STRATFORD HOSPITAL DISTRICT

Dear Neighbor:

Stratford Hospital District provides medical and long term care in Sherman County through Coldwater Manor, Stratford Family Medical Clinic, Elk Pharmacy, and Stratford EMS. Stratford Hospital District is currently planning for the area's future care and service.

We believe that the best way to assure that we offer what people want and need is to ask them for their opinions and ideas. To that end, we invite you to participate in one of our focus groups (small discussion groups) that will be held at SCOT (Sherman County Older Texans) Hall. The purpose of these meetings is to hear your opinions and ideas regarding your future retirement plans and preferences, as well as your reaction to our proposed plans for additional care services. Please note that this is not a sales presentation; we are still in the early planning stages for these projects.

We truly value your time and input. To show our appreciation, a \$25 Visa gift card will be given to each household that participates in one of these groups. Light refreshments will also be served. The discussion groups will be held at SCOT Hall on September 17th at the following times:

<p>Session 1: 9:30am – 11:30am SCOT Hall 301 N. Main Street Stratford, TX 79084</p>
<p>Session 2: 1:30 pm – 3:30 pm SCOT Hall 301 N. Main Street Stratford, TX 79084</p>

The consulting firm, CliftonLarsonAllen (CLA) is organizing these focus groups for the Stratford Hospital District. We have limited space for each group, so reservations are required and will be granted on a first-come, first serve basis. To indicate your interest in attending, please RSVP by September 5th. On-line registration is the best and fastest way to reserve a space in one of these groups by going to <https://www.surveymonkey.com/r/SHDfuture>. If you prefer to RSVP by telephone, please leave a voice message at (267) 419-1186 with your contact information and the session that you wish to attend. CLA will contact you by e-mail or phone to confirm your session attendance within three to five business days of receiving your response.

2018 Property Tax Rates

This notice concerns 2018 property tax rates for the listed entities. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties listed in both years. This year's rollback rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustments as required by state law. The rates are given per \$100 of property value.

	Hospital/Stratford	Hospital/Texhoma
Last year's tax rate:		
Last year's operating taxes +	1,252,870.34	9,910.39
Last year's debt taxes =	0.00	0.00

This year's rollback tax rate:

Pointers For Parents

Help Teens Learn Driving

(NAPS)—When it's time for your teens to get their learner's permits and driver's licenses, here's a hint on how you can help: Don't teach them yourself. Leave that to the professionals.

How Teens Can Learn

This is made easier with an online driver's test program. It uses accurate, up-to-date questions based on the official state DMV handbook and traffic laws. The questions are often identical to those on the official driver's license test.

Keeping young drivers on the road to safety are DMV testing programs and parent-driver contracts.

As a result, aspiring drivers who take the practice tests and read the DMV manual are 73 percent more likely to pass the official test than those who study the manual alone. The program is called Driving-Tests.org and can be found at <https://driving-tests.org>.

What You Can Do

One good thing you can do as a parent is create a parent-driver contract. It helps form an open line of communication about the importance of safety and the expectations that come with the new and profound responsibility of driving.

Among other things, the young driver promises to follow all traffic and safety rules, never drive under the influence of alcohol or drugs or ride with any driver who is, and avoid distracted driving such as texting or talking on the phone while driving.

The parents promise to provide and maintain a safe vehicle, pay for driver training classes and materials, be available to ride along, pick the young person up or arrange a ride home whenever necessary regardless of the time or situation, and lead by example by exhibiting safe driving behavior.

You can download the contract at <https://driving-tests.org/parent-driver-contract.pdf>.

Applications for conservation practices currently being accepted for drought impacted counties

TEMPLE, Texas, July 31, 2018 – USDA's Natural Resources Conservation Service (NRCS) is now accepting drought assistance applications from farmers and ranchers impacted by ongoing drought conditions in 128 of Texas' 254 counties.

NRCS in Texas is making funding available through the agency's Environmental Quality Incentives Program (EQIP) for qualified agricultural producers to assist in conservation practices that help to sustain the lands natural resources during drought or assist during recovery.

"Farmers and ranchers in Texas are no stranger to drought which is once again slowly creeping across the state," said Salvador Salinas, NRCS state conservationist. "Across the entire state drought conditions range from abnormally dry to pockets of extreme drought. Time Out with Rog!

The pre-season is behind us, regular season is in front of us. This week we play Sunray Bobcats, it's not even sunny over there. Sunray's coaching staff is a bafungle. They hired an 8-man football coach when there are 11 players on the field. Thus, two of their coaches shagged the team to come to the promise land. Home of God, grass & grit and gold football. The boys have been putting in 3 weeks of work to get ready to play our nemesis from Moore County. A long long long traditional rival that wishes they were us. So everybody break out their plaid shorts and Elk blue like me and meet up at Sam Bass stadium at 7:00 on August 31st because there's 31 days in August one of the biggest Stratford Elk fans and owner of multiple Chihuahuas turned 80 Monday, August 27th, Poe Keener! So let's all stand for the flag and put our hands on our hearts, and lead our team to victory. Pray for our president and our country. Once an Elk always an Elk.
P.S. What is Poe Keener's actual real first name, it ain't Poe.
P.P.S. My top notch staff played in a gold tournament last Saturday and my sports writer back hurts from carrying the team.
P.P.P.S. can someone tell me the last time Stratford lost to Sunray?
