Class 80-01 graduates

51 fledgling aviators earn AF pilot wings

Fifty-one fledgling aviators will receive their Air Force pilot wings today during ceremonies for Undergraduate Pilot Training Class 80-01, the largest graduating class here in more than five years.

Class 80-01, graduating 17 more pilots than Reese's previous class, is the first of the new wave of 50-plus member classes here.

Graduation ceremonies are scheduled for 10 a.m. today in the base theater. A special dinner-dance is slated for 6:30 p.m. at the Officers Club.

Guest speaker for today's graduation will be Brig. Gen. Mele Vojvodich, deputy chief of staff, Technical Training, Headquarters, Randolph AFB, Texas.

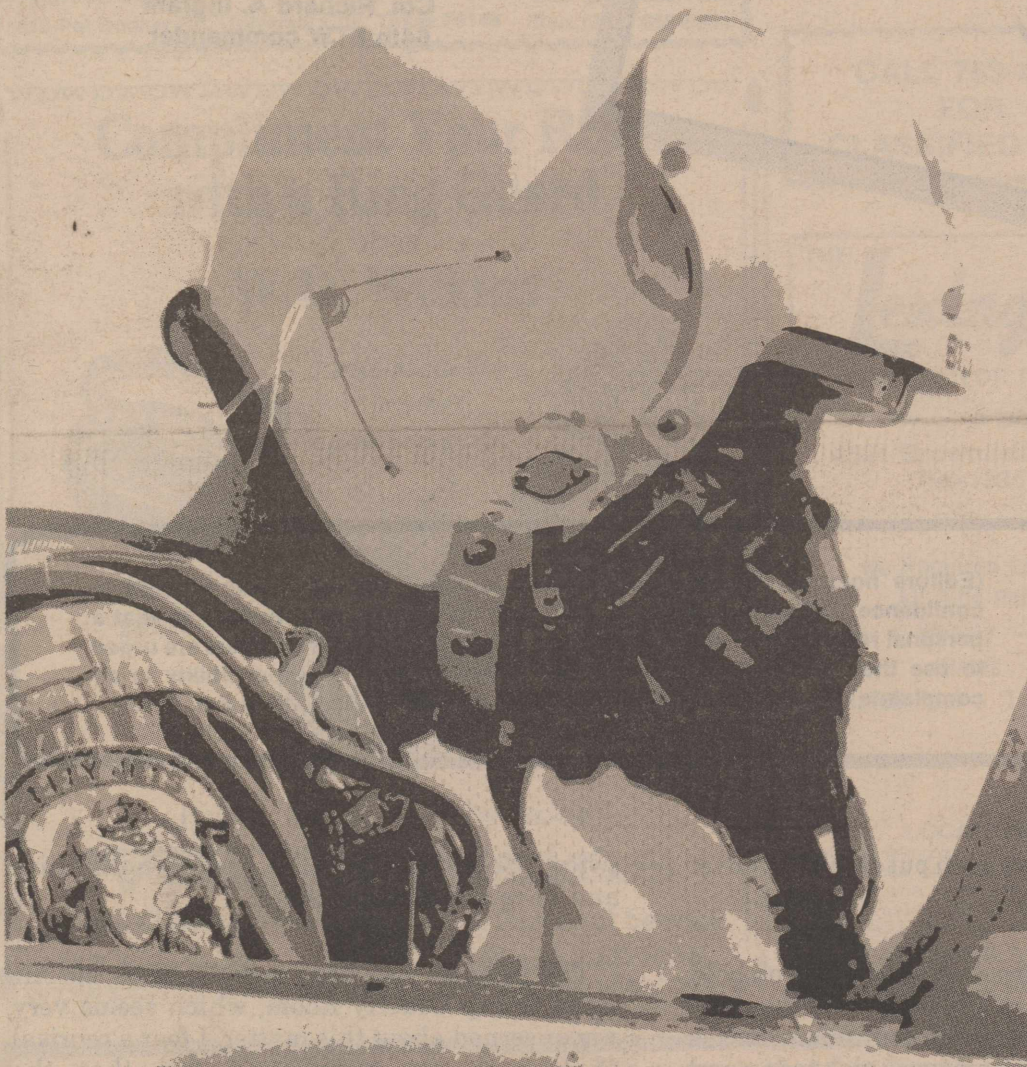

A command pilot with more than 6,000 flying hours to his credit, General Vojvodich logged 125 combat missions in the F-80 and F-86 in Korea and added 135 combat missions in the F-4 Phantom in Southeast Asia.

Class commanders for Class 80-01 are 1st Lt. Howard Johnson, T-37 phase, and Capt. Wayne Lutz, T-38 phase. Section leaders for the class are Capt. John M. Byrne, Section-one, and 1st Lt. Robert J. Pierce, Section-two.

Lieutenant Pierce is one of four graduates who will have their wings presented by their fathers. His father is Lt. Col. (ret.) Robert J. Pierce. Others are 2nd Lt. Jonathan M. Brick, son of Navy Capt. (ret.) John H. Brick; 2nd Lt. Mark L. Gibson, son of Harold C. Gibson; and 2nd Lt. William L. Nichols, son of Lt. Col. William Nichols.

In addition, Maj. Arne Hove, Norwegian chief of Flying Training, will present the wings to the four Norwegian graduates in the class.

Class 80-01 began training Nov. 28, 1978, entered T-37 training in January and started T-38 training in May. Forty members of the class are Air Force Academy graduates, four earned their commissions through the Reserve Officer Training Corps, two are members of the Air National Guard, another is an Officer Training School graduate and four are students from Norway

Last ride

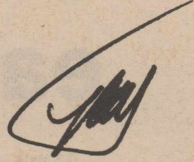

Second Lt. Bill Koch scans the instrument panel of a T-38 Talon while getting ready for his last training flight. Lieutenant Koch is one of 51 students in UPT Class 80-01 scheduled to receive their wings today. (U.S. Air Force photo)

(Continued on page-7)

Today is the last official day of this year's Combined Federal Campaign. The whole Lubbock area is some \$300,000.00 short. It's important to note that Reese is short over \$7,000.00 of our goal. The tragedy is — THE NEED ISN'T SHORT — if anything, it's growing.

If you haven't given, and want to, call me or see your key worker. Let's do our best — our very best for those in such need.

Col. Richard A. Ingram
64th FTW commander

CARE Line

(Editors note: All information provided to the CARE Line will be held in confidence. Callers are urged to give their name and duty number so that a personal reply may be made, however, neither are mandatory. Callers are urged to use their chain of command or the office of primary responsibility to air complaints or comments if possible. If not, call the CARE Line at Ext. 3273.)

Air Force Times

About two weeks ago the Air Force Times had an article about whether the green T-shirt is mandatory or not. The Air Force Times said it was not mandatory.

The last time I went up to the clothing sales they said it was. I would like to know who is right, the Air Force Times or clothing sales?

Dear green shirt:

This time the Air Force Times is right. On Oct. 1, a message from the Air Force Manpower and Personnel Center stated "the white undershirt can still be worn with the subdued uniform until further notice."

This information was printed in the Base Bulletin, dated Oct. 23.

Hospital Appointment

We have tried for four days to make an appointment for me at the hospital and for the

past four days we have been put on hold for over 20 minutes at a time.

Friday my husband called and he was on hold so long that at 4:30 p.m. the little machine came on and said, "Sorry, but the appointment desk is closed..." I am home from work sick today and I can't even make an appointment. Could you please find out what they are doing over there?

Dear Put on Hold

Please accept our sincere apologies for the inconvenience caused you. We presently have only one appointment clerk but expect to have an additional one within the next two weeks. The additional clerk and the newly installed telephone equipment should alleviate any future problems of this nature.

Dormitory problem

I live in dormitory 420 here and for the past two days, all three dryers have been completely inoperative. Our bay chief has been notified

twice. Other times we have tried to notify him and he is never really there.

The problem has been mentioned to the Air Base Group Orderly Room, which seems very unconcerned about this matter. I fear a reprisal if I gave my name and feel that the mismanagement on the part of the orderly room and uncaring attitude are responsible for my attitude and opinion.

Dear Broken Dryers,

Rest assured your orderly room does care about the washer/dryer situation and is taking aggressive action to get to the root of the problem. We know the problem with the dryers continues to be vandalism.

The contractor made the repairs each day but he is not liable for vandalism and these recent incidents have cost the government \$81, above and beyond the contract cost. If vandalism continues at the present rate, very strict measures will be taken.

THE ROUNDUP is an unofficial newspaper published in the interest of personnel at Reese AFB under contract with Barron Publications, Inc., mailing address: P.O. Box 2415, Lubbock, Texas.

Publisher's Statement

"Everything advertised in this publication must be made available for purchase, use or patronage without regard to the race, creed, color, national origin or sex of the purchaser, user or patron. A continued violation or rejection of this policy of equal opportunity by an

Reese CFC officials fight to reach goal

by Capt. Ron Bailey
 CFC project officer

community who suffers needlessly lessens the quality of life for all of us and sooner or later we as a community will pay for it.

this reason I feel that we can come through for this year's CFC, and at least match what we gave last year. And we still need to reach many who have not yet given, either because they have not been asked or were not able to give at the time. (Remember, payroll deductions don't even start until January.)

The United Way and other agencies are not charity, they are a means whereby people can be helped to help themselves, without a loss of dignity and self-pride. It is a way in which children can be taught the values of morality, integrity and respect and at the same time develop their bodies and spirits. United Way is many things to many people, but first and foremost, it is caring, concern and a social consciousness that extends from those of us who can help to those who need help.

We still need your help, for the success of the campaign is directly dependent upon you, the giver. Your key workers are still around to help show you how easy it is to fill out a pledge card and by doing so help someone else. If you do not know who to contact, or need some information, call me, Capt. Ron Bailey, at ext. 3392 and I will be happy to help in any way possible.

In my two years here, I have come to respect the Reese community for its pride, caring and civic mindedness. And for

For it is because of you, each and everyone, that the CFC works!

The end is near and things are looking dim for this year's Combined Federal Campaign. The Reese Community needs \$8,500 to pull it out. And we can still do it.

The goal is attainable, in fact, it is \$1,277 less than was collected last year. The money is out there, but our problem is convincing people that the need truly exists and that they can help by giving.

We know that every Reese person and family is hurting because of inflation and it doesn't look as if there is going to be any relief in sight. But stop and consider two things: first, if you are feeling the effects of inflation, etc., how badly must those who must depend on the United Way agencies be hurting. Secondly, every man, woman or child in our

Two Reese airmen get AECP selection

Two Reese airmen are among the 163 Airman Education and Commissioning Program applicants selected to enter the program in Fiscal Year 1980.

Reese selectees are Amn. Frederick M. Dedolph, 64th Supply Squadron, and A1C David J. Ducharme, 64th Field Maintenance Squadron.

Airman Dedolph will study computer science while Airman Ducharme will major in electrical engineering. Airman Ducharme was one of four Reese students to receive a Community College of the Air Force associate in applied science degree here last week.

Selectees will enter the program during fiscal 1980 for degrees in computer technology and aeronautical, electrical, astronautical industrial, nuclear and mechanical engineering.

More than 130 slots remain for the February board in the same academic disciplines.

Airmen not selected the first time considered will automatically be considered again by the Feb. 26 board, along with new applicants for fiscal 1980 AECP entry.

The program provides selected airmen the opportunity to obtain a science or engineering degree while on active duty. After award of the

Tests unit

SrA David Ducharme, 64th Field Maintenance Squadron, tests some navigational equipment. Airman Ducharme is one of two Reese airmen who have been selected for the Airman Education and Commissioning Program. (U.S. Air Force photo)

degree, they attend Officer Training School and receive an Air Force commission.

To OTS

Base loses good NCO

Reese has lost a good NCO.

SSgt. Willard K. Singletary was such a good NCO, in fact, that he was selected to attend officer training school at Lackland AFB, Texas.

Sergeant Singletary, formerly of Det. 11, 24th Weather Squadron, departed Monday for three months of intensive training which will culminate with his assignment to Scott AFB, Ill. as weather officer.

The future second lieutenant

is not new to the weather field; all 12 years of his Air Force career have been spent with the Air Weather Service. In addition, he has an Associates Degree in weather forecasting and a bachelors in general studies.

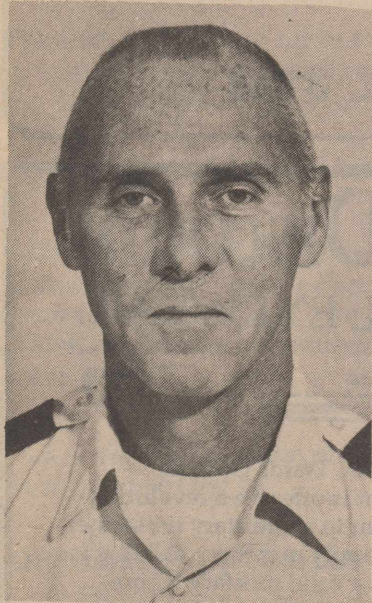

Sergeant Singletary's wife, Carolyn, has been living in Ft. Worth while he finished the application procedures to OTS and they will be reunited upon his graduation on Feb. 14, Valentine's Day.

Catholic chaplain

Chaplain (Maj.) John P. Lenihan is Reese's new Catholic chaplain.

A native of Chicago, Chaplain Lenihan arrived at Reese from an assignment at Izmir, Turkey.

Chaplain Lenihan is a 1956 graduate of the University of St. Mary of the Lake.

HOMEBUYERS SEMINAR

A free seminar for homebuyers will be presented Thursday, November 8 at Evans Junior High School, 4211 58th Street. The program is designed to help anyone now actively seeking a home or those planning to buy in

the future understand the steps involved in purchasing a home.

The seminar is sponsored by the Lubbock Board of Realtors and is open to the public. Speakers will discuss how to reconcile "home wants" with ability to pay, tax savings of homeownership, homeowner's insurance, information for "singles" buying homes, and how closing costs are determined.

The financial section will cover conventional financing, VA and FHA programs, as well as some new financing programs available. A question and answer session will follow the panel discussion.

Speakers are Marland Ribble, Lubbock National Bank; John Neal, Sentry Savings Association; John Malloy, Accounting Department, Texas Tech University; Mike Woolley, Farmers Insurance Group; Arling Callaway, First American Title; and Moderator, Darryl Berry, President, Lubbock Board of Realtors.

"Demand for housing has dropped very little in 1979 in the Lubbock area according to statistics of the Multiple Listing Service of the Lubbock Board of Realtors. The demand factor stems partially from the tremendous demographic changes that are taking place in our country as well as from the strong desire of people seeking a hedge against inflation," Mr. Berry stated. "More and more singles are becoming a part of the homebuying market because of later marriages, divorces, and widowed singles."

Mr. Berry added, "Although the board cannot lower the costs involved in buying a home, we feel that our speakers can offer expert advice to those who want to purchase a home." (ADV.)

Television coverage

A member of KCBD Television (channel 11) films the return of the Civil Engineering Squadron's Prime Beef teams last week. More than 90 CE workers traveled to Florida for a special readiness exercise. (U.S. Air Force photo)

Civil Engineering teams test 'wartime' readiness

Laying runway

SSgt. Billy Bulsterbaum, left, and SSgt. Kenneth P. Boenisch, join other CE workers as they fit 174 pound sections of AM-2 matting into place. It was part of the Prime Beef teams runway repair test. (U.S. Air Force photo by 1st Lt. James Meyer)

Ninety-one members of the Prime Beef contingency team returned from a five day exercise at Eglin AFB, Fla. last week.

The primary purpose of the trip, according to 1st Lt. James Meyer, chief of mobility, was to practice Rapid Runway Repair. This is a process whereby shell holes in landing strips are filled and patched with AM-2 matting, the entire process taking less than four hours.

Also included was participation in Harvest Eagle, a program for Civil Engineers to learn the necessary skills to erect living quarters and facilities for a remote airfield. Runways, tent city, water purification, refrigeration and aircraft revetments were all assembled by the Prime Beef team.

A final facet of training during the exercise was chemical and biological warfare.

Over here

Reese still shy of CFC target

Despite having a Combined Federal Campaign goal set below last year's contribution mark, Reese heads into the final day of the drive still more than \$8,000 shy of its 1979 target.

According to CFC project officer Capt. Ron Bailey, a few donations trickled in last week, but; it appears that the campaign, scheduled to end today, will not reach the \$80,000 goal.

But, Captain Bailey and his CFC workers are not taking the eight-count laying down. Captain Bailey claims that his staff has still not given up hope of raising the more than \$8,000 needed. Last year Reese raised \$81,000 for the CFC.

"We are urging everyone who hasn't contributed to the CFC to reconsider their decision. We realize that money is tight now, but; for those who depend on the CFC the situation is even worse," stressed Captain Bailey.

Although the captain did not rule out the possibility of extending the drive's deadline to help meet the goal, he doubted that the campaign would run beyond today.

Captain Bailey praised the efforts of base units that had

reached their individual goals, but; noted that some organizations were lagging far behind most units.

For those who are interested in making or increasing a pledge in order to help Reese over the top, loaned executives are available from each agency to take contributions. They are: Capt. Thomas W. Christensen — Maintenance and Field Training Detachment, Ext. 3424; Capt. (Dr.) Robert L. Crane — Hospital, Property Disposal and Office of Special Investigations, Ext. 3338; and Capt. Douglas Repaal, Air Base Group and the 1958th Communications Squadron, Ext. 3200.

Others are: 1st Lt. Stephen A. Headley—Wing staff, Ext. 3410; 1st Lt. Howard M. Johnson—Operations and Weather, Ext. 3354; and 2nd Lt. Glenn C. Jones—Resource Management, the Management Engineering Team and Base Exchange, Ext. 3299.

There are approximately 50 service organizations in the Lubbock area that benefit from the CFC.

Tidbits

Rent-a-car discounts

Hertz Rent-A-Car discount stickers are available at the Mathis Recreation Center, Auto Hobby Shop, Traffic Management, Billing, and Chief of Services.

The stickers enable military or civilian DoD employees to receive special rates.

Regular appointments

Congratulations go to five Reese captains who have been augmented into the Regular Air Force.

They are: Captains Freddie M. Hegler, Charles N. Mullen, Richard J. Peterson, Eric P. Wertz and Glen D. Ahrens.

Secretary's Day

In order to give Reese secretaries some insight into how their job fits into the 'big picture,' Thursday has been designated Secretary's Day.

Included in the activities, which begin at noon at the Officer's Club, will be a role and mission briefing by Wing Commander Col. Richard A. Ingram.

A tour of the Physical Training Unit, Instrument Flight Simulators, Life Support, aircraft displays and the Runway Supervisory Units will highlight the day.

ATC playoff

The 54th Flying Training Squadron flag football team, unbeaten in nine starts this season, will represent Reese at the Air Training Command Central Division flag football championships this weekend.

Making the trip to Laughlin AFB, Texas will be Danny Clifton, Bo Montgomery, Dave Phillips, Dave Kinzer, Mike McGinty, Charlie Simmons and Rick Odegard. Also playing on the varsity squad will be Lou Kline, Dave Hensley, Joe Dowdy, Lou Nunley, Curly Culp and Dave Padoleny.

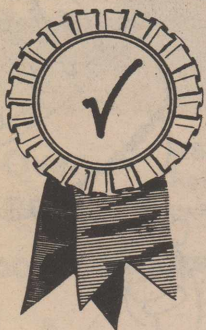

If Reese wins at the regionals the squad will advance to the ATC championships.

Baby sitting course

Teenagers interested in having their names appear on the Family Services listing of qualified baby sitters must attend a special two-part training course this month.

The course will be held at the Family Services building on Nov. 7 and 14. Classes are scheduled from 4:30 to 6 p.m. each day. Baby sitters must attend both phases to qualify for Family Services listing.

For more information contact Mary Arnold at 797-7371.

Outstanding check rides

Only two outstanding check rides were recorded last week. 2nd Lt. Mark Pendely of 'B' Flight was rated outstanding in instrument check while Capt. John MacKay of 'F' Flight maxed the final contact check.

Claim briefings

As of today, all claims briefings will be held Fridays at 2:30 p.m. and Wednesdays at 10 a.m. in the courtroom, building 800.

Those attending the briefings must be in the courtroom and seated by the scheduled start of the briefing.

Appointments for filing claims are mandatory and can be made by calling Ext. 3505

Mall shuttle

Saturday marks the beginning of Reese's shuttle service to the South Plains Mall.

The station wagon will depart from the front entrance of the Rec Center at 1:15 p.m. and return from the main entrance of the mall at 5 p.m.

Although the program was conceived to give dormitory residents a chance to go Christmas shopping, it could be an ongoing thing if enough interest is shown.

Housing maintenance

Housing maintenance emergencies should be referred to Ext. 3647. Routine maintenance should be submitted on form 1135 and submitted to the CE customer service desk. The number is Ext. 3210. Complaints or inquiries may be directed to Lt. Col. Robert Holcomb or Mr. Frank Falbo at Ext. 3280.

Clinic appointments

Effective Monday, appointments for the Zoonoses Control Clinic will be given between 9 a.m. and noon on Monday, Wednesday and Friday.

This change is due to a severe manning shortage currently being experienced at the clinic. To make an appointment call Ext. 3535.

Commissary sale

Almost two weeks are left in the annual Air Force Commissary Service sale which ends Nov. 15.

According to Reese commissary officials, nearly every supplier of goods here is participating in the sale. Most sale items are discounted 15 percent or more.

Ooops we goofed!

Last week's Roundup mistakenly reported that the 35th had beaten OMS, 6-0. Actually, it was the other way around. Sorry guys!

Sweet Adelines

The Prairie Winds Chapter of Sweet Adelines will present their annual concert Saturday at 8 p.m. in the Lubbock Civic Center Theater.

"Music Makes Magic" will feature songs from various children's stories such as "The Wizard of Oz," "Mary Poppins," and "Alice in Wonderland."

The Singing Plainmen, the Lubbock men's barbershop group, will also perform.

Tickets may be purchased in advance by contacting either Erin Smith at 793-9695 or Steve Headley at 885-3843.

Toys for Tots

Next week the 1958 Comm. Sq. will kick off the local Toys For Tots program.

Collection points will include building 930 and building 800 and one spot in each squadron. Toys that are either new or repairable will be collected and turned over to the local Marine Corps recruiter for distribution.

Arts and Crafts

Those who have not yet entered the base Arts and Crafts contest have until Nov. 13 to do so.

According to Morale Welfare and Recreation officials, winners at the base level contest will be eligible for the Air Force regional competition at Bolling AFB, Washington, D.C.

For more information contact a member of the Arts and Crafts Shop staff at Ext. 3141.

Comedian Bob Hope lends name

A 200-unit apartment complex to be built in 1982 as part of the Air Force Enlisted Men's Widows and Dependents Home Foundation will be named Bob Hope Village.

The famed comedian agreed

to lend his name in formal ceremonies here Oct. 17.

SOS in residence

First lieutenants may now attend Squadron Officers School in residence.

Selection for captain will no longer be a prerequisite for selection to attend the Maxwell AFB, Ala., school.

The change, which went into effect in October, is a result of a shortage of captains in the Air Force and subsequent shortage of people eligible to attend the course.

Inclusion of first lieutenants in the pool of eligible students will add about 6,500 people.

Squadron Officer School is the first of the Air Force's professional military education institutions.

Free film

"The China Syndrome" — a movie depicting an accident at a nuclear power plant, will be at the Mathis Recreation Center free film for November.

The show, which stars Jane Fonda, Jack Lemmon and Michael Douglas, will be shown Tuesday, starting at 7 p.m.

Today, only a handful of people know what "The China Syndrome" means... Soon you will know.

Varsity women win; Rattlers still looking

Pam Harvey's only basket of the game gave the Reese women's team a last minute win over Cannon last week. Meanwhile, the men's team remained unable to break into the win column.

Harvey's desperation lob swished through the net with only seconds remaining, giving Reese a 40-39 upset win at Cannon AFB, N.M. A traveling call against Cannon gave Reese the ball back a few ticks later

and Reese ran out the clock to post their first victory.

Deborah Koonz led the team with 14 points. Deborah Sander added nine second-half points.

The women cagers will meet a team from Altus AFB, Okla. here Nov. 9 and 10. Women interested in playing with the team should contact coach James Lawson at Ext. 3465.

The Rattlers continue to play better basketball but still keep coming up short

Reese dropped decisions to Cannon, Luke AFB, Ariz., and Williams AFB, Ariz., all on the road.

Bo Wilson, Cecil Spivey and Don Fuller carried the Reese offense. Wilson scored 64 and Spivey netted 59 in the three losses. Fuller, who missed the Cannon game, tallied 51 points against Luke and Williams.

The Rattlers will face Altus here Sunday at 2 p.m.

Steals ball

The 54th FTS's Tim Kline, left, goes for an over the shoulder catch, but the 35th's Mike Farage intercepts. Despite the big defensive play, the 35th lost, 24-14. (U.S. Air Force photo)

54th downs 35th remains unbeaten

The 54th Flying Training Squadron overcame an early 14-8 lead by the 35th FTS Monday night to win their ninth straight game and clinch at least a share of the intramural flag football league crown.

Danny Clifton led the 24-14 rally, tossing three touchdown passes. Clifton, who has guided the 54th gridders to 18 straight league wins (including last year's perfect 9-0 season), spread his touchdown passes among three receivers. Dave Kinzer, Ben Phillips and Mike McGinty each snarred a touchdown pass.

The win raised the 54th's season mark to 9-0, one game ahead of Supply Squadron, 8-1 on the year. The 54th was to have played Air Base Group Wednesday night. A Group victory would set up a possible tie for first with Supply while a 54th win would hand the gridders their second consecutive unbeaten championship.

Spearheading the defense which shut out the 35th the second half, was Bo Montgomery, who picked off a 35th aerial early in the game.

No matter what the outcome of Wednesday night's game, the 54th will represent Reese at the Air Training Command district playoffs at Laughlin AFB, Texas this weekend.

Supply picked up a trio of wins last week without snapping a down. Sturon-2, Sturon-1 and the 35th each forfeited to Supply.

Organizational Maintenance moved into a tie for third with Sturon-1 by beating the Hospital 10-9. The win left Sturon-1 and Supply with matching 7-3 records.

The standings in the intramural flag football league, as of Monday, were:

Team	W	L
54th	9	0
Supply	8	1
OMS	7	3
Sturon-1	7	3
Group	5	3
35th	4	6
FMS	3	6
CE	2	5
Medics	2	7
Comm.	2	8
Sturon-2	0	10
