

Kaye Webb Selected Scholarship Alternate

Kaye Webb has been selected as an alternate for a scholarship from the \$2,000 educational fund for children of Phillips Petroleum Company employees. She is the daughter of Mr. and Mrs. James P. Webb and graduated as the valedictorian of the 1961 senior class of Stratford high school.

Fred Willmon of Borger, a son of Mr. and Mrs. W. J. Willmon, and a nephew of Mr. and Mrs. C. E. Willmon, was one of the scholarship winners.

Nineteen Texas Panhandle high school graduates have been selected among the 50 winners of scholarships worth \$2,000 from the National Fund for Children of Phillips Petroleum Company Employees. The awardees for 1961 were selected from 145 candidates who had qualified to take the scholastic aptitude test of the College Entrance Examination Board on May 20.

Borger students who have been awarded scholarships to any accredited college or university of their choosing are: Fred Willmon, Ronald Cogdill, John Davis, Michael Feighny, Ed Mahler, Richard Stewart, Twila Guyness and Byrdie Wilson.

Phillips, Texas winners include: Tommy Birch, Leon Chester, J. H. (Ricky) Rickard, Joyce Chapman and Jean Wilcox.

Other recipients of scholarships from this area include: Kristi Brown of Pampa, Margaret Conyers of Fritch, Joyce Coatney and Sammy Dawson of Dumas, and Jerry and Terry Irwin of Amarillo.

Selected as alternates were: Kaye Webb of Stratford, John Fruit and Ed Shipley of Borger, Amanda Flick of Phillips, J. W. (Larry) Anderson of Stinnett and Jerry Davidson of Gruver.

Each of the 50 scholarship awards provides \$500 annually during four years of college attendance, subject to the maintenance of a satisfactory record by the awardee.

The scholarship fund was established in 1939 for the purpose of aiding children of employees of Phillips Petroleum Company and its subsidiaries in obtaining a college or university education. More than 550 young people have obtained an education as Phillips scholarship holders, under awards totaling over one million dollars.

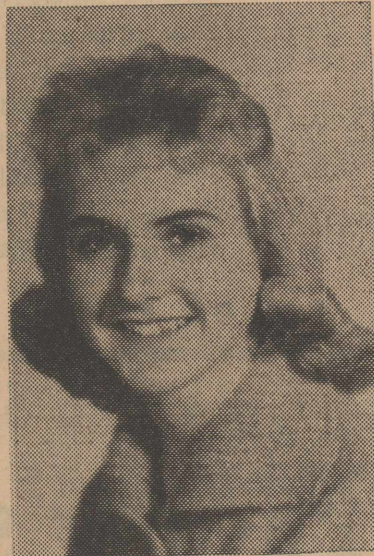

High school students from 67 towns in 15 states took the 1961 aptitude test.

Texans To Pay Hike In Car Insurance

Texans who are irked at the prospect of an auto insurance rate increase should take note that they've had a year's reprieve since the increase was indicated, says the Insurance Board chairman.

Claim costs indicated that a rate increase was justified last year, says Chairman Tom Ferguson, but the Board postponed making it because the safe driving plan had just gone into effect.

In that 12-month interval, said Ferguson, drivers actually paid \$20,000,000 less in insurance premiums than cost figures show they should have. As a consequence, he said, companies absorbed a \$20,000,000 deficit.

Billy Flores Encourages Flying Flags

Billy Flores, 7-year old son of Mr. and Mrs. Joe P. Flores, wondered why flags were not displayed on special occasions by more people and had his parents order some for him to sell.

Monday he sold 14 3x5 foot plastic flags that were ordered. Tuesday, July 4, he was very thrilled when he saw them on display at the homes of the purchasers.

Beauty Spot Of The Week

A bed of mixed flowers at the home of Mr. and Mrs. W. O. Bryant has been selected by ladies of the Stratford Garden Club as the beauty spot of the week.

These flowers in the front yard near the house were protected from the recent hail storm which destroyed the beauty of the flowers in many yards.

New Books Loaned To County Library

Several new books have been loaned to the County Library by Chapter No. 38 of the Stratford John Birch Society.

The new books include: Why People Become Communists and America's Allies by Alex Mohr, A Business Man Looks At Communism by Fred C. Koch, No Wonder We Are Losing by Robert Morris, Mental Robots by Lewis Albert Alesen, M. D., The Pentagon Case by Col. Victor J. Fox, Propaganda In American Schools by Verne P. Fike-Combs Vows Read In Church Wedding

MRS. FLOYD COMBS

Amid a beautiful setting at 4:00 o'clock in the afternoon Saturday, June 24, at the First Baptist Church in Dalhart, Miss Madeleine Fike became the bride of Floyd Combs.

Rev. W. R. Lawrence of Clarendon, a former pastor of the church, officiated. He was assisted by Rev. Jack Pearce, present pastor.

The bride is the daughter of Mr. and Mrs. King Fike of Dalhart and a granddaughter of Mrs. V. M. King of Stratford. The bridegroom is the son of Mrs. Kay Wingert of Boise City, Oklahoma and Harold Combs of Mason, Michigan. Immediately following the ceremony, Mr. and

Mrs. Fike held a reception at the Dalhart Country Club for all the wedding guests.

A program of nuptial music by organist Mrs. O. B. Phillips was played as a prelude. The selections were "I Love Thee" (Greig); "Theme from 'Romeo and Juliet'" (Tschalkowski); "Romance" (Rubinstein); "O Perfect Love" (Barnby); "Liebestraum" (Liszt).

Mrs. Phillips accompanied Miss Marilyn Murphy, soprano, as she sang "Oh Promise Me" (De-Koven); and "Because" (DeHardelot) prior to the entrance of the wedding party and "The Lord's Prayer" (Mallote) as the wedding prayer. The Bridal Chorus from "Lohengrin" (Wagner) was the processional and the Wedding March from "A Midsummer Night's Dream" (Mendelssohn) was the recessional.

White satin draped the choir railing and was caught up at intervals with heavy white silk cord, Emerald leaves and votive candles. The steps leading to the altar were covered in white with an archway of smilax forming the background for the pledging of the vows. A cascading arrangement of white stock and pompons was across the top of the arch and the same flowers were at its base.

A soft glow was radiated over the bridal party from the votive candles burning in the tiered candelabrum, entwined with smilax, on either side of the altar. The bridal aisle was marked by the votive candles and white satin bows.

The candles were lighted by Margaret Fike, sister of the bride and Miss Helen Mitchell.

Preceding Madeleine to the altar were four attendants wearing frocks of silk organza in Capri blue with taffeta underskirts. The frocks were designed with molded bodices, puff sleeves and full skirts. Circlet veils of blue net were held in place by flat velvet bows in a deeper shade of blue and they wore matching satin slippers.

Each attendant carried a ball (Continued on Page 6)

Walter Rogers Takes Up Battle For Sugar Beet Allotments

(By Walter Rogers)

Last week I introduced House Resolution 364. This Resolution calls for the creation of a Select Committee of nine members of the House of Representatives to conduct an investigation of the sugar program. I had hoped that this would not be necessary, but after patiently watching blocking tactic after blocking tactic employed by the sugar interests who now have a strangle hold on this part of our economy, I concluded that the American people were going to be robbed of the facts and the American farmer of his right to produce sugar unless exceptional action was resorted to.

Obtaining passage of this Resolution will be no small task. The present powerful sugar interests will resort to every possible device to continue their control of this lucrative business. Although the American farmer can produce more than enough sugar to meet the demands of this country, these sugar interests are so powerful that they are forcing the importation of 45 percent of our domestic needs, or approximately 4.5 million tons. At five

Legislators waxed both heated and hopeful in the last round of public hearings before the committee appointed by Governor Daniel to study all tax plans and suggest a compromise.

Committee, mostly made up of board chairmen of state agencies, is to select ideas or merge them into a recommendation to be offered at its final meeting July 6 and 7. The special session of the Legislature to enact a tax plan begins July 10.

Rep. Reed Quilliam of Lubbock said he felt the people should see clearly what their choices are — a sales tax, income tax or sharp decline in state services.

Reps. Charles N. Wilson of Trinity and Maco Stewart of Galveston suggested a plan that would combine a 2 per cent general sales tax with exemptions, and a 6 per cent corporation profits tax.

Sen. Grady Hazlewood of Amarillo apparently favored a sales tax. He told the committee he thought the governor had been asleep, Rip Van Winkle fashion, since 1939 when Governor Daniel, then a House member, was one of the "Immortal 56" who blocked a sales tax. Hazlewood pointed out that the state has had a population explosion and an 800 per cent increase in cost of government since then.

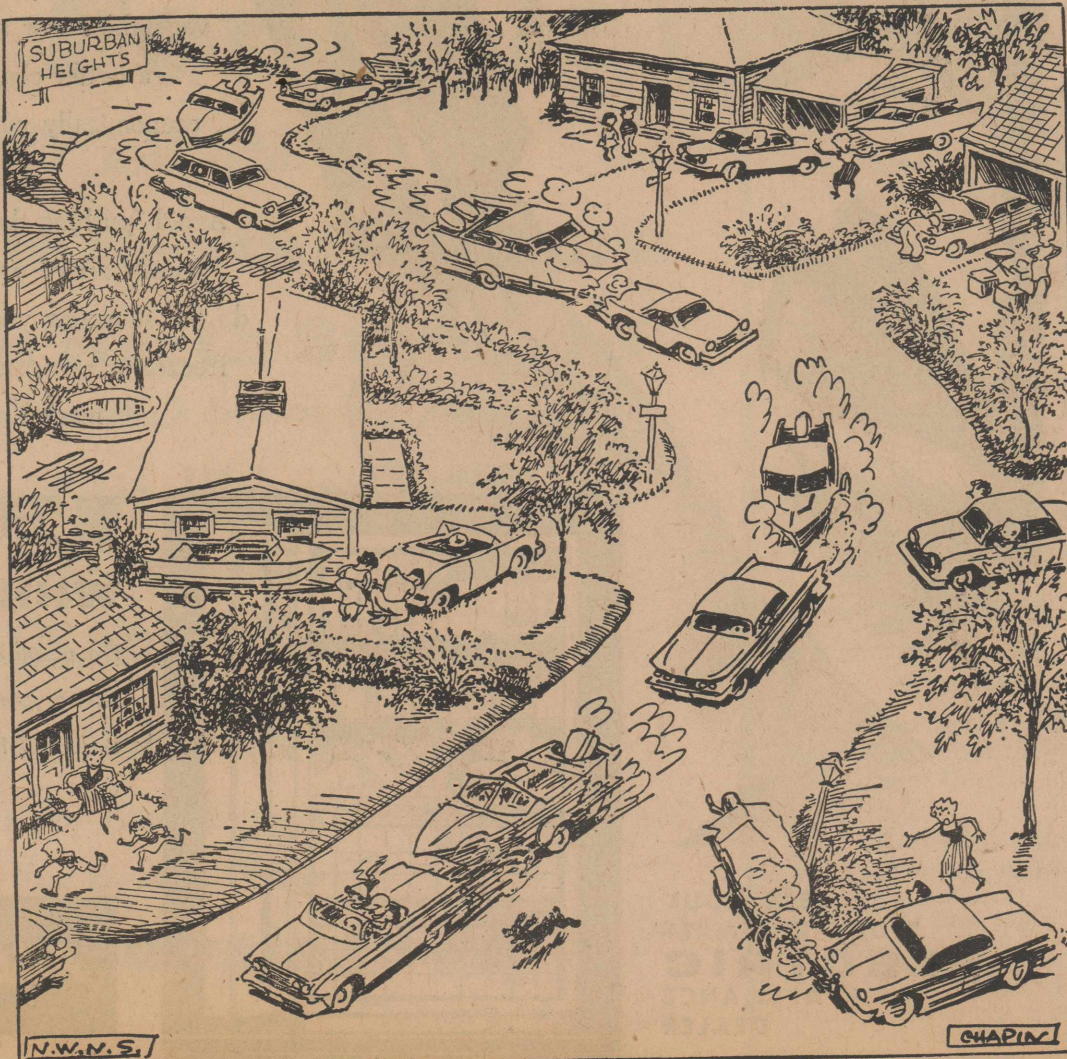

Have Three County Fair Wheat Samples

Sherman County farmers did a wonderful job in producing a bumper wheat crop of good quality wheat this year. In their rush they have overlooked turning in their wheat samples at the County Agents office to be entered in the County Fair.

Only three samples of the wheat, have been turned over to the county agent.

Producers are requested to turn in their samples to be prepared for an exhibit at their earliest convenience.

Baptist Circle Meets With Mrs. Butler

The Marjorie Stevens Circle of the Baptist W. M. U. met June 28 at 2:30 p. m. in the home of Mrs. E. W. Butler, with Mrs. Butler, Circle chairman in charge of the meeting.

Mrs. E. B. McQueen led the opening prayer. Minutes of the previous meeting were read and approved. During a brief business session, the circle voted to send sheets and towels and a cash offering to the Baptist Association missionary to the Mexicans, who lives in Dumas. "Lord, Teach us to Pray", was the subject of the program, led by Mrs. W. E. Pleyer. Others taking part on the program were Mrs. W. P. Brooks, Mrs. W. O. Cook and Mrs. Elma McDaniel.

The closing prayer was led by Mrs. Brooks.

Following the close of the program, Mrs. Butler served fruit punch and doughnuts to Mesdames W. P. Brooks, W. O. Cook, Mollie Ellison, W. D. Ellis, Elma McDaniel, E. B. McQueen and W. E. Pleyer.

The next meeting of the circle will be July 12, in the home of Mrs. W. P. Brooks.

Christian Healing

"... There met him out of the tombs a man with an unclean spirit... And the unclean spirits went out." — Mark 5:2, 13

It is recorded in the quotations above (read all of St. Mark 5) how Jesus reached into the distracted mind and heart of a demented person and gave him peace.

In recent years much has been done about the problem of polio, cancer and other physical diseases. But until recently, very little about mental illness.

In our modern world mental illness is increasing steadily — due, in great part, to the greater tensions of modern living.

Christian healing is a controversial subject among the denominations. There can be no doubt, however, that the strength, peace and calm inspiration that can be found in Christianity, can aid those who are mentally distressed.

Part of the healing is beyond the power of man.

cial security benefits as soon as they are 62." Hal Geldon, Social Security Manager advised today. "It would be even better if they applied a month or two before they are 62. Of course no one should delay, but widows in particular should be careful to apply for benefits promptly."

A woman's benefit based on her own account, or on the account of a living husband is reduced if she applies before age 65, but a widow's benefit is not reduced and the full amount is paid at age 62.

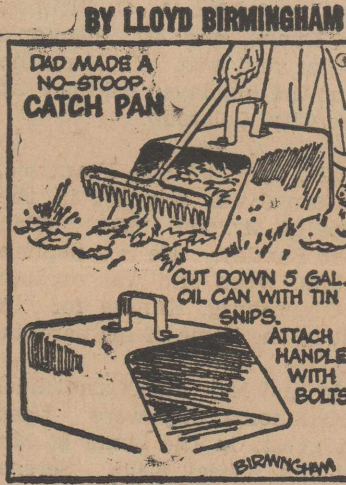

"So, if you are a widow," Geldon explained, "And you were once paid a lump-sum or monthly benefits, you should apply again when you are 62. In fact, you can speed your first

check by applying thirty or sixty days before".

ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

No other wagon can match Ford's features (or popularity!)

There's a whole wagonload of Ford features that only America's station wagon specialists can bring you.

First, there's more room. Ford's extended load deck is the longest and widest in its field. The tailgate opening is seven inches wider than last year, too.

There's more convenience. You can have an electrically controlled roll-down rear window in any Ford wagon... it's standard in all Country Squires and 9-Passenger Country Sedans. In their field, only Ford wagons

have all seats facing forward.

There's more distinction. The Country Squire (shown above) is the one and only wagon in its field with body panels that look like mahogany, wear like steel.

There are more savings, too. Ford's Ranch Wagon is America's lowest-priced,* full-size wagon. And like all Fords, every Ford wagon is built to be more service-free: goes 30,000 miles between chassis lubrications, 4,000 miles between oil changes, brakes ad-

just automatically, mufflers are made to last three times as long as ordinary mufflers, and the finish never needs waxing.

STOP putting off that station wagon you've always wanted. SWAP for a '61 Ford wagon now while your Ford Dealer's celebrating record-breaking sales. SAVE with the wagon America loves most... made by FORD... America's station wagon specialists for 32 years!

Texas Farmers And Ranchers Reject Omnibus Farm Bill

The president of the largest farm organization in the state declared this week that most farmers and ranchers in Texas reject the Administration's omnibus farm bill which Agriculture Secretary Freeman proposed during his visit to central Texas last week end.

J. H. West, president of the 100,000-member Texas Farm Bureau, said that organizations presenting only a small minority of Texas farmers and ranchers had actually endorsed the Cochrane-Freeman farm bill.

"According to reports we have received", West stated, "many people over the state and nation are given the false impression that Texas farmers and ranchers were united behind the Administration's bill".

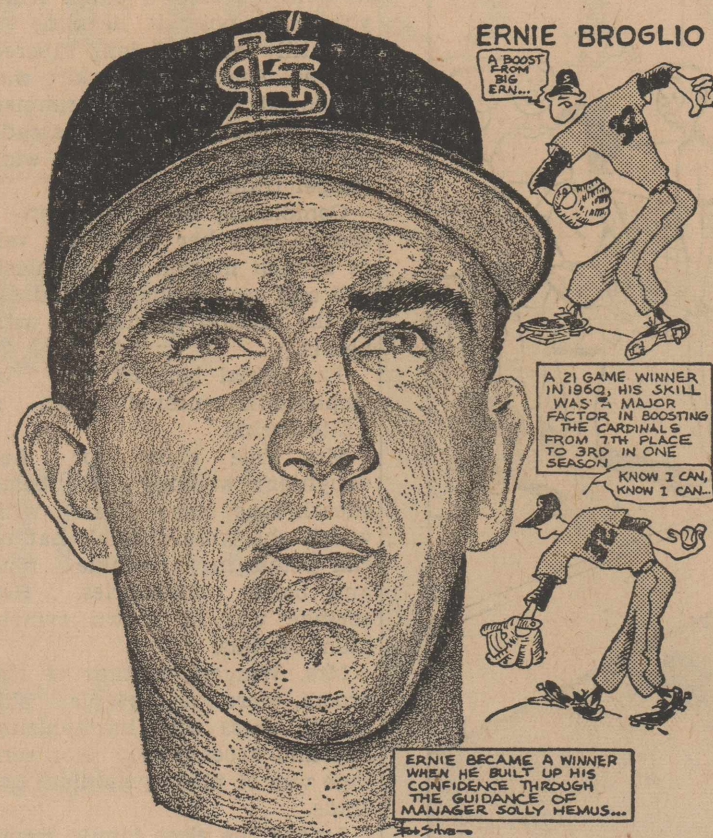

A meeting of farm organizations over the state was called in Waco on the eve of Freeman's visit. The purpose of the meeting, according to Alex McKie Jr., of Denton, president of the Texas Farmers Union, was to endorse the Kennedy farm program. Dickie exhorted

ed "all" farm groups to attend and sign a resolution of endorsement. Only three organizations signed the resolution which was presented to Freeman at Rosebud. Agriculture Commissioner John C. White stated that he had received six other "proxies" which were added to the resolution.

White, who helped promote the meeting, said organizations which formally endorse the Administration's farm bill are: Texas Turkey Growers, Texas Sesame Producers, Texas Federation of Cooperatives, Texas Grange, Texas Farmers Union, Old Cottonbelt Association, Southwestern Peanut Growers, Grain Sorghum Producers and Texas Wheat Producers.

"The Texas Farm Bureau, largest general farm organization in the state by at least ten times, was not invited to this meeting", West said. "Even if we had been invited, our policies which are diametrically opposed to the principles behind the Cochrane-Freeman bill, would not have permitted our endorsing

Babes Of Wild Picked Up At Your Own Risk

Despite warnings to refrain from picking up young of the wild, the practice persists in many areas, according to J. B. Phillips, assistant director of law enforcement of the Game and Fish Commission.

"Wardens all over the state have been notified to make arrests where violations are reported", he says. "Too many people are inclined to pick up baby animals, especially fawn deer. These animals have a much better chance of survival in their native woods than they do in the city, even when bottle fed".

He also pointed to the danger of having these animals for pets when they grow up. There are

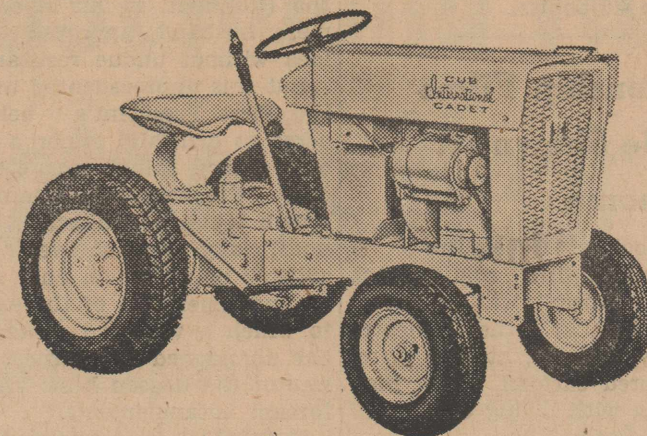

many instances where the animals will revert to the wild and seriously injure the person who raised them.

Phillips also warns against molesting birds or tampering with other young wild game. "Some heavy fines have been

paid in recent weeks by persons who failed to heed this warning", he said. "We hope it stops".

Seeing is believing, but as often as wives see their husbands, they still don't believe them.

Check Stations For Deer Kill Are Discontinued

Deer checking stations generally over the state will be discontinued during the next hunting season. This has been announced by H. D. Dodgen, executive secretary of the Game and Fish Commission.

Last year a full-scale deer check station was maintained at Llano, and others in Northeast Texas.

They were manned by biologists seeking information about the age and other characteristics of the deer killed. These check stations also established the number of deer taken, both in does and bucks, and the num-

Local Showers Dot Territory

Local showers have continued to fall over the territory during the current week. A sudden downpour in Stratford Saturday night registered 1.01 inches. Sunday afternoon .03 of an inch of rain was recorded in Stratford while downpours fell to the northeast which were reported to range from 1.5 to 2.5 inches.

ber of hunters who took them. "They have served their purpose in many areas, and we feel little more good can be accomplished by them, except in a few counties where information of this kind is not available", he said.

Maintaining the check stations is expensive to the Commission. Also, in many instances, it has meant that hunters had to go out of the way to check their kill.

"The results, however, were most helpful and helped us to establish biological information necessary to our research work", the director said.

Citizenship Films To Be Shown At Texhoma

"A Look at Capitalism", "A Look at Socialism", and "A Look at Communism", will be shown in Texhoma at the Theatre Tuesday, July 12, at 8:00 p. m. A featured cartoon, "Why Play Leapfrog with Living Costs" will also be shown.

These films are produced by the National Education Program and are very informative and timely. The program is free and the public is invited, according to an announcement made by Gwen P. Freeman.

It Pays to read Star ads.

It May Be Haunted

It was Mrs. Jacqueline Kennedy's idea, we are told, to give a state dinner on the lawn of Mount Vernon, whose owners, the Mt. Vernon Ladies' Association had previously offered the First Lady the use of the estate.

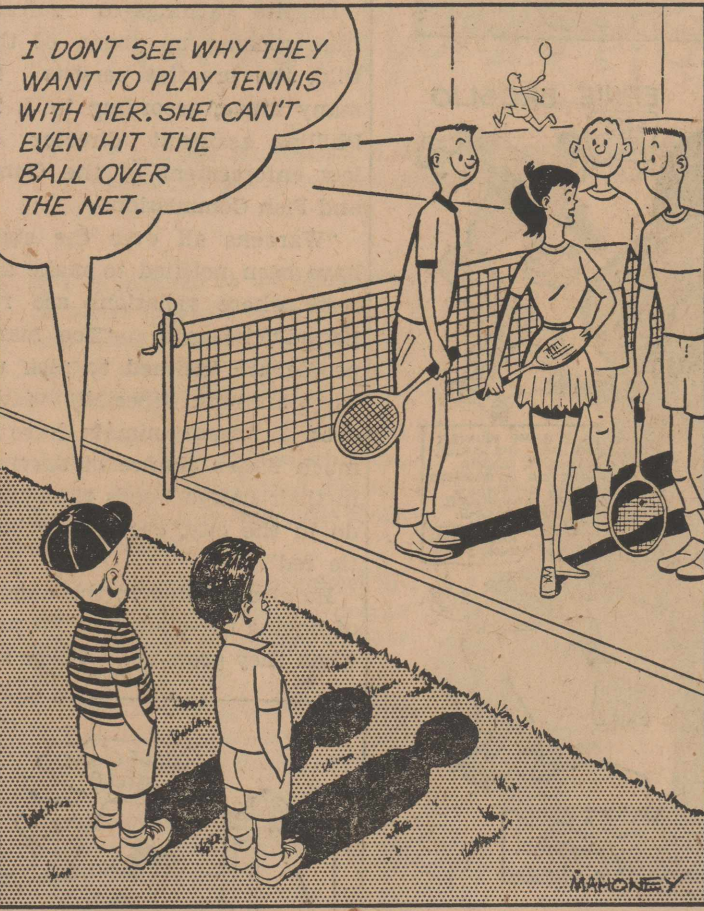

There can be no doubt in the mind of any American who has ever visited this very special national shrine but that it furnishes an idyllic setting for a summer night's dinner-on-the-lawn state or private, formal or informal. And we suspect that the President, in his role of mere husband, approved the idea without undue resistance.

But this unprecedented use of the First President's beloved acres to officially honor a foreign prince (albeit an elected one, President Mohammed Ayoub Khan of Pakistan), and unofficially exclaim over the artistry of a French chef, may remind Americans of the extent to which a wayward America has abandoned the earnest advice of the unseen host: "Avoid foreign entanglements."

If July 11th is an uneasy night for the shade of George Washington, so should it be for the rest of us — especially those Congressman and Senators who are expected to vote for the latest foreign aid bill.

Don't be as uncertain as the weather — use Star ads.

of white tulle studded with blue pompons and blue satin loops, held by wicker links.

Maid of honor was Miss Marian Fike, sister of the bride. The bridesmaids were Mrs. Grover Walker, Mrs. Donn Monroe of Gruver and Miss Deanna Chandler.

The candelighters wore similar frocks in blue, complemented

by cummerbunds, velvet hair-bows and wristlets of blue pompons.

Gary Combs served his broth-

er as best man and the ushers were Harvey Pate, Roy Sudarth and Leland Heiskell.

Mr. Fike gave his daughter in marriage. The bride's exquisite princess style gown of silk peau de soie featured a panel front yoke and portrait neckline of Chantilly lace and long tapered sleeves. The bouffant skirt was appli- qued with pearl trimmed lace medallions and a cascade bustle back fell into a wide chapel train.

Completing the bride's ensemble was her finger-tip veil of French illusion with blush veil and secured by a headdress of the illusion sprinkled with pearls.

The bridal bouquet was of stephanotis centered with a white orchid.

Mrs. Fike chose for her daughter's wedding a beige sheath-type lace dress with which she wore a small hat of silk petals in periwinkle blue and beige accessories. Her corsage was of brown cymbidium orchids.

Mrs. Wingert, mother of the groom, wore a purple silk sheath dress with harmonizing hat and accessories. Her corsage was of pink sycidium orchids.

Among the close family members in attendance was Mrs. V. M. King of Stratford, grandmother of the bride. She was wearing a corsage of brown cymbidium orchids.

The reception guests were

registered by Mrs. Clancy Cummings and served by Mrs. Bill Hunter. Mrs. Allyn Finch and Mrs. Gilbert Childers. Assisting were Mrs. Harry Conner, Mrs. W. D. Henson, Mrs. Eddie Jones, Mrs. B. W. Shipley, Mrs. Fain Cesar and Mrs. Robert Langhorne.

The bride's table was covered in white tulle over white satin and garlanded with smilax. Slightly in the forefront of the prettily decorated wedding cake

were white roses in a silver basket. White tapers burned in silver candelabrum, entwined with the smilax, on each side of the central adornment. At one end of the table was a silver coffee service and at the other, a crystal punch bowl.

On departing for the wedding trip, the bride was attired in a navy blue suit of silk and wool, a small hat of white nylon chiffon navy blue accessories, and the orchid from her bridal bouquet.

can only be understood by a scientist. I would warn you that the only science involved in the sugar problem is the science of a few monopolists lining their pockets with gold at the expense of the American farmer.

As I said, obtaining passage of House Resolution 364 will not be a simple task. But I would venture the prediction that if this Resolution is passed and full facts surrounding the sugar transactions during the past several years are made public, it will produce a rather sordid picture.
