### Haskell County Farm Bureau Is Sponsoring Students To Seminar

#### AA's To Hold 'Big One' Here Sunday Afternoon

A "Round-Robin" meeting of the "AA's" will be held in Haskell Sunday afternoon, August 8, from 1:00 until 4:30 p. m., at the AA Center located two blocks east and two blocks south of the square.

Central Group of Lubbock, will be in charge of the program, with chairmen Lawrence S., Breckenridge, and Bill R., of Cisco.

A spokesman for the organization announced there would be "plenty of good eats", and visitors are welcome.

### Paint Creek School Sets Opening Date

Supt. H. P. Morrison announced this week that everything is in readiness for the opening of Paint Creek School.

On Thursday, August 19, at 9:00 a. m., a faculty orientation will be held and registration of students will be held Monday, August 23, at 9:30 a. m. Classes will begin Tuesday, August 24, at 8:45 a. m.

Faculty is complete with the exception of a first grade teacher and that position will probably be filled this week, Morrison said.

Teacher placements are as follows: H. P. Morrison, supt., health, driver education and girls coach; J. R. Miekler, high school principal, boys coach and social studies; V. P. Morrison, Jr. high school coach and science; W. L. Medford, vocational agriculture; W. D. Gibbs, math and chemistry; Mrs. W. L. Medford, English and typing; Mrs. M. B. Powell, vocational homemaking and junior high English; Mrs. W. C. Taylor, 6th grade; Mrs. Lilla Heflin, 4th and 5th grade; Mrs. J. R. Miekler, second and third grade.

All new students, grade 9 through 12, will register August 19, at 1:00 p. m.

Board of Education includes Ira Coleman, president; M. E. Overton, secretary; R. V. Enles, Walter Buerger, A. B. McLennan, Homer Lavengood and J. R. Perry.

### Knox City Man Injured In Car Wreck

A one-car accident Tuesday night sent Woody Royce Screws, 45, oil field worker of Knox City to Haskell County Hospital, and demolished the 1963 Pontiac he was driving.

Patrolman Jesse Priest, investigating officer, said Screws' car was rolled when he failed to make the curve near the City Auto Salvage just outside the north city limits of Haskell. The accident occurred around 8:30 p. m.

At press time, Screws was reported to be undergoing checks, but his injuries were thought to be minor.

### Rainfall For 1965 Totals 17.56 Inches

Although rainfall for Haskell was below normal during July, with only 1.10 inches gauged by Sam Herren, "The Weatherman," the overall precipitation to date for the year is running above normal, according to figures released this week.

Normal precipitation for July is 2.38. Up to August 1 of this year, Haskell had received a total of 17.56 inches, with normal rainfall to this date, 14.31.

A look at those figures reveals that Haskell is 3.25 inches above normal, to August 1, 1965.

Lowest temperature reading for July was a cool 58 on Friday, July 30. The temperature climbed to 103 degrees on July 10.

Here is how the "rains came" during July: 1.06, July 15, and .04, July 28, for a total of 1.10 for the month.

### Double-Header "Kicks-Off" Senior Baseball Tournament

The Senior District Teen-Age Baseball Tournament got off to a flying start Friday night with a double-header.

In the first game of the series which got underway at 5:30 p. m., Petersburg downed Floydada 9 to 8, in a game which had to go extra innings.

At 8:00 p. m., the Haskell Indians thumped the Post Antelopes 4 to 2.

**Floydada-Petersburg**  
Bonner of Floydada, started off at the first with a good single. Beardson followed by an error and Campbell walked. West doubled, bringing in two scores. DeLeon and Hill both scored on by errors and two men scored from the errors.

Petersburg came back in the bottom of the first. Weems singled, Fox was hit and Givers got on by an error, bringing in a run. Rhodes walked, bringing in another run.

Floydada gained two more runs at top of the second inning. Beardson and Southerland both singled, bringing in the two runs.

Petersburg added two more scores when Fox doubled.

Floydada is in the game again, with Beardson's triple, bringing in a run.

During the bottom of the fourth, Petersburg came up with two runs. At the top of the seventh inning, Floydada came up with only one run.

Things began to happen for Petersburg in the bottom of the seventh. They made two scores

**Haskell Indians vs. Post Antelopes**  
Post took a one-run lead in the bottom of the first. Lantrop bunted, bringing in Ayola for the run.

At the top of the third, Haskell took a one-run lead. Josslet singled, bringing in Chapman for the tying run. Hise also singled, bringing in Josslet for the one-run lead.

There was a lot of excitement during the fifth inning when Johnson, of Post, was coming in for home and ran into the catcher, knocking him unconscious for awhile. This gave Post the tying run.

Haskell took a two-run lead after Alvarez got a sizzling double, bringing in Turnbow and Hise.

Both teams played a very good ball game.

**Wednesday night at 5:30,** Floydada tackled Post. At 8:30, the Haskell Indians were pitted against Petersburg. The Free Press had "gone to bed" prior

### Riding Club Wins First At Brownwood

The Haskell County Sheriff's Posse just keeps rolling along, as they won another first place at Brownwood Thursday in competing against 15 other clubs, O. L. Crouch, president, announced.

May took second place and San Angelo third at Brownwood. With the exception of the trip to Albuquerque, New Mexico last year, more people viewed the Brownwood parade and rodeo than any other we have competed in, Crouch said.

Only 10 riders made the trek to Brownwood, but it was enough to "ride away" with top honors.

The Haskell club this season has made eight trips to compete for riding club honors, and have won seven first places and one third place.

The club won first at Rotar; first at Mineral Wells; third at Vernon; first at Jacksboro; first at Aspermont; first at Plainview; first at Snyder and first at Brownwood.

The riding club will be in Odessa Wednesday, August 18, for the parade and grand entry. The group will spend the night there and then will go to Roby Thursday, August 19, for the parade at 5:00 p. m., and that night will set pivots.

"Proxy" Crouch said the club had also received an invitation to set pivots at the Grigham rodeo on the 18, 19 and 20th of August.

### Church of God Revival Services Begin Sunday

Rev. R. D. King, pastor, announced that Revival services will begin Sunday night, August 8, at the Church of God, Throckmorton Highway, and will continue for one week and possibly longer.

Rev. Raymond Jackson of Burk Burnett will be the visiting evangelist. Invitation is extended everyone to attend.

### Revival Services In Progress At Church of Christ

With Roy Deaver, former minister here, delivering the messages, and Robert Speer leading the singing, revival services are in progress at the local Church of Christ.

Week-day services are being held at 7:00 a. m. and 7:30 p. m., with Sunday services at 10:30 a. m. and 6:30 p. m.

Large crowds have been attending the revival services which began last Sunday and will continue through Sunday, August 8. Invitation is extended everyone to attend.

It's "Hey-Day" time in Haskell once again!

Tonight, Thursday, August 5, activities for Haskell County's Third Annual "Hey-Day" celebration will officially get underway at 8:00 at the Texas Theatre, with the crowning of "Miss Hey-Day" to reign over the 3-day event.

Sixty-four Haskell County beauties will vie for "Miss Hey-Day" and an out-of-town panel will judge tonight's queen pageant.

Pictures of the young ladies to appear in tonight's pageant, and their sponsors have been published in the Free Press, and all indications point to a packed-house for the opening activities.

The new Queen will be crowned by the out-going queen, Mrs. Johnny Mathews, nee Suzy Redwine. Royce Adkins, District Attorney, will serve as Master of Ceremonies. Opal Adkins and Veta Furrh are the steering committee for the queen, and Little Miss Hey-Day pageants.

Mrs. Curtis Logsdon, Mrs. Betty Hughes of Abilene and Glenn Shelton, of Wichita Falls, will judge the Queen's Pageant.

**Little Miss Hey-Day**  
Friday night, August 6th, at 8:00, a "Little Miss Hey-Day" will be crowned at Rice Springs Park swimming pool. Pictures of the 34 Little Miss Hey-Day aspirants, and names of their sponsors have appeared in the Free Press. Judges for this event include Mrs. Ernest L. Horton and Mrs. Don Combs of Monday, and Mr. Philip Colehour, of Knox City.

The Little Miss Hey-Day Pageant is a new feature of this year's activities, and it too, is expected to draw a large crowd.

**Waggoner Carr Coming**  
Another highlight of Hey-Day activities will be an address by Attorney General Waggoner Carr at 7:00 p. m. Saturday at Rice Springs Park. The Attorney General will also be present for the Bar-B-Que at 5:30 p. m.

**The Scholars**  
Another added feature of this year's "Hey-Day" will be the appearance of Charles Pike and The Scholars, of Abilene, recording group, at 7:30 p. m., Saturday at Rice Springs Park.

The group have been together two years and started with talent shows at Woodson High, Abilene, where Charles Pike and Beverly Neil graduated this year. Laverne and Brenda Pike are now seniors at Woodson.

Recently a new record has been cut featuring Pike in "What Do You Do," and features Laverne and Beverly on the flip side in "Unlucky In Love." These two originals, written by Pike have been a leader on Abilene stations, as well as a sell-out in the local vicinity.

**Other Activities**  
On Saturday afternoon, the Fun Festival at Rice Springs Park will get underway at 2:00 and the railroad depot museum will be open to the public to view antiques.

The fiddlers' contest, fun festival contest, barbecue, a square dance, an address by Attorney General Waggoner Carr, and other activities are on the agenda Saturday afternoon, with activities to begin at 2:00 p. m. and continue on through the afternoon and evening.

**Rural Telephone Project To Be Completed Soon**  
Telephone service to more than 30 families will be established by a rural project now underway by the General Telephone Company of the Southwest. The project is scheduled to be completed by August 20, 1965. The new subscribers live in the Irby, Mattson and Paint Creek communities.

F. A. Robinette, district manager at Seymour, stated that buried cable is being placed in these areas and would be used to replace some existing pole lines already in place as well as to provide service to new applicants.

**Flea Market!**  
The Retail Committee of the Chamber of Commerce is sponsoring a "Flea Market" in Haskell, Tuesday, August 17, in connection with Dollar Day.

What is a Flea Market? Just about the most fun you ever had shopping. Be ready to join in the fun. More details next week.

### HASKELL REDSKINS CHAMPS JUNIOR TEEN-AGE TOURNNEY

Junior District Teen-Age Baseball Tournament closed Wednesday night, with the Haskell Redskins downing the Post Antelopes 7-4 for the title, and the right as a representative to the state meet report.

In the tourney from Wednesday night through Saturday night, the Redskins beat the Post Antelopes, 8-0. The Redskins took a one-run lead in the bottom of the first. Greer hit a double into left field, bringing in Everett for the run. In the fourth inning for the Post Antelopes, Barnet walked, then bled out at second, after a powerful hit, sending Everett to the state meet.

### Season Football Tickets To Go On Sale Monday

Hooper T. Wilkinson announced just before press time that season football tickets for Haskell High School Indian games, will go on sale Monday, August 16, at his office.

Last year's season ticket purchasers will have one week to pick-up their tickets. After that time all tickets will be released, Wilkinson said.

### Second Sunday Singing Slated

The regular second Sunday singing will be held August 8, at 2:00 p. m. at the Central Baptist Church.

Clyde Williams announced that the new convention books are on hand. An invitation is extended everyone to be present Sunday afternoon for some good gospel singing and fellowship.

**BACK FROM N. M.**  
Mr. and Mrs. P. G. Kendrix have returned from a trip to Asteo, New Mexico.

## WAGES AND WORTH

Many well-meaning people, on admirable humanitarian ground, favor the current proposal to extend the federal minimum wage to some 4.6 million workers, largely engaged in retail trades and other service enterprises, who are now exempt. The trouble is that this way of attacking the low earnings problem has a grave and built-in defect. Experience has proven that there is a definite relationship between the steady increase in the minimum wage and its expanding coverage and the high unemployment among young people and others who have little or no experience or skill. Employers, operating in a highly competitive climate, have no choice but to hire as few marginal workers as is possible. The trend toward mechanization is accelerated. Thus many of those whom the wage is designed to benefit are penalized instead.

There are alternatives which offer far brighter prospects than any arbitrary wage requirement which takes no account of a worker's value to an enterprise. One is to raise the productivity of the unemployed and of youth through training and re-training. Another lies in government policies which will provide maximum support to business expansion. Then wages, along with profits and employment, will rise, too.

No law can change the fact that a worker's wage is dependent on his worth as a producer.

## GUIDING THE SCALPEL

It may be the protracted and often bitter controversy over opposed means of providing medical services to the elderly has obscured, in many minds, the most important element of all.

The World Medical Journal says this: "The patient does not want to see a hospital; he wants to see a doctor. In an authoritarian system without professional freedom, the doctor will be identified with authority and the immature patient will lapse into permanent dependency. He cannot regain his independence... unless his doctor also has independence."

There is no relationship quite like that of the doctor and the patient in a system of free medicine. The association is a voluntary one. It has its base in confidence and competence. The physician's duty is to his patient and to no one else. No bureaucrat tells him what he can and cannot do, what he can and cannot prescribe for the condition he finds. All his skills and knowledge are devoted to seeking a cure and prolonging life and health.

In an authorization system, whether it be called socialized medicine or anything else, this relationship inevitably suffers, and badly. The hands of the politicians and the bureaucrats are, so to speak, guiding the scalpel. The standards of care inevitably decline. And that subtle but vital element of which the Journal speaks, independence, is lost.

Whatever laws are passed, now and in years to come, the battle to maintain our traditional doctor-patient relationship must never stop.

## FARM SAFETY MEANS SUCCESS

That old phrase, "Oh, for the peace and quiet of the country," is probably used often in today's busy world, but a second look might show that the farm isn't always so peaceful.

One sure way to convince yourself it isn't is to take a long look at the accident toll: an estimated 8,600 deaths and 780,000 injuries to farm residents last year, according to the National Safety Council.

Sounds a little incredible? Well, it's not. Each day many farmers work in the fields or in the barn, and suddenly somehow, sometime during the workday are injured or killed. Not only can an injury disrupt one or two workdays, but a permanent injury or death can totally change an entire farm or farm family.

The farm picture is constantly changing. With new machinery, chemicals and methods, it is a challenge to learn how to utilize them all safely. Unless you carry this new knowledge through in everyday practice, you are not fulfilling your responsibility to yourself and your family. You might, for example, know everything about a machine, but allow a boy barely able to reach the controls to handle a tractor.

What can safe farming mean to you? Success.

## Haskell County History

### 80 YEARS AGO (August 1, 1885)

Several cases of smallpox have been reported to the city and county authorities in the county, and prevention is now being taken by physicians to halt any spread of the disease.

Slightly over \$600,000 was poured into the pocketbooks of Haskell County farmers from various government cotton projects and through corn-hog contracts.

Matt Graham, county superintendent, returned from College Station Tuesday night, after a two-weeks stay, and while there met several Haskell County people who are attending the annual short course.

Mrs. Jim Crawford has been officially appointed secretary-treasurer of the Haskell Cemetery Association.

Following weeks of planning, an application for a government PWA grant has been made at Rochester for an addition to the present high school building by the board of trustees.

Mrs. Giles Kemp, who underwent an operation in the Stamford Sanitarium the first of the week, was returned to her home in an ambulance from the Kinney Funeral Home.

Mrs. C. C. Abernathy spent last week in Rochester with her parents.

Sunday morning, July 28, Miss Lorene Wright, daughter of Mr. and Mrs. J. L. Wright and J. L. Mapes, son of Mr. and Mrs. Tom Mapes, were united in marriage at Rule.

Miss Virginia Pittman and M. R. Smith Jr. were united in marriage at Anson, June 29. Mrs. Smith is the daughter of Mr. and Mrs. Rile Pittman of this city. Mr. Smith is the son of Mr. M. R. Smith Sr., also of Haskell. The young couple will make their home in Haskell.

With the line-up shaken-up, in more ways than one, the Haskell Braves will invade the lair of the Munday Moguls next Sunday.

### 40 YEARS AGO (July 31, 1925)

Fred T. Sanders, W. A. Duncan, J. A. Gilstrap, J. C. McKinney, W. M. Harrell and Jim Haygood attended the Ginners' Convention at Abilene last Friday.

City Superintendent Haynes Hambleton with a large crew of men, began work on a new water well for the city Thursday morning. This well is located southwest of the West Texas Utilities Company office a few hundred feet back from the south side of the square.

A. L. Bland and sons, R. H. Highnote, Donald Easterling and father, spent Wednesday night fishing on the creek. They report a good time and lots of fish.

C. R. Cook and family left early Sunday morning for a visit with relatives at San Saba and other Texas cities.

Word reached Haskell Friday afternoon that Proctor No. 1 being drilled and owned by Adams & Moody, of Fort Worth and Galveston, was producing oil and gas in abundance, and oil showing on the drill tools.

J. M. Crawford, who some time ago purchased a half interest in the Fred Sanders Gin of this city, was here with his family Thursday for the purpose of securing a house and moving to Haskell at an early date. Mr. Crawford has bought cotton in the city for several years, and is now preparing to make this city his future home. The entire city extends to Mr. Crawford and family a hearty welcome.

Mrs. H. C. Arbuckle and little sons, Herbert Jr., and Bertran, returned Wednesday from

Boulder, Colorado, where they have been for the past few weeks for the benefit of little Bertran's health.

Mrs. Sarah Scott has returned home from a trip to the coast.

Mrs. J. E. Bernard was hostess to the Thursday Bridge Club.

Ernest Sanders is visiting friends in Georgetown.

W. P. Key and family are vacationing on the south plains.

### 60 YEARS AGO (August 5, 1905)

We saw an apple the other day brought by Mr. T. E. Bowman from the orchard of Mr. Mel Lowery, who resides about 16 miles north of Haskell, that measured 12 inches in circumference. The apple was well formed and appeared to be good in every way. The opinion prevails that apples will not do well in this section and there has been but little effort to grow them, but if such apples as this one from Mr. Lowery's place can be grown here, the prevailing opinion must undergo a change.

Mr. J. W. Reeves, late of Gaines County, has purchased a farm 13 miles west of town.

Mr. S. M. Pierson, president of the Haskell National Bank, has sold his farm and ranch place of 1,280 acres, situated five or six miles south of town, to Mr. J. M. Abbott of Seguin, Texas, for \$17,000.

F. G. Alexander is now in Chicago selecting fall stock, which will eclipse anything ever shown in Haskell. Adv.

I have put in a Hubbard Portable Oven and will bake daily, bread, pies, cakes and light rolls. S. C. Donohoo.

The country is full of prospectors and quite a few of them are buying land.

The Commissioner's Court will hold regular term, beginning Monday.

A meeting will be held in the courthouse Monday night to perfect the arrangements for the barbecue on the 18th. All citizens are requested to attend.

Mr. C. D. Grissom has returned from his prospecting trip through the Northwest, which he extended to Seattle on the Pacific Coast. Haskell County beats any county he saw, he thinks.

I.O.O.F. Haskell Lodge No. 825 meets every Thursday evening: Ed Ellis, N. G.; J. T. Killingsworth, V. G.; Walter Meadors, secretary.

Miss May Fields returned on Monday from Abilene where she attended a teachers' summer normal school.

## Decker Receives Early Promotion; Completes Basic

James L. Decker, son of Mr. and Mrs. James E. Decker, 106 N. First St., Haskell, received an early promotion to Army pay grade private E-2 following successful completion of basic combat training at Fort Polk, La., July 17.

Decker was awarded the promotion two months earlier than is customary because of his proficiency in firing the M-14 rifle, his high score on the physical combat proficiency test and his military bearing and leadership capabilities.

The early promotion program is the result of a new Department of the Army policy to recognize and provide incentive to outstanding trainees.

The 21-year-old soldier attended Haskell High School.

The Dress Revue was held last Friday night in the Legion building here.

Fouts Family Reunion Held Here Sunday

A reunion of the descendants of the late Mr. and Mrs. William Skiles Fouts was held on Sunday, August 1, 1965, in the American Legion Hall in Haskell. The reunion is held annually the first Sunday in August.

Wilton Davis led the group in singing "Blest Be the Tie That Binds," and Edith Chambers gave the blessing for the food. Each family brought a basket lunch. Following the meal, everyone enjoyed visiting during the afternoon. Ed-dye and Wilton Davis sang sev-

eral songs with Judy Anderson at the piano.

Newly-elected officers for reunion are: President, Bill Fouts; vice president, Ed Fouts; secretary, Mrs. Mildred Chambers; reporter, Mrs. Harold R. Spain.

Mr. and Mrs. Fouts were pioneer settlers of the Sayles community, coming to this area from Erath County in the early part of the century. They were parents of eight children, six sons and two daughters. Those still living are: John, Jim and Ed Fouts of Haskell, and Charlie Fouts of Corpus Christi. The deceased are: Arthur, Owen, Mrs. Maude Dotson and Mrs. Stella Guinn.

Those present Sunday were: J. O. Tanner, Aubrey Fouts, Mrs. Mildred Chambers, Eddie, Edith, Anella and Sheila Kay, all of Rule. Mr. and Mrs. Wilton O. Davis, Dana, Deon and Danice of Dallas; Bill Greider, of Arlington; Mr. and Mrs. Bob Morris from Denton; Mr. and Mrs. Paul Simms and Sidney of Arlington; and Mr. and Mrs. Bill Lee, Linda and Billy, of Wichita Falls.

Delores Jan Raynes and Ronnie Stewart Wedding Vows Read Friday, July 30

Delores Jan Raynes and Ronnie C. Stewart exchanged wedding vows Friday, July 30, at 7:00 p. m., in the Weinert Baptist Church. The Rev. Carter Tucker, former pastor and now pastor of the Union Church of Eldorado, Arkansas, officiated at the double-ring ceremony.

Parents of the couple are

Mr. and Mrs. R. W. Raynes and Mr. and Mrs. J. N. Stewart Jr., of Weinert.

Church decorations were baskets of orchid gladioli, an arch of greenery and white carnations and standing candelabra with white tapers.

Mrs. R. C. Liles was organist and Mrs. Carter Tucker, soloist. Maid of honor was Dorothy Ann Raynes, twin sister of the bride.

Candlelighters were Danny Stewart, brother of the groom and Larry Caddell, of Weinert, who also served as ushers.

Groomsmen were Roy Glen Stewart, of Knox City, uncle of the groom, and Dale Carroll, of Weinert, served as best man.

Given in marriage by her father, the bride wore a dress of white taffeta and Chantilly lace, floor length, scooped neckline, fitted bodice, cap sleeves, accented with a bow at the back waistline. A matching lace crown held the elbow length veil of illusion. Bride's flowers were an orchid in a nest of white carnations.

The groom's attendants will be Don Cook of Stamford, best man; Butch Cook of Abilene, Danny Cook of Stamford, and Tommy Nierdieck of Sagerton.

Suzanne Nance of Stamford will be the organist and Gene Franke of Abilene will be the soloist. Other attendants will be Melissa Nierdieck, flower girl, and Kraig Kupatt, ring bearer, and Roy Nierdieck and Kenny Cook, candlelighters.

The ceremony will be performed August 14, at 5:00 p. m., at St. Paul's Lutheran Church in Sagerton. All friends of the couple are invited.

Attendants For Nierdieck-Cook Rites Announced

Attendants for the marriage of Joy Nierdieck of Sagerton, and Thomas Cook of Ft. Worth, have been announced. Mrs. Michael Sann of Seguin will be the matron of honor, and the bridesmaids will be Carol Stolle of Post, Nancy Vahlenkamp, of Old Glory, and Vicki Morton, sister of the groom, of Stamford.

The groom's attendants will be Don Cook of Stamford, best man; Butch Cook of Abilene, Danny Cook of Stamford, and Tommy Nierdieck of Sagerton.

Suzanne Nance of Stamford will be the organist and Gene Franke of Abilene will be the soloist. Other attendants will be Melissa Nierdieck, flower girl, and Kraig Kupatt, ring bearer, and Roy Nierdieck and Kenny Cook, candlelighters.

The ceremony will be performed August 14, at 5:00 p. m., at St. Paul's Lutheran Church in Sagerton. All friends of the couple are invited.

Reid-King Wedding Date Is Announced

Mr. and Mrs. J. L. Reid Jr., of Rochester, announce the engagement and approaching marriage of their daughter, Janice Lynn, to Mr. Donnie King, son of Rev. and Mrs. Raymond King of Haskell.

The couple will be married Saturday, August 21, at 8:00 p. m., in the Assembly of God Church in Haskell, with the Rev. Thural B. Reid, officiating.

The bride-elect is a 1965 graduate of Rochester High School. The prospective bridegroom attended Memphis High School and is employed by General Telephone Company of Seymour.

**The Good Earth**  
 by MRS. B. F. COBB

Mr. A. C. Boggs has raised swiss chard this year that is over knee high and still very tender and tasty. His flowers have been beautiful all summer, but crepe myrtles are his pride and joy. The flower heads are very large and showy.

Mr. Boggs' vegetable garden has kept his family and many friends in tasty tidbits all summer.

Mrs. C. T. Jones has an old-fashioned garden of zinnias, marigolds, touch-me-nots, petunias, geraniums and roses. Large healthy chrysanthemums promise a beautiful display for this fall.

Watermelon red crepe myrtles are so loaded with flowers they can be seen for a great distance.

Mrs. Jones cuts the dead flowers from her crepe myrtles. This assures her of an almost continuous round of blossoms.

Tiny marigolds border the Jones' flower beds.

A sticky fungus invaded the large marigolds and Mrs. Jones had to destroy some of them, but not before they had produced some very large blossoms. There are 3 different shades of orange marigolds. The zinnias are large and outstanding.

Now is the time to put seed potatoes into the soil for a fall crop. We planted small ones from our spring digging. We will plant pinto beans and blackeye peas tomorrow. The Lord willing.

We plan to sow seed of turnips, radishes, mustard, korabi, swiss chard, collards and cabbage the 20th of this month.

Last year we planted Wakefield cabbage in August and had small firm heads to eat during January, February and early March. Fresh, green cabbage has a taste all its own and is hard to beat for greens.

We have raised some very large juicy cantaloupe and watermelon this year, but it seems we are not the only ones who eat watermelons. We had coyotes for uninvited guests three times this week. All together they have destroyed 5 large watermelons and 1 cantaloupe. We are not the only ones entertaining coyotes with watermelon feasts. Several people have complained about these intruders destroying their melons. I put baling wire over our largest melons, running the wire through jar rings so they will jingle. So far, the coyotes haven't gone beyond the wires.

If you drive out toward the lake, do not fail to notice the Glenn Merchant's flower garden. Maggie has really made their yard into a gardener's paradise.

Dr. Gertrude Robinson has once more landscaped her yard in a very tasteful manner. Dahlias, coxcomb, tiny marigold, fuschia colored geraniums and many colored caladiums catch the eye of her callers as well as those who attend the Church of Christ. Often, ohs and ahs are heard on Sunday morning when some garden and flower lover spies Dr. Robinson's yard.

The garden reflects Dr. Robinson's warm, friendly personality.

**Final Rites Held Monday For Mrs. Cobb**

Services for Mrs. Marvin Cobb, 78, a resident of Haskell County since 1902, was held at 2:30 p. m. Monday from the First Baptist Church with Rev. Ray Nobles, Rev. Earl Evans and Rev. Ken Neeley, officiating.

Burial was in Willow Cemetery under the direction of Holden Funeral Home.

Mrs. Cobb was born January 22, 1887, at Fort Griffin, Texas, and was married to Marvin Cobb, who survives, on Dec. 22, 1906, at Wolfe Creek Ranch. The Cobbs resided in Lueders, Texas.

Mrs. Cobb was the daughter of the late Mr. and Mrs. John W. Newcomb.

Survivors, in addition to her husband, include a daughter, Mrs. Burl Bunkley of Altus, Okla.; a son, Gen. of Haskell; a sister, Mrs. Letta Chandler, of Gainesville, Texas; three grandchildren and five great-grandchildren.

Pallbearers were Jay Newcomb, Doyle Newcomb, William Chandler, Brooks Middleton, Gentry Middleton, S. G. Cobb, R. C. Cobb and E. J. Stewart.

**Rotarians Hear Facts About Criminal Law**

Bill Ratliff spoke to members of the Rotary Club at the Thursday noon-day luncheon meeting held in the dining room of Felker's Restaurant.

Dr. T. W. Williams was program chairman for the day and introduced the speaker.

Ratliff gave a very informative talk on the new criminal law recently passed by the legislature and pointed out the changes, and the fact that this was the first time that complete revisions had been made in the criminal law.

In the absence of president, H. V. Woodard, the meeting was presided over by vice-president, Alvin Sherman.

Ferrell Coston lead the group singing, and Tom Barfield gave the invocation.

Ira Hester gave a resume of Rotary information to the 22 members present for Thursday's session.

**Jody And Brenda Boone Named To Membership AHA**

Brenda and Jody Boone, of Weintert, have been named to junior membership in the American Hereford Association, the world's largest purebred registry organization, with headquarters in Kansas City, Missouri.

Sixty-four junior Hereford breeders were placed on the Association's official roster during June. The Association maintains active accounts for more than 60,000 breeders of registered Herefords over the nation.

The Hereford Association, during the last fiscal year, recorded 493,160 purebred calves. The year's total recordings were the seventh highest on record and almost twice the combined registrations of other major beef breeds.

**Sister of David Persons Dies At Houston**

Final rites were held Monday afternoon, August 2, for Mrs. Eleanor Persons Butterfield, 67, from the First Baptist Church of the Spring Branch Community, Houston, with her pastor, officiating.

Mrs. Butterfield, a longtime and loyal member of the First Baptist Church, Spring Branch community, and a sister of David H. Persons, of Haskell, passed away, Saturday, July 31, in a Houston hospital, following a lengthy illness.

Interment was in Oak View Cemetery, Houston, with Waltrip Funeral Home in charge.

Survivors include her husband, Henry Butterfield; one sister, Mrs. Sallie Persons Marshall, Houston; four brothers, James T. of Corpus Christi, David H. of Haskell, Robert H. of Austin and Thomas K., of Dallas, and a number of nieces and nephews.

Mr. and Mrs. Persons, of Haskell, attended funeral services.

**Texas School Districts Subject To Requirements**

Texas school districts which have been accepted under Title VI of the Civil Rights Act of 1964, as complying under the provisions of the Act, are hereby notified that these districts are now subject to the following requirements:

- Continued provision of services and other benefits under Federally assisted programs on a non-discriminatory basis as set forth in the Civil Rights Act of 1964.
- Periodic reviews by the staff of the Texas Federation of Education Agencies to ascertain and assure that practices are in conformity with the terms of the Act, the regulations of the U. S. Commissioner of Education, and the school district's Assurance of Compliance or plan of desegregation.
- The rights of citizens to file a complaint with the Texas Education and Welfare, or both, if they believe that discrimination on the ground of race, color and national origin is being practiced.

Procedure for Receiving and Evaluating Complaints: Under Texas law, any person or parties aggrieved with the action or decision of any board of trustees or board of education may appeal in writing to the State Commissioner of Education who is required to examine such an appeal and render a judgment upon it. This responsibility is discharged by the State Commissioner of Education as follows:

- Complaints may be in the form of a formal proceeding with a formal hearing. The appeal may be taken from the State Commissioner to the State Board of Education and then to the Courts.
- Complaints may be filed informally, requesting the State Commissioner to follow up and to secure action on an informal basis.

Complaints arising in connection with the Civil Rights Act of 1964 may be filed formally or informally as the complainant desires. If the complaint is filed formally, the regular procedure for such complaints will be followed. If the complainant files informally, the complaint will be assigned to a member of the Agency staff who will ascertain the facts, discuss the complaint with local school officials, and attempt to secure correction if such is needed. The staff member will report to the State Commissioner who will evaluate the complaint. A copy of each complaint received, as well as information on its disposition, will be transmitted to the U. S. Commissioner of Education or his designated representative.

This letter, J. W. Edgar, Commissioner of Education says, will serve as notice to the general public as well as local school districts in regard to the rights of citizens under the Civil Rights Act of 1964. Copies of this letter are being given general circulation.

**Publishing of The Proposed Amendments Is Underway**

Beginning September 7, Texas voters will vote on 27 proposed amendments to the Texas Constitution in three separate elections.

On Tuesday, Sept. 7, 1965, voters will consider only one proposed constitutional amendment: whether State Senate membership will be increased from its present 31 members to 39 members.

Two other elections will be Nov. 2, 1965, and Nov. 8, 1966, the general election.

The Haskell Free Press is publishing the complete texts of three of the 10 proposed amendments which will be voted on November 2.

The three amendments printed are:

HJR No. 11 which proposes to authorize loans to students at institutions of higher education by creating the Texas Opportunity Plan Fund.

HJR No. 81 which proposes expansion of state welfare medical programs in order to qualify for federal aid for medical care for indigent, aged, blind, dependent children and disabled persons.

SJR No. 24 which proposes to raise the amount of ad valorem taxes allocated for higher education.

**Other Proposals**

Other amendments to be voted on Nov. 2, 1965, are:

SJR No. 14, which proposes to provide a four-year term for the governor, lieutenant governor, attorney general, comptroller of public accounts, treasurer, commissioner of the General Land Office, and certain statutory state officers.

HJR No. 5, which proposes to increase the amount of bonds that may be issued by the Veterans' Land Board to \$400-million.

HJR No. 8, which proposes to raise the salaries of the lieutenant governor and Speaker of the House of Representatives and for increasing the daily expense allowances of legislators while in session.

Whether to broaden the field in which the school teacher retirement fund may be invested.

Whether to increase the terms of the House of Representative members from two years to four years, starting in 1967.

Whether to allow establishment of mandatory retirement of judges at age 75, with the authorization that the legislature could set the age at 70 if it wished. This proposal also would provide authorization for removal of judges when they are unable to carry out their duties.

Whether to allow certain hospitals to be exempt from ad valorem taxes in Houston. This pertains only to Houston.

**Voting in 1966**

On Nov. 8, 1965, voters will decide:

Whether to change the date on which House of Representatives members begin their terms to the second Tuesday after the first Monday of each odd-numbered year. State senators currently begin their terms on that date, but house members may be sworn into office as soon as general election returns are canvassed.

Whether to repeal the poll tax as a requirement for voting in Texas, and to allow the legislature to establish a new voter registration system.

Whether to allow men residents of Texas to vote for president and vice president before they establish eligibility for Texas citizenship.

**Aid to Victims**

Whether to allow the legis-

### Trinity Baptist Vacation Bible School Dates Set

Vacation Bible School will begin Monday, August 9 and will continue through Friday, August 13, at the Trinity Baptist Church, Rev. Kenneth Blair announced.

Bible study, handicraft and worship will be held daily during the week from 9:00 a. m. until 11:30 a. m.

Invitation is extended all boys and girls of the community to attend.

### Sixty Attend 4-H Girls Camp Here

Approximately sixty 4-Hers and adult leaders attended the annual Haskell County 4-H girls camp last Thursday, July 29, announced Mrs. Barbara Marsee Elliott, County Home Demonstration Agent. The camp was held at the American Legion building, from 9:30 to 3:30 p. m., Debbie Campbell, Susan Weise, Mary Yates and Martha Chambers, who attended the District 4-H Leadership Camp in Leuders June 14-16, were in charge of recreation and activities held throughout the day.

Miss Sandra Mathison of Weinert, who is working on a State Degree in Home Economics, gave a demonstration on table-settings which included settings for occasions, place setting, service and centerpieces. Miss Rubye Rainey, who is also working on a state degree also gave a demonstration on table etiquette. A style show, consisting of 19 girls, was given by 4-Hers from Mattson, Weinert and Paint Creek. A picnic lunch was served in Rice Springs Park.

The theme of the camp being, "Making A Better You," Mrs. Nadine Middleton of Nadine's Fabric, Haskell, gave an interesting talk about clothing construction, and Mrs. Christine Green of Christine's Beauty Salon, Haskell, gave instructions on the proper care of hair, nails and make-up. Miss Mary Yates and Miss Evelyn Mayfield, who also are working on a state degree in Home Economics, gave a demonstration on good grooming and a skit entitled "Streamline Your Body."

A relaxer of swimming and ice cream concluded the camp day.

### TAX MAN SAM SEZ

The Dallas District Office for Internal Revenue reports an unusual letter from the mountain of mail that came in on April 15. The envelope was marked "Opened and Censored by the Post Worth Jail." The taxpayer said, "I'm sorer than you are that I won't be able to file my tax return on time this year. I'll file when I get out of jail."

The good tax folks will probably accept your late filing as a reason for delay if you are already in jail. Otherwise, it will probably pay to keep on filing on time.

### CHRISTIAN SCIENCE SERVICES FOR AUGUST 8

The protecting influence of God in the life of the Apostle Paul will be brought out in the Bible lesson at Christian Science church services this Sunday. The subject is "Spirit" and the responsive reading will include this statement from Paul's first letter to the Corinthians: "The manifestation of the Spirit is given to every man to profit withal."

A central theme of the service will be presented in these lines from the Christian Science textbook "The history of Christianity furnishes sublime proofs of the supporting influence and protecting power bestowed on man by his heavenly Father, omnipotent Mind, who gives man faith and understanding whereby to defend himself, not only from temptation, but from bodily suffering." (Science and Health with Key to the Scriptures by Mary Baker Eddy, p. 387).

## Are You Being Misled About Beef?

By F. W. Martin, Co. Agent

Beef is plentiful and likely will remain a favorite with the consuming public, however, it will be necessary to adapt new ways of attractively merchandising beef and not mislead the consumer. A false impression is frequently gained when reading about live animal production or per capita consumption. It is not uncommon for production or range management data to be expressed in terms of pounds of beef per acre.

For example, one may read where a certain grass made 300 pounds of beef per acre. What this actually means is live weight per acre. But to those who are consuming the "actual product" the concept is misleading.

Another common error is made when expressing rate of gain. Too many people believe that the carcass actually increased in weight by as much as four pounds per day. This added live weight is partially fill and not entirely carcass beef. It may be that, new, more realistic terms would be of value to the industry if our product is to keep pace with the times.

Per capita consumption data, too, are misleading. Consequently the information presented may help the reader to interpret these common mis-statements.

People of the United States consumed an equivalent of 174.8 pounds (live weight based on carcass weight) beef per capita, in 1964, while the consumption on a carcass weight (60% dressing) was 104.9 pounds (U. S. D. A. consumption data). When this poundage is converted to lean on a separable basis (48% of carcass weight) the consumption now becomes 50.4 pounds per capita. Since meat

is not eaten until after it is cooked and assuming an average cooking loss of 26 per cent, the consumption figure becomes 37.3 pounds.

From a nutritional point of view, beef is consumed for its protein. Reports indicate that 30% of the cooked lean weight is protein, then we obtain only 11.2 pounds of protein per capita from beef. This is way short of the annual need.

The normal active male, in a temperate climate, should receive 70 grams of protein per day. Similarly a normal active female should receive 58 grams of protein per day. The annual requirement for men and women is 25,550 grams (56.3 lbs.) and 21,170 grams (46.6 pounds).

On the average then, people of the United States receive approximately 5,084.8 grams (11.2 pounds) of the needed protein from beef. This is about 20% of the annual protein requirement. We could well afford to increase the per capita consumption of beef on this basis alone.

When the protein supplied from beef, pork and lamb are combined, one only receives 29.8% of the total annual need. It is rather enlightening to note that a considerable quantity of protein must be obtained from fish, poultry products, dairy products, fruit, vegetables and cereals. In fact the remaining need comes from these sources.

With record numbers of cattle on feed and more ready to go on feed than ever before, everybody connected with the beef industry may well be concerned with new ways to move this huge supply of "beef" into the consumer channels without further loss of the good image of a sizzling, juicy, beefy flavored steak.

Benjamin Franklin, 200 years ago, devised the first bifocal lens, explaining he was tired of carrying two pairs of spectacles.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows:

"Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section.

(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, including Junior Colleges, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe.

(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and un-

paid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors. Income from such investment shall be used for the purposes prescribed by the Legislature.

(e) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution.

(f) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such acts shall not be void because of their anticipatory nature."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan.  
"AGAINST the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

## PUBLIC NOTICE

### Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 81 proposing an Amendment to the Constitution of the State of Texas, amending Section 51-a and Subsections 51-a-1 and 51-a-2 of Article III so that the same shall consist of one section to be known as Section 51-a;

providing that the Legislature shall enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy aged persons over the age of sixty-five (65) who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least 25 years, needy persons under the age of sixty-five (65) who are totally and permanently disabled and who are citizens of the United States, needy blind persons over the age of eighteen (18) who are citizens of the United States, and needy children under the age of twenty-one (21) years who are citizens of the United States and to the caretakers of such children; providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care; and for the payment of assistance to and/or medical care for, and for rehabilitation and other services for:

"(1) Needy aged persons who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years and are over the age of sixty-five (65) years;

"(2) Needy individuals who are citizens of the United States who shall have passed their sixteenth (16th) birthday but have not passed their sixty-fifth (65th) birthday and who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps;

"(3) Needy blind persons who are citizens of the United States and who are over the age of eighteen (18) years;

"(4) Needy children who are citizens of the United States and who are under the age of twenty-one (21) years, and to the caretakers of such children.

"The Legislature may define the residence requirements, if any, for participation in these programs.

"The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, and in providing rehabilitation and any other ser-

vices included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any individual recipient shall not exceed the amount that is matchable out of Federal funds; provided that the total amount of such assistance payments and/or medical assistance payments out of State funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate Federal statutes as they now are or as they may be amended, to the extent that Federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy persons; and provided further that the total amount of money to be expended per fiscal year out of State funds for assistance payments only to recipients of Old Age Assistance, Aid to the Permanently and Totally Disabled, Aid to the Blind, and Aid to Families with Dependent Children shall never exceed Sixty Million Dollars (\$60,000,000).

"Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the Laws of this State."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for assistance to and/or medical care for the: (1) needy aged; (2) needy individuals who are permanently and totally disabled; (3) needy blind; and (4) needy children and the caretakers of such children; authorizing the Legislature to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of such needy persons, and in providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes, and to make appropriations out of State funds for the purpose of providing **PUBLIC NOTICE**  
**Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**  
Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:  
"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.  
"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings or other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100.00) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.  
"The following state institutions then in existence shall be eligible to receive funds raised from said Ten Cent (10¢) tax levy for the twelve-year period beginning January 1, 1966, and for the succeeding ten-year period:  
Arlington State College at Arlington  
Texas Technological College at Lubbock  
North Texas State University at Denton  
Lamar State College of Technology at Beaumont  
Texas College of Arts and Industries at Kingsville  
Texas Woman's University at Denton  
Texas Southern University at Houston  
Midwestern University at Wichita Falls  
University of Houston at Houston  
Pan American College at Edinburg  
East Texas State College at Commerce  
Sam Houston State Teachers College at Huntsville  
Southwest Texas State College at San Marcos  
West Texas State University at Canyon

Stephen F. Austin State College at Nacogdoches  
Sul Ross State College at Alpine  
Angelo State College at San Angelo  
"Eighty-five per cent (85%) of such funds shall be allocated by the Comptroller of Public Accounts of the State of Texas on June 1, 1966, and fifteen per cent (15%) of such funds shall be allocated by said Comptroller on June 1, 1972, based on the following determinations:  
"(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.  
"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).  
"(3) All of the funds allocated on June 1, 1966, shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of fifty per cent (50%) of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.  
"Not later than June first of the beginning year of each succeeding ten-year period the Comptroller of Public Accounts of the State of Texas shall reallocate eighty-five per cent (85%) of the funds to be derived from said Ten Cent (10¢) ad valorem tax for said ten-year period and not later than June first of the sixth year of each succeeding ten-year period said Comptroller shall reallocate fifteen per cent (15%) of such funds to the eligible state institutions then in existence based on determinations for the said ten-year period that are similar to the determinations used in allocating funds during the twelve-year period beginning January 1, 1966, except that enrollment projections for succeeding ten-year periods will be from the fall semester of the first year to the fall semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ten Cent (10¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall be self-enacting. It shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution.  
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1965, at which election all ballots shall have printed thereon:  
"FOR the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping buildings and other permanent improvements at certain state institutions of higher learning."  
"AGAINST the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping buildings and other permanent improvements at certain state institutions of higher learning."  
Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Want to pick-up a few extra bucks? Here's how to do it...

POOLOSOPHY: A homely figure in a Bikini may have a handsome figure in the bank...

Since "Hey-Day" is a time of reminiscing... here are a few facts about the early-day "Free Press" which readers perhaps will enjoy.

The first few issues of the Haskell Free Press, beginning January 1, 1886, were printed at Throckmorton, with Oscar Martin as editor and business manager.

H. C. Leonard, the printer, would take the manuscript to Throckmorton, print the paper and bring the edition to Haskell on Fridays for distribution, taking the manuscript back with him for the next issue.

In April of that year, H. B. Martin was returning from the Reynolds ranch near Fort Griffin and was overtaken by Mr. Leonard, who was traveling in a two-horse buggy loaded with printing material...

With only a short-tail full of

type, ranging in sizes from 16 1/2 to 18 point and two or three fonts of display type, but not a font in the shop made on the point system...

Sometimes Paint Creek would go on a rampage and the ready-print would be delayed; then the paper would have to use up all the manila wrapping paper in town to print the paper...

Once, when a small cyclone blew the printing office away, Hec A. McEchin sent a radiogram to the Free Press by cowboy dispatch offering to print the paper until the damage was repaired...

The press was a seven-column George Washington, with all of the collapsible features. In 1890, the Free Press culled the old shop and purchased new material.

About that time real progress began to happen in all West Texas, and Mr. Martin took time out to go to school and review McGuffey's Fourth Reader.

In a letter, yellowed with age, written by H. B. Martin many years ago to the Free Press, he had this to say: "In apology for the seeming plagiarism, let me say that such philosophers as Bill Nye and Eli Perkins have extolled the merits of McGuffey's Readers, and I have often wondered how Milton, Dickens and Shakespeare have survived without Noah Webster's Blue Back Speller...

As early as 1886, Friday, the publication day of the Haskell Free Press had become a red-letter day in Haskell, because it was the day on which the mail arrived from Albany...

words: "The Haskell Free Press has sailed as many rough seas as the Good Ship Bounty ever encountered, and has behind it many years of service to its community. There has been a number of changes in the management, but it has never had a captain at the masthead who would scuttle the ship."

## Haskell Redskins (Continued from Page 1)

Thursday night. Rose and Gilliland saw action on the mound for Floydada. Flores and Henderson hurled for Lockney.

### Friday Night Warriors vs. Floydada

The Haskell Warriors took a four-run lead in the first inning and went on to win 12 to 2. Felker and Stark walked and Everett singled into left field to load the bases. Floydada's left fielder made an error, bringing in Felker and Everett. Cornelius tapped one, bringing in Stark. The next batter flied into left field and Bartley tagged up for the fourth run of the inning. At the top of the second, Wester, of Floydada, tripled into deep right field to lead things off. Craig, followed with a single bringing in Wester for their first run. They loaded the bases but couldn't finish with more than one run for the inning.

The Warriors came up with three more runs at the bottom of the third. Bartley led off by the first baseman error and stole second. Cornelius singled bringing in Bartley for one run. Patterson made it to second and Cornelius to third. Floydada's catcher missed a passed ball and Cornelius stole home for another run. Ivy came up and lined a hard one to short stop, but was too hot to handle, and Patterson came in for the third run.

Floydada got another run in the fourth inning. Barbee lead off with a good double into deep left field. Pernell helped his team by getting a good single and bringing in Barbee for the run.

In the top of the fifth, Floydada again loaded the bases, but just couldn't pull through. The Warriors made their last five runs in the sixth inning. Everett lead off with a good double. Stark and Greer both singled, bringing in Everett. Bartley walked to load the bases. Cornelius doubled to unload the bases to achieve the five runs of the inning.

Paul Cornelius batted four for four and gave the Warriors six RBIs. Douglas Bartley pitched a fine ball game.

### Saturday Night Warriors vs. Redskins

Two very fine ball clubs, the Haskell Warriors and the Haskell Redskins, clashed Saturday night for the final game of the District Tournament. The Warriors had beaten Stamford in a shut-out game, 8-0, then won over Floydada Friday night 13-2, to earn their berth in the finals. The Redskins beat Hamlin 5-2 to reach the final game.

The Warriors took a one-run lead in the first inning. Felker singled into center and Greer singled, bringing in Felker for the run.

The Redskins broke the Warriors' lead. Martinez singled, bringing in Stone for one run. The Warriors made errors, giving Martinez an easy ride home.

Warriors take one lead again. Ivy started with a single. Everett followed with an unbelievable home run over left field fence. Herren came in on an error. Ratliff doubled, bringing in Josselyn. Stone came up with a good triple, bringing in Ratliff.

During the sixth, the Redskins made another run. Wiseman grounded to second baseman, bringing in Rye.

Pitching for Warriors were Bartley and Lott; for the Redskins, Scott and Martinez. Managers for the Redskins were Frank Jirek, Raymond Bennett and Charles Chapman. For the Warriors, Kenneth Felker and T. C. Patterson. Both teams accepted trophies for first and second place in the District.

## Haskell Gun Club Holds Monthly Shoot

The Haskell Gun Club held the regular monthly ATA shoot here Sunday afternoon, August 1st.

Class A was won by John Guitard, of Abilene, with a perfect score of 100x100.

Class B was taken by Lynn Mathis, of Abilene, with a 96x100. Marvin Sprain, of Abilene, was the class C winner with a 97x100.

The Handicap event was taken by Wallace Wooten from the 22 1/2 yard line, with a 99x100. Runner-up was won by Troy Boykin of Childress with a 95x100.

Haskell's crack shot, Rootin' Tootin' Shootin' Wallace Wooten captured the Doubles event with a 96x100. Class B went to W. J. Boykin of Childress with an 84x100 and Class C to Boykin of Childress with a 91x100.

The high overall event of the total of 300 birds shot singles handicap and doubles, was taken by Wooten, the highest score ever shot at the club... which was one bird better than his previous record of 294x300.

One hundred straight gun Guitard a string of 350 targets shot from the 16-yard line with 350 broken. Guitard recently had gone 200 straight at Amarillo on July 24 and broke 50 more straight to win the shoot-off for class AA. This 100 straight at Haskell gave Guitard 350-200-50 straight.

Wooten broke 220 straight at Cortez, Colo., 25 more in a "shoot-off"... 25 more at Abilene for a total of 250 straight, when he broke 50 straight here Sunday. He dropped his 301st bird to finish with a 349x350.

Two new Abilene shooters showed-up at the Gun Club, Barbara Polk and Lynn Mathis. Wooten said that Class B was really in trouble when Mathis broke his first 75 targets straight, and appeared for awhile as if he were going to break them all. He dropped 3 targets in his last 25 to finish with a 96x100.

## Haskell Little Leaguers Bow Out To Olney

Olney, on a home run by Danny Stump in the seventh inning, downed Haskell in eight innings, 5-4, to win the District 6 Little League title at Iowa Park Saturday night.

The victory put Olney in the sectional tournament at Dumas. The Haskell Little Leaguers had pinned a 5-1 trimming on Iowa Park Friday night to advance to Saturday's finals of the playoffs.

## Firemen Answer Call To Hotel Parking Lot

A trash fire, which got out of control last Thursday afternoon, for a while threatened an automobile and an old frame garage just back of the Haskell Hotel, 102 South Avenue E.

Firemen answered the call around 5:45 p. m., and soon had everything under control, with little or no damage.

Stanley Furrh, who was keeping a vigilant eye over the trash fire, said sparks ignited grass and weeds and the blaze ate its way to the back-end of the garage.

A car belonging to Otis Mathews was parked inside the garage, but quick-thinking Furrh moved the vehicle to safety.

## Jim Smith Presents Lions Club Program

Jim Smith, a Haskell High School freshman, presented the program at the Tuesday noon-day Lions luncheon meeting, held in the dining room at Felker's Restaurant. Bill Reeves was in charge of the program.

Young Smith gave several humorous skits but the "take-off" on "Flying Saucers" seemed to be the crowd pleaser.

Chamber of Commerce Manager Luther Walker, gave a short outline of "Hey-Day" activities coming up this weekend.

Lions secretary, Harold Spain, reported on the directors meeting held Tuesday morning.

Wallace Cox Jr., was appointed song leader, replacing W. L. Henry, who had asked to be relieved of that position, and Ronnie Malone was named a director, replacing Travis Smith, who has moved to Abilene.

Robert Carress was introduced as a new member, and Mrs. Ruby Smith as a visitor at Tuesday's meeting.

## Paint Creek Bapt. Church Revival Begins Sunday

Revival services will begin Sunday, August 5, and will continue through August 15, at the Paint Creek Baptist Church.

Evangelist for the week-long meeting will be Rev. Bill Erwin, pastor of the Central Avenue Baptist Church in Hamlin. Music will be led by Rev. Kenneth Leverett, pastor of the Fairview Baptist Church in Hamlin.

Morning services will be held at 10:00 a. m. each day with prayer meeting at 7:30 p. m., and evening services at 8:00. Everyone is invited to attend.

## Malone Accepts Place At Holden Funeral Home

David Ray Malone, a resident of Haskell for the past year and one-half, has been employed by Holden Funeral Home and assumed his duties Tuesday of last week.

Malone will serve as ambulance driver and assist where needed.

He attended Haskell High School last year, and is the son of Rev. and Mrs. S. M. Malone. His father is pastor of the Assembly of God Church, Haskell.

Malone was married July 24, 1965, to Linda Gail Reid, the daughter of Mr. and Mrs. J. L. Reid, Jr., of Rochester.

## Haskell County History Book Now On Sale

A 211-page book, "Haskell County History," written by R. E. Sherrill and published by the Haskell Free Press for the Haskell County Historical Society, is now on sale here.

The hard-back cover book is "chock-full" of Haskell County history and every resident of the county should have one in their library.

The book may be purchased for \$5.00 at M&F Pharmacy, Haskell Pharmacy, Oates Drug, or the Modern News Stand.

Next Saturday, August 7, during Hey-Day activities the book may be purchased at the Depot Museum.

## GET A TEXAS-SIZE DEAL ON A PLYMOUTH BELVEDERE

Plymouth sales in Texas are booming!

With Plymouth sales going up, up and up, your Plymouth Dealer is in a generous mood. He wants to keep his Plymouth sales rolling along so he's giving good deals to one and all. You can own a '65 Plymouth Belvedere, the big buy in the intermediate field, for a lot less than you think. And every Plymouth has a 5-year/50,000-mile engine and drive train warranty\*.

So why wait? Come in for a Texas-size deal on a Plymouth Belvedere this week!

\*Here's how Plymouth's 5-year/50,000-mile engine and drive train warranty protects you! Chrysler Corporation confidently warrants all of the following vital parts of its 1965 cars for 5 years or 50,000 miles, whichever comes first, during which time any such parts that prove defective in material and workmanship will be replaced or repaired at a Chrysler Motors Corporation Authorized Dealer's place of business without charge for such parts or labor: engine block, head and internal parts, intake manifold, water pump, transmission case and internal parts (excepting manual clutch), torque converter, drive shaft, universal joints, rear axle and differential and rear wheel bearings. Required maintenance: The following maintenance services are required under the warranty—change engine oil every 3 months or 4,000 miles, whichever comes first; replace oil filter every second oil change; clean carburetor and filter every 6 months and replace it every 2 years; and every 6 months furnish evidence of the required service to a Chrysler Motors Corporation Authorized Dealer and request him to certify receipt of such evidence and your car's mileage. Simple enough for such important protection.
