Commissioners' Court, meeting in regular session Monday, in addition to transacting routine business, took note of the approach of the holiday season and set up a schedule of holidays to be observed at Christmas and New Year.

First business transacted was the routine approval of November bills against the county and authorizing payment.

Assessor/Collector Elizabeth Stewart appeared before the Court requesting approval of her State bond for 1961, which was readily given.

Present to "get the feel" of Commissioners' Court procedure was Commissioner-Elect John Brock of Prec. 1, who will take office at the beginning of the year.

The Court voted to assume cost of room and care for two elderly persons placed in a local convalescent home recently.

By unanimous vote of Commissioners, Dr. T. W. Williams was re-appointed as county health officer for the ensuing year of 1961.

Sheriff-Elect Garth Garrett appeared before the Court to discuss the matter of deputies and their salaries when he takes over the sheriff's department Jan. 1.

The incoming sheriff announced that he had selected Raymond (Pete) Mercer as his chief deputy, and the appointment was given tentative approval, with final approval to be given by the new Court Jan. 1.

Garrett told the Court he was undecided as to the appointment of a man or a woman as office deputy. He was authorized to employ an office deputy of his selection at a beginning salary of \$175 per month.

Commissioners voted to allow an expenditure of overtime pay to all county employees in lieu of a Christmas bonus, on the same schedule paid last year.

In setting the Christmas holidays, Commissioners voted that all courthouse offices would remain closed Dec. 24, 25, and 26. Since New Year's Day comes on Sunday, Commissioners voted to observe Monday, Jan. 2 as a holiday, with all Courthouse offices closing.

Also, because of the Jan. 1-2 holiday, Commissioners set Saturday, Dec. 31, at 9 a. m. as the time for administering oath of office to all new and re-elected officials whose terms begin Jan. 1, 1961.

The Generous Heart

Before you count your Christmas gifts complete, consider this message relayed by CARE. It came from a Polish woman who received sorely needed aid through the agency.

"Among the greatest sorrows, there will also be a generous heart that will compensate the griefs."

Through CARE, the generous heart of Americans sends food and tools, health and hope, to the hungry, the homeless and grief-stricken in other lands.

Every \$1 donated delivers one package of nourishing staples to people who do not have enough to eat.

For families in distress, the \$1 packages bring 21 to 25 lbs. of assorted foods. For underfed children in orphanages and schools, a typical package provides 432 glasses of milk.

Payroll Tax for Texas?

Texas will need \$215,000,000 in new money during the next two years to pay its debts and make needed improvements.

This is the conclusion of the State Finance Advisory Commission. To get the money, the Commission is officially recommending a one per cent, state-payroll tax as a revenue source.

The Commission made a six-months' study of the state's fiscal problems at Gov. Price Daniel's request. It is made up of leaders from the fields of business, labor, and the professions.

As a second choice, the Commission proposed increasing selective sales taxes. Main emphasis, however, was on the payroll tax which, it was noted, both employers and employees could deduct from federal income taxes.

In addition, the Commission endorsed several secondary methods of fattening the treasury. Among them: increasing college tuition, enacting the governor's abandoned property measure, halting refunds of gasoline taxes to non-highway users.

The Commission outlined need for 1961-63 spending increases that would total approximately \$189,000,000. Extra money would go to: (1) public school improvements, including \$400 a year raises for teachers, (2) medical care for the aged, (3) faculty raises in state colleges and universities, (4) expansion of the state hospital and prison systems, (5) increasing legislators' salaries as provided by constitutional amendment, and (6) stepping up the state water program, parks development, tourist and industry promotion and several others.

Besides this \$189,000,000, the state will need an estimated \$70,000,000 to cover the deficit in the general revenue fund. This brings total new needs to \$259,000,000. But the Commission believes increased income from present sources could bring in as much as \$44,000,000, leaving only \$215,000,000 to be raised.

A payroll tax, according to the Commission estimates, would bring in \$217,000,000 in the two-year period ahead.

People, Places & Things

By A. PATE

Have you mailed your contribution to the Goodfellows? They need your help this year more than ever before in providing a semblance of Christmas in the homes of needy Haskell families—food and a few toys and candies for the children.

Hope of the Goodfellows is to be able to help every needy family in Haskell, and especially those where there are small children.

Grown people have had experience enough to understand the reasons underlying things when their dreams don't come true. Children can't do this. They only know that Santa has talked with them downtown, asked them what they wanted him to bring—and then forgotten them. They are puzzled and their bruised little hearts don't know how to understand a giver who can be so generous to some children and so thoughtless of others.

If we would keep alive the children's belief that life is good and dreams come true, we must not fail them.

That wintry spell last week got pretty rough at times. But it seems that just when the ice

plenty to say. But how many of us think to say a word of maintenance these services for us?

The snow which fell Saturday morning, covering the ground to a depth of two or three inches within a few hours, was one of the wettest snows in years.

Compared to other sections, we were downright fortunate in getting bountiful ground, soaking moisture with very little inconvenience from the cold blast.

The worst period of the icy seige meant extra hazards and work for a small group of workers who had to face sleet and snow and freezing temperatures in the dead of night in order that the rest of us might not be inconvenienced.

They were the electric company line men, telephone service men, and gas company crews, along with highway department men—all working toward one purpose—to maintain the services to which the public has become accustomed.

How many of us gave these men a thought, as we sat in our comfortable homes reading or watching a favorite TV program?

If electricity is off, or our telephone is out of service, most of us generally have

Picture of Throckmorton firemen pushing their truck by sheer manpower recently when the vehicle's battery went dead, was picked up by the Associated Press and it appeared in newspapers throughout the nation.

R. L. (Spot) Lemmon clipped the picture from a San Diego, Calif., newspaper and sent it to us, while another clipping came from a Des Moines, Ia., paper.

The incident was embarrassing, naturally, to Throckmorton firemen. However, the unusual situation gave the picture top news interest and was a credit to the alert photographer who made it.

An early day member of the Haskell Fire Department said the picture recalled to him the time the local department's Model T truck stalled and would have burned if volunteers hadn't pushed it to safety.

The incident occurred in the 'teens more than 40 years ago, when the old Simmons Livery Stable burned on the site of the present City Hall.

The model T truck, in reality only a hose wagon since it had no pump or booster equipment, stalled in the middle of the street right in front of the burning building. Intense heat

Over the years, we've heard some pretty tall tales about deer hunting, some sheer fancy, while others had supporting proof.

Fantastic, but true, is this season's best yarn, which had a Haskell hunter tying a wild 7-point buck to a tree before he could kill the animal.

Lewis Thomas, along with Bailey Toliver, Jimmy Bledsoe, Clois Thomas and C. A. Thomas Jr., had gone to a lease near Menard for opening of the deer hunting season.

To encourage hunting, Menard businessmen pay a \$50 bounty for the first deer killed each year.

Early on the first day, within the first hour in fact, Lewis spotted a 7-point buck and brought the animal down with his first shot.

Lewis laid down his rifle and ran to the deer intending to stick him, then get his pickup and take the buck in for a chance at the \$50 bounty.

When he reached the deer, however the animal, only slightly wounded, was trying to get to its feet. Afraid it might get away while he went back for his rifle, Lewis took a short rope from his belt intending to tie up the animal. As he fastened a loop on one foot, the deer got up and ran toward him. Dodging around a tree he took a couple of turns of the rope to leave the animal tied.

Going back for his rifle, he returned to finish off his trophy. By the time he got the animal into Menard, however, another hunter had beat him to the "first deer" bounty by about 20 minutes.

Ewell Lusk, rule nightwatchman who also serves as Grand Jury bailiff, can always be depended on to give a ready answer in almost any situation.

Like the time an old boy who had a reputation for telling tall tales that had earned him the nickname of Windy, accosted Ewell.

"Friend of mine told me you said I was nothing but a good-for-nothing blowhard," he said to Lusk.

"Why, Windy, I didn't tell him anything of the kind," Ewell said, adding "I don't

Haskell County History

20 Years Ago—Dec. 6, 1940

A party of five Haskell businessmen left Tuesday on a deer hunting trip to Real County, where they expect to remain for several days. In the group are Dr. L. F. Taylor, J. W. Gholson, Rev. H. R. Whatley, H. M. Smith and Ed Fouts. They were accompanied by A. C. Roberts Jr., as camp helper.

W. P. Trice, special agent for the Department of Commerce, reports that 30,567 bales of cotton from this year's crop had been ginned prior to Nov. 14. This compares with 15,933 bales ginned to the same date last year.

Mr. and Mrs. Bill Richey and daughter Jane, and Mr. and Mrs. Ben Bagwell visited in Abilene Sunday.

Mr. and Mrs. Hill Oates and daughter Betty, accompanied by Mrs. H. M. Smith visited in the home of the latter's daughter, Mrs. Frank Ragsdale and Mr. Ragsdale in San Antonio during the Thanksgiving holidays.

Robert Barnett, who is attending Baptist Seminary in Fort Worth, visited relatives and friends in Haskell last weekend.

Jack and John Kimbrough, Jack Simmons, Milton Wilfong, Wayne Laird, Joe Maples, Zug Phelps, Gene Rogers, R. C. Couch Jr., and Curtis Ballard from A&M College spent the weekend in Haskell with their parents.

Mr. and Mrs. Barney Bernard visited relatives in Marble Falls last week, and attended the football game in Austin on Thanksgiving Day.

R. J. Paxton and Rogers Gilstrap of this city attended the Grand Lodge session of the Masonic order in Waco this week as representatives from the Haskell lodge.

Mr. and Mrs. Jack Richey of Abilene announce the arrival of a son, born Nov. 27 in Hendricks Memorial Hospital, Abilene. Mr. Richey formerly lived in Haskell and he is the son of Mr. and Mrs. H. W. Richey of Georgetown.

Mrs. Leroy O'Neal has returned to her home in Littlefield after a visit here in the home of her parents, Mr. and Mrs. Ed Fouts.

30 Years Ago—Dec. 18, 1920

Sheriff W. T. Sarrels, accompanied by Olen Dotson, went to Laredo last week and took custody of a man wanted here on a charge of forgery. They returned to Haskell Friday.

Officers of the Odd Fellows lodge for the ensuing year have been elected as follows: R. B. Kinnison, Noble Grand; P. G. Kendrick, Vice Grand; Press Perry, Secretary; Virgil A. Brown, treasurer. E. E. Welsh was elected as delegate to grand lodge, with Virgil Bailey alternate.

Jones & Son, local manufacturers of tin and sheet metal roofing, were recently awarded the contract for re-roofing the county jail. They have already started on the job, which will require several days to complete.

A five-room house in the east part of town burned around 12 o'clock Friday night of undetermined origin. The house was vacant, and the fire had spread through most of the rooms before being discovered and reported.

Uncle Mike Perry of this city is gaining a reputation as an expert gardener. He was exhibiting downtown this week some extra large radishes grown in his garden. One measured more than 10 inches in length and nine inches in circumference, and several others were almost as large.

Mrs. J. V. Hudson and Miss Louise Brooks spent Monday in Abilene.

There were 25,991 bales of cotton, counting round bales as half bales, ginned in Haskell County from the crop of 1950 prior to Dec. 1, compared with 20,509 ginned to the same date last year.

Mr. and Mrs. J. P. Caudle are moving from Sagerton to Spur this week. Mr. Caudle

will be the dealer in Spur for International Harvester farm machinery and equipment.

Dr. W. A. Kimbrough and Mike B. Watson took a group of boys on an enjoyable possum hunt on Buffalo Creek Friday night.

50 Years Ago—Dec. 10, 1910

Sunday evening at 7 o'clock at the Methodist parsonage, Rev. C. B. Meadors officiated for the wedding of Frank Hill of Crowell and Miss Mollie Perkins of Grandbury. The young couple will make their home in Crowell.

Rev. W. M. Rogers of Throckmorton was a visitor here Monday. He was pastor of the Haskell Methodist Church in 1911.

McNeill & Smith Hardware Company of this city established a large general hardware store at Weinert this week. The new store is under the management of O. S. Maggart, formerly of Haskell.

Stanley H. T. Kulawick, County Attorney of Knox County, was a business visitor here Wednesday.

Mrs. Scott Key has returned from a visit with relatives in Waco.

S. G. Dean, who once resided here but is now living in Swenson, was in town Monday and Tuesday on business.

Prof. S. L. Coggins of Seymour was in the city on business last Saturday.

It seems that almost the entire population of Throckmorton was in town Monday attending District Court which is now in session.

E. Elliott went to Weinert Tuesday morning to assist in the publication of The Enterprise during the illness of Editor Thomason.

Boyd Street of Graham, who is interested with F. G. Alexander in a mercantile store in Ruler, was in Haskell this week.

In mass meetings held at Sayles and Howard last week, resolutions were adopted endorsing the action of the Commissioners Court last week in appointing Dr. Robertson as County Health Officer.

J. A. Stephens, who formerly lived here but has been in Bell County for some time, passed through here this week on his way to Hollis, Okla., where he has accepted a position with Dellis Bros. in their store at that place.

60 Years Ago—Dec. 15, 1900

It is announced that the partnership of McGee & Hentz, who have been engaged in the general merchandising business here, has been dissolved. Mr. McGee having purchased the interest of his partner.

J. E. Wilfong moved to his new place near town this week. Miss Bettie Herren is spending a few days in town with Mrs. B. L. Frost.

J. F. Jones returned last Saturday from his ranch in Tom Green County. Miss Ninette Halle of Farmersville arrived Saturday on a visit to her sister, Mrs. A. G. Neathery.

J. G. Walden, our sewing machine man, attended a state meeting of Singer sewing machine salesmen in Ft. Worth this week.

Miss Ethel Jones left Saturday for Mineral Wells, where she will spend some time with the family of her brother, J. A. Jones.

Our old-time citizen, Clay Haskell, was down from Dickens City this week mixing with old Haskell friends and looking after business interests here.

A newcomer named T. E. Davis bought a section of land in the southwest part of the county this week and is negotiating for another. He plans to build on the land at once. Sam Pierson and Miss Bertie Berry were married Wednesday, Dec. 12 at the home of the bride in Benjamin. Lee Pierson and Miss Una Foster, Emmet Robertson and Miss Belle Robertson, and Mr. and Mrs. Marshall Pierson went from here to attend the wedding.

NEWS OF INTEREST TO WOMEN

Fidelis Class Has Christmas Social Tuesday Night

The Fidelis Class of the First Baptist Church met in the home of Mrs. J. F. Cadenhead for their Christmas Social, Tuesday night, Dec. 13.

The decor was the Christmas theme of the Nativity Scene, with the creche, and the Wise Men bringing gifts to the Christ Child.

The table was centered with a basket of sprayed dried flowers, and wheat surrounded by fruits and nuts, with Santa candles lighted to complete the Christmas scene.

Beautifully wrapped gifts were part of the decorations, brought by each member and exchanged by drawing numbers.

Christmas carols were sung, led by Mrs. R. C. Couch with Mrs. Cadenhead at the piano. Mrs. O. M. Matthews, class president, presided at the meeting.

Mrs. R. C. Couch gave the devotional, reading the story of the Birth of the Christ Child from the 2nd chapter of Luke.

Mrs. Maye Eledsoe led in prayer. Mrs. J. F. Cadenhead told the story of the legend of the first creche (the manger scene), by Arthur Gordon.

The Nativity Scene was first enacted more than 700 years ago in the little village of Greccio in Italy. The message of the creche scenes is universal: Peace on earth, Good will toward men.

Refreshments of Christmas cake topped with whipped cream, hot spiced apple cider and fruit balls and chocolate creams were served by the hostesses, assisted by Mrs. Matthews and Mrs. Bledsoe.

Those present were Mesdames Ruby Matthews, Lillie Mae Clare, Gladys Merchant, Maye Bledsoe, Jewel Cadenhead, Hassie D. Couch, Nellie Ash, Veta Furrh, Iola Everett, Della Medford.

Methodist WSCS Will Meet With Mrs. Pitman

The Woman's Society of Christian Service of the First Methodist Church will meet Monday, Dec. 19 at the home of Mrs. W. H. Pitman, 1111 North 5th St. The Mary Ester Circle will be hostess for a salad buffet at 1:00 p. m.

Mrs. Wallace Cox Jr. will present a Christmas program entitled "Emmanuel, God With Us." All the women of the church are invited to attend. Gifts may be brought, and will be sent to the State Hospital at Wichita Falls.

Dorcas Class Has Annual Christmas Party Monday

The Dorcas Sunday School Class of the First Baptist Church had their Christmas party Monday night, Dec. 12, in the home of Mrs. J. B. Gipson. Members of Group Two were hostesses.

Mrs. Leroy O'Neal brought the devotional on the real meaning of Christmas. Mrs. Agnes Winchester of Wejnert was a special guest. She gave a demonstration on gift wrapping.

Each member brought a gift for Christina Ozuna, who is a scholarship student at Wayland Baptist College.

Fruit cake and coffee was served to thirteen members, the teacher, Mrs. R. L. Foote, and Mrs. Winchester.

Catholic Women's Guild Meets in Parish Hall

The St. Ann Catholic Woman's Guild held its regular monthly meeting Monday, Dec. 5 in the church parish hall in Stamford. This organization is made up of women from St. Ann parish which covers Jones and Haskell Counties.

The president, Mrs. Joe W. Cloud, appointed Mrs. R. T. Middlebrook, Stamford to make recommendations to the group at the next meeting for a club prayer.

Following the business session, Mrs. Raymond Hilscher, Stamford, presented the program which was "A Definition of Christmas." Then she explained the twelve days of Christmas and suggested activities for families to do in their homes which will emphasize the religious aspects of the Christmas season.

After the meeting had been adjourned, coffee and cake was served to the members, to Father James A. Meuree, pastor, and to Father Raphael A. Goddard, the new associate pastor of the parish.

The January meeting of the Guild will be held Jan. 9, 1961 at 7:30 p. m. in Stamford. Mrs. D. J. Carrol of Stamford will be in charge of the program.

IN APPRECIATION
We take this means of expressing our appreciation to friends and neighbors for their visits, encouraging words, flowers, cards and messages while Mr. Turner was in the hospital. Also to the doctors and nurses at the hospital for their untiring service.—Mr. and Mrs. A. M. Turner. 50c

Mrs. C. V. Payne Directs Magazine Club Program

As the Magazine Club members assembled for their regular meeting Dec. 9, they were served a tea plate by the hostesses Mrs. Wallace Cox Jr., Mrs. R. C. Couch Jr., and Mrs. Jack Pippin.

Mrs. Robert Wheatley, first vice president, presided in the absence of Mrs. Hill Oates, and presented Mrs. C. V. Payne, who directed a very interesting program on "What in the World's Going On—In the 49th and 50th States?"

Maps were used to form the background discussions of the historical development of Alaska from 1867 to the signing of the state into the Union in 1959.

Mrs. Bailey Toliver, dressed in her red "parka," and pushing her dog-sled, came rushing in and told of "Christmas in Alaska."

Mrs. Robert Middleton, who had lived in Hawaii, began her discussion of "Christmas in Hawaii" by showing colored slides of red and white poinsettia, antherium, bird-of-paradise, and orchids which are used profusely for Christmas decorations. She also described the many interesting activities of the week-long Christmas celebration of the islanders.

Guest storyteller of the afternoon was Terry Kay Diggs, who in her charming way gave "The Merry Years of Christmas," by Phyllis McGinley. Interwoven with her story were the Christmas carols entitled "Where Did It All Begin." As she told her story she would pause and play on the piano, the appropriate carol for each part. This was very effective and beautiful coming from a child at Christmas time.

The following members were named on the nominating committee: Mrs. C. V. Payne, Mrs. Robert Wheatley, Mrs. Wallace Cox Jr., Mrs. John Rike, and Miss Nettie McCollum.

Gifts were brought by the members for the Wichita Falls State Hospital.

Naomi S.S. Class Meets in Home of Mrs. Medley

The Naomi S. S. Class of the First Baptist Church met in the home of Mrs. M. C. Medley Dec. 12 for their annual Christmas social. The home was beautifully decorated carrying out the pink color scheme in all the decorations.

Mrs. Opal Dotson, president of the class, presided for the meeting. Betty Jo Clanton led the opening prayer. Mrs. Maurice Gannaway reviewed the story, "The Day Christ Was Born," which was thoroughly enjoyed by all. The group then sang Christmas carols led by Mrs. A. T. Ballard.

Refreshments of tuna and pimento sandwiches, fruit cake, candy, nuts and coffee were served. Gifts were also presented to Miss Betty Jo Clanton, teacher, and Mrs. M. C. Medley, assistant teacher.

Those attending were Mesdames Elsy E. Stiland, Opal Dotson, Clara Biard, Lucille Gannaway, Edna Burnett, Grace McKelvin, Freddie Ballard, Ruby Alvis, Bonnie Anderson, Opal Smith, Frances Lane, Claudia Mae Bland, Nettie Muriel Felker, Katherine Schwarz, Ethel Lou Shelton, Miss Betty Jo Clanton, and the hostess, Mrs. Medley.

PAINT CREEK... COMMUNITY NEWS

BY MRS. GENE OVERTON

The community had as guests this past weekend eight students and Rev. and Mrs. Richard Britte, and daughter Lynn from the First Methodist Church at Denton. Rev. Britte is the Student Director for the North Texas Methodist students, and the students were members of the Methodist Student Movement of Denton.

They brought their play "Graveyard Day" and gave it at the Haskell Methodist Church at the Sunday school hour and then after lunch at the Paint Creek lunch room they gave it for the Paint Creek Community. The cast consisted of Gerry Adams from Sunset, Texas; Suzanne Walters from Ft. Lauderdale, Florida; Carol Roland, Phillips; Beverly Hickman, Port Lavaca; Shari Nichols, Fort Worth, and Catherine Blanchard from Port Neches. Ress King of Gilmer came to help bring the cast and William Overton directed the play.

The young people surely enjoyed our community. Two of them had never seen snow and

they thought we arranged the snow especially for them. The lunch brought by the women of the Methodist Church was so nice, and they enjoyed meeting everyone. They said we were the most responsive audience they had played to. We laughed when we were supposed to and cried when we were supposed to. And though they have taken plays to Celina, Nocona, Decatur and several towns near Denton, we were the first church to give them an offering to help defray their expenses. Mr. and Mrs. Lennis Jones from Rule and Mrs. Charles McBeath gave them a monetary gift at the church at Haskell. So their weekend was fun and didn't cost them any money. We Overtons surely appreciate you Paint Creek people being so wonderful to them, and being such a good audience for their play.

The junior basketball tournament at Wejnert had to be postponed last weekend because of the weather and will be continued this week.

In the senior boys basketball tournament at Haskell our Paint Creek boys won their first game Thursday night when they played Throckmorton. Then Friday night they played their best game of the tournament and lost to Knox City. Saturday night they were playing for third place and lost to Mattson, so they won 4th in the tournament.

Mrs. Charles McBeath of Amarillo spent Sunday afternoon visiting her sister's family, Mr. and Mrs. Gene Overton. Monday she and Mrs. Overton and their parents, Mr. and Mrs. L. W. Jones, were in Amscan and Abilene.

FHA Chapter Has Demonstration On Gift Wrapping

The Haskell Chapter of the FHA held their regular monthly meeting Monday night, Dec. 12 in the Homemaking Cottage.

Christmas decorations were used throughout the cottage, and Mrs. Betty Allen, home economist, for the Lone Star Gas Co. was a special guest. Mrs. Allen gave a demonstration on making table decorations and on wrapping packages.

Punch, made by the hostess, and cookies, made by Mrs. Allen, were served to twenty members, Mrs. McCollum and Mrs. Edwin Jeter.

Fish Fry Given Commissioners' Court

Members of the Commissioners Court and their wives were guests at a fish fry given at the Anchor in Scott Memorial Park, with Mr. and Mrs. Randy Ballard host and hostess. Each lady received a Christmas corsage.

Attending were Messrs. and Mesdames Jim Alvis, Louie Kuentler, Leon Newton, and Claude Ashley.

T.E.L. Class Has Business and Social Meeting

The T. E. L. Class of the Baptist Church met in the Annex Tuesday at 3 p. m. for a business and social meeting.

Miss Florence Crowley, vice president, was in charge in the absence of the president, Mrs. Joe Maples. Miss Crowley gave the devotional from the second chapter of Luke. Reports were given by the group captains.

The social hour was directed by Mrs. Thomas. The group joined in singing Silent Night, and several gave readings on Christmas. Gifts were exchanged, with each one present receiving a gift, and refreshments were served by Mrs. Toliver's group.

The following were present: Mesdames Julie Perrin, A. I. Sego, Addie Weaver, R. Y. Mobley, O. O. Akens, J. L. Toliver, C. A. Merchant, J. T. Ellis, C. A. Thomas and Miss Florence Crowley.

were in Abilene Tuesday at a clinic.

Albert Roberts was awarded the 1960 Club Trophy from the Haskell Flying Chief's Model Airplane Club at the meeting Monday night. Each boy in the club was a contestant all year, and points were given for entries in contests for planes built and for meetings attended. etc. Albert had the most points. Added to this, he won in the drawing for \$15 worth of merchandise at the Frierson Hobby Shop.

Mrs. Willie Medford is a patient in the Haskell Hospital and will remain for several more days. She has had pneumonia and is getting along fine now.

Rev. and Mrs. V. P. Morrison from Graham are spending a few days here with their sons, Pat and Van, and their families.

Mr. and Mrs. G. W. Roberts had as guests Sunday their children, Mr. and Mrs. Wayne Phemister, Ricky and Randy, Mr. and Mrs. Bobbie Roberts and Tammy Jean and Albert, and Mrs. Robert's sisters, Mr. and Mrs. Ted Grubbs, Mr. and Mrs. James Voyles, Debbie and Mike and Mr. and Mrs. Jack Daniels. They all got stuck trying to leave Sunday afternoon, and Mr. Roberts had to get his pickup-up and pull all the cars out to the gravel road.

The football boys will be honored by the pep squad girls at the football banquet tonight (Tuesday) in the lunchatorium. George Graham of Hardin-Simmons University will be the guest speaker and music will be furnished by the music department of Hardin-Simmons University.

Paint Creek roads are a muddy mess. I have never seen such mud. The gravel must have just sunk down, because part of one road doesn't even show any gravel. The buses have had such a hard time getting the boys and girls to school and the bus drivers are about to give up.

Electric Co-Ops Sponsor Dinner For Legislators

Nine rural electric cooperatives of West Central Texas sponsored an appreciation dinner for members of the Texas Legislature Monday night, Dec. 12th.

request was really an election contest and said federal courts have no authority in such cases.

Connally said the Republicans failed to prove that any civil rights had been violated. His order paved the way for the immediate action by the State Canvassing Board. Republican attorneys were still discussing the possibilities of an appeal from Connally's ruling when newsmen told them of the board's action that also denied a formal request for a recount. The board, meeting in Austin, then certified the Democrat electors.

Connally ruled that the Republican petition was actually based on the contentions that the right to vote had been denied to some by the original counting of ballots and that Republicans feared they would be victims of discrimination by erroneous action by the State Canvassing Board.

"I can see this in no way except as an election contest to which this court is specifically denied jurisdiction," Connally said.

"The best that can be said," Connally added, "is that uncertainty prevailed among the election officials throughout the state. Some election judges counted questioned ballots while others did not count the same type ballots. That fact does not show any discrimination against one voter or group of voters."

County Has Receipts of \$192,651, Expenditures \$49,172 in November

Haskell County had operating expenses of \$49,172.27 during November, and ended the month with a balance in all funds amounting to \$238,746.48, according to the monthly financial report made by County Auditor R. A. Coburn.

Receipts of \$192,651.95 in November reflected the heavy payment of taxes last month when compared with total receipts of \$12,667.66 in October. Included in the total operating expenses for November was the sum of \$20,000 for repayment of a bank loan to the county's General Fund, along with \$116.87 interest. This left \$29,055.60 as actual operating expenses for the month.

Receipts and disbursements in various operating funds as shown in the November report:

General Fund: Receipts \$70,558.05, disbursements \$26,378.78.

Jury Fund: Receipts 6,958.23, disbursements \$838.13.

Courthouse and Jail: Receipts \$1,388.75, no disbursements.

Officer Salary Fund: Receipts \$16,508.58, disbursements \$6,422.46.

Law Library: Receipts \$71.50, disbursements \$117.50.

Two Killed, 29 Injured in County Traffic Accidents During 1960

Santa has never failed to make his rounds yet, possibly because he uses an air-borne sleigh for transportation. But judging from the record, if the jolly old gent had to use Haskell County highways, he might not get to your house for Christmas.

So far this year, automobile accidents have killed two persons, injured 29, and have caused property damage amounting to \$21,700.00 in this county.

In November the Highway Patrol investigated 8 accidents in this county. These wrecks accounted for eight persons injured, and property damage of \$3,200.00.

Held for Dr. W. M. Taylor, Physician More Than 50 Years

Dr. W. M. Taylor, who practiced medicine for over 50 years, died at 5 p. m. Friday in the Methodist Hospital in Haskell, Texas.

Dr. Taylor was born in the town of Goree, Okla., on May 27, 1891, at the age of 69.

He was a charter member and first president of the old Knox County Medical Society, which later joined with the counties of Baylor and Haskell to become the Tri-County Medical Society. Dr. Taylor served as second president of the Tri-County organization. He was also a member of the American Medical and Texas Medical Societies.

On May 20, 1952, the Tri-County Medical Society honored Dr. Taylor at a dinner and presented him with a silver key for his 50 years of service. In 1953, the town of Goree honored him for his service to the community and, in 1959, he was elected honorary member of the National and State Medical Associations.

In community service, Dr. Taylor has served as mayor of Goree, school trustee and a deacon in the First Baptist Church.

He became a Mason in 1908 in Covington, Ga., and was made a life member of the Goree lodge in 1947. He held many posts in Masonic Lodge, being Worshipful Master on four occasions between 1913 and 1933 and held Commandery Degree. He was also president of the 91st Masonic District in 1955 and was presented a 50-year award by the Grand Master of Texas on August 15, 1958.

Survivors include the widow; two sisters, Mrs. Burnice Buchanan, Atlanta, Ga., and Mrs. Mae Weston, Atlanta, Ga., and several nieces and nephews.

OIL NOTES

Location for a new Haskell County wildcat was staked two miles northeast of O'Brien near the Haskell-Knox county line.

The venture is Megargel Drilling Co. of Megargel No. 1 Joe M. Hester. Drillsite is 2,173 feet from the west lines of Section 48, Block 2, D & W Survey.

Proposed depth is 5,300 feet with rotary to test the Strawn.

Megargel Drilling Co. and Newman & Chambers completed two wells seven miles south of Haskell. Both were prorated in the regular field.

No. 1 E. M. Bunkley, Section 87, H&TC Survey, had a daily potential of 30 barrels of 29 gravity oil. It is pumping from 16 perforations at 2,230-24 feet in the King sand. Casing is set at 2,370 feet and the hole is bottomed at 2,382 feet.

Other well, located 1,650 feet east of No. 1, had a daily potential of 35.9 barrels of 29.2 gravity oil, plus 10 per cent water. It is pumping from an open hole at 2,318.23 feet.

Bridwell Oil Co. set 4 1/2 inch casing at 3,207 feet, total depth

at its No. 1 R. H. Cobb, Section 2, Block 1, ETRR Survey. It is five-eighths mile north-west outpost to the Bridwell-Hendrick Field 12 miles south-east of Haskell.

Operator was to perforate opposite the Palo Pinto Sand. A drill stem test at 3,191 to 3,205 feet recovered five feet of slightly oil and gas-cut mud.

R. R. Carey Drilling Co. et al of Graham staked No. 1 R. H. Sego as a 5000-foot wildcat five miles northwest of Haskell. Drillsite spots 2515 feet from north and 1818 feet from east lines of Indianola RR Survey 72, A-547.

Scheduled to be drilled three miles southwest of Haskell in the county regular pool was Jones-McCray - Franklin of Post No. 1 R. Y. Mobley, 330 feet from the north and west lines of south one-half of section 23, block 1, H&TC Survey, a 4700-foot project.

Hayden Farmer of Olney No. 1 Ida Thompson will be a

2,800 foot rotary wildcat south-west of Haskell.

The location spots 4,390 feet from south and 2,200 feet from east lines of A. F. Burchard Survey, Abstract 14.

Sojourner Drilling Corporation of Abilene completed No. 8-K T. G. Hendrick in the regular field southeast of Haskell. It is in J. Matthews Survey 4.

The well flowed 91 barrels of 40 gravity oil in 22 hours through a 21-5/8 inch choke with packer on casing and 345 pounds of tubing pressure. The flow was from perforations at 1,413-1,421 feet. Casing was set at 1,516.5 feet. Total depth was 3,100 feet. Gas-oil ratio was 750-1.

Humble Oil & Refining Co. No. 2 Mrs. Nettie Henry was completed five miles south-east of Rochester in the North Herren (Strawn) Field. It is in Section 7, J. McClanacan Survey.

Daily potential was 28.36 barrels of 36 gravity oil, pumping from 12 perforations at 4,778-4,784 feet. Pay was treat-

ed with 50 gallons of acid. Casing was set at 5,790 feet, with hole plugged back from 5,800 feet to 4,807 feet.

An attempt to dually complete the well at 5,711-5,717 feet failed.

Humble also completed No. 3 W. H. Harrell in Subdivision 8, J. McClanacan Survey.

Daily potential was 16.38 barrels of 36.2 gravity oil, plus 84 per cent water, pumping from eight perforations at 4,788-4,792 feet. Pay was treated with 100 gallons of acid. Casing was set at 4,878 feet. Hole was plugged back from 4,900 to 4,848 feet.

Fletcher Oil & Gas Drilling Corp. No. 4 A Sallie E. Cloud, project five miles northwest of Haskell in the Herren (Upper Burson) Field, was plugged at 4,933 feet. It was in Coryell CSL Survey 72.

The Superior Oil Co. No. 1 Ava Johnson, wildcat four miles south of O'Brien, was plugged at 4,950 feet. It was in the Red River CSL Survey 75, Lot 40.

Haskell Offered Special Day at Fat Stock Show

An invitation has been sent to the Haskell Chamber of Commerce to have a special day at the 1961 Southwestern Exposition and Fat Stock Show in Fort Worth. Dates for the exposition are Jan. 27 through Feb. 5.

By having a "day" at the Fort Worth Stock Show Haskell would receive special recognition and publicity at the Stock Show and throughout North and West Texas, according to W. R. Watt, Stock Show president-manager.

The invitation provides special block reservation seats for the rodeo. The local band is invited to play a concert on the Stock Show grounds and be guests of the Stock Show management at the rodeo. The 1961 Fort Worth rodeo will feature the famous chariot race between two four-horse teams from the "Ben-Hur" movie.

Also, Haskell has been invited to name a cowgirl sweetheart to wear western attire and ride in the rodeo grand entry. Riding clubs in the area also are invited to ride in the opening day parade or in the rodeo grand entry on the city's special day or both.

Many cities and organizations make annual trips to attend the Fort Worth Stock Show, which will be observing its 65th season.

Alcohol is not a stimulant, and is classified medically as a depressant.

341 Pay Fines For Violation Of Game Laws

Game law violators paid fines and court costs amounting to \$8,304 for violations during the month of October, according to Capt. E. M. Sprott, director of law enforcement of the Game and Fish Commission.

Of the 341 arrests, 102 paid fines for failure to buy their new fishing license, and 47 thought they could get by hunting without licenses. Season jumpers accounted for 37 arrests.

Wardens also made it hard on persons shooting from automobiles, and wrote tickets for 27 for this offense. Despite heavy arrests in recent months of "telephoners," another person was arrested for using an electrical device for catching fish.

Violent Deaths Predicted for 176 In State During Holiday Season

The Texas Department of Public Safety predicted today 176 persons will meet violent death in traffic, murder and suicide, and other fatal accidents during the 10-day period embracing the Christmas-New Year holidays.

Col. Homer Garrison Jr., department director, said experience in previous holiday periods and other statistical factors indicate 90 persons will be killed in traffic, there will be 46 homicides and suicides, and 40 persons will die in fires and other non-traffic accidents.

He announced that "Operation Deathwatch," a grim tabulation of holiday deaths, will be in effect from 12:01 a. m. Friday, Dec. 23 to 11:59 p. m. Sunday, Jan. 1.

"We hope our prediction is too high, and through the most concerted and coordinated effort in history this year, we will be doing everything in our power to hold down traffic deaths, particularly during the holidays," Garrison said.

"Our Regional Commanders have been instructed to have every available man on duty and all radar units working during this period in an extra-special effort to maintain the existing reduction in traffic fatalities effected so far in 1960."

"We hope to wind up this year with approximately 170, or about seven per cent, less fatalities if we can hold the trend which has apparently been established."

Wreck Victim Has High Praise for Hospital, Staff

There's no pleasure in being involved in a car accident and being hospitalized in a strange city, declares Miss Eugenia Getaz of San Antonio from her bed in the Haskell Hospital.

That happened to her on Thanksgiving Day. And since it did, she says it couldn't have happened at a nicer place than near the Haskell County Hospital, where she has been a patient since Nov. 24. She has only the highest praise for the entire hospital staff, nurses and doctors. To show her appreciation, Miss Getaz gave a very generous check to be used for a hospital party during the holiday season.

Miss Getaz received severe fractures when her car went out of control on the highway near the west city limits of Rule on Thanksgiving Day. She was on her way to visit a sister and her family at Katz Camp, near Jud when the mishap occurred.

Her condition is improving satisfactorily, and Miss Getaz may be able to be dismissed in time to be removed to her sister's home by Christmas.

Fire Hazards In Home Increase At Christmas

Stop and think what would happen should a spark get into the tinsel and tissue paper that usually packs a house at Christmas. Santa might have a chimney to come down, but he wouldn't have a house to leave the gifts in. Fire safety is especially important during the holiday season because of added hazards.

One of the principal fire hazards is that beautiful tree in the corner of the living room. This danger can be minimized by selecting a freshly cut tree shortly before Christmas. The tree can be kept fresh by cutting the bottom diagonally and placing it in water or wet sand.

Placing the tree is also important. It should be placed so it will not block exits, and should be kept away from the fireplace, stove, or powerful electric lights or other sources of heat.

Only Underwriters Laboratories approved lights should be used on the tree. Lights which have been used before should be checked for frayed wires or damaged sockets. Electrical circuits should not be overloaded with additional lights, toys or appliances.

Only non-flammable decorations should be used on the tree, and tree lights should be turned off when no one is at home or when the family begins to dry and fall, the tree should be discarded.

Fire safety should not be confined to the tree alone. Discarded wrappings and packages should be put in the trash can as soon as possible. Smokers should also be extra careful where they lay their cigarettes, cigars and pipes.

Make sure that Santa finds something besides a chimney when he visits your home. Observance of basic rules of home safety can keep the Christmas season a happy one.

Mistletoe Should Be Kept Pruned

Mistletoe is a parasitic plant with small flowers and white berries, and has certain ornamental value. It frequently grows on the limbs of hackberry, osage orange, oak, elm, mesquite and other trees, and obtains water and plant food nutrients from its host tree.

Mistletoe, if present in excessive amounts, may weaken or slowly kill shade trees, points out Harlan E. Smith, A&M plant pathologist.

No chemical is available for mistletoe control. If a tree has only a little mistletoe, the parasite and branches may be pruned away. Young branches should be cut one foot, or more below the point of infection. In older branches, the bark and a small amount of wood must be cut out one foot, or more from each infection. Tree paint disinfectant should be applied from time to time to the cut surface. The disinfectant will prevent wood rot while the wound is healing.

It is useless for one individual to try and eliminate mistletoe if it is plentiful nearby. However, on valuable shade trees that are infested, an attempt should be made to remove the parasite.

State's Rainfall Below Normal in November

The weather pendulum took a long swing in the opposite direction in Texas during November, according to a resume just completed by the Weather Bureau Climatologist in Austin. The month was warm and dry with below normal rainfall in all sections of the State except for a small portion of south central Texas. This was a sharp contrast to the wet and stormy weather of the previous month.

Lubbock received no rain at all for the first time since October, 1952 while only traces fell at Amarillo and Wichita Falls. Abilene received only .02 for the month. It was the driest November since 1950 for Abilene, Fort Worth and Wichita Falls.

General rains continued in south central Texas from the 8th through 23rd. Rains were generally spotty and light in southwest Texas and the lower Rio Grande Valley with little or no rain in the southwest section. Heavy rains occurred in the middle Brazos and Leona River basins on the 14, 18 and 29, causing some flooding on the 18 and 29th. On Nov. 21 and 22, heavy rains fell over the Nueces watershed in south central Texas, and at College Station.

November temperatures were above normal over the entire state. It was the warmest November since 1949 for Abilene, Midland and Wichita Falls. Cold Canadian air pushed deep into Texas on the 9 and 10th and again on the 29 and 30th. Freezing temperatures extended as far south as Austin in central Texas with each invasion.

Drunk Mistaken For Dead Man Lands In Court

A Fort Worth man picked the wrong place to "sleep it off" after hitting the bottle too heavy Saturday night and Sunday morning.

Persons who saw the man lying in his car, apparently lifeless, while the vehicle was beside the highway a few miles out of Sagerton Sunday, feared the man might be dead and notified officers.

They had first noticed the man as they passed the stalled car on their way to church. Returning about two hours later, the man was still lying in the car.

Constable Raymond Denson of Rule went to investigate, and managed to awaken the man. Brought to Haskell, he entered a plea of guilty to driving an automobile while license was suspended and was fined the minimum, \$25 and costs, for a total of \$52.20.
