Rate hike on horizon

Scurry County homeowners will see their property insurance rates increase by 19.5 percent — almost four percent above the statewide average — if staff recommendations by the State Board of Insurance are adopted.

The hike could be considerably higher, up as much as 36.3 percent, under a plan proposed by insurance industry officials, or around 2.7 percent under a third plan proposed by the public insurance council.

The recommendation announced

earlier this week by the board's staff calls for a statewide average increase of 15.8 percent. The recommendations by territory range from a hike of 27.6 percent in some areas to a reduction of 2.3 percent in others.

Cited as the reason for the increases are extensive weather-related damage.

"We had a lot of weather damage across the state, a tremendous amount," said Board Chairman Jim Saxton.

Scurry County lies in territory

18, which includes Borden, Garza, Kent, Fisher, Dawson and Lubbock counties, among 22 others.

Under the proposal submitted by the board's staff, Andrews, Howard, Midland, Nolan, Mitchell and Tom Green counties are among those who would face an increase of only 4 percent.

Taylor, Concho, Coleman, Runnels and Callahan counties would have their rates reduced by 2.3 percent under the board's staff (see PROPERTY, page 8)

Offices note plans to close for holiday

Most county and state offices will be closed Monday in Scurry County, in observance of Labor Day.

All public schools in the county will be closed Monday, but will reopen Tuesday for classes as usual. Western Texas College will also close offices and classrooms Monday and reopen Tuesday.

Scurry County Museum, normally open Sunday afternoon, will be closed all day Sunday and will not open until Tuesday morning.

Also closed through the weekend and Monday will be Scurry County Library.

The post office will be closed Monday, although the substation at Snyder Drug will be open for anyone needing stamps or wishing to mail letters or packages.

Financial institutions in the city will be closed Monday, as will the courthouse, City Hall, the health clinic, the senior citizen's center and soil conservation service offices.

Q—When do students begin taking the TAAS test? I thought it was this year, but a friend said he is supposed to take the TEAMS test.

A—The TAAS test goes into effect this year and students in grades 3, 5, 7, 9 and 11 will take the new test in October. However, students in grades 12 (or those out of school) who previously attempted but failed the TEAMS test, will take that test again and will not be required to take the new TAAS test.

In Brief

Plane seized

MOSCOW (AP) — Air travelers frustrated by delays seized control of a jetliner and demanded to be flown home, but the plane could not land because of bad weather, a newspaper reported today.

The group was stranded for several days at an airport in Yuzhno-Sakhalinsk in the Soviet Far East and passengers became angry when the plane's flight crew went home, Pravda reported. The travelers, led by a local official, forced a pilot to make the 300-mile flight to the Kuril island of Iturup.

Brutal assault

DALLAS (AP) — Dallas police were looking for five teen-agers in an attack on a 25-year-old woman who was raped in front of her four young children, shot, and left paralyzed.

Investigators say the woman was dragged from her porch into her East Oak Cliff apartment late Tuesday and assaulted in front of her children. She was shot in the neck as she tried to escape.

The woman was in critical condition at Methodist Medical Center, unable to speak. Detectives were trying to determine whether any of her children were assaulted.

The children are eight, five, three and two years old.

\$1.13 million pact is renewed Friday

As expected, Cogdell Memorial Hospital has contracted with Texas Tech University Health Science Center to provide healthcare for the Price Daniel Unit again.

The \$1.13 million contract, approved in principle last Friday, was signed today. The agreement was to have been formally acted on earlier this week, but was delayed by clerical errors.

In announcing the pending contract agreement last Friday, Hochwalt said, "We are proud to enter into our second year of partnership with Texas Tech University Health Science Center and the Texas Department of Criminal Justice."

When Cogdell entered into contract with TDJC a year ago it was considered an innovative step, marking the first such agreement between a county hospital and the state

correctional system.

Cogdell subcontracts the healthcare services through Texas Tech University, which receives its contract through the TDCJ.

Under the one-year contract, Cogdell will receive \$1,216.50 per inmate. Based on an estimate of 930 inmates, the contract amounts to \$1,131,345 in gross revenue.

Through the contract, Cogdell provides nurses, support staff and supplies and pharmaceutical services for the Daniel Unit clinic, infirmary level care for inmates needing hospitalization, outpatient care treatment at the hospital and transportation.

Cogdell also provides emergency room service to inmates at the hospital's usual rate and acute hospital care for inmates by the physician on call or specialists on a set-amount basis.

Germany's leaders sign final accord toward unification

EAST BERLIN (AP) — German leaders met in a palace of German princes today and signed a treaty meant to reconcile the stark differences between their two nations just 33 days before they become one.

The document was signed by West German Interior Minister Wolfgang Schauble and East Germany's top unity negotiator, Guenther Krause.

Earlier, the cabinets of West German Chancellor Helmut Kohl and East German Prime Minister Lothar de Maiziere formally approved the pact.

"Today we are fulfilling one of the last remaining hurdles to German unification," de Maiziere said moments before the pact was signed in a 17th century palace in East Berlin.

The sweeping accord preserves

East Germany's liberal abortion law, calls for a united Berlin to be the capital of the new nation, and guarantees some social programs for jobless East Germans.

It gives Western investors first claim to East German property, a major development that economists say is necessary to revive the nation's shattered economy.

It also allows East Germany to maintain some control over the 6 million files of the former Communist secret police, a potentially explosive compilation of sinister secrets from the nation's dark past.

Overall, the treaty reconciles fundamental legal and political differences between two nations that followed vastly different paths after they were carved from the conquered Nazi empire.

The signing ceremony was held in the stately Berlin Palace, the home of German crown princes who laid the foundation for the Prussian empire of the 18th century. Like Germany, the palace was destroyed during World War II and then rebuilt.

The signing took place on the eve of 51st anniversary of World War II. On Sept. 1, 1939, Hitler's forces invaded Poland, and France and England declared the

war that eventually split Germany.

The German states will become one on Oct. 3, when East Germany's Parliament invokes a

clause that will allow it to accede to the larger nation.

Germans in both territories will then elect a common government on Dec. 2.

Caution is urged for holiday period

From local, wire reports

Texas Department of Highways and Public Transportation has advised motorists to use extra caution over the Labor Day holiday at a construction project south of Post on U.S. 84 and at the intersection of I-27 and the South Loop in Lubbock.

The construction site is one of several of which the highway department wants travelers to be aware. A construction project on Texas 6 from Old San Antonio Road to Bryan could cause a slight slowdown, and construction of a new bridge on Texas 6 at the Navasota River has southbound traffic reduced to

one lane, officials said.

Those traveling Texas 71 between Houston and Austin will find the La Grange bypass will be open in time for the weekend traffic.

Jaycees throughout the state — including the local organization — will be manning Labor Day rest stops.

Snyder Jaycees will be set up by Allsup's on U.S. Highway 84 in Hermleigh and will be manned from 6 p.m. today through 6 p.m. Monday.

Refreshments, donated by area merchants, will be provided for travelers as an incentive to stop and take a break from driving. Snyder Jaycees provided refreshments and a "time out" for over 500 travelers last year.

Texas Department of Public Safety troopers say as many as 40 people could be killed in traffic accidents in Texas. The holiday counting period begins at 6 p.m. today and ends at midnight Monday.

The prediction of up to 40 deaths is fewer than the 52 people who died as a result of traffic accidents in the same period last year.

Officials said 62 percent of those killed in Labor Day holiday traffic accidents in 1989 were in mishaps connected to alcohol or speeding.

Every available trooper will be patrolling this weekend, DPS director Col. Joe Milner said.

"Since drinking and driving, along with speeding, are the leading causes of traffic fatalities, we hope we can hold the Labor Day deaths down by our increased presence on the highways," said Milner.

U.N., Iraq reps meet

The U.N. secretary-general met today with Iraq's foreign minister to try to negotiate a solution to the Persian Gulf crisis, but there was no letup in world economic and military pressure on Iraq to pull out of Kuwait.

—Laugh. Every human needs at least one good laugh a day. Never underestimate the power of positive emotions.

—Cry because tears flow from the heart. Like laughter, they generate healthy enzymes. Tears also free the spirit, clearing the slate in your emotional existence.

—Overcome complacency by taking a good, clean, pure and positive calculated risk.

—Get fulfillment by service to others such as family, school, community, church.

—Education results in personal confidence, a solid foundation for a constant high.

Adultery law surfaces in Connecticut

HARTFORD, Conn. (AP) — Connecticut has rediscovered a relic from its Puritan past: Police this summer have charged four people with adultery.

In a state known for progressive laws on abortion rights, education and the environment, use of the rarely enforced state adultery law is raising eyebrows.

"It's a dinosaur," said New Haven attorney Hugh Keefe. "What a spouse needs if she has a

cheating husband is a divorce lawyer, not a cop."

Under the law, a married person commits adultery by having sexual intercourse with someone other than his or her spouse. Single people cannot be charged. Conviction on the misdemeanor charge carries up to a year in prison and a \$1,000 fine.

Connecticut authorities say they have no choice but to enforce the law. Before this year,

just two people were charged with adultery since 1985.

The latest cluster of arrests "is basically just a coincidence," said Chief State's Attorney John J. Kelly. "People have to realize that we do have a law on the books."

Adultery as a criminal offense in America dates from the arrival of the Puritans in Massachusetts in the 17th century.

Twenty-seven states still have adultery laws on the books, a survey by the Harvard Law Review found, but legal scholars say few states make much effort to enforce them. For example, in New York, where adultery is a misdemeanor, the last recorded prosecution was in 1944.

"These laws never get repealed," said Ronald J. Allen, a professor at Northwestern University School of Law in Chicago. "What politician is going to come out in favor of adultery?"

Superintendent hired at C-City

COLORADO CITY — Don Nimmo, 51, has been named superintendent of the Colorado Independent School District, a class 3A school system with a student enrollment of about 1,200.

Nimmo, who served as assistant superintendent for the past 4½ years, replaced Dr. Jim Ramsey, who resigned.

Nimmo has 30 years experience in education, both in the classroom and administratively. Prior to coming to Colorado City, he was an elementary principal in Jacksboro. Before that he was first principal, then superintendent in Blooming Grove. He also has coaching and teaching experience in both Bridgeport and Garland.

Land loan rates will be lowered

AUSTIN — Despite rising interest rates throughout the nation, the Texas Veterans Land Board (TVLB) announced recently it will lower the interest rate for land loans to Texas veterans from 8.75 to 7.99 percent. The new rate, which takes effect Sept. 15, represents the lowest interest rate the board has offered since 1982.

Dear Abby

Wife Ready to Run Interference In Husband's Football Scheme

The Best of Dear Abby by Abigail Van Buren
© 1990 by Universal Press Syndicate

EDITOR'S NOTE: Abby is on a two-week vacation. Following is a selection of some of her favorite past letters.

DEAR ABBY: I am expecting a baby and Jan. 1 is my due date. When I told my husband, he said, "Gee, that's tough because I've already ordered tickets for the Rose Bowl game." (He and three of his buddies always go to the game.)

I told him he shouldn't plan on going next year, but he says he'll make plans to go, and if I'm not in labor when it's time for him to leave for the game, he'll go. If I am, he'll cancel his plans and sell his ticket.

Abby, when I had our first baby, my water broke and the baby was born within a few hours. I want my husband with me through everything. Don't you think being with me should be more important to him than a football game?

My mother lives nearby and she could take me to the hospital, but I still want my husband there. What do you think?

MARRIED TO A FINK

DEAR MARRIED: The Rose Bowl game is an annual event. Having a baby (I presume) is not. Also, the game will be televised, so he could "see" it and be with you, too.

I say the birth of the baby takes precedence over the Rose Bowl game. And if your husband complains, kick him in the end zone.

DEAR ABBY: I head a department where I work, and a co-worker of mine who has an eye for the ladies is my problem. He's having an affair with one of the secretaries here, and not only is this guy married, she is, too. Plus, she is one of his wife's best friends.

He has had other affairs, but I've always looked the other way, figuring it was none of my business. But this time, the work in my department is affected. He cuts his working

hours short and makes excuses to be around her instead of tending to his business.

I like this guy, but I am responsible to my higher-ups. Do I look the other way again, talk to him, blab to the boss or wise up the wife?

WHAT NOW?

DEAR WHAT: Tell your friend that his lapses on the job are beginning to show — for reasons that are no secret around the office. Furthermore, if he doesn't shape up, he's likely to be shipped out.

DEAR ABBY: I am a bachelor who has been corresponding with a lonely widow for several months. It all started when I answered a personal ad she placed in a San Francisco newspaper.

We have never met, but we've talked on the phone several times. I am going to San Francisco to meet her soon.

My question: How should I greet her when we meet for the first time at the airport? Should I follow my feelings and kiss her on the lips? Or would a handshake be more proper?

UNSURE IN S.F.

DEAR UNSURE: Let her call the signals. If she offers you her cheek or lips, a kiss is in order. If she extends her hand, shake it. (P.S. And don't be too physically aggressive. Assuming you find her appealing and the feeling is mutual, neither of you will need a blueprint to build a relationship.)

Everything you'll need to know about planning a wedding can be found in Abby's booklet, "How to Have a Lovely Wedding." To order, send a long, business-size, self-addressed envelope, plus check or money order for \$3.95 (\$4.50 in Canada) to: Dear Abby, Wedding Booklet, P.O. Box 447, Mount Morris, Ill. 61054. Dr. Gott

Peter Gott, M.D.

DEAR DR. GOTT: Can the drug hydrochlorothiazide for high blood pressure cause high blood sugar?

DEAR READER: Yes, it could. Hydrochlorothiazide is a mild diuretic used to treat edema (fluid accumulation) and hypertension. This prescription drug has been available for many years and is popular among doctors. It is used alone or in combination with a variety of other diuretics and anti-hypertensive compounds. For most patients, it is safe. However, it does have several recognized side effects that sometimes cause problems. It can cause excess loss of potassium from the body, leading to weakness and heart irregularity. This is usually treated with oral potassium supplements. It is dangerous to use in patients with kidney failure or liver disease, since it can worsen these conditions. Also, HCTZ has, in rare instances, caused stomach irritation, inflammation of the pancreas, gout, low blood count, dizziness, restlessness, blurred vision and rash. Finally, it can worsen diabetes. Although the manufacturer states that HCTZ can occasionally raise (or lower) blood sugar, in my experience it is much more likely to raise it. This means that diabetics on HCTZ may have to increase their insulin. More frequently, the drug unmasks a diabetic condition that may have been unrecognized. That is, a patient may have very mild, unsuspected diabetes that becomes evident (high blood sugar) when HCTZ is administered. Therefore, the medicine does not "cause" elevated blood sugar, except in patients with diabetes or a diabetic tendency. Incidentally, this is not a major complication necessitating discontinuance of the drug. The situation can usually be taken care of by appropriate adjustments in diabetic medicine or by placing patients on low-sugar diets. To give you more information, I am sending you a free copy of my Health Report "Diabetes." Other readers who would like a copy should send \$1.25 with their name and address to P.O. Box 91369, Cleveland, OH 44101-3369. Be sure to mention the title.

DEAR DR. GOTT: Four hours after an ophthalmologist put eye drops in my eyes to dilate them, I experienced ventricular contractions. Is this something to be concerned about?

DEAR READER: Medicine used to dilate pupils or to treat certain eye disorders, such as glaucoma, can enter the circulation in small amounts and cause symptoms, including palpitations or low blood pressure. Ask your ophthalmologist about this; the doctor will probably choose another dilating agent for future use. The reason for this unusual reaction is not known; some individuals are inexplicably more sensitive to eye drops than are other people.

Appeals judge: Greyhound drivers not due benefits

DALLAS (AP) — Under conflicting rulings from the Texas Employment Commission, some Greyhound drivers are getting state unemployment benefits and some aren't.

The latest ruling from the TEC's appeals tribunal, received Thursday, says that 135 Texas drivers have been striking the company, have not been locked out, and are not entitled to unemployment benefits of up to \$217 a week.

However, a July ruling said a separate group of 135 Texas drivers were locked out and were entitled to the benefits.

Greyhound spokeswoman Liz Dunn said the difference between the July ruling and the August decision is that company representatives did not show up at the July hearing, but did argue its case last week before the appeals board.

Falling one short

North-South had agreed to play DOPI (double shows 0 aces, pass shows 1 ace, etc.) after Blackwood interference from the opponents. This method worked well enough for North. When South passed over five hearts, he was showing one ace. Notice that South's opening bid was quite minimal. By passing over East's initial spade overall, South suggested weak values. Later, after North had supported clubs and East had come in with his second suit, South was able to comfortably bid four clubs, showing extra length in his opening suit. With this information, North bid the slam.

East won the king of spades and switched to the jack of hearts, covered by the queen, then a diamond to the ace, and ruff a diamond with the club queen. Go back to the club king in dummy, and now there is time to set up the diamond suit with two more ruffs, allowing 12 tricks to be made.

The winning line is to play just the ace of clubs, then a diamond to the ace, and ruff a diamond with the club queen. Go back to the club king in dummy, and now there is time to set up the diamond suit with two more ruffs, allowing 12 tricks to be made.

James Jacoby's books "Jacoby on Bridge" and "Jacoby on Card Games" (written with his father, the late Oswald Jacoby) are now available at bookstores. Both are published by Pharos Books.

Snyder set to host Cranes in contest

The Snyder Tigers face their final preseason matchup today as they host the Crane Golden Cranes in a controlled football scrimmage beginning at 5 p.m.

Coaches for the Tigers are seeking "good assignment football" according to David Baugh, head football coach and athletic director.

The Tigers' opening scrimmage, a week ago versus Ft. Stockton, was a rousing success as the defense gave up just two scores, both during the goal line drills, and the offense, punched the ball over four times including a 29-yard TD pass from senior quarterback Ed Rios to tight end Hayward Clay, also a senior.

Today's scrimmage starts with the JV squads at 5 p.m., followed at approximately 6:30 p.m. by varsity action.

Baugh and the Snyder gridders will start the season next Friday in Monahans against the No. 18 Lobos.

Their home opener is scheduled for Friday, Sept. 14 against the Clyde Bulldogs.

In other area grid action tonight Hermleigh travels to Wilson and Borden County is at home against Grady.

Both six-man contests start at 6 p.m.

'Pokes, Oilers play for Governor's Cup

IRVING, Texas (AP) — The Dallas Cowboys and the Houston Oilers tangle again on Saturday night in an NFL preseason extension of their training camp scrimmages at Austin and San Marcos.

The so-called "Governor's Cup" for the unofficial Texas professional football championship will be Houston's last opportunity to win a game before the regular season openers on Sept. 8. Kickoff is 8 p.m.

Blocks of tickets were purchased this week to allow nearly 12,000 soldiers from Fort Hood in Central Texas to attend the game. The Cowboys pronounced the game a sellout Thursday.

Houston is 0-3 under new coach Jack Pardee, having dropped games 34-10 to Detroit, 13-10 to the New York Giants, and 22-21 to the Minnesota Vikings.

"I'd like to have won all three but what we are doing is trying to get ready for that first Sunday and that's what we want to be ready for," Pardee said. "I hope by then we will have a win (over Dallas)."

Dallas is 1-2, losing to San Diego 24-16 and the Los Angeles Raiders 16-14 before defeating Pittsburgh 20-9 last Saturday.

Coch Jimmy Johnson said he planned to use a wide variety of players for the game.

"We want to win every time we go onto the field but we will not do a whole lot of different things in preparation for Houston's offense," Johnson said. "We are still very much interested in evaluating the people we have on our roster. Our game plan for Houston will not be nearly as complex as it would for a regular-season game against the run-and-shoot."

Timmy Smith will start at running back for the Cowboys, who have been hard-pressed to average three yards per carry.

"We want to take a good look at Timmy," Johnson said. "Our starters will probably play only about half the game."

U.S. Open

Agassi thumps Korda

NEW YORK (AP) — The fireworks came from Andre Agassi's mouth, not his racket.

"I was far away from a default," the fourth-seeded Agassi said after his 7-5, 5-7, 6-0, 6-4 second-round victory over Petr Korda.

According to umpire Wayne McKewan of Australia, Agassi was one step away from being defaulted from the U.S. Open on Thursday night. But McKewan had misunderstood the in-

structions from tournament referee Keith Johnson and supervisor Ken Farrar.

Johnson and Farrar, who had been on the court conversing with McKewan and Agassi, returned to the court and talked with the umpire. McKewan then announced the point penalty he had assessed the right-hander was rescinded.

"There were a couple of points I got carried away because of bad calls," Agassi said of the second-

set incident. "He (McKewan) interpreted that as abusive language and magnified everything."

Today, third-seeded Ivan Lendl will face Alex Antonitsch, while No. 6 Thomas Muster plays Jaime Yzaga. Another early match will pit Monica Seles, seeded third among the women, against Linda Ferrando.

Martina Navratilova, a four-time U.S. Open singles champion and the No. 2 seed, highlights tonight's program when she plays Halle Cioffi, while No. 10 Andre Chesnokov will take on John McEnroe.

Also advancing Thursday in the men's draw were defending champion Boris Becker, the No. 2 seed, No. 8 Brad Gilbert, No. 9 Aaron Krickstein, No. 11 Michael Chang, No. 13 Jay Berger and No. 15 Goran Ivanisevic.

The only seed to fall in the men's singles was No. 14 Jim Courier, who was ousted by South Africa's Gary Muller 4-6, 6-4, 7-6 (8-6), 7-6 (7-5).

In the women's singles, top-seeded Steffi Graf, seeking her third consecutive title, was a straight-set winner, as were No. 3 Monica Seles, No. 4 Zina Garrison, No. 6 Arantxa Sanchez Vicario, No. 7 Katerina Maleeva, No. 10 Conchita Martinez, No. 12 Jana Novotna, No. 13 Jennifer Capriati and No. 16 Barbara Pauls.

The women's singles, top-seeded Steffi Graf, seeking her third consecutive title, was a straight-set winner, as were No. 3 Monica Seles, No. 4 Zina Garrison, No. 6 Arantxa Sanchez Vicario, No. 7 Katerina Maleeva, No. 10 Conchita Martinez, No. 12 Jana Novotna, No. 13 Jennifer Capriati and No. 16 Barbara Pauls.

Lady Tigers go to Pecos

Snyder's Lady Tiger volleyball team, fresh off a 15-10, 15-7 win over Big Spring Tuesday began play this morning in the annual Pecos Volleyball Tournament.

Snyder was to have faced El Paso Yslata in an 8 a.m. match to start the event.

Katrina Brandon, a senior at SHS, was singled out by coach Patty Grimmert for her offensive display against the Lady Steers. Brandon registered six kills in an effort deemed "awesome" by Grimmert.

The tournament continues through Saturday.

In other volleyball action the SHS JV and freshmen travel to Andrews for a 5 p.m. meeting with the Lady Mustangs of District 4-4A.

Snyder's junior varsity notched a three-game, 15-8, 13-15, 15-8 win over Big Spring Tuesday while the frosh dropped a pair of matches to Abilene Cooper, 15-8, 10-15, 6-15 and 5-15, 11-15.

All three teams return home Sept. 4 as they host Plains at 5 p.m.

HARD TO KNOCK DOWN — Snyder running back Paul Anderson, with ball, is wrapped up after a gain by a pair of Ft. Stockton defenders in last week's football scrimmage. Anderson and the Tigers take the field at Tiger Stadium today to bat-

tle Crane in their last practice game before next Friday's season opener in Monahans. Junior varsity action starts against Crane at 5 p.m., followed at approximately 6:30 p.m. by the varsity contest. (SDN Staff Photo)

SWC football action begins

by The Associated Press
The Aggies and the Bears scheduled themselves into a big predicament on Saturday.

Texas A&M has a 3 p.m. (CDT) national television (ESPN) appearance in Honolulu against the Hawaii Rainbow Warriors, who are coming off their first-ever bowl appearance in last year's Aloha Bowl against Michigan State. The Aggies, who have captured three SWC football titles since 1985, notched a 8-4 mark last fall and battled Pittsburgh in the John Hancock Bowl.

The Aggies must play without starting linebacker James Webb,

Bar-B-Q meal set after tilt

A barbecue dinner, catered by Reta's Cake Shop and Texas Barbecue, will be sponsored by the Snyder High School All-Sports Booster Club following the Tigers' scrimmage this evening.

Tickets for the meal are available at Diet Center, West Texas State Bank or at the door. Cost is \$5 per person with proceeds going to benefit booster club activities.

Junior rodeo set by group

An AJRA and junior open rodeo is planned for the weekend by the Western Texas College Rodeo Club.

The rodeo, to be held at the Scurry County Rodeo Arena on West 30th St., will feature barrel racing, pole bending, breakaway roping, goat tying, steer and bull riding, tiedown roping, ribbon roping, team roping and steer wrestling.

AJRA members must pay their 1991 dues.

Admission to the rodeo is \$5 for adults, \$2 for students and children under school age are admitted free when accompanied by an adult.

Information on when contestants will perform is available by calling 573-4393.

who was injured in fall practice. Baylor also is in the frying pan. Beginning its 19th season under Grant Teaff, the Bears start an untested quarterback against the Nebraska-Cornhuskers in Lincoln on ESPN at 6:30 p.m. (CDT).

The Bears return to the veer offense, which was one of the prime forces in Baylor's rise to the 1974 and 1980 SWC football championships. However, senior quarterback Brad Goebel is injured and Steve Needham, a sophomore, will start. Needham took Plano to a Texas Class 5A title three years ago.

The Rice Owls become the first SWC team to play at home, hosting the Wake Forest Demon Deacons of the Atlantic Coast Conference at 6 p.m. in Rice Stadium.

Texas Christian, starting its eighth season under head coach Jim Wacker, has a 7 p.m. lidlifter at Amon Carter Stadium against the Washington State Cougars of the Pacific-10 Conference.

Next week, Texas visits Penn State, TCU travels to Missouri in the Big Eight, Texas Tech journeys to Ohio State for a split-national (ABC) telecast matching the SWC and Big 10, Houston hosts UNLV of the Big West, Southern independent Tulane visits Rice, SMU opens at Ownby Stadium against Vanderbilt of the Southeastern Conference, and Baylor travels to Arizona State of the Pac-10.

Arkansas is the last SWC squad to start play in the 1990s with a Sept. 15 battle in Fayetteville against independent Tulsa. The Aggies, who had the third-best record (71-44-1) in the SWC in the 1980s behind Arkansas and Texas, have to cross five time zones and overcome a wealth of friendly distractions in their 1990 opener. Hawaii battled for the Western Athletic Conference title for much of 1989 before finishing 9-3-1 overall.

 be the first Westerners to go free under Iraq's offer to release women and children hostages. As the multinational flotilla grew, President Bush on Thursday urged wealthy allies to help foot the \$1 billion-a-month cost of deploying U.S. forces in Saudi Arabia and the gulf region.

Morning fire destroys cafe

An early morning fire Thursday destroyed the Fluvanna Cafe.

Fluvanna volunteer firemen arrived at the scene shortly after 5 a.m. to find the wood-framed building almost entirely engulfed in flames.

"All we could do was try to keep the butane tank cool until Snyder units arrived," said James Aaron III, Fluvanna volunteer fire chief.

When Snyder units arrived, keeping the fire from spreading to an adjacent garage was the key priority.

"We were lucky there was no wind," said Aaron.

Snyder Fire Chief Terry Don McDowell said the cause of the fire was still under investigation.

The fire appeared to have started in the kitchen area. No one was in the cafe at the time of the fire.

Mondo Ynguanzo is owner and operator of Fluvanna Cafe.

 proposal.

But a second plan submitted by industry officials would increase rates by a statewide average of 25 percent, and make rates in territory 18 — in which Scurry lies — the highest in Texas.

The higher rate in Scurry, up 36.3 percent, is being sought because of extensive weather damage received here earlier this year.

Under a third plan, submitted by the public counsel representing consumer interest, the statewide increase would be 10.5 percent — and only 2.7 percent in Scurry County.

The State Insurance Board has recessed its hearing until Sept. 26, when it could make a decision on the rates. If so, the rates would go into effect next spring.

The board sets maximum rates for property insurance and insurance carriers may offer lower rates to their customers.

About 60,000 U.S. combat troops have moved to battle stations and their number is expected to hit 100,000 soon to face the estimated 265,000 soldiers of Iraqi President Saddam Hussein who are stationed in and around Kuwait.

Most of the American troops are positioned with a multinational force in Saudi Arabia, Iraq's next-door neighbor and the world's leading oil exporter. After taking over Kuwait in a dispute over land and oil, Iraq became the second-largest oil exporter with 20 percent of the globe's crude reserves.

SO investigates sexual assault

Scurry County sheriff's office is investigating a sexual assault case.

At 3:05 a.m. today a 24-year-old female called from Rip Griffin's Truck Stop and reported she had been sexually assaulted.

She was taken to Cogdell Hospital emergency room by a Scurry County sheriff's deputy for examination. No arrest in the case has been made.

One arrest made by local police

One arrest was made by Snyder police Thursday.

At 11:34 p.m., a 27-year-old male was taken into custody at Highway 84 and Huffman Ave. for driving while intoxicated.

Police responded to a disturbance complaint at Gentle Dove Ministry at 9:40 a.m. Sharon Applin requested the male subject causing the disturbance be advised not to return to the ministry.

Mrs. Max Williams of 3732 Austin called at 1:28 p.m. to report damage to a tree during the noon hour.

At 4:29 p.m., Beatrice Rodriguez of 2009 Ave. E advised that juveniles were playing in a vacant house next door. The juveniles were gone upon arrival of officers.

Olga Hernandez called at 5 p.m. in reference to her son's skateboard being stolen. The skateboard was later located and returned.

At 6:49 p.m., police received a call of a reckless driver in the 2200 block of Ave. J.

More units called to active duty

FORT WORTH, Texas (AP) — The 68th Military Airlift Squadron at Kelly Air Force Base is one of five new reserve units being called to active duty, the Pentagon said.

The units will boost transport and public affairs activities in Operation Desert Shield, Pentagon spokesman Pete Williams said Thursday.

The 68th squadron has 228 personnel involved in support of C-5A transport planes.

Also called to active duty were the 301st Military Airlift Squadron, Travis AFB, Calif.; the 326th Military Airlift Squadron, Dover AFB, Del.; the 382nd Public Affairs detachment of the National Guard from Raleigh, N.C.; and the 314th Public Affairs Detachment of the Army Reserve from Birmingham, Ala.

At Carswell Air Force base in Fort Worth, two large refueling planes took off today for an undisclosed location in support of Operation Desert Shield, along with a number of Air Force per-

sonnel, the military said.

A few crew members were deployed Thursday from Carswell, which has sent other planes and troops to augment and support U.S. forces in Saudi Arabia.

Carswell spokeswoman Staff Sgt. Becky Robison would not say how many people were deployed, but she said the two KC-135 tankers took off about 7 a.m.

"What they're going to do is refueling aircraft that's over there in Saudi Arabia. They'll probably also be refueling British

aircraft," Ms. Robison said.

She said the air crews joined a number of maintenance and munitions personnel and technicians deployed from Carswell during the last two weeks. All those deployed were regular Carswell personnel, she said.

The troops being deployed are attached to the 7th Bombardment Wing at the base. There are about 5,000 active duty personnel on base, officials said.

Novelist and critic Virginia Woolf died in Lewes, England, in 1941.

A good night's sleep.

Now AmWest has "DreamSaver" — a savings program designed to bring peace of mind to all those who worry about saving money.

Here's how it works: You tell AmWest how much you want to save every month, (as little as \$25 if you like) and they'll deduct it automatically from a free checking account (that's right, free checking) and put it into a CD account.

Keep your money there for a full 12 months and it will earn a high-interest CD rate. Take it out early, and you'll get a penalty — three months interest or \$50. So "DreamSaver" not only helps you save money on a regular monthly

basis — it helps you keep your hands off it too. And with a little money in savings — a good night's sleep will come a whole lot easier.

Complex for mentally disabled to close

BRAZORIA, Texas (AP) — The founders of a center for the mentally retarded say they will close the facility because they have learned some residents are engaging in sex.

Chris and Lelia Christian wanted to give mentally retarded people a place to work and live, teach them social skills and watch them become contributing members of society.

But what began as a privately funded plan to help the mentally handicapped has deteriorated into a barrage of accusations among three groups and several parents.

Last year, the Christians — whose 43-year-old son Sandy has Down's syndrome — opened a \$500,000 complex for mentally retarded adults.

They plan to close the 12-apartment complex Sunday because they have learned that some tenants are having sexual relations.

"We're not going to run a whorehouse there," Mrs. Christian said.

The Christians accuse EduCare, the agency managing the complex, of condoning and even encouraging sexual behavior.

EduCare, which specializes in assisting the handicapped in residential settings, was contracted by the Gulf Coast Mental Health and Mental Retardation agency to staff the complex.

EduCare officials accuse the Christians of constantly interfering in how the apartments should be run.

The complex is owned by the Brazoria County Work-Activity Center, a non-profit organization founded and operated by the Christians. Though their son lives at home, he works at the center.

One woman said the Christians have harassed her 25-year-old son.

"The problem is not with the apartments," said Anne Phillips of Clute. "The problem is the constant interference by the Christians."

Ms. Phillips said it should be

obvious that adults, even those mentally handicapped, will engage in sexual activity.

Relatives of many residents support the Christians.

"It's totally immoral. When people have the mentality to understand the sexual act, that's OK. But the majority of those people do not have that mentality," said August Janek of Rosharon. His 50-year-old brother lives at the complex.

"I have all the faith in the world in them," said Margaret Flournoy, whose daughter attends the center. "The Christians have been wonderful for this community and provide a great service."

While the tenants are all adults, many have the intelligence of 6-year-olds, incapable of understanding the complications of sexual activity, said Christian, 78.

Bail lowered for woman charged in murder case

RICHMOND, Texas (AP) — A judge has lowered the bail of country music singer Isaac Payton Sweat's widow after she promised to appear in court to fight her murder charge.

Sharon Suzette Sweat, 38, told state District Judge Brady Elliott Thursday she had no money to pay the \$5,000 required on her \$50,000 bail. She has been in the Fort Bend County Jail since her arrest Aug. 20.

Elliott reduced bail to \$20,000. Mrs. Sweat is charged in the June 23 shooting death of her husband, who was best known as "The King of the Cotton-Eyed Joe." Sweat, 45, was found dead on his garage floor with a gunshot wound through the head.

In a courtroom divided between her supporters and those who believe she killed her husband, Mrs. Sweat pleaded innocent and vowed to be in court to fight the murder charge "anytime they want me."

She said assets from her husband's estate — frozen because of a will contest filed by the singer's son from his first marriage — are unavailable to her "due to a bunch of misunderstanding."

Under cross-examination by Fort Bend County Assistant District Attorney Frank Follis, Mrs. Sweat denied telephoning threats to Stacye Chandler, 24, who testified she had been dating Sweat for more than a year.

"I'm scared to death of her getting out," Ms. Chandler testified Thursday. "I'm scared. I don't even want to look at her. I feel I know what she did."

Sheriff's Detective Larry Nemeck, who helped present the murder case to the grand jury, has said a possible motive in Sweat's death is the divorce petition he filed in April. Investigators said Mrs. Sweat had received the divorce papers but refused to sign them.

There is a strong possibility in the year ahead that you might be able to participate in something fruitful another inaugurates. You will be invited on board, because of a special need you can fulfill. **VIRGO (Aug. 23-Sept. 22)** Assertiveness and effort will get you the rewards you desire today, but wishful thinking won't. You must decide whether you will be a dreamer or a doer. Know where to look for romance and you'll find it. The Astro-Graph Matchmaker instantly reveals which signs are romantically perfect for you. Mail \$2 to Matchmaker, c/o this newspaper, P.O. Box 91428, Cleveland, OH 44101-3428. **LIBRA (Sept. 23-Oct. 23)** If you're planning a social happening today, it's best not to invite too many guests. Everyone, including yourself, will have a better time if the group is small and controllable. **SCORPIO (Oct. 24-Nov. 22)** This could turn out to be a profitable day for you, yet it might not live up to your expectations. Perhaps it is because your aspirations are unrealistic.

SAGITTARIUS (Nov. 23-Dec. 21) Someone who is quite convincing might make you some promises today that could sound too good to be true. Weigh what is said with a grain of salt, because your instincts may be right.

CAPRICORN (Dec. 22-Jan. 19) Your possibilities for personal gain are encouraging today, but this won't be attributed to your luck. Rewards will be derived in proportion to the efforts you expend.

AQUARIUS (Jan. 20-Feb. 19) You're both a doer and a talker today, but your emphasis might be focused on the later. You'll fare better if you strive to be more productive and less vocal.

PISCES (Feb. 20-March 20) Today if you have to make a choice regarding the distribution of your resources, mental or monetary, put your family first. Relegate outside demands to second place.

ARIES (March 21-April 19) People with whom you're involved today will be aware of the dynamics of your personality, but if you really want to impress and captivate them, underplay your role rather than overplay it.

TAURUS (April 20-May 20) Something opportune materially might develop for you today, but there is a chance you may not capitalize on it as you should and thereby lose some of what it has to offer.

GEMINI (May 21-June 20) Members of

the opposite gender will find you appealing today. You'll score points with your charm and wit, but not necessarily with your logic.

CANCER (June 21-July 22) Proceed cautiously in joint ventures today, especially if there are costs involved. Be sure the assessments on your counterpart equals that which you have to fork out.

LEO (July 23-Aug. 22) Usually you're the type of person who likes to think for yourself, but today you might abdicate this privilege to an associate who is not as smart as you are.

Area Southern Baptist churches...

Dr. Baldwin is director of missions

DR. DARROLD BALDWIN

By Joyce Jones
SDN Staff Writer
Dr. Darrold Baldwin, a Southern Baptist minister, does not feel that he is following in his father's footsteps, even though his father was also a Baptist minister. He likes to think that he is making his own steps and following in the footsteps of his heavenly father, instead.

Dr. Baldwin was reared in and around the Lubbock area. His father was a minister and a full time school teacher in the plains and panhandle areas of West Texas.

"It was because of the life of struggle and constant giving, without human accolades, that I watched my father endure, that made me not want to become a preacher," he said. But when he was in his senior year of college at Western Texas State University in Canyon, he changed his mind, or rather God changed it for him. He said his relationship with God was good, and so he feels that God called him into the ministry. Dr. Baldwin said "He needed me."

He graduated from WTSU with a degree in math and physics,

then entered Southwest Seminary in Fort Worth, graduating with a Bachelor of Divinity degree. He pastored for a while, then went back to school again at Luther Rice Seminary in Jacksonville, Fla., receiving a Doctorate of Ministry degree.

Dr. Baldwin is the Director of Missions, representing 34 Southern Baptist churches in the area, 20 from the Scurry and Mitchell County area, and 14 from Sweetwater. He serves as a liaison between the churches and the Southern Baptist Convention and carries the heartbeat of the area churches to the Dallas convention and meetings.

He is a staff coordinator for the churches, trying to get them to work together on missions. "I feel very close to the pastors of these churches and I like to be available when I'm needed," he commented.

Dr. Baldwin usually preaches every Sunday at one of the churches in his mission, filling in for absent pastors or at one of the seven churches that is without a pastor at the present time.

He was an associate pastor at Vacant Heights Baptist Church

in Lubbock, before coming to Snyder and his present position. He began his ministry as a single church pastor, serving 14 years in that capacity. Then the next 14 years, he was a secondary pastor, serving at churches with more than one pastor.

Dr. Baldwin has been abroad on some "short-term partnership missions." He was in Korea twice, in 1976 and again in 1979. In 1978, he was in Anchorage, Alaska for two weeks. Then in 1986 he went to Sydney, Australia for a mission. He explained that, the "short-term partnership mission" is a program that sends people, who are generally not missionaries, for short tenures of two weeks on foreign missions, to work with the local Baptist people.

He said "I found the Korean people to be the most receptive. At that time, they were making a strong turn to Christianity, so they were very open."

His office is located in the Baptist Student Union Center on the

campus of Western Texas College. He and the student center are there to relate to any student on campus who needs help or wants to visit. Dr. Baldwin said he wants the students to think of it as their home away from home.

Every Wednesday, the women of the Mitchell-Scurry Baptist Association prepare a meal there at the center for the students. All students are welcome to come and enjoy the meal.

Dr. Baldwin said that he thinks church growth is not keeping up with the population growth of the country. Rural churches have declined because of people moving to the cities. However, he said he sees Southern Baptist churches growing faster than they've ever grown.

He said the strong point in modern day Christianity is the quality, more than quantity. "I see a new strata of enthusiasm, zeal and boldness in modern day Christians. I see it in the workers of the church and in the members sitting in the pews, people who

are sold out to Christianity," he added.

Dr. Baldwin and his wife, Anita, have two children — a daughter, Toy Diane, who is a dental assistant in Richardson, and a son, David, a ground equipment specialist in the U.S. Air Force, stationed at Carswell Air Force Base in Fort Worth.

His wife, Anita, is also a graduate from WTSU. She is a qualified teacher and has taught school in the past. At the present time, she is working as her husband's secretary.
