Shoe Boxes For Christmas

Some thoughts by missionary, Katie Garrett

Best Gifts: for any boy mini soccer ball or deflated ball with pump and you can forget about anything else; Brand new nice short sleeved shirt with no writing or pictures (would want to wear something you did not know what it said or meant?); good quality melamine plate, bowl and or cup; soap and plastic covered soap dish (when you bathe standing on a big rock in the dirt, you really need a soap holder); toothbrush in a toothbrush holder: for all school age- Pencils, erasers, colored pencils and sharpeners. For 10-14 good quality pens in black, red, green and blue.(all are required for school and ones from America last much longer) Small flashlight with batteries(most families don't have electricity so working flashlight is gold).

Great Gifts: Jump ropes, Band-Aids; Hard candy and gum; Comb; hair elastics or head bands; marbles; harmonica; socks; light brown skin baby doll with no hair; toy car, truck, airplane with bigger wheels that work well in dirt; simple watch; solar calculator; Sunglasses; Socks. Not so good: anything with instructions in English or not universally recognizable; Yo-yos (don't know what it is); Play dough(whot is it for) Stuffed Animals(animals carry meanings and can frighten children); Stickers or temporary tattoos.

Approach filling a shoebox like you would approach picking out a gift for a friend's child.

Aim For Success

Parent Program

Date: **Tuesday, November 17 Time: 7:00 pm**

Place: **Stratford High School Library**

Student Program

Date: **Wednesday, November 18**

Grade levels: **7-12 grades**

Aim for Success, Inc., will be presenting their nationally acclaimed *Freedom to Succeed* program to the students and parents of Stratford ISD. The Aim For Success motivational programs have educated over two million teens, parents and educators across America since 1993 on topics such as sex, drugs and bullying.

The *Freedom to Succeed* program discusses legal reasons why to choose abstinence. "While society strives to remove sexual boundaries," said Marilyn Morris, President of Aim For Success, "state and federal laws are still enforced. These laws exist to protect potential victims of sexual crimes, and punish those who break the law. Either way, young people need to know the law."

The Parent Program is a preview of the student presentation where parents will learn creative ways to talk openly with their children about sex and encourage them to avoid sexual activity until marriage. "This is a must see event for anyone concerned about the problems associated with teen sexual activity," said Marilyn Morris.

Community guests are welcomed to attend.

Quotes from previous programs:

Where were you when I was a teen? This message would have been extremely helpful when I was a kid. (Parent, Frisco, TX.)

This program gives me so much more confidence to say no. Thanks. (13-year-old girl, Houston, TX.)

No one ever really considers the law when it comes to sex. This really makes you stop and think about what could happen. (17-year-old guy, Arlington, TX.)

I truly did not know most of what you were saying. Thanks. (15-year-old girl, Grapevine, TX)

Legacy Participates in Operation Christmas Child

By Paula Nusz

Residents of Legacy Assisted Living, located in Dalhart, Texas, packed their Operation Christmas Child boxes on Thursday, November 5, 2015. The Dallam Darlings 4-H club members and Legacy staff members and their children volunteered their time as helpers. Each Legacy resident was partnered with a volunteer to select and pack items into their shoebox gift. Legacy residents had been collecting hygiene products, school supplies, toys and candy during the month of October. A big thank you to everyone for their donations.

Operation Christmas Child is one of Franklin Graham's ministries. These gift boxes will be sent to children of impoverished countries, immigrant refugees, and to places suffering natural disasters such as floods, earthquakes, etc. Many church groups in the area also participate in this ministry, and the Peoples Church is the local collection site. The boxes are processed on the east coast and will be sorted and packaged for shipping around the world and to places in the United States.

This year, Legacy has packed 36 shoebox gifts. Legacy residents who packed their own gift were: Jake & Elwanda Bemrick, Margie Cleavenger, Wade Estes, Lynn Gilbert, Margaret Harbert, Grace Lyles, Charlie McClain, Mildred Metcalf, Helen Pack, Jackie Perales, Sue Pogue, Wid Stevenson, Louise Stilwell, Frances Stipe, and Helen Summerour. 4-H volunteer members were: Georgia Bezner, Hattie Bezner, Hannah Brown, Makayla Bruce, Kallie Childress, Jenna Dixon, Danielle McMillen, Avonley Powers, Madison Todd, Rhiana Todd, and Samantha Todd. Thank You to this group of fine young ladies and to Cristie Childress, their club's Adult Volunteer Leader. Legacy staff volunteers included: Deborah and Gavin McClung and Kimberly and Jacie Russell. Thank you to Joyce Speers who brought the boxes for packing and for being a volunteer at the collection center.

Bird Facts Protect Migrating Birds

(NAPS)—Fall migration is here, which could mean some surprise visits from out-of-town birds to your backyard. To survive the journey and any adverse weather conditions, these winged travelers could use a little help from their earthbound friends. One way to help is to start feeding the birds in the fall. Throughout winter, continue to feed your local songbirds that don't migrate.

You can help the environment—and fill your yard with song—if you feed wild songbirds.

Here's why:

1. Many of birds' natural food sources are frozen or become covered in snow.

2. Food growth is further hindered by extreme weather and drought.

3. Lack of resources leads to greater competition for what little food there is.

4. Human development continues to impinge on birds' natural environment.

5. With colder weather comes higher energy demands on birds.

You can help them survive the winter and prepare for a productive breeding season by feeding them high-fat and high-protein foods. For example, the most nutritionally advanced wild bird food on the market is Audubon Park Songbird Selections NutriThrive. It uses wild songbirds' favorite seeds topped with an oil-based, nutrient-rich coating to provide the vitamins, minerals and essential fatty acids that birds need.

"In my research, I've found that feeding backyard birds has a positive impact on many species," says John Marzluff, ornithologist and author of the book "Welcome to Suburbia."

The premium, nutrient-packed seeds in the Songbird Selections line will attract more songbirds to feeders and have a significant effect on the overall health of our wildlife as a result.

To learn more and to view a map of birds in your area, visit www.audubonpark.com. To find the seed, see amzn.to/1McCqFk.

Time out with Rog:

Well the seniors went out with a bang in their last home game beating the Stinnett Rattlers aka the West Texas Comanche's 54-7. Now twith the playoffs, we are back home! The Bi-District foes this week are the Floydada Whirlwinds. The Pumpkin Capital of the World from Floyd County! The game is going to be played at Bushland, Friday Night 7 p.m. sharp. Where the parking is terrible but exiting the parking lot is worse. The stadium is nice, the field is great but don't get me started on anything else. It's not even a town!! So let's ALL show up and yell our brains out!! Boys we have a few injuries so that means we are going to have to step it up! The long road to the golden ball starts at 7 Friday Night at Bushland. The town with terrible parking!! So let's pray for Jamie and Kathy. Thank you Lord for the bountiful harvest. Once an Elk always an Elk.
