Community Closet presents check to Stratford Education Foundation

Dinah Horsford, representing The Stratford Education Foundation, received a check from The Community Closet recently in the amount of \$1000. The Education Foundation is working toward a \$25,000 "challenge". It seems that "challenges" are a popular thing right now. An anonymous donor has challenged the Education Foundation Board to raise \$25,000 before December 31, 2014, in order to earn a matching \$25,000 from the donor. The Foundation is making a concentrated effort to meet this challenge, thus the large donation from The Community Closet. Many needs are met through the Foundation. Stratford ISD students receive not only an excellent education attending SISD, but "above and beyond" is provided through the Foundation. The Thrift Store is happy to be a part of supporting the SEF. Again, the Thrift Store is proud to announce with this donation, over \$30,000 has been donated back to Stratford organizations in only two years. If you would like to be a part of this group as a volunteer, The Community Closet can certainly use your help for any part of a day.... Tuesday, Wednesday, Thursday from 10:00 until 4:00. You will receive a blessing and have a great time with some other great people.

Patriot Day held Sept. 11th in honor of 9/11

The Whale of a Sale a success.

The Imagination Station had a successful "Whale of a Sale" thanks to those contributions of items and to the customers that purchased treasures. The amount raised will just about cover the cost of the double door repair!!! Items remaining are to be disbursed to other not for profits.

EMT CLASS IS COMING --

Hear Ye. Hear Ye. Let it be known to all that Stratford EMS is preparing for an EMT-Basic class this coming fall. Our ambulance staff is dreadfully low on personnel at this time due to some folks moving out of the area and others who have taken full-time jobs which severely limits run time. A volunteer ambulance service can only function the way it should if we have ample volunteers. Our group may be small in number but I would put them up against ANY group, anywhere --- we just need more of a good thing. That's right, WE NEED YOU!!!! Sorta liken to the Army --- we are looking for a few good men (and women) who are willing to step up to the plate and proudly serve the medical needs of our community. WE need you. The COMMUNITY needs you.

Usually this class would cost \$500 - \$600 out of pocket, but we are very fortunate to have secured a TEEX grant wherein the students will only be out about \$175 which will be reimbursed to the students who successfully complete the class, become certified, and run with the Stratford EMS for a year or so. The class begins on October 20, 2014 and will run through February 25, 2015 with ample time off for Thanksgiving and Christmas/New Year's. The class will be held at the Stratford ambulance building on Monday and Wednesday nights from 6:00 PM - 10:00 PM. In addition to the classroom hours, students will be required to make 5 ambulance runs and work 32 hours in a neighboring hospital's E.R.

Stratford EMS is referred to as a "paid-volunteer" service which means our certified volunteers are paid a nominal salary for being on "first" or "second" call plus a little additional for each run they complete. You certainly will never get rich off the EMS income, but it does add up to a nice little supplement each month. Plus --- you get a free EMS coat and a few free EMS shirts. But you will feel rich because of the satisfaction you receive from knowing you have just helped a member of our community.

If you are a-thinkin' that you are just too busy and do not have time for such things, rest assured --- YOU are exactly the type of person we are after. Motivated people = good volunteer help on the service. So, please, I ask you to SERIOUSLY consider taking the EMT class and deciding (after giving it a fair chance) if this is for you or not. You just might be surprised.

Step up to the plate and give back to your community. WE NEED YOU.

Let Jimmy, Larry, or any EMS volunteer know that you are interested. And ... spread the word.

Firefighters attend Class in Dalhart

Rudy Salazar, Dennis Mace, Matt Whittington, Corey Naugle, Justin Lanning, Danny Davis and Scott Hudson-Shown above recently attended a three day Extrinsication Class in Dalhart. On August 22, 23 and 24th the Dalhart Volunteer Fire Department hosted a three day Extrinsication Class. Seven members from the Stratford Fire Department completed the Tech 1 & 2 Extrinsication course. The twenty hour class consisted of Live operations involving packaging, treating, and removing victims injured and/or trapped in vehicles and/or machinery in accordance with NFPA1670. Course objectives included Vehicle safety, Scene Safety, PPE Safety, Air Bag Safety, and Hands-on Expectations. TNT advanced rescue systems and TEEXS (Texas A&M Engineering Extension Service) hosted and instructed the course. There were 48 students and 4 instructors from all over Texas & New Mexico. Mrs. Everett celebrated her 50th birthday Monday. She was given a purple necklace with the number "50" on it to wear for the day.

The school board toured classrooms on Tuesday morning following their board meeting.

Friday was the end of the third week of the first six weeks. Grades will be sent out next week.

The first junior high pep rally was Thursday. The junior high cheerleaders are Remie Seward, Lilibeth Ibarra, Xenia Franco, Eiyelene Mendoza, Brenda Portillo, Janeht Bravo,

Toni Lopez, Kenlee McBryde, Annahi Ruiz, and Lilia Traylor. Their sponsors are Cindy Seward and Terri Keener.

The FCCLA will have a coffee bar on Wednesday, September 24th from 8:00 to 8:15 in the main hallway. The cost will be announced later.

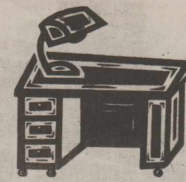

FCCLA will also offer breakfast burritos for \$3 Wednesday, October 8th from 8:00 to 8:15 in the main hallway. Profit of both sales will go to the FCCLA Scholarship fund.

The student council is selling lollipops in assorted flavors for \$.50 until supplies are gone. Daring students may want to try the mystery flavored lollipops.

All senior girls were given applications this week for Lions Club Queen.

In remembrance of 9-11 the fire alarm was sounded at 9:28 on Thursday morning. (The time the second tower fell on that fateful day) to signal students outdoors where they observed several moments of silence before being led in the Pledge of Allegiance by Desinya Garza. Levi Springer sang the National Anthem acapella before the students returned silently to class. Students and teachers wore red, white, and blue to show patriotism.

September 19th is the last day to apply for the ACT test which will be given in Stratford October 25th. The test will not be given again in Stratford until April. Students should see Mrs. Garza for applications.

From the Desk of Sheriff Powell

(Our local Dairy Queen is collecting cash or your loose change to benefit "No Kid Hungry." They have challenged local law enforcement against our local EMS & Fire to see which organization can raise the most before the last day of September. In the end, it's the kids that win, so our office is in!! We will place ajar in dispatch. Feel free to stop by & DQ will also be offering some ice cream specials as well.)

For those who don't know, my career in law enforcement, prior to entering the management side back in 2008, has been centered around D.W.I. Detection and Enforcement. In fact, I have taught D.W.I. Detection and Standardized Field Sobriety Testing for years now as well as lead the D.W.I. Enforcement Division in Benton County, Arkansas from 2001-2007. I'd like to offer to any of our local organizations or clubs, my time to share some educational information about what we look for when the vehicle is in motion, what we look for once the vehicle is stopped, and how we administer the Standardized Field Sobriety Tests laid out by NHTSA (National Highway Traffic Safety Administration) and what cues an individual must display in order to be arrested and charged with D.W.I.

This Saturday, September 20th, is Thank A Police Officer Day. If you see your City Officers, State Officers, or County Deputies, thank them for their service to all of us.

Finally, I will be singing for our fine citizens at Coldwater Manor this Thursday evening. I just want to thank them for the invite and I hope they will enjoy. We love our seniors!

Constitutional Amendments Special Election November 4, 2014

Proposition Number 1 (SJR 1)

SJR 1 would authorize the transfer of certain money from the general revenue fund to the state highway fund and the economic stabilization fund. Money transferred to the state highway fund may be used solely for the construction, maintenance and acquisition of rights-of-way for public roadways.

The proposed amendment will

appear on the ballot as follows: "The constitutional amendment providing for the use and dedication of certain money transferred to the state highway fund to assist in the completion of transportation construction, maintenance, and rehabilitation projects, not to include toll roads."

Pursuit of happiness- Mental, Physical, Spiritual

With all of life's problems, how can one have internal contentment? Paul explains in Philippians 4:12 that he knew what it was like to have barely enough (abased) and what it was like to have plenty (abound). He had to learn the secret of being content in every situation. His joy came from within. In his heart he knew God was always with him, looking out for his well-being. He didn't upset his peace of mind with worry over how much or how little he had. My own spiritual awakening to the peace of contentment began with the realization that LIVING a happy life didn't come from external stimuli but resulted from an internal state of being content. For me, finding contentment began with honest and sincere soul searching—a serious introspection into the hidden recesses of my heart and mind. I began this self-examination by listing everything I thought was making me miserable. A few things were at the root of my sadness and depression. There were family issues and finances. I was obese with a poor self-image and low self-esteem. And my life lacked meaning. Clearly, I needed God's intervention to pull me from the brink of suicide. He sent someone to me who listened to my story of despondency and not only invited me to church, but came by my house for me on Sunday morning. The minister prayed with me and I started to regularly attend church. I accepted Christ as my savior and with his guidance, gradually peeled back the layers of life's disappointments threatening to suffocate me.

This would be no easy journey from hopelessness to happiness. I separated my list of grievances into three categories. Family problems weighed heavily on my MIND. Obesity was a BODY issue. A life without purpose made me poor in SPIRIT. Obviously there were things on my list I could not change. But I made a firm commitment to change the things I could. It became a daily habit to present to God my issues of MIND, BODY, and SPIRIT. It seemed to bring relief just making a daily listing of all the things on my mind. These are things that I used to pile in a worry box and carry around in my head. I made a daily plan for my body to exercise and eat healthy. For healing in my spirit, I scheduled time for reading God's word and praying. I call this my pursuit of happiness through days of purpose (DOP). I try to live each day on purpose or with purpose. My daily purpose is putting God first.

Making God the center of my life is simple. But KEEPING God at the center of my life is NOT easy. It is a daily struggle. God is separating me from the love of those things that give temporary happiness but lead to permanent wailing and gnashing of teeth. "Love not the world, neither the things that are in the world. If any man loves the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof; but he that doeth the will of God abideth forever." (1 John 2:15-17 KJV). I make a conscious effort to save my deepest passion for Christ and not separate myself from the love of popular culture. I seek not to be mesmerized by the stars of Hollywood or rock star. I reject the godless lifestyles presented in books, movies, television and other media. I refuse fanaticism that worships any person or thing. I refrain from deliberate violation of godly principles or making lifestyle choices that pull me away from the love of God. This is my Pursuit of happiness through Days of Purpose (DOP). Meditation: How do I live a life of contentment?

NOTICE OF APPLICATION AND PRELIMINARY DECISION FOR AN AIR QUALITY STANDARD PERMIT FOR CONCRETE BATCH PLANT REGISTRATION

PROPOSED REGISTRATION NUMBER: 93620L002

APPLICATION AND PRELIMINARY DECISION. Bobby Thompson, P.O. Box 825, Gruver, Texas 79040-0825, has applied to the Texas Commission on Environmental Quality (TCEQ) for an Air Quality Standard Permit for a Concrete Batch Plant Registration Number 93620L002, which would authorize construction of a temporary concrete batch plant under Title 30 Texas Administrative Code § 116.611 (30 TAC § 116.611) located approximately 0.5 miles west of County Road 3, 1.0 mile north of the intersection of County Road 3 and Purnell Avenue and 2.75 miles west of Stratford, Sherman County, Texas 79084. This application was submitted to the TCEQ on July 17, 2014. The proposed facility will emit the following air contaminants: particulate matter including (but not limited to) aggregate, cement, road dust, and particulate matter with diameters of 10 microns or less and 2.5 microns or less.

The executive director has completed the technical review of the application and determined that the application meets all of the requirements of a Standard Permit authorized by 30 TAC § 116.611 which would establish the conditions under which the facility must operate. The executive director has made a preliminary decision to issue the registration because it meets all rules and regulations. The permit application, executive director's preliminary decision, and standard permit will be available for viewing and copying at the TCEQ central office, the TCEQ Amarillo regional office, and the Sherman County Library, 719 North Main Street, Stratford, Sherman County, Texas, beginning the first day of publication of this notice. The facility's compliance file, if any exists, is available for public review at the TCEQ Amarillo Regional Office, 3918 Canyon Dr, Amarillo, Texas.

PUBLIC COMMENT/PUBLIC MEETING. You may submit public comments or request a public meeting about this application. The purpose of a public meeting is to provide the opportunity to submit comment or to ask questions about the application. The TCEQ will hold a public meeting if the executive director determines that there is a significant degree of public interest in the application or if requested by a local legislator. A public meeting is not a contested case hearing. You may submit additional written public comments within 30 days of the date of newspaper publication of this notice in the manner set forth in the AGENCY CONTACTS AND INFORMATION paragraph below.

RESPONSE TO COMMENTS AND EXECUTIVE DIRECTOR ACTION. After the deadline for public comments, the executive director will consider the comments and prepare a response to all relevant and material or significant public comments. Because no timely hearing requests have been received, after preparing the response to comments, the executive director may then issue final approval of the application. The response to comments, along with the executive director's decision on the application will be mailed to everyone who submitted public comments or is on a mailing list for this application, and will be posted electronically to the Commissioners Integrated Database (CID).

INFORMATION AVAILABLE ONLINE. When they become available, the executive director's response to comments and the final decision on this application will be accessible through the Commission's Web site at www.tceq.texas.gov/assets/public/hb610/index.html?lat=36.355277&lng=102.143333&zoom=13&type=r Once you have access to the CID using the above link, enter the registration number for this application which is provided at the top of this notice. This link to an electronic map of the site or facility's general location is provided as a public courtesy and not part of the application or notice. For exact location, refer to application. <http://www.tceq.texas.gov/assets/public/hb610/index.html?lat=36.355277&lng=102.143333&zoom=13&type=r>.

MAILING LIST. You may ask to be placed on a mailing-list to obtain additional information on this application by sending a request to the Office of the Chief Clerk at the address below.

AGENCY CONTACTS AND INFORMATION. Public comments and requests must be submitted either electronically at www.tceq.texas.gov/about/comments.html, or in writing to the Texas Commission on Environmental Quality, Office of the Chief Clerk, MC-105, P.O. Box 13087, Austin, Texas 78711-3087. If you communicate with the TCEQ electronically, please be aware that your email address, like your physical mailing address, will become part of the agency's public record. For more information about this permit application or the permitting process, please call the Public Education Program toll free at 1-800-687-4040. Si desea información en Español, puede llamar al 1-800-687-4040.

Further information may also be obtained from Bobby Thompson at the address stated above or by calling Mr. Shane Self, P.E., Enviro-Ag Engineering, Inc. at (806) 350-5456.
