You can see why one of America's favorite outdoor sports is driving Chevrolets, with four entirely different kinds of cars to choose from. There's the Jet-smooth Chevrolet, about as luxurious as you can go without going overboard in price; the low-cost Chevy II, a good-looking car that would send any family packing; another family favorite, the sporty Corvair, whose rear-engine traction will make you think that ice and snow are kid stuff; and for pure adventure, America's only sports car, Corvair—now in two all-new versions with looks that can stop traffic like a rush-hour blizzard. Picked your favorite already? The next thing is to take the wheel at your Chevrolet dealer's. If that doesn't have you thinking of places to go, maybe you'd rather just have a ball around town!

It happened in the second big meeting of Ford Galaxie "500", Chevrolet Impala and Plymouth Fury at Riverside, Cal.—in a "Showdown" Plymouth asked for. The cars were all V-8s, comparably equipped. And Nationwide Consumer Testing Institute was there to conduct the competition and see to it that its strict rules were followed. Cub Scouts Track Down Ice Cream Source At Abilene

Cub Scouts of Den 10 in Haskell were treated recently to a trip to Abilene by Mrs. John Scroggin, of Haskell. One of the highlights of their trip was a visit to and tour of a milk distributors' plant where they had an ice cream feast. Making the trip were Mrs. John Long, the den mother;

Cubs Jimmy Boyd, David Dodson, Walton Wooten, Frank Paul Jirik, John Scroggin, Gary Long, and the hostess, Mrs. Scroggin.

of McCamey. Mr. and Mrs. M. A. Davis, Linda and Peggy, were honored Sunday night, when friends and relatives went in a group for a "surprise" party in their new home near O'Brien. Games of "42" and "Password" were played and enjoyed by all. Refreshments of sandwiches and cookies were brought by the group and were served to: Mr. and Mrs. Jimmy White, and Kyle; Mr. and Mrs. Delbert Carroll; Mr. and Mrs. D. J. White and Sue; Mr. and Mrs. Mack Boykin; Mr. and Mrs. T. R. Boykin; Mr. and Mrs. Coyt Hix; Mr. and Mrs. Glenn Caddell, Larry, Joan and Lorenia; Mr. and Mrs. Willis Ammonet; Mr. and Mrs. W. M. Phemister; Mr. and Mrs. Burgess Forehand; Mrs. David Phemister and Bryan of Jayton; Mrs. Kirk LeMay and Elaine; Mr. Jim Hackney; and the honorees.

The Davis' were presented a "Friendship" quilt, a memento of days they lived in our community, and as a token of our love and goodwill for them. Bringing the message to the members of the Weinert Methodist Church on Sunday, Feb. 10, was the superintendent of the Stamford District, the Rev. C. A. Holcomb, Jr. Kenneth Evans of Stephenville, preached for the Church of Christ Sunday, Feb. 10. Mrs. Buck Turnbow is still confined to the Haskell Hospital, but is resting well, and is improving. We hope for her a speedy recovery. The Turnbows manage the Weinert Gin, and a job such as that would give anyone ulcers if we have many years such as 1962 was. Mr. Turnbow reports he ginned 3,980 bales the past season, and is cleaned up now and plans to close up shop until next season opens. The Paymaster Gin reports 3,714 bales ginned for 1962. This makes a very good total for Weinert. Many bales were hauled to surrounding towns during the busy season. Mr. and Mrs. John Hawkins are announcing the arrival of a new son, Joe Lynn, who arrived at the Haskell Hospital, Feb. 8. The young man weighed in at 8 lbs. Both he and his mother are doing nicely, and are now at their home near Weinert. Mr. and Mrs. O. W. Vaughn are the maternal grandparents. Mrs. P. F. Weinert has returned to her home after spending a few days in Snyder with Nadine. Bill Jetton spent last weekend in Stamford in the home of his aunt, Mr. and Mrs. Flat Johnson and Van. Mr. and Mrs. O. W. Vaughn spent last weekend in Abilene visiting in the home of their two sons there, the Clifton Vaughns' and the DeWayne Vaughns'. Mr. and Mrs. Tommy Allen, Ricky and Vicky of Eunice, N. M., visited in Weinert Sunday afternoon. They were accompanied home by their nephew, David Boykin who plans to look there in Eunice for employment. Mrs. Ida Phemister and Hugh of Montague, visited over the weekend with relatives and friends, and attended worship services here Sunday. Guests in the M. A. Davis home, and at worship services here Sunday, were Mr. and Mrs. J. B. Griffin of Euless, Texas, Phyllis and James; and Sandra Dutton, Mrs. Griffin is the former Carolyn Davis. Mr. and Mrs. Freddie Wiggins, Koylo and Timmy, were guests in the home of his sister, Mrs. Bob Raynes, and visited other friends and relatives in Weinert the past weekend. They are presently residing in Abilene but following a promotion with the American National Insurance Com-

ny, they will move this week to Waco. Mrs. Wiggins will be known to her many friends as Glenda Vaughn. Daniel Sloan was in Spur on Sunday when the heart attack was announced. Sloan of Haskell

Boy Scout Troop No. 28 met Monday night for a regular meeting and charter renewal, with six boys registering. They are: Terry and Larry Sanders, Frank Dutton, Ronnie Alexander, Danny Stewart and Dale Tucker.

The Troop is sponsored by the Lions Club. Friends of Mrs. Ab Henderson will be interested to know that she and Bennie are settled in a lovely apartment in Kingsville now and plan to enjoy the sunshine there until school is out.

Bennie is adjusting to the school there, but misses his friends in Weinert. Mrs. Henderson wrote that a recent freeze killed all the flowers and shrubs and things are not so beautiful as usual. She hopes you will write to them at Box 982, Kingsville, Texas.

Glenn and Louise Thompson, with Eddie, were guests in her parents home Sunday, Mr. and Mrs. Coyt Hix.

The Weinert community extends its sympathy to Coach Sam Adams, whose grandmother, Mrs. Nora Adams, passed away and was buried on Thursday, Feb. 7, in the Haskell Cemetery.

Mr. and Mrs. Adams also attended the funeral services for his uncle, Mr. R. E. Gholston, on Feb. 9, held in Asperment at the Church of Christ. Mr. Gholston was a brother to Mrs. Nora Adams, and their deaths came only a few hours apart.

Mr. and Mrs. Raz Gideon were recent visitors in the home of their daughter and family, Mr. and Mrs. R. S. Sanders, Larry and Jan. The Gideons farm near Winters, Texas.

Mr. and Mrs. G. W. Alexander of Gorman, spent the weekend in the home of their son, Mr. and Mrs. Herschel Alexander, Pat and Terry. They are former residents of Weinert and while here, visited with other relatives and friends.

Mrs. Toye Willis of Graham, was a business visitor here Friday.

Mr. and Mrs. Raymon Boykin of Vernon spent the weekend in the home of their parents, the Mack Boykins.

NATIONAL ELECTRICAL WEEK
February 10-16 1963

The three million men and women of the electrical industry observe National Electrical Week each year during the week of Thomas A. Edison's birthday, February 11. National Electrical Week is a time when attention is focused on the contributions that electricity makes to our economy, our high standard of living, and our progress as a nation.

ELECTRICITY

America's Growth Power

Do you know that...

Today the United States has more power capacity than the next 5 nations combined and almost three times the power capacity of the Soviet Union.

West Texas Utilities has increased its electric generating capacity over 6 times since 1942.

In terms of residential use, the American home uses nearly eight times the electricity of the Russian home. Americans use twice as much for lighting alone as the Russian total.

The average cost of a kilowatt hour to residential customers served by WTU has decreased 35% in the last 20 years.

...you can live better electrically

From A Pastor's Sermon

Should I leave my fatness and go to sway over the other trees? Judges 9:9.

Joshua's Parable in the book of Judges speaks to us of what happens when competent and upright men fail to assume their responsibilities in church and society.

In the parable, the trees seek a leader. They approach the Olive tree, but the Olive tree refuses to leave or jeopardize his prosperity in order to assume leadership responsibility.

People reply to responsibility much like the trees did. They say: "Why should I give up part of my devotion to my business, or my leisure time, or part of my pleasure, to become a member of the school board or the city council?"
