Bobcats play first conference game Friday night

Friday night the Newcastle Bobcats under the direction of Coach Hibbitt, take on the tough Woodson Cowboys in their first conference game of the season.

The Bobcats will be playing a bunch of youngsters, who will get their first taste of first string action. These boys showed quality on the second team last year and we believe they will prove to be worthy.

The Woodson eleven is a tough aggregation on the playing field. They play clean but hard football, and the Bobcats will be put to a real test Friday night.

As has been stated, the Bobcats will be lacking in experience, but the desire of these young boys will help to make up the difference. The only two seniors on the team have seen action with the Bobcats for four seasons and have the possibilities for honors this season. Mike Mitchell and Aaron Hughes are the juniors who will see a great deal of action and have also had experience since freshmen. Claude Kinser, Carlos Isham, Emmitt Reynolds, and Preston Pitts make up the sophomore ranks which the Bobcats are depending on for a great deal of help.

Starting freshmen probably will be John Bullock, Buster Mitchell, Leon Parsons. These boys have shown outstanding progress since the first workouts, and some of the other freshman could progress to a starting position in the following weeks if some of the other boys let down or get injured.

Goodwill visits to cities in this area, September 16, by the publicity committee of the Graham Chamber will include Newcastle. They will be here about 2:15 p. m. and will spend approximately 30 minutes.

Belknap community seeking water system

About 45 residents of the Belknap community met at the Fort Tuesday night to discuss plans with the FHA representative for a domestic water supply.

S. L. Sinclair, manager of the FHA office in Graham, met with the group and explained the details of working with the FHA on this kind of project. Sinclair stated, in part, that FHA requires 10 water meters per mile, and the customer is responsible for water line from his property line to his house. He stated further that the cost of water, in addition to a flat \$50 fee, would be \$6 for the first 3000 gallons.

Pat Mosley of Olton then took charge of the meeting and gave a much brighter view of the proposition as they have just completed a project in his community. He stated they had five meters per mile, and a \$5.50 minimum rate.

A steering committee was then appointed to look into the matter more thoroughly, as follows: Clarence Daniels, Claude Myatt, W. T. Tomlinson, John R. Bullock, Roy Veal, Gene Williamson and Dewitt Graham.

34 VOTES CAST TUESDAY

The election held Tuesday on the amendment to enlarge the Texas Senate from 31 to 39 members, attracted a very light vote in Newcastle. Only 34 votes were cast, with 19 votes against and 15 for. The proposition was defeated in the county as well as state wide.

Mr. and Mrs. R. O. Weatherbee returned home Sunday from Heisington, Kansas where their daughter, Mrs. Mrs. W. E. Crutcher, underwent surgery again July 19. She was at home and doing fine when they left.

TPA hires new ad salesman for new Dallas office

Austin, Texas.—Employment of an additional salesman to the advertising staff of the Texas Press Association was announced recently by TPA General Manager Vern Sanford.

He is Jack Rodecap of Dallas, for the past 10 years a salesman for the Texas Daily Press League. Rodecap is based at the new regional sales office in Dallas, located in suite 1452 of the Baker Hotel.

"Jack brings with him an abundance of energy and advertising know-how," said Sanford, "and we're looking forward to his working with us in the development of additional lineage for Texas newspapers."

A new area in Texas journalism started in 1947 when TPA established a full time central office in Dallas. It was moved to the capital city the following year and will remain there.

The central office in Austin will handle political, institutional and state advertising, as heretofore, with the Dallas office as an additional contact point for candidates and others desiring to carry their messages in Texas newspapers.

Child Labor Laws amended by Legislature

Austin, Texas — Today Charles H. King Jr., Commissioner of the Bureau of Labor Statistics, announced in Austin that he wished to remind the business men of Texas that if they expected to employ any child under the age of 16 years during the approaching school term, it will be necessary for them to take certain steps in order to comply with the laws of Texas concerning the employment of children.

Commissioner King explained that the "Child Labor Law" required that any person who employs a child under the age of 16 in his business from Sept. 1 to June 1 must keep posted on his premises a "Child Work Permit." These permits are procured from the Local County Judge who generally requires before issuing such permit proof of the child's age; that the child has completed the 7th grade in a public school; a physician's certificate that the child's health is good or adequate; and facts to show that the child's parents are in economic stress.

It was pointed out by the commissioner that the 58th Legislature amended the laws of Texas concerning the employment of children prohibiting the employment of any child under the age of 14 from September 1 to June 1 of each year and removed the exemption to the law previously given children hired in agriculture, thus bringing children hired on farms, dairies or ranches under the provisions of the law, unless such child is working for its parents on their own farm.

Webb reunion at Comanche

Comanche.—The family of the late Ed Webb gathered here labor day weekend for the largest reunion in 15 years and paid memorial respects to eight departed members of the family. The home of Mr. and Mrs. Gilbert Webb was the focal point of the gathering that numbered 51 persons.

Seven of the original eight members of the Webb family and many of their children and grandchildren made the trip from Newcastle, Dallas, Fort Worth, Abilene, Brownwood, Pecos and other points.

Mrs. Laura Webb Moore was the honoree.

After a noon lunch at the Webb home here, the gathering moved to the memorial site where the memorial services were held with Gilbert Webb in charge. Music was furnished by a special Comanche musical group. Earl Webb led during the silent memorial period and delivered the memorial prayer.
