### Local Resident Receives Top Achievement Award From Farmers Insurance Group Of Companies

Carolyn Allen Tarver of the Allen Insurance Agency has been honored by the Farmers Insurance Group of Companies for outstanding sales achievements during 1991.

Carolyn will be recognized at the Topper Club, the annual meeting of Farmers' top sales producers. This year's Topper Club will be held from July 22 until July 25 in Nashville, Tenn.

During the Topper Club convention, Farmers' top Texas sales agents and district managers will discuss local and national insurance trends and participate in other activities involving the insurance business.

Carolyn joins Topper club's prestigious roster of members who have attained the upper ranks in providing insurance services to policy holders in Texas and across the country.

Member companies of the Farmers Insurance Group are the nation's third largest automobile and homeowners insurers. Farmers has more than 4,000 employees and sales agents in Texas.

Dear Dr. Harlow,  
Thank you for being there when I needed you the most; when I lost my mother and when Hartland died.

For the cure of sniffles, aches and pain I thank you! My legs thank you for prescribing support hose, but my mind still thinks the old tan things are ugly!

Sincerely, Oline Caraway

Coldwater Manor Residents Comments:  
Maggie Eslinger-Good Dr. Knows what hes doing!

Clara Mae Wilson-Very good general practitioner.

Beulah Farris-Pretty Good Dr.

Jewel Dovel-Good Dr. I wish he wasn't leaving!

Pauline Foster-I wish we could keep him. It's a shame he's going.

Edith Houston-I really appreciate the patience and understanding during Tab's illness.

Tommie Garoutte-Thanks for everything.

Jim Lamb-Thanks for the time spent caring for me.

Opal Bufkin-Very good Dr. thanks for everything!

Fond memories of Doc Harlow will always include his special care, kindness and personal attention. My love, highest regard and very best wishes go with him and his office staff forever and ever.

Hazel McBryde

Doc

Duane and I appreciate you taking care of us, our children and now our grandchildren over the years. You're the best!

God Bless, Duane and Marty Robertson

P.S. Susie, Your the sweetest lady we know! Never change!

We count ourselves very fortunate to have Dr. Claude Harlow as our friend and our physician for many years. It has been a special blessing that we could have a good doctor, who is also a good friend. We have appreciated Dr. Harlow's care, concern and compassion. We have always been able to tell that he has wanted us to feel well and to be happy almost as much as we ourselves wanted to. Through the years, many of our illnesses have been hard to identify, and even difficult for us to describe to him. Dr. Harlow has always been very patient with us. Similarly, he has been willing to work with us until together we have found just the right medication, with good results, and no unwanted side-effects. Even more precious to us is the fact that across the years we have come to know that Dr. Harlow's caring for us and for our community has come out of his deep and abiding faith in God, and in Jesus Christ as his personal Savior. That has made everything mean all the more! Susie Harlow has also been a joy, a delight and a blessing to us in many, many ways! May God bless our friends Claude and Susie Harlow with every happiness!

David & Rita Harker

### Now About Our Dr. Harlow

Anyone who has ever known Dr. Harlow is familiar with how kind he is to old people. I recall when my mother became terminally ill in the fall of 1978, no doctor could have been more reassuring and gentle than Dr. Harlow. Mother went into a deep coma while staying at our ranch home in Dallam County in the summer of 1980. Dr. Harlow drove the distance out there and stayed an hour or two during that time he checked Mother carefully and made sure my sister, Dale, and I knew that her death was imminent and part of God's plan. After a month or so, I still hadn't received bill for this house call in the country. When I asked the good Doctor about it, he explained there wouldn't be a bill. Do you think there is another like him left in this world? I don't.

Selma Mullins Pendleton

Changes are hard to make-changing to your good care twenty years ago was the best change we ever made.

Thank you for caring and sharing in our joys and our tears.

Eddie & Sandy Williams

Thanks Doc,

We have always appreciated the care you have given "Mom". Also the extra time you have spent visiting with her family.

Sincerely, Elmer and Charline Oquin

Thank you so much for being a caring doctor. It has been a pleasure having you for a doctor and friend also. I especially remember the many trips you made to Amarillo to check on Dan during his last illness. He appreciated it and his family and I did too.

Sincerely, Geneva Haile

There are many fond memories of "Doc". He has been my doctor for the past ten years, but he was always Orland's doctor. Doc gave flight physicals. These were two day affairs. His and V.O.'s conversation had nothing to do with blood pressure etc. it was always airplanes and flying. V.O. always passed with flying colors.

V.O. was an accident looking for something to happen. I suspect "Doc" has used more thread in sewing up fingers, thumbs, legs etc on Orland's body. V.O. would always come home and remark, "Ole Doc is rougher than a cob-but it always mends."

For me, the day V.O. was buried, doc came to my home and spent the better part of the afternoon with me and my family. He was there when the three planes flew over Stratford paying tribute to a fellow flyer, and when the last plane disappeared into the horizon, Doc siad very softly, "so long good friend," that left a mark in my memory and I am sure that "Doc" does not recall this comment.

J.A. Lasley

Dr. Harlow, Thank you for being supportive of the Stratford Community and Sherman County. Many years you served as our physician. You supported Cindy Crabtree and myself 100% when we first decided to become CPR Instructors and when we decided to teach our 1st emergency Medical Training Class for Stratford Ambulance Service. We needed a Medical Director and you were willing to serve. You are one of the main reasons our Ambulance Service has grown to what it is today. What would have happened to Coldwater Manor if you had not established your medical practice in Stratford. I appreciated working for you and with you for many years.

Our family wants to commend and thank Dr. Harlow for his constant and immediate care to ALL our families needs--no matter what time it was or what circumstances prompted us to "call Dr. Harlow". Although he was not the primary doctor for many of us, he was ALWAYS as congenial, concerned, caring, and dependable, when he was called in, as if no other doctor was involved at all. He always did a real good job for us and his manner was one of willingness and friendliness.

"Doc", we are thankful for your time of service in our town, and for the security just knowing you were available gave us.

Hope the future will hold much good in store for you and your family as you continue to serve others.

We love and appreciate you!

The children of Ruby Garoutte

I remember many incidents during my days as an EMT on the ambulance taking patients to Doc's clinic. Here are just a couple.

A truck driver, involved in a late night head-on crash had bits of windshield glass in his eyes and he couldn't bear to open them. Upon arrival at the clinic Doc put "deadening drops" in the man's eyes. He opened his eyes and smiled at me and said he knew from my voice and the care I gave him in the ambulance that I had to be beautiful.

Doc jokingly (I hope) said, "Uh-Oh! Your eyes are worse than I thought!" (The man sent word about a year later that tiny bits of glass were still working their way out of his eyes but that he was doing just fine.)

Another late-night accident victim I recall was an obese lady with a broken collar bone who presented some problems until Doc and I finally figured out the blouse we were having so much trouble getting off of her was a jumpsuit.

There were some funny things that happened, some sad things.

Doc was a a good friend during Paul's illness, as well as before and after.

I would like to state that when Doc first came here, being in aviation, we became fast friends as 'aviation nuts.' Along the way, in 1979, we became involved in EMS. I feel that I know Doc as well as anyone. Through the years through EMS, Doc has responded to a lot of calls for help--if the patients were his or not. If a person owed him money, had never come to his office, or was not one of his patients, Doc didn't let that get in the way of treating any person he was called upon to see and "check out" by members of the Ambulance service. Doc does not rattle--he is slow and thorough in an emergency. Doc is methodical. Whoever tries to take Doc's place will have to have very big feet, because Doctor Harlow is going to leave a large pair of shoes for someone else to fill.

W.D. Brannan

Doc Harlow will really be missed by me and my family. He was a real help when Bill had his heart attack. He sent Bill to Amarillo after he was stabilized, and has been such a help to me and my family. I really hate to see him go. Thanks Doc,

June Frizzell & family

Doctor Harlow,  
(I'll never forget how good you were to Mother--you were always there when I called to come--even late at night, you came by the house, 3 days a week and give her shots until she was able to go to your office. I know I aggravated you sometimes over my non-giving of medication you prescribed, but you never fussed at me about it. Thank you

Betty Lou O'Brien

Thanks to Dr. Harlow for taking one hour of his valuable time helping Russell and I understand why Russell has had many problems after major surgery 23 years ago. Not only did he explain all details, give medication, good advice and no problems since. Stratford has been so blessed to have Dr. Harlow, and we are doubly blessed to have he and Susie as our neighbors. How fortunate can we be?

## Timmie Brown on The Most Wanted List

A Stratford Fire Dept. Ladies Auxillary "most wanted, Timmie Brown," center is taken into custody by Sandy Williams, left and Kerry Copeland, right. The "most wanted" list was framed by the Ladies Auxillary for its fundraising Arrest-A-Rama, slated Friday, July 3, 1992.

## Weekend Getaway Drawing July 4

The winner of the Family Weekend Getaway will be announced at the 4th of July celebration to be held at the Stratford City Park. The Weekend Getaway package includes 4 tickets to the July 31 performance of "Texas" at Palo Duro Canyon State Park, the night's lodging at the Harvey Hotel in Amarillo, and \$50.00 spending money. Ticket prices are \$5.00 each and are available from board members of

Lollipop Junction, or by contacting Armita Lane or LaRenda Wright at the First State Bank of Steve Booth.

Lollipop Junction will also have a food booth at the 4th of July celebration offering participants French fries and funnel cakes for their enjoyment.

Proceeds from the fund raisers will go toward the day care center's operational costs.

### Local Students Attend Farm Bureau Citizenship Seminar

WACO-Attending the Texas Farm Bureau's 30th annual Citizenship Seminar here June 15-19 were left to right Sarah Graham, Teresa Presley, Jolina Garoutte of Stratford. Sponsored by the Sherman County Farm Bureau, they were among approximately 400 high school junior and senior students from 156 counties across the state.

Purpose of the Texas Farm Bureau's 30th Annual Citizenship Seminar is to provide the students with a better understanding of their American heritage and the capitalistic free enterprise system, according to Stanley Macias of Stratford, county Farm Bureau president.

Speakers at this year's seminar and their subjects were as follows: Jack Jackson of Fort Worth, president of Jackson Associates, "The Price of Free Enterprise"; Robert McBurney of Baylor University, "Free Enterprise"; Howard Phillips of Washington, D.C., of the Conservative Caucus,

"Constitutional Government"; Basilio Bachor, a Polish immigrant, "Living the American Dream"; Michael Broome of Charlotte, N.C., a motivational speaker, "You and America--Two Great Champions" and Vernie Glasson, TFB executive director, "Farm Bureau-Your Host".

Also, a group of 20 Russian students from Ukhta, who are part of an orphanage's folk song and dance ensemble, spent one day intermingling with the students and participating in the various seminars. The dance troupe ended their visit with a performance for the students.

### Counseling Groups: An Overview

By Ann Nelson Parker, M.ED. LPC

Group counseling is very popular, one of the main reasons is that the group approach is frequently more effective than individual approaches. This is due to the fact that group members can practice new skills both in the group and in their everyday interactions outside of it. There are practical considerations, too, such as cost and distribution of the available counselors and therapists.

The basic guideline for the selection of group members is whether they will contribute to the group or whether they will be counterproductive. It is significant that the members area likely to be compatible, even though the group may be a mixed one. Motivation and personal investment are the most important factors for being included in a group.

Ideally, group members decide for themselves the specific goals of the group experience. The group process assist people in making changes in their attitudes, beliefs

and themselves and others, feelings and behaviors. The members get a clearer glimpse of the person they would like to become, and they come to understand what is preventing them from becoming that persons.

The role of the group counselor is to facilitate interaction among the members, help them learn from one another, assist them to establishing personal goals, encourage them to translate their insights into concrete plans that involve taking action outside of the group.

If a group is to be considered successful it will go through four stages before it terminates. Stage 1: Initial Stage-orientation and exploration; stage 2: Transition Stage-establishing trust; Stage 3: Working stage-unity and productivity; Stage 4: final stage-summarizing and termination. It is very beneficial to schedule a follow-up meeting three months after the conclusion of a short term group.

### Dockery Named To Who's Who Among Students

Melba Faye Dockery, daughter of Mr. and Mrs. Russel H. Brooks and student at Amarillo College has been selected as one of the country's most outstanding campus leaders by the Who's Who Among Students in American Junior colleges editorial staff.

She will be included in the 1992 edition of Who's Who Among Students in American Junior Colleges, an annual directory of outstanding students first published in 1934.

A campus nominating committee and editors of the publication have included the name of this student based on her academic achievements, community service, leadership in extra-curricular activities and potential for continued success.

She joins an elite group of students selected from institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.

### Pleyer Recipient of \$500.00

Gloria (Pleyer) McDaniel is the recipient of a Grants-In-Aid Award of \$500.00 from the Cyprus Creek Music teachers Association of Houston. This award is given to individuals who work with handicap children. Gloria is a Board Certified Music Therapist with the Klein Forest Independent School District of Houston. This is the second year to receive this award.

Gloria is the daughter of Stanley and Doris Pleyer and granddaughter of Corda Pleyer of Stratford.

## TRTA Enjoys Many Activities

Visiting with friends, hearing a discussion of health insurance and long term care, were the activities at the June meeting of the Texas Retired teachers Association in Dumas.

Because of the rain the group met in the First Presbyterian Church for a picnic lunch and drinks were served by the Dumas hostesses.

The program began with the pledge of Allegiance, followed by singing "America the Beautiful". Mildred Bosler was the pianist.

Nancy Woods read the secretary's minutes followed by the treasurer's report by Lois Gossett. Both were approved.

Earline Wynn, program chairman, introduced the representative of United Teacher Associates Insurance, Mr. Don Underwood. He introduced two of his assistants.

The agent explained new regulation for Medicare and supplementary insurance policies. He handed out brochures. Retirees not present may get names and addresses of agents from Mrs. Gossett or Mrs. Woods.

A question and answer session followed the presentation.

Mrs. Wynn then told of plans for future meetings; the next meeting will be a Mexican Fiesta Theme and a covered dish luncheon at the Episcopal Church in Dalhart.

Yearbooks will be mailed to all members. Retired Educators and other personnel should join NOW.

Mail dues to Mrs. Gossett, 1312 Maple, Dalhart, or Mrs. Nancy Woods, 1122 Elm in Dalhart.

Join the group that works for increased annuities and more benefits for retirees.

To keep fruits and vegetables fresher longer in your refrigerator, line the vegetable bin with paper towels or dry sponges to absorb excess moisture.

### Cards of Thanks

Words cannot express the gratitude in our hearts for the outpouring of love and concern during the illness and death of Dorothy. There are so many that have done so much that we are afraid that we will miss someone if we begin to mention names. For the cards, visits, flowers, food, calls and the outpouring of compassion by individuals in this community, we are so grateful. You have made this most difficult time bearable. Thank you!

I just want to say Thank you to everyone who came and visited me while I was in the hospital and to everyone who called or prayed for me while I was in surgery. I also want to thank the doctors who took me apart and put me back together again and the staff of Dumas Memorial Hospital for catering to me during my stay there. Also, a special thanks to my family for being there.

# Match Three And Win.

Introducing Texas Match Up. A fun and easy-to-play game from the Texas Lottery where you have a chance to win from \$2 to \$20,000 instantly. To play, just buy an instant game ticket. Scratch off the entire play area, and if three dollar amounts match up, you win. For example, if you see three \$4 symbols, you win \$4. It's that easy. You might also make a special match: If your ticket has three "ENTRY" marks on it, you could be a contender for our weekly millionaire drawing. (See back of ticket for details.) Tickets for Texas Match Up are \$1. And they're available, along with complete information on how to play, at locations displaying the official Texas Lottery sign. For more information, call 1-800-37-LOTTO (1-800-375-6886). Play Texas Match Up. And get in the game of Texas.

## Texas Match Up, The New Instant Ticket Game.

Overall odds of winning 1 in 6.81. Must be 18 years or older to play.

**Chamber Chatter**

by J. A. Lasley

This will be brief this week. A reminder, the 4th of July is fast approaching. We have a number of excellent food booths, snow cones, trinkets, games and drinks signed up-all for good causes.

A slight correction-in regard to the ice cream freeze off! You can sign up, here at the chamber or just bring your entry, Saturday evening. The ice cream freeze off will be judged at 7 p.m. and then we will begin serving. If you are bringing and coming earlier, freeze early and pack it well. Doc Harlow will be our head judge, along with our business persons of the year and our Farmer of the Year. We need lots of ice cream!!!! Tip Top Bucks will be the prize money.

Tables will be in place at the park for food booths, games etc. These will open at 6 p.m. Ice Cream Freeze off judging 7 p.m. and Doc Harlow Presentation 8 p.m. with fireworks just after dark.

The next chamber sponsored event will be our annual side walk sale, Friday, July 17th.

I have received a letter from Rick Perry, Commissioner Regarding export Assistant program. The Chamber has sent for more information and some applications. Excerpts from the letter: Applications for the Marketing Promotion Program (MPP) for fiscal year '93 are now available through the Texas Department of Agriculture. For more information and applications, contact Mortada Mohamed or Terry Ovalle of TDA's International Marketing division at 512-463-7624. The deadline for submitting applications is August 15, 1992.

**Registration Dates Have Been Set For Classes at PSU**

Registration dates for fall classes at Oklahoma Panhandle State University will be June 22 to July 21 and August 10 until August 18. Classes will begin on Monday, August 21.

Students planning to attend classes this fall are encouraged to enroll on these dates. As usual there will be a \$10 late charge for registration on the first day of classes and thereafter.

Freshmen will report for Freshman Orientation on August 22. A pre-enrollment clinic will be held on July 17th in Goodwell.

The OPSU Testing center has scheduled August 1 for student teachers who are going into teacher education to take the P.P.S.T. (Pre-Professional Skills Text). For more information on the testing dates, contact Penny Cooper, OPSU Director of Testing, Placement, and Counseling at (405) 349-2611, Extension 302.

Contact the office of admissions at (405) 349-2611, extension 274 and 375 for an appointment or more information concerning general admission to OPSU. Information can also be obtained by writing to OPSU, Office of Admission, Box 430, Goodwell, Ok. 73939.

Continue to spray roses with a good black spot control such as Funginex, Benlate, or Manzate.

Fertilize rose beds every 4 to 6 weeks. Best to apply a high nitrogen fertilizer immediately after a flush of bloom.

Take a critical look at your landscape while at the height of summer development. Make notes of how you think it can be better arranged, plants that need replacement, overgrown plants that need to be removed, and possible activity areas that can be enjoyed by family members. These are all good projects to take care of next winter.

Check for insects and diseases. Spider mites can be especially troublesome at this time.

Supplemental irrigation is essential for many ornamental plants such as Coleus, Caladium, Geranium, Dahlia, Azalea, and Camellia during the hot dry summer days ahead. Water lawn and garden thoroughly but not too frequently. As a general rule, soak to a depth of 8 inches. Finish watering by 2:00 p.m. to lessen the chance of disease.

During summer, water or soil moisture becomes extremely important and essential for good plant production. Because continual watering is often times costly and time consuming, it pays to conserve the moisture around plants.

The best way to conserve garden moisture is by mulching. A good mulch will not only retain valuable moisture needed for plant growth but will insure several other things as well to improve gardening success.

Mulches are usually applied 2 to 6 inches deep, depending on the material used. In general, the coarser the material, the deeper the mulch. For example, a 2-inch layer of cotton seed hulls will have about the same mulching effect as 6 inches of oat straw or 4 inches of coastal bermuda hay.

Still time to plant some of the colorful heat tolerant summer annuals. You can direct-seed zinnias and portulaca and purchase plants of periwinkle, salvia and marigold. Just be sure to water transplants as needed until roots become established.

Removing faded flowers from the plant before they set seed will keep the plants growing and producing more flowers. A light application of fertilizer every 4 to 6 weeks will also be helpful.

Houseplants can be moved outdoors this month. Sink the pots in a cool, shaded garden bed to prevent them from drying out so quickly. Water pots, container plants and hanging basket often. Monthly feeding with a houseplant fertilizer will encourage continued growth.

June is a time to select day lily varieties as they reach their peak of bloom.

*"Blessed is the nation whose God is the LORD"*

The President of the United States has declared today our ... National Day of Prayer.

As we pause and reflect where we have come from and where we are heading as a people and a nation ... we are reminded of America's GODLY HERITAGE ... and our desperate need to once again turn to the Lord!

Our country's foundation is evident, in this small "sampling" of historical research ...

**From America's Early Beginnings —**

Excerpts from Christopher Columbus' writings tell why he set out on the perilous journey to "western lands."

*"It was the Lord who put it into my mind — I could feel His hand upon me — the fact that it would be possible ... All who heard of my project rejected it with laughter, ridiculing me ... It was simply the fulfillment of what Isaiah had prophesied ... the fact that the Gospel must still be preached to so many lands in such a short time — this is what convinces me. No one should fear to undertake a task in the name of our Savior, if it is just and if the intention is purely for His service."*

**To America's First Colonies —**

In 1643, when Massachusetts, Connecticut, New Plymouth and New Haven formed the New England Confederation, they stated:

*"We all came into these parts of America, with one and the same end and aim, namely, to advance the Kingdom of our Lord Jesus Christ."*

**To America's Founding Fathers —**

Patrick Henry was a member of the Continental Congress, largely responsible for the adoption of our Bill of Rights and known for his fiery quote, "Give me liberty, or give me death!" He said:

*"It cannot be emphasized too strongly or too often that this great nation was founded, not by religionists, but by Christians; not on religions, but on the gospel of Jesus Christ!"*

**To The Founding of Education in America —**

America's first college, Harvard, outlined rules in this early pamphlet for every student choosing to attend Harvard:

*"Let every Student be plainly instructed; and earnestly pressed to consider well the main end of his life and studies is, to know God and Jesus Christ which is eternal life, John 17:3, and therefore to lay Christ in the bottom, as the only foundation of all sound knowledge and learning. And seeing the Lord only giveth wisdom, let every one seriously set himself by prayer in secret to seek it of Him, Prov. 2:3."*

**To Nineteenth Century America —**

In 1863, Abraham Lincoln said in his Prayer Proclamation to the nation:

*"We have been the recipients of the choicest bounties of Heaven ... but we have forgotten God ... Intoxicated with unbroken success, we have become too self-sufficient to feel the necessity of redeeming and preserving grace, too proud to pray to the God that made us."*

Our society has largely ignored the godly principles and ethics upon which our nation was founded ... as evidenced by our decaying condition.

But there is HOPE ... if we will turn and begin to rebuild on the original foundation of our country:

*"If My people, who are called by My name, will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land."*

**Ceremonies planned for war memorial**

Ground-breaking ceremonies for the Texas Panhandle War Memorial will be conducted at 8 a.m. Saturday in the park just north of the Randall County Annex, 4111 S. Georgia St.

The memorial will be a tribute to all men and women who served in the Spanish-American War, World War I and II, Korea, Vietnam and the Persian Gulf, according to Pete Garcia, memorial chair for Texas Panhandle Chapter 297, Vietnam Veterans of America Inc.

Randall County Commissioner John Dodson will serve as master of ceremonies for the event, which will include county and city officials and heads of local veterans organizations.

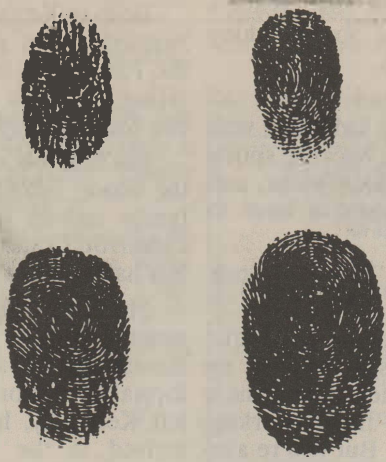

All veterans organizations from the 26 county Panhandle area are invited to the ceremony, which is open to the public.

## The Last Bell Has Rung Be Cautious With Children Out Of School

The last bell has rung for the school year. Students are happy summer vacations is here and the fun begins. Many children forget the rules of safety as they have their minds on having fun for the summer.

Major V.J. Cawthon, Regional Commander of the Texas Department of Public Safety, is asking all Texas motorists to drive with extra care this time of year. He said, "Long trips across our state can be very stressful on all occupants in the car. Frequent rest stops should be used to let the children run off some of their excess energy. Remember, to protect everyone in your car by using your safety belts."

Major Cawthon also reminds us to be extra careful to keep alert while driving in residential areas. Children seem to forget about the traffic around them and run into the roadways unexpectedly, not realizing that oncoming cars are in the area. Since, the younger children do not know the law, it would be wise to always expect the unexpected and be prepared to give them the right of way.

Major Cawthon said, "In order to make this an accident free summer vacation, motorists need to take a more mature attitude towards safe driving. Let's all remember to slow down a little and live alot by driving defensively each and every day of this summer while school is out.

## Scot Notes

by Timmie Brown

Happy day to you Sherman Older Texans, Friends, Neighbors, Scotters this clear, calm Monday A.M. June 29, 1992. Temperature at 7 a.m. is about 60 degrees F. Trust you pause to give thanks for our safety from tornadoes, hail, destructive rain fall such as has befallen Fritch and surrounding areas. We are told that much dry land wheat is harvested and maybe half of irrigated wheat is in. This is NOT an authentic report, however.

Special activities on Scot Calendar are Bingo Thursday, July 2 at 7 p.m.; Bridge Friday, July 3 at 7 p.m. Other usual activities are marked "Go". Dr. Harlow Week, June 29th thru July 4 is FIRST on Community Calendar. Add Arrest-A-Rama on Friday July 3, 9 a.m. to 4 p.m. at Police Station, 518 N. 3rd St. (sponsored by the Stratford Fire Dept. Ladies Aux.) THEN the July 4th celebration at the City Park. These activities offer a full week for Senior citizens to pick their entertainment. Remember to help Senior Citizen-Scotter Timmie Brown raise \$50 bail money before Friday, July 3rd. Personal opinion must not take precedence over the reputation of our venerable S.C.O.T. organization, so ante up!

Scot regular meeting and dinner were the very best with 86 people present to enjoy the food and the event. Another thanks to Raymond for the entree! and to our hosts, "Uncle Sam" hats as table-decoration carried out the 4th of July theme. Sandy Williams explained the aims of Arrest-A-Rama and the use of money raised. Sandy also told what the money provided by Sr. Citizens last year was used for.

Susie Spurlock talked of needs of Lolli-pop Junction Child Care Day Center. We hope her basket was well filled.

W.D. Brannan's explanation of what Sherman Co. must do to receive the greatest help from EMT ambulance service was well received. Scotters and Senior Citizens will gladly support all three causes in the future as they have helped finance community events in the past.

The meeting closed with a sing-a-long, led by Lew Bruni with Lorraine Mehner at the piano.

Weddings claimed the attention of Sherman Co. people Saturday, June 27. The Tillery-Schoonover Wedding took place here: The Reese-Tuel was in Dallas; The Sherrill-Brown was in Bovina.

Attending Patti Sherill-Blair Brown wedding in Bovina were Sharon and Si Perkins, The Chris Perkins, Guymon, Carrie Brown and David Austin, Dallas; Dean Smith; the Miles Smiths, Stratford. Rose and Joe Ray Brown, El Paso. From Stratford were Betty and Baskin Brown; Lorelyn Powers; Patty, Jim Bob, Ashley, Caleb Brown; T.F. and Mattie Baskin, Timmie Brown; Patty, Alan, Nathan, Marc, Chris Haile, Friona. Weather at Bovina was beautiful for the wedding. Later very heavy rainfall, tornadoes threatened at Bovina and Friona. Thankfully all parties arrived home safely. The Perkins party went home by way of Stinnett but were unharmed. The Jim Bob Browns were in the Westgate Mall (Amarillo). Baskin Browns and the Baskins were in restaurants in Amarillo, Lorelyn and Timmie left Friona at 7:30 p.m. and were home about 10:30 p.m. having driven thru heavy rain in Amarillo.

Word from Fritch is that the Joe Knapps and McAteas are okay-little damage to property. The Baskins visited with Mac Carter in Hospital in Amarillo where Belva is recovering from extensive back surgery. Irene and Fred Hughes joined an Evangelistic Group (non-sectarian) in Amarillo. They will leave today (Monday) for Russia where the party will spend two weeks preaching and distributing 10,000 Bibles. Robin and Braun Hughes will spend the time with grandparents Stephenson and Don Hughes in Stratford. Remember to lend the party your prayer support.

Carrie Brown and David Austin visited her mother, Sharon and Si Perkins in Guymon over the weekend and attended Blair's wedding.

Joy Powers is with her mother, Lorelyn Powers, guest this 4th of July holiday from Lewisville Christian Academy, near Plano, Texas where Joy is in School. Linda Spurlocks convalescing guest is her mother, Mary Riffe. Mrs. Mary Stowers is in Northwest Hospital, Amarillo. She had the misfortune to break her leg, just above the ankle, blessing, dear lady.

Terry Wagoner is with her mother who is ill. Oline Caraway is attending a Caraway Family reunion in Canyon, Texas.

Nina Elms Harris, Portales N. Mex. guests Friday night were

Betty and Baskin Brown, Blair Brown, Chad and Mary Williams Rose and Joe Brown.

Thank you, Teresa Harris Holloway, for the lovely tribute to Mrs. Peterson-printed in Star of June 25th.

To All Stratfordites, Sherman Co. Older Texans and Timers, Friends and neighbors: Come to the City Park for a good July 4th, 1992, so we can shake hands as well as pat shoulders and speak appreciation!!

## Library News

By Dorothy Haile

The Summer Reading Program at the library is based on a discovery theme. Children in the older group learned about mountains and the animals that live in this type of area.

Birds and their habits were the program for the younger group. Sixty children attended the afternoon sessions.

Wonderful volunteers make this activity possible. Those who have helped with the group activities are Mandia Bell, Julie Kimbell, Tia Ann Brownlee, Kari Wight, Janell Pronger, Hillery Frank, Jessica Lucera, Crystal Herring, Barbie Dewese, Susan Dewese, Carrie Switzer, and Patrick Pronger.

Carrie Switzer has been the story teller for the children. She can really make a story come alive.

Refreshments have been served by Deede Dewese and Dorothy Dewese. Mothers have been providing cookies and punch for the refreshment time. Thank you for your help.

Thirty five children returned from reading logs. A total of 82 hours of reading was reported. This includes those who can read as well as the read to me group. The number of books taken home for further reading totaled 190.

CNN has released a book entitled Seven Days That Shook the World-The Collapse of Soviet Communism. This work includes the reports and pictures that were made during this historic time in the life of Soviet Russia. Stuart H. Lopory and Ann Imse are the authors.

## Kerrick News

by Marylou McDaniel

An important meeting will be held Monday, July 6, 8:30 p.m. at the Community Center. A hearing within the Dallam Co. Water District No. 1, pursuant to annexation of Kerrick territory to said district, was held as required by State law June 1, 1992. The results of the hearing were positive, thereby leading to the next process.

A final hearing is called for Kerrick landowners and residents for next Monday. This completes the requirement that a hearing be held prior to an election within the territory proposed for annexation to an existing district.

The purpose is for property owners and voters to discuss and inquire about the requirements of being in a district. Joining a district is a permanent undertaking, so property owners within these boundaries are urged to attend and take part in this process.

Hostesses are Virgie Mathews, Claudine Allen and Sheryl Allen. Refreshments of coffee, tea and cookies will be served. Ladies of the community are asked to assist by bringing cookies.

Visiting with the Ralph Hampton and Hank Rogers families Saturday were Jackie and Mack Watts of Amarillo and Georgie Crabtree, Dalhart.

Gayla James reports they had 4 inches of rain June 25 and another

half inch Saturday. Coming to see her recently were Lois Garner, Boise City and Lee Ann Judah, Yukon, Okla., and Stratford visitors, Kristi Walden, Marie Sladek and Jena Ray Whatley. Gayla is recovering from back surgery.

The wedding of Trisha Tillery and Brady Schoonover was attended by many from Kerrick.

Terry & Barbara Schoonover hosted the rehearsal dinner at their barn. There were 90 present.

Myron Leedy, Franny Taylor and Marylou McDaniel spent five nights in Denver, then went to their cabins near San Isabel for five more nights. Franny visited in Denver with her daughter, Brenda, while Marylou and Myron were with her daughter, Patti. This was the first time in 18 months they had been in Denver! Fred joined them at Fred's Spread for three days. While there they enjoyed breakfast with a group of friends at Blue Lake, elevation about 12,000 ft., They also saw a play, "Music on the Greenhorn", based on historical people of the area.

If anyone is interested in helping the people of Fritch, the most useful commodity is money. One of the biggest problems after a disaster hits is the donation of items that must be stored. That does not even take into consideration the cost of transporting items to the scene. Put yourself in the shoes of the residents there—the first need is for food and a place to stay. Then, restoration of property is going to take lots of time and money. Even though intentions are good, consider the problem of storing and dispensing clothing and furniture after a tornado.

Now, the next situation that comes to mind is how you would have reacted if the sirens had sounded here—or even if they had not! If the National Weather Services issues a Tornado Watch for Sherman County, do you get ready to seek shelter? If the Watch turns into a Warning, are you going to take cover, or get out and video camera the event? Your safety is your responsibility first. Get the facts on how to protect yourself and be prepared. Call or come by the Office of Emergency Management at the Sherman County Courthouse, 396-2021.

## Former Resident Honored

Editors Note: This article on Paul appeared in The Amarillo Globe News, On June 24, 1992.

When he was a junior in high school, Paul White felt called by a higher force to become a coach. He followed those instincts without regret.

"God called me to do this, and I'm certain this is where I should be," he said.

White grew up in Stratford and received his bachelor's degree from Wayland Baptist University in Plainview. "I got a degree in physical education, English and biology because I thought it would make me more marketable," he said.

It must have worked, because after graduating in 1989, Muleshoe High School offered him a job as a coach and an English Teacher.

White, his wife, Tammy and their two children Chassidi, 4 and Corbin, 2, came to Amarillo in 1990.

White coaches and teaches at Highland Park School during the school year and works at the Thompson Pool in the summer.

White, formerly an assistant manager, serves as manger of the pool this year.

"As a coach, you get three months off, and managing the pool fit my schedule as a summer job. It's a good job to have. Besides, I love kids," he said.

White considers his exposure to children a special opportunity and a challenge.

"As a teacher, I have the opportunity to mold young minds and be a positive influence on young kids," he said.

Coaching serves as White's most positive tool for teaching children life lessons.

"Coaching gives me an opportunity to help kids deal with other aspects of life because sports is like life. It's not always fair, and there are difficulties you have to overcome," he said.

White enjoys being a role model for children.

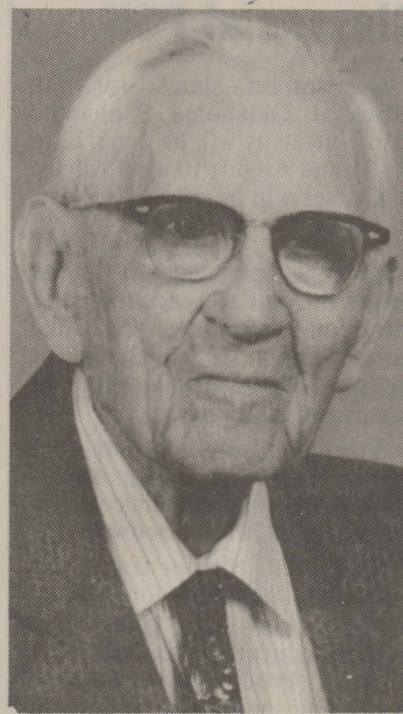

"To get to coach is a unique opportunity because kids look up to you. You're there with them through the tough times—working out, losing a game. But you're also there with them when they win," he said.

In August, White will move to Sunray where he will coach basketball.

Tammy expects their third child in August, and White looks forward to returning to a smaller town.

"I enjoyed Amarillo, it's nice to be in a big town because it offers so much. But, I want to raise my family in a small town, going to a small school like I was," he said.

## Bridwell Celebrates 98th

endure other hardships: the death of his father during the 1918 flu epidemic, the cold and snow of winter cattle drives, the death of his first-born son at age two and later, the deaths of his mother and his wife.

In 1967 Bridwell married Edna Burdine, a school teacher from Amarillo, Texas and they continue to live on the Texas side of Texhoma.

Bridwell still drives occasionally attends services regularly at the Texhoma United Methodist Church. He's also a voracious reader, keeping up with three daily newspapers. In 1985 he was crowned the Old Timer King in Sherman County.

And he has been enjoying his grandsons for a long time.

Luke Freeman wrote down his memories of a pheasant hunt he and his cousin Devin Bridwell went on with their grandfather when the boys were in junior high school.

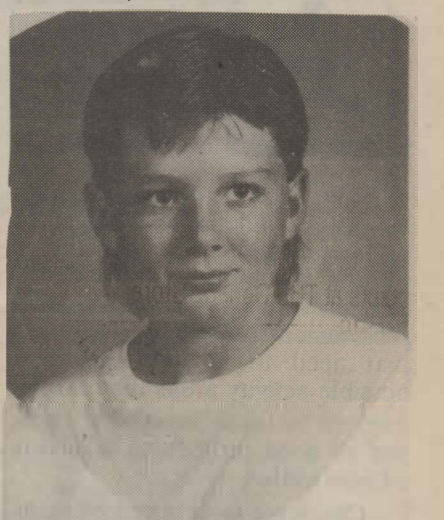

The boys were in the back of the pickup their granddad was driving. It was late fall, and the sun was beginning to set.

"As the sun sank lower and lower, Granddad drove faster and faster," Freeman said. "We were humming around and through the fields of harvested milo. Evidently Granddad was determined to get his grandsons a pheasant."

The boys gripped the headcage racks on the pickup and hung on. Their granddad would "gun his race car," as Freeman put it, "to get in range and then slam on the brakes."

The boys finally started getting the rhythm, and they got their birds too as darkness approached.

"Thanks for the memories, Granddad," Freeman concludes.

## Bryson To Play On Allstars Team

Josh Bryson, 13 year old son of Tim Bryson of Gruver and Pattie Weber of Amarillo made the Little league All Stars in Amarillo for the 3rd year. His All Stars team will be playing in Dumas July 10th. Josh plays Pitcher and Catcher for his team. Grandmother, Margie Bryson and his sisters Carley and Balje Bryson of Stratford are very proud of him.
