also in the First Baptist Church, when diplomas and awards will be presented to 46 graduating seniors.

Valedictorian is Barbara Rexrode, with an average of 92.81 during four years in high school, and the daughter of Rev. and Mrs. M. D. Rexrode. As valedictorian, she will be the principal speaker on the commencement program. Miss Rexrode is a member of the National Honor Society, was winner of the Quill and Scroll award in Science, and has been a member of the HHS Band two years. She is a member of the First Baptist Church where she is active in many organizations. She plans to enter Baylor University where she will major in biology.

Salutatorian is Martha Jane Bynum, with a four-year average of 92.36, and the daughter of Mr. and Mrs. J. A. Bynum. She has been a member of the HHS Band four years and was

named a Majorette in her senior year. A member of the National Honor Society, she was a Haskell representative at Bluebonnet Girls' State in 1959. She is on the staff of the school newspaper, is a member of The Nine Teens, Quill and Scroll, and the HHS chapter of Future Teachers of America. She was elected FFA Sweetheart of 1961, and last October was named Rotary Club "Student of the Month." She was in the cast of both the Junior and Senior Class plays, and was winner of the Quill and Scroll award in History. She is an active member of the First Methodist Church.

Highest ranking boy in the Senior Class is James Cameron with a four-year average of 90.65. The son of Mr. and Mrs. Loyal Cameron, he is a member of the Quill and Scroll, National Honor Society, and is on the staff of the school newspaper and annual. He is vice president of the Senior Class and was named to Who's Who in HHS in 1961. He was chosen as Campus Favorite, and was in the cast of the class play. He was Haskell representative at Lone Star Boy's State in Austin in 1960. He is an active member of the Church of Christ.

## Testing of All Cattle for Brucellosis Scheduled

Technicians and supervisory personnel, will carry out the testing program, County Agent Martin said. They are coming here from Baylor County, where a testing program has just been completed.

The crews will begin their first tests Monday in the Rochester, O'Brien and Irby areas. No charge will be made for the testing, and the only cattle to be included in the program are cows eight months of age or over, no steers, calves, or official Bangs vaccinates under 30 months of age.

While in an area, the crews will vaccinate free if the vaccine is furnished, calves 4-12 months old in beef breeds and 4-8 months for dairy breeds, the County Agent explained.

Where there are unusually large herds, only a percentage will be tested. However, if a

### SCHLUMBERGER DONATES TO GIRL SCOUTS

Schlumberger Well Surveying Corporation, through its local manager, C. A. Smethie, presented the Girl Scouts a check for \$50 to help the local organization get started. The check was sent from Schlumberger's Houston division office.

## Plans Made for Setting Up Active Girl Scout Program For Haskell

Meeting in the afternoon of May 4, in the Elementary School Cafeteria, more than one hundred mothers and daughters laid the foundation for a Girl Scout program for Haskell. Mrs. C. A. Smethie acquainted these present with a brief history of the Girl Scout Organization which was begun as a sister organization to the Boy Scouts in 1912 by Robert E. Katon-Powell, founder of Boy Scouts. This program, designed to interest girls from 7 to 17, consists of a group of girls (7-9 Brownies, 10-15 Intermediate, 15-17 Senior Scouts) and

two adult leaders, called a troop, which are in turn sponsored by a civic, church or fraternal organization.

Program activities include arts and crafts, literature, music, citizenship, outdoor fun, and homemaking. Each troop is self-supporting which gives the girls responsibility in the field of raising and budgeting their finances. Overseeing and giving moral support is a Troop Committee, made up of civic-minded citizens who counsel and advise with individual troop leaders. The local troop committee has as its initial members, Mr. and Mrs. Ira Hester, Mr. and Mrs. Brooks Middleton, Dennis P. Ruff, Dr. Joe E. Thigpen, H. T. Wilkinson, Mrs. Roy Wiseman, and Mrs. C. A. Smethie, together with Troop Leaders, Mrs. Glenn Sammons, Mrs. Joe Thigpen, and Mrs. Jack Pippin. Sponsoring organizations are the First Presbyterian Church and the Christian Church.

Interest in the reactivation of Girl Scouts for Haskell came about through the Planning Committee of the Chamber of Commerce who realized the need of a planned program for girls. The Clubs and Organizations Committee of the Chamber of Commerce, headed by Mrs. Jack Pippin, initiated the study and prepared the program presentation which culminated in the organizational meeting at which time 93 girls registered for troop activity, and 12 mothers volunteered as leaders and assistant leaders. Actual troop division and activity will not begin until September. Meanwhile troop leaders, assistants and their helpers, will be receiving instructions and preparing plans for the first meetings. Girls who were not able to attend the meeting and who are interested in becoming a part of this program are advised to contact Mrs. C. A. Smethie or Mrs. Roy Wiseman who comprise the Service Committee.

# All Plans In Readiness for Opening Jaycee Rodeo

## Whiteface Calf to be Given Away By Texaco Consignee and Dealers

Saturday, May 20, will be celebrated as "Texaco Day" in Haskell County, with free gifts for ladies and children at all Texaco service stations, with a valuable major award to be given away on the courthouse lawn at 4 p. m.

Fred Gilliam, Texaco consignee, and seven Texaco service stations in Haskell and Rule are sponsoring the day's celebration.

They announce that balloons, lollypops and Fire Chief hats for kiddies, and ivy for the ladies, will be given free at all Texaco stations as long as they last Saturday.

Also, all persons 16 years of age and older are invited to register at their favorite Texaco station for a valuable Fat White-Face Calf to be given away at 4 p. m. Saturday on the courthouse lawn. It costs nothing to register, there is no ob-

ligation and nothing to buy—but you must be 16 years of age or older.

"We want everybody in Haskell County to visit a Texaco Station Saturday, receive a free gift and register for the capital award to be given away. This is our way of saying thanks for your patronage, and an invitation to visit your friendly Texaco Station often," the dealers said.

In addition to Fred Gilliam as consignee, service stations joining in sponsoring "Texaco Day" Saturday, are Chester Cunningham Station, W. H. Brannon Station, Gene Campbell Station, M. C. Wilfong Station, Dick Tracy Station, Lytle Service Station, all in Haskell; and the S. & H. Station in Rule.

Parade Chairman C. O. Holt, president of the Sheriff's posse, has announced that all riding club members and other parade entrants, should be at the rodeo grounds by 3 p. m. in order that the parade can be properly organized.

Attractive trophies will be awarded the three top riding clubs in the parade.

A special feature Friday night will be a "Pig Scramble" in which all youngsters 14 years old or under will be eligible to catch and keep one of the eight pigs to be given away.

The pigs to be given away in the "Scramble" were purchased with money donated by the following firms: Highway Drive In Cafe, Western Auto, Haskell Warehouse Company, M-System Super Markets, Furr Insurance, Bradberry Super Save, Pal-O-Mar Lodge, Bill Wilson Motor Co., Smitty's Auto, Jack Pippin, Cook's Humble Service, J. E. Walling Jr.

## J. J. Smallwood Dies Following Heart Attack

J. J. (Joe) Smallwood, 78, retired blacksmith and Haskell resident for more than 30 years, died Monday night at the family home in West Haskell after suffering a heart attack.

Funeral for Mr. Smallwood will be held in Holden Funeral Chapel at 2 p. m. today with Jim Pennington, minister of the Haskell Church of Christ, and Doyle Maynard, minister of the Rule Church of Christ officiating.

Burial will be in Willow Cemetery under direction of Holden Funeral Home.

Joseph Jackson Smallwood was born Feb. 21, 1883, in Bluffton, Ark. He came to Texas when a young man, and on Dec. 13, 1903, he married the former Miss Ida Burns of Fairlee, Hunt County, Texas. They later lived at Klondike, in Delta County, before moving to Haskell in 1929.

Mr. Smallwood spent most of his working lifetime as a blacksmith, but worked several years as a cotton ginner before retiring.

He was a member of the Church of Christ. He is survived by his wife, of Haskell; five daughters, Mrs. M. A. King of Beaumont, Mrs. L. B. Aston of Wichita Falls, Mrs. Curtis McCarty of Paducah, Mrs. Wilford Johnson of Fresno, Calif., Mrs. Wayne Clark of Denver, Colo.; three sons, James Eddie Smallwood of Decatur, Joseph Earl Smallwood of Abilene, and Richard Bradford Smallwood of Houston; 13 grandchildren; 17 great-grandchildren; and one sister, Mrs. Anna Pearl Dunn of Rule.

# CITY COUNCIL WILL OPPOSE NCTMWA WATER PERMIT

Meeting in special session on Tuesday afternoon, the City Council authorized employment of an Austin law firm to represent the City of Haskell in opposing the granting of a permit to the North Central Texas Municipal Water Authority by the State Board of Water Engineers.

Employed was the firm of Powell, Rauhut, McGinnis, Reavley and Lochridge, one of Austin's most prominent law firms.

A spokesman for the Council said Tuesday's action was taken to ratify an agreement made Saturday, May 13, when Mayor J. E. Walling and Aldermen Otho Nanny, Bob Stephenson, John Thomas and Bob

Sego were in Austin and conferred with the law firm. In a second special meeting Wednesday morning, the Council instructed City Secretary T. J. Arbuttle to immediately mail a certified check in the sum of \$1,500, taken out of the water department funds, to the Austin firm for legal services.

The Water Authority, which is composed of Goree, Munday, Rule and Haskell, has filed application for a permit to appropriate a total of 6050 acre feet of water annually from Millers Creek by impounding 25,520 acre feet of water annually.

Hearing on the application by the Board of Water Engineers has been set for Tuesday, May 30, 1961, beginning at 10 o'clock a. m. in Austin.

## Joe B. Cloud Awarded Plaque; Lions Mop and Broom Sale Set for Monday

Joe B. Cloud of Rule, who was selected by the CC SCD Board of Supervisors, Stamford, as the District entry for the annual Lions International Award of outstanding conservationist, was presented a plaque at the Tuesday noon Lions luncheon meeting for his outstanding soil conservation work in the California Creek District.

Rev. Oscar Bruce, pastor of the local First Methodist Church, made the presentation following a talk by J. C. Yeary of the SCS, in which he pointed

farm owned by Cloud, his mother and sister, consisting of 341 acres located about five miles southwest of Rule, his plan of operation contains the return of class IV land to permanent grass, cross fencing of native grass lands for more efficient operations and better grazing management, reseeding several denuded areas in the pastures, controlling mesquite, the development of livestock water and water storage facilities, and the setting aside of inaccessible areas for the protection and propagation of wildlife.

### Mop and Broom Sale

Next Monday, May 22, Haskell Lions will feature the big annual mop and broom sale and club members have been assigned to various divisions to cover the downtown and residential area.

Merchandise which will be offered for sale by Lions in their mops and broom sale include brooms, different types of mops, whisk brooms, door mats and other needed household items.

Haskellites are asked to keep in mind the annual event sponsored by Lions, as funds obtained from the sale will not only help support local worthwhile projects, but in turn will benefit the Texas Lighthouse for the blind.

out the many accomplishments in soil conservation by Mr. Cloud. Rogers Durham was in charge of the program and Bill Lawson introduced the speaker.

Yeary pointed out that Cloud farmed three farms in the California Creek SCD. Continuing his talk, Yeary said: "On one

"Cloud owns and operates three other farms which are operated under district agreements with the Wichita Brazos SCD, headquarters at Knox City," Yeary pointed out.

Following the presentation, Cloud expressed thanks to the club for bestowing upon him the coveted soil conservation award.

# First 1961 Wheat Is Received Saturday

First wheat harvested from the 1961 crop was brought in late Saturday by Johnny Becker, Haskell farmer, who combined 200 bushels from between 11 and 12 acres of a 64-acre field of the Early Triumph variety.

The wheat was purchased by Kimbell Elevator, and brought \$1.70 per bushel. Elevator manager Lester Fore said the wheat tested 58 pounds and had moisture content of 13.58 per cent.

Several other wheat growers

have made test cuttings in their fields this week, and a number of small loads of grain have been brought in.

However, bulk of the crop is still too green and will not be ready for combining before the end of the week.

Most of the grain combined has averaged from 17 to 21 bushels. Haskell Warehouse Company reported spot cutting on the Leon Burson farm had a yield of 21 bushels, while Roy Wiseman combined 20 bushels per acre on a spot test.

## 14 Seek Liquor Permits In J. P. Precinct 4

Justice Precinct No. 4 of Haskell County became officially "wet" to the sale of all alcoholic beverages, for off-premise consumption, following canvass of votes cast in the May 6 election, made by the Commissioners' Court Monday.

No change was found in the election results as unofficially reported, the vote being 145 for

and 86 against authorizing legal sale of liquor.

Legal sale of beer has been permitted in Prec. 4 as result of an election held in October, 1960. The last election now legalizes the sale of all alcoholic beverages—whiskey, vodka, wine, etc.

At last count, 14 applicants are seeking permits from the

State Liquor Board. Notice of the application must be published in at least two issues of a weekly newspaper, after which the State Board can either grant or deny the permit.

After the publication requirements are met, the County Judge must approve the application, then it must be checked by the area Liquor

Control Board officer and forwarded to the district office at Abilene and from there to the State Board in Austin.

Since final publication of first notices of application will not be made until May 25, it is unlikely that any of the liquor stores will be in operation before the latter part of the month.

Right performances of the Jaycees Rice Springs Rodeo, opening tonight. A full schedule of riding and rodeo events will be run off each night, starting at 8 o'clock.

The Coming Traffic Deluge

Texas is about to be "snowed under" with highway traffic—and this thought is stifling any urge to celebrate, among the State's highway officials, as Texas observes National Highway Week, May 21-27.

Instead, Highway Week is occasion for apprehension rather than elation among those in the highway field. Texas has been undergoing a fantastic growth in motor vehicles and if the statistics continue the trend established in the past, the State may suddenly be faced with the most terrific traffic jam in history.

Texas reached the one million mark in motor vehicles in 1926. It took 21 years to reach the second million, in 1947. During the next decade the number jumped to four million and from 1957 to date Texas added almost another million.

The statistical growth rate reveals the chilling fact that instead of needing 21 years to gain a million vehicles, fast-expanding Texas can now do it in three years.

Translated into population terms, if the Texas population had grown at the same rate as motor vehicle growth, the State would now have about 20 million people—or more than twice its present population.

Under present financing, the Texas highway network cannot begin to keep pace with the "motor vehicle explosion." More than one-third of the total State-maintained highway mileage in Texas is already obsolete—or about to become so—by modern traffic standards.

This dilemma faced by highway officials caused State Highway Engineer D. C. Greer to term Highway Week "not an occasion to brag on what we have done, but to focus attention on the tremendous task we must face in the future."

Find Strength for Your Life

Religious worship is necessary because things happen at a church or synagogue that happen nowhere else. God seems to bestow His blessings more abundantly upon those who share the experience of prayer with their fellows.

Many years ago Robert Barclay put it succinctly: "As when many candles lighted and put in one place do greatly augment the light and make it more shine forth—so when many are gathered together into the same life, there is more of the glory of God, and His power appears to the refreshment of each individual, for each partakes not only of the light and life raised up in himself, but in all the rest."

The circuits of divine energy not only run from God to man but also from man to man, and group fellowship results in an overflow of power for each individual. As the Religion in American Life Program puts it, you need not walk alone. Worship together this week.

People, Places & Things

By A. PATE

As the monkey said when his tail became entangled in the lawn mower, "It won't be long now."

Notices are being published this week by several applicants for retail liquor license in Justice Prec. 4 and it will only be a short time before the legal sale of alcoholic liquors becomes a business enterprise in the precinct.

In one sense, legalizing the sale of whiskey and other alcoholic beverages in the southwest section of Haskell County is history repeating itself after a lapse of more than half a century.

The last saloons to operate in Haskell County before voters approved prohibition in 1907, according to old timers, were located in the south and west part of the county.

The most notorious, they relate, was the Lone Wolf Saloon, located near the south county line in the vicinity of Stamford which was then a new and booming town.

The second saloon was known as The Badger, and was located on one of the county's major roadways, the Old Rayner Road which ran from Haskell to Rayner, then county seat of Stonewall County.

These colorful names will be missing from today's liquor stores, and it is doubtful if the oldtime cowboys who were customers of the Badger and the Lone Wolf—or Haskell's famed "Road to Ruin"—would recognize their counterparts of today.

Missing along with the picturesque names of the establishments will be the hitching racks, which have been replaced by smooth, all-weather driveways.

Until around 1920, hitching racks were necessary adjuncts in front of stores and around the courthouse lawn. Ornamental hitching posts were also found in front of most homes, since most travel was in buggies or surreys.

Unrecognized by many people, there are a few concrete hitching posts, with metal ring in the top, still to be seen in front of several Haskell residences today. We know of their existence at three different homes. How many can you spot?

Dr. Gaston Foote, pastor of Fort Worth's largest Methodist Church, was the speaker at the Inter-City and Ladies Night Meeting sponsored by the Rotary Club last week.

The Fort Worth minister recalled humorous incidents when he was pastor of the Methodist Church here some 30 years ago during the "depression." Quite a few in the audience of 200 recalled some of the happenings firsthand, as did the speaker.

The young minister was in his first full-time pastorate during the depression years and his knowledge of "hard times" came first hand, he declared. First positive evidence that the depression was ending was the fact that occasionally a jackrabbit would be seen without someone chasing it, he recalled.

Dr. Foote was accompanied by Mrs. Foote and a group of some 20 Fort Worth Rotarians who made the trip to Haskell in a chartered bus.

It was Mrs. Foote's first visit here in years, and in leaving to return to Fort Worth on Thursday night, she requested the bus driver to circle the block on which the Methodist Church and parsonage is located. Despite the passing of some 30 years, Mrs. Foote easily recalled names of families living in the homes in the vicinity of the church when she and her husband were here.

An ex-legislator from East Texas, a self-admitted politician, gave us the following definition:

"A politician is like a cockroach, it is not what they eat or tote off that makes them so costly and annoying; it's what they fall into and mess up."

This same man said that every night for a week he had dreamed about getting out of politics. He told his wife about his dreams and asked her if she thought the dreams had any significance. Her answer was, "Yes, I do. They show that you have more sense when asleep than you do when you are awake."

Although the error probably escaped notice of the average reader, we "goofed" recently and had a lot of people older than they actually are.

In a recent issue, we mentioned the annual award of \$125 toward a college scholarship set up a few years ago by Haskell High School graduates in the Class of 1929.

Our error was in identifying the donor group as the "Class of '25," back-dating the HHS Exes four years.

First thought was to dismiss the mistake as inconsequential since only four years were involved.

On second thought, however, it dawned that 31 years have rolled by since that particular group of students donned cap and gown to bid HHS adieu.

Then for us to add four years to that would be aging the group entirely too fast!

So, we offer our apologies and humbly retract four years from the collective age of a fine group of HHS graduates!

Another error mentioned recently concerned a bird dog Jason Smith advertised for sale. First time the ad appeared it read: "Old bird dog for sale" when it should have been "Six months old bird dog for sale."

The ad was corrected after the first issue and several prospective purchasers contacted the owner.

Then, two weeks after the first ad appeared, a man drove from Snyder to see the Haskell man. He was interested in buying a bird dog and wanted an "old dog", one already trained! He'd noticed the ad and figured Jason had just the dog he wanted. Naturally, he was disappointed to learn that the ad was in error.

This seems as good a place as any to get in a plug for Free Press Want Ads. With or without errors, they get results!

When Memorial Day was first observed in 1868, San Juan Hill, Dunkerque and Korea still were unfamiliar names to most Americans. They were honoring men who had died in their own land at the hands of their own countrymen in defense of "one nation, indivisible."

What was that first Memorial Day like?

Major General John A. Logan had proclaimed the holiday, according to World Book Encyclopedia, The Grand Army

of the Republic which he commanded was leading the tributes with services at Arlington National Cemetery, just across the river in Washington, D. C. President Andrew Johnson was probably celebrating the end of his impeachment trial four days previously. He had been acquitted, but his enemies, the Radical Republicans, were firmly in control of Reconstruction and determined to punish the South.

There were still echoes of war on that solemn day. But most Americans had put the thoughts of war behind them. They were looking westward to the Great Plains and to the "manifest destiny" of the nation. Miners had started the surge west. Now the Union Pacific and the Central Pacific railways were nearing their meeting at Promontory Point, Utah, which would mark the completion of the first transcontinental railway. The railroads would bring in settlers and equipment. They would carry back to Eastern markets the herds that Texas cattlemen were beginning to drive north. Farmers would follow the cowboys, respectable towns would replace the rowdy camps, and the frontier would disappear.

The stage was set for the emergence of the Union, cemented by the dead who were being memorialized on that May 30th, as an industrial giant that would spread its bounty across a continent.

Haskell County History

MAY 15, 1942

Sheriff Olen Dotson, accompanied by R. L. Burton, Virgil Bailey and E. O. Chapman, left Monday morning for Los Angeles, Calif., from where the Haskell officer was to return a Haskell man charged with wife and child desertion.

Three young men charged with misdemeanor theft were each fined \$100 and costs by County Judge J. C. Davis Jr., Monday after they had entered pleas of guilty.

Mrs. I. N. Simmons visited in the home of her daughter, Mrs. Joe Thomas and Mr. Thomas in Abilene last week. Mrs. Thomas and little son returned to Haskell for a few days visit before going to their new home in Colorado.

Mr. and Mrs. Paul Ford and children of Fort Worth spent the weekend with her parents, Mr. and Mrs. J. A. Ford in Haskell.

Mr. and Mrs. Roy Weaver, Mr. and Mrs. Bon Adkins and son, Royce, Mrs. Stanley Furrh and daughter, Nancy and Mr. and Mrs. Arlos Weaver visited Cecil Weaver at Camp Barkley in Abilene Monday. Cecil left with five other boys Monday for Sacramento, Calif., where the group has been assigned to duty in a hospital.

Dr. and Mrs. Ernest Kimbrough and Squee left this week for Enid, Okla., where Dr. Kimbrough will report for military service Friday.

Cpl. Curtis Cross, stationed at Harlingen, Texas, who was unable to come home Mother's Day, sent for his mother, Mrs. M. O. Brinlee, to spend the day with him. Her sister, Mrs. Eessie Clark and her son, Thurman, accompanied Mrs. Brinlee to Harlingen.

M/Sgt. Hugh Ratliff who has been in the Panama Canal Zone for the past several months, is in Haskell on furlough visiting his wife and parents.

Mr. and Mrs. J. M. Sloan of this city have been advised by their son, Pvt. James Sloan, that he is now stationed in Newfoundland with U. S. armed forces. Prior to his present assignment, he was with the Army Air Force at Mitchell Field, L. I.

30 Years Ago—May 14, 1911

W. T. Hudson, who has been visiting his daughter in Houston for the past few months, returned to his home here the last of the week.

Under the direction of Joe Meacham, the Haskell High School Band has developed in to one of the outstanding musical organizations in this section of Texas. Members of the band and instruments they play, are: Cornets, Raymond Bynum, Elvin Bland, John E. Fouts, Buford Gholson, Carl Cook, Herman Pitman, R. C. Couch, Joe Maples, Edwin Bledsoe; Trombones: R. H. Meser, Clinton Herren, Ira Hester, Anita Collier, H. J. Hambleton; Baritones: Elzie Whatley, E. W. Johnson; Bass: Debrail Frazier, Felix Friereson; Alto: Ed Hester, Bob Herren, Wilda Pippen, Blanche Hollar; Drums: Carl Arbuckle, Edith Foote, Robert Darnell, Anna Maud Taylor, Frances Walling, Bates Thornton; Clarinets: John Oates, Howard Whatley, Woodrow Dishongh. Saxophones: O. D. Cook, Lillian Kaigler, Rondell Bailey,

Tom Pinkerton, six miles west of Haskell. Miss Louise Broach of Minut day is spending several days with Misses Dess and Grace Wilfong.

Spencer and Richardson will move into the new building now being built by Lee Pierson on the north side, just as soon as it is complete. Name of the concern will be changed to City Drug Store.

60 Years Ago—May 18, 1901

There was a lively little shower of hail at town Thursday afternoon, and showers of rain have fallen in various parts of the county during the week, but are still in need of a good, soaking rain all over the county.

The Christians have ornamented their church with a bell tower and hung a new bell to call their flock together.

Judge H. R. Jones left Wednesday to take a look over the Beaumont oil field. Mr. and Mrs. Walter Robertson and their bright little girl of scarce two summers, and by the way, the only girl in the Robertson family, are here this week visiting his parents, Mr. and Mrs. S. L. Robertson, Walter and family live in Wichita Falls.

Miss Sadie Adams of Waco is spending the week with Mrs. S. W. Scott. She spent a month or so here last summer and has many friends here.

John Wilbourn is presiding over his father's store in the absence of the latter.

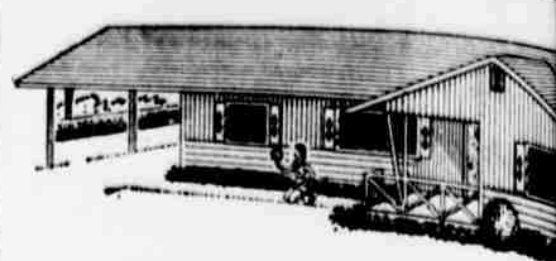

C. C. Frost had a dangerous fall from a scaffold Monday. The shock rendered him unconscious for a time, but fortunately no bones were broken and no internal injury sustained and he is making satisfactory recovery.

J. D. Patterson, a prominent stockman of Stonewall County and a director in the Aspermont bank, was a business visitor here Tuesday and Wednesday.

M. S. Pierson and family and Marshall and Sam Pierson and their wives, and D. R. Couch and wife drove out to California Creek Friday morning to spend until Saturday evening fishing. From the look of the cloud this evening (Fri-

day) we will miss our guess if they don't get a good wetting. One of the largest cattle deals made in this county in a good while was closed last week when W. T. Hudson and S. S. Cummings bought the Circle brand herd of cattle contained both 2000 and 2005 was \$20 a head.

### Legislature Adopts Resolution Congratulating Mrs. Lancaster

Mrs. M. E. Lancaster, Haskell County pioneer who recently celebrated her 100th birthday, was given recognition by the State Legislature at Austin last Thursday.

The Legislature adopted a resolution congratulating Mrs. Lancaster which was introduced by Rep. Carl Wheatley. Official copies of the resolution were sent to Mrs. Lancaster and each of her six children.

The Resolution, signed by James A. Turman, Speaker of the House, and certified by Dorothy Hallman, Chief Clerk of the House, reads as follows:

"Whereas, Mrs. M. E. Lancaster, beloved Haskell County pioneer, observed her one hundredth birthday on April 25, 1861; and

"Whereas, she was born on April 25, 1861, in Carter County, Missouri, daughter of Wyatt W. Williamson and Mollie Ann Gravens Williamson of Moore County, North Carolina. She was married on February 7, 1882; and

"Whereas, six of Mrs. Lancaster's children are living.

They are H. B. Lancaster, F. H. Lancaster, Ray Lancaster, E. H. Lancaster, Mrs. Earl Atchison and Mrs. Frank Lewellen. She has 24 grandchildren, 43 great-grandchildren, and four great-great-grandchildren; and

"Whereas, the Texas Legislature wishes to pay tribute to this West Texas resident, devoted Methodist, and esteemed pioneer; now therefore, be it

"Resolved, that the House of Representatives of the Fifty-seventh Legislature congratulates Mrs. Lancaster on her one hundredth birthday and expresses deep appreciation for her good life."

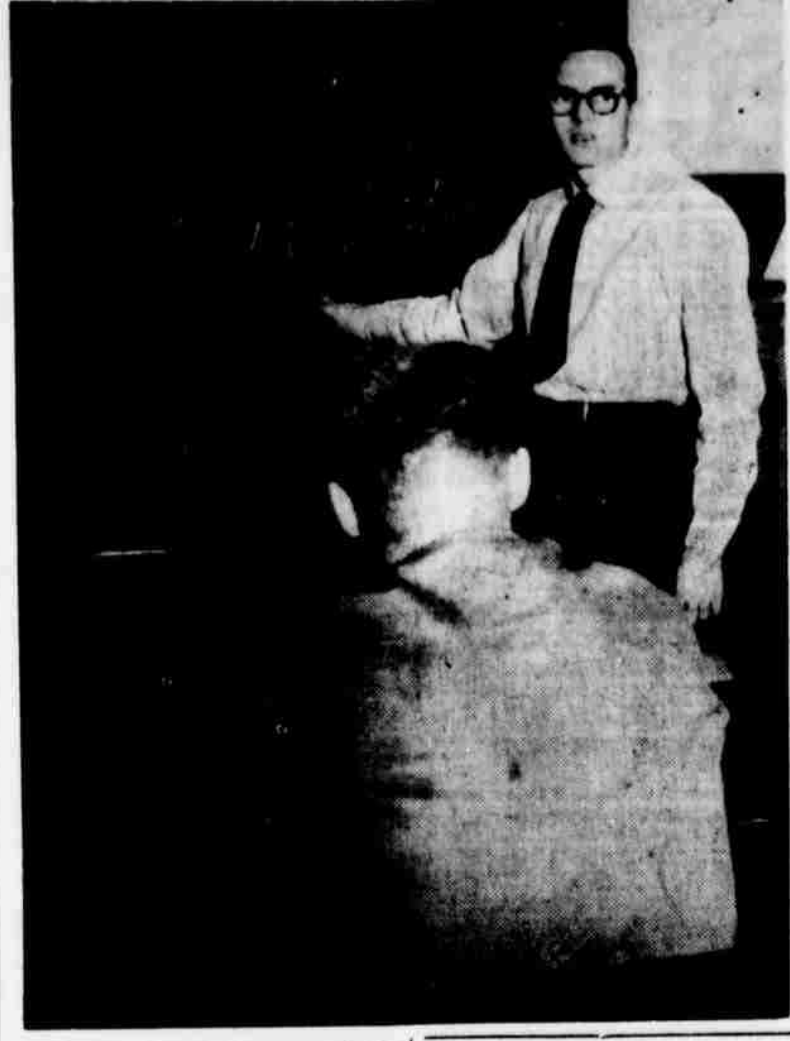

### LETTERS ... To The Editor

Dear Editor,

With the school year almost over for boys and girls in the First through the Twelfth grades, it seemed to be just beginning for some 61 pre-school children who attended the annual pre-school health clinic on Monday, May 8. This program, sponsored by the Parent-Teacher Association, is made possible each year by our local doctors of medicine and dentistry who donate their time and services in order that children who will start to school in September may have a general health checkup. At the same time their parents are advised of the inoculations and vaccinations which the child should have before entering school.

The clinic, held in the Elementary School, is made more enjoyable by the attractive work which each first grade room and the Kindergarten room has on display, and by the favors which first grade students make to give each child when the examinations are complete. As the clinic comes to a close, pre-school children happily anticipate their time to be first grade pupils.

The town of Haskell and the school community is indebted to the individuals whose splendid cooperation make it possible to continue this valuable program. This year it is the wish of the Parent-Teacher Association to express appreciation to the following individuals who assisted with the clinic: Dr. J. F. Cadenhead, Dr. R. A. Middleton, Dr. Joe E. Thigpen, Dr. Wm. J. Kemp, Dr. F. C. Scott, Mrs. W. P. Trice, County School Nurse; Mr. H. T. Wilkinson, Elementary School Principal; Mrs. Roy Wiseman, Secretary; First Grade Teachers: Mrs. Opal

### Haskell Airman Teaches Driving In Korea

"Don't Do It" says A/2C Jerry W. Welsh, 6314th Transportation Squadron, pointing to his over-sized writing on the board. Welsh, an instructor at an Air Force driver's school in Osan, Korea, gives talks to students on defensive driving, speed limits, and the dangers of drunk driving.

When Jerry W. Welsh enlisted in the Air Force almost four years ago, the idea of becoming an instructor in "defensive driving" of Air Force vehicles had never entered his mind.

Now, however, after more than a year in Korea, A/2C Welsh is one of the top instructors at the Air Force driver's school at its motor pool in Osan.

Preventative maintenance and accident prevention along with defensive driving, are the main topics taught in the weekly course which lasts Monday through Thursday from 8:30 a. m. to 3:30 p. m.

### This Sounds Like Old Glory Gold Strike No. 2

Last Saturday's election legalizing the sale of whiskey and other alcoholic beverages in Justice Precinct 4 also had a bullish effect on land prices in that area.

A Haskell farmer who owns a tract of land adjoining U. S. Highway 277 near the northeast corner of the wet precinct has been offered \$5,000 for one acre of land adjoining the highway, he said Monday.

Last year, after sale of beer had been legalized in the precinct, a top price of \$2,300 was reportedly paid for a choice beer store location on the highway.

North boundary of the precinct is about five miles south of Haskell, while the south boundary extends well into the north edge of Stamford.

### Farmer in Feed Grain Program Should Study Planting Formula

By F. W. MARTIN  
County Agent

The farmer who signs up for the Feed Grain Program this year will have to watch how he plants grain sorghum. Let us assume that a farmer has 300 acres in cultivation. That in 1959 and 1960 he planted 100 acres in cotton, 100 acres in wheat and 100 acres in grain sorghum. He would have 100 acres in grain sorghum base (if it's not factored to meet County conditions.) In this case he could qualify in the Feed Grain Program by leaving 20 acres out of production. He could either plant this in some conservation crop or if approved by the County ASC Committee it could be summer fallowed. Let us assume that the farm has a base index of 1,500 pounds of grain sorghum per acre. In this case he could sell 120,000 pounds of grain sorghum at the support price of \$1.89 per 100 pounds provided that every row is planted.

If the 80 acres is planted 2 rows and skip one, he will only have 53.3 acres in grain sorghum. In this case he would only be eligible to sell 80,000 pounds of grain sorghum at the \$1.89 rate.

I would seriously consider planting every row in grain sorghum this year. I would plant only as many pounds of seed on 3 rows as had been planted on 2 rows. This is only a one-year program and perhaps this undesirable feature will not be this way next year. I have information from the County ASC Committee that as soon as your grain sorghum has been checked for compliance, that you can cultivate your

dent; Jana Ulmer, vice president; Tommie Jo Simpson, secretary; Nancy Turnbow, pianist; Martha Campbell, song leader; Linda Stremmell, design chairman; Charlotte Laughlin, parliamentarian; Susie Dowdy, reporter; Sallie Dowdy, historian; Jean Marquis, civil defense.

A reception in the school cafeteria followed the installation ceremony.

### JUNIOR-SENIOR BANQUET

"Fantasy in Spring" was the theme for the Rule Junior-Senior Banquet in the school cafeteria on Monday night, May 15.

Guests entered through an archway to a spring garden in the center of the cafeteria. Tables formed a circle around the garden. Centers of attraction were spotlighted. Hangers of flowers were suspended from the ceiling.

Mr. David Garlington, high school principal, gave the invocation. Ford Cole, Junior class president, welcomed the seniors and faculty. The re-

sponse was given by the senior president, Keith Whitaker.

Nancy Turnbow and Martha Campbell sang "Over the Rainbow" and "In the Garden of Tomorrow."

Hollis Riggins and Paula Bell were fortune tellers and read the palms of the seniors for the prophesy. Gerald Saffel read the senior will.

Kay Ball, Linda Higgs and

Gerald Saffel sang the senior song, "Halls of Ivy" accompanied at the piano by Janet Hannsz.

The banquet ended with the singing of the school song.

## Final Meeting of Magazine Club Marked by Officer Installation

The final meeting of the Magazine Club for the 1960-61 season, concluding the program of study, "What In the World's Going On?" was held May 5, at the Magazine Club with Mrs. Hill Oates program leader for the afternoon.

tended the Mesquite District convention of Texas Federation of Women's Clubs in Midland, gave a very interesting report on the meeting.

Mrs. Henry Griffith, president of the Texas Federation, spoke on "The Federation and its Greatness." In discussing

the work of the Federation she urged members to study, be alert and active in local, state and national affairs, because we live in a woman's world and united we can change the wrong things to right.

In telling of her trip to Finland with a group of University students, she stressed that friendship could not be bought but there must be love and understanding for these people. They are looking to America for good jobs and a better way of life.

The keynote speaker for the convention was Hon. Heikki Hannikainen, Consul General of Finland, whose subject was "Finland Today."

At the close of the war Finland had over a million of her people killed and a huge war debt. The Consul General thanked the United States for helping his country recover from the effects of war. He said, "If the Finns fail, they have only themselves to blame." He paid tribute to the Finnish women and said Finland was the second country in Europe to give "equal rights" to women.

Mrs. John P. Ward, Aspermont, president of Mesquite District of TFWC, was speaker for the Federation Day program and installed the officers for 1961-62. She discussed the work of the clubs in Mesquite District, which is composed of 14 counties and 72 clubs, urging the members to begin planning now to attend the District Workshop in Hamlin in September, the District Convention in March, and the State Convention which meets in San Antonio next year.

For the installation of new officers, Mrs. Ward used the theme "Togetherness." Each member in performing her duties as an officer makes a link in a chain and the strength of the chain depends upon their devotion, cooperation and sincerity in doing a job well for the club she serves.

Officers elected to serve for 1961-62:

President, Mrs. C. J. Robinson; first vice president, Mrs. Calvin Smith; second vice

president, Mrs. John Rike; secretary, Mrs. Wallace Cox Sr.; corresponding secretary, Miss Beryl Boone; treasurer, Mrs. R. A. Middleton; Federation counselor, Mrs. Jack Pappin; elected board member, Mrs. Bailey Toliver; retiring president, Mrs. Hill Oates; parliamentarian, Mrs. J. U. Fields; club critic, Mrs. Luther Burkett; reporter, Mrs. Robert Wheatley; historian, Mrs. C. L. Lewis.

Mrs. C. J. Robinson, newly elected president, brought a brief message on the program of work for 1961-62. The meeting closed with reading of the club collect.

Mrs. Hill Oates, assisted by the Social Committee, was hostess for a tea hour. Members of the committee are Mrs. E. C. Chapman, Mrs. Theron Cahill, Mrs. W. A. Lyles, Mrs. Olen Dotson, Mrs. Bailey Toliver.

## Mrs. Bill Marr Hosts Social for Dorcas Class

The Dorcas Sunday School Class of the East Side Baptist Church met Tuesday night, May 9, in the home of Mrs. Bill Marr for their regular six weeks social and business meeting.

The meeting was called to order by the president, Louise Smith, and old and new business was discussed.

Mrs. Minnie Regeon brought the devotional on "Love" for Mother's Day, followed by a prayer, led by Nina Dunnam. Pals were revealed and games were played.

A refreshment plate was served to the following visitors: Sue Thibault, Sandra Howard, Sharon and Billy Ross Marr and Clint Melton; and members Mary Lou Fought, Nelda Rose, Minnie Turner, Louise Smith, Ocie Garrett, Pauline Redding, Alta Faye Harvey, Minnie Regeon, Laverne New, Reva Brown, Nina Dunnam, Effie Howard, Lillian Hodgin, Marie Elmore, Bessie Melton, the class teacher, Opal Rose, and the hostess, Marie Marr.

The next meeting will be in the home of Mrs. Laverne New.

In 1891, a special detachment of U. S. Marines was assigned to the Navy's Pacific Squadron to halt the wholesale destruction of seals in the Bering Sea by poachers.

**Club Elects Officers at Meeting**

Professional Club met Tuesday in the Haskell National Bank for the election of officers for the coming year. The club has three new posting machines, a duplicator and a proofing machine. Miss McCollum also pointed out that all checks and deposits are photographed before being cleared and the bank has this film as a permanent record.

Cake and punch were served to 18 members and one guest, Mrs. N. I. McCollum.

The club's next meeting will be a dinner at the Highway Drive in Thursday, May 23, with Dr. Hugo Haterius as speaker.

**Mrs. Estelle Lee Winner of Dress**

According to information released this week, Mrs. Estelle Lee, of Rule, was the winner of the Nelly Don Dress given away Saturday, May 13, by the Personality Shoppe.

All that customers had to do to be eligible for the free gift was to register during the special promotion.

**Sewing Clubs Celebrate 24th Anniversary**

The Rainbow and Sunshine Sewing Clubs met for their 24th anniversary celebration May 11 at 7 p. m. in the annex of the First Methodist Church.

For the banquet the table was decorated with roses and attractive place cards made by Mrs. W. E. Johnson.

The Club Mother, Mrs. W. E. Johnson, gave the welcome address and the response was by Mrs. Tom Rhoads. Several songs were sung, followed by readings, dialogs and playlets presented by members of both clubs. Mrs. Claude Ashley read a poem dedicated in honor of the Club Mother, Mrs. Johnson, and each club presented her a gift.

Visitors present were Arvela Holland, Margaret Tolliver, Mrs. John McGuire, Mrs. Sue Thibault, Mrs. Nell Hamilton, Mrs. Angie Mullins, Mrs. Lois Littlefield, Mrs. Paul Josselot, Mrs. Dave Jesselot of Serra Blanca.

Members of the clubs are: Mmes. Eva Pearsey, Travis Smith, Corrie Pittman, Ann Taylor, T. M. Patterson, Sue Peavy, Annie Pearl Lusk, Claude Ashley, Annie Thomas, J. B. Edwards, John E. Fouts, Essie Eland, D. A. Jones, Laverne New, E. W. Andrews, Alice Johnson, Hilah Swinson, W. E. **Kay Strickland And Don Taylor Repeat Vows**

Wedding vows were exchanged by Sandra Kay Strickland and Don Taylor, both of this city, in the sanctuary of the First Methodist Church with the Rev. Oscar Bruce, pastor, officiating for the ceremony at 5 p. m. Saturday, May 13.

The bride is the daughter of Mr. and Mrs. D. S. Strickland, and the bridegroom is the son of Mrs. Weldon Howard, all of Haskell.

Attendants of the couple were Mr. and Mrs. Dwayne Eland of this city.

The bride is a 1959 graduate of Haskell High School and has been employed in Dallas for the past six months.

Mr. and Mrs. Taylor will make their home in Lancaster, where he is employed by Sears.

Following the wedding, a reception was held at the home of the bride's parents.

**Kitchen Shower In Denton Honors Ann Busby**

Mrs. Tom Cunningham of Denton, Texas, entertained on Saturday with a kitchen towel shower for Miss Ann Busby, bride elect of Curtis Ferry.

The house was decorated with blue and yellow, the chosen colors of the bride. Romance games were played and the guests hemmed kitchen towels for the bride.

The guests were Ann's friends and teachers from North Texas Teachers University where she is a junior. Mrs. Clara Busby and Mrs. Rachael Stubbs, mother and aunt of the bride, were guests from Haskell.

**Mrs. Williams to Present Pupils In Recital**

**Mrs. Ratliff Is Hostess for Legion Auxiliary**

The American Legion Auxiliary met in the home of Mrs. Dennis P. Ratliff for a regular business meeting.

After a brief business session the members sang the hymn of the month. Plans were made for the Poppy Day which will be held May 27.

The next meeting will be at the home of Mrs. Payne in June. It will be in honor of the girls going to Bluebonnet Girls State in Austin.

**Haskell Women Spend Weekend in Fannin County**

Mrs. J. U. Fields and Mrs. Ree Gardner spent last weekend in Fannin County visiting in Bonham, Dodd City, Windom and Honey Grove. While in Bonham they saw the Sam Rayburn Library.

On Mother's Day Mrs. Fields realized a long-held ambition; she leisurely lingered in the Dodd City Cemetery where her mother is buried. This is a beautiful cemetery. All of it is perfectly kept by the Dodd City Cemetery Association, a voluntary organization of which Mrs. S. P. Mills is president and Mrs. Sam Devault is secretary-treasurer. Mrs. Fields met with these women to express her congratulations and to express her appreciation for the unselfish services of the Dodd City Cemetery Association.

**CARD OF THANKS**

With deepest gratitude we extend these words of thanks for the many kind acts of sympathy extended by friends and neighbors in the loss of our loved one, A. M. Turpen. We want to especially thank the doctors and nurses for their care, and we are grateful for the beautiful flowers and food brought to our home.—Mr. and Mrs. W. R. Turpen. 20p

**IMPORTANT NOTICE TO ALL OWNERS OF DOGS**

Every year from 6,000 to 10,000 dogs in the United States have rabies. The bite of a rabid dog can pass this terrible disease to children and adults. Once symptoms of rabies develop, the disease is fatal. The bite of a rabid animal, vaccination of the person bitten is recommended in an effort to prevent the development of the disease. This vaccination is known as the "Pasteur Treatment" and it requires daily injections of at least 14 days. These daily injections, although necessary, are annoying and painful and there is the possibility of serious complications.

Dog owners should vaccinate their dogs for three reasons. (1) To protect your family and friends against rabies. (2) To protect your dog—from rabies. Your dog is a devoted and respected member of your family in health and in sickness and is entitled to your protection from this disease. (3) To play your part in obtaining health for your entire community. If all dog owners keep their dogs vaccinated through vaccination, rabies will no longer be a problem.

There is under way to eliminate stray or unwanted dogs in Haskell, and the City authorities ask your full cooperation. If your dog has not been vaccinated and does not carry a City registration tag, bring your dog to the City Hall Fire Station, Friday, May 26, between 10:00 a. m. and 1:00 p. m. Dr. David Ballard of Stamford will be there at that time to give the rabies vaccination. Please bring your dog on leash and keep him under your control at all times.

**CITY OF HASKELL**

R. Knight of Breckenridge and ridden by Shorty Freeman, tied for first. Eddy's Baby Jeff, owned and ridden by Paul Jones of Stamford, was third.

In the \$500 novice class, Snooky Mac, owned by Harry McDaniel of Petersburg and ridden by Delbert LeFevre of Sagerton was first. Hollywood Swede, owned and ridden by Jerry Christmas of Stamford, and Jerry Christmas of Stamford, and Tops Dodger, owned and ridden by E. J. Freeman of Clyde, tied for second.

In the \$250 novice class, Hollywood Swede, owned and ridden by Jerry Christmas, and Bandito's Nine, owned by Dr. D. G. Strohl of Abilene and ridden by Snooks Burton, tied for second. Kelly Han, owned and ridden by Paul Jones of Stamford was third. Guthrie Mac, owned and ridden by W. A. Atchley of Olney, was fourth.

In the novice-novice class, Poco Ted, owned and ridden by Bud Hanks of Holbrook, Ariz., and Frosty, owned and ridden by Vernon Click of Luaders, tied for first. Sports Trouble, owned and ridden by Don Hornady of Olney was third.

The next show will be at the Haskell Rice Springs Rodeo arena May 18, in the afternoon.

**More Residents Getting Social Security Checks**

In the first week of January, 1961, a total of 930 persons in Haskell County received \$47,106 in old age, survivors, or disability insurance payments under the Social Security Act, according to R. R. Tuley Jr., Abilene district manager for the Social Security Administration. This was an increase of 130 persons over those paid for December, 1959.

In the 16 county district serviced by the Abilene office, 24,566 beneficiaries received \$1,304,680 in that first week of January this year, as compared to 21,836 persons who received \$1,133,406 in January of 1960, Tuley stated that was an increase of about 13%.

Nationally, the number of men, women and children who receive monthly payments from this program passed the 15 million mark a few weeks ago. The average payments made in January 1961 were \$70 for retirement or disability, \$124 for a retired couple where both received payment, and \$58.00 for an aged widow. These modest figures point up the necessity for an individual to save and invest to the best of his ability during his earning years, so that he and his family will have other resources to supplement what 9 out of 10 American families are building under the old-age, survivors, and disability provisions of the Social Security Act, Tuley concluded.

He also suggested that all persons who have reached retirement age (62 for women, 65 for men) write him for the free booklet, "21 Questions and Answers on Retirement Benefits" which may result in many persons realizing they are due payments now instead of later, as a result of 1960 changes in the law. Write to Social Security Administration, Box 5168, Abilene, Texas.

Mr. and Mrs. G. A. Lambert spent Mother's Day and last weekend in Idalou with Mr. and Mrs. R. T. Lambert and family.

**County Has One Traffic Death During April**

The Highway Patrol investigated three rural accidents in Haskell County during the month of April, according to Sergeant Frank Jircek, Highway Patrol Supervisor of this area.

These wrecks accounted for one person killed, one injured, and a property damage of \$1,510.00.

This brings the total for 1961 in this county to one killed, 18 injured, and a property damage of \$5,970.00.

"A driver who learns and complies with traffic laws can never prevent as many accidents as a driver who learns and complies with both traffic laws and defensive driving procedures," the sergeant stated. A traffic law describes what a driver must do or not do. Procedure describes ways in which a driver can comply with the law or do something extra that will increase his safety and prevent congestion.

"For example, the law says that no person shall park a vehicle upon the paved or maintained part of the highway. A driver complies with this law on a rural highway when his car barely clears the pavement. Procedure, in this instance, when possible or reasonable would require the driver to park a greater distance from the pavements," the Sergeant explained.

# Today's World Is Changing and Hungry World, Rotarians Told

Today's world is a hungry world and a changing world, Dr. Gaston Foote, Methodist minister of Fort Worth, told an audience of approximately 200 persons at the Inter-City Meeting and Ladies Night of the Rotary Clubs of Haskell, Rule and Rochester.

Attending the affair, held Thursday night in the Elementary School cafeteria, were Rotarians and their wives and guests from the three towns, and a delegation from Fort Worth Downtown Rotary Club who accompanied the speaker.

Presiding as toastmaster was Rotary Club President Thos. E. Robinson. He introduced visiting Rotary Club officers, and Past District Governor Bob King introduced District Governor Bob Blake and Mrs. Blake of Brownwood, and other distinguished visitors from Abilene, Stamford, Crowell and Fort Worth.

Rotarian Novis Ousley of Rule, with Mrs. Ousley as pianist, led the group in a sing-song opening the program. Dinner music was provided by the Haskell High School Stage Band under the direction

of Band Director Frank Porter. Entertainment included four numbers by Haskell's own Nine Teens under the direction of Mr. and Mrs. Hubert Bell. At the conclusion of the scheduled numbers, resounding applause called the popular entertainers back for an encore number.

Dr. Foote, who was pastor of Haskell's First Methodist Church in 1929-31, was introduced by Ed Baker of the Ft. Worth Rotary Club.

The speaker told of hunger and poverty in parts of the world, particularly Southeast Asia, where the people will turn to any system of government or politics that will feed them, in admonishing his audience, "We must keep abreast of a changing world, there is no such thing as getting back to normal in a world filled with emotional economic hysteria."

## Haskell Beautician and Hair Stylist Has Family Background In Profession

Christene Greene, Haskell beautician and hair stylist, who is observing her second anniversary in business here this week as owner and operator of Christene's Beauty Salon, has ample family background for her profession.

Eleven other members of her immediate family are or have been similarly engaged in either barbering or beauty work.

Her father, T. E. Hall Sr., is a retired barber who spent almost half a century—48 years to be exact—in the barber profession.

Her brother, Bud Hall, trained for beauty work under Leo Self of Wichita Falls, who pioneered hair styling and beautician work in this area. Bud Hall has been in business 19 years and now owns two beauty salons in Wichita Falls.

Tommie Jean Hall, another brother, has been employed for the past eight years in one of Bud Hall's salons in Wichita Falls.

Milford Lee Hall, who lives in Austin and is studying to enter the legal profession, is no stranger to beauty work, having worked in a beauty salon for two years.

Another member of the Hall clan, Manuel, has been in business operating his own salon in Wichita Falls for five years.

Volley Sue Thompson, another member of the family, has been working as a beautician in Fort Worth for two years.

Connie and Gerald Stockard, daughter and son-in-law of Bud Hall, have been employed for the past two years as beauticians in Wichita Falls.

Also working in a Wichita Falls beauty shop is Merle Hall, a sister-in-law of the Haskell beautician.

Carol Pinkin, daughter of the Haskell woman, is a grad
