**State Sales Tax Revenue Totaled \$3.8 Billion in October**

Texas Comptroller Glenn Hegar announced Tuesday that state sales tax revenue totaled \$3.82 billion in October, 11.9 percent more than in October 2021. The majority of October sales tax revenue is based on sales made in September and remitted to the agency in October.

"Rapid growth in state sales tax revenue was again led by business spending," Hegar said. "Double-digit growth in receipts continued from the mining, construction, manufacturing and wholesale trade sectors, fueled in part by high inflation in the prices of building materials and other business inputs.

"Receipts from restaurants and

retail trade were up from a year ago at about the respective rates of inflation in prices for those sectors, possibly indicating a reduction in real per capita spending for those items as rising costs for housing and groceries claim larger shares of household budgets.

"Within retail trade, the greatest growth was in receipts from automobile and parts dealers, online shopping and general merchandise stores. Receipts from furniture and home furnishings stores, and sporting goods and hobby stores, were down from the previous year."

Total sales tax revenue for the three months ending in October 2022 was up 14 percent compared to the same period a year ago.

Sales tax is the largest source of state funding for the state budget, accounting for 56 percent of all tax collections.

Texas collected the following revenue from other major taxes: (1) motor vehicle sales and rental taxes — \$588 million, up 8 percent from October 2021; (2) motor fuel taxes — \$312 million, down 3 percent from October 2021; (3) oil production tax — \$544 million, up 33 percent from October 2021; (4) natural gas production tax — \$410 million, up 59 percent from October 2021; (5) hotel occupancy tax — \$66 million, up 22 percent from October 2021; and (6) alcoholic beverage taxes — \$150 million, up 16 percent from October 2021.

# LETTER TO THE EDITOR

Hey Friona,

I was born in this little city. I have been here most of my life. Why do we want whiskey, beer, and wine in this little town? We've gone to stores and restaurants without this whiskey, beer, or wine in our establishments. So Vote NO on this ballot on November 8th.

God Bless,  
Glendel Jones

## Life-Giving Leaves

Leaves are all around us on plants and trees. The job of leaves is to make food for plants. Animals and people eat many plants and leaves to stay alive. We breathe oxygen that leaves make. How much do you know about leaves? Fill in these three puzzles to find out!

**Leaves:**

1. start as \_\_\_\_\_
2. face the \_\_\_\_\_ to catch its rays of light
3. make the \_\_\_\_\_ for plants and trees
4. have a network of \_\_\_\_\_ to carry food and water
5. give off \_\_\_\_\_
6. of many plants turn bright \_\_\_\_\_ in the fall
7. fall from many trees before \_\_\_\_\_

**People:**

1. use \_\_\_\_\_ from leaves of peppermint plants to flavor candy
2. get \_\_\_\_\_ from some leaves
3. take the long \_\_\_\_\_ from sisal plants to make rope and string
4. use leaves from the tea plant to make a \_\_\_\_\_
5. use bay, thyme, and sage leaves in \_\_\_\_\_ to add flavor
6. \_\_\_\_\_ leaves from cabbage, lettuce plants
7. cool off in the \_\_\_\_\_ of trees and their leaves

**Do You Know That:**

1. most leaves are \_\_\_\_\_?
2. leaves can be \_\_\_\_\_, large, flat, round, long or feathery?
3. leaves can have jagged or smooth \_\_\_\_\_?
4. parts of poinsettia plants may be red, white or pink and look like \_\_\_\_\_, but that they are leaves?
5. the \_\_\_\_\_ of pine trees are leaves?
6. the \_\_\_\_\_-catching parts of the Venus Flytrap are its leaves?
7. the climbing \_\_\_\_\_ of the garden pea are also leaves?

**Crossword:**

Across: 1. food, 2. winter, 3. sun, 4. colors, 5. veins, 6. oxygen, 7. buds, 8. edges, 9. green, 10. tendrils, 11. insect, 12. flowers, 13. small, 14. needles.

Down: 1. buds, 2. edges, 3. green, 4. tendrils, 5. insect, 6. flowers, 7. small, 8. needles.

My feathered and furry friends love leaves!

## Leaves and People!

People drive or hike for miles to look at the beautiful, bright colors of fall foliage. Leaves swirling and floating through the air can even move some people to write poetry about them!

**Find and circle these things that people do to and with leaves:**

collect pile press rake burn display rub print blow bag

Some people wrap and cook food in a giant  a n a \_ a  leaf!

## Changing Color of Leaves

Do you know much about leaves—why they 'turn' colors in the fall and, finally, float to the ground? Read all of these statements carefully. Then decide the order in which they happen. Number them 1 to 5.

- When all the chlorophyll is drained from the leaf, the tree drops the leaf to the ground.
- Then, as the days get shorter and colder, the chemical chlorophyll stops producing food.
- The chlorophyll begins draining from the leaf.
- The remaining chemicals give the leaf the yellows, oranges and reds that you see in the fall.
- In the Spring, a leaf grows and fills with the chemical chlorophyll, which makes the leaf appear 'green.'
- The chlorophyll uses sunlight to make food for the tree throughout the warmer seasons.

This fun-shaped leaf of the lovely ginkgo tree in Japan turns bright yellow in the fall.

## What Kind of Tree is It?

When you are playing in a park or hiking in a forest, it is fun to try to tell what kinds of trees are around you. The height and width of a tree, its coloring, bark and the shape of its leaves all give you clues as to the kind of tree it is. Study the shapes of these leaves for a few minutes. Color them in. Then unscramble the letters to fill in the blanks with the names of the trees.

1. o k a \_\_\_\_\_
2. y l h o \_\_\_\_\_
3. i r b h c \_\_\_\_\_
4. s a h \_\_\_\_\_
5. k g g i o \_\_\_\_\_
6. a m e i p \_\_\_\_\_

### Thanksgiving Sides

It won't be long before Thanksgiving gets here, so I thought I would find and share a few different sides for you to try with your Thanksgiving meal. This week's recipe is for anyone who isn't feeding a large crowd and doesn't want to dirty up a lot of pans. You can get all your favorite sides on one sheet pan.

#### 5 Sides on One Sheet Pan

www.foodtv.com

#### Ingredients

**Biscuits:**  
Two 7.5-ounce tubes refrigerated mini biscuits, such as Pillsbury Junior's

**Cranberry Sauce:**  
12 ounces frozen cranberries  
1/2 cup granulated sugar  
1/3 cup orange juice  
2 tablespoons cornstarch  
1 tablespoon turbinado sugar

**Sweet Potato Casserole:**  
1 1/2 pounds sweet potatoes, peeled and chopped (about 2 medium)  
1/4 cup whole milk  
2 tablespoons unsalted butter  
2 tablespoons light brown sugar  
1/2 teaspoon vanilla extract  
Kosher salt and freshly ground black pepper  
1/2 cup mini marshmallows  
**Green Bean Casserole:**  
3 tablespoons olive oil  
5 ounces sliced cremini mushrooms  
Quarter small onion, chopped  
2 tablespoons all-purpose flour  
1/2 cup heavy cream  
Kosher salt and freshly ground black pepper  
12 ounces frozen, cut green beans  
1/3 cup crispy fried onions, such as French's

**Scalloped Potatoes:**  
3/4 pound Yukon gold potatoes (about 3 medium)  
1/2 cup heavy cream  
1/2 cup grated Parmesan  
1 small clove garlic, finely chopped  
1 teaspoon fresh thyme leaves, chopped  
Kosher salt and freshly ground black pepper  
1/4 cup shredded Gruyere

#### Directions

Preheat the oven to 350 degrees F. Arrange 14 of the biscuits into a "+" shape in an 18-by-13-inch rimmed baking sheet. You should have 4

equal quadrants. (Reserve the remaining biscuits for another use.) Refrigerate until ready to use. For the cranberry sauce: Mix together the cranberries, sugar, orange juice and cornstarch in a medium bowl until well combined and set aside. For the sweet potato casserole: Place the sweet potatoes in a medium microwave-safe bowl and cover with plastic wrap. Microwave until soft and easy to mash with a fork, about 12 minutes. Add in the milk, butter, sugar, vanilla, 1 1/2 teaspoons salt and a few grinds of pepper and mash with a fork or a potato masher until smooth with just a few chunks and set aside. For the green bean casserole: Heat the oil in a medium non-stick skillet over medium-high heat. Add the mushrooms and onion and cook, stirring occasionally, until the mushrooms are soft and have released most of their liquid, 5 to 6 minutes. Sprinkle the flour over the vegetables then stir in the heavy cream, 1 1/2 teaspoons salt and a few grinds of pepper. Cook, stirring frequently, until the sauce has thickened, 2 to 3 minutes. Fold in the green beans until well coated and set aside. For the scalloped potatoes: Slice the potatoes 1/8-inch-thick and transfer to a medium microwave-safe bowl along with the heavy cream, Parmesan, garlic, thyme, 1 1/2 teaspoons salt and a few grinds of pepper. Toss to coat and microwave until softened, about 7 minutes. Set aside.

Assemble the sheet pan: Pour the cranberry mixture into one quadrant of the baking sheet and sprinkle with the turbinado sugar. Spread the sweet potatoes into a second quadrant and sprinkle with the marshmallows. Pour the green bean mixture into a third quadrant and sprinkle with the crispy onions. Spread the scallop potato mixture into the final quadrant and sprinkle with the Gruyere. Bake until the biscuits are cooked through and golden brown, the cranberries are bubbling and bursting, the marshmallows have turned golden brown, and the scalloped potatoes are cooked through, 30 to 35 minutes. Let cool 5 minutes before serving.

## Kevin Curtis McKelvy

Kevin McKelvy was a Christ follower, business owner, aerobatic pilot, skydiver, scuba diver, avid skier, motorcyclist, passionate Red Raider fan, loving son, loyal husband, loving brother, a proud father, and an adoring grandfather!

Kevin is survived by his mother, Maxine McKelvy of Lubbock, his wife, Lana Renner McKelvy of 41 years from Lubbock, his son Cody McKelvy and wife Tyler Clemmons McKelvy, along with their two daughters Maxine and Finley McKelvy of Dallas, his sister Katherine Miller, her daughter Summer Bridwell, and Katherine's husband David Miller of Horseshoe Bay, and brother Robert McKelvy Jr. of Lubbock.

Kevin was born in Lubbock on September 25th, 1955, to Robert Sr. and Maxine McKelvy. In his youth he loved going fast behind a boat or down a ski slope, playing sports, and hunting or fishing with his father and grandfather. Kevin attended Monterey High School, Texas Tech University, and South Plains College where he received his associates degree in me-

chanics. He then moved to Colorado to further develop his snow skiing prowess. Kevin moved back home and began farming in 1978.

In 1981, Kevin married Lana Renner and a year later they welcomed their only child, Cody. After six years of farming, Kevin teamed up with his father, Robert Sr., and forged McKelvy Trucking in 1983, running cotton from Lubbock to the Carolinas and returning with furniture for McKelvy Furniture and other local retailers. During this season of Kevin's life his adrenaline was fueled by his Christen Eagle, an aerobatic sporting biplane that Kevin flew both recreationally and competitively. When he wasn't flying a plane or

riding one of many Harley Davidson bikes over the years, he was driving a big rig for McKelvy Transportation, which he operated until 2017. He then continued to drive for others until May of 2022 when he hung up his CDL and retired. Between runs he was rooting for Texas Tech athletics or cheering for Max and Finn on the sidelines of various youth sports complexes. Earlier this year Kevin joined the Flatlander H.O.G. family, sharing his passion for motorcycle riding and building a community of likeminded friends.

Of all the things that Kevin loved, he was most passionate about Jesus. The unwavering faith he exhibited throughout his life provides those he leaves behind tremendous comfort that he is in heaven, healthy and whole. A celebration of Kevin's life will be held at Spirit Ranch on Sunday, November 6th at 1:30 p.m.

The family asks that in lieu of flowers, donations be made to the American Diabetes Association or Casa Esparaza of Albuquerque, or your charity of choice in Kevin's memory.

# Alcohol is on the Agenda

By Brett Hoyle, Pastor, First Baptist Church

The election is upon us with important races to be voted on statewide, but only one item is on the ballot for the city of Friona, the legalization of alcohol sales in town, which will be decided by Friona's residents. Your vote is important, and your vote counts in all these elections!

As alcohol is on the agenda, take time to think through this important issue in light of Biblical wisdom and truth. First, nowhere in scripture is there a complete prohibition of alcohol. In fact, wine is advised to be helpful medicinally (1 Tim 5:23), a part of some worship in the Old Testament (Deut 14:26, Lev 23:13), and at times abundant wine is a sign of God's blessing due to a bountiful grape harvest (Psalm 104:15, Prov 3:10). In fact, strong proponents of alcohol are quick to remind everyone that Jesus turned water into wine (John 2). The reality is that one must not simply stop at these verses in seeing what God says about alcohol because the Bible says so much more.

As you look in scripture there are numerous warnings and bad examples of the use of alcohol. Noah's embarrassment and Lot's incest lead the pack in regards to examples of how alcohol can make a mess of your life (Gen 9, 19). Furthermore, the wisdom of Proverbs repeatedly gives strong warnings

against wine, such as 20:1 "Wine is a mocker, strong drink a brawler, and whoever is led astray by it is not wise." The lives of countless people have been mocked and devastated by the alcohol they chose to consume and Proverbs 23:29-35 gives an accurate picture of how alcohol makes fool of those intoxicated by it. God's condemnation of those who boast about alcohol in Isaiah 5:20-22, and the spiritual leaders who led the pack in being given to strong drink in Isaiah 28:7 is a strong warning to those intensely promoting it.

In the matter of alcohol, biblical wisdom is needed which not only leads one to ask "Could I?" but also "Should I?" The Bible does not prohibit you from having a fridge full of beer in your garage, bottles of whiskey in the cabinet, or a stocked cooler in the truck. Neither does the Bible keep you from having a rattlesnake in your house, putting water in your vehicle's gas tank, or painting the floors pink. The point is that just because you *could*, that doesn't mean you *should*. Alcohol has never forced someone to take a drink, but untold millions have chosen to give themselves to the influence of alcohol and reaped the unintended consequences that started with just one sip.

# Daily Thanksgiving

By Jeff Procter, Minister, 6th Street Church of Christ

Over the years, I have seen various November challenges. The one I appreciate and encourage you to entertain is that of finding daily things, opportunities, blessings.... that you are thankful for and write them down. Since today is November 1st (as I am writing on Tuesday evening) it is a good opportunity for you to grab a sheet of paper and start your daily list of thanksgiving. I know that by the time you read this you are going to be a couple days behind, that's ok its not that hard to find things to be thankful for, if you pause a moment to do so.

I won't update you

each week as to my list, but I will give you my thankful blessing for November 1st. I am thankful for November 1st. It was on this day several years back that my wife was born. So, what makes today extra special for me is that Monica is my wonderful wife and friend in this journey, Happy Birthday!

When we take a moment to stop, breath and give thanks many things begin to have clarity that can be lost in the rush of our daily lives. Satan hates gratitude. He has no interest in us being thankful for anything, but ourselves. It is an inward self-focus that he pre-

fers, because when one is focused on self, little else matters. So, this is the beginning of hopefully a journey that will take you beyond, November 30th, but become a daily reminder of just how blessed you are in this life and allowing Jesus to use you, prepare you, and lead you to the life to come. I hope that as you enter this holiday season, it will be less about stuff and more about others. Mend what needs mending, love what needs loving and inspire those that need inspiration, by the way you live your walk with the Lord. Have a great week and God bless.

# Vote and Do What You Can

By Teena Hughs

As you know, Election Day is Tuesday, November 8th. For the last few elections, I have heard people say that THIS is the most important election in the history of our country!!! Well, I almost have to agree with those people this time. I would say it is the most important election of my lifetime!

To quote Steve Bannon, "Elections have consequences, and stolen elections have catastrophic consequences!" It is amazing how quickly our country has gone downhill following the 2020 elections. We are all seeing it and feeling it!

You may feel like there is no hope of reversing inflation, a shortage of food, the extremely high cost of producing food, a woke military, stolen elections etc., etc., etc. But, there is always hope, because God is on the throne, Jesus sits at His right hand, God is in control, and He always wins!!!

We have to do our part though; we have to get out and vote! If you don't know who to vote for, research the candidates and pray about who you should vote for. If you can, serve as a precinct chairman, a poll watcher, or work an election! If you can make phone calls

for candidates, help with mail-outs, put out signs, go door to door and tell people about your candidate, do it!

So, what am I doing? I offered to serve as a precinct chairman, but I was told by the Republican Party chair that they don't do that. I have voted, and I am working the election. I am also giving up about four hours of my time tomorrow to go to Ricksprings for election-day training. It isn't much; in fact, it isn't nearly as much as millions of other people are doing to make sure we have a safe and secure election on Tuesday; to campaign for their candidates; to help turn our country back to the road it was on two years ago.

Please vote. Please pray that the people God wants get voted into office. Please pray that the people who get elected are willing to always do what is right in the office to which they are elected. Please pray that we take back America on Tuesday. Pray that elected people will go to work and always do what is best for each city, county, state, and our beloved USA! There is always hope; we just have to do what we can to bring that hope to fruition!!! Go vote and do whatever you can!

Oxygen was in short supply in the stands Tuesday night in Littlefield as Friona and Idalou did battle in a 5-set nail-biter. The Squaws prevailed 3-2 (22-25, 25-21, 23-25, 25-20, 16-14) to advance to the Area round of the playoffs. Friona trailed 9-14 in the final game before scoring the final 7 points of the match. The marketing promo “we’ll sell you the whole seat, but you’ll only need the edge” was never more true. You may now relax. At least till Saturday.

## Top 10 Texas Panhandle football performer from Week 10

#13 Jose Saucedo, Chieftain quarterback, hands off to running back #4 Mario Bautista in 1st quarter action against Spearman. Jose ran for a touchdown and passed 48 yards to #2 Martin Godinez for another score to earn special recognition last week from PressPass Sports.

The Chieftain defense held Spearman to just 200 yards of offense Friday night to help the team secure a spot in the playoffs.

## Sports News

### Varsity Football

Friona moved to 3-1 in District 3-3A play and 5-4 on the season with a close 14-10 victory over the Spearman Lynx. Juan Saucedo ran and passed for touchdown and Mario Bautista added 68 yards on the ground. On defense, Isaac Olmos, Tony Rodriguez, and Owen McGaughy each had 6 tackles. Hes-

ton Grimsley blocked a punt. The Chiefs are in the playoffs and travel to Childress Friday night with a second place finish in district on the line.

### Junior Varsity Football

The Friona JV Chieftains moved to 2-2 in district play after losing to Spearman and stand at 3-6 for the season. The JV Chiefs host Childress

this Thursday with a 5:00 p.m. start time.

### Junior High Football

The 7th grade Braves defeated Spearman 30-6. Hector Aguirre scored on 52 yard TD run and Iseal Guzman ran for the 2 point conversion. Guzman ran for a 39 yard TD but the conversion was no good. Guzman's second score was on a 58

TD run and Aguirre ran for the conversion. Aguirre scored his second TD on a 5 yard run. Nate Padilla ran for the conversion. Guzman had 110 yards rushing for the game and Aguirre added 96 rushing yards. The 7th grade Braves are 3-1 in district and 5-2-1 overall. They travel to Childress this week. Kickoff is at 5:00 p.m.

The 8th grade Braves lost to Spearman 14-0. Joaquin Arias was 6-15 for 60 yards passing. Iram Gonzalez led the team with 46 yards rushing. On defense, Cat Tzunux had an interception and Michael Alvarez had a fumble recovery. The Braves had some good drives but just couldn't get the ball in the end zone. The 8th grade Braves are 1-3 in district and 1-5-2 overall. They play at Childress this week with a starting time of 6:30 p.m.

# Subway City

By John Grimaldi and David Bruce Smith

In 1892, 15-year-old Irish immigrant Annie Moore was the first of more than 12 million who were welcomed to Ellis Island until it was decommissioned in November of 1954.

Even now, appreciable numbers of visitors, tourists and genealogy buffs still pass through every year.

“Not all immigrants who sailed into New York had to go through Ellis Island. First class and sec-

ond class passengers submitted to a brief shipboard inspection and then disembarked at the piers in New York or New Jersey, where they passed through customs. People in third class, though, were transported to Ellis Island, where they underwent medical and legal inspections to ensure they didn't have a contagious disease or some condition that would make them a burden to the government. Only two

percent of all immigrants were denied entrance into the U.S.,” according to History.com.

The Grateful American Book Prize suggests books such as American Passage: The History of Ellis Island by Vincent J. Cannato for more information.

## FRIONA FLASHBACKS

From the Friona Star Archives

Friona city employees Richie Perez and Ted Osborn work to repair 14th Street after a major water main break late Monday kept the city crew busy until 1 a.m. Tuesday morning. The major water pipe served Parmer County Hospital and flooded the street before workers found the break and repaired it. The street was closed to traffic from Cleveland to White. Friona reported a low of 27.5 degrees overnight Monday but officials do not believe freezing caused the break. Ron Carr photo. (Friona Star, Thursday, October 25, 2007)

**Life-Giving Leaves**

I love to watch the leaves turn color in the fall!

Do you know that:

- In Spring, a leaf grows and is filled with the chemical chlorophyll which makes the leaf appear 'green.'
- The chlorophyll uses sunlight to make food for the tree throughout the warmer seasons.
- Then, as the days get shorter and colder, the chemical chlorophyll stops producing food.
- The chlorophyll begins draining from the leaf. The remaining chemicals give the leaf the yellows, oranges and reds that you see in the fall.
- When all the chlorophyll is drained from the leaf, the tree drops the leaf to the ground.

PD POL AD • TEXANS FOR DAN PATRICK

- ✓ Critical Race Theory uses skin color and gender to define and judge people by group. Dan Patrick believes this is prejudice and divisive, and he passed a bill to stop the use of Critical Race Theory in our public schools and he will stop it in our universities as well.
- ✓ Dan Patrick listened to families during COVID who were not allowed to see family members in nursing homes or hospitals, and Patrick passed a law guaranteeing families the right to see loved ones during a pandemic or public health emergency.
- ✓ After the 2021 winter freeze, Dan Patrick had every member of the Texas Public Utility Commission and the Electric Reliability Council of Texas replaced. And this new leadership is why Texas was able to keep power flowing during an extremely hot summer.

The Friena Fire Department and Friena EMS were called out at approximately 7:38 a.m. Wednesday morning to a two vehicle accident 2 miles east of Friena. Rex Wells, the driver of the pickup, and an unidentified driver of a passenger car were both transported to Parmer Medical Center. A medical helicopter was paged but could not fly because of the heavy fog in the area. Friena firefighters had to extricate the driver of the car. No other details were available at press time. *(courtesy photo)*
