day by Texas Ranger Byron them sprawling with a kick BULLETIN

Billfolds belonging to the two victims of the bold robbery here and a bundle of clothes, among them the lettered shirt worn by one of the thugs, have been found about five miles southwest of town, District Attorney Royce Adkins, who is coordinating the investigation, said Wednesday.

District Attorney Adkins said the billfolds were found by Leon Burson at the side of a barrow ditch at the edge of a cotton field on his farm, that the clothes were and nearby, between some cotton rows.

The investigation was being diligently pressed by authorities here late Wednesday.

Justice, Or Injustice . . . It's Up to You

In our art and literature there is a lovely symbol of Justice. It is a beautiful woman in flowing robes, blindfolded, and carrying in her right hand a sword and in her left hand a balance Force and Army personnel a soldier back there told me ers that way while this corscales. This symbol represents much that is precious to us. One participating there was all the that bridge was blown up. Yet, respondent was indulging in a of the most important defenders of justice is YOU.

She wears the blindfold so that she will not see the petitioners before her. It is not material whether they are great or small, of the real thing And it took all "Lady," one of the soldiers We thought perhaps some of rich or poor, black or white. The blindfold symbolizes the mary- the endurance of the troops to answered. "It would be hard the foregoing occurrences elous ideal that all are equal before the law.

The scales are for weighing the evidence. Jurors are those who tend the scales of justice, for jurors weigh the facts, both for and against, and determine whether facts tip the scales in avor of the plaintiff, or the defendant. Jurors must see to it that no false weights such as "sympathy" are used. A jury is bound to make sure that the butcher's thumb is not weighed a- techniques equally and ably Columbia highway, were relong with the meat.

The sword symbolize: the authority of the law and the power to enforce the decrees of justice. As always with great power, there is great responsibility. It calls for the highest form of cit- triguing as the intrigue in- S. C. zenship.

Serving on a jury will often mean some personal sacrifice in loss of time or money, or both. But consider the sacrifices of fortune, and even life, made by those who struggled for the right of trial by jury.

Surely each of us can endure some personal inconvenience and spare time for so grave and important a task

"Paper, Mister?"

A 10 10 10 10 10

In the whole realm of commerce, there is nothing so cheap, so accessible, to every man as newspapers.

This is as it should be. The newspaper must be available to the whole citizenship to remain irue to its responsibilities.

The newspaper, daily or weekly, with its dependable service, gives more to the purchaser than any other commodity sold not nearly so obsolete eyes in the world's markets. There is no comparison in value received with the newspapers and any other merchandise. The newspaper is the only giant enterprise that still uses the copper cent as its unit of measure.

It's the only merchandise today that can serve its reader: below the cost of production and prosper in its operation. When pick on somebody else besides First Baptist Church resulted you become a subscriber to any newspaper, no matter how small It is, at the prevailing subscription prices, you are getting more plenty ready to knock that in return for your money than anything else in all the world.
