MERRY CHRISTMAS

The Stratford Star

75 cents Published for over 100 years in Stratford, Sherman County, Texas 79084 usps 523 Christmas Edition Number 51 December 23, 2010

STRATFORD GETS NEW POLICE UNIT

Last week, the city council approved Chief Powell a new police-package vehicle for his department. After bids were taken and reviewed, the council went with the lowest bid and longest warranty. The new police vehicle is a 2010 Dodge Charger. It is a police-package vehicle with a 100,000 mile warranty. It is well equipped with radio, lights, siren, traffic radar and a 5.7 liter Hemi. Along with the approval, the chief agreed with the council to put the two oldest units up for bids. A "vehicle replacement plan" is being put together by the chief to more easily determine the need for future purchases of police units.

Stratford received snow Friday

On Friday, December 17, 2010 Stratford received approximately 5 to 6 inches of wet snow. Shown above is the Elk in front of Stratford High School. And Winter had not even started yet. But It's here now. Hope everyone has a safe Merry Christmas and a Happy New Year.

Public Notice

In an effort to maintain the beauty and reverent affection we feel for our cemetery, the City would like to provide notice to all citizens that we will be cleaning up the cemetery over the winter months. If you have a lot(s), or have a loved one buried at the cemetery, you can help us out by removing all old flowers, vases, leaves, paper, any trash, etc. around your lots, or your area. Thank you for your continued support and help to maintain one of our City's most prized possessions!

FIRE CAUTION! Remember Stratford's Salvation Army

We are not currently under a BURN BAN, but Sherman County Commissioners' Court is asking for everyone's cooperation in preventing fires. We are asking that you use caution with any fire. Please monitor any fires and make sure fire is completely extinguished before leaving the area.

"Share the Harvest" Continues through the month of Dec.

On November 1, the Happy State bank kicked off their "Share the Harvest" campaign. They joined with the Stratford Food Bank to build up their supplies for the upcoming holidays. Please take your dry good donations by anytime during the month of December and help "Share the Harvest" with others less fortunate in our community.

All Stratford ISD Events will be posted on the SCDC Community Calendar at www.shermancountytx.org

Attention to all subscribers!!

Effective immediately The Stratford Star will no longer be sending out notices when your paper is due. Check the label on the paper and see what month your subscription expires. I will be putting "Stars" on the current month If you have a Star on your label it means that your sub expires that month. If you are not sure the amount you owe if you live out of the area call 753-7373 and double check. Locally is \$30.00 and out of the area \$37.00. If you are paying for someone else's sub, you will be billed for that person. Due to the rising cost of postage, etc. we feel this is the best solution for us at this time. Thanking you in advance.

Henry Gutierrez
March 26, 1955
December 14, 2010

Kerrick News

By Marylou McDaniel

Marylou McDaniel spent a week with daughter Patti in Denver. While there she visited with Sharon Martensen Powell, her daughter Sarah, Chad & Abby Lynch. Special occasion was a visit from Sharon's daughter Kristen Powell Gotteschalk of Lemoore, CA.

They had an evening meal with Terri Bell Blevins.

All sent "Merry Christmas" greetings.

Barbara & Terry Schoonover took granddaughter Rese to see "The Nutcracker". A cousin, Tristin Payne was in it and Rese got to go backstage.

Dear Readers

Christmas Lights and Decorations for the City need some help and now is the time to plan. Before decorations are taken down in other areas, please take pictures of decorations and let's see if we can make Stratford look a little more like Bedford Falls not Pottersville Ile.

The 8 new poles wrapped with greenery, lights and ribbon were a little meager, cost about \$180.00 total but an effort was made on short notice. Because the electrical outlets on the poles are controlled manually the lighting had to be turned on at 5:00 p.m. and off at 8:00am manually. Sometimes that happened and sometimes not.

The street lights on Main Street downtown are bright enough that lighted decorations are not necessary and would be a hassle. Something with just a little sparkle would be sufficient.

The existing City Christmas decorations are somewhere stacked in a trailer and need to be refurbished. The Poinsettias are about 10 years old. The red bells were purchased from Dumas and rewrapped at least 15 or more years ago. The Christmas trees were the first Christmas Decorations from the 60's or 70's and could be rewrapped and made presentable for about + the cost of new. Now is the time to take stock and plan for next year. If you are interested in helping with this project, give a call to Marca Ewers, or Gaynelle Riffe and maybe we can make a plan. Don't forget to

take pictures. rewapping the bells? Oline Caraway, Mary Woodford Wisdom, Gordie, Adam Reed as a boy scout, George Harding had just returned to Stratford, the Ag boys. Plus many others. It was interesting and the red festooning did not come loose and blow down the street as some feared.)

Imagine That The Imagination Station News

Last Dance of 2010 for
Jr. High students
December 30 from
7:00-11:00

Chief Joe Powell will be providing music and maybe a little Karaoke for a fun evening and as a fund raiser for The Imagination Station. Admission is \$3.00 per person and a small price for refreshments.

The Imagination Station was fortunate to have insurance to replace the hail damaged roof however the Insurance Company will no longer write our policy. Another Insurance Company has been found but will increase the premium by and extra \$1000.00 so fund raisers are very important. The biggest fund raiser is the "Whale of a Sale" and The Imagination Station is accepting donations now.

The Imagination Station has been blessed with donations from hunters hosted by Andy Riffe, a gift of bushels of corn, plus other donations through the year. The board of directors donate most of the expenses for the programs and fund raisers. These gifts are greatly appreciated. The Imagination Station needed \$2000 in donations to balance a budget and now they need to increase it to \$3000!

We would like to express our appreciation and gratitude to Corporal Veronica Liz Ortega. Veronica is fulfilling a second tour of duty in Afghanistan. We miss her dearly but understand the importance of duty when "duty" is called. We appreciate all branches of our armed forces that are stationed and called out; our thoughts and prayers for all families who make the sacrifice in allowing their loved ones to keep us safe. We also want to thank all of our Veterans. Prior to our sisters' recruitment and departures, we never had placed much thought to the extent of "duty". Thank you and God Bless.

Corporal Veronica Liz Ortega was born in 1985 and graduated from Stratford High School in 2003. She is the daughter of Mario and Sara G. Ortega. She is the fifth of seven siblings and the proud aunt of seven nephews, a niece and another on her way. She attended West Texas A&M University and the University of Texas in San Antonio. She was majoring in Physical Therapy. Cpl. Veronica is looking forward in seeing our first nephew, Michael Ortega, graduate this year from Stratford High.

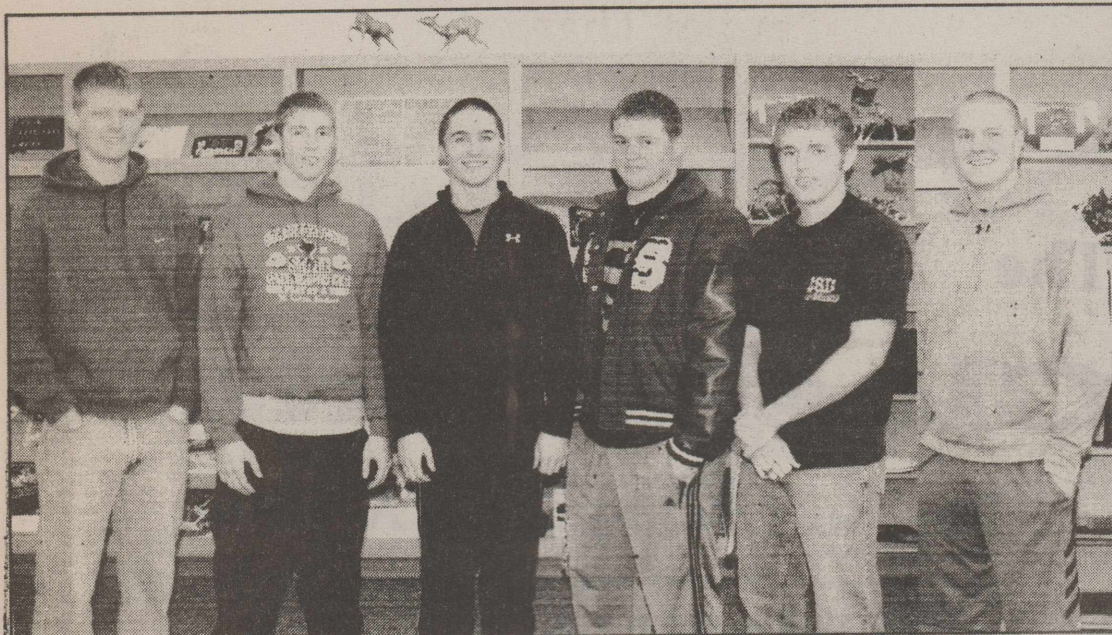

Cpl. Ortega had been stationed at San Diego, since attending Boot Camp in Paris Island, South Carolina. She is enlisted for another year and a half and will sign on for another two years thereafter. We are extremely proud of her and look forward in receiving her in our arms again come this May. She represents "Semper Fidelis" well! We are proud of our daughter, we are proud of our sister, and she is proud of being a United State Marine. Ooh Rah!!

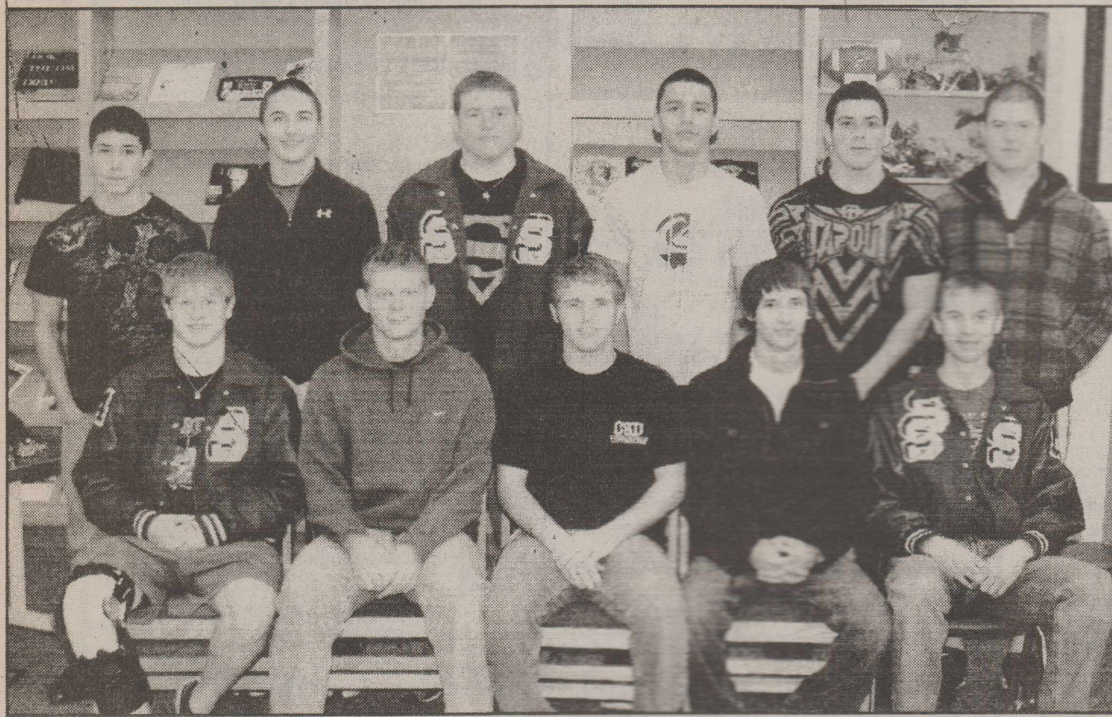

Our family is asking for your prayers and for those who choose to send her uplifting letters or items, you may do so at the address below; if we may, please remember its winter in Afghanistan and warm garments or items will be greatly appreciated. She has asked desperately for hot chocolate!!!

Differences between electric and hydraulic-driven systems

Have you seen the ads that insist hydraulic-driven systems are the better way to irrigate? Make sure to read between the lines - and we don't mean the oil lines. Fact is, Reinke® Electrogator® II and Alumigator® electric-driven irrigation systems are, and have always been among the safest, most reliable and cost-effective methods available to deliver water to your thirsty crops. Reinke encourages you to "steer to compare" the electrical energy requirements of electric and hydraulic driven machines. You will be amazed by the dollars you can save by going electric.

Reinke Dealer-Professionals are ready to share other eye-opening reasons why more and more producers are choosing Reinke irrigation systems. Talk with a Reinke Dealer today.

Keep Pests From Crashing Your Holidays

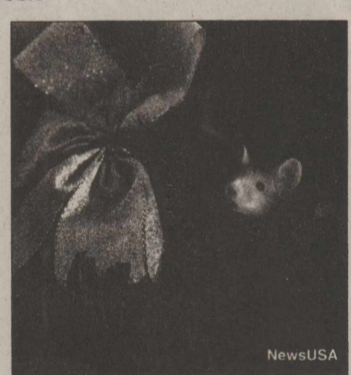

(NU) - For many Americans, colder weather means seasonal decorations and holiday baking - but if you're one of those who set out gourds and holly or cookies for Santa, you might be opening your home to some unwanted guests.

"Mice, rodents, spiders and other pests find their way into homes by hiding in boxes of holiday decorations that have been stored in attics, basements and garages since last season," says Missy Henriksen, vice president of public affairs for the National Pest Management Association (NPMA). "They create homes in these undisturbed items and then find new places to infest once these boxes are moved into family living quarters."

The holiday season may also bring out pantry pests, which make themselves at home in pantry foods like flour, cereal, dry pasta, spices, nuts and dried fruit, as well as in decorations made from dried flowers and potpourri. The most common pantry pests are beetles, ants, weevils and Indian meal moths.

So, what can you do to deter unwelcome holiday guests? The NPMA offers the following tips:

- **Store seasonal decorations in airtight containers.** Items like dried foliage, potpourri and Indian corn should be carefully stored in the off-season. Keep them in a dry environment, such as a closet or office, and unpack them outside.
- **Inspect fresh decorations before you bring them indoors.**

You might have more than ornaments in your Christmas tree.

Look over wreaths, Christmas trees and garlands to make sure you're not bringing insects into your home.

- **Store food properly.** All food should be stored in plastic or glass containers with sealed lids. Keep cabinets, pantries and countertops clean and free of crumbs.
- **Examine pantry items before you use them.** Check packages before you bring them home from the store. Never buy any item that appears damaged. Throw out expired ingredients. If you have any ingredients that haven't been used in the past year, inspect them before use.

If you do find pests, contact a pest professional. They will know the best way to treat an infestation. For more information on preventing pests from crashing your home this holiday season or to find a licensed pest professional, visit www.pestworld.org.

Safety

What Colors Best Fit Your Personality?

(NU) - You often hear that you should match your home's design to your personality and interests, but few color swatches come with names like "Reads Paranormal Romance Novels," "Hikes on Week-ends" or "Gleek."

To help you figure out what color palettes will best suit your personality, Mohawk Flooring (www.mohawkflooring.com) provides the following quiz:

Not sure what colors show the true you?

What Is Your Design Personality?
