Moisture Totals Above Normal For The Year

Haskell completed the first four months of 1965, with almost two inches of moisture above normal, Sam Herren, U. S. Weatherman, reported. During April, Haskell received .07 April 2, .02 April 3, .16 April 5, .22 April 9, .74 April 11, .31 April 14, .26 April 15, 1.11 April 24, plus 0.5 (hail), .85 April 25 and .07 April 26, for a total of 3.81 for the month. Highest temperature for April was 97 degrees on the 22nd, with the lowest reading of 44 degrees on April 27. Rainfall for the first four months of 1965 totaled 6.91 inches, with normal of 5.10. Normal for April is 1.93.

Chamber of Commerce Committees Actively Engaged On Projects

The following Chamber of Commerce Committees are now actively engaged in these projects: Agriculture, Bud Lane, chairman. Working on a county and area animal survey for Veterinarian considering move to Haskell. If you have cattle, horses, hogs, dogs or other pets, check with Bud Lane, United Industries, The C of C Office or the Jaycees to obtain survey card. Retail Trade Committee, Opal Adkins, chairman. Sponsored Circus promotion enjoyed by both children and adults. In the planning stage are two special retail promotions to be held in connection with Dollar Day. This will be a special Treasure Hunt and the Flea Market. Both of these activities should draw a large number of people from this trade territory. Membership, Wallace Cox Jr., chairman. This committee is presently engaged in a membership drive that has gained five new members with several more cards to be worked. Individual membership will be to encourage and broaden the base of Chamber membership. If you know a good prospect, contact Wallace Cox Jr., or the C of C Office. Education, Abe Turner, chairman. Applications are now being taken by this committee for the student scholarship fund. Blanks may be obtained from Abe Turner or the Chamber of Commerce. Junior College, Mrs. Luther Burkett, chairman. Steering committee is working with bondsman on the financial aspects of the college. A meeting was held in Knox City and in Munday recently. An outstanding committee from the entire area is working for this project under Mrs. Burkett's leadership. This committee needs support for this very vital project. Industrial, Douglas Finch, chairman. A very strong, alert and realistic committee is now working on industrial develop- ment for Haskell. The commit- tee has followed-up on four in- dustrial leads. One has been eliminated by the committee due to their desire to sell stock locally. The other three are still pending with additional in- formation being obtained for each. All three have agreed to take a look at what Haskell has to offer, but it must be remem- bered that several other com- munities are working to obtain the same prospect. The present need is to obtain information on available land and buildings. If you have a vacant building or a small tract of land near town that you would sell or lease to industry, please call or stop by the Chamber Office as soon as possible and give complete de- tails.

Final Rites Are Held For Mrs. O'Pry

Funeral was held at 2:30 p. m. Tuesday in the First Baptist Church, Rule, for Mrs. Allie O'Pry, 90, who died at 11:30 a. m. Saturday in the home of a daughter, Mrs. Clara Her- ring, in Port Arthur.

Mayor Walling Tosses Out First Ball To Open Little League Play

A large crowd was on hand Monday night for the opening ceremony and game which officially kicked off the 1965 Little League season. Following the recognition of officers, all teams, their man- agers, coaches and sponsors were introduced on the field. Speaking primarily to the boys, President Virgil Cobb asked for cooperation in the care of the equipment, especially helmets, and the field. It was stressed that no one was to practice on the field without adult super- vision. County Judge Jim Alvis lead in prayer and also spoke a few words to the parents, pointing out the importance of support- ing the umpires' decisions. Mayor J. E. Walling then tossed out the first ball to Ram catcher, Ronny Ray, and the season was underway, mid a few "first night jitters" and fast beating hearts. A fine ball game was played, with the Rams topping the Hawks by a score of 12-2. Pitching for the Rams was Frank P. Jirick and Wayne Davis. On the mound for the Hawks were Keith Everett, Terry Pringle and Phillip Jos- selet. Tuesday night, Walton Wooten, hurling six innings, lead the Cubs to a 15-8 victory over the Lions. Losing pitchers for the Lions were Robert Lewis and Mike Mapes. Game schedule for May 6 through 13 include: May 6: Hawks vs. Tigers. May 7: Lions vs. Rams. May 8: Tigers vs. Cubs. May 10: Lions vs. Hawks. May 11: Cubs vs. Rams. May 13: Tigers vs. Lions. Game Time: 7:30 p. m. No inning shall start after 9:30 p. m.

RULE'S TOP STUDENTS—Linda Simpson, daughter of Mr. and Mrs. Aggie Simpson, has been named as valedictorian of the 1965 Rule High School graduating class. Joe Cannon, son of Mr. and Mrs. Floyd Cannon, is salutatorian. Miss Simpson had an average of 94.21. She is in the Beta Club, was drill team drummer, editor of the annual yearbook, an FHA officer, and pianist for the Rotary Club. Cannon had an average of 93.33. He is in the Beta Club, Varsity Club, was top basketball player and best actor in district one-act play contest.

Seven From Haskell Going To Boys State

Under the sponsorship of the local American Legion Post, Fred Boon, Commander, announced that seven Haskell young men will attend Boys' State, in Austin, Texas, this coming June.

Miss Berlye Boone Died Tuesday Night

Miss Mervyle Boone, 68, 306 N. Ave. B, Haskell, passed away Tuesday, May 4, at 10:30 p. m., in Hendrick Memorial Hospital, Abilene. Miss Boone was born December 2, 1896, in Haskell, and although her work carried her to various places, Haskell was "her home." She attended Haskell schools, and was a graduate of (C.I.A.), Texas Women's College, (as it was known at that time), Den- ton, Texas. She received her B. A. degree in nutrition from Ward-Belmont, Nashville, Tenn. Miss Boone was a dietitian for 20 years in hospitals at Wa- co, Fort Worth and Florida. She was Home Management Supervisor for 10 years for the Department of Agriculture. Services have been set for 7:30 p. m. today, Thursday, May 6, from the First Christian Church, with Royce Wood, pas- tor, officiating. Holden Funeral Home is in charge of arrange- ments. Interment will be in Willow Cemetery. Survivors include two sisters, Mrs. Tommy Hawkins, Has- kell, and Mrs. L. D. Morgan, Weslaco, Texas; nephews, Wal- lace Boone, Weinert, Nored Boone, Haskell, Boone Morgan, L. D. Morgan, Stanley Morgan, of Weslaco and nieces, Mrs. Dorothy Spann, Munday, Mrs. George Sherriell, of Floydada.

Wooten Fires Perfect Score At Trapshoot

Ideal weather and 19 squads of shooters greeted the second day of the Louisiana State Trap Shoot last Friday at the range of the Shreveport, Louisiana Gun Club, and in the morning two gunners took advantage of the conditions and broke them all. Wallace Wooten of Haskell, and L. W. Hantel, of Los Alamos, New Mexico, were the pair to turn the straight trick. Both Class A shooters, their shooting Friday was a consid- erable improvement over their 1964 singles averages—9589 for Hantel and .9463 for Haskell's own Wallace Wooten. For Wooten the feat repre- sented a double triumph. More than a month ago he agreed not to shave until he shot a 100-straight, and was sporting a beard by the time he reached the 100th target. He chipped a small piece from it, gaining ac- cess to a razor and the Cham- pion trophy of the "Shreveport 100" event when he shot a 25x25 in the shoot-off, while Hantel was dropping two targets.

Daughters Of Haskell Couple Receive Honors

Miss Joan Watson and Mrs. Burt Pardue, the former Becky Watson, daughters of Mr. and Mrs. Bob Watson of Haskell, will be initiated into Sigma Delta Pi, the National Spanish honorary society today, Thurs- day, May 6. They are both stu- dents at Texas Tech, Lubbock. Mrs. Pardue, a member of Phi Alpha Theta, National His- tory Fraternity, graduates May 29, and has been accepted for a position in the Lubbock pub- lic schools next September. Joan is a junior and has been given an award for excellence in first year Portuguese and also was cited as outstanding under- graduate who plans to teach Spanish. She has been elected a legislator for Deak Hall next year. Both young women are Span- ish majors with minors in his- tory. They are graduates of Haskell High School.

Classes On "Explosives" Slated Here

Men from the 61st Ordnance Detachment (Explosive Disposal), Fort Sill, Oklahoma, will conduct classes on Explosive Ordnance Reconnaissance in Haskell, Texas, Monday and Tuesday, May 10 and 11. The classes will begin each evening of the two-day period at 7:30 p. m., in the Fire Station.

At the request of the Haskell Fire Department instructions will include law enforcement, fire fighting and civil defense officials on the proper way of reporting unexploded hazards—bombs, mines, shells, hand grenades, dynamite, blasting caps and any other potentially dangerous materials.

The courses will cover identification of explosive ordnance, explosives, homemade bombs, nuclear weapons, nuclear weapons fire fighting and reporting of all explosive items.

The instruction is one of a continuing series of classes taught year-round by the 61st throughout all of the Texas pan- handle, Texas north of Dallas and Oklahoma west of Tulsa.

So far in 1965 a total of 62 incidents have been reported throughout the 61st's area, 50 per cent of them have been re- ported by civilians.

Persons knowing of any item of an explosive nature should contact local fire or police de- partments rather than risk an explosion by disturbing the item by bringing it in. "We'd like people to leave the item where it is. We'll come to examine it," a spokesman from the Or- dnance Detachment said.

Until recently, a Tulsa den- tist had used a Civil War Can- non ball as a door-stop think- ing it was solid iron. A fireman who had been trained by the 61st urged him to have it check- ed. Twelve pounds of black powder were drained from the "door-stop." Disarmed and re- turned to its owner, the cannon ball is now safe.

Billie Jack Ray Speaks At Lions Meeting

Billie Jack Ray, past presi- dent of the Jaycees; past state director of Jaycees and pub- licity chairman for the Jaycee Rice Springs Roundup and Rodeo, spoke to members of the Haskell Lions Club, Tuesday noon.

Royce Adkins was program chairman for the day, and in- troduced the guest speaker.

Mr. Ray told Lions that everything was in readiness for next week's rodeo and assured residents that they would see a much better show this year. More information concerning the rodeo will be found in an- other story elsewhere in today's Free Press.

Following his remarks about the rodeo, Mr. Ray spoke for a short while on "Creating In- terest In Our Own Home Town."

"Civic organizations are good for a town, and with people working together for, and with a community many worthwhile projects can be accomplished," Ray said.

Secretary Harold Spain re- ported on the officers and di- rectors' meeting held Tuesday morning. Lions were again re- minded of the annual broom sale slated for Friday, May 21.

Guests noted at Tuesday's meeting were Allen Rieves, former member of the Lions Club, and Bernie Young, Scout Executive, Abilene.

Rotarians, their wives and invited guests, will gather to- night, Thursday, May 6, at the Elementary School Cafeteria, 7:30 o'clock for the annual Rotary-Ann Banquet.

Paul Faulkner, of Abilene Christian College, will be the principal speaker. Other high- lights of tonight's activities will be the installation of new of- ficers for the coming year, plus entertainment by Mr. and Mrs. Hubert Bell and the tal- ented "Nine-Teens."

Due to the Rotary-Ann Ban- quet tonight, no noon-day meet- ing of Rotarians will be held today, Thursday.

Last Thursday
At the noon-day meeting last Thursday, Rotarians viewed an interesting and educational film on mechanized feeding of live- stock. The commercial-type film showed the modern method of push-button feeding of hogs, cattle and sheep.

Bob Herren was program chairman and introduced Wal- ter Coulson and Roy Stutzman of Lubbock. Mr. Coulson showed the film while Mr. Stutzman told of the modern methods of livestock feeding.

American Legion Meeting Tonight

American Legion Post 221, will meet tonight, Thursday, May 6, at 8 o'clock at the American Legion Hall.

Fred Boon, Comamnder, said tonight is the regular meeting time of the Legion, and all members are urged to attend.

Jeff Graham Goes Down Swinging In Golf Tourney; Abilene Winner

All's quiet out at the golf course. But it was packed with action over the weekend as Haskell's fifth annual Country Club's invitational golf tourney drew many top golfers.

It appeared for awhile that Knox City's Postmaster, Jeff Graham, who swings a "wicked club," would walk off with the championship, but Gene Silver of Abilene fashioned a four- over par 75 to win the coveted honor.

Graham forged into the four- stroke lead with a spectacular 50-foot chip shot on the 11th hole which fell into the cup for an eagle-three on the 415-yard hole.

At that point, Graham's near- est competitors were Silver, who bogeyed the par-5 11th, and John Choate, Abilene, the conqueror of medalist and de- fending champion R. E. (Buck) Everett, Haskell, in Saturday's second round of match play.

Tide Turns
But then Fate took her little moment to change the tide and Graham bogeyed the 12th, dou- ble-bogeyed the 13th and bogey- ed the 14th to find his seem- ingly comfortable margin chipped to just one stroke over Choate and Silver. And Choate promptly was eliminated from further consid- eration for the top prize when he took a six on the par-three 15th hole to fall four strokes back of Graham and three be- hind Silver. Choate's downfall came on a beautiful tee shot which travel- ed to within 70 yards of the cup on the par-3, 280-yard 15th, only to become lodged in the branches of a bush just short of the approach to the green. Choate waited momentarily in hope the wind would dis- lodge the ball, but when that failed to happen he tried a shot at the suspended spheroid only to knock it to the base of the bush. His third shot left him still in the rough, 40 feet from the pin and he then two-putted

LOOK AHEAD

Before Congress imposes a system of government health care on this nation, it should give intense analysis to what similar action has produced elsewhere.

England's socialized health system seems to be approaching chaos. Doctors, plagued by low pay and by intolerable working conditions which often impede care of those seriously ill, have been in near revolt. Some 10,000 family doctors gave notice that they will resign from the National Health Service unless major improvements are made.

A short time ago, eight prominent British doctors, including the Queen's personal physician, charged that most of the government-owned British hospitals are a menace to health, for such reasons as lack of proper ventilation; improper sterilization of instruments; cramped wards; and grave structural defects due to lack of modernization and repair.

In both England and France, the social systems are in serious financial straits, primarily because of the astronomical costs of providing health services to everyone, regardless of need. It would be folly to say that cannot happen here. The medicare proposal, it is true, applies only to the elderly. But its benefits which are far more limited than most people know... would be given to all in the age group, whether or not they were able to pay the costs themselves. And it is inevitable that if one group is to be so favored, it will be only a matter of time before political pressures extend it to others.

We can help the needy elderly without imperiling a system of medical care which has no superior elsewhere. An example of a practical way to meet the problem is the elder-care program, under which government would pay all or part of the cost of health insurance policies for the low-income elderly, depending on need, not just age.

Something To Think About

It seems almost unbelievable that the authors of the Declaration of Independence and the Bill of Rights could have produced such guides for freedom in the comparatively short space of time involved.

Governments themselves do not produce freedom. People have to wrest freedom from governments. After they secure freedom, it is an endless task to retain it. Government authorized by the people provides laws, order, and protection. Of necessity, it must be restrictive in many ways.

But unless the people are constantly on the alert, their hired public officials tend to expand their powers in ways that cause government to little by little encroach on individual freedom and opportunity. It is all done in the name of the people and paid for through massive taxation. The people vote for hobbies when they sanction a welfare state.

READER INTEREST

What interests the readers of weekly newspapers?

A survey to find the answer to that question cast a revealing light on the wants of people who live in small towns and countryside.

As one would expect, local news led the field in readership, with 92.9 per cent of those polled saying they always read it; 6.5 per cent saying they read it sometimes; and only 0.6 per cent confessing they never read it.

Next... and close behind, came editorials and local columns.

Third in reader interest was advertising. Only 27 per cent said they never read it. All the rest said they always, or sometimes read it.

Actually, the whole weekly paper is very thoroughly read. The weekly newspaper is one of the most welcome visitors in rural homes. It stays for seven days, not just one. And the whole family has a listless and hearty appetite for just about everything in its columns.

Oftentimes when someone turns in a news story... they ask that it be placed on page 1... but actually any page in a small town weekly is a "good spot." You just can't bury news, or ads in a weekly newspaper... the readers are going to search it out.

Airman Fancher Completes Basic Military Training

JERRY H. FANCHER

Airman Jerry H. Fancher, son of Mr. and Mrs. Henry H. Fancher of 901 N. Avenue E, Haskell, has completed Air Force basic military training at Lackland AFB, Texas.

Airman Fancher has been selected for technical training as a communications-electronics specialist at the Air Training Command (ATC) School at Keesler AFB, Miss. His new units is part of the vast ATC system which trains airmen and officers in the diverse skills required by the nation's aerospace force.

The airman, a 1957 graduate of Haskell High School, attended Texas Technological College.

Leonard Senior, Michael Ivy, Gets Award

Michael M. (Mike) Ivy, a senior, and valedictorian of his class, at Leonard High School, has been awarded a four-year scholarship by the National Merit Scholarship Corporation. He plans to attend Rice University in Houston and major in physics.

The son of Mr. and Mrs. M. S. Ivy, Rt. 2, Leonard, the student is choosing a career as an aerospace physicist.

Ivy is the grandson of Mr. and Mrs. Jack Speer of Haskell and also a grandson of the late Mr. and Mrs. John F. Ivy.

A student's participation in the merit program is made possible through the school he attends. Young Ivy's honors and activities during his four years in Leonard High School include president of the Beta Club two years, vice president of junior class in 1964 and captain of the football team his senior year. He lettered in football three years.

The student has found time to be active in the Future Farmers of America and last year was named Lone Star Farmer, the highest state award. He also was president of the FFA Chapter, 1964-65. He raises alfalfa and Angus cattle as an FFA project on his parents' farm near Leonard.

Young Ivy is a member of the Church of Christ.

"I was really elated when I learned I had won the scholarship," Mike said. He receives \$6,000, the maximum amount—for his four years of study at Rice.

The tenth annual merit program began in March of 1964 when 807,000 students in 17,162 schools took the National Merit Scholarship Qualifying Test. The examination is a three-hour test of educational development especially designed for the merit program by Science Research Associates. The NMQST, which is revised annually, covers five areas: English usage, social studies, reading, national science reading, mathematics usage and word usage.

The top scores in each state are named semi-finalists in September of the senior year. Approximately 14,000 students become semi-finalists in the tenth program. About 97 per cent of the finalists report their high NMQST performance in the second test. After they submit the necessary forms they become finalists and the merit scholars are selected from this group.

Haskell County History

30 YEARS AGO
(May 2, 1935)

Courtney Hunt is the unanimous choice of the local Lions Club as director from Haskell in the West Texas Chamber of Commerce, for the coming year.

Miss Ava Grindstaff, daughter of Mr. and Mrs. I. S. Grindstaff, will represent Haskell at the Plainview Convention of the West Texas Chamber of Commerce in the "My Home Town Speaking Contest." Miss Grindstaff was selected at the regular meeting of the Lions Club last Tuesday noon when she and Crockett English appeared before the club, representing the Haskell High School in a local contest. Miss Grindstaff was the unanimous choice of the three judges appointed by the club to make the selection.

Competing against students from all sections of the state at the Homemakers Rally at Corpus Christi, Frankie Bledsoe won third place for school girl's dress. Mrs. Nina Young, teacher of Home Economics, accompanied Frankie Doris, Geraldine Conner, Francis Fouts and Marvina Post to Corpus Christi for the meet, which was held last Thursday and Friday.

Prizes will again be offered by the Lions Club to the school boy or girl making the best poster depicting some phase of civic or commercial life of Haskell.

Mixing three hits, coupled with a misjudged outfield ground ball, the Munday Moguls scored three runs in the fourth inning here Sunday afternoon and defeated the Haskell Braves 3 to 1.

Members of the Come Double Club were entertained by Mr. and Mrs. B. C. Chapman last Thursday. Mr. and Mrs. Clay Smith were given high score prize. The following members were present: Mr. and Mrs. Roy A. Sanders, Mr. and Mrs. Troy V. Post, Mr. and Mrs. Clay Smith, Mr. and Mrs. Foster Davis, Mr. and Mrs. Wm. G. Forgy and the host and hostess.

Dick Frierson was returned from the Stamford Sanitarium Sunday in a Kinney ambulance.

40 YEARS AGO
(May 1, 1925)

Judge L. D. Ratliff and son moved their law office from the Sherrill building back to their old stand in the Pierson building last week and are now comfortably situated for their practice. Ratliff & Ratliff have been here for a number of years and are well known lawyers.

J. W. Gholson, groceryman of this city, began laying the foundation for a new 8-room residence on North Main Street near the High School.

A syndicate is being formed by local men to take over a block of acreage near the Terrell-Ramsier-Meyer well on the Stoker Ranch, 3 miles northeast of town. The block is composed of 184 acres near the well and has been divided into units of \$50.00 each.

Mrs. J. P. Payne entertained member of the Thursday Bridge Club at their home Thursday afternoon. Two tables were arranged for bridge and a delightful time was spent at the game. Refreshments of sherbet and sandwiches were served to Mrs. C. V. Payne, Roy English, W. M. Reid, J. E. Bernard, Hill Oates, and the following guests: Mrs. Wayne Koonce, Bailey Post and Miss Lois Ernest.

The following marriage licenses were issued by County Clerk Emory Menefee during the month of April: Gilford Domough and Miss Zella Brewer; Nuguel Garcia and Miss Homida Rodriguez; J. F. Reece and Miss Dollie Wilson; Brent Underwood and Miss Lorena French; F. E. Jourdon and Miss Lula Brown; Raymond C. Ponder and Miss Lena Lewis; Geo. R. Couch and Miss Justine Rich; Henry Novak and Miss Tiny Bishop; Lee Seger and Carrie Warren; Donivan West and Miss Maggie Sharp; Roy Melligan and Miss Delia Blakeley; David McCord and Miss Edna Ragsdale.

Plans are being made to hold another race meet on Saturday, May 30. It has not been definitely decided that this will be the exact date of the meet, but it is being considered and likely it will be the date.

60 YEARS AGO
(May 6, 1901)

Work on the Colorado, Texas and Mexico Railroad is underway at Abilene and Chief Engineer Blackburn is pushing his force into Jones County as fast as possible. All the tools, scrapers, wheelers, etc., that are on hand are at work grading north from Abilene, and four carloads of scrapers and tools are on the way from Topeka, Kansas, to Abilene.

The general outlook for Haskell County was never brighter than at this time. New rail-

roads will put it in touch with the markets, and the people of the outside world.

The Farmers Union had a called meeting in Haskell Monday to transact some special business.

Sunday at 4 o'clock p. m., Mrs. Green, National lecturer for the W.C.T.U., will deliver a lecture for the children at the Methodist Church. Have your boys and girls attend; much will be said to impress them for good for life. No charge.

Mr. Will Kitley of the southwest part of the county was in Thursday. He says that cotton planting is in full tilt in his section.

A lecture will be delivered at the courthouse tonight by Mrs. Green, national lecturer of the Woman's Christian Temperance Union. Her lecture will be along lines that should interest everyone. No admission charge.

I will give \$5 reward for information which will lead to the recovery of the following stray horses: 1 roan mare, lame hip, had rope on colt with her; 1 sorrel mare, had chain on neck; 1 sorrel horse mule, two years old, left ear has small

split. Write me at Haskell, 1 mile 6 miles southeast of Haskell. — J. W. (White) Williams.

The Good Earth

MRS. B. F. COBB
 Worms invade the garden in spring doing much to young, tender plants. They are chewing insects and destroy more plants than young tomato plants. Worms are often cut down by the cut worm. Worms are gray, plump, and are covered with bristles or hairs. Digging the flower or vegetable clear of weeds in months prevents the worm laying eggs that hatch into cut worms. A cardboard collar placed into the soil and at least two inches will keep cut worms from damaging young tomato plants, and wet down cut down on cut worm.

Worms placed in a ring around plants, and wet down cut down on cut worm. A friendly toad the run down. See how fast cut and other insects disappear. These little animals are man's friend. Beetles are also chewers. If this long, soft, bug invades your garden, wear gloves and hand plants. If the bare used a severe blister war. These blisters are not to get rid of. If one water from it will another blister. Other beetles: Yellow striped insects; larvae, slender and brownish end. The adult beetle on the foliage and bacterial diseases. Sagerton News

BY MRS. DELBERT LEFEVRE

The congregation of St. Paul's Lutheran Church received word recently that Gary O. Bruns has accepted the call to be their

pastor here. He is now finishing his work at the seminary and will be ordained June 20 at his home congregation at Monona, Iowa, and will arrive in Sagerton June 30.

The L.O.C. Home Demonstration Club will meet in the basement of St. Paul's Lutheran Church Thursday afternoon, May 6, at 2:00, with Mrs. Billie Kupatt, as hostess. Miss Sedberry, Home Economics teacher of Old Glory High School will present a demonstration on furniture refinishing. Anyone interested in this type of project is invited to attend.

Mr. and Mrs. Melvin New visited with Mr. and Mrs. Jimmy New and son, Charles, in Lubbock last weekend.

Mr. and Mrs. Humphries and family of Fort Worth visited with Mrs. L. T. Mathis, Melton and Elvin, last weekend.

Mrs. Ellen Reising, who spent last week here with her sister, Mrs. Ben Hess, has returned to her home in Midland. Mr. and Mrs. Clyde Gwyn and Pauline Gwyn of Midland came for her last weekend.

Mr. and Mrs. Alvin Ulmer visited in the home of Erna Hanson and her mother Sunday afternoon.

Mr. and Mrs. B. L. Ross and Yvonne visited in Dublin over the weekend with Mrs. Hattie Ross.

Mr. and Mrs. Hershell Hines of Rule and Mrs. Etta Leach visited in the home of Mr. and Mrs. M. Y. Benton Sunday evening.

Mrs. J. H. Jordan hosted the Stitch and Chatter Club in her home Wednesday of last week. One guest, Mrs. Caldwell, of Munday, was present, and the following members: Mrs. M. Y. Benton, Mrs. John Clark, Mrs. Cliff LeFevre, Mrs. Etta Leach, Mrs. R. O. Gibson Sr., Mrs. Deidmon of Rule, Mrs. Ewell Kitley, Mrs. R. N. Sheid of Rule, and the hostess.

Mr. and Mrs. Charlie Lee Gibson of Des Arc, Arkansas, visited with friends and relatives here last week while they were visiting Mrs. Fannie Gibson in Stamford. They visited

in the homes of Mr. and Mrs. R. O. Gibson, Sr., and Mr. and Mrs. M. Y. Benton.

Mr. and Mrs. J. B. Marr and Elaine of Haskell and Charles Jenkins of Haskell and Steve Clark were guests in the home of Mr. and Mrs. M. Y. Benton for lunch Sunday.

Mrs. Pat Sellers, who had surgery at a Houston Hospital last week, is reported doing fine and is expected home the latter part of this week.

Steve Clark and Roy Bell are members of the Rule High volleyball team, which placed second in a tournament at O'Brien last Thursday and Friday.

The sixth and seventh graders of the Sagerton School and their teacher, Miss Irene Stewart, enjoyed a trip to Austin and Houston last weekend. They went through the State Capitol at Austin and in Houston they saw a baseball game in the stadium, went aboard the Battleship Texas, saw the San Jacinto monument, rode a ferry boat at Galveston, saw

the State Penitentiary at Huntsville and Sam Houston's grave. Those making the trip were: Clayton Stegemoller, Jesse Galindo, Kent LeFevre, Cate Macias, Peggy Clark, Kay Whitley, Rita Ramos, Debbie Pank, Miss Stewart and the bus driver.

Mr. and Mrs. Glynn Bohannon of San Angelo visited here recently with Mr. and Mrs. August Angerman and Mrs. August Strommel, and were supper guests in the home of Mrs. Hilda Koch along with Mr. and Mrs. August Angerman.

Mrs. Emil Kainer took a plane from Dallas to Jacksonville, Florida recently to visit with Mr. and Mrs. Roland Rinn and family.

Mr. and Mrs. August Angerman and Mrs. Hilda Koch visited Mrs. Lillie Hills in the Haskell Hospital last week. They also visited with Mr. William Reber in the Rice Springs Rest Home.

CANDIDATE B. A. DEGREE

Mrs. Carol Jirek White of Haskell is among 769 seniors who have applied for bachelor's degrees at North Texas State University.

Spring commencement exercises are scheduled for 8 p. m. June 2 at Fouts Field.

Mrs. White, daughter of Mr. and Mrs. Frank P. Jirek, 1102 7th, Haskell, is a candidate for the bachelor of arts degree in English.

She is a 1961 graduate of Haskell High School.

Texas Cotton Farmers Want A New Program, Says TFU Prexy

"I am convinced," state Farmers Union President Jay Naman of Waco told members of the recently organized Brazos Valley Cotton Growers Assn. at a meeting in Hearne, "that Texas farmers want a new cotton program and can get together and agree on what they want. A lot of the indecision in being blamed on differences between farmers is actually the result of the failure of the policy makers to listen to farmers' voices."

"Those who have a vested interest in low prices and over-production seem to have infiltrated some cotton producer groups and along with others advocating the sliding scale schemes of a Chicago corn husker have entrenched themselves in these organizations and have rendered them completely ineffective to set policy. Farmers need to dig into these cotton producer groups that either can't or won't stand up for the producer-members and find out why they fail them."

"The 'warring factions' in cotton are not the farmers. Farmers are willing to accept controls and cut their production in order to reduce government costs of their program and to justify a fair price. Farmers don't object to receiving direct payments to permit them to produce competitively and as long as they have the opportunity to make a profit, they are not suspicious that farmers from another area or one that is larger or smaller is benefitting more from the program."

"Most of the so-called differences between farmers have been magnified far out of proportion, and I think that it is time that the policy makers in the Department of Agriculture stop relying on this worn-out excuse for their failure to listen to farmers and to meet their responsibility to work out a sound cotton program. Farmers Union stands ready to assist them and will soon be calling together cotton producers from all cotton producing areas in Texas to meet in Washington for cotton policy discussions."

"Continuation of the present cotton program would be disastrous to producers, and the failure of a cotton program to be included in the total farm package might mean its rejection by the congress," said Naman.

CANDIDATE FOR BACHELOR OF SCIENCE DEGREE

Royce Cox of O'Brien is one of 423 degree candidates recently named by Dr. Walter H. Juniper, head of West Texas State University. Degrees will be awarded at spring convocation May 23.

Seeking the Bachelor of Science degree, Cox is majoring in physical education. He is the son of Mr. and Mrs. Cox of O'Brien.

Latins Slate Haskell Meet

Baptist young people of Latin American churches in Baptist District 17 will meet Saturday, May 8, at Mission el Calvario.

A dramatic Billy Graham evangelistic film "Touch of Brass," will be the main attraction of the program, according to Phil Ortiz, Hardin-

Simmons junior from Del Rio, who is president of the group.

CARD OF THANKS

We wish to express our sincere thanks and appreciation to our friends, fire boys, veterans, Doctors and Nurses for their kindness shown us during his stay in Haskell Hospital and during his recovery period in the Big Springs Veterans Hospital. After sorghum has emerged, spray Atrazine to control weeds and grasses.

The idea is to spray Atrazine 80W herbicide right after sorghum has emerged, but before weeds are 1 1/2 inches high. This one application, moved to the weed root zone by rainfall, will control most annual broad-leaf weeds and grasses in sorghum for the entire season.

Control of weeds and grasses in sorghum with Atrazine can greatly reduce the need for cultivating. And so your crop goes through the entire season without weed competition for moisture and soil nutrients.

The results of weed control in sorghum are higher yields and lower production costs . . . giving you more profit per acre. So this year, use Atrazine for control of weeds and grasses after sorghum has emerged.

Contact your local supplier now for Atrazine 80W herbicide.

Wanda Jean Miller, Bride-Elect of Jerry Hester Honored With Gift Tea

Wanda Jean Miller, bride-elect of Jerry Hester, was honored with a gift tea Saturday, May 1, from 3-5 p. m. in the home of Mrs. W. B. Guess.

Guests were greeted by Mrs. Guess. Receiving with the honoree were her mother, Mrs. H. A. Miller and Mrs. Floyd Hester, Rochester, mother of the prospective bridegroom.

Pat Thurman, H-SU, registered guests in the white leather brides book.

The refreshment table was laid with a white tulle cloth over white taffeta. Centerpiece was an arrangement of blue spring flowers in a crystal candelabra. Punch service and other appointments were white milk glass. Shirley Offutt, Sandra Dutton and Karen Boier, H-SU, roommate of Wanda's, alternated at serving frosted punch and white cake squares.

Ninety-two guests called from Seymour, Rule, Knox City, Tuscola, Munday, Trent, Rochester Haskell Weinert Anson and Abilene. Special guests were Mrs. B. L. Lacy and Mrs. M. C. Arnold, H-SU, Abilene, and Mrs. B. B. Thurman, Tuscola, and Mrs. B. E. Boier, Anson.

Other members of the hostess party from Weinert were Mrs. Floyd McGuire, Mrs. V. C. Hobbs, Mrs. C. C. Childress, Mrs. Eddie Sanders, Mrs. W. A. King, Mrs. J. W. Liles, Mrs.

R. E. Raynes, Mrs. V. C. Derr, Mrs. W. C. Winchester, Mrs. R. J. Rainey, Mrs. C. J. Williamson, Mrs. J. A. Mayfield, and Mrs. Clyde Mayfield. Hostesses from Rochester were: Mrs. Lewis Hester, Mrs. T. C. Bevel, Mrs. W. L. Ballard, Mrs. J. O. Archer, Mrs. T. W. Barton, Mrs. Dickie Robertson, Mrs. J. C. Hujiburton, Mrs. Earl Alvis, Mrs. Dora Myers and Mrs. Bud LeFevre.

Hostess gift was a set of teflon aluminum cookware.

Weinert Matrons Club Hold "Art Study" Meeting

Weinert Matrons Club met on Thursday in the home of Mrs. M. W. Phemister for an "Art Study," directed by Mrs. W. C. Winchester.

Mrs. J. A. Mayfield gave a brief sketch of the life of Leonardo Da Vinci. Mrs. W. B. Guess gave an account of the loan of the Mona Lisa, by France to America in 1962 and a few facts about the Louvre, Paris, where the Mona Lisa is kept.

Roll call was answered with "My Latest Creation." Mrs. M. W. Phemister read a poem of her own composition. Mrs. R. C. Liles gave each member a souvenir program of the last district convention.

Mrs. C. G. Hammer dismissed the club meeting with the reading of the club collect.

The hostess, Mrs. Phemister, served three tiered cheese sandwiches, cake, punch and mints.

The next meeting will be May 6, in the home of Mrs. J. A. Mayfield. Mrs. D. L. Moody will install officers.

Attending Thursday's meeting were: Mrs. R. W. Raynes, Mrs. Fred Monke, Mrs. W. C. Winchester, Mrs. R. J. Rainey, Mrs. J. W. Liles, Mrs. H. W. Smith, Mrs. R. C. Liles, Mrs. P. F. Weinert, Mrs. C. G. Hammer, Mrs. Buck Turnbow, Mrs. J. A. Mayfield, Mrs. W. A. King, Mrs. J. W. Liles, Mrs. W. B. Guess, a guest, Mrs. J. E. Jetton, and the hostess.

Tri-County Rally Day Held By H. D. Clubs

The Haskell, Knox and Baylor H. D. Clubs Tri-County Rally Day was held at Seymour Friday, April 30, from 9:30 a. m. to 3:30 p. m.

Several demonstrations were given on dried flowers and a Terrarium garden; also one on making pillows from dish rags.

There were several articles the clubs had made, and each club had a skit, as well as a sing-song session.

Sixty-one members and three visitors attended.

Attending from Haskell were Mrs. Albert Hannatz, O. W. Whitaker and T. M. Patterson.

Miss Andrea Baird, daughter of Mrs. Pauline Baird of Haskell, will be crowned Band Sweetheart, at the 6th Annual Coronation Concert of the Haskell High School Indian Band Friday night, May 7, 8:00 o'clock, at the High School Gymnasium.

Mrs. Terrell To Head Hospital Auxiliary Here

Mrs. W. P. Trice spoke on "Praying Hands" and installed officers at a meeting of the Hospital Auxiliary, Wednesday, April 28, at 2 p. m., in the Community Room, Haskell National Bank. Mrs. Bob Foote presided over the business session and then introduced Mrs. Trice who brought the program and installed the following officers for the coming year.

Mrs. Robert Terrell, president; Mrs. Mabel Overton, vice president; Mrs. Byron Frazier, recording secretary and treasurer; Mrs. W. H. Pittman, corresponding secretary; Mrs. Fred Monke, historian; Mrs. P. C. Spenny, reporter.

Mrs. Foote introduced Mrs. Charlie Stephens who presented caps to the following members, working the required number of hours: Mrs. J. A. Cain, J.

Wisdom, P. C. Spenny, Frank Scott, Eva Speer, Velda Carter, Fred Monke.

Stripes for the caps were presented to Mrs. Eva Speer, Velda Carter, Fred Monke, Bob Foote.

The newly elected president, Mrs. Robert Terrell, spoke to the group and dismissed the meeting.

Members expressed thanks to Mr. W. C. Johnston for helping to sell Watkins products for the benefit of the Hospital Auxiliary.

"Teen-Tones" Sing At Rule Junior-Senior Banquet

The Rule Junior Class entertained the seniors with their annual Junior-Senior Banquet on Saturday night, May 1, at 7:30 in the school cafeteria.

The oriental theme was used in the decorations and the program, with a Japanese garden for the setting.

Mr. Thomas Kutch gave the invocation. Larry LeFevre, junior president, welcomed guests. Jerry Cannon, senior president, gave the response.

The "Teen Tones" consisting of Judy Elmore, Ronda Stryker, Brenda Hisey and Edith Murray, accompanied by Mrs. N. S. Ousley, sang "Japanese Sandman" Crawford Allison read the junior prophecy. Janice Hertel read the senior will. Connor Horton, superintendent, gave the benediction.

Refreshments were served to the following: Mrs. Bonnie Cothron, Eloise Perrin, Ardona Toliver, Martha Toliver, Dorothy Trussell, Bernadine Wyche, Bamah Ivey, Ruby Cobb, Mildred Robertson, the hostess, Gunn Finley and one visitor, Mrs. Cecil Corley.

Next meeting will be in the home of Mrs. Arles Ivey on Tuesday, May 11, at 2:00 p. m.

Junior And Senior Banquet Held Friday

This was one night out of a thousand and one, the night of April 30, 1965, when entering into the Arabic atmosphere of the Junior and Senior banquet at the elementary school, one forgot "Dear Old Haskell High" itself.

The juniors and seniors feasted upon roast of water buffalo, oasis corn, flowering cacti, sesame rolls and olive oil, tent poles and sake. Following a meal which was fit for the King of Bagdad, Kenny Miller presented the invocation.

Steve Harper, Aladdin, told

of his many experiences in getting to this place, Haskell, by way of his magic carpet.

Wendell Cowton portrayed as All Baba, gave the senior class response.

Songs by the Queen's Maidens, Millie Holden, Judy Anderson, Andria Baird, Elouise Watson, Jerre Sue Couch and Rita Woodard, created an exotic atmosphere.

The General Genie, Gerre Colbert, appeared out of Aladdin's lamp in order to give the Junior Class Prophecy. She saw all this from her crystal ball.

Windbag the Sailor, Monte

Frierson, read the Senior Class of 1965. As the Caravan everyone stood and sang school song.

REDDY TIPS to Give You More Comfort from Your **AIR CONDITIONING** at a Lower Cost!

Are't you happy you have air conditioning to keep you cool and comfortable through these long, hot summer days... and nights... while outside temperatures are sizzling up to the 100 degree mark and past?

For your sake Reddy hopes the temperatures will take a tumble. But in case they don't, he's bursting to give you these valuable tips on how to get maximum efficiency at the lowest cost from your air conditioning—whether you have a central system or window units.

Reddy learned long ago there's nothing better than a long term, satisfied customer. So, he wants to see that you get the most for your air conditioning dollar by saving you wasted expense.

West Texas Utilities Company

Clip this out and keep as a reminder

KEEP FILTERS CLEAN PREVENT WASTED DOLLARS
Take the "strain" off your air conditioner and your budget. A dirty filter restricts air flow; makes your unit work harder to keep your home cool; costs you more in operating costs. Almost one-half of your trouble calls are traced to dirty filters. And filters are inexpensive to buy—easy to install and clean. Fiber glass throw-away filters can be cleaned with a vacuum cleaner. Metal permanent type filters are best cleaned with water. Save money! Check them periodically.

AN OCCASIONAL CHECK-UP PAYS
Your air conditioning unit is a fine piece of equipment. A check-up keeps it in tune, prevents sluggish operation and sometimes reveals that a unit is low on refrigerant... this condition up operating costs. Your serviceman can keep your unit charged with the right amount of refrigerant. He'll open up free air flow, too, by cleaning accumulated dirt, mold and algae from the cooling coil fins and fans. He'll make sure the motors, wiring and thermostats are working properly, and may even paint your unit with rust preventive for longer life. You'll be glad your serviceman called!

THE THERMOSTAT SETTING IS THE KEY TO SAVING MONEY
The "best right" temperature for comfortable indoor living is 76 to 78 degrees F., although some might want it a little cooler and others a little warmer. The engineers say it will cost you as much as 10% more to operate your unit for every degree below the ideal 76 to 78 degrees F. Now's that for a money-saving tip!

AIR CONDITIONING COSTS DROP WITH PROPER INSULATION
A home without proper insulation lets cool air out, hot air in—and one extra during winter months. Insulation is not only a terrific bargain (saves up to 5% on summer and winter operating costs), it offers bonuses by absorbing moisture and preventing dust from drifting in. Makes house-work easier, living more pleasant.

SAVINGS TIP: WEATHERSTRIP
Air leaks around doors and windows are comparable to leaving your refrigerator door open—cuts down efficiency and adds to air conditioning operating costs. Save up to 10% instead by placing weatherstripping around doors and windows. It goes hand-in-hand with insulation in making your home a more enjoyable place by keeping out dust and noise.

TIPS TO REMEMBER
Prevent cool air from escaping up the chimney! Remember to keep the damper closed. Reduce the heat entering your home still more by using blinds, shades or draperies to block direct sunlight.

PAINT CREEK ...
COMMUNITY NEWS

BY MRS. GENE OVERTON

Since the wonderful rain,
Paint Creekers are rich in stock
water. That is a rather valuable
asset to a farmer and rancher,
too. I think everyone has their
stock tanks full or almost full,
and enough water to last for
months. Tanks were beginning
to be so low that some farm-
ers were making plans to start
hauling water from town. Cot-
ton land looks so fine, and we
shouldn't have to do anything to
it until the last of May or the
first of June when we plant.

It's hard to realize that for
some of us, wheat harvest is
already over. That is usually
such a busy, exciting time. But
Gene and I looked back and in
the 24 years we have been rais-
ing wheat together, we have
only lost two crops due to hail.
So that is a good average, espe-
cially in this West Texas
country where we have so many
hail storms. The bad thing ab-
out this hail storm was that it
beat the pasture grass away and
it looks yellow and dead. It
will come out again, but we
have begun feeding the cattle
hay like we did in the winter
until the grass greens up again.
This farming do teach a man
patience—to quote a friend.

Lt. Mina Faye Griffith, the
daughter of Mr. and Mrs. Sam-
my Griffith, writes from Weis-
baden, Germany that she is
planning a weekend trip to Hol-
land to see the tulips blooming.
Two Paint Creek families
have new grandsons. Mr. and
Mrs. G. W. Roberts have a two-
week-old grandson named Al-
bert Lee Roberts Jr. He is the
son of Mr. and Mrs. Albert Rob-
erts, and he has an older sister,
Tonya. Mr. and Mrs. Jack Dan-
iels' son, Jackie and his wife,
have a new son named Johnnie
Carlton. Little Johnnie has two
older sisters, Vickie and Kim-
berly Carlton. The grand-
mothers are sisters.

Coach James Ross Mickler
completed his thesis for his
Master's Degree at Hardin-
Simmons University this past
week. He will receive his de-
gree at Commencement exer-
cises in June.
Wallar Overton completed his
Timber Tag training course at
Camp Tonkawa this weekend.
He has been having the train-
ing sessions every Friday night.
Troop 48 will benefit from this
training.

Last weekend John Paul, Ap-
ril and Scottie Montgomery of
Midland spent the weekend with
their grandparents, Mr. and
Mrs. J. H. Montgomery while
their parents were attending
the Jaycee Convention in El
Paso. Mr. and Mrs. Clyde Bland
and Mr. and Mrs. J. H. Mont-
gomery had little Blands visit-
ing them while their parents,
Mr. and Mrs. Dwayne Bland of
Stamford attended the same
convention.
Mrs. James Merle Raughton
has accepted a position to teach
in the Bronte School system
next year. She is the daughter
of Mr. and Mrs. Roy Overton.
Mrs. Paul Fischer spent last
weekend in Lubbock visiting
her daughter, Paulette, a stu-
dent in Texas Tech.

Mr. and Mrs. Clyde Mayfield visited their daughter, Conita Teague and son, Jeff, in Iowa Park Sunday.

Mrs. Roy Wilkinson, of Graham, is visiting her sons, J. D. and Jack Davis and families.

Mr. Wilkinson is in the hospital at Wichita Falls for a period of 10 days to two weeks. The Wilkinsons are former Weinert residents and were in the grocery business in the early 30's.

Residents Who Have Not Applied For Social Security Urged To File

Haskell County residents 65 or over who have not yet applied for social security benefits were advised today to file a claim now even if they are not planning to retire right away.

In issuing the above advice, R. B. Tuley, Jr., Abilene social security district manager pointed out that several local people who applied last year found that they had lost some benefits by not applying earlier. "We have found," said Tuley, "that the best way for a person to protect his social security benefit rights is to apply at 65 whether or not he intends to go on working. Even if no benefits are payable right away, there's an advantage in having your claim already approved when you retire. With entitlement already established, the benefits can be started immediately when we are notified of the retirement date."

He said that according to the latest figures there are nearly 10 million Americans who are 65 or over. Of that total, more than 11 million have already established their entitlement to social security monthly benefits and 1.1 million are insured for benefits but have not yet filed their claims. The latter figures includes the wives of insured workers.

Noting that President Johnson has designated May as National Senior Citizens Month, Tuley extended a special invitation for all over-65 residents who have not applied, to talk with Don Austin, the field representative who services Haskell County by going to the Haskell Chamber of Commerce

Jehovah Witnesses Assembly Begins Friday In Abilene

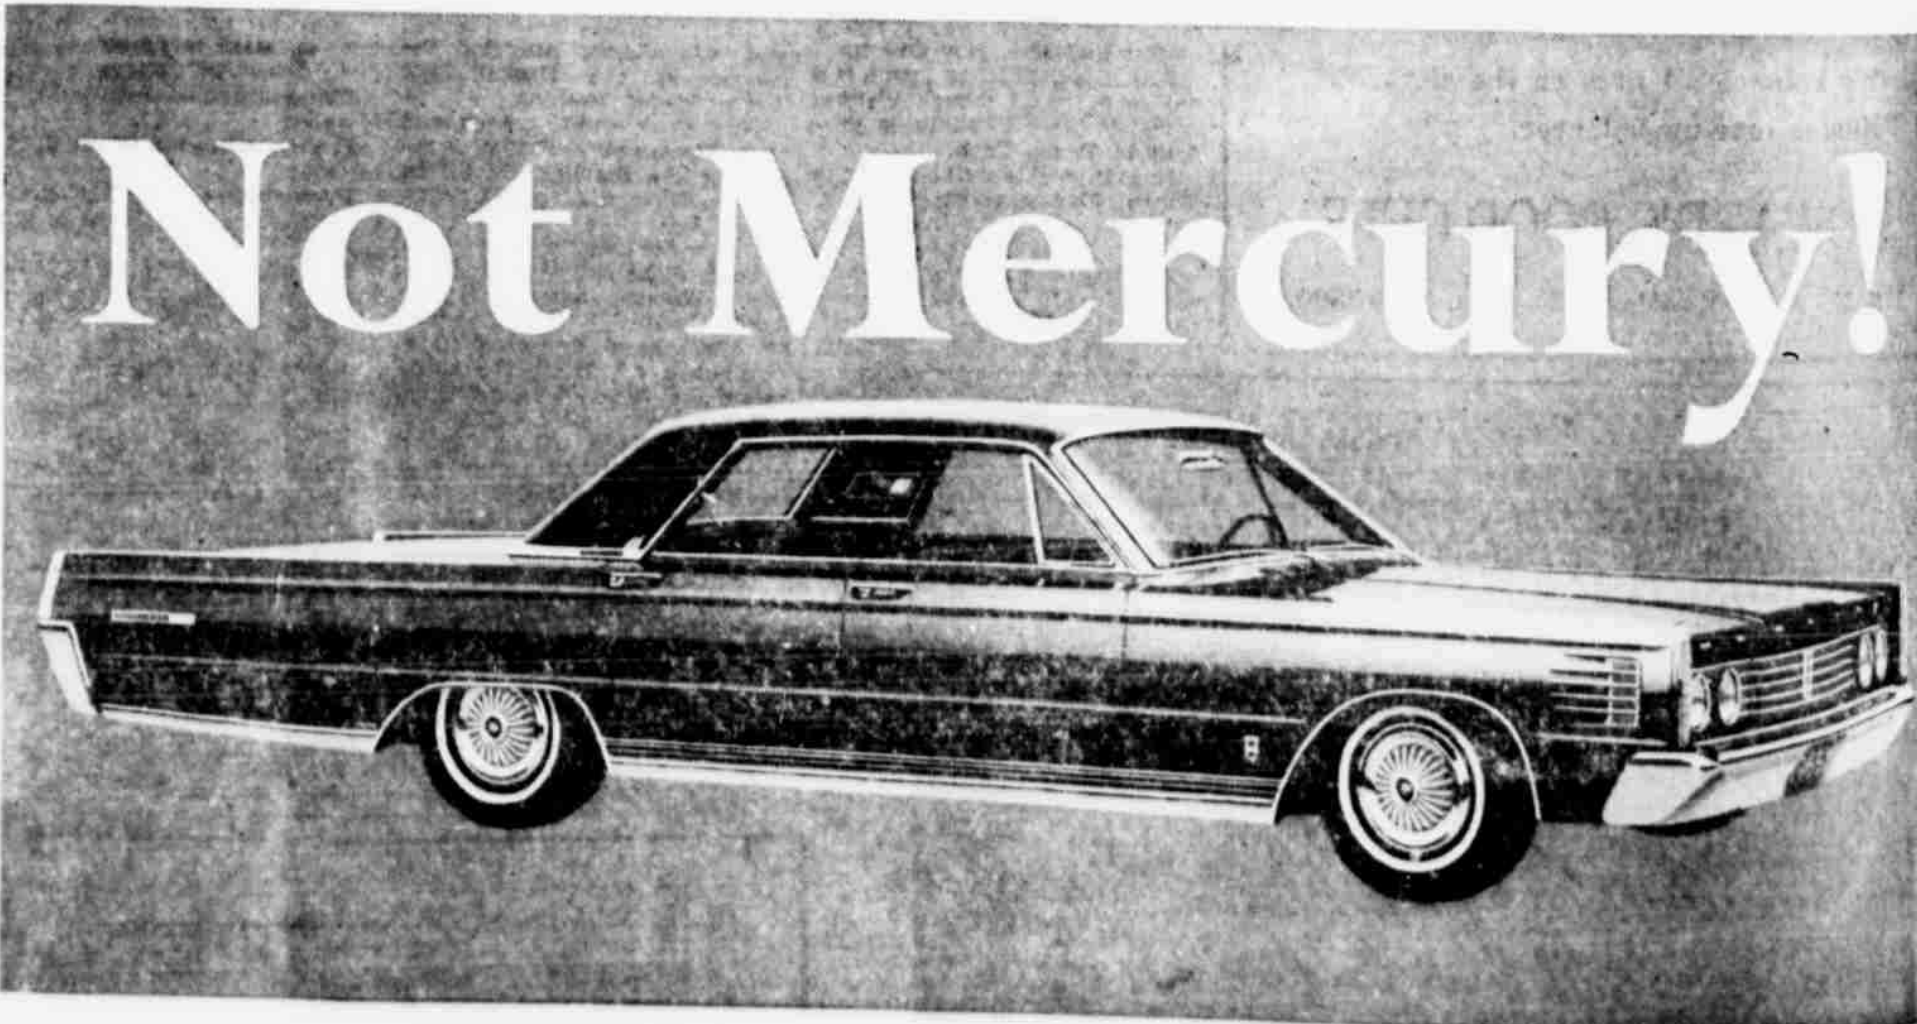

Jehovah's Witnesses of Texas Circuit 12 are canceling all meetings in this vicinity for their semi-annual assembly in Abilene, May 7-9.

About 500 are expected at the Taylor County Agricultural Center to analyze their ministry, discuss their problems and lay plans for the summer months.

H. A. Feick will open the assembly on the theme, "Willingly Fulfill Your Ministry," 7 p. m., Friday; and he will give the closing talk, 3 p. m., Sunday, "The Moral Breakdown—What Can Be Done About It?"

This year they all look alike...don't they?

Notice To Property Owners

In response to a request of some citizens wanting some property paved, we have been in conference with Leroy Lipham, a Paving Contractor who has done considerable work in Haskell and whose work has held up well.

This contractor agrees to send a representative to Haskell, who will contact anyone wanting property paved. He agrees to pave streets 24 feet wide for One Dollar per linear feet for property on each side of a street. For example, a lot 70 feet wide, fronting on a street would cost the owner \$70.00 and the same size lot on the opposite side of the street would cost \$70.00.

This paving would be done under the same specifications as the paving done by this contractor in 1962 and all work will be guaranteed for one year against defects in material and workmanship.

All work would be done under supervision of the City and all checks and payments made to the City and the contractor would receive no money until the paving had been inspected and approved by Roy Oliphant, City Street Superintendent.

Anyone interested in having property paved may phone the City Hall and a list will be kept and turned over to the contractor's agent, who will contact the owner and go more into detail about the work to be done.

By AL HINDS

A successful business man is one who deserves promotion when he doesn't get it.

Thought for the Day: Don't try to stop thinking unless you have started.

The ideal girl, according to a survey taken among a group of high school seniors (male), should be medium height and have a good figure... a natural blonde... a good sport, a good listener, a good dancer, neat, not wear too many loud colors or weird clothes, not a phony... not the kind who judges a man on the amount of money he has to spend.

On the other side of the fence, girls report their ideal male is: The Dick Chamberlain-James Francis type... owner of his car... not fickle, a good dancer, an athlete, fun to be with... well-mannered... serious about the future... not a playboy... rich.

Now, if the ideal girl married the ideal boy you'd have a warm-hearted, lady-like, medium-sized blonde bride; a strong, handsome well-heeled football-playing groom, with a hefty professional contract in his pocket.

Prattler hopes they get together!

The trouble with many organizations is that the members who insist upon running the show are the ones that ought to be put in the cellar.

These days the most efficient official is the one who can spend government money the fastest.

Fashion Note: What will the men wear this spring and summer? That's an easy one to answer... the same clothes they wore last spring and summer.

In this busy, bustling world in which we live, far too many of us are trying to keep up with the Joneses... trying to eke out an existence... or caught-up in the whirl of trivial matters, and never have time, or take the time to notice and appreciate those things 'round about us... such as the sparkling dew on the grass as the morning sun peeks from the east, the beautiful notes of the songbirds, the scent of spring flowers. Just suppose someone asked you... what is soul?... how many ways is water used?... what is a forest?... what are grasslands?... why is wildlife important?... how is one dependent upon the others? Your answers to these questions would perhaps be like mine. I just hadn't given it much thought.

Some people are not content with borrowing trouble... They marry it.

Any man can argue with his wife, but it seldom does any good.

Very often the less a man has

to say the greater reputation he gains for wisdom.

Two "killer" dust storms struck vital blows in the West this year. Red dirt from Texas and four surrounding states hurried through the air as far east as Pennsylvania and Florida. The old Dust Bowl of the early, dirty thirties is again dry. Many communities are failing to provide for current and future water needs. What about our community? Do we always have plenty of water? Is it clean and clear? Is it tasteless and odorless? Is it soft enough? What about tomorrow? These are some of the questions we must answer now.

Talent is made up of two ingredients... time and trying.

This would be an unhappy world if we could all see ourselves as others see us.

Habit is the spoiled child of indulgence, and chastity is the offspring of temperance.

Don't wait until your ship comes in, but take a tug, and go meet it.

Finish every day and be done with it. You have done what you could. Some blinders, no doubt, crept-in. Forget them as soon as you can.

In your soul there is a room filled with sunshine, with golden doors, and the true heart carries the key of rays.

County Savings Bond Sales Hit \$98,582.00

Savings Bond sales for the first three months of 1965 in Haskell County totaled \$98,582.00. Of this amount, \$15,303.00 were purchased during the month of March, according to a report released by R. W. Herren, chairman of the Haskell County Savings Bond Committee.

"These figures represent 47% of our goal for the year 1965," Herren said. Sales in Texas for the first quarter of 1965 amounted to \$39,286,192, which represents 26 percent of the state goal of \$152.8 million.

"I am sure in these anxious times when thousands of our sons and brothers are serving in the far-flung military defenses of our country, every American can do his part. One way all of us can express our patriotism is to invest in Uncle Sam's Savings Bonds. When we buy bonds we are buying shares in democracy and are doing our part to maintain the strength of our nation economically, militarily and spiritually," chairman Herren stated.

New Oiler For Haskell

Crown Central Petroleum Corp. has completed No. 3-16 Sojourner Sand Unit in Haskell County.

Location is three miles west of Haskell in the Sojourner (Sand Unit Waterflood). It is spotted 1,350 feet from the south and 1,950 feet from the west lines of Section 27, Block 1, H&TC Survey.

Daily potential was 432 barrels of 40 gravity oil, plus four per cent load water. It is pumping from 34 perforations at 5,204-24 feet where the formation was fractured.

The 7-inch casing is set at 5,262 feet, one foot off bottom.

The thing that makes our sales success so sweet this year is watching a man who thought he couldn't afford a Chrysler drive one home. Got the idea you can't afford a Chrysler? Listen: nearly half this year's models are actually priced just a few dollars a month more than the most popular smaller cars, comparably equipped. Now, another shock: V-8 engine, automatic transmission, power steering, power brakes, radio and heater are included. So, look friend—come in and see how easy it is to drive home a new Chrysler.
