Creed of Lorenza, and Mrs. John Wootan of Haskell; three brothers, Elmer, Sam and Jess Gaston, all of Emory, Texas, six grandchildren and four great-grandchildren. She also was preceded in death by a daughter. Pallbearers were Dock Thornton, Gene McDowell, Travis Colton, Miles Ellison, Boss Winters and Don Maxwell.

Virgil Cobb Named Assistant Supt. Of W.T.U. Plant On Lake Stamford

VIRGIL C. COBB

Virgil C. Cobb of Haskell, WTU shift engineer at the company's Paint Creek Generation Station, has been named assistant plant superintendent of West Texas Utilities Company's plant located on Lake Stamford. He has replaced W. M. Anderson, who was transferred to the company's San Angelo Power Station near San Angelo. The announcement of Cobb's promotion was made this week by E. W. Hamilton of Abilene, WTU production engineer. Employed by the company

for the past 14 years, Cobb began his career as a trainee in the company's Lake Pauline Station near Quanah. He later worked as a trainee at the Concho Plant in San Angelo and the Abilene Plant before his transfer to Paint Creek Station. He was a member of the original operating crew that placed the first unit in commercial operation in 1953. Since that time, Cobb has worked as a basement operator, auxiliary operator, a control room operator and a shift engineer.

Born in Haskell County in 1924, Cobb has spent most of his life in this area except for the three years that he served with the U. S. Navy during WW II.

Before joining WTU, he engaged in farming and later worked for the Burton Chevrolet Company.

Mrs. Cobb is the former Evelyn Linville. The Cobbs were married in 1950 and have two sons. Gary is an 8th grade student in Haskell Junior High School, and Bobby is a 6th grader in Haskell Elementary School.

The Cobbs are members of the First Baptist Church where Mr. Cobb is serving as vice-president of his Sunday School class. He is a past president of the Haskell Chamber of Commerce and has been awarded a life membership. He is also past president of the Haskell Little League and is currently serving as equipment manager.

Arrival Of Santa And Parade Sat. Opens Christmas Season

SANTA CLAUS IS COMING: The old gentleman from the North Pole will bring his giant 30-foot sleigh, "The World's Largest Sleigh," to Haskell, Saturday, December 3rd.

WINDOW UNVEILING, LIGHTING SWITCH-ON TRADITIONAL HERE

Traditional Christmas lighting of the courthouse square at 5:45 p. m. tomorrow, Friday, December 2, in conjunction with the unveiling of gaily decorated windows by local merchants, will officially "kick-off" the Christmas season, signalled by a Santa Claus parade at 3:00 p. m., Saturday.

With the mass unveiling of draped store windows containing sparkling displays for the Yuletide, a symmetrically arranged array of some 450 lights dangling from more than 2,000 feet of lighting cord, will be turned-on Friday evening. The two events in keeping with tradition, are a simultaneous "institution" on the eve of the opening of the Yuletide season.

Santa Claus in his 30-foot long, pony-powered sleigh, arrives in Haskell at 10:00 a. m., Saturday, and will spend some eight hours giving sleigh rides to kiddies around the square.

The red-suited "Jolly Old Man" will precede the gala parade which will begin winding its way through downtown Haskell at 3:00 p. m., Saturday.

The big, annual Christmas parade will feature beautiful floats, bands, plus a pet parade which will include children from all schools in Haskell County.

Gas Co. Moves To New Location On North First

The Lone Star Gas Company of Haskell has moved its offices from 308 North First St., to 304 North First Street, to the all new, recently constructed Belton Duncan building, managed by Bill Skeen announced. "In our more modernized building and facilities, we feel we will be better able to serve our customers," Skeen said.

Wage Hour Law To Be Explained Monday Night

LaVaughn Davis, Investigator for the U. S. Dept. of Labor, of this district, will be in Haskell Monday night, December 5th, 7:30 at the District Courtroom, courthouse, to explain the Federal Wage Hour Law and answer any questions pertaining to the matter. The meeting will be open to everyone and especially is it important that all employers be present. Raja Hassen, Chamber of Commerce president, instrumental in setting up the meeting, said.

Haskell Places On All-District 5-AA Teams

Ray Herren, a junior in Haskell High School, who plays end on the Indian team, was named to the 5AA All-District Offensive team, Bill Ratliff and Tim Everett made the offense honorable mention, according to a release this week. Johnny Josslet, line-backer and Kenneth Felker halfback, were placed on the All-District Defensive team. Bill Dumas, Derrell Davis, Keith Chapman, Tim Everett and Ray Herren made the Honorable Mention Defense team.

Haskell Gets Light Shower

A fizzle-drizzle here Saturday brought only 16/100 of an inch of moisture and was followed by a norther which cooled things off considerably after several weeks of balmy, spring-like "cotton pickin'" weather.

A number of families in Haskell will be dependent upon the Goodfellows for any Christmas happiness which may be brought into their homes during the holiday season.

Because of circumstances, these families will be denied any semblance of holiday cheer unless the Goodfellows can provide it for them. In turn, the Goodfellows are dependent upon the generous hearts of Haskell people in helping to fill the Christmas baskets to be distributed to the less fortunate families in our community.

Wholesome food, candy, fruits and a few toys where there are children in the families, will be the principal items to go into the holiday baskets the Goodfellows will distribute at Christmastime.

You can be a Goodfellow by sending in a contribution today to help fill the Christmas baskets.

Simply hand or mail your donation to "Goodfellows, c/o the Haskell Free Press, Haskell." The full list of contributions received will be published in the newspaper each week.

Former Haskell Residents Are Injured In Wreck

Travis Smith, of Waco, former principal of the Elementary school here, and family, were involved in a car accident in Groesbeck about 3:00 p. m., on Thanksgiving day and four members of the family were admitted to the Hillcrest hospital, Waco, for treatment of injuries.

Mr. Smith received five broken ribs, bruised kidney and chest and back injuries; Tim, age 14 months, had both legs and collar bones broken on both sides; Sandra, age 4, received severe cuts about the head; Gary, age 3, suffered a bump on the head; Lisa, age 5, was not injured and Mrs. Smith received only a few scratches.

The accident occurred as Smith had stopped for a signal light in Groesbeck and their vehicle was hit by another car. The Smith's Chevrolet was a total loss. Mr. and Mrs. Hess Hartsfield were in Waco Friday and Saturday, to check on the condition of the Smiths.

Singing Sunday At Southside Baptist Church

Beginning at 2:00 p. m., Sunday, December 4th, a "First Sunday" Singing will be held at the Southside Baptist Church and will be held the first Sunday afternoon of each month, thereafter, Rev. Roy Alexander, pastor, announced.

At the meeting Sunday afternoon, Clyde Williams will be present to assist with the organizational activities. A cordial invitation is extended everyone to attend and participate in the "First Sunday Singing."

Fund Is Being Set-Up For The McGinnes Family

The Robert McGinnes family not only lost their little 14-month-old daughter, Willette, in the disastrous fire on Tuesday night, November 22, but they also lost the home in which they were living and all of their clothing, furniture, etc. The Haskell Ministerial Alliance has set up a "Robert McGinnes family fund" to help this family in time of need.

Those persons who desire to assist the family may send their contribution to the Ministerial Alliance, in care of Royce Wood, Haskell. Articles of furniture, clothing and housekeeping items would also be appreciated.

Haskell Native Elected Vice-Pres. Utah-Idaho Baptist Convention

REV. ROBERTSON

During the closing session of the Utah-Idaho Southern Baptist Convention's annual convention at Salt Lake City, Utah, November 16, Rev. Lavoid Robertson, native of Haskell, was elected first vice president of the two state, church convention.

Hundreds of Persons Salute Miss Westbrook And Cotton Industry

"We must combine our efforts as good cotton producers with science to increase the uses of cotton - because cotton, its products and the income from it, helps our city and state and local government through taxes it pays. God gave us the soil and the know-how, let's use it to the best of our ability." Miss Virginia Westbrook of Rule, "Miss Cotton of Texas," told hundreds of persons gathered on the courthouse square Friday afternoon, held in her honor, and a salute to the cotton industry.

The week of November 21 through 26th had been proclaimed "Cotton Week" in Haskell County, and Friday as "Virginia Westbrook Day." "We recognize that cotton is the economic life-blood of our business and our community and we should do everything possible to promote cotton, as Haskell County is dependent upon it and what helps the farmer, helps the community as a whole," Mayor H. V. Woodard in his welcome address said.

Emphasizing the cotton industry, Patricia Toliver, Judy Jeter, Linda Gutierrez, Mary Adkins, Diana Davis, Pam Pittcock, Carolyn Greenwood, Glenda Gayle Chapman, Carol McCandless, Susan Weise, Brenda Griffith, Wanda Griffith, Pam Ross, Cinda Shirley, Joan Caddell, Lorena Caddell, members of Haskell County 4-H Clubs, under the direction of Mrs. Barbara Elliott, H. D. Agent, modeled dresses made from cotton. "Cotton is in trouble due to synthetics and loss of foreign markets. Haskell Countians, as well as farmers all over the Rolling Plains area, must promote, raise and sell more cotton," Charles Stenholm, executive vice-president of the Roll-

ing Plains Cotton Growers, Inc., told the large attentive group. County Judge James Alvis McLeod the program and Raja Hassen president of the Chamber of Commerce, said: "It is indeed an honor that Miss Westbrook from Haskell County has been selected "Miss Cotton of Texas."

Following the salute to Miss Westbrook and the cotton industry, a reception honoring the "Miss Cotton of Texas" was held at the C of C office.

Mrs. Robertson and his wife, Geneva, are both natives of Haskell County where he attended high school at Mattson, and is a 1953 graduate of Howard Payne College, Brownwood. Rev. Robertson pastored for four years in Brownwood before moving to Twin Falls, Idaho five years ago where he became pastor of the First Southern Baptist Church of that southern Idaho City. He also pastored in Comanche County, in Texas and was pastor of the Mattson Baptist Church from 1956 to October 1957. At the October 29th organizational meeting in 1964 of the Utah-Idaho Southern Baptist Convention, Rev. Robertson was elected as a member of the Executive Board of the Convention where he has served for the past two years. Having also served as secretary-treasurer of the Utah-Idaho Pastor's Conference for two years, and is now general chairman for Utah and Idaho for the Crusade of the Americas Campaign for 1969.

Mrs. Robertson is the former Geneva Drinnon, daughter of Mrs. Veda Drinnon of Haskell. The Robertsons have two sons, Kyle 13, and Ronnie 9.

That grand old man, "Santa Claus," from the North Pole will bring his giant 30-ft. sleigh, "The World's Largest Sleigh," to Haskell Saturday, December 3, to take all the children for a ride from 10:00 a. m. to 6:00 p. m.

Haskell merchants, through a special arrangement with Santa Claus, will give away coupons, which will enable the children to fulfill the dream of every child... to ride on the sleigh with Santa.

The big sleigh is bright red, trimmed in silver, and can accommodate 60 children on each ride. Six Shetland ponies, dressed in chrome-plated harness, bright red plumes and sleigh bells will pull the world's largest sleigh.

Miss Merry Christmas and a complete crew, all in costume, will accompany Santa on his visit here. Merry will be Santa's official hostess on the sleigh.

A personal interview by Santa with each child has also been arranged. Concealed speakers on the sleigh will broadcast each interview throughout the business district. Beautiful Christmas music will also be continuously in the background as Santa, with his big sleigh loaded with happy children, rides through the streets. It will follow a designated route around the square.

Free ride coupons can be obtained from local merchants and no rides will be given without the coupons. Coupons will be turned-in to Santa's ticketman for a numbered ride ticket. Groups will board the sleigh as their number is called.

Unveil Windows Tomorrow, Friday, December 2, at 5:45 p. m., the Christmas lights will be turned-on at the sound of the siren and merchants will unveil their windows.

Parade At 3:00 p. m., Saturday, the annual Christmas parade will begin winding its way through downtown Haskell. Bands, floats and children's pets will be only a part of the gala parade.

Pet Prizes The Haskell Rotary Club, sponsors of the pet parade, will present three prizes to winners in that division as follows: first, \$7.50; second, \$5.00 and third, \$2.50. All participants must have their pets with them in the parade.

Clubs And Organizations First, \$35.00; second, \$25.00; third, \$15.00. School Floats Kindergarten, first and second.

DAILY BRAIN TWISTERS

Just reading the headlines in the newspapers for one week is enough to make a Solomon throw up his hands. Each day you are faced with headlines about a major war in Viet Nam. You may have a son in it, and you don't know what to think.

Next comes inflation. Different interests blame the other fellow for rising costs. Financial authorities state it is essential to restrict easy money policies. Then, we read that the country needs 2 million new housing units every year and is only getting 1.5 million and that high interest rates are retarding building.

Next, the individual is urged to restrict his spending to cool down the economy, while full employment is urged to provide jobs. And, to top the confusion, it is generally forecast that taxes on individuals and industry must be raised to bail out the official spenders. As a private citizens and taxpayer, you help foot the bills.

These are but a few of the brain twisters that appear daily.

THE CONSTRUCTIVE ALTERNATIVE

"Businessmen have no practical choice but to insist that social problems be given the same colorful analytical treatment that business uses in solving its own problems," says the head of a large oil company. In pursuing this objective, he believes that businessmen should become increasingly involved in what can be called the "strategy of the constructive alternatives." In response to "creative federalism," this strategy can offer "creative competition" between business and government to serve the national interest.

To an ever increasing extent, top business executives across the country are becoming aware that continuing expansion of costly government welfare programs, and a tendency to shift responsibility for the welfare of large groups of citizens to the shoulders of centralized authorities and bureaus will inevitably lead to the loss of freedom and private initiative. In effect, the rise of the welfare state has presented a competitive challenge that must be met with the same kind of resourcefulness and imagination that are required to develop a great industry.

As time goes on, these far-sighted leaders propose to show that the social problems of our time can be solved within the framework of self-government and the private enterprise system.

What'd you expect us to put our Overhead Cam Six in?

An ordinary car?

Our revolutionary 165-hp OHC 6 is so revolutionary we had to do something special with it. So we made it standard in all Tempests and LeMans. You see, it was inspired by those famous overhead cam engines in expensive European sports cars. With a few Pontiac refinements, of course. And with a power reserve for expressway passing you'd normally expect from a V-8.

lot of big V-8s seem awfully extravagant. Which is why we say, with a six like this who needs an eight?

Incidentally, a four-way hazard warning flasher, backup lights, and GM's energy absorbing steering column are some of the safety features also standard in Tempests and LeMans. How can you resist seeing your Pontiac dealer today?

Haskell County History

30 YEARS AGO
 (November 26, 1936)
 Among the large number of Haskell students who are attending colleges and will spend Thanksgiving with relatives are Misses Gerry Norris, Sue Hood and Kathleen Crawford from Lubbock; Miss Gladys Fouts from Abilene; and Lowell Thomason who is attending college in Denton.

Mr. and Mrs. Messmer and F. L. Daugherty of this city attended the Shrine Ceremonial staged by Maskat Temple in Wichita Falls Friday.

After a ten day hunt in Gillespie county, remaining members of a party of nine Haskell nimrods had trickled back home Wednesday afternoon. Seven bucks were bagged by the hunters during their stay in the deer country, the trophies ranging from six to fourteen point specimens. Hunters returning Wednesday were Frank Reynolds, Sam A. Roberts, C. O. Scott, R. B. Guess, Al Cousins, J. W. Gholson and Rev. W. R. Whitley. Dr. L. F. Taylor and C. G. Burson, also members of the group, spent only a few days at the opening of the season, returning home last week.

Report of W. P. Trice, special agent for the Department of Commerce shows there were 17,341 bales of cotton ginned in Haskell County from the crop of 1936 prior to November 14, as compared with 23,577 bales ginned to the same date last year from the crop of 1935. Ginner and cotton buyers estimate the crop this year at around 20,000 bales.

W. L. (Bill) Richey, member of the Haskell High School faculty and athletic coach for the past eight years, resigned this week to enter private business. Mr. Richey was the honor guest at the annual Lions Club-Indian football squad banquet Monday night.

Mrs. J. W. Gholson, Misses Elsie and Marjorie Gholson and Frankie Doris Bledsoe attended a girls' football game in Anson Wednesday.

T. P. Hughes and Roy Ratliff made a business trip to San Angelo Sunday.

Miss Alberta Orr spent the weekend in Breckenridge with friends and relatives.

40 YEARS AGO
 (November 25, 1926)

Work is progressing on the new city hall building, the foundations are already laid and the material is on the ground for the completion of the building. The new building will be a two-story structure 50x40 feet and will furnish ample room for the affairs of the city for the present. There will be a suitable department for the fire trucks, Mayor's and secretaries offices with a large auditorium for the city court room, fireman's dormitory and a place for the keeper of the trucks to reside and two steel cases for the confinement of city prisoners. This will be a brick and tile building furnished with white brick and stone trimmings.

Dr. L. F. Taylor and J. W. Gholson returned last Saturday night from their annual deer

hunt in South Texas. They were joined by others at San Saba and the party proceeded to the hunting grounds where according to the reports four bucks and three wild turkeys were killed.

Miss Madeline Hunt who is teaching music in the Brownwood schools, is spending the season's holiday with her parents, Mr. and Mrs. Courtney Hunt.

Supt. H. D. Neff, Mr. L. K. England and Miss Clarine Brannon left Wednesday for the State Teachers convention at El Paso.

Miss Dessie Kennedy, who is attending McMurry College in Abilene, spent last weekend with her parents, Mr. and Mrs. J. F. Kennedy.

Miss Maurine Couch, who is a student in Baylor, sends word that she will spend Thanksgiving in Houston.

Miss Ruby Fitzgerald, who has been in the County Superintendent's office for the past year has gone to Electra where she will teach music and art in the public schools of that place.

Mr. and Mrs. Tobe Hatch and baby Doris Christine have just returned from a trip to Spur and Crosbyton where they visited relatives.

Miss Douglass Surrat has gone to Albany where she will spend Thanksgiving with her parents.

60 YEARS AGO
 (December 1, 1906)

Among the visiting lawyers at our district court this week were Messrs. B. B. Greenwood of Stamford; Hon. J. F. Cunningham of Abilene; J. A. Stephens of Benjamin and J. H. Glasgow of Seymour.

The Free Press mentioned last week that cotton was coming to the Haskell market from Throckmorton county. Another string of wagons came in from there the last of the week with 60 or 70 bales. Heretofore the Throckmorton cotton has been going to Albany and Seymour for sale and shipment and the fact that it is now turning to Haskell indicates that the farmers are finding a better market here for their cotton as well as for the merchandise they buy than the other places afford. Our merchants will no doubt see to it that they keep on coming.

Mrs. J. W. Meadors returned Sunday from a visit of several weeks with her sister, Mrs. W. B. Anthony at Austin. She also visited Misses Lizzie and Ches Mason at San Antonio while away.

The Baptist ladies will serve oysters Monday evening from 4 to 11 p. m. at the restaurant near the post office.

Mr. S. W. Wright, who lives west of Rule, was in Haskell the other day and told us that he made a fine corn crop this year but that his cotton was short. He lives in the section where the bollworms damaged the early crop of cotton very seriously and the crop of bolls put on after the boll worms quit was kept green and growing so late that most of it was caught by the frost, so that the cotton yield is rather light in that part of the county. Fortunately the area damaged by worms was not very large and in other portions of the county cotton is yielding from one-third to a bale or more per acre.

Mr. H. F. Monke of Weinert was in Haskell Wednesday.

Mr. H. J. Ricketts of Weinert was in Haskell Wednesday and reported the town of Weinert was on a boom.

Highland Pops Paint Creek In Bi-District

Highland, finding no luck in the air, ground out 280 yards running, enroute to an easy 40-19 win over Paint Creek at Roscoe last Thursday night.

Paint Creek, gaining most of their yardage on passing, made a game of it until Highland forged ahead to stay on two quick second quarter TD's, the first on a 19-yard sweep by hard running Terry Clark and an 8-yard burst by Al Dolloff.

At that time, Paint Creek held a 19-16 lead but Highland took a comfortable 32-19 lead into the dressing room on the two TD's and two 2-point extra points on kicks.

In six-man football, kicks for extra points count two—a run scores one.

Clark led the Hornets with 28 points on three touchdowns and five PAT's, each two points. Dolloff and Scott Monroe pitched in six apiece.

Paint Creek started quickly with a Bill Coleman to Dudley Cockrell scoring pass for 49 yards. Then Jim Ballard returned a punt for 58 yards to give Paint Creek the lead, 12-3.

Paint Creek's last score was a Coleman to Ballard scoring aerial, giving them their last lead, 19-16, and last score: Highland..... 16 14 0 9-40

VISIT IN CANYON

Mrs. Mary Scott and son, Riley, spent Thanksgiving with her son, Grady Scott and family in Canyon. They also visited in Lelia Lake with Mr. and Mrs. Elmer Chapman, former Haskell residents.

Sagerton News

By MRS. DELBERT LEFEVRE

Mr. and Mrs. Kenneth Stegemoecker, Diane, Charles and Danny, of Dallas, spent the Thanksgiving holidays with Mr. and Mrs. F. A. Stegemoecker.

Mr. and Mrs. Marvin Stegemoecker and family of Kress, Texas visited with C. E. Stegemoecker and Mr. and Mrs. Leon Stegemoecker and children for Thanksgiving.

Mr. and Mrs. Joe Clark and their little grandson, Coleman Bivins, son of Mr. and Mrs. Don Bivins of Carlsbad, New Mexico, visiting with them last week.

Mr. and Mrs. Joe Swofford and children went deer hunting over the Thanksgiving holidays.

Mrs. Bob Foote Guest Speaker At Rainbow Club Thanksgiving Banquet

"I hope each heart will say... Our God we thank you for every spiritual and material blessing we have," Mrs. Bob Foote, guest speaker, told members of the Rainbow Club and invited guests at the annual Thanksgiving banquet held in the dining room of the First Methodist Church Tuesday, November 22, at 7:30 p. m.

Mrs. Jim Fouts, club president, introduced the guest speaker and the traditional candlelight service was conducted by Mrs. F. L. Peavy.

Continuing, the guest speaker said: "We have had Thanksgiving throughout the ages. Reading Revelations Chapter 7:11-12 verses, Mrs. Foote said: "John was a prisoner in Patmos when writing of the first Thanksgiving."

"The first Thanksgiving really had its beginning in England with the sailing of the Mayflower in 1620, and landing on Cape Cod in a settlement called Plymouth," Mrs. Foote pointed out.

"It was a hard winter and Governor Bradford died the first winter. The Indians planted and the harvest was great and a day of Thanksgiving was called. The Indians brought five deer and the Pilgrims brought wild turkey and pumpkin pies. The feast lasted three days.

"George Washington in 1789 proclaimed Thanksgiving a state affair until Abraham Lincoln proclaimed it a national holiday and it has continued.

"Modern days have made football one of the outstanding events, but the original ideas are the same thanks to God," Mrs. Foote concluded.

A program of songs was conducted by Rev. J. V. Patterson, and Jim Fouts, accompanied at

the piano by Mrs. J. F. Cadenhead Sr. Mrs. Hattie Carter of Dallas, a guest of Mrs. Ann Taylor, came the furthest distance to attend.

Guests included Rev. and Mrs. J. V. Patterson, Mr. and Mrs. Ray Cothron, Mr. and Mrs. Bob Foote, Mrs. J. F. Cadenhead Sr., Mrs. F. L. Peavy, Mrs. Thalia Jenkins, Mr. and Mrs. Shelby Johnson, Mrs. Hattie Carter of Dallas, Mrs. Mary Hoaney, Mrs. Maggie Larned, Mrs. Pearl Holmesly, Mrs. DeWanna Klose and Tim and Johnnie Larned.

The program was dismissed with prayer by Walter Rogers.

Progressive Study Club To Meet Tonight

The Progressive Study Club will be honored with the presence of Mrs. B. F. Seay, president of Texas Federated Women's Clubs, at its meeting tonight, Thursday, Dec. 1.

In her hometown of Andrews, Mrs. Seay was executive secretary of the American Red Cross for 16 years and a charter member of the Youth Center Council, the school advisory committee, the Andrews Study Club and member of the Chamber of Commerce and AAUW.

In September she attended the GFWC Board meeting in Washington, D. C., as one of five representatives from Texas. While she was there, Mrs. Seay was invited to the White House by Mrs. Johnson to meet the President of the Philippines, Ferdinand Marcos, and his wife. After the ceremonies in the East Room, a small reception was held to which only 20 guests were invited. In the receiving line were the President and Mrs. Johnson, President and Mrs. Marcos, Dean Rusk and Mrs. Rusk, the Ambassador from Formosa, and General and Mrs. Wallace Green from the Joint Chiefs of Staff.

Having been invited was quite an honor as Mrs. Seay and Mrs. Howard Hodge, also of Texas, were the only two civilians who attended the reception.

An exhibit of Christmas candies, crafts, and other creations by club members will be displayed.

MRS. FITZHUGH WILLIAMS...formerly Gloria Jean Prichard

GLORIA JEAN PRICHARD IS WED TO FITZHUGH WILLIAMS

Miss Gloria Jean Prichard and Fitzhugh Lee Williams exchanged wedding vows Thursday, November 24, Thanksgiving Day, at three o'clock in the afternoon at the home of Dr. and Mrs. T. W. Williams, The Reverend J. V. Patterson, pastor of the First Methodist Church, officiated.

Vows were said in front of the fireplace before an improvised altar of lemon leaves flanked by tall standing baskets of white chrysanthemums.

Parents of the couple are Mr. and Mrs. Lon Edward Prichard of 43 Hitchens Lane, Newport News, Virginia; and Dr. and Mrs. Temple W. Williams of Haskell.

The bride wore a two-piece suit with matching hat. Her corsage was cymbidium orchids.

The bride is a graduate of Warwick High School, Newport News, Virginia, and Cashier Training Institute of Newport News. She was employed there as a teacher before her marriage.

The groom is a graduate of Haskell High School and received his B. S. degree in Industrial Arts from North Texas State University, Denton. He is employed by General Dynamics, Fort Worth, as a design draftsman.

For the reception, the table was laid with a linen cutwork cloth centered with an arrangement of white butterfly roses. Other appointments were of crystal and silver.

The couple reside at 2608-A Merrick St., Fort Worth.

Postmaster Davis Issues Statement Regarding Postal Savings Certificates

United States Postal Savings certificates totaling \$10,875.00, which are on deposit at the Haskell Post Office, are now earning little or no interest for our local depositors, Postmaster Tommy Davis revealed today.

Nationwide, the Post Office Department is holding more than \$147 million in the now ob- solete program which was dis- continued by the Congress on March 28, 1966.

As of April 27, 1966, Postal Savings were discontinued and no deposits were accepted by the Post Office Department. Certificates whose anniversary dates have reached since last April 26 have earned their final interest payment. Those whose anniversary dates fall between now and next April 26 will receive interest until their next anniversary dates, but they can be cashed at any time and a proportionate amount of interest will be paid. After April 26, 1967, no interest will be earned by any Postal Savings accounts, Postmaster Davis said.

Postmaster Davis suggests that all Postal Savings deposi- tors close out their accounts as soon as convenient so they can put their funds to more pro- ductive use. He also reminded depositors that U. S. Savings Bonds paying a current rate of 4.15 per cent interest, if held to maturity, are an excellent in- vestment for both safety and in- come.

On July 1 of next year, re- maining funds in the program will be turned over to the Treas- ury Dept. There they will be deposited in a trust fund where they will remain until pay- ment without interest is received.

UP TO FARMER TO MAKE DECISION IN REFERENDUM

During next week, December 5-9, Rolling Plains cotton farmers will have the opportunity to decide, in referendum, whether to put up a dollar a bale to finance a big expansion in research and promotion. It is squarely up to farmers to make the decision. "And whether that decision may turn out to be, it should be based on the facts and on a full understanding of the stakes that are involved," said Charles Stenholm, executive vice president of the Rolling Plains Cotton Growers, Inc.

Some of the facts include (1) higher priced synthetics are taking over our market—over 2 million bales in the last two years, (2) new synthetic fiber plants are scheduled with additional manufacturing capacity equal to another 3.5 million bales of cotton by 1967, (3) carryover is at an all-time high with acreage lowest since 1872, (4) if we want to keep growing cotton, we must sell more cotton, (5) if we are to sell more cotton, we must meet our competitors in the field of research and promotion.

These and many other facts are not being disputed. Opposition to the Cotton Research and Promotion Act which will be voted on next week concerns two main points. Number 1 is that it is a compulsory check-off program and Number 2 it will be controlled and run by the Secretary of Agriculture. These are not factually upheld but are interpretations of what is written and intended by the Act, as written by farmers and passed by Congress.

Cotton is in trouble. No one can deny this fact. For cotton to compete, we, as farmers, must do a better job of promoting our product. To promote our cotton we must have money put up by the farmers. The issue then is whether the Act will be voted on next week or the purely voluntary CPI program that has thus far failed, should be the method of providing the funds and machinery

HOT COTTON

Haskell firemen answered a call around 6:00 p. m. Thanksgiving Day near Irby when a load of cotton belonging to Turner Grogan ignited. Virgil Sonnemaker was bringing the cotton to Haskell in a trailer belonging to the Duncan Gin when it caught on fire. No damage was reported to the trailer and only about a half bale of cotton was lost.

VISIT HERE

Major and Mrs. Curtis Cross visited in Texas after 15 months in Honolulu, Hawaii. Flying to El Paso they visited with their son, Curtis Cross Jr. and wife and their grandson, Paul Cross. From El Paso they went on to Laferia where they visited with Mrs. Cross' mother, and from there they came to Haskell to visit with his mother, Mr. and Mrs. Oris Brinlee. Their daughter and husband, Barbara and Rodney Mills, of Beaumont, met them here for a visit.

The Major and wife left Monday for another 15 months in Hawaii.

Also here for the holidays were Mr. and Mrs. P. E. Vaughn, brother of Mrs. Brinlee, from Cassville, Mo., who visited with the Brinlee's and his mother, Mrs. Anna Vaughn.

Kelly and Guy, spent the holidays with Mr. and Mrs. Guy Moberley at Plainview, and Mr. and Mrs. Preston Pointer at Littlefield.

Haskell Girls Topple K. C.

Haskell "A" and "B" girls played Knox City here last Friday night. The final score was Haskell 30 and Knox City 23. Our forwards scored as follows: Catherine Josselet, 16; Kathy Burson, 8; Marijane McAdoo, 2; and Judy Jeter, 4. Haskell's "B" team girls lost 23 to 36.

Girl Scout Cookie Sale Is Planned

The Rule Bobcats slipped by the Haskell Indians with a narrow 51-48 win. Ray Herren, Keith Chapman and Douglas Bartley, all hit 11 points for the losers and Riley Couch and Stanley Fancher led the Haskell rebounders.

Mrs. Wilbert H. Klose was in Abilene, Monday, for a luncheon at the Starlight Inn, for the purpose of planning and discussing the annual Girl Scout Cookie Sale to be held in February.

Mrs. Klose is serving as cookie sale chairman for Haskell.

Elliott Brothers, Sisters Celebrate Thanksgiving With A Family Reunion

The Elliott brothers and sisters celebrated Thanksgiving with a family reunion in the home of Mr. and Mrs. L. A. Proctor, 804 N. 6th St., Haskell, on Thanksgiving Day. The family will be remembered as the children of the

late Mr. and Mrs. W. C. Elliott. The family moved to the Rule community in 1915, then moved to the Knox City community in the early 1930's. Eight of the nine living brothers and sisters were present. Mrs. E. P. Wright, the oldest is deceased. The Wright's are also remembered as living in the Rule community.

Questionnaires Sent Out By VA

Income and dependency questionnaires for veterans and their dependents will be included with November checks, Howard Sloan, county veteran's service officer here, said.

Sloan said questionnaires will be sent to all VA pension recipients and should be completed and returned promptly to the VA before January 31, 1967, in order that pension payments may be continued.

Assistance in filling out the questionnaire may be had from Sloan's office in room 25 of the Haskell County Courthouse.

Be sure to sign up for Medicare in one of the three months before you become 65 so protection will start with the month you reach 65.

Palm Beach Engineers A Fall Suit With Your Shape Cut Right Into It

Palm Beach* has engineered a winter suit to fit without flaw—now, and months of steam heating and snow storms from now. Fit starts by being cut into the fabric by precision Palm Beach machines that reproduce intricate, multi-part patterns, exact to the most minute measurements. Fit stays because Palm Beach cuts it into Blenron*, a fabulous fall weight blend of 55% Dacron* polyester fiber and 45% wool worsted. Blenron holds out against wrinkles, holds onto its press.

This Palm Beach engineered suit of Blenron shows how technologically advanced sewing, shaping and pressing machines bring you a suit that fits perfectly without the expense of costly hand labor. It shows in the way the collar contours to your neck, in shoulders that conform to yours, in all the details of Palm Beach engineered tailoring. \$59.95 and \$69.95

PARTICIPATES IN FIRING EXERCISES

Pvt. John I. Martin, 24, whose parents, Mr. and Mrs. E. J. Martin, and his wife, Joy, live in Throckmorton, completed 8 weeks of advanced artillery training Nov. 18 at the Army Artillery and Missile School, Ft. Sill, Oklahoma.

He was trained as a cannoneer in field artillery.

His training included maintenance and firing of artillery guns, howitzers and heavy machineguns. Instruction was also given in ammunition handling and communications.

During his last week of training, he participated in day and night firing exercises.

TAX MAN SAM SEZ:

"How much sales tax can I deduct on my income tax return?" This was the most common question at Internal Revenue Service offices for many years. Internal Revenue has printed the average sale tax table for Texas as a part of the tax instructions. Be careful to keep your instructions that you will get in the mail right after Santa Claus comes to see you.

14,000 Samples Classed During The Past Week

The Munday Cotton Classing Office, of the U. S. Dept. of Agriculture, classed over 14,000 samples during the week ending Nov. 25, for the biggest week of the season, according to A. D. Peebles, in charge of the office. This brings the total for the season to over 43,500 samples.

Consumer and Marketing Service statistics for the week show grades averaging slightly lower, with 2 per cent of the cotton in the white grades; 79 per cent in the Light Spotted grades, 17 per cent in the Spotted grades and 1 per cent in the Tinged grades. Nineteen per cent of the samples were reduced in grade because of bark or grass. Leading grades for the week were Middling Light Spotted, 38 per cent; Strict Low Middling Light Spotted, 39 per cent, and Middling Spotted 10 per cent.

Peebles said staple lengths averaged about the same as the previous week. The range was about as follows: 7/8 inch and shorter, 2 per cent; 29/32, 40 per cent; 15/16, 53 per cent;

31/32, 3 per cent, and 1 inch and longer, 1 per cent.

Micronaire readings for the week show more cotton in the lower "mike" ranges with less in the high range, and about the same amount in the 3.5-4.9 premium range. About 6 per cent was in the 3.4 or lower range; 75 per cent and 17 per cent 5.0 and higher.

Volume of cotton selling at most points continued rather moderate, with little change in prices. Cotton Division summaries show prices mostly ranging from 25 to 65 points above loan value for Light Spotted grades, which were selling at greatest in volume. Average selling prices during the week for the predominate

grades were Mid Lt Sp. 15/16, 15/16, 17/80 cent 18.85 cents per lb; Sim LA Sp 29/32, 16.85 cent

Peace Corps To Test On Monday, December 5th

Haskell area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps placement test at 3:00 p. m. on Monday, December 5th, at room 2201, New Post Office Building, Abilene.

The Peace Corps uses the placement test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. (If test scores indicate a limited language-learning ability, for example, the Peace Corps tries to place the applicant in an English-speaking country.) The placement test requires no preparation and is non-competitive—an applicant can neither pass nor fail. The application form, not the placement test, is the most im-

portant factor in the selection of volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington, D. C. 20525.

The placement test takes about an hour and a half.

Only 10 Days Remain To Write Santa Claus

Attention boys and girls! Only 10 days remain to get your letter written to Santa Claus, in order that it might be published in the Christmas edition of the Haskell Free Press.

Deadline for receiving letters to Santa to be published in the Free Press Christmas edition is Saturday December 10... just 10 days from today. So, all good little boys and girls must hurry and write that all-important letter.

Get your pencil and paper and write TODAY, to Santa Claus, in care of the Haskell Free Press, or drop your letter in "Santa's" box just inside the front door of the Free Press office.

David Parsons Sustains Minor Injuries Saturday

David Parsons, 15, driving a 1953 Ford, rammed into a West Texas Utilities pole, sheared it off near the ground, broke open a gas meter and hit a fence on South First Street around 5:30 p. m., Saturday. He was alone in the car at the time of the accident.

City Chief of Police T. P. Barnett, said that Parsons, just a few minutes before hitting the telephone pole, sideswiped a car on the southside of the square in downtown Haskell and hit another car before crashing into the telephone pole.

Parsons was taken to the Haskell County Hospital but was released shortly afterwards as he received only minor injuries.

Investigating the mishap were Chief Barnett, Sheriff Garth Garrett, Deputy Sheriff Pete Mercer and Highway Patrolman Stuart Eriksen.

Weinert Students To View Karate Demonstration

Charles Scott, pastor of the Weinert Methodist Church, will entertain the student body of the Weinert school system with a Karate demonstration, Friday, December 2, at 2:45 p. m.

Rev. Scott holds a "black belt" degree in this ancient sport, and has won several tournaments. He will demonstrate board breaking and some of the forms that have to be mastered before one can participate in active Karate.

The public is invited to attend this demonstration. There will not be any charge to the program.

Rule Edges Haskell Girls

The 23 points accumulated by Haskell forward Kathy Burson and the 9 scored by forward Catherine Josselot were to no avail as the "A" girls of Rule over-powered the Haskell girls 43-36 on Tuesday night. Rule Bobcats Sue Gann and Sue May tied for Rule scoring honors, with 18 baskets apiece.

This loss gave the "A" girls from Haskell a 1-2 record leading into the game with Aspermont next.

Haskell girls' first game was played at Rochester Tuesday, November 15. "A" girls lost 65 to 36. High point for Haskell was Kathy Burson, 19 points, followed by Catherine Josselot with 13 points. The "B" team won 26 to 23. Anita Thigpen was high point with 16 points.

GET AN INSURANCE CHECK-UP

Your Property Insurance program may be in bad shape. For example, it may suffer from serious ailments like . . .

- Underinsurance — Not enough insurance to take care of increased property values and liability exposures.
- Obsolescence — Out of date contracts that don't offer today's "package discounts" and broadened protection.
- Inconvenience — Too many policies, premiums, renewal dates. Lots of red tape. A real nuisance.

To have your protection checked — without cost or obligation — see or call your independent insurance agent.
