

United Industries Firms Here

Approximately three and a half million bushels. Harvey F. Croft, Jr., and Raymond O. White, of the huge seven-year-old United Foods grain division, which does business as United Industries, will be general manager and superintendent of elevators, respectively, of the West Texas operations. Carroll told the Haskell Free Press from Houston.

Croft and White were present for the sale closing in the office of Stanley Wilson, Abilene attorney handling a substantial portion of the negotiations as mediator. Both expressed delight over the cooperative attitude of citizenship throughout the territory in assisting with their "putting down our roots here."

Offices will be established in Anson, which was selected as the site for headquarters "because of its central location for the points to be serviced," Carroll announced.

Market Poultry and Egg, Market Equipment Company, and Haskell Warehouse Company here, operated in this area for a number of years by A. T. Ballard, would be revitalized and restored to full tilt activity by the United Industries takeover, it was indicated.

In the past the operations in Haskell alone have employed an average of 30 persons with a payroll of some \$2500 a week, depending upon the season. This is an average approximate scope of operations in many areas which will be affected by the United Industries takeover, it was understood.

The stability of payrolls from this source mean much to the economic health of communities this size.

DR. JAMES H. LANDES

H-SU President To Be Lions' Speaker June 25

(See Editorial, Page 2) Dr. James H. Landes, who became Hardin-Simmons University's tenth president this week, has accepted an invitation to be the speaker at the annual Ladies' Night event, which is being held at the club of Haskell's active members early this summer. The banquet and installation of new officers will be held Tuesday evening, June 25.

Alfred Hinds, president of the Lions' Club of Haskell, announced Dr. Landes' acceptance Saturday. "This is tremendous news for Haskell, and we will anticipate with pleasure the presence of this great man among us."

Following a "James H. Landes Day" in Wichita Falls on Sunday, March 31, the day he preached his last sermon at the First Baptist Church there, Dr. Landes came to Abilene April 1 to take up residence and his duties on the Hardin-Simmons campus. The 10th president of the University will be formally inaugurated at a date to be announced later.

Wichita Falls is a city of many faiths and all walks of life joined on March 31 to wish God-speed and pay tribute to one of that city's best loved residents, the Landeses. A public reception was held following services at Dr. Landes' First Baptist Church, which has added 9,941 members, 2,475 of them by baptism, since this dynamic man went there 15 years ago.

Dr. Landes, in addition to being probably the best known Baptist preacher in Texas and one of the top leaders in that church in the entire south, has found time to take part in practically all worthwhile community endeavors in his most active pastoral career before entering the field of college leadership and administration last week.

In 1961, he was presented the Silver Beaver Award by the Boy Scouts of America for distinguished service to boyhood.

For James H. Landes, the horizons of service are unlimited.

Mrs. Gilmore Is Pace Setter, Cadenhead Wins

Haskell has its first woman school board member in more than 30 years. She is Mrs. B. Gilmore, wife of an implement dealer here and mother of one son, who with Dr. James F. Cadenhead, Jr., led a field of five to be named to the Haskell School Board.

Stimulated by the names of two women on the ballot, Haskell voters tallied 389, recording the greatest interest in a school election here in at least 12 years.

Mrs. Gilmore and Dr. Cadenhead replaced Carl Anderson, who did not choose to run again, and Clinton H. (Bud) Herren, incumbent, who lost.

Total tabulations as announced by Carl Wheatley, election judge, were Mrs. Gilmore, 177; Dr. Cadenhead, 171; Mrs. Roy Wiseman, 162; Herren and C. O. Holt, both 134.

Mrs. Wiseman, running more or less as a team-mate of Mrs. Gilmore, was but 9 votes off the winning pace, but could not catch the Haskell physician.

The two new school board members, elected for three-year terms, join J. A. Bynum, Lynn Pace, Jr., Howard Perry, Bill Holden, and Gene Elliott on the board.

\$75,000, 30-Unit Nursing Home To Be Built Here

A brand-new, one-story brick nursing home containing 7,000 square feet of floor space will be erected at a cost of at least \$75,000, perhaps more, at a spot near the Haskell County Hospital, Johnny D. Reid, of Belle, one of the four area citizens, undertaking the project, announced Monday.

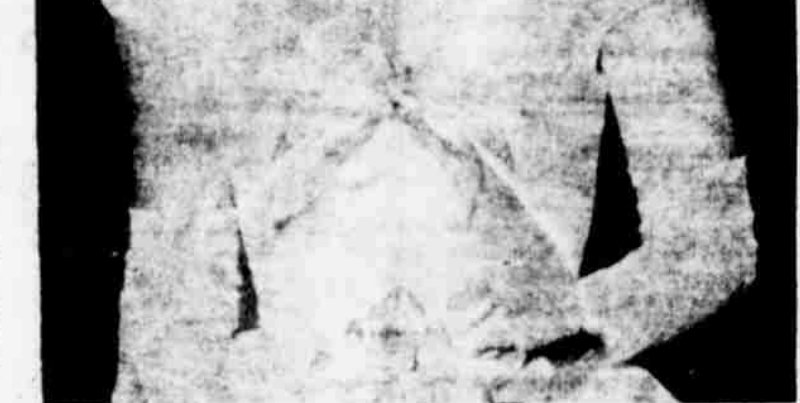

Construction will begin within two weeks, Reid said, on the nursing home to be placed on one of four locations now under option. "Convenient to and near" the hospital here.

Others interested in the venture are Reid's father, J. L. Reid, Jr., Rochester farmer, his sister, Mrs. Junior Solomon, licensed vocational nurse, and her husband, both of Haskell.

Young Reid, a farmer and car dealer at Rule, said contracts have been signed with Aged Homes, Inc., a Ft. Worth firm which has had long and successful experience in building such facilities. The negotiations were completed with Ed J. Baska, Jr., president of the firm, Reid said.

All the partners in the nursing home project are natives of this area. Reid said he plans to manage the home, and that his son, who will operate the project, will care for the guests there. "This building will have the very latest in modern facilities," Reid said, "and we feel it will be a tremendous asset to the community."

The plans and specifications are state approved for nursing home standards, he reported, saying he would furnish architect's drawings and further particulars on construction "just as soon as the single site is chosen of the four under consideration."

JOANIE FRAZIER . . . PORTRAIT OF QUEENLY GRACE

JOANIE FRAZIER CROWNED WITH POMP, PAGEANTRY

Pageantry and pomp culminated with moving music produced with precision, characterized the fourth annual Coronation Concert at which Miss Joanie Frazier, sweetheart of the Haskell High School Indian Band, was crowned queen here Friday night.

The event, which has developed into the most colorful town-wide classes on Haskell's calendar of annual activities, was attended by more than 750 proud parents, interested citizens, and music lovers, including bandmasters of other area schools. They witnessed a stirring spectacle at which Queen Joanie, senior student, and daughter of Mr. and Mrs. Woodrow Frazier, was royally honored and her court presided to an admiring audience.

Bassett Owens, also a senior, crowned the lovely Queen, adding a kiss to make it official to the delight of the throng which filled the Haskell gymnasium. Owens is the son of Mr. and Mrs. Jimmy Owens.

Miss Pamela Baird, daughter of Mrs. Pauline Baird, of Haskell, and Conward Baird, of Munday, was presented the Lions' Club's National Arion Foundation Award for musical merit as the outstanding senior student contributing most to the musical organization this year. Her selection was based on leadership, character, promptness, charity, and efficiency. The presentation was made by Rogers Durham, vice president of the Haskell Lions Club, minister of the Christian Church here.

Miss Nancy Lawson proved a poised narrator in presenting Queen Joanie Frazier, Band Captain Owens and the other principals in the scintillating spectacle of coronation. The Queen and her attractive attendants all were distinctively dressed in exquisite evening wear becoming the occasion, making a veritable panorama of pulchritude as they passed into and out of the presentation spotlight on the arms of their formally dressed male escorts.

The appealingly attired attendants to Queen Joanie were Pamela Baird, Jo Helen Elliott, Elaine Middleton, Elaine Phelps, Merilan Sue Crawford, Diane Heister, Nancy Britz, Nancy Hodges, and Mary Margaret Overton, the crown bearer.

Escorts were Thomas Holden, Dennis Rueffer, Jim Bynum, Jerry Stocke, Gary Muegge, Robert Speer, Martin Rueffer, Randy Wiseman, and Master Jim Kemp, band mascot and escort for Little Miss Overton.

DR. V. N. HENDERSON

Dr. Henderson In Sermon Series At Methodist Church

Dr. Vernon N. Henderson, district superintendent of the Amarillo District, Methodist Church will arrive in Haskell Sunday afternoon to preach a series of revival services beginning at 6 o'clock Sunday evening and continuing twice daily through the morning worship service Sunday, April 21.

Week day morning services will begin at 6:45, allowing working people to attend in their way to their duties. Coffee and doughnuts will be served. The evening services will be at 7:30. Various groups will be in the choir each evening with Mr. and Mrs. Herbert Hill in charge of the musical program for the week.

Rev. C. R. LeMond, pastor of the host First Methodist Church here, said, "Dr. Henderson is well known in this area, and we feel fortunate to have him lead us in these services."

The visiting Methodist minister is a graduate of McMurry College and of Southern Methodist University's School of Theology. His alma mater, McMurry, has honored him with a degree of Doctor of Theology. During World War II, he was a chaplain in the Navy for two years.

Dr. Henderson is now serving his second superintendency in the Methodist Church, having held the same position in the Brownfield District.

"We want to extend a most cordial invitation to the people of Haskell and surrounding communities to be with us in these services," Rev. LeMond announced.

Massive Search County Woman's Ordeal Ended

Mrs. Horace Hilliard, 70-year-old southeastern Haskell County farm woman, who disappeared from her home 11 miles southeast of here last Saturday afternoon, was discovered "unbelievably well" and unharmed shortly before noon Monday after more than 42 hours of wandering through rugged break country northeast of Lake Stamford.

Brooks Middleton, Haskell native, who knows "practically every bush and draw" in the territory, and State Highway Patrolman Jesse Priest came upon the frail-looking, but doubtlessly wiry woman, while following a cow trail in Middleton's pickup truck about 2 1/2 miles east of the J. R. Coody Ranch headquarters, which is six miles northeast of the Hilliard farm home. The Coody Ranch lies in Haskell County between Lake Stamford and State Highway 24 the Haskell-Throckmorton Highway.

Patrolman Priest said the woman, standing erect and peering in all directions, as if undecided which way to go, acknowledged his greeting but said, "It doesn't make too much difference," when asked if she'd like to have a ride.

Then she apparently recognized Middleton, who said he had known the family "35 or 40 years," and addressed him, saying, "I'm shore gettin' tired. My feet are heavy."

She gave him both a hug and a kiss, he related, and told her as he got in the truck, "I guess I'd better go home, but I'll help you fence this place this afternoon if you'll get me a possible digger."

Middleton had jokingly told several assembled searchers at the Coody ranch house, "If you'll let me through, I'll find the lady. He did just that, with Priest "riding shotgun" for him 20 minutes after he arrived at the searching command post.

Mrs. Hilliard Middleton said, was standing at the edge of North Paint Creek to mesquite and brambles patched breaks terrain, which is rugged.

Brought to the Haskell Clinic by Patrolman Priest and Tommy Woods, both state police headquartered in Haskell, Mrs. Hilliard was examined by Dr. James F. Cadenhead, Jr., who said, "Two-to-one, she's in better shape right now than most of the folks who have been looking for her." She was released and taken to the home of a son, Elmer Hilliard in Haskell, where she still was "addled," according to members of the family late Monday afternoon.

Haskell County Sheriff Gath Garrett, who directed the massive search of law enforcement agencies from several surrounding counties, along with Texas Ranger Homer T. Melton, of Benjamin, and Taylor County Sheriff J. D. Woodson, described Mrs. Hilliard's fine physical condition as "unbelievable. I know how tired we all are who have been at this job," the Sheriff added.

"It's not unbelievable that a wonderful bunch of people we have around here, though," the Sheriff said in declaring he "can't praise too highly the efforts of all the people who pitched in to help in this search."

The Sheriff and several others expressed the opinion that "a toughening life in the country" is what pulled Mrs. Hilliard through the ordeal of longed. It is a sort of trademark of the Texas spirit, a quality they have out there in abundance.

"We ought to visit places like Haskell often, tour the country that gives Texas its infinite variety, feel the cleanliness and promise of the land itself.

"I must go again. And I probably will when Wallace Cox (president-elect of the Lions' Club and civic leader here) invites me back."

Preceding his heart-warming salute to Haskell, the Ft. Worth editor described the unnatural world of asphalt, concrete, brick, and stone which is the lot of the city dweller. And he expressed a decided preference for the country which to him is "beautiful and appealing," in contrast to the imprisonment of parking lots and speedways.

"It's different to live in the country, and see the country as it really is," Humphrey declared. "A person needs to do this often."

"This was a kind of home atmosphere. I felt that I be-

SHELTON

Glenn Shelton, WF Columnist, At Rotary Today

Glenn Shelton, the "First Hand" Page One columnist of the Wichita Falls Times and Record News, who operates full-throttle while writing and talking, whose feet talk in terms of 50-mile Kennedy-type strolls but have a governor on them allowing only 30 will be the principal speaker at next Thursday's meeting of the Rotary Club of Haskell.

Shelton, widely read as one of the more engaging columnists in the business, has sixteen plus years under his editorial belt on the Wichita Falls papers. He started out as an agricultural columnist under the title of "Farm Footloose," then became farm editor, general assignment and first-rate feature writer. And, graduating to P-I columnist several years ago, he has become an institution with newspaper readers over a wide area in which Wichita Falls is the geographic hub.

Like with Kathryn Duff, of Abilene, George Dolan, of Ft. Worth, Paul Crume, of Dallas, people in his area start the day off with digesting some verbal vitamins from "Dr." Shelton.

Porter Oakes, editor of the Free Press, is program chairman for the Rotary meeting, and will introduce Shelton.

The Wichita Falls columnist has not announced his subject. He could speak with authority on one entitled "The Seventh Son of the Seventh Son," because he is one.

Fort Worth Editor Says Folks Here Are Kind "Texas Built By, Proud Of"

Walter R. Humphrey, editor of the Ft. Worth Press was a most welcome guest in Haskell last week. Haskell hopes he comes back, soon and often.

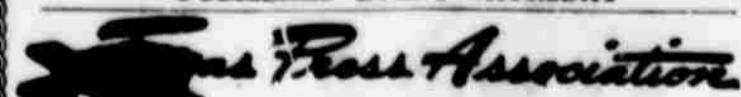

Writing in his widely-read column, "The Home Towners," upon his return from a speaking engagement on the occasion of a soil conservation award to A. R. (Pete) Eaton, of Rule, at a joint meeting of the Lions and Rotary Clubs of Haskell, Editor Humphrey had this to say of the county seat of this 104-year-old county:

"In the little towns along the way (between Ft. Worth and Haskell) I see the Texas I know and love.

"And in Haskell, my terminus, were the kind of people Texas is built by and is proud of. They were warm, friendly, intelligent people, gracious to me as a neighbor, and hospitable as they are to all who come to see them.

Verbal Vignettes

Welcome, United Industries

A most welcome addition to the Northwest and North Central Texas community is the grand group of personnel who will be employed by United Industries, the grain division of United Foods, of Houston, which last week took over elevator facilities in 21 towns in our area.

By and large, a great number of employees of the three corporations involved in the transaction will be retained by the new owners. It is understood. Even so, newcomers, led by Harvey F. Croft, general manager, and Raymond O. White, superintendent of elevators, also will be here in strength. And if the caliber of their executive leadership as exemplified by these two gentlemen is any barometer, the entire 21 communities affected by this takeover stand to benefit appreciably, not only economically, but in the civic realm as well.

We have every reason to feel that everyone connected with United Industries wants to be a partner in the progress and development of the area in which he or she will be living. And United Foods and United Industries comprise a publicly held company doing business before the eyes of the world with their cards face up on top of the table.

The Free Press unequivocally indorses the approach, community interest, and kindred spirit of community mindedness already tangibly demonstrated by such folks in high places with this new operation as Mr. Croft and Mr. White.

We unreservedly predict that they and United Industries will make this territory soon forget the regrettable stigma placed in the public mind by grain operations generally.

We wish Mr. Croft, Mr. White and United Industries, which not only will deal in grain, but will merchandise feed, seed, and fumigants, every success in their new area of endeavor and extend to them an open-armed welcome into our midst.

Dr. Landes Lightens Burdens, Lights the Way

Wichita Falls' loss this week is Abilene's, Hardin-Simmons University's, higher education's, and this particular area's tremendous gain.

Dr. and Mrs. James H. Landes whose remarkable, almost miraculous, service to their fellow human beings in every walk of life, regardless of denomination, creed, color or category, has been peerless, have moved to the campus of the great University in Abilene where Dr. Landes becomes its 10th President.

The leadership of this noble man, and that of his equally engaging wife, have extended into all facets of community life and the friendly warmth of their personal touch has been felt, not only by their Baptist congregation, but by people of all faiths during their Wichita Falls' tenure.

We have watched at close hand the 14-years of dedicated service by this respected dynamic preacher of the Gospel, this efficient organizer and administrator whose reputation in these realms puts him at the pinnacle of the entire Southern Baptist Convention.

Dr. Landes probably is the best known Baptist preacher in Texas today and one of the top leaders of that church in the entire South.

Despite his timetable of activities, this man with exemplary Christian outlook and touch, has found time to minister to the needs of not only his very own, but to lighten the load and lead the way for thousands of others outside his denomination.

The stimulus of the presence of the Landeses in our midst, and their Christian counsel in directing the future destiny of Hardin-Simmons University will be watched with approving eyes by appreciative people throughout this inner citadel of ours, and throughout the entire nation, as the expanding influence of their efforts is increasingly felt.

Oakescripts A Pencil Pusher's Potpourri

By PORTER

Society reporting isn't exactly the Pencil Pusher's realm. But he entered it for fair last week. The patient, persevering prodder for particulars in this lofty league has our admiration, but not our envy. We are a worrybird at heart, and seem to be able to travel a lot farther with a pat on the back than a kick in the pants. Having been the recipient of more of the former than the latter in endeavoring to please folks with our coverage of coronations, seated teas, study club past presidential pow-wows, etc., ad infinitum, we have been obliged to arise earlier than usual, and that's early, to keep abreast of things. Our halo is still on, though a bit whopper-jawed the way it's settin' atop this head chock-full of mesdames' names.

The fact is, society reporting has become so time consuming in Haskell that the only two Porters on the Square at 4:30 in the morning are me 'n Albert. Both trying to make a clean sweep of things.

To the left of the front door as one enters the Free Press Building, a Confederate Flag and a picture of Jefferson Davis distinctively adorn a portion of the display space there. In typical "you can't see the forest for the trees fashion," we haven't had, or taken, the

time to learn to whose influence here we should attribute this impressive decor.

But we're all for it. Reminds the Pencil Pusher of the experience he had while a cub reporter in Nashville, Tennessee, which was the second Southern city to premiere "Gone With the Wind"—after Atlanta, of course, Suh.

A bunch of the Nashville BANNER family went to see GWTW, and Fred Russell, the Grantland Rice of this era, sports editor of our fine newspaper, who stemmed from the same habitat as the immortal "Granny," walked into the foyer of the theater at intermission, tapped the usher on the shoulder, and inquired, "Where's the nearest Confederate recruiting station?"

We honestly wish someone of superior stature in professional musicianship could have witnessed the pinnacle performance produced by Frank Porter and his enterprising entourage at last Friday night's scintillating spectacle in the high school gym. We'd wager a mass recruitment for the concert circuit would have resulted. It was a classic date on Haskell's calendar, a monument to hard work and fine music. We are unreservedly proud of all who had a part in the HHS band's fourth annual coronation concert and the principals in the ceremonies who were signally honored.

Impression beyond expression is our summation of the accomplishment of our neighboring Northwest Texas metropolis, Wichita Falls, which

Haskell County History

50 YEARS AGO

In view of the fact that the carpenters and contractors over the state are adopting the 8-hour working basis, we the undersigned contractors and carpenters of Haskell have agreed to adopt the 8-hour day basis and take this method of notifying the public that in the future the above rule will be in full force: J. A. Frazier, W. P. B. Tucker, J. Walker Smith, A. L. Munn, J. E. Yeager, T. J. Price, F. L. Peavy, H. C. Wyche, G. O. Gossett, J. S. Fox, J. W. Brewer, L. E. Marr.

Mr. F. L. Goose was called to Waco Saturday by John Carothers to nurse his father. S. E. Carothers, who fell on the street in Waco the other day and fractured his right leg.

Last Monday the town was full of horse traders. Haskell merchants had a big trade and some farmers made good sales of livestock.

On Sunday, March 30, Mr. Richard Nolen and Miss Ruby Liles of this city, accompanied by Mr. and Mrs. Ross Payne, were driven by E. E. Marvin in an auto to Anson, where Mr. Nolen and Miss Liles were united in the holy bonds of matrimony. The ceremony took place at the parsonage of the First Baptist Church. Rev. Pace, the pastor, performed

the ceremony. O. B. Norman attended the Baptist Laymen's Association in Dallas this week.

Mrs. H. C. Scott was taken to a sanitarium Sunday for an operation for appendicitis.

Marshal Pierson, the leading hardware merchant of Rule, was in this city Tuesday.

Capt. W. B. Fowler, one of the one-armed Confederate veterans, left Tuesday for Wichita Falls.

J. N. McFatter left for Knox City where he is building a large brick building.

Jessie Deyby, Charley Fouts and H. F. Haley attended the singing convention at Avoca on Sunday.

Mr. C. D. Long of this city is in receipt of a telegram from W. B. Anthony, of Austin, stating that he won out for commissioner of that city by 756 over his opponent.

Few more praiseworthy exposures of Roosevelt's anti-race suicide theory have been discovered than are Mr. and Mrs. W. O. Sanders of this county, whose living children number 24.

A certificate of honor, bearing the seal of the State of Texas, recently has been issued the family by Governor Colquitt.

Sanders is a farmer and is

prosperous financially. In all he and his wife have been blessed with 25 children, one of whom has died.

Bro. Ferrell of O'Brien, who filled his regular appointment at Whitman, spent Sunday night with the Oscar Hutchens. The singing at Mr. Felix Frierson's Sunday night was enjoyed by all.

50 YEARS AGO

Little Bobbie Ann arrived at the Stamford hospital last Thursday and is the daughter of Mr. and Mrs. Bob Herren, Jr.

J. M. Diggs received his appointment as acting postmaster and assumed his duties at the Post Office Thursday morning. Mr. Diggs served several years as postmaster at Munday and worked in the Post Office at Borger.

At a meeting of baseball fans it was decided to have a team in the Wichita Valley League. The towns to have representation are Haskell, Stamford, Goree, Munday, Rule and Hamlin.

Mmes. D. H. Persons, T. R. Odell, H. K. Henry, Irene Ballard, A. H. Wair, C. N. Conner and C. H. Eckles attended the district meeting of the P-TA this week.

Summoned for possible Grand Jury duty for April term of court were D. M. Guinn and Will Stegemoller, Sagerton; Roy Killingsworth and Tom Baker, Haskell; E. N. Miller and I. D. Irick, Goree; E. J. Brazell, Munday; Preston Weimert, Weimert; D. R. Brown, Rochester; M. A. Bumpas, of Knox City; Sexton McBeath, O'Brien; Clyde Gordon, Haskell; Henry Whiteside, R. W. Cross, Tom Mitchell, Arthur Fouts, all of Rule.

The fire department had a busy week. A two-story frame house occupied by two families suffered badly damaged roof at a location several blocks west of the Square. It is owned by M. S. Shook.

The sample room at Sanders-Gun caught fire, with slight loss.

The home of Hurley Howland, two blocks west of the cemetery, was destroyed by fire about 9:30 a. m.

Oscar Oates left the first of the week for Fayetteville, Ark., to join his wife, who has been at the bedside of her mother for the past month. Her mother is very ill.

Miss Eunice Huckabee and Mrs. C. V. Payne visited in Ft. Worth the first of the week.

FACTS ABOUT PLYMOUTH NEW WARRANTY*

DOES IT INCLUDE THE COST OF LABOR?

Yes. There is absolutely no charge for labor and parts. For the entire life of the warranty, should any defect in material or workmanship occur on the parts covered by the warranty, it will not cost you one cent to have it corrected.

DOES IT COVER EXPENSIVE PARTS?

Absolutely! It covers the major power train components—the engine block and its internal parts, the automatic transmission and its internal parts, the rear axle—parts that would cost plenty to replace or repair.

IS IT TRANSFERABLE WHEN YOU SELL THE CAR?

Yes. As long as the car has been serviced at reasonable intervals according to the Plymouth-Volant Certified Car Care schedules, the warranty can be passed on to the new owner. Think what that will mean to resale value of your car!

MUST YOU SPEND MORE FOR MAINTENANCE?

No. All that is normal for most car owners usually give them. Only one change in maintenance is required for the entire life of the warranty. Other maintenance consists of inspection at reasonable intervals.

*Your Authorized Plymouth-Volant Dealer's Warranty against defects in material and workmanship on 1963 cars is expanded to include parts replacement or repair, without charge for required parts or labor, for 5 years or 50,000 miles, whichever comes first, on the engine block, head and internal parts; transmission case and internal parts (excluding slip manual converter, drive shaft, universal joints (excluding dust covers), rear axle and differential, and rear wheel bearings) if the vehicle has been serviced at reasonable intervals according to the Plymouth-Volant Certified Car Care schedules.

Higher Education Is Theme Of Lutheran Meeting

Trinity Lutheran church women last Thursday heard Mrs. Annie Kretschmer discuss the cause of the month, which is Higher Education. Mrs. James Schaefer led the devotional and gave an inspiring Bible study. Nineteen members answered roll call with the name of a Lutheran College, and the offering meditation was delivered by Mrs. Alton Peiser. Refreshments were served by Mmes. Henry and Gus Ruef-fer.

Family Reunion To Highlight Colliers' Golden Anniversary

A family reunion highlighted by Easter dinner given by Mr. and Mrs. R. W. Herren, the latter a daughter of the honored couple, will mark the Golden Wedding Anniversary observance of Mr. and Mrs. Jesse L. Collier, longtime Haskell residents, here on Easter Sunday, April 14.

The Colliers, who were married here by the Rev. R. W. Thompson, Baptist minister, were united on April 18, 1913. Both came to this area about the same time in 1907 and have lived in Haskell continuously for the past 36 years. Mr. Collier is a native of Waxahatche, and Mrs. Collier is the former Naomi Hallmark, of Killeen in Bell County.

A retired grocery business owner-operator who had an establishment on the Court-

house Square in Haskell for many years before his retirement seven years ago, Mr. Collier previously operated the Elks' Cafe with his brother. Before entering this business Mr. Collier operated a tailor shop in a wooden building where the Hotel Haskell now stands. Mr. Collier was a Haskell volunteer fireman 27 years and chief for 8 years.

The Colliers have been actively identified with the work of the Haskell Church of Christ, of which Mrs. Collier was a pioneer member.

The Colliers will be honored at the all-day reunion of their entire family on Easter Sunday, and members are expected from Wichita Falls, Wolfe City, Austin, Killeen, Lampasas, Olney, Three Rivers, Houston, and Dallas.

In addition to Mrs. Herren, the couple had one other daughter, Mary Frances, who died six years ago. She was Mrs. Paul Comoli, of Sweetwater.

Grandchildren planning to come for the Golden Wedding event are Mrs. Ed Corzine, of Ft. Worth; Mrs. Dan Howard, of Hobbs, N. M.; Mrs. John Gannaway, of College Station, Texas; Kent Collier Comoli, a teacher in Dallas; Mrs. A. M. Dycus, Jr., of Abilene; and Bobby Comoli, a senior in high school at Sweetwater.

Five great-grandchildren also are expected to be present for the Colliers' 50th marriage milestone. They are Amy Corzine, 10; Ed Corzine, Jr., 8; Howard, two months; Lanny Dycus, 5 months.

Mrs. Maples Is Hostess for TEL Class Social

Mrs. Joe Maples was hostess for the April business and social session of the TEL Class, of the First Baptist Church.

Mrs. O. O. Atkins led a devotional service, which was followed with an exhilarating reading of "This Old House" by Mrs. Addie Weaver.

Mrs. Porter Oakes, Mrs. F. L. Peavy, and Mrs. T. M. Maxwell, the latter of Greenwood, Mississippi, were guests at the meeting.

A delightful refreshment plate was served to the guests and following members: Mmes. R. Y. Mobley, J. L. Toliver, Sr., C. A. Merchant, J. T. El-ler, W. C. Norton, E. B. McDonaid, Atkins, Sally Basing, Kate Bledsoe, Rosa Glenn, Weaver, Julia Perrin, Miss Florence Crowley, and the hostess, Mrs. Maples.

Center Pointers Discuss Financial Support Project

Mrs. Eva Pearsey was hostess last Thursday for a meeting of the Center Point Home Demonstration Club at which projects for securing organizational expenses for the organization were chosen.

A program on Texas Home Demonstration Assn. work was presented, and a card-writing session remembering sick members and friends was activated.

Following a recreational period, refreshments were served to Mmes. Sallie Patterson, Essie Bland, W. E. Johnson, O. W. Whiteker, Erna Bland, Mrs. Oris Gibson, and the hostess, Mrs. Pearsey.

Rule Garden Club Recognizes Work Of Mrs. Joe Cloud

Rule Garden Club members at their recent meeting presented Mrs. Joe W. Cloud the scrapbook committee's special award for her commendable third place showing in the club year book competition in the district. Plans also were formulated at the meeting for the organization's flower show to be held April 25.

Meeting at the Philadelphia Club House, Mrs. Clyde Grice and Mrs. Joe Holcomb, president and secretary, respectively, directed a short business meeting, after which Mrs. H. L. Martin was leader of a program concerning development of the skill of preserving flowers. Mrs. W. C. Payne discussed flower preservation in transportation, and presented arrangements and specimens for the flower show.

Mrs. Grice gave helpful hints on the grooming of house plants for the flower show.

Present at the meeting were Mmes. A. R. Eaton, C. G. Lewis, W. D. Payne, John A. Lee, J. C. Davis, W. T. Hines, Bob Turner, Clyde Grice, Joe Holcomb, Joe Cloud, Cash Lewis, Lynn Martin, James A. Lisle, Ed Fouts, C. O. Davis, and Morris Neal.

Garden Club Here Completes School Flower Bed Project

Replanting of the expansive border flower bed at the New Elementary School to replace one blown away in the tornado that cut a swath through the heart of Haskell last May 26 has been accomplished and the plants are growing abundantly, members of the Haskell Garden Club announced following reports on the club-sponsored project at its recent meeting.

A program on annuals and wild flowers, as well as helpful hints on bulbs for planting was attractively presented by Mrs. Earl Atchison. Miss Nettie McCollum also threw out some blue-ribboned lures on Calladiums "for show."

Mrs. Luther Burkett and Mrs. Gene Overton were hostesses for the Garden Club gathering which was attended by Mmes. Atchison, R. C. Couch, Jetty Clare, Fred Monke, Scott Greene, Ed Fouts, Lee Roy O'Neal, Kenneth Thornton, Bailey Guess, Ed Hester, W. E. Huss, and Miss McCollum.

Weinert Club To Make Pilgrimage To Courthouse

Members of the Weinert Study Club will converge on Haskell Thursday, April 18, for a tour of the Haskell County Courthouse, bench, and an outing at Haskell City Park.

Meeting last Thursday at the Community Center in Weinert, the Study Club heard a discussion of hints for general good health given by Mrs. M. W. Phemister. W. C. Winchester talked on "The Marvellous Mayos," and Mrs. Glenn Caddell reported on new drugs, their use and abuse.

Elected delegate to the district TFWC convention to be held April 19-20 in Graham was Mrs. R. W. Hutchinson, with Mrs. E. D. Earle as alternate.

Mrs. M. C. Cunningham, the hostess, served refreshments to Mmes. Winchester, Earle, Mrs. R. E. Hutchinson, Caddell, LeMay, Phemister, Loyd Lemley, Mrs. W. B. Guess, and one guest, Elaine LeMay.

Progressive Study Club Honors Mrs. Herren With Tribute Tea

Mrs. R. W. Herren, of Haskell, president of the Mesquite District, Texas Federation of Women's Clubs was the honoree last Thursday at a seated tea and paid high tribute by club women from seven area towns as well as Dallas and Denton in a sparkling event sponsored by the Progressive Study Club, of which she is past president, at the home of Mrs. Ed Hester here.

Approximately 60 ladies, including members of the Progressive Study Club and Magazine Club here, and out-of-town guests, were greeted at the door by Mrs. Herren, Mrs. Jesse L. Collier, the honoree's mother, well-known Haskell resident, and Mrs. Arlos Weaver, president of the Progressive Study organization.

After the guests were served, a loving tribute with a "This Is Our Life, Anita Herren," theme, was most effectively presented by Mrs. Bailey Toliver. A presentation was made by Mrs. Toliver of a scrapbook containing pictures of the active Haskell club, civic, and church leader from age 7 months until the present time and recalling with clippings and pictures the myriad of activities and projects to which she has devoted so much productive time.

Mrs. Toliver's presentation traced Mrs. Herren's early support of the start of a sewing club in Haskell through the formation of the study club in the Thirties which honored her Thursday, her work with Brownies and Camp Fire Girls and founding of the NIBS (Nurses In Bobby Sox) program here, her P-TA leadership from the local level to the office of President of the 18th District, Youth Center activities, her unwavering loyalty to the efforts of the American Cancer Society, and outlining her present outstanding work with TFWC.

During all this time, Mrs. Toliver pointed out, Mrs. Herren still reserved a full measure of time from a strengthening schedule to prosecute church endeavors, particularly in the realm of teaching young children.

Pictures preserved in the scrapbook of her life to date given Mrs. Herren included those of her three daughters, Bobby Ann, Betty Jo, and Jan, now Mrs. Ed Corzine, of Ft. Worth, Mrs. Dan Howard, of Hobbs, N. M., and Mrs. John Gannaway, of College Station, respectively. Her four grandchildren, Amy Corzine, 10; Ed Corzine, Jr., 8; Rob Howard, 5, and Donna Howard, 2 months, also were appropriately given priority spots in the scrapbook.

In her tribute to Mrs. Herren, Mrs. Toliver declared, "We are proud of her for the work she has done in Haskell and the entire area. She has given so unselfishly of her time, enthusiasm, and artistic abilities, and has successfully stimulated every single project she has undertaken."

Also entered into the book were souvenirs of many trips the Herren family has taken to far-flung places to broaden their perspective.

Coming here particularly to pay tribute to Mrs. Herren were two former Haskell residents, Mrs. Joe H. Bowers, now of Denton, and Mrs. J. A. Byrd, now of Dallas. Other towns represented at the tea were Baird, Graham, Rule, Stamford, Weinert, and Clyde.

Following the tea a group of the key committee heads of the Mesquite District, TFWC, met with Mrs. Herren to crystallize plans for the forthcoming annual district convention to be held in Graham on April 19 and 20.

CARD OF THANKS

We wish to express our sincere thanks to the many people who brought useful gifts to the shower at the Central Baptist Church and to the shower in the Maitson community. Also we want to express our thanks to those who made these showers possible. We do not have words to tell you how deeply we were touched by your generosity and how badly we needed the things we received following the fire which destroyed our home and belongings on the 20th of March. May God bless you.—John Wooten and family. 15p

Former Haskell Couple to Observe 40th Anniversary

Mr. and Mrs. Carl N. Scoggin, of Ft. Worth, residents of Haskell for 28 years before moving to their present home in 1956, will observe their 40th wedding anniversary with an open house at their residence, 3108 Elm Park, Ft. Worth, on Sunday, April 28, from 2 to 5 p. m.

Natives of Cooke County, near Gainesville, the Scoggins were married in 1923, and moved to Haskell County in 1924.

Mr. Scoggin has been with the schools in Birdville, a Ft. Worth suburb, since 1956. The couple are members of the Birdville Baptist Church.

The three children and seven grandchildren of the Scoggins will host and hostess the anniversary event.

Young Homemakers of Texas Sponsor FHA Girl With Scholarship Help

A recently established organization for young wives and mothers in Texas, the Young Homemakers Association, which has a chapter here, has undertaken an annual project to provide scholarship help for the high school Future Homemaker member found most deserving in competition among entries submitted through local chapters of the YHA. Mrs. Eugene Fischer, recently elected reporter for the Young Homemakers of Area IV, announced Saturday.

At an executive committee session following the initial Area IV Texas Young Homemakers Assn. gathering last Saturday on the campus of Cisco Junior College, the group voted to join statewide prosecution of this project. In Area IV, eight chapters, among them Haskell's, have been organized. There now are 23 in the state with 57 more applications for charter under consideration at the present time, according to Mrs. Waymon McBroom, president of the chapter here.

In the scholarship student project, Haskell, along with all other communities, where both Young Homemaker and Future Homemaker chapters exist, will choose its scholarship selectees whose record will be evaluated for area survival, and then one girl's name and record will be submitted from each area for final judging at state level.

The Area IV executive committee also decided at Cisco to take part in the chapter publicity award contest and discussed dues assessments. It was agreed, Mrs. Fischer reported, to hold the next Area IV meeting in the latter part of September. Winners of both scholarship and publicity awards will be announced at the second annual Young Homemaker statewide meeting next January. Judging will be in the fall preceding the state sessions.

W. A. Brothers, Area Resident Many Years, Dies

William Alonzo Brothers, 78, a resident of this area for 56 years with exception of a brief residence in Levelland, died at 2:20 p. m. last Wednesday in Haskell County Hospital.

Services were held Friday in Sweet Home Baptist Church in Hule with the Rev. Jack Key, pastor, officiating, assisted by Arlis Vandiver, Church of Christ minister there. Burial was in Rule Cemetery under direction of Pinkard Funeral Home.

Mr. Brothers was born Aug. 31, 1884, in Johnson County. He came to Rule-O'Brien area in 1906. He was a retired farmer and a member of the Baptist Church. He was married Sept. 14, 1919, in Matador. Surviving are his wife, Mrs. Ada Jane Brothers; four sons, Ambryce L. and Arlis of Rule, Odell of Lubbock and William A. Brothers Jr. of Littlefield; a daughter, Mrs. Alta Stewart of Midland; two brothers, Jess J. of O'Brien and Marlin of Lubbock; three sisters, Mrs. Fannie Allgood of Phoenix, Ariz., Mrs. Maude Lamb of Levelland and Mrs. Myrtle Butcher of Amarillo, and nine grandchildren.

Lassie League Supporters Asked To Tuesday Meet

Officials of the Lassie League, an organization for Haskell County girls playing a softball schedule this season, have called a meeting for Tuesday, April 16, at 7:30 p. m. at the Highway Drive-In here, to which parents, particularly fathers, and all other interested persons are invited to attend. Purpose of the meeting will be to finalize procedures, rules and regulations for operating the Lassie League for the 1963 season.

At a meeting of the League board Monday night, decision was made to set player age limits this season to include girls who are not younger than nine years old before July 31 nor older than 14 before July 31.

All girls in this age bracket throughout Haskell County are invited to check into the opportunities for playing in the Lassie League. At the initial invitation to sign for playing, approximately 80 girls answered the call. Others interested should contact Mrs. Jack Medford or Mrs. Alvin Smith in Haskell.

Assembly of God Ministerial Team Coming Here

A ministerial team of Assembly of God clergymen will begin a series of services which will be held for eight consecutive evenings, beginning at 7:30 Easter Sunday night, at the First Assembly of God Church, I. A. Burns, the pastor, has announced.

C. C. Hurst, of Beeville, who has directed evangelistic services here twice previously, and D. L. Summers, of Blackwell, Oklahoma, comprise the ministerial team which will preach here at 7:30 each night, April 14 through April 21. Pastor Burns also announced that special song sessions will be held in connection with the revival meeting, directed by Clyde Williams, the regular song leader for the Haskell church.

Mrs. M. A. Bailey, Former Resident, Dies At 84

Mrs. Lillie A. Bailey, 84, former longtime Haskell resident, died Saturday, March 30, in a Wichita Falls hospital. Funeral was held last Wednesday in First Baptist Church of Rule with the Rev. R. C. Dowdy, pastor, officiating. Burial in Rule Cemetery was directed by Holden's Funeral Home of Haskell.

Born Feb. 5, 1879, in Kosuth, Miss., she was the daughter of the late Mr. and Mrs. A. J. Norman. She married M. A. Bailey in 1900. Mr. Bailey, a carpenter, died Dec. 10, 1959, in Haskell. Mrs. Bailey moved to Wichita Falls in 1960. She is survived by one son, Norman, of Rialto, Calif. Pallbearers were Ray Norman, Carl Norman, Melvin Norman, Weldon Norman, Burton Norman and A. D. May.

Past Presidents of Study Club Feted At Reunion Dinner At Mrs. Weaver's

Past Presidents of the Progressive Study Club here, which a few hours previously had honored one of its founders and charter members, Mrs. R. W. Herren with a tribute tea last Thursday night were guests of Mrs. Arlos Weaver, present president of the organization, at a beautifully appointed dinner in her home here.

Twelve of the 29 presidents of Progressive Study Club who have directed its activities since its founding were present for the reminiscence occasion.

Mrs. Bailey Toliver, a past president, brought to the gathering all yearbooks of the Progressive Study Club, through which the P.S.C. leadership thumbed, recalling changes,

Lutherans Believe...

IN TWO SACRAMENTS

At the beginning it must be clear that a sacrament is a sacred act. It is an act of God upon man. In order that an act be considered a sacrament in the Lutheran Church, it must possess three things—a command of Christ, a heavenly promise, an earthly element connected with His Word.

Therefore, only two acts fall into the category of a sacrament, namely, baptism, and holy communion.

Baptism... It was commanded by Christ when He said, "Go ye into all the world, baptizing..." It has a heavenly promise in that the Bible declares, "He that believeth

and is baptized shall be saved." And the earthly element, of course, is water. Holy Communion... Sometimes it is called the Lord's Supper, or the Sacrament of the Altar. In early times it was called the Eucharist. It was commanded by Christ on the night in which He was betrayed, when He instituted it and said, "This do..." The promise also comes from His lips—"This is My Body... for the remission of sins." Obviously, the earthly elements are bread and wine. Lutherans believe that God Himself acts in baptism and holy communion.

TOTAL PERFORMANCE:

YOU'LL KNOW WHY FORD SWEEPED THE FIRST FIVE PLACES AT DAYTONA... WHEN YOUR '63 FORD IS STILL GOING STRONG YEAR AFTER YEAR

Daytona's big, banked oval puts unbelievable stresses and strains on engines, steering gears and frames. The Fords that won at Daytona took all the punishment this famous track could dish out over 500 miles of grueling competition without missing a beat.

In this toughest of all stock car events, mechanical failures claimed over fifty per cent of the starting field. But of twelve Fords entered, nine went the distance. Ford took six of the first ten places.

Five-hundred-mile events like Daytona are a public demonstration of toughness, reliability and sheer engineering excellence that are part of the new generation of Fords. A test like this can't be duplicated on anybody's testing grounds—it's run right out in the open. Any car can enter. But only the car that has the best total combination of strength, balance, precision

control and road-clinging suspension can win... that's what we mean by total performance.

Visit your Ford Dealer before you buy any other new car. Here's what you'll find: a new kind of total-car durability, a new kind of handling ability, a suspension that is startlingly smooth yet sticks to the road like tar. If you haven't driven one lately, you can't really know what a new Ford is like. Remember, if it's built by Ford, it's built for performance... total performance!

Come to Church EASTER

We realize the laudable part that Churches play in community life, their contribution in both a spiritual and material sense toward community welfare and common good. Churches, their teachings and their membership exert a tremendous influence that touches every home and every business. This function is common with our civic bodies and other organizations. All of whom through various means perform services for the good benefit of all . . . In recognition of these splendid ideals and achievements of the Haskell churches, we urge you to attend Church service.

the great Methodist Hospital, at the bedside of the Missus, who underwent major surgery. As most everyone realizes, the long hours of waiting, the tension, etc., after several days, begins to take its toll on relatives and friends, as well as the patient.

Lubbock, which continues to grow by leaps and bounds, is now the metropolis and hub of activity in far West Texas, and of course, the home of Texas Tech.

This scribe's son, Larry, and son-in-law Gary Allen, of Fort Worth, and yours truly, had the privilege of viewing a full-scale Tech gridmen scrimmage in Jones Stadium, Saturday afternoon, March 30th, in which the No. One units clashed.

I kinda' hope Lion co-worker George Fouts, doesn't read this because he is always looking for a chance to brag on Texas Tech... and from the report found below, Georger Porgey won't be able to get his hat on. However, I believe Tech will be much stronger this fall, even stronger next year—and will take the Southwest Conference within the next five years. With a few breaks they could even do it sooner.

I would not predict that Texas Tech will rank at the top in the Southwest Conference this fall... come football season, but I will say that head coach J. T. King's charges will give a good account of themselves, and other Southwest Conference teams are going to have plenty of tough competition when they take on the Red Raiders.

I counted some 80 boys in grid uniforms in Jones Stadium and they tell me Tech has recruited some 46 boys for next season. Of course the squad will be cut to around 40 during football season, but from around 100 men, they should be able to produce some ability and agility. Those young men I saw out at Tech looked about as stocky as Shorthorn bulls.

The Reds prevailed over the Whites in the Texas Tech intrasquad scrimmage, but they had to work hard for a 14-9 victory.

Rookie Danny Scarbrough of Quana, who wore the White uniform the week before in a 38-20 losing scrimmage tilt,

March 30th contest to lead the Reds to their second scrimmage win.

Mid-day rains had made footing treacherous in Jones Stadium and the improved defenses had a better chance at the speedy backs on both sides.

It was a rather lackluster first half as the No. 1 Red team, anticipating the long-awaited season against the No. 1 White eleven, evidently played it a bit cautious.

Fullback Jim Zanios of Albuquerque, a letterman 200-pounder on the No. 2 Whites, barged through the Red defenses for three yards and an early touchdown to draw first blood. Jerry Lovelace of Farwell kicked the extra point to give the Whites a 7-0 lead.

Later in the second 10-minute period the Whites added a safety when center Reg Scarborough of Snyder snapped the ball over Donny Anderson's head into the end zone on a punt play.

The Reds, after intermission, marched 80 yards with the kick-off for their first touchdown with Scarborough skirting right end on a keeper for six yards and the score. H. L. Daniels kicked the point. Ten minutes later the No. 1 Reds marshalled their forces for a downfield drive of about 70 yards for a touchdown that wrapped up the battle. Halfback Billy Wiese of Austin skirted his right end for three yards and the score after a superb pass from Scarborough to Dave Parks set up the tally. Scarborough connected with Danny Anderson for another long gainer in the drive.

Coach J. T. King thought both sides played too conservatively during the first half, but put more into the game after the rest period. They really opened up when it was the No. 1 against No. 1.

Center Kenneth Gill of McKinney, a squadman from the 1962 team, was singled out for his aggressive defensive play for the Whites. Gill was listed on the No. 3 White eleven, but mixed in with all three teams.

Several fumbles marred the offense of both sides while of the 56 passes thrown, at least a half dozen were picked off by the defenses. Defensively, letterman fullback Roger Gill of San Antonio looked sharp in the White secondary. He also was on the receiving end of two long gainers from Quarterback Ben Elledge, who led the Reds No. 1 Young David Baugh, halfback on the No. 2 Reds, broke loose for the day's longest run, a 65-yard touchdown gallop that unfortunately was nullified by a holding penalty. Afterward, young David's father, Sammy Baugh, of progrid fame, who was in the seats, commented: "He'll have to watch and make those runs when they aren't holding."

Gratitude Beyond Expression
Horace Hilliard, husband, and the children of Mrs. Villa Hilliard, longtime resident in this area, who was discovered alive and unharmed after a 42-hour disappearance over the weekend into rugged terrain in southeast Haskell County Tuesday, expressed "gratitude that goes beyond expression" to the hundreds of law enforcement officers, service organization personnel, and concerned citizens who spent long and trying hours in the all-out search for our loved one.

"We owe each and all of these wonderful fellow citizens and considerate neighbors more than we can ever repay." Elmer Hilliard, son of Mr. and Mrs. Hilliard, declared as spokesman for the family.

HOLY COMMUNION AT PRESBYTERIAN CHURCH
Holy communion will be observed tonight at the First Presbyterian Church in observance of Maundy Thursday. The service will begin at 7:30 in the downstairs auditorium. All Christians are invited.

BERRY'S BOYS TAKE TITLE IN TRACK; LOOK TO LUBBOCK

Their wampum belts bulging with the trophies of the "hunt" during which they stalked all opponents into submission on the McMurry College, Abilene, track, hung heavy around the sweat-soaked frames of Haskell's war-whooping Indian cindermen when they left the field Saturday.

Carlos Berry's bow- and arrow boys were right on target shooting the apple right off the heads of Winters, Anson, Stamford, Hamlin, and Ballinger, to take the District 6-AA track and field crown hands down and going away.

The Indian speedsters and muscle men qualified eight individual performers and a crack relay team for the Northwest Texas-Panhandle regional competition to be reeled off in Lubbock on Friday and Saturday, April 19-20. Preliminaries will be Friday afternoon, with finals on Saturday.

Point totals in the District 6-AA marathon were: Haskell, 152; Winters, 130; Stamford, 106; Anson, 54; Hamlin, 28; and Ballinger, 26.

Winters had but one consolation with the high point man of the meet, Tommy Young, whose 180-yard low hurdles and broad jump performances gained him two firsts and enabled him to pick up 29 points altogether.

James Brown, the Haskell streak-o'-lightnin', gathered in 25 points, while winning the 100 and 200. Haskell was 1-2-3

in the former sprint, with Brown, Joe Thigpen and Josselot finishing in that order. In the 200, Perrin, an Indian, finished right behind Brown, and Haskell's Josselot was a hair's breadth behind Anson's McIntire, who finished third.

Lesley Wooten of Haskell, with a 46' 5 3/4" heave, was an agreeably surprising winner in the shot put.

Haskell's junior high tracksters finished fifth with 65 points ahead of Anson, and behind Winters, Ballinger, Stamford, and Hamlin in a meet coincident with the "varsity drag."

Summaries of point-making by Haskell include: 440-yard relay: 1. Haskell; 2. Winters; 3. Stamford. Time 4:13.

120-yard high hurdles: 1. Grissom, Winters; 2. Butler, Hamlin; 3. Conner, Haskell. Time 1:52.

100-yard dash: Brown, Thigpen, Josselot, all of Haskell, 1-2-3. Time 10.4. Brown's best time has been 9.9 at the Bluebonnet Relays in Brownwood.

440-yard dash: 1. Samuels, Stamford; 2. Roberts, Winters; 3. Larned, Haskell. Time 52.3.

180-yard low hurdles: 1. Young, Winters; 2. Butler, of Hamlin; 3. Kreyer, Haskell; 4. Conner, Haskell. Time 21.6.

220-yard dash: 1. Brown, Haskell; 2. Perrin, Haskell; 3. McIntire, Anson; 4. Josselot, Haskell. Time 23.5.

100-yard dash: 1. Winters; 2. Stamford; 3. Haskell. Time 3:31.2.

Shot put: 1. Wooten, Haskell; 2. E. Mathis, Winters; 3. Kimbrough, Haskell. Distance 46-5 3/4.

Broad Jump: 1. Young, Winters; 2. Thigpen, Haskell; 3. Anderson, Haskell. Distance 21-9 3/4.

High Jump: 1. McKeever, Stamford; 2. Anderson; 3. Slaughter, Ballinger; 4. Watson, Haskell. Height: 6 even.

Discus: 1. Kimbrough, Haskell; 2. Patterson, Winters; 3. Jones, Anson. Distance 151-7 1/2.

Haskell's Coach Berry, former Hamlin-Simmons all-around athletic great, said his boys will be off next weekend, some of them for the annual senior trip, but "they were great Saturday, and should be in fine fettle at Lubbock. I'm mighty proud of them."

Lions Hear Speech Students Tues.; Deputy District Governor Visits Club

Mike Felker, Diane Summers, Charlotte Hise, District winners, and Diane Cadenhead, Junior High District winner in speech contests, spoke to members of the Haskell Lions Club, Tuesday noon. Rogers Durham was in charge of the program.

Mrs. Terry (Kathleen) Diggs, Speech, World History teacher and Haskell High School Librarian, introduced the speakers.

Diane Summers spoke on the subject, "Should Great Britain enter the Common Market?" Diane Cadenhead, Junior High District winner, spoke on "Citizenship."

Mike Felker, (Extemporaneous Speaker), spoke on the subject, "Is the United States Doing Its Part in the Space Race?"

Charlotte Hise (Extemporaneous), spoke on "What the United States Has Done to Inform the Public about the Danger of Smoking."

Lions Deputy District Governor, Region 6, Douglas Myers, of Weirnet, was noted as a guest at Tuesday's meeting.

Bandsman Award
Last Friday night, April 5, the annual Band Coronation Concert, an award of musical merit, National Arion Foundation, was presented by the Haskell Lions Club to Pamela Baird, for her outstanding contribution to the musical organization. Third vice president, Rogers Durham, made the presentation.

Following the receiving of the award, Pamela wrote the following note to Lions: "To

President Al Hinds, and all Lions members... I would like you to know how much I appreciate the honor you gave me. The Arion Award means a great deal to all band members everywhere, and to be a holder of the medal is a great honor indeed. Most of all I would like to thank Rogers Durham for his wonderful presentation speech. There must be inspiration in order to attain anything worthwhile, and I believe the Lions are providing inspiration with this award as a goal. Thanks to all of you, Sincerely, Pamela Baird."

Is It True?

"Half the misery of human life could be eliminated if our steadfast purpose was to be compassionate, benevolent and helpful."
