in 2005-06 and back down to 78 in 2007-08.

Tenth grade scores were excellent. In English/language arts the 2002-03 score was 66 and has climbed to 94.

Math scores for 10th grade went from 38 to 82. Science scores went from 38 to 65. Social Studies went from 70 to 93.

Exit level testing showed a jump in the 2002-03 English/language arts score of 66 to the 2003-04 score of 89, then 88, 84, 91, and this year's score of 90.

Improvement was seen in the exit level math score of 67 in 2002-03, to 76, 75, 79, 93, and this year's 92.

Exit level Science went from 68, to 79, 54, 61, 86, and then 79.

Exit level Social Studies have fallen from the score of 99 in 2002-2003 to 93 in 2007-08, consistent with the region's average of 94.

Bierman told the board that the multi-year TAKS history for 2003-2007 shows an overall 36% increase change in "all students, all tests taken" compared to the State change of 23% in the same time period.

The double digit increase in

## TAKS scores up for FISD students

**By Alice Gilroy**

Preliminary TAKS results are out and FISD continues to show improvement in many subject areas, adding to their tremendous success over the past 5 years.

TAKS results are up in FISD and in most cases they have exceeded State averages.

FISD's new Director of Curriculum, Instruction, and Assessment, Christine Bierman, presented the TAKS results for trustees during their regular meeting, Tuesday, June 10.

A six year review of results started in 2002-03 with TAKS results showing passing scores from the low of 38 in 10th grade Math to a high of 84 in 4th grade writing.

In 2003-04 scores showed a marked improvement from highs of 99 in 7th grade writing to the lowest score of 52 in 9th grade Math.

In 2004-05, 05-06, and 06-07 most scores had dropped again, but from 2004-2007, scores continued to show a steady and solid

increase in all areas. Several of the 2007-08 scores are once again at the high end of the charts.

Third grade reading had a score of 92--up from 66 in 2002-03. Math was down to 67 from last year's 70 but up from 05-06 score of 50.

Fourth grade reading, math, and writing were also up to 77, 85, and 89 from 54, 70, 84, respectively.

Fifth grade reading went from 57 in '02-'03 to 83 in '07-'08.

Sixth grade reading went from 69 to 91. 6th grade Math rose from 60 in 2002-03 to 70 in 2007-08, but fell from the previous year's score of 86.

Seventh grade reading was 77 in 2002-03 and is now holding steady at 82. Math went from 45 to 87. Writing went from 76 in 2002-03, 99 in '03-'04; and 95

## FISD votes to pay stipends for three assistant principals

**By Alice Gilroy**

During their regular board meeting, Tuesday, June 10, FISD Trustees voted 4-3 to have an assistant principal on each campus.

Trustees discussed, at length, whether or not to have assistant principals but in the end the vote came down to Bill Dean, Rachael Castillo, Lyle Miller, and Amado Morales voting in favor of Assistant Principals. Voting against were: Kerry Pratt, Bart Greer, and Marty Lucke.

FISD Superintendent Jerry Vaughn said the best case scenario would be to have an assistant at each campus.

"Since I've been here we did not have assistants at the two elementary campuses," said Vaughn.

Vaughn suggested to the Board that a consideration could be made to pay a stipend for the added duties of assistant principal, or set a salary for an assistant.

Vaughn told the Board that the district would be short one principal's salary of \$60,000 with

the closing of Andrews Elementary.

Trustee Marty Lucke asked if there were any qualified teachers in FISD.

"Not yet," said Vaughn. "One is in the process of getting certified. Robin Nixon and Zach Logan are the closest we have."

Trustees went back and forth on how many, if any, assistants to hire.

At one point Trustee Amado Morales said, "I would rather see whoever gets the job continue to do what they're doing and give stipends for the extra work. I would recommend an extra \$10,000 on top of what they are getting."

Trustee Bill Dean said, "We are basically just adding one principal since we went down one position. We will be going back to the same structure as before."

"But when we sold the bond," said Trustee Kerry Pratt, "one of the things we said was we would be saving with the loss of one principal."

"The principal's salary was

\$60,000," said Vaughn, "this would be approximately \$30,000."

Discussion was also held on the amount of time the district would want the assistant to spend in the classroom.

Some of the trustees were concerned that a teacher taking on the responsibility of an assistant would then have to quit teaching classes. Then the district would be faced with the expense of paying for another teacher.

Morales and Dean both made comments that they felt the administration could be trusted to be as efficient as they could be in assigning duties to staff to fill in the voids.

After several motions and amended motions the board ultimately voted on having an assistant principal at each campus with dual service contracts. Voting for the motion were Bill Dean, Rachael Castillo, Lyle Miller and Amado Morales. Voting against were Kerry Pratt, Bart Greer, and Marty Lucke.

## City Wide Garage Sale Cancelled

The Floydada Chamber of Commerce Annual City Wide Garage Sale was supposed to be on Saturday, June 21. Due to lack of Garage Sale listings the event has been canceled.

## Construction upgrades and changes reviewed by trustees

**By Alice Gilroy**

FISD Trustees met for their regular board meeting, June 10, and spent a great deal of time reviewing upgrade proposals on Duncan Elementary's construction from Grimes and Associates.

Bert Moffitt, architect for Grimes and Associates presented proposals for upgrades to tile in the classroom toilets, medallions at corridor intersections, and mud bed for quarry tile in the kitchen.

The mud bed was an unforeseen, but necessary, expense for the school.

According to Moffitt, the original drawing said the new quarry tile was to be installed over the existing concrete slab.

When the old tile was removed, it was discovered that a thin/unreinforced concrete topping slab had been used when the school was originally built. By not having any reinforcing in it, the old topping slab broke into

little pieces. The school will have to furnish and install a new mud bed for the quarry tile. The total cost will be \$10,424.04.

Moffitt provided a cost to upgrade the floors in the old bathrooms.

Originally the district had planned on not replacing the ceramic tile in the old toilet areas. To revise the floor finish to vinyl tile in each bathroom would add an expense of \$2,061.70.

Another upgrade provided for colored medallions in the floor tile in the corridors. Each additional color would be \$130. The three additional colors would cost the school \$498.20.

The medallions were considered good "gathering" points for students.

Trustee Marty Lucke made the motion to accept the upgrades and changes and Bill Dean made the second. In favor were Kerry Pratt, Rachael Castillo, Lucke,

Dean, Amado Morales, and Lyle Miller. Bart Greer was opposed.

During upgrade discussions trustees were told that the contingency fee for construction costs now stood at \$317,762.29. The original set aside contingency fee had been \$250,000. This grew to \$472,130.48 after refunds were given and lower bids came in.

The board asked for a detailed report on contingency money spent and details for any future costs for upgrades.

Trustees also entered into discussion concerning putting fiber optic connections to the campuses. The connections will be necessary in the future for PEIMS programs.

Vaughn told the board that up until the day of their meeting he was going to bring a proposal from Advanced Wiring LLC, of

## Junior Brotherton honored by Lockney Council

**By Judy Macha**  
Lockney City Council presented former Councilman Jr. Brotherton with a plaque of appreciation for the ten years he served on the Council at their regular meeting Thursday, June 12.

The Council unanimously passed the resolution to appoint Abel Luna, Jr. as Code Enforcement Officer for the City.

The vote was unanimous to grant a variance to Raymond Silva for a carport at 206 NE 5th, after reviewing the requested information submitted by Mr. Silva.

The Council considered municipal court compensation for a

Court Clerk, but tabled this agenda item pending further study.

After discussion, the Council tabled accepting Jessie R. Arjona's bid on the Sechrist house in order to allow the other bidders the same opportunity to submit their intention for the property and a work plan.

Mayor Stapp offered, "I want the City to be able to attach binding conditions to the conveyance of the property to whomever ends up with it. We've been burned too many times before. We are not bound to accept anyone's bid if we have reasonable objections to it. Perhaps we can get all three bidders together in a meeting."

City Attorney Lanny Voss in-

jected, "The City does retain the right of inspection for any property offered in this manner as its intention was to tear it down to get rid of an eye sore and health hazard."

The Council considered passing an ordinance banning bicycling and skateboarding on the new Main Street sidewalks. "I understand the temptation to the kids, but I have received complaints in regard to this," said Mayor Stapp.

Voss added, "The City has a legitimate public interest once something becomes a nuisance." This item was tabled pending the drafting of a proposed ordinance.

## FISD looks at fiber optic connections

Amarillo, for \$56,411.

With Advanced Wiring the district would have to pay 100% for the lines.

However, the district had been made aware a lease option with Sudden Link where FISD would pay the installation of the lines and then lease the usage. The school could be reimbursed 85% of the lease cost through E Rate funding.

Vaughn said there was still questions about the leasing options, but he asked the board to give him the leeway to make the best decision between Advanced Wiring or Sudden Link.

Morales made the motion to approve \$56,411 to Advance Wiring if Sudden Link did not work out. Dean made the second. Voting in favor were Morales, Dean, Lucke, and Miller.

Voting against were Pratt, Greer, and Castillo.

In other matters Vaughn recommended continuing the DAEP

Contract Services with Plainview. "It will still cost us \$16.00 per day," said Vaughn. "We can't come close to that cost." The board voted unanimously to continue with this contract.

Marty Lucke made the motion to approve stipends as recommended by Vaughn. Dean made the second. Most of the stipends, according to Vaughn, remained the same. Also voting in favor were: Morales, and Greer. Voting against were: Pratt, Castillo, and Miller.

Morales made the motion to approve the salary schedule for paraprofessionals and support staff for 2008-09 with 3% raise in the multiplier as recommended. Lucke made the second. Also in favor were: Dean and Castillo. Against were Pratt, Greer, and Miller.

All trustees voted to confirm the resignations of Robin Sanders, 1st grade; and Joe Jones, A.G. Castillo made the motion to

approve employment of Paige Kelso, at Duncan; Amanda Place, 7th grade reading; Michael Aleman, coach; Angie Aleman, Duncan; Kari Calcote, special ed; and Vance Lemons, A.G.

Voting in favor were: Pratt, Castillo, Lucke, Dean, Morales and Greer. Voting against was Lyle Miller.

Sharon Rainwater gave the following tax report: M&O current tax roll is \$1,656,458.50; net collections are \$1580,331.06; I & S current tax roll is \$184,051.04; net collections are \$175,592.32; percent of roll collected is 95.40% compared to 94.81 one year ago.

FISD has a checking account fund of \$3,627,016.12 and a CD of \$3,387,000.00. In the Capital Project Fund there is a 365 CD for \$2,750,000 and a 120 day CD for \$750,000.

The meeting adjourned at 12:55 a.m. to enter into executive session to discuss superintendent evaluation. The open meeting resumed at 12:56 a.m. and adjourned at 12:57 a.m.

## Kids enjoy Wacky Wednesday

**By: Tracy Campbell, Les Hall and Sue Hall**

Wacky Wednesday began with a love for children and a desire to tell them about Jesus. It has grown to be that and so much more. Each Wednesday during the school year and once a month during the summer, nearly a hundred children descend upon the Methodist church in Floydada. We pick the Kindergarten through 5th graders up from the school and take them back to the church for an hour and a half of snacks, games, music, scripture learning and bible story adventures.

The first thing on the agenda is a snack. After snacks, the kids are able to visit with each other and go outside and run off some of their excess energy. During this time, they have the opportunity to tell their leader the scripture memory verse for the week. If they have the verse memo-

rized, they receive a prize at the end of the day. The Wacky program also includes: games, singing and story time. The songs and stories work together to teach the kids about the Bible. Some of the units we have done are: The Ten Commandments; The Fruit of the Spirit, the Armor of God and The Lord's Prayer. This fall we will be studying the 13 Amazing "You-Are-There" Bible Experiences.

The backbone of any good program is its volunteers and Wacky is no exception. Each grade level, pre-school through 5th, has at least one adult leader and one teenage helper. Some of the larger groups have 2 adults. The leader guides the group through the program and knows each child by name. They form a tight bond with their group.

During the summer months we meet once a month and do different activities with any child

who would like to come. We went skating last week at Plainview and on July 9th we will be meeting at the city pool from 5:00 - 7:00 for swimming. We do a devotional with the kids and provide snacks and drinks.

Our goal is to reach out to the children in our community and show them the love that Christ has for them. We also strive to provide a safe place for them to come together and have fun with their friends. We love these kids and feel like we are making a difference in their lives. We hope that they take what they learn at Wacky and go back to their homes and share with their families and friends what Jesus can do to make their lives better and more abundant. For more information about Wacky Wednesday or any of the programs at the Methodist Church, please call the church office at 983-3706.

By Vera Jo Bybee

I hope all you fathers out there had a wonderful "Father's Day".

This was the first "Father's Day" without Donnie that my children and I have had. It has been six months now since he passed away. People tell us that time helps and I suppose it will. They also say, "keep busy" so I am trying that too.

Nancy and Don Marble spent Father's Day in Midland with their daughter Donette. Nancy said the weather was hot down there too.

Father's Day guest with Mel and Marjorie Holcomb were daughters Charlotte Rhoderick, Charla Rhoderick, Kimmie Pegg, Kendra Rhoderick and son Cynch. Also Steve Stoltenberg all of Canyon. They also received several phone calls from their other children who couldn't be here.

I had lunch last Wednesday in Plainview at the Cotton Patch with a group of Lockney High School exes. A lot of talking, laughing and eating went on with Betty Joan Handley Black, Hale Center, Billie Rene Carthel Howard, Plainview, Wanda Dorman Harston, Plainview, Peggy Dean Carthel Turner, Floydada, Mary Evelyn Manning Quattlebaum, Floydada, Joy Keeter Assiter, Floydada, Barbara Mullins Cunyus, Lockney and me, Vera Jo Rogers Bybee, Lockney.

Mamie Woods annual garden breakfast was held at the Floydada Country Club Wednesday morning. Guest were there from several states.

Saturday afternoon Becky and Steve and I went to Canyon and picked up J.W. and then went on to Amarillo to attend the outdoor wedding of Adam and Ashley Cummings. It was so pretty. Lots of Lockney people were there too. I also got to visit with Adam's uncle Kim. That was special getting to talk to Kim cause there is just a few months difference in Kim and my daughter Dara's age.

Adam's grandmother Gleyenn Earle celebrated her birthday last week with all her local children and grandchildren there.

She said this was one of the happiest birthday parties she has had with the grandchildren and greatgrands present.

Our thoughts and prayers are with Margie Cypert and her family. Margie is recuperating in Lubbock Covenant Hospital after having colon surgery there Thursday. Margie and husband Homer are my neighbors across the street north. Their son James, of Abilene, is here staying with his Dad.

Our sympathy is with Robert Holland on the passing of his wife, Mary last week in Stephenville. Robert is the brother of Nancy Marble of South Plains. Robert was a 1962 Lockney High School graduate. His address is 713 Prairie Wood, Stephenville, Texas, 76404.

Word was received today at noon (Monday) that Hazel Young of Plainview passed away this morning. She is the sister of Geneva Barclay and Gene Brotherton of Lockney and Sonny Sutton of Plainview. Her services are pending at this time. Our thoughts and prayers are with the family of Hazel.

60TH WEDDING ANNIVERSARY---Harold Wayne and Geneva Faye Bennett of Floydada, Texas celebrated their 60th Wedding Anniversary during a surprise reception given in their honor at "The Covey".

## Bennetts celebrate 60th Wedding Anniversary

By Rhonda Stovall

Harold Wayne and Geneva Faye Bennett of Floydada celebrated their 60th Wedding Anniversary with a surprise reception given by their children.

They were surprised by many friends and family on Saturday, June 14, 2008 at a reception given in their honor at "The Covey". Family and friends enjoyed an afternoon of refreshments, stories and memories of 60 wonderful

years.

Harold Wayne and Geneva Faye (Richardson) Bennett were married June 12, 1948 in Lubbock, Texas. The couple made Floydada their home where Harold Wayne helped his father, Wayne, with "Bennett Building Materials" as a cement contractor.

After semi-retirement from the concrete business he went to

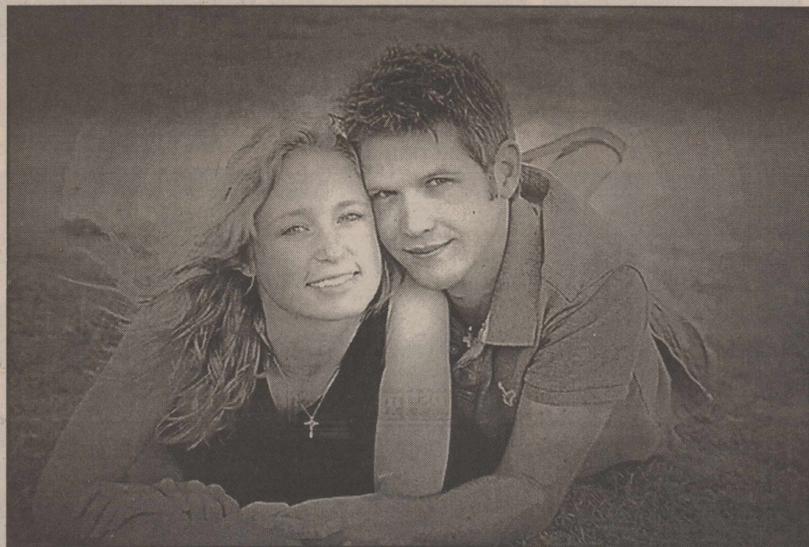

work for the United Postal Service as a rural letter carrier. He retired from the Post Office and continues to be active in the cement business with his son, Gary at the present time. Geneva was a homemaker for many years and then began work as a salesclerk. She worked for Beall's, Hagood's, and Brown's Department Stores in Floydada and Lockney before retiring.

Both Harold Wayne and Geneva remain active in their children and their grandchildren's activities. If there is a ballgame or school function you won't have to look far to find these two front row and center.

Children include Valdonna and husband Larry Barbee of Tyler; Gary and wife Pam Bennett; Ricky and wife Jill Bennett; Rhonda and husband Larry

Stovall, all of Floydada. They are the proud and blessed grandparents of 15 grandchildren and 15 great-grandchildren with more to come.

We sincerely thank everyone who attended the reception, sent cards, made phone calls or helped in any way to make this special day an even more wonderful day. Thank you for everything, Harold Wayne and Geneva Bennett, Valdonna, Gary, Ricky, Rhonda and families.

KELLEY LEMLEY AND TYLER BATTEY

## Lemley and Battey

Joe and Rose Lemley of Clarendon and Jerry and Abby Battey of Floydada are proud to announce the engagement of their children, Kelley Lemley and Tyler Battey, both of Canyon.

The bride-elect is the granddaughter of Glenn and Jeanne Brannan of Fritch, Midge Lemley of Hedley and the late Troy Lemley. Her great-grandmother is Rose Wells of Stratford.

The prospective groom's grandparents are Buddy and Barbara Hendricks and Jerry, Sr. and Pat Battey, all of Floydada. Great-grandparents are Alice Cornelius of Corpus Christi and Wayne and Naomi Battey of Paris, Texas.

The couple plan a July 26, 2008 wedding at the Amarillo Botanical Gardens in Amarillo.

## Floyd County Texas AgriLife Extension sponsoring Beef Cattle Summer Meetings

The Floyd County Texas AgriLife Extension Service is sponsoring a three (3) part Beef Cattle Summer Meeting series. This meeting series is for any interested producer and/or beef cattleman.

The meetings will be held throughout the summer months. Part I will be held on June 26 and will feature Beef Cattle "Herd Health". Part II is set for July 30

and will feature Beef Cattle "Feed and Nutrition" and the final Part III will highlight "Managing Native Pastures". On site tours will follow each meeting.

All meetings will be from 9 a.m. - 3 p.m. at the Floyd County Friends Unity Center (located 6 miles North on Hwy 70).

A noon meal will be provided at each meeting. CEU's will be offered for appropriate topics.

Meal sponsor businesses are: Davis Farm Supply, Floydada; Range Mineral, Tulia; Plains Federal Land Bank, Plainview and Hi Pro Feeds, Friona.

A RSVP one week prior to each meeting would be helpful but it is not mandatory.

For more information and for helpful RSVP please call the Floyd County Texas AgriLife Extension Service at (806) 983-4912.

## Ragland and Foster receive scholarships

COLLEGE STATION - Two youths from Floyd County were awarded major scholarships at the annual Texas 4-H Roundup, held this week at Texas A&M University.

Brady Ragland received a \$16,000 scholarship funded by the San Antonio Livestock Exposition, and Elizabeth Foster received a \$10,000 scholarship funded by the Richard Wallrath Educational Fund.

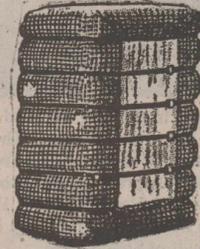

Roundup this year attracted some 2,900 4-H members, parents and volunteers for a series of statewide competitions, scholarship awards and fun.

The Texas 4-H Foundation presented a record \$2.2 million

in scholarships to 233 young people.

"This is our 49th year to present scholarships during Roundup," said Jim Reeves, executive director of the foundation. "The generosity of our donors has helped thousands of deserving young people go on to college." Texas 4-H, which also marks its 100th anniversary this year, began as Corn Club with a dozen boys in Jacks County. Today, Texas 4-H engages more than 640,000 young people in an array of pursuits aimed at learning leadership, citizenship and life skills, according to Dr. Martha Couch, Texas AgriLife Extension Service associate di-

rector for 4-H and youth development.

Since 1929 the United States Department of Agriculture has been prohibited from publishing forecasts of cotton prices except for its own internal use. That all changed with the passage of the Food, Conservation and Energy Act of 2008 last month, which removed the ban and allows USDA to resume the practice.

USDA's first Upland Cotton price forecast was included in this week's Economic Research Service's (ERS) World Supply and Demand Estimates report released June 10.

In the report USDA forecast the 2007/2008 Upland Cotton weighted average price received by farmers at 57 cents per pound, very much inline with the year-to-date weighted average price

received for 2007-crop Upland Cotton calculated using the monthly sales and marketing information reported by USDA in the monthly National Agricultural Statistics service (NASS) Agricultural Prices report.

The June 10 WASDE report also included a forecasted range for 2008/2009 crop cotton prices of 58-72 cents per pound with a

mid-point near the 65-cent level. According to the WASDE report the latest information available to USDA points to future reductions in both U.S. and world cotton stocks and a slight increase in overall cotton use that will be a net positive influence on 2008-crop cotton prices.

## PUBLIC NOTICE

THE STATE OF TEXAS  
 COUNTY OF FLOYD

In the name and by the authority of the State of Texas, notice is hereby given as follows: TO

Danny C. Jordan and Kandyce Jordan, if living, and if any or all of the above named defendants be dead, the unknown heirs of each or all of said above named persons who may be dead, and the unknown heirs of the unknown heirs of said above named persons, and the unknown owner or owners of the hereinafter described land, and the executors, administrators, guardians, legal representatives, legatees and devisees of the above named persons, and any and all other persons, including adverse claimants, the unknown stockholders of any defunct corporations, their successors, heirs and assigns, owning or having or claiming any legal or equitable interest in or lien upon the following described property, delinquent to Plaintiff herein, for taxes, all of said property being located in said County and State, to-wit: all of Lots 5, 6, and 7, Block 1, Southwestern Heights Addition, City of Lockney, Floyd County, Texas being that property more particularly described in Vol. 285, Page 504 of the Deed Records, Floyd County, Texas.

Which said property is delinquent to Plaintiff for taxes in the following amount: \$ 3,110.31, exclusive of interest, penalties and costs, and there is included in this suit in addition to the taxes, all said interest, penalties and costs therein allowed by law up to and including the day of judgment herein.

You are hereby notified that suit has been brought by Floyd County Appraisal District, Plaintiff, against the above named persons, as Defendants, by petition filed on January 17, 2008, in a certain suit styled the Floyd County Appraisal District et al vs. Danny C. Jordan et al, for collection of the taxes on said property and that said suit is now pending in the District County of Floyd County, Texas, 110th Judicial District, and the file number of said suit is 5552TS, that the names of all taxing units which assess and collect taxes on the property hereinabove described, not made parties to this suit are NONE.

Plaintiff and all other taxing units who may set up their tax claims herein seek recovery of delinquent ad valorem taxes on the property hereinabove described, and in addition to the taxes all interest, penalties, and costs allowed by law thereon up to and including the day of judgment herein, and the establishment and foreclosure of liens, if any, securing the payment of same, as provided by law.

All parties to this suit, including Plaintiff, Defendants, and Intervenor, shall take notice that claims not only for any taxes which are delinquent on said property at the time this suit was filed but all taxes becoming delinquent thereon at any time thereafter up to the day of judgment, including all interest, penalties and costs allowed by law thereon, may, upon request therefor, be recovered herein without further citation or notice to any parties herein, and all said parties shall take notice of and plead and answer to all claims and pleadings now on file and which may hereafter be filed in said cause by all other parties herein, and all of those taxing units above named who may intervene herein and set up their respective tax claims against said property.

You are hereby commanded to appear and defend such suit on the first Monday after the expiration of forty-two (42) days from and after the date of issuance of this citation as set out below, said appearance and answer date being the 4th day of August, A.D., 2008, (which is the return day of such citation), before the honorable District Court of Floyd County, Texas, to be held at the courthouse thereof, then to show cause why judgment shall not be rendered for such taxes, penalties, interest and costs, and condemning said property and ordering foreclosure of the constitutional and statutory tax liens thereon for taxes due the Plaintiff and the taxing units parties hereto, and those who may intervene herein, together with all interest, penalties and costs allowed by law up to and including the day of judgment herein, and all costs of this suit.

This citation is issued and given under my hand and seal of said Court in the City of Floydada, Floyd County, Texas, this the 11th day of June, A.D., 2008.
