Disaster Declaration

WHEREAS, Sherman County has not had rainfall for an extended period of time, creating hot and dry conditions; and

WHEREAS, the hot and dry conditions pose the threat of large, dangerous and fast moving wildfires; and

WHEREAS, such fires have the potential of endangering lives and damaging property on a large scale; and

WHEREAS, the Texas Government Code Chapter 418 gives the County Judge the power to declare a local disaster within the county "if the threat of disaster is imminent"; and

WHEREAS, the magnitude of the potential damage and the rapidity with which such a fire could escalate to major proportions constitute an imminent threat of disaster; and

WHEREAS, declaration of such disaster authorizes the imposition of controls on activities which tend to increase the likelihood of fires; and

WHEREAS, such controls, once implemented, have the potential of protecting lives and property by mitigating the threat of dangerous fires; and

WHEREAS, a declaration issued under Section 418.108 of the Texas Government Code may include a prohibition or restriction on the sale or use of all fireworks within the county; and

WHEREAS, a local disaster declaration expires seven days after its issuance, unless the Commissioners' Court consents to its renewal or continuance; and

WHEREAS, to the extent that a declaration includes a provision related to fireworks, any portion of the provision that exceeds the restrictions authorized by Local Government Code § 352.051 is effective only for 60 hours, unless the County Judge requests and the Governor authorizes an extension of the broader fireworks restriction.

BE IT THEREFORE PROCLAIMED that I, Terri Beth Carter, County Judge of Sherman County do hereby declare a local state of disaster based on the threat of large wildfires in Sherman County, Texas.

BE IT ALSO PROCLAIMED that this state of disaster will continue until rescinded in accordance with the above cited statute, but in no instance will this declaration continue for more than seven days without being authorized by the County

Commissioners' Court, or in the event the declaration pertains to fireworks, no more than 60 hours unless an extension of the restriction on fireworks has been received from the Governor.

BE IT ALSO PROCLAIMED that the purpose of this order is the mitigation of the hazard posed by wildfires by curtailing the practice of outdoor burning, and the sale and use of all fireworks, which purpose is to be taken into account in any enforcement action based upon this order.

This declaration shall be promptly publicized and filed with the County Clerk.

IN WITNESS WHEREOF, I affix my signature this 13th day of June, 2011.

Terri Beth Carter

From the desk of Chief Powell

For a time, city ordinance enforcement has been set "on the back burner." Well, it's my job, I guess, to be the bearer of the news. Beginning this week, I will be directing the officers to report to me, any eye sores within the city limits that may be in violation of city ordinances. We may begin with personal contact with you and / or a letter by certified mail, giving you a pre-determined amount of time to correct the issue. If the issue is not corrected in the time allowed, a citation will be issued immediately.

As I have been since I took office, I will continue to be "firm but fair" with everyone. Please understand, as this process begins to take shape, we must be consistent and follow through with enforcing these ordinances just as we do will all state and local laws, without prejudice, or playing the "name game." These ordinances apply to everyone and will be enforced equally.

So, heads up!! Remove it, dump it, cut it, clean it whatever it takes. Please help us keep Stratford looking great!! And, as always, I truly thank each and every one of you for your support of **YOUR** Police Department.

Youth Mission Trip

Spaghetti lunch at the county barn to help with our travel expenses. Free will donation. Sunday, June 26th 11:30am to 1:00pm

Sponsored by First United Methodist Church in Stratford, 14 youth and adults from various churches are serving on a mission project, the end of July at Barnsville, Minnesota, with "Group Cares". "Group cares" is an interdenominational organization to provide dynamic short-term mission trips that help youth, and adults connect to Jesus while serving people in Christ's name. They focus on the core Christian beliefs that bring the Christian church together.

The Workcamps are designed to deepen the participants walk with Christ, while serving people in Christ's name. It's not so much about the "service projects" (although the challenge is important), it's more about God changing the lives of the people you serve...and the hearts of the youth. The "work" fades, but the impact of selfless service and new relationships lasts! Our purpose is to come alongside youth leaders and provide experiences where young people grow in Christian faith and character...and have loads of fun at the same time.

Nothing seems to spark spiritual growth like putting your Christian faith into action. And, when students are pushed out of their comfort zones, away from the Distractions of home, God gets through to them. With carefully planned evening programs (with help from the ministry experts at Group Magazine and Simply Youth Ministry), devotions and service projects, young people hear God's Word...do God's Word...and experience transformation. That's why more than 90% of participants say they come away with a deeper spiritual life.

PLEASE COME
On Sunday, June 26th, these youth and adults will serve a spaghetti lunch at the county barn to help raise our travel funds. Please come and support us, we will be serving from 11:30 to 1:00 for a free-will donation..

What is Stars for Our Troops?

The Stars for our troops program takes your worn, used American Flags and turns them into a prized possession for an American Soldier at home, on base or overseas. Volunteers lovingly cut each embroidered star from the flag, dispose of the stripes properly, and place each star into a tiny plastic bag with a card.

The card reads: "I am part of our American flag that has flown over a home in the U.S.A. I can no longer fly. The sun and winds have caused me to become tattered and torn. Please carry me as a reminder that you are not forgotten"

Each star is then handed to, mailed or sent with a care package to an American Soldier or Veteran by volunteers, family, friends and through Gettysburg Flag Works retail location. Your worn out American Flag can touch the lives of 50 American Soldiers even after it's reached the end of it's flying days!

How can you help?

1. Send us your old American Flags. We will see that they are cleaned and each star makes it's way to an American Soldier. To save on shipping, collect your neighbors' flags too, and send them all at once.

2. Link to this page and tell your friends. There is an ongoing need for these stars as we have troops leaving for combat all the time, and returning home where they need to integrate back into society. Places that might get the most exposure are facebook, twitter, blogs or personal websites.
