## Off-Breakfast Oct. 8 Launch Scout Fund Drive

### Haskell County "Oil Progress Queen" To Be Chosen at Texas Theatre Tonight

Some fifteen or twenty young ladies from the high schools of Haskell County will vie for the title of "Miss Haskell County Oil Progress Queen of 1957" at the Texas Theatre tonight, Thursday, October 3.

## C. of C. Workers Plan Drive for New Members

Prospect cards for approximately 60 potential members of the Haskell Chamber of Commerce were given directors and workers composing the Roundup Club, at a breakfast meeting held Thursday, Sept. 26 at the Highway Drive Inn.

### A. C. Orr to Have 91st Birthday on Sunday, Oct. 6

A. C. Orr of this city, longtime resident of Haskell and Throckmorton Counties, will celebrate his 91st birthday Oct. 6th in the home of his daughter and son-in-law, Mr. and Mrs. Bill Holt of the Mattson community.

### HERE FROM LUBBOCK

Mr. and Mrs. Jimmy Gordon of Lubbock were here Tuesday visiting in the home of Mrs. Claude Gordon.

## PAINT CREEK AND WEINERT SCHOOLS CLOSED BY FLU

An outbreak of flu hit Haskell County this week, resulting in the closing of Paint Creek and Weinert schools after a number of students in the two schools had been stricken.

First outbreak was at Paint Creek Rural High School 12 miles southeast of Haskell, where all classes were dismissed Tuesday morning.

Supt. Dan McRae said 38 pupils were absent Tuesday out of a total enrollment of 148, while 15 or 20 students came to school although they were slightly ill.

Supt. McRae said late Wednesday that a canvass of the community showed an increase in the number of students ill with flu to 45. In view of the threatened spread of the epidemic, the Paint Creek school will remain closed through the rest of the week, he stated.

### Weinert School Closed

Supt. Douglas Myers of Weinert School announced Wednesday afternoon that he had dismissed all classes Thursday and Friday because of a near-epidemic of influenza.

Supt. Myers said 43 students were ill, out of an enrollment of 155. He said 15 students became ill after coming to school Wednesday and were carried home.

Weinert schools will reopen Monday if the epidemic does not become worse, Supt. Myers said.

### Football Games Scheduled

Supt. Myers said the flu so far had not hit members of the Weinert Bulldogs 6-Man Football squad. The Bulldogs will meet Hobbs at Weinert tonight (Thursday) Supt. Myers said.

### Paint Creek Pirates will also play their scheduled game Saturday night with Forsan at Forsan.

### No Cases Here

Supt. Robt. R. King of the Haskell schools said Wednesday that attendance was at normal levels, and that no influenza cases had been reported affecting the school attendance.

### BAYLOR STUDENTS HOME FOR WEEKEND

Robert Starr, Bobby Rexrode, and John Ivan Clifton, students in Baylor University, spent the weekend here in the homes of their parents.

## Zone 4 Meeting Of Lions Clubs Held in Weinert

Weinert Lions Club was host for a meeting of Zone 4, District 2-E Lions International, held Tuesday evening, Oct. 1, in the Weinert Community Center.

Zone Chairman John Crawford of Haskell presided. Present were members of Weinert, Seymour, Munday, Haskell and Knox City Lions Clubs.

During the evening session, items pertaining to activities of Lions Clubs and other community activities were discussed.

Robert L. Goodwin of Mineral Wells, Deputy District Governor of Region 6, attended and helped in the discussion. He stressed the importance of Lions work both locally and world wide.

Club presidents and secretaries attending were: Charles Baker of Munday, Wallace Cox Jr., and Dr. J. G. Vaughter, Haskell; Price Franklin, Seymour; R. S. Sanders and Harlan Weinert, Weinert; Paul Hoge, and G. W. Coats, Knox City; and Lions George Houston and Joe Smith, Knox City.

## Mapping Miller Creek Water Project Near Completion

### Lions Club Will Conduct Annual "Broom Sale" Monday, October 7

Members of the Haskell Lions Club will be using the Dale Carnegie technique Monday, Oct. 7, when they conduct the club's annual "Broom Sale" in cooperation with the Texas Blind Shops Caravan.

The Caravan will be located on the public square, and from this point Lions will fan out to cover every section of town in a gigantic selling effort, starting at 5:30 p. m. The business section will be canvassed from 4 to 5:30 p. m.

To be sold are Ironing Board Covers and Pad Combinations, Brooms, Noor Mats and Mops. All items are manufactured by Texas blind workmen in blind shops or lighthouses, which are non-profit organizations.

Local proceeds from this sale will be used for Lions Club projects.

### Wallace Cox Jr., will be in charge of sales during the campaign.

Cox has announced the following group chairmen and workers to conduct the sales campaign in the residence section:

Avenue D and E—Theron Cahill, chairman; Jimmy Turner, Myron Biard, John Crawford, Curtis Pogge.

Avenue F—Jetty V. Clare, chairman; Stanley Furrh, George Neely, Bill Richey, Courtney Hunt.

Avenue G—George Fouts, chairman; Wix Currie, Guy Harris, Oscar Bruce, Bob King, F. C. Hipp.

Avenue H—W. V. Felker, chairman; Wallace Cox Jr., Dr. Wm. J. Kemp, Howard Perry, Royce Adkins.

Shook Addition—Farm to Market Road—Fred Brown, chairman; Dr. J. F. Cadenhead.

Brick Village and Avenue C—Harold Spain, chairman; Cecil Gregory, Raja Hassen, Bailey Toliver, Dr. J. G. Vaughter.

Pierson Addition and Lindsey Addition, J Avenue, North 8th—A. C. Pierson, chairman; E. W. Pruett, Dale Condon, Rex Felker, Allen Rieves, W. D. Holder.

Topographic mapping of the watershed area of the proposed Miller Creek Reservoir has been completed, and core drilling at the tentative dam and lake site was scheduled to start this week and should be completed within three weeks.

Tom Craddock of Seymour, chairman of the Citizens Water Committee of the North Central Texas Water District, was advised by Freese & Nichols of Fort Worth, engineers on the project, that when core drilling is finished the engineers can prepare estimates of its costs, capacity, etc.

These estimates will be available around Nov. 15-30, engineers believe, at which time they can be made public for the consideration of people in the seven towns included in the water district.

The proposed Miller Creek Reservoir has been recommended as a potential municipal water source for Haskell, Seymour, Munday, Knox City, Rule, Rochester and Goree. Authority for its development was given by the Legislature, in creating the North Central Texas Water District.

First step in development of the project is the phase now being completed, the topographic mapping of the watershed, and core drilling at the reservoir and dam site.

Next phase will be elections held in each town in the district, to determine whether each of the seven towns desires to participate in the water district.

Haskell is represented on the Citizens Committee of the water district by W. R. Johnson, Hallie Chapman, and Brooks Middleton. The district committee, composed of representatives from the seven towns, is in charge of initial phases of the project.

### Weinert Lions to Conduct Broom Sale Tuesday

On Tuesday, Oct. 8, members of the Weinert Lions Club will conduct a town-wide "Broom Sale" in that city, also in cooperation with the Blind Shops Caravan.

The Caravan will be located at the Weinert Community Center, and Weinert Lions plan to contact every home and business establishment in the town during the sales campaign.

Lions Club's share of the proceeds will be used to buy a community wheel chair, for use of Weinert residents when needed.

Chairman of the Broom Sale in Weinert will be Douglas Myers. The Lions will meet at the Community Center shortly after 7 a. m., and crews will canvass the entire community. Myers announced.

### Film On Wildlife, Soil Conservation, Shown Rotarians

The relationship between soil conservation and the development of wildlife was stressed in an interesting film shown at the meeting and luncheon of the Rotary Club Thursday.

Guests at the meeting were Horace Burger of the Lamesa Rotary Club, and Stamford Rotarians Cliff Wallace, Bernard Bryant, Dr. Hugo Haterius, Jim West and Chas. Teyman.

The film, entitled "The Farmer and the Sportsman, Partners in Wildlife," was shown as a courtesy of Lane-Felker Men's Store by R. A. Lane.

The production, in color, showed various soil conservation practices which served the dual purpose of building up soil, preventing erosion, and providing habitat and food for wild game. Results of work being done by 4-H Clubs and Future Farmers were depicted, together with other water and soil conservation practices. The film emphasized that all land, even eroded gullies, was good for something when developed by proper practices.

Many interesting scenes of wildlife were included, and a theme of "good neighbor" relations between sportsmen and farmers was stressed. Where hunters and sportsmen demonstrate that they are courteous, responsible people, they will find the majority of farmers and landowners friendly and neighborly, the film pointed out.

### Executive Board of TB Association to Meet Monday

Members of the Executive Board of the Haskell County TB Association will meet Monday at 4 p. m. in the district courtroom, according to County Judge Alfred Turnbow. Plans are to be formulated for the coming Christmas Seal Campaign, conducted each year by the TB Association.

### Haskell Man Loses Hand In Accident Tuesday

Merle Weaver, 31, of Haskell, lost his left hand Tuesday as the result of an accident while operating an ensilage cutter. His hand was caught in the machine and so badly mangled that amputation was necessary, after he had been rushed to the Stamford Sanitarium.

The accident happened around 12:30 p. m. Tuesday. The accident victim was working on the Jimmy Ashcroft Ranch in Southwest Haskell County with his brother, Ralph Weaver, and another ranch employee. The men were operating a power-driven machine grinding feed for silage.

Weaver is the son of Mr. and Mrs. George Weaver of Haskell.

### Lions Hear Talk On Early Days In This Area

Many interesting facts concerning early days in this section of the West were related by Bernard Bule, Stamford merchant, who was guest speaker at the noon meeting and luncheon of the Lions Club Tuesday.

During the business session, plans for the club's annual Broom Sale were announced. The sales campaign will be conducted Monday, Oct. 7. To publicize the event, each Lion is required to wear or carry a broom of some kind from now until the sale is held.

Robt. R. King, superintendent of Haskell schools, was program chairman and introduced the speaker.

"In 1890, Seymour had the only street lights of any town between Fort Worth and California," Bule pointed out, in citing many little-known historical facts about pioneer West Texas. He went on to say that the street lighting system consisted of kerosene lamps along a one and one-half mile stretch of streets in Seymour when the town was the principal rail shipping point for a large area in this part of the State.

Bule mentioned many other historical facts and gave descriptive accounts of the old McKensie Trail through South Haskell County, over which millions of buffalo hides were hauled to market. He also told of the Butterfield Stagecoach Line which traversed this area, and of the establishment of a string of military forts as outposts which served to protect pioneer settlers against the Indians.

The Stamford man has done considerable research work here and throughout this section in assembling data for use in a volume he plans to publish dealing with the days of the "Open Range" in Texas.

## Indians Crush Iowa Park 59-0, Journey To Coleman Friday

The Haskell Indians invaded Iowa Park Friday night and racked up their second consecutive victory, smothering the Iowa Park Hawks 59 to 0 with a barrage of game throughout, with the exception of a brief period in the third quarter when the Hawks were able to take the ball from their own 22 down to the Haskell 38. The drive bogged down there, when Indian End Louis Jones recovered a Hawks fumble.

The Indians started their scoring early in the first quarter when a Hawk fumble on their own 34 was recovered by Quarterback Jimmy Brock. The Indians, in eight plays, scored when Brock pushed over from the one. John Rike, left end, booted the extra point.

The Indians scored again, getting the ball when a partially blocked kick from the toe of a Hawk player went only to the Iowa Park 42. On the fourth play after the recovery Lyndon Harris, left halfback, went around his right side for the touchdown, but Rike's try for point was no good.

Haskell scored again in the third when Don Pennington, who played an outstanding game for the Tribe, went over from the one. Rike's kick again was no good. The half ended 19-0 in the Redskin's favor.

As the second half opened, Pennington received the kickoff on his own ten and ran it all the way for a TD, and this time Rike's kick for point was good, making the score 26-0.

The Indians added another when Brock raced 17 yards around left end, but Rike's kick was no good. The Indians made it 29 to 0 when Right Half Joe Decker went 12 yards around the left for a TD, and Rike added the point with a boot.

In the final quarter Brock started to run and passed on the Iowa Park 7, who went over, but Rike's kick was blocked, making the score 45-0.

Brock scored again with a run around the right side from the 5, and Rike added the point with a perfect kick, making the score 52-0.

The Hawks, with the ball on their own 7, got their fourth down kick blocked, and Indian Fullback Tom Anderson recovered the Tribe's Hawk goal line. Rike's kick was good, wrapping up the game with a 59-0 score.

### Junior Hi Students To Sell Magazine Subscriptions

Students in Haskell Junior High school have announced they will conduct their annual subscription campaign for all leading magazines, during early October.

Students will offer new, renewal, Christmas and birthday gift subscriptions at regular rates. Also, any special offer that is sent through the mails at a reduced rate will be accepted if accompanied by the offer.

### Junior High P-TA To Sponsor Chili Supper Oct. 11th

The Junior High P-TA will sponsor a Chili Supper at the High School Cafeteria on the evening of Friday, Oct. 11, preceding the Haskell-Cisco football game.

Proceeds from the supper will go to the P-TA treasury to be used for current projects. Supper tickets will sell for fifty cents.

Serving will begin at 5:30 p. m., and everyone is invited to make plans to enjoy a chili supper with the P-TA before attending the football game.

### Proposed Improvements to the City Square

CITY OF HASKELL, TEXAS  
SCALE 1"=30'

In the business section and on Highway 24 would be cut back to a width of 11 feet, and the 16-ft. sidewalk around the courthouse would be eliminated entirely. Highways 27 and 24, and streets on the south and east sides of the courthouse square would be two-way traffic lanes, 36 feet wide, with an additional eight feet for parallel parking at the curb next to the business houses.

Parallel parking would be required on all sides of the square, along both highways off the square. Motorists would enter and leave the enclosed parking area around the courthouse lawn at three points, on the north, east, and south sides. Driving lanes inside the parking area would be 23 feet wide, with 16-foot parking places on each side for angle parking.

### Haskell Firemen Plans for Hamlin

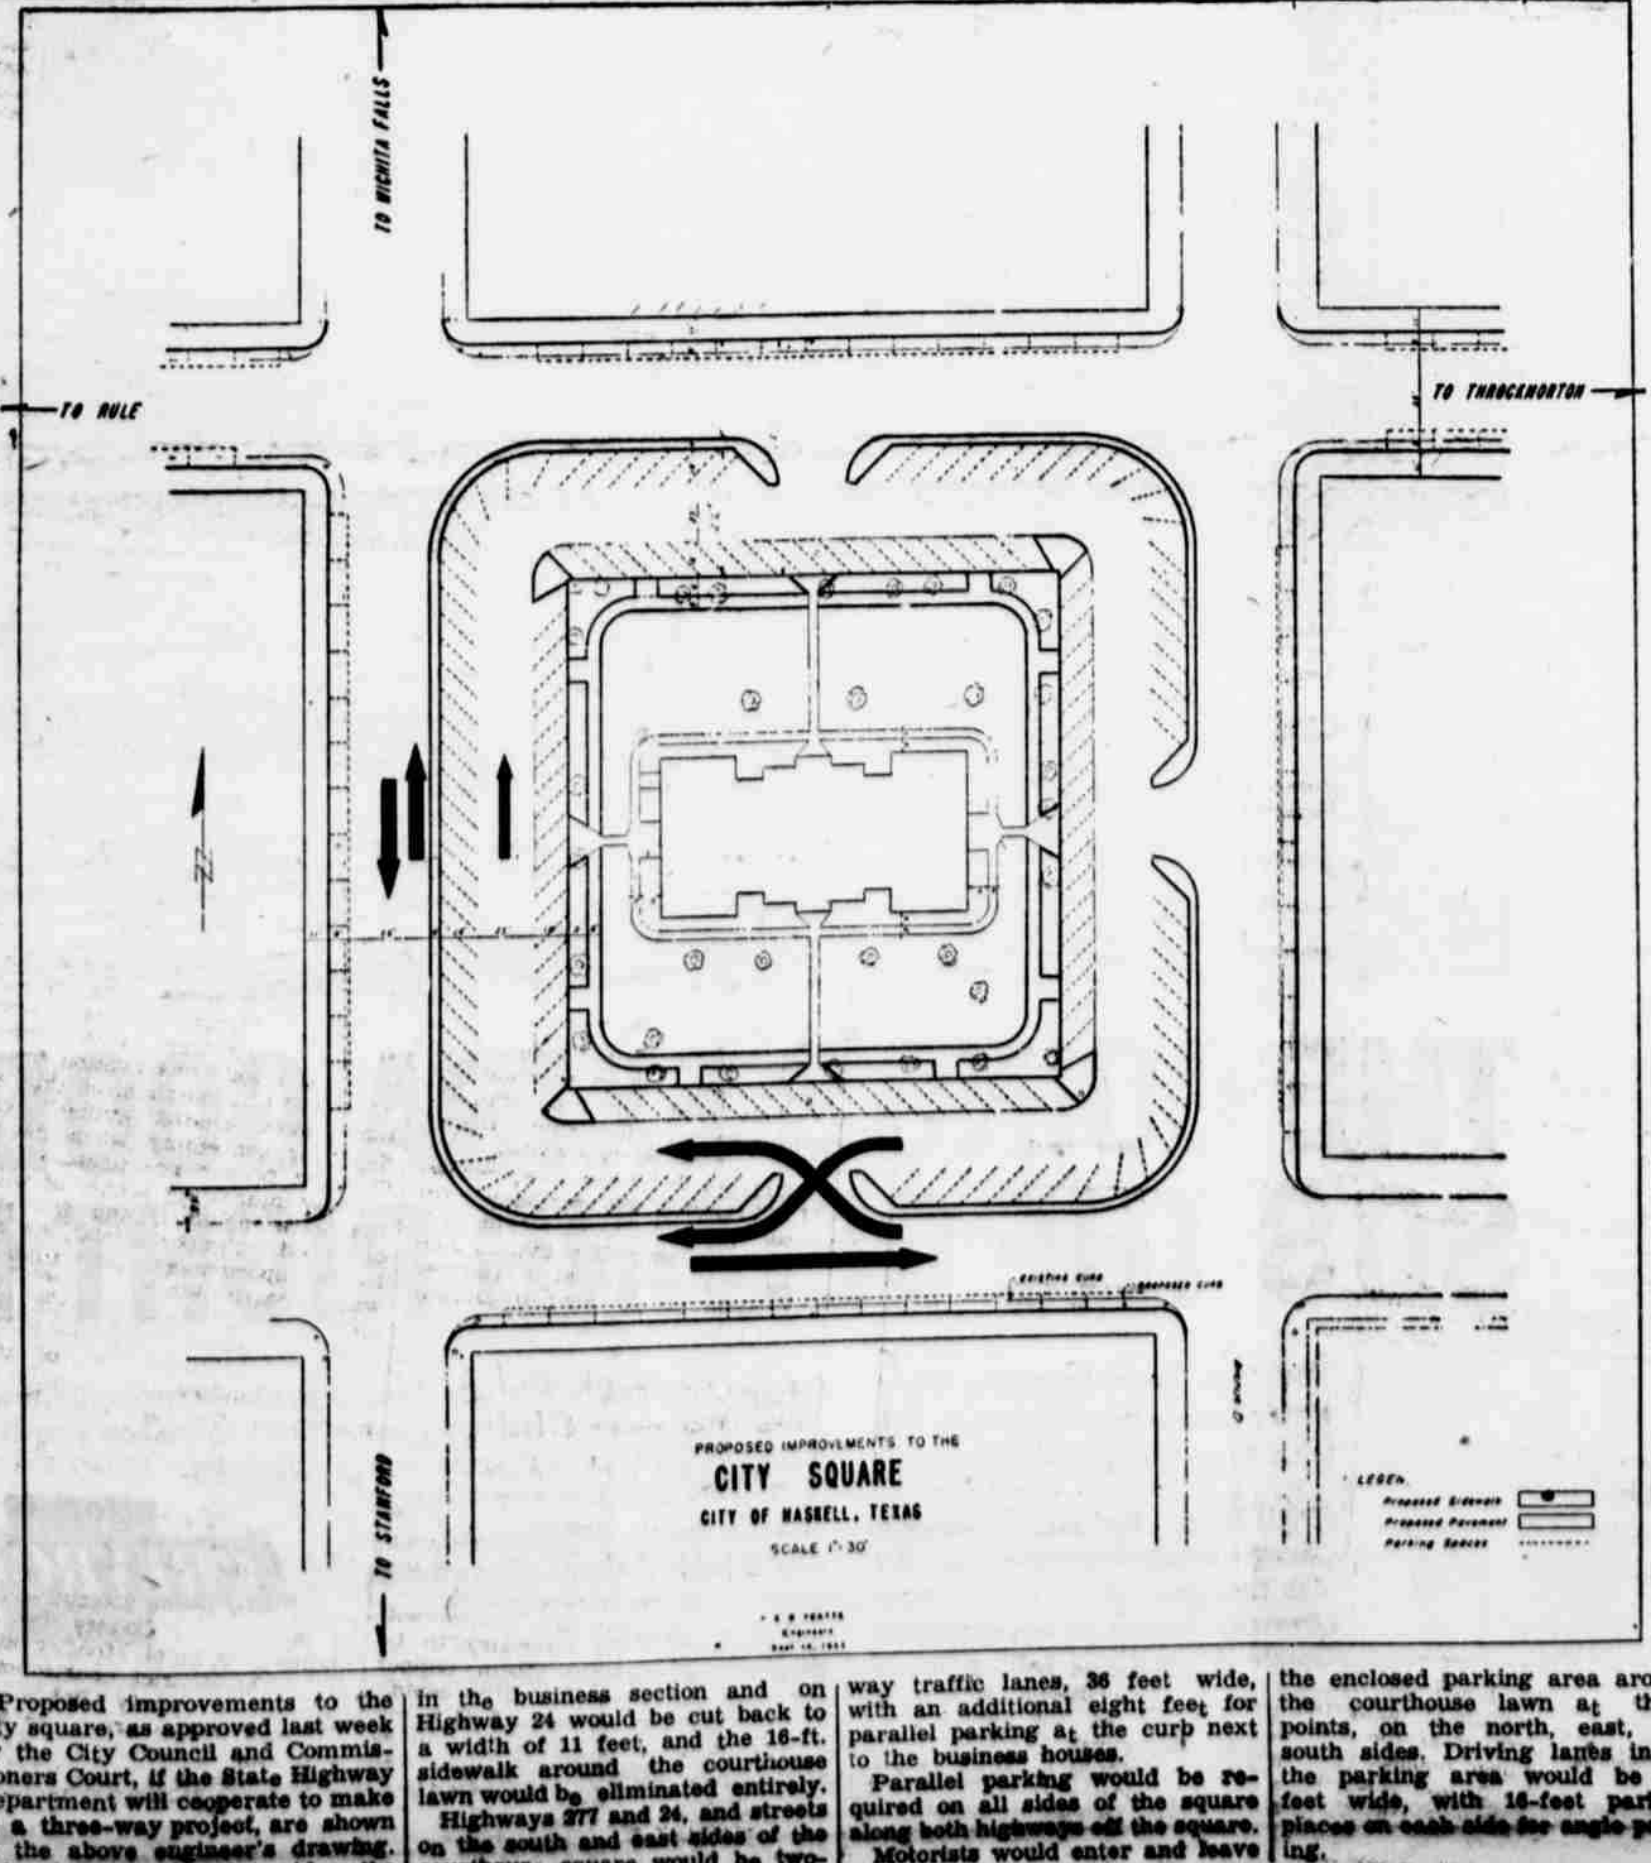

The Haskell Firemen's racing team will practice next week, and will compete at the semi-annual Mid-West Firemen's meet at Hamlin Oct. 10.

Firemen have won one trophy in the contest, and have been strong contestants in all three racing events.

Members of the racing teams are: Aven Olen Bartley, Earl Correll, Tom Barrett, George Tyler, Billy Ray Lusk, (Kenny) Reynolds, and Wilson.

## Fire Prevention Week

This year Fire Prevention Week, October 6-12, will mark  
another milestone of organized fire prevention activities in this country.

The anniversary will emphasize the value of fire prevention  
work in the form of concentrated annual campaigns, town inspections,  
engineering surveys of the fire protection facilities of cities, extensive  
research by insurance companies, and the many and varied contribu-  
tions by public and private agencies outside the fire insurance business.

At the same time fire losses this year may exceed a billion  
dollars for the first time in history. So far they are averaging about  
\$90 million a month.

This naturally poses a question: Do the fire prevention activities  
of the fire insurance business and the public really help prevent  
fires?

In answer, James C. Hullett, president of the National Board  
of Fire Underwriters, gives a resounding "yes".

He explains: About the time fire prevention activities began  
on a basis that was not spasmodic, the estimated value of the nation's  
reproducible tangible assets was \$71 billion. That included residential  
and non-residential structures, farm buildings, institutional and govern-  
ment buildings, and inventories, including crops and livestock—mostly  
structures and goods that were insurable. Fire losses that year were  
\$165 million.

By 1952, when the latest figures were available, the burnable  
national assets had increased about twelve times over the 1905 figures,  
and fire losses had increased only five times.

Undoubtedly other factors besides fire prevention work have  
affected the widening gap between the values of structures and goods  
at risk and the actual fire losses in the last half century. But the gap  
is large enough, and has coincided near enough with increasing fire  
prevention activities, to support the assumption that safety work  
has been effective.

We believe, with Mr. Hullett, that our nation has made a good  
start in fire prevention and that real progress is being made. Let us not  
relax our efforts to do better.

## THE STATE OF TEXAS Official Memorandum

BY  
PRICE DANIEL  
Governor of Texas

AUSTIN, TEXAS

### GREETINGS:

Our Constitutional guarantee of freedom of the press is a  
guarantee of an individual's right to own and to control a printing  
press without subservience to the government. That guarantee  
established the fact that a free government of free men does  
not need to live in fear of the thoughts and words of its free  
citizens.

Today, the freedom of America depends on the freedom  
of the press. The free flow of information to the public is essen-  
tial to the preservation of our American way of life, and we  
must be continually vigilant against any efforts to impede this  
freedom of information.

Texas newspapers and newspapermen have constantly  
shown recognition of the great obligations and responsibilities  
which go with freedom of the press.

THEREFORE, I, as Governor of Texas, do hereby desig-  
nate the period of October 1-8, 1957, as

in Texas, and urge due recognition of the contributions of a free  
press.

In official recognition whereof, I hereby affix my sig-  
nature this 18th day of September, 1957.

## Haskell County History

### 20 Years Ago—Sept. 24, 1937

Construction is nearing comple-  
tion on the Haskell High School  
auditorium. Brick work is more  
than half finished and by next  
week it is expected that work on  
the roof will be underway. Con-  
tract calls for completion of the  
building by Nov. 1 but at the  
present rate it is thought it will  
be finished two weeks early.

Mr. and Mrs. Roy Gilbreath and  
children of Wichita Falls were  
guests of Mr. and Mrs. Walter  
Rogers during the weekend.

Bill Horton, timekeeper for the  
Texas Highway Department at  
Snyder, has been transferred to  
the Haskell office. He succeeds  
Jack Richey, who was transferred  
to Abilene.

Mr. and Mrs. H. S. Post and  
Mrs. Ada Rike of this city have  
received announcement of a new  
grandson born Sept. 22 to Dr.  
Mrs. C. W. Stigman in Madison,  
Wisconsin. He will answer to the  
name of Gaines II.

Cotton ginnings for Haskell to-  
talled 1,408 bales Wednesday night  
and local gins were running sev-  
eral hours at night this week. A  
large number of Mexican farm  
workers have arrived during the  
past week to engage in the cotton  
harvest.

Mr. and Mrs. John A. Couch  
have returned from Waco, where  
they visited in the home of their  
daughter and family. Mr. and  
Mrs. Ed Burleson.

Mr. and Mrs. Courtney Hunt have  
as guests in their home this week  
Mrs. C. W. Stigman and Miss  
Edythe Marques of Chicago, Ill.

Mr. and Mrs. Jerome Sander-  
of Cleveland, Ohio, have been  
visiting in the home of his par-  
ents, Mr. and Mrs. F. T. Sanders.

Hubert Nollner has accepted a  
position with the Hotel Barber  
Shop. He has been away from  
Haskell for three, or four years,  
but has decided to move back here  
for good.

Mrs. John L. McCollum and  
daughter Mary Ann of Dallas, are  
visiting in the home of Mr. and  
Mrs. N. I. McCollum this week.

30 Years Ago—Oct. 6, 1927  
Misses Mary Beth and Mamie  
Jean Menefee spent last week in  
Lubbock in the home of their aunt  
and uncle, Mr. and Mrs. Carl  
Maples.

Mrs. S. R. Rike has returned  
from Dallas, to which place she  
accompanied her daughter, Ann  
Katherine, who is attending South-  
ern Methodist University.

Because of the large enrollment  
in the primary section of the  
North Ward School, pupils in one  
First Grade room have been trans-  
ferred to the basement of the First  
Baptist Church where temporary  
school facilities have been in-  
stalled. Miss Ruby Fitzgerald is  
teacher of the class.

Truitt Price, brother of County  
Agent W. P. Price, was seriously  
injured late Saturday in Waco,  
when he was struck by a car. The  
driver of the car did not stop, but  
Waco police have in custody a  
man believed to have been the  
driver. The injured man is ex-  
pected to recover.

Miss Helen Barron has returned  
after a several weeks visit with  
relatives in California.

The Post school will begin the  
new term Oct. 17, with the same  
teachers as last year. They are  
Elmer C. Watson, principal; Miss-  
es Sula Mae Ratliff and Virginia  
Clark.

Marvin Vaughn, who is attend-  
ing McMurry College in Abilene,  
spent the weekend with his par-  
ents, Rev. and Mrs. W. B.  
Vaughn.

Miss Marjorie Whiteker left this  
week for Dallas, where she has  
accepted a position with the Bap-  
tist Standard Publishing house.  
Miss Whiteker is a June graduate  
of Baylor-Beton, where she ma-  
jored in journalism. She is the  
daughter of Mr. and Mrs. B. M.  
Whiteker of Haskell.

30 Years Ago—Oct. 5, 1907  
Wm. Grouseford of the east side  
was in town Thursday with his  
seventh bale of cotton. He said he  
had 15 bales open and was need-  
ing cotton pickers. He believes his  
crop will average a third of a  
bale per acre.  
Wm. Matthews, F. M. Maxwell  
and Sam Pinkerton, building com-

He says his force can pick about a  
bale per day.  
J. E. Smith of Knox City sold  
three bales of cotton on our mar-  
ket Monday.

Mr. and Mrs. R. P. Simmons  
and daughters, Misses Tibbie and  
Mamie, left a few days ago on a  
visit to Mississippi.

Mr. and Mrs. Henry Donohoo  
left the first part of the week for  
California, where they will make  
their home. They have lived here  
for many years and have numer-  
ous friends who regret their mov-  
ing.

Will Fitzgerald has returned to  
his home in Gomez, Texas, after  
spending several weeks here.

J. E. Davis has furnished a jar  
of fine October peaches for exhi-  
bition at the Fair. They grew on  
his place in the west part of  
town.

The Christian meeting is now in  
progress in the big tent north of  
the square. Eder Price Billings-  
ley of the Abilene Church of Christ  
is preaching.

Marvin Gregory is in a dilem-  
ma. There is a perfectly beauti-  
ful little blonde in his third grade  
class and Marvin would like nothing  
better than to be the lad who  
carries her books home every  
evening. Unfortunately the popu-  
lar young lady already has a  
beau. Now this would not ordi-  
narily bother an aggressive young  
swain, but this is no ordinary  
situation. As Marvin explains it,  
he and his rival play "soldier"  
every recess. The rival for the  
young lady's attentions is a ten  
star general. "Really, I think he's  
only a five star general," con-  
fides Marvin, and our hero is a  
mere sergeant. If he tries to win  
the little girl, he runs the risk of  
getting "busted" back to a private.  
He just can't decide whether  
he'd rather have the blonde or  
his stripes.

The B&PW Club is planning to  
import a teacher to conduct a  
"charm school" during the week  
of Oct. 14. The members view this  
approaching event with mixed  
emotions. Understand that, as one  
of the members approached the  
registration desk with her check  
cutched in her hand, she sighed,  
"Oh, what's the use." Another  
member was miffed when asked  
to participate and shrugged, "I'm  
already charming."

I don't know who is the most  
long suffering secretary in town,  
but she thinks SHE'S got troubles.  
She ought to meet Mrs. Elaine  
Fought. This young lady is divid-  
ed, or rather, her secretarial abili-  
ties are divided between the  
county agent and county home  
demonstration agent. The county  
agent and the county home dem-  
onstration agent also shared a  
telephone line. Now the county  
agent's office is on the first floor  
of the court house and the HDA  
is on the third floor. So when  
someone calls Miss Greenhill, poor  
Elaine must run next door, call  
upstairs on the welfare depart-  
ment telephone. If that line is  
busy she must run up three flights,  
take a message and run back down  
stairs again. She may try out for  
the track team in the next Olympic  
games.

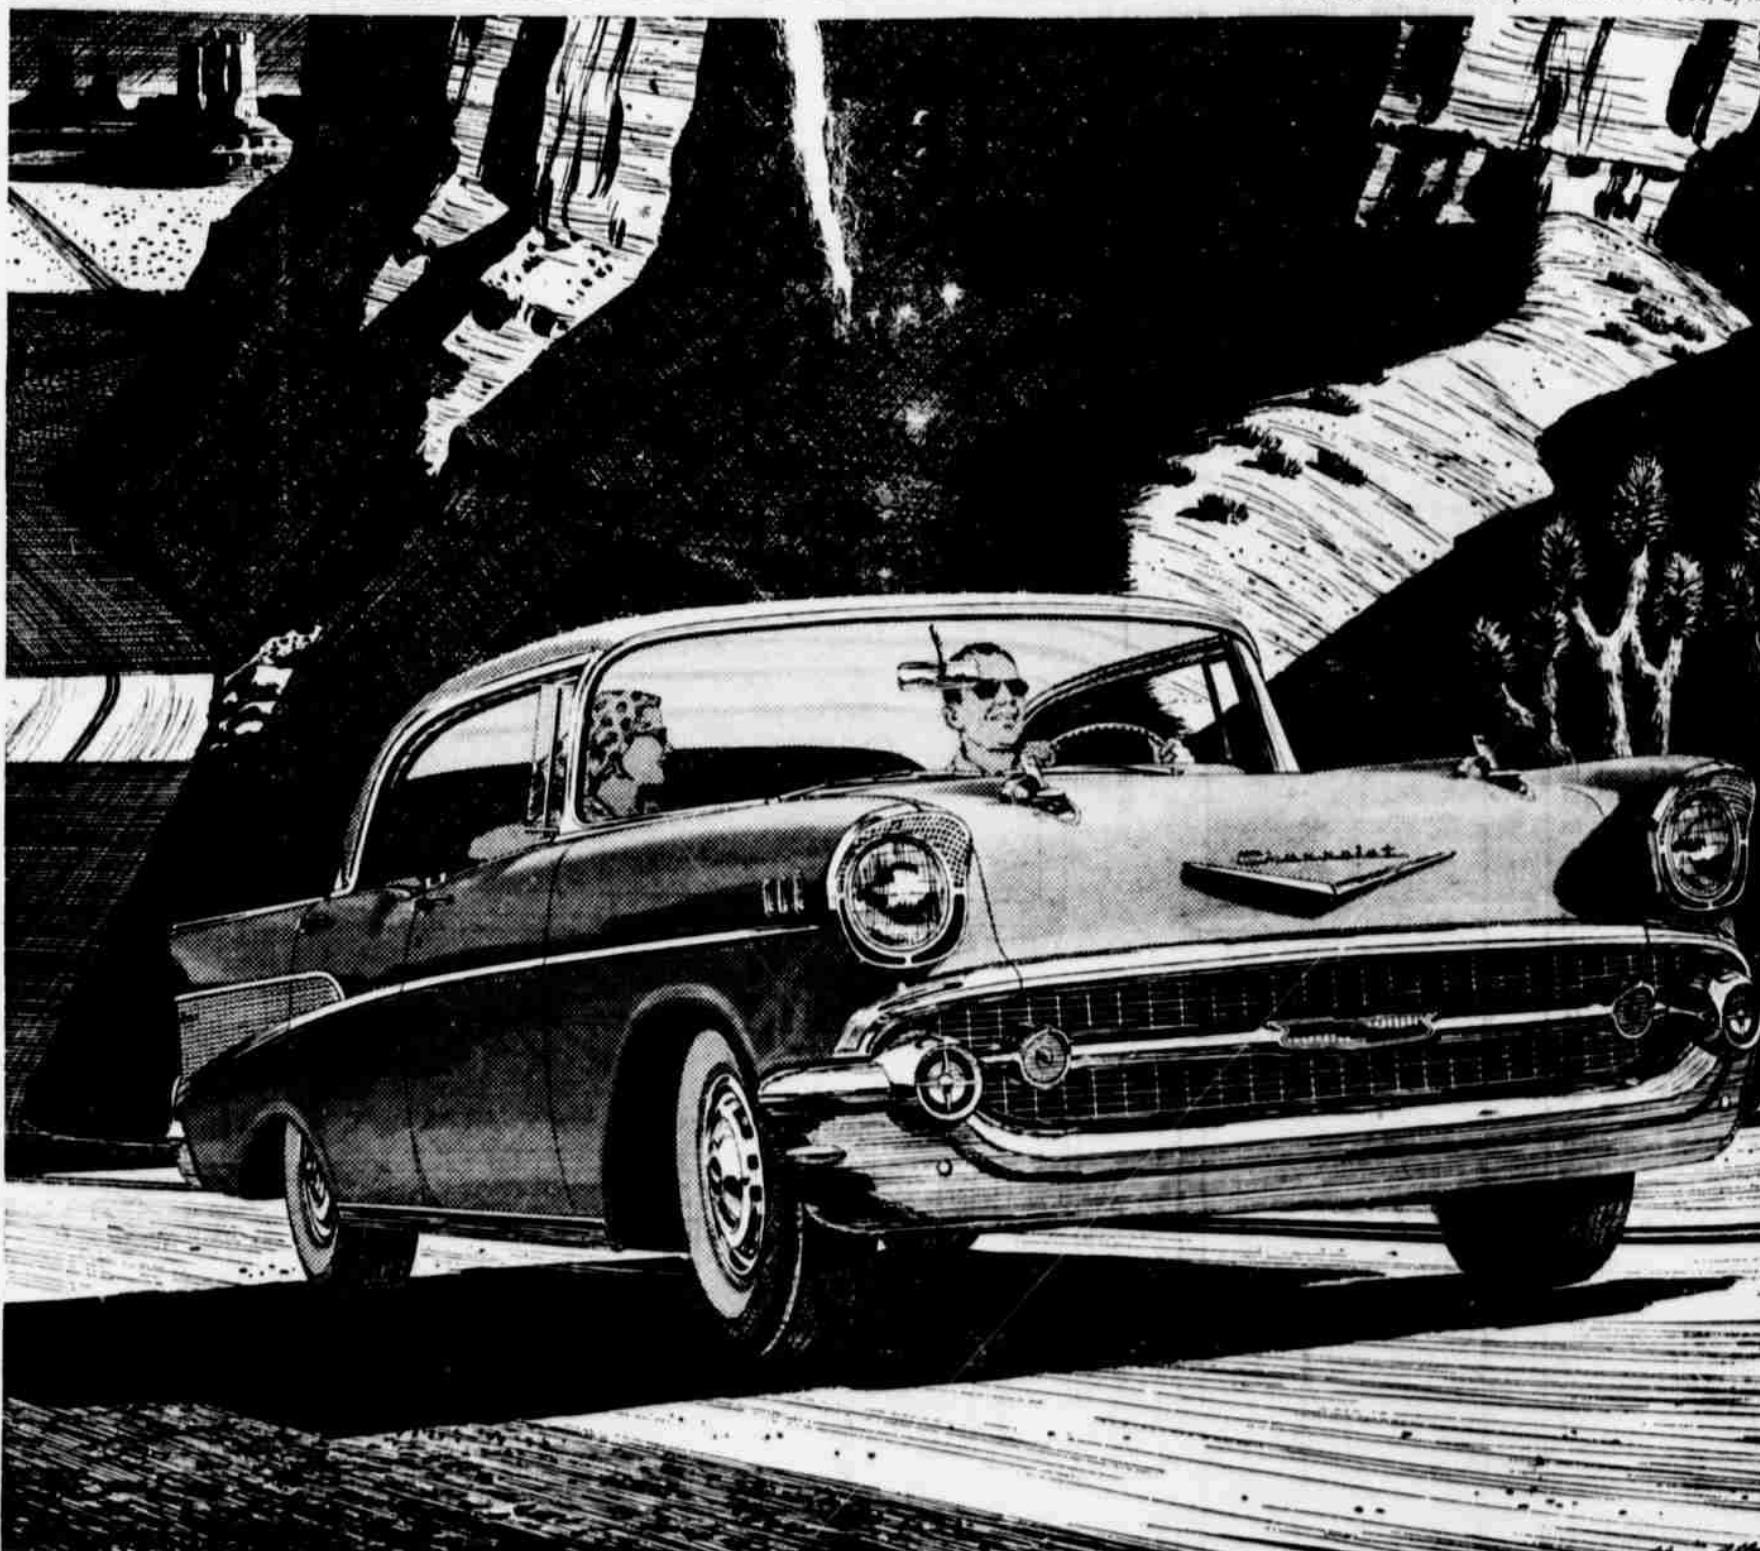

The Manuel Medley's have moved  
back to Haskell from Santa  
Rosa, N. M. and just bought a  
family manse here. In a spirit of  
enthusiasm, Mrs. Medley rushed  
out and ordered a twelve foot  
couch. It would, indeed, be a  
handsome article of furniture if it  
just fits. "Everytime I look at it,  
it has grown another foot," she  
means.

**Fort Worth Has Largest Livestock Run in Months**

**By TED GOULDY**

Fort Worth—The offering of cattle and calves was the largest in two months, and nearly double a week earlier, when the week's trade got underway at Ft. Worth Monday.

A week ago rains in much of the territory curtailed the shipments considerably. Trade was moderately active and prices were generally steady on all types of livestock. National packers were talking weak prices in some cases on fed steers in view of the large offerings of well finished cattle at some corn belt terminals. However, they accomplished little in that direction. Some buyers tried vainly to weaken stocker and feeder prices, also, but their efforts were unavailing.

Comparative prices: Good and low choice fed steers and yearlings \$19-22.25; common and medium grades \$14-\$18.50. Fat cows \$13-\$15.50; canners and cutters \$9-\$13.50; bulls \$11-\$16.25; good and choice slaughter calves \$18.50-\$21; common and medium \$13-\$18; culls \$11-\$12. Stocker steer calves of good and choice grade \$19-\$23.50; heifer calves \$21- down; good and choice steer yearlings \$18-\$21.50; stocker heifers \$18.50 down; stocker cows \$10-\$15.50.

Supplies of hogs at Fort Worth Monday were about double those a week earlier, but corn belt farmers held back following last week's sharp declines. At 12 major markets about 14,000 less hogs were reported than a week ago, and the run was more than 25% under the same date a year ago.

Choice butcher hogs ranged from \$18.50 to \$17.50, and medium to good butcher hogs sold from \$16.50 to \$18. Sows cashed at \$17.50 downward.

Packers reported loins were about the only cut at present, that was moving readily in wholesale pork channels, and the Eastern Seaboard area reported pork loins about steady to 1c per pound under a week ago while other pork cuts ranged as much as 4c per pound off, they give a graphic view of the selective nature of the buying of meat.

formal opening was from 2 to 5 p. m. Sunday.  
Mrs. C. G. Higgs has moved back to Abilene where she will make her future home.  
Mr. and Mrs. E. B. Harris and son Edward, of Graham, were in Rule Saturday and attended the services for Mrs. Rogers.  
Paul Gibson is in Hendricks Memorial Hospital in Abilene.  
Mr. and Mrs. Festus Hunt and Hal spent the weekend with the James McCains in Pecos.

**SPECIAL NOTICE**

**To Each and Every Tax Payer in Haskell County and The City of Haskell**

This is to call your attention to plans for the needless and extravagant spending of tax money for the so-called "street widening" program in the city of Haskell.

**Why Can't the People Be Told How Many Thousands of Dollars the Project Will Cost City and County Tax Payers?**

The cost, according to authoritative reports, was estimated at more than \$30,000 in 1953. How many thousand dollars will be added by the rise in cost since then for all materials?

IF BUILT, the project will demand parallel parking on all four sides of the square; would NARROW instead of widen the highways crossing the public square; will do away with approximately 50 to 75 existing parking spaces in the business section.

The Highway Department HAS NOT demanded that this plan be executed at this time. The Highway Department HAS NEVER so much as intimated any intention of by-passing Haskell with the highways. You can be assured that any time a highway project comes up involving Haskell or Haskell County that local officials will be fully advised.

Mr. Tax Payer, in view of these facts, ask your city and county officials why this project must be built at this time and what it will cost. Also, whether it will result in a tax increase in the immediate future.

Bear in mind that county funds could be more wisely spent on existing road projects which are badly needed, while the City of Haskell faces an immediate heavy financial responsibility in providing municipal water supply.

### Weinert Study Club Opens Season With Dinner Sept. 26

The Weinert Study Club opened the 1957-58 club year with a dinner honoring the husbands of members Thursday at 6 p. m. at the Community Center in Weinert.

The speaker's table was decorated with the theme of the year's work, "Key to Abundant Living," in silver lettering on pale pink streamers between styrofoam silver trees. Other decorations were the club colors of pink and silver used on individual tables. This was small crystal bowls of thin zinnias and dusty miller. Year-books were plate favors.

Invocation was given by Tom Lam, who also dismissed the group in prayer.

Group singing of America was led by W. B. Gueses. Mrs. R. S. Sanders welcomed guests and new members and made announcements.

Topic of the program was "The Key to the City," given to all citizens working for Community Improvement. Famous quotation was from Moliere, "The greater the obstacle, the more glory in overcoming it."

Miss Eudora Hawkins of Abilene introduced Ralph Duncan of Abilene, member of the executive board of WTCC, who spoke on "Community Development." At the conclusion of Mr. Duncan's talk, which he refused to call a speech, he appointed a chairman from each table to make a report after 10 minutes of study, of two things Weinert needs to make it a better place to live. Here are the suggestions: Better farm-to-market roads, better streets, P-TA, better clean-up program, program for cemetery clean-up, better youth program, community health center, community library, general sanitation program, better market center and adequate fire prevention, and control.

The dinner was prepared and served by members of the Weinert Study Club. The next meeting will be Oct. 10, at the school. A film will be shown. Program director is Mrs. Kenneth Baker, Safety Chairman.

### Harmony Club Presents Guest Artists At Musical Tea Opening Club Season

The Haskell Harmony Club had a Musical Tea as their first program of the 1957-58 season, at the Magazine Club house on Thursday, Sept. 26, at 7:30 p. m.

The officers of the club received guests for the evening, including the entertainers for the Musical. Mrs. Don Collier registered guests at the table which was decorated with a cornucopia filled with red roses, and two lighted tapers.

The music room decorations carried out the colors of the club, red and white.

The president, Mrs. A. C. Foster, presented artists from Abilene, Dr. and Mrs. E. Edwin Young, in duo piano numbers, and Mr. and Mrs. Robert Tiffany in baritone and soprano duets.

The piano numbers were magnificently played with skill and finesse, thrilling the audience with their beautiful melodies.

Vocal numbers taken from "My Fair Lady" were welcomed with much enthusiasm as they were well presented by Mrs. Tiffany and Mr. Tiffany. Mr. Tiffany was narrator of the musical relative to the songs that were sung related to the story of "My Fair Lady" which is the current musical of today.

Following is the program as presented: Sonata in D. Koechel No. 448 (Mogart) allegro con spirito, Andante, Allegro molto—Mr. and Mrs. Young.

Selections from "My Fair Lady" (Loewe and Lerner) On the Street Where You Live, I Could Have Danced All Night—Mr. and Mrs. Tiffany.

Valse Romantique No. 2 (Chabrier)—Mr. and Mrs. Young. Thine Alone (Victor Herbert); Through the Years (Youmans); Wanting You (Friml)—Mr. and Mrs. Tiffany.

Scaramouche (Suite for two pianos) (Darius Milhaud), Vif (Wild and Furtoss); Modere (Soft and Sweet); Brazileira (Samba)—Mr. and Mrs. Young.

After the program, a social was enjoyed. The table was laid with white linen and silver. The centerpiece was red carnations flanked on either side with crystal punch bowls from which Mrs. J. M. Littlefield and Mrs. J. F. Cadenhead, Sr., daleaded punch to the guests. Large crystal servers held cake squares leed in white with a red musical note in the center. Crystal compotes were filled with mints and brass candlesticks held two lighted candles.

Members of the Social Committee were hostesses and the Decorating Committee gave color to the theme of the evening in their selected motifs.

The following guests enjoyed the treat of the season: Dr. and Mrs. E. Edwin Young and Mrs. Tiffany, guest artists from Abilene; Mesdames Jack McNutt, Oakley Teague, Richard Lunford, Bill Atchley, H. B. Hardwick, Harold Thomas, Earl Ash from Throckmorton; Mrs. Cliff Dodson and Mrs. Lynn Gillespie of Stamford.

Mesdames C. J. Robinson, Mart Clifton, Oscar Bruce, Tannye Squyres, C. L. Lewis, Jason Smith, M. R. Hemphill, Guy Harris, V. W. Meadors, Dan Collier, Joe Irby, Irene Ballard, J. H. Strain, Hill Oates, H. K. Henry, W. P. Ratliff, J. E. Zimmerman, R. H. Pitman, J. M. Littlefield, Kay

### Local Unit of AAUW Has First Meeting Of School Year

At 3 p. m. Sept. 29, 1957 the local unit of the AAUW met with Miss Madalin Hunt hostess. Miss Hunt was delegate to the Diamond Jubilee convention of the National Association of University Women which was celebrating its 75th year of service in the educational field, in historic Boston, Mass.

Miss Hunt brought and presented a resume that was indeed inspirational. With colorful slides, she illustrated the personnel, the activities and the scenes of AAUW National and International meetings of last summer. She also had the unique experience of boarding the replica of the Mayflower and reading the original constitution in the harbor at Plymouth. Her review of the beginning of the AAUW by 17 alumni of universities in 1881 to its present membership of 150,000 women in 1,365 local branches in 48 states, in Washington, D. C., in Alaska, Hawaii, and Guam. There are also forty-eight overseas member federations.

The local president, Mrs. Lillian Brown, presided during the meeting opened by a prayer for genuine togetherness, and conducted a vigorous business meeting which included plans for future meetings.

Beautiful and delicious refreshments were served by the hostess to the following: Mesdames Alice Partridge, Knox City; Anna Lee Benham, Benjamin; Ruth McGahey, Benjamin; and from Haskell, Hassie Couch, Mabelle Foote, L. J. Brown, M. Gibson, Rachel Stubblefield, Lucille Marlow, Irene Ballard. Members not able to participate were Mrs. Nova Thomas of Rochester, Mrs. V. W. Meadors of Haskell, and Mrs. Ina Cowan of Weinst.

HIGHLIGHTS AND SIDELIGHTS From Your State Capitol

By VERN SANFORD Texas Press Association

Flu Furor Fades

After the shock of the first flare-up, most Texans seemed resigned to living with the Asian flu threat for awhile.

Shoemaker's Policy Dropped

An Austin district judge has ordered the state receiver to stop paying premiums on A. B. Shoemaker's giant insurance policy.

Water Contests Are Back in the News

City of San Antonio has been trying for more than three years to get permission to take 100,000 acre feet of water annually from Canyon Dam to be built near New Braunfels.

School Bus Law

There still are people who don't observe Texas school bus law, say state officials. Seven were killed in school bus collisions last year.

House Speaker Waggoner Carr

added three more to the committee which is to study means for handling Texas' growing school population. They are Mrs. Will Miller of Corsicana, Nat Williams of Lubbock and Stone Wells of Houston.

Gov. Price Daniel, on hearing the President had sent in federal troops to enforce school integration, fired off a telegram to the White House.

U. S. Sen. Lyndon B. Johnson, who was in the State Capitol at the time for a Democratic women's gathering, said he was "concerned and disturbed."

U. S. Bureau of Crop Estimates says Texas' 1957 cash income, from all farm and ranch products, may be as much as \$200,000,000 higher than last year.

Actual statistics now in are not so rosy. Reports from the University of Texas Bureau of Business Research show cash income, as of July, down 13 per cent from July of last year.

"Farm income," says a BBR analysis, "is still the most depressed sector of the Texas economy, although rising prices and a better outlook for crops give some grounds of optimism."

Some attribute the poor cash showing in reports thus far to lateness of crops in areas where continued spring rains delayed planting.

Whatever final statistics show, most farmers and farm observers seem to regard 1957 as the beginning of better things. It rained. And though the rains may have washed out cotton, rotted melons and mildewed grain, it "put a season in the ground."

Little Rock Percussions News from Little Rock, Ark., brought expressions of concern and disapproval from the Texas Capitol.

Gov. Price Daniel, on hearing the President had sent in federal troops to enforce school integration, fired off a telegram to the White House. Such action, said Daniel, was "reminiscent of the tactics of Reconstruction Days."

"Does this mean you will occupy with troops every nonintegrated school in the South?" the Governor asked. "If so, your action will destroy the public school systems and good will among the races which most of us in the South have labored so hard to preserve."

U. S. Sen. Lyndon B. Johnson, who was in the State Capitol at the time for a Democratic women's gathering, said he was "concerned and disturbed."

"I think there should be no troops from either side patrolling our school campuses," said Johnson.

However, officials of the State Insurance Department spoke to the committee specifically and without hesitation. Commissioner William A. Harrison suggested need for possible legislation in four areas:

1. Board authority to determine the competence of management and to pass on management contracts. (Jack Cage Co. had a management contract with ICT.)

2. More board control over financial record keeping by companies.

3. Change in minimum capital requirements for organizing a company (presumably to require more capital.)

4. Changes in insurance investment restrictions.

O'Brien Gets First Win In Nine Years Over Paint Creek

O'Brien, with Danny Walsworth leading the way, scored his first victory in nine years over the Paint Creek Pirates, 20-8, at O'Brien Thursday night.

It was the opener of District 4 Six-man play for O'Brien and gave them a 3-1 season record. It was the second defeat of the season for the Pirates, who stand 1-3.

Walsworth fired three touchdown passes for O'Brien and kicked one extra point. In the first quarter he passed 25 yards to Jackie Cox and 50 yards to Jerry Covey.

In the second period, Paint Creek's Doug Sims intercepted a pass and scooted 20 yards to a touchdown with D. W. Gunn booting the conversion.

Then Walsworth heaved another pass to Cox from the five-yard line.

O'Brien's last victory over Paint Creek was 40-6 decision in 1948.

# Sagerton News

By MRS. DELBERT LEEFEVE

Mr. and Mrs. J. C. Kainer and Keith and Karen of Olton, former residents of this community, were guests in the homes of Mr. and Mrs. C. M. Latham of Stamford, and Mr. and Mrs. Emil Kainer last weekend.

Other guests in the Emil Kainer home Sunday were Mr. and Mrs. Melvin Lewis, Mr. and Mrs. Herbert J. Kainer, Mrs. J. D. Kupak and children of Rule, and Mrs. Bill Bradshaw and family of Anson.

The Sagerton Eagles 6-man grade school football team, defeated the Weiner team by a score of 60-6 last Tuesday night at Wetnet.

Mrs. Pauline Popp of Louise is here visiting with relatives. She came Monday to the home of Mr. and Mrs. Albert Stremmel. Guests in the Stremmel home Monday night were Mrs. Popp, Mr. and Mrs. Emil Kainer, Mr. and Mrs. August Stremmel, Mr. and Mrs. August Angerman and Mr. and Mrs. Edwin Stremmel and boys.

Mrs. C. C. Harshberger and children of Abilene and Mr. and Mrs. Leo Hardin and Don of Rule were guests of Mr. and Mrs. Edwin Stremmel and family Sunday. Mrs. Harshberger and Mrs. Hardin are sisters of Mrs. Stremmel.

Mr. and Mrs. C. C. Bredthauer and granddaughter, Joy Nierdieck were guests of Mr. and Mrs. Alfred Bredthauer and family in Stamford Sunday.

Guests in the home of Mr. and Mrs. Herbert Nierdieck Sept. 21 were Mr. and Mrs. Anson Tschelmann and daughters, Mr. and Mrs. Herbert Vahlenkamp and family, Mr. and Mrs. Bill Vahlenkamp and family, Mr. and Mrs. Alvin Bredthauer and family, Mr. and Mrs. C. C. Bredthauer, Mr. and Mrs. Gerhardt Oeltjen of La Grange, and Mr. and Mrs. Alfred Bredthauer and girls of Stamford. The occasion was Tommy Nierdieck's 11th birthday.

Mr. and Mrs. G. A. Lambert had their grandson, Rueben Lambert, Jr., who came from Lubbock in his plane to spend the weekend. Billy Tabor met him at the airport in Stamford and brought him to Sagerton. Mr. and Mrs. Gerald Lambert of Idalou came in to spend the weekend, so both the grandsons spent the weekend with their grandparents.

When it was time to go back, the Gerald Lamberts took their grandparents to the Stamford airport to watch Rueben (Taffy) take off, before they went back to Idalou.

Billy Tabor, Winston Ulmer and Carl Kainer, all students at Texas Tech, were here last weekend visiting with their respective parents.

Mr. and Mrs. Kenneth Stegemoecker of Clovis, N. M., visited here with Mr. and Mrs. F. A. Stegemoecker last weekend.

Mr. and Mrs. Reece Clark visited in San Antonio last weekend with A-1st Class and Mrs. Ted Terrell and their son, Clark Don. Elizabeth LeFevre, daughter of Mr. and Mrs. G. W. LeFevre, who attends beauty college in Lubbock, spent last weekend here with her parents.

Bro. Frank Knox and his family of Eula visited here with friends Saturday afternoon. He is a former pastor of the Sagerton and Tuxedo Methodist churches.

The Girl's 4-H Club met in the school lunch room Wednesday of last week with the county agent, Miss Wanda Greenhill. Jana Ulmer was elected president of the group; Linda Stremmel, vice president; and Linda LeFevre, secretary-treasurer. Joy Nierdieck is reporter and Patsy Clark is recreation leader. Sherry Counts was elected as council delegate. Joy Nierdieck will be clothing demonstrator for the coming year and Jana Ulmer will be bedroom demonstrator.

## Practice Safety At All Times While Boating

College Station—More and more Texans are taking to the water. Swimming, fishing and boating are among the most popular recreational activities. But with the increased participation in these activities has also come the chance for more accidents, warns Ed Cooper, extension wildlife specialist.

But Cooper points out that boating can be much safer if certain precautions are observed. First, advises the specialist, never overload a boat with passengers. Always find out how many passengers the boat can safely carry. Wear shoes and clothing that can easily be removed in case the boat sinks or capsizes. Have a life preserver for each passenger in the boat, especially non-swimmers.

If a motor is to be used, make certain that it is the proper size or horsepower for your particular boat. Be as cautious when steering a boat as you would steering a car. Learn and observe the rules of the water such as speed limits, yielding right of way, forbidden zones, etc. And, continues Cooper, be certain you ask an informed person about hazards in the lake or stream such as location of swift water, whirlpools, hidden obstructions, etc., before leaving shore.

Don't stand in a small boat unless necessary and be careful of your balance when doing so. Always have an extra paddle in the boat in case one paddle is broken or lost.

Wear clothing which will protect you from sunburn, concludes the specialist. Sunlight is intensified by reflection off water.

More than 250,000 people per year visit the Texas National Forests.

## JC's Make Plans For Supper to Be Held Oct. 10

Haskell Jaycees, in regular meeting at the City Hall Tuesday night, made plans for a supper Thursday evening, Oct. 10 marking the close of an attendance contest, and heard an informative talk on the work of Ground Observers Corps, by Sgt. Burkhalter of the Dallas Filter Center of U. S. A. F.

Bill Lusk was named program chairman for the supper meeting, to be held in the Highway Drive In. Hosts will be the losers in the contest, captained by Wilda Medford. Huey Bledsoe was captain of the winning group.

Sgt. Burkhalter, explaining the vital role of Ground Observers Corps, which is set up for operation during severe weather periods or any national emergency, praised the work of the local unit. He urged Jaycees to cooperate in the GOC program.

If not in conflict with Interscholastic League rules, Jaycees will sponsor local entries in a national essay contest for High School students on "What America Means To Me." Local winner would receive a \$25 Savings Bond given by Jaycees.

Following the general session, a meeting of Jaycee directors was held. Possibility of establishing a City Traffic Court was discussed and was approved as a project will be worked out. The proposed street widening program also was discussed, but no definite action was taken by the directors.

## David Jones Have Baby Boy—Not the David Josselets!

A fine seven pound, 15 1/2 ounce baby boy born Sept. 18 in the Haskell Hospital is the son of Mr. and Mrs. David Jones of Haskell, despite the fact that The Free Press through an error last week listed the parents as Mr. and Mrs. David Josselet, who live in Midland.

Mr. and Mrs. David Jones have named their baby son David Dwan. He is the couple's first child, and grandparents are Mr. and Mrs. B. M. Wade of Stamford and Rev. and Mrs. Jesse Jones of Haskell.

As a result of the newspaper error, Mr. and Mrs. Josselet were as surprised as any young couple could be when they came to Haskell during the weekend to visit their parents, Mr. and Mrs. Richard Josselet and Mr. and Mrs. Clay Hattox, and read in their hometown paper of the new arrival in their home!

Geographic center of Texas is near Brady in McCulloch County.

## Funeral Rites for Mrs. M. W. Rogers Held In Rule

Funeral service for Mrs. M. W. Rogers, 72, of Rule, wife of a pioneer West Texas physician, was held at 2:30 p. m. Saturday in the Rule First Baptist Church.

The Rev. C. A. Powell of Crowell officiated, assisted by the Rev. Rodney Dowdy, pastor of the Rule First Baptist Church, and the Rev. Robert Brown, pastor of the Rule First Methodist Church.

Burial was in the Rule Cemetery under direction of Pinkard Funeral Home.

Mrs. Rogers died Friday morning in Stamford Sanitarium following a two-week illness.

She was born Vera Johnson at Anson March 23, 1885, the daughter of the late Dr. and Mrs. A. H. Johnson. Her father was a Baptist minister and physician in Jones County during the late 1880's.

She moved to Rule in 1908, and taught piano and music in the Rule schools, and was married to Dr. Rogers Oct. 30, 1910 in Rule.

Mrs. Rogers was prominent in church and civic affairs. She taught a Sunday School class in the First Baptist Church in Rule for more than 40 years as well as holding other offices in the church. She was a past president of the Philadelphian Club and the Parent-Teachers Association.

Survivors include her husband; two daughters, Mrs. Frank Campbell of Rule and Mrs. M. M. Crawford of Wichita Falls; one sister, Mrs. G. R. Pritchard of Haskell, five grandchildren, and numerous nieces and nephews.

Burialbearers were R. D. Tanner, Douth Payne, W. O. Smith, Don W. Davis, Morris Neal, Ed Vermer, W. S. Cole, Roland Kelley. Honorary pallbearers were Frank Turner, Robert Turner, Dr. J. C. Davis, Sam Davis, Lennis Jones and the deacons of the Rule First Baptist Church.

The farm tractor, if improperly handled and used, can become a killer. Farm activities are now at a peak and this means that tractors and farm machinery must move over highways to and from the fields. The Texas Farm and Ranch Safety Council passes on this suggestion — courtesy makes friends and prevents accidents. Pull over for faster traffic to pass on the highway—it only takes a minute and might save a life.

Highest point in Texas is Guadalupe Peak, 8,651 feet.

More than a thousand varieties of birds make their homes in Texas.

## Proper Harvesting Adds \$2.50 to \$19 Per Bale Cotton

Proper harvesting and handling of seed cotton can add from \$2.50 to \$19 a bale to the income from this year's cotton crop, says Fred C. Elliott, extension cotton specialist. Careless methods of harvesting and handling on the other hand can cause great damage to lint quality and lower its value.

Here are his suggestions for maintaining the inherent qualities of the crop. Do not harvest cotton when it is wet. Wait until 9 or 9:30 to start harvesting operations regardless of whether hand or machines are used. Cotton harvesting machines should not be operated at when dew is present.

Machines should be kept clean and in good repair and serviced at the end of each day in accordance with the operator's manual. It must be remembered that the most elaborate gin cannot be expected to remove grass from lint cotton. Elliott advises defoliating when necessary. It will check or prevent boll rot and aid in preventing green leaf stain which lowers quality.

If a stripper is to be used, the specialist advises waiting from 7 to 14 days after penta or other dessicants are applied before starting the stripping operation. A green boll box should be used on the front of a wire-sided or slat-sided trailer and bolls caught, if infested with boll weevils or pink boll worms, should be burned. The stripper should be equipped with a blower under the elevator and cotton should not be tramped in the trailer.

Elliott says cooperation with the ginner in grouping cotton on the gin yard according to method of harvesting, moisture and trash content can add dollars to price of a bale of cotton.

Mechanical harvesting of cotton, points out Elliott, means much more than putting machines into the field. It includes all aspects of production including plant breeding, field arrangement, soil care, crop residue disposal, seedbed preparation, planting, fertilization, weed, insect and disease control, harvesting and improved ginning.

Egg producers are cautioned by Ben Wormell, extension poultry husbandman, that nicarbazin should not be used to control coccidiosis in laying flocks. Repeated tests have shown that it drastically reduces egg production and has other effects which are undesirable. It should be used only as the manufacturer directs.

The Pocket-size television cameras and smaller radio receivers for everybody are nearer to mass production as a result of new transistors.

## Scheme for "Slugging" Cigarette Machine Costs Throckmorton Man \$139

A Throckmorton man whose scheme for stocking up on cigarettes at cut rate prices ran contrary to law, paid two fines totalling \$139 in Justice Court Monday and Tuesday.

The culprit was fined \$69.50 on a speeding complaint and \$69.50 on a misdemeanor theft complaint, both signed by Sheriff Bill Pennington. A plea of guilty was entered in each case by the defendant.

Also, 74 packages of cigarettes the Throckmorton man had used "slugs" in securing from a vending machine in the Haskell County Hospital were recovered, Sheriff Pennington said. Also confiscated were approximately 1,000 "slugs" in the man's possession.

Members of the hospital staff had notified Sheriff Pennington Sunday, when they became suspicious of the man's actions in operating the cigarette vending machine at the hospital. While the officer was talking to hospital staff members, the suspect left hurriedly. Sheriff Pennington was able to get a glimpse of the license tag on the suspect's car, leading to his apprehension later Sunday in Throckmorton.
