## Congrats to the Big Blue Band

The SHS Big Blue Band competed at Area Marching Contest on Saturday, October 24, 2015 at 2 p.m. and made it to the final round at 8 p.m., but were not chosen to advance to the State round of competition. Congratulations on a great marching season Big Blue Band!

**Weather update from Greg Wright**  
As of Sunday night October 25<sup>th</sup> the official NWS rain gauge at my house was 29.21 inches of rain. Wow what a difference a year makes. More rain to come this coming weekend. On another note, my forecast that I do with the onion has predicted every month right to this point. 3 month outlook is wet and I am predicting a snowy winter.

## Farmers to Receive Documentation

**Local Offices Issue Receipts for Services Provided**  
(Stratford, TX), October 14, 2015 - U.S. Department of Agriculture (USDA) Farm Service Agency (FSA) State Executive Director Rebecca Lowe reminds agricultural producers that FSA provides a receipt to customers who request or receive assistance or information on FSA programs.  
"If you visit our office, you'll receive documentation of services requested and provided," said Lowe. "It's part of our mission to provide enhanced customer service for producers. From December through June, FSA issued more than 327,000 electronic receipts."  
The 2014 Farm Bill requires a receipt to be issued for any agricultural program assistance requested from FSA, the National Resources Conservation Service (NRCS) and Rural Development (RD). Receipts include the date, summary of the visit and any agricultural information, program and/or loan assistance provided to an individual or entity.  
In some cases, a form or document - such as a completed and signed program enrollment form - serve as the customer receipt instead of a printed or electronic receipt. A service is any information, program or loan assistance provided whether through a visit, email, fax or letter.  
Today's announcement was made possible through the 2014 Farm Bill. The Farm Bill builds on historic economic gains in rural America over the past six years, while achieving meaningful reform and billions of dollars in savings for the taxpayer. Since enactment, USDA has made significant progress to implement each provision of this critical legislation, including providing disaster relief to farmers and ranchers; strengthening risk management tools; expanding access to rural credit; funding critical research; establishing innovative public-private conservation partnerships; developing new markets for rural-made products; and investing in infrastructure, housing and community facilities to help improve quality of life in rural America. For more information, visit [www.usda.gov/farmbill](http://www.usda.gov/farmbill). To learn more about FSA, visit [www.fsa.usda.gov](http://www.fsa.usda.gov) or to find your local USDA office, visit [htlix/offices.usda.gov](http://htlix/offices.usda.gov).

### Hometown Hero Awarded

Bill Mires of Stratford was honored as a Hometown Hero on October 20, 2015 by Modern Woodmen's Stratford Chapter for his countless hours dedicated to the kids of Stratford. Bill was honored because he works year after year with all of the Elk and future Elk athletes, both boys and girls alike. It is truly amazing how many kids have to go to "Bill's" in the summer, on weekends and even after a day of classes and school workouts. He helps them with different training routines making them be the best they can be. In recognition of his all his hard work, members of Modern Woodmen's Stratford Chapter presented him with a certificate and awarded a \$100 grant to the Stratford Patriots, the charitable organization of his choice.

"Improving the quality of life for our members, their families and their communities is Modern Woodmen's mission", says Laurie Spurlock, Activities Coordinator. "The Hometown Heroes Program helps us acknowledge and thank volunteers across the county for doing just that." Annually, Modern Woodmen and its members provide more than \$23 million and nearly 1 million volunteer hours for community projects nationwide.

Congratulations Bill Mires on a job well done!

Pictured are Walt Berry, Stratford's Modern Woodmen Representative and Kay Mires, wife of Bill Mires, who accepted the award in his absence.

I am running for Stratford City Council.  
I would greatly appreciate your vote.  
My family & I have enjoyed living in this  
community since moving here in January 2011.  
I am a positive, hardworking person. I can see  
where my abilities can help and serve this  
community. When asked for my opinion or to  
make a decision I use the basic principle of  
"do unto others as you would have  
them do unto you"  
When you make decisions based on this  
principle you tend to make good decisions  
Again, I would appreciate your vote  
Thank you

More economical!

Differences between electric and hydraulic-driven systems

Electric driven systems are more economical and efficient. They require less maintenance and are easier to install. They also have a longer life span and are more reliable. They are also safer and more environmentally friendly. They are also more cost-effective and have a lower operating cost. They are also more versatile and can be used in a wide range of applications. They are also more compact and easier to transport. They are also more energy-efficient and have a lower carbon footprint. They are also more durable and have a longer life span. They are also more reliable and have a lower failure rate. They are also more versatile and can be used in a wide range of applications. They are also more compact and easier to transport. ## Time out with Rog:

The sun did come up Saturday morning, the birds were chirping and the grass was still green at Sam Bass Stadium. The Stratford Elks got beat by that team from Hemphill Co. 31-6. Well boys I hoped we learned a few things and let's build on the loss! That's all I will say about that game and that team from Hemphill Co. I did appreciate the enthusiasm and the strong backing our fans showed!!!! This week we travel to Oldham Co. and play the Ranch. After our loss you know the Ranch will be gunning for us! So let's all meet at the old town side of Tascosa for a Stratford Elk Victory!!!! This reporter would like to say he is 0-1 at pep talks and is the most losingest pep talk giver in pep talk giving history. Pep talk-ism. After Friday night's game we know we need an oil change so Monday let's change our oil filter and oil and let's get ready to the drive to the State Championship. Let's all pray for Kathy Carpenter. Thank you Lord for the rain. Once an Elk always an Elk.

Roger Malon Allen  
 Class of 1981

P.S. chins up and chest out! ELK Pride!
