Mothers To March In MOD Drive February 10

A Mother's March next Thursday night, February 10, headed by Chairman Norma Childress and Sandra Mathews, will highlight the 1966 March of Dimes Drive campaign in Haskell, James Franklin, local chairman has announced. Mr. Franklin and Mrs. Childress are asking for volunteer workers from the various ladies clubs to help with the drive.

The Mothers March will be a one-night drive only, and residents wishing to participate are asked to have their contributions ready on Thursday night, February 10.

Receipts have been placed in stores in downtown Haskell in which residents may place their contributions for this worthy cause.

March of Dimes contribution envelopes have been distributed to the Elementary School children in Haskell. At Mattson, H. L. Guess, school superintendent, has placed the envelopes in the hands of all the school children, Franklin said.

Mrs. Mable Overton will work the Paint Creek schools and that area in the MOD drive. Mrs. Tom Yates will carry the MOD torch at Weibert in the interest of the drive.

Franklin said that this year's March of Dimes campaign is primarily to fight the disastrous results of birth defects, but also to assist polio patients.

Birth defects affect approximately 250,000 children each year with more than 600 known types.

Franklin said Mothers will fan out over Haskell beginning at 7:00 p. m. Thursday night, February 10, and the assistance of all women's organizations here is earnestly solicited. Anyone desiring to help is requested to come to the Community Room, Haskell National Bank, on the night of February 10, to receive a block assignment.

The areas of activity in which TNHA engages include information, education, public relations, and many others. TNHA's prime objective is to work for the professionalization of nursing home personnel with the care of the patient as the ultimate consideration.

Rash Of Car Accidents Due To 'Icy' Roads

A rash of car accidents "broke out" here Friday, Saturday and Sunday, as a result of the "icy roads," Sgt. Frank Jircik, Jesse Priest and Tim Terrell of the Highway Patrol said.

Charles Campbell, 28, driving a 1961 Chev. pickup and a 1964 Oldsmobile, driven by Kenneth Sparks, 39, were involved in a mishap in Weibert Friday morning. Considerable damage resulted to both vehicles.

Also Friday morning, 2 miles north of Rochester on 283, Vernon Sparks of Rochester, 41, driving a 1964 Chevrolet pickup and a 1963 Ford, driven by Andrew Motes, 61, of Jayton, were involved in a "fender bending," but only minor damage occurred.

Saturday morning, north of the county line on 277, Darretha Dunnam, 24, driving a 1963 Chevrolet hit the brakes and slid into Jack Crockett, 32, at the wheel of a 1966 Ford. Only minor damage reported.

Sunday morning, Anthony Byrd, 23, Lubbock, in a 1960 Oldsmobile, hit his brakes and slid into rear end of a 1962 Chevrolet, driven by Holly Hill, 22, on 283 South of Rule. Minor damage was reported.

Moisture Above Normal Here In January

With snow, sleet, rain, fog and drizzle falling here during the month of January, Haskell has gotten off to a good start moisture-wise.

Normal precipitation for January is .91 inch, while a total of 1.15 was registered here during the past month, according to figures released by Sam Herren, "the weatherman."

From the rain, melted snow, etc., here is how the moisture fell during January:

Jan. 2, .07; Jan. 5, .01; Jan. 18, .04; Jan. 19, .35; Jan. 20, .02; Jan. 21, .26; Jan. 22, .24; Jan. 28, .14; Jan. 29, .02. Total 1.15.

A look at these figures reveals the greatest amount of moisture fell on January 19.

Highest temperature reading for the month was a balmy 73 on January 9th. The lowest reading was "zero" on January 23.

Haskell Gets Another Four-Inches of Snow

Haskellites were greeted with more of that "white stuff" when they ventured out Friday morning and by 1:30 p. m., when the snow stopped, Haskell had received another 4 inches, 16/100 of an inch of moisture was squeezed from the 4-inch snow.

The strong north wind, with blowing snow had all the earmarks of an "old time West Texas blizzard." Snow drifts in places were two to three feet deep and the temperature hovered in the lower 20's Friday, dropping to 5 above zero Saturday and Sunday morning, according to Sam Herren, the weatherman.

The 16 of an inch of moisture from Friday's snow, plus the .91 of moisture from the previous snows, brought the moisture content total to 1.07 inches, during the past two weeks.

Haskell schools remained open Friday, but very hazardous driving conditions existed.

Since January 17th, Haskell has received 14 1/2 inches of snow.

Texas Teenage Baseball Meeting Monday Night

For the purpose of planning this season's baseball play, a Texas Teenage baseball meeting will be held in the District Courtroom, Haskell County Courthouse, Monday night, February 7th at 7:00 o'clock.

Get Those C of C Banquet Tickets!

The annual Chamber of Commerce Banquet is just around the corner... Friday night, February 25, at the Elementary School Cafeteria.

Only 321 tickets are available, and residents may remember that last year it was a "sell-out," so better make arrangements today for those C of C Banquet tickets.

Tickets may be obtained from any member of the B&PW Club, Opal Adkins, chairman, or at the Chamber of Commerce office.

The Business and Professional Women's Club is in charge of ticket sales and the Progressive Study Club will take care of the decorations.

Last Rites Are Held For Mrs. J. H. Ivy

Mrs. J. H. Ivy, 82, of Haskell, died at 9:35 a. m. Sunday following a heart attack at the home of a daughter-in-law, Mrs. Raymond Brewer.

Funeral was held at 3:30 p. m. Tuesday in the Haskell Church of Christ with T. J. Finley, minister, officiating. Burial was in Willow Cemetery with Holden Funeral Home in charge.

Born May 8, 1883, in Dallas County, she married Floyd Jacobs in 1902. He died in 1908. She married J. H. Ivy May 26, 1911, in Nevada, Texas. He died February 26, 1946.

Survivors are one daughter, Mrs. Edna Odum of Selma, Calif.; six sons, Doyle Jacobs of Anson, Cecil Jacobs of Westlaco, Henry Ivy of Crane, Vernon, Volly and Leon Ivy, all of Haskell; two brothers, Ozzie and Newt Raglan, both of Mesquite; three sisters, Mrs. Ruby Leatherman of Fort Worth, Mrs. Maggie Taylor of Terrell and Mrs. Sadie Kelly of Oklahoma; 21 grandchildren and 19 great-grandchildren.

Palbearers were Dan Wester, Harry Howard, Alvin Hall, W. N. Mercer, Johnny Sparkman and Elton Culberth.

Two Rochester Men Being Held for Burglary

Jeff Penny Jr. and Robert Charles Royle, of Rochester, each about 25 years of age, are being held in lieu of \$1,000.00 bond pending grand jury action, Haskell County Sheriff, Garth Garrett, said.

The two men are accused of burglary of the Pete Raynes home about 5 1/2 miles northwest of Weibert, on or about January 9, 1966.

Garrett said the men entered the Raynes place, took all the available copper tubing and brass. They also broke off all the copper lines to an outside Butane tank and 225 gallons of Butane drained out.

Sheriff Garrett said that Royle and Penny admitted several other thefts.

2,261 Poll Taxes Paid In County For This Year

Mrs. Norma Childress, Haskell County tax assessor-collector, reported that 2,261 poll taxes and 27 exemptions have been issued for 1966.

This compares with 1,744 poll taxes and exemptions in 1965, an off-election year.

These figures reveal there were 544 more poll taxes issued this year than in 1965.

A total of 682 poll tax receipts were issued Monday, deadline date, Mrs. Childress said. Last election year, 1964, poll taxes hit 2,945 in Haskell County.

Texas Employment Commission Now Recruiting Job Corps Applicants

The Texas Employment Commission is screening and recruiting prospective Job Corps applicants, Bill Estep, Haskell manager announced today. The Job Corps is a major program of the Office of Economic Opportunity, which coordinates the nationwide war on poverty. The applicants being sought must be between 17 and 21 years of age, out of school, and not working on a regular job. The Job Corps Centers are located at various places throughout the United States.

Members of the Job Corps will perform needed conservation work on the nation's forests, parks and other natural resources. Working under the personalized instruction of experienced men, they will learn something about surveying, forestry, weed and pest control, farming, carpentry, masonry, fire control, cooking or perhaps typing. They will receive basic education to improve their abilities in reading, writing, arithmetic and oral communication; guidance in how to apply for a job; self-government; health education; and physical training. Sports, hobbies, and other recreational activities will be available to youths in their free time and there will be opportunities to attend religious services.

Any prospective applicant residing in Haskell, Stonewall, Knox or Throckmorton County interested in additional information regarding the Job Corps should immediately contact the TEC office located at Room 5, Courthouse, Haskell, Texas.

Big Election Year Looms As Filing Date Deadline Nears

Guest Speaker Tells Rotarians That Many Pressures Face Today's Youth

Garnet Gracy, vice-president of the First National Bank, Abilene, spoke to members of the Rotary Club at last Thursday's noon meeting at Felker's Restaurant dining room.

Roy Johnson, active vice-president of the Haskell National Bank, was in charge of the program and introduced the speaker.

Mr. Gracy pointed out the unusual pressures upon our youth today and how adults need to understand these pressures and try to help young people make adjustments in their complicated life.

"Fifty-seven per cent of the U. S. population is under 25 years of age," the guest speaker said.

"One of the pressures that face our youth, as it has since World War II, is that of serving at some time in their experience in the armed services. This tends to create a tension in many different areas of their life...vocation, marriage, etc.," Gracy said.

"No other time in the past few generations have our youth been torn between the racial ideologies as those within the present generation. The conflict of a new morality in which our Supreme Court has had such a prominent role in making decisions concerning the freedoms that our publishers have in their obscene publications called art," the guest speaker said.

"There is little we can say in

blaming the government for the conditions in which we find ourselves, for by and large we have what the majority evidently wanted and we have been to blame for electing those that would share in some way a cut with us," Gracy pointed out.

"Competition is so great in the field of industry that it is making it harder for youth to find themselves prepared and able to fill the necessary jobs. Younger men with greater 'know-how' are taking over in business because the technical advancements have progressed at such a rate that there are none with experience in the field, therefore, the younger man is taking over," Gracy said.

"In too many instances our teachers are more interested in the genius type of student and are neglecting the fact that the average student and sometimes the poorer student are those upon whom we must depend to carry on the work of our country. These students in many ways are being short-changed in favor of those who have very outstanding abilities. We must realize that it takes all types of people to run our nation and we must prepare all to give their best in service," Gracy concluded.

Guests present were Stark Woodard, Rotarian from Webster Groves, Mo., Bob Martyn of Quanah, David Middleton and student guests Bonnie Howard and Ronnie Hilliard.

Work Begins On Surplus Commodity Storage, Distribution Building

Construction began this week on the Haskell County Surplus Commodity and Distribution Building, on the lot east of the Haskell Free Press.

McRan, Incorporated, of San Angelo, Texas, was the low bidder of \$13,474.80 on the 40x80 ft. steel building. McRan's bid was accepted by the Haskell County Commissioner's Court, last December 20, with 60 working days for completion.

The building will be similar to that of the Super-Save and Masonic building, and will add greatly to the appearance of the southeast corner of downtown Haskell.

Lions Hear Inside 'Dope' On Pro Football

Earnest Park, offensive tackle for the San Diego Chargers, professional football team for the past three years and son-in-law of Mr. and Mrs. Hubert Bell, of Haskell, spoke to members of the Lions Club at the Tuesday noon-day luncheon meeting at Felker's Restaurant dining room.

During this "off-season" period of time Park and his wife are attending McMurry College in Abilene, where he is working towards his Master's Degree, and Mrs. Park her BS degree.

The Miami Dolphins have drafted Park to play with them next season, however, "Uncle Sam" has first choice...and he may be playing on "Uncle Sam's" team come this fall.

Park, an all-around athlete, is also very active in civic affairs.

In his "off the cuff" talk before Lions, Park spoke chiefly about the methods of drafting for professional football teams.

Guests noted at Tuesday's meeting other than the speaker, were: Park's wife and Mrs. Hubert Bell, Mrs. Ted Dement and little son, Joel, of Abilene; Benjie Young, member of the Cactus Lions Club, Abilene, Opal Adkins and Nettie McCollum.

Directors Meeting Following reading of the minutes of the directors' meeting held Tuesday morning, Lions voted on the following projects at the noon-day session: To give \$50.00 to the Haskell High School athletic department; to hold the annual Mop and Broom Sale, Tuesday, May 3; to present the Soil Conservation award to the outstanding farmer of the year in April and to begin immediately Operation U.S.A. Glasses' project, with Royce Wood, minister of the First

Farmers Union State President, Jay Naman, of Waco, will be present to discuss various phases of the farm program.

Allen Davis, president of the Haskell County Farmers' Union, will preside over the meeting and is urging all members and anyone interested to attend.

Dwayne Bland's Car Destroyed By Fire, Sunday

A 1954 Chevrolet belonging to Dwayne L. Bland, was destroyed by fire at 8:00 p. m. Sunday at the Clyde Bland home around four miles south of Haskell.

Dwayne, who resides in Stamford, had been visiting in the home of his parents and remarked that he was going to go start his car and let it warm-up. When he went outside, the car was engulfed in flames.

Floyd (Satch) Lusk, fire department supervisor, said a fire truck was called to the scene, but the vehicle "was too far gone" to save it.

Lusk said the Haskell Volunteer Fire Department received three calls, Sunday, but two of them were false alarms.

Raja Hassen Elected C of C President

In a meeting of the directors of the Chamber of Commerce Wednesday morning, 7:00 o'clock at Felker's Restaurant, Raja Hassen was elected president of the Haskell Chamber of Commerce.

Other officers elected at the early Wednesday morning session were: Abe Turner, vice-president; Mrs. Viars Felker, second vice-president and Robert Wheatley, treasurer.

The new officers will be officially recognized at the annual banquet, Friday night, February 25th, and will begin their terms of office on March 1.

State President Farmers Union To Speak Here

Haskell County Farmers Union will hold a meeting at 2:00 p. m. tomorrow, Friday, February 4, at 2:00 p. m. at Felker's Restaurant dining room.

Farmers Union State President, Jay Naman, of Waco, will be present to discuss various phases of the farm program.

Allen Davis, president of the Haskell County Farmers' Union, will preside over the meeting and is urging all members and anyone interested to attend.

A look at political activities reveal that next Monday, Feb. 7, is the deadline for candidates to ask for a place on the Democratic or Republican primary ballots. Filing fees must be paid within three days.

Haskell County contested races include County Judge; Commissioner 2 and 4.

In the County Judge race, incumbent Jim Alvis is being contested by Hallie Chapman.

Incumbent F. C. (Frances) Blake, in Commissioner, Precinct 4, has five opponents: Edward J. (Sam) Neinst, E. C. Collins, Dan C. Wester, Mack Earles and D. S. (Dave) Strickland.

In Commissioner Two, incumbent Leon Newton is not asking for re-election. Seeking this spot are Hollis Howard, R. L. (Jiggs) Edwards, Slover Bledsoe and B. F. (Bryant) Cobb.

The Congressional race, 17th District, is drawing considerable talk in Haskell County, as Eldon Mahon, Abilene Attorney, is pitted against incumbent Omar Burleson.

Also State Representative Roy Arledge is being contested by Frank Calhoun, Abilene Attorney.

A final okay on the candidates will come March 14 when the state executive committees of both the major parties meet in Austin. At this meeting the state committees also will announce the site of the important September state conventions, where party plans will be made for the crucial two years preceding the 1968 presidential election year.

Location of the September conventions is a much-discussed secret in both parties. Republican speculation leans toward Austin or San Antonio, probably the latter. Democrats also considered Austin but recently have investigated facilities in Dallas and Houston.

The 1966 September convention with its 6,258 delegate votes will be more than twice the size of the 1964 convention.

First day of absentee voting in person for the May primary is April 18, and May 3 is the last day.

After the May 7 voting and precinct conventions, there will be county conventions on May 14 and the state party committee canvass of election results on May 17.

Absentee voting in person for the second or run-off primary begins May 25 and ends May 31.

May 20 is the date set for statewide conventions of political parties that do not select nominees in primary elections. Conventions have been filed by the Constitution, Conservative and liberal parties.

June 4 is the second primary election with the statewide canvass of votes on June 18.

On August 8, publication must begin in one weekly newspaper of each county of the state of the 16 proposed state constitution changes to be on the general election ballot.

At the Sept. 20 state conventions the Democratic and Republican parties finally approve their slate of candidates, draw up a platform of party principles, and select a state party chairman and the 62 members of the state executive committee to serve the next two years.

Absentee voting in person for the general convention begins Oct. 19 and ends Nov. 4.

General voting is Nov. 8 with the statewide canvass of votes on Nov. 25.

Girl Scouts Set "Cookie Sale" February 11-19

Mrs. Royce Adkins, chairman, announced today that the Girl Scout Cookie Sale will be held here February 11 through 19.

So, when a junior Girl Scout knocks on your door, stock-up on cookies for valentine and other various occasions.

Money raised through the sale will help support Camp Booth Oaks and other worthwhile Girl Scout activities.

Mrs. Gene Elliott is serving as neighborhood chairman.

Mayor of Hurst Will Speak At Brotherhood Meet

Herman Smith, mayor of Hurst, Texas, will be the speaker at the Haskell-Knox Brotherhood meeting to be held on Thursday, Feb. 10, at 7:30 p. m. in the First Baptist Church of Rochester.

Mr. Smith, a building contractor, is a deacon in the Richland Hills Baptist Church in Hurst.

In behalf of the Haskell-Knox Brotherhood meeting, Gene Brown of Munday said: "This layman will inspire your heart."

BOY SCOUT WEEK

During the week of February 7-13, the 56th anniversary of the Boy Scouts of America will be observed by more than 5,665,000 boys and adult leaders in 143,300 Scout units throughout the United States. Scouting is a tremendous force for good in the lives of millions of boys, broadening horizons and creating an inbuilt sense of responsibility and duty that can never be forgotten in later life.

Today, over 30,000 organizations use Cub Scouting, Boy Scouting and Exploring as a part of their own youth programs for boys 8 through 17. The national organization charters Scout units annually, and they are sponsored by religious groups, schools and P-T-A's, service clubs, fraternal orders, veterans, government groups, business and industry, labor unions and other civic and community organizations. In line with their Promise, "To help other people at all times," Scouts and leaders will undertake service projects for their sponsoring institutions during their anniversary week.

Every Scout takes the following Oath: "On my honor I will do my best ... To do my duty to God and my country and to obey the Scout Law; To help other people at all times; to keep myself physically strong, mentally awake, and morally straight." Any boy who makes this Oath an important part of his life in his formative years will grow to be a man of which his family, his community and his nation may justly be proud. The Boy Scouts of America deserve the recognition, support and thanks of all of us during their anniversary week.

TODAY'S HEALTH GUIDE

The old-time "doctor book," of the kind that used to be a mainstay in multitudes of homes, has generally outlived its usefulness. It may actually present dangers to health nowadays, for large numbers of time-honored remedies have been made obsolete by modern discoveries and innovations. It is a striking fact that 90 per cent of the drugs which physicians now prescribe were unknown 10 years ago. And advances in surgery are being made daily.

But there is a definite need for a home medical book which is based on the most up-to-date knowledge and experience. The American Medical Association has just produced such a book, under the title, "Today's Health Guide." It is a massive work, lavishly illustrated, that runs to more than 600 fact-filled pages, all written in a manner which makes them both easily understandable and always interesting to the lay reader.

The guide covers just about every conceivable subject that has to do with our health. The anatomy of the human body is depicted and explained. The safeguards that all should adopt, such as periodic health examinations, are detailed. The problems of mental and emotional health are dealt with. There is a chapter on safety...in the home, on the highways, on the job, on the farm, and so on. Other chapters deal with dangerous and disabling diseases, the proper use of drugs, modern surgery and community health resources. There is a section on medical folklore...on the mistaken beliefs, some age-old, that in many instances can be a menace to health. And there is much more.

When illness or accident strikes, of course, no book can take the place of a doctor. But a work such as "Today's Health Guide" can be of great value in guarding and promoting good health. It has a place in every home in the land.

REALLY A BARGAIN

Rising prices bedevil great numbers of American families. Inflation has cut deeply into the dollar's purchasing power and continues to cut. Yet, there are essentials that all of us buy which can be regarded as bargains today. And one of them is food. Records reveal that in 1912, the average family had an income of \$11 a week and spent 40 per cent of it on food. Today, that average income exceeds \$126 and only \$25 of it goes for food...and it is more and better food.

Comparisons with other countries are revealing, too. The American worker's food bill runs to about 19 per cent of his earnings. In England, the figure is 29 per cent; in France 31 per cent; in Italy 45 per cent...and in Russia, a staggering 53 per cent!

The productive power and efficiency of the American farmer must be given much of the credit for this. But other factors play a major role as well. That is the case with American retailing. Working on the mass distribution principle, typical retailers operate at a profit that is unbelievably low.

The average family spends \$1.170 a year for its food...and the average retail profit on that sum is just \$15. Yes...food is a bargain.

Mr. C. H. Burton, the Sagerton real estate man, was in Haskell yesterday.

"Hello, Stranger, who got you to come to this country?" Stranger: "Mr. Cahill, of course. He is representing the Haskell Real Estate Company. His firm is advertising all over the east."

It was through the efforts of T. C. Cahill, Haskell Real Estate Company's travelling agent, that so many Bell county

men were brought to this county.

Mr. John Carothers has resigned his position with Messrs. Foster & Jones and accepted a position as bookkeeper with Alexander Mercantile Company.

Mr. C. M. Hunt left this week for Dallas and Chicago to purchase spring stock for his firm.

Mr. C. M. Brown, former tax assessor, who now resides near Carney, was in Haskell a couple of days this week.

On last Thursday evening the Presbyterian Ladies Aid Society entertained the societies of the other churches at the Presbyterian Church.

Mr. Jacob Hemphill was doing business in Haskell yesterday.

VA Questions And Answers

Editor's Note: Veterans and their families are asking thousands of questions concerning the benefits their Government provides for them through Veterans Administration. Below are some representative queries. Additional information may be obtained at any VA office.

Q—Do I have to travel to the Veterans Administration Regional Office to obtain the required certificate of veteran status for a home loan from the FHA under the new Housing Act?

A—No, that will not be necessary. The mortgage banker, who will handle the home loan, has been supplied the certification paper, VA Form No. 26-826L, which he will forward to the VA. To insure prompt certification by the VA, you should submit with his request all discharge or separation papers from all periods of active service. Also, if you have ever filed a benefit claim of any kind with the VA, supply your claim number (C-Number) on the form.

J—I am receiving pension benefits from the VA and must report my income each year. How do I deduct the 10 percent allowed on my Social Security. There is no space to do this on the questionnaire.

A—The person reporting income does not take the deduction. The full amount of your income must be reported and the VA will allow the 10 percent exclusion as applicable.

Q—I am a disabled veteran of World War I with a 100 per-

cent disability. I have a daughter who is going into her last year of high school and I have been told that she may be eligible for free schooling in some college through assistance from the VA. I also thought that I am entitled to new dental plates. Am I correct?

A—The son or daughter of a veteran who is rated with a 100 percent disability on a permanent basis may be entitled to an educational allowance of \$110 a month while attending school beyond the high school level. The maximum entitlement is 36 months. An eligible child may file for this benefit by completing VA Form 21E-5490.

Q—At the time my husband died, I could not locate his discharge papers and therefore did not receive a burial flag. May I get this burial flag now?

A—Yes. A flag will be issued if circumstances at the time prevented your receiving the flag prior to interment. The applicant must personally sign and set forth the circumstances on the application.

Q—What is the final deadline for World War II GI loan applications?

A—Individual World War II veterans face their GI loan deadline ten years from the date of discharge or release from service plus one year for each three months of active wartime service. However, the final deadline for all World War II veterans is July 25, 1967.

Veterans discharged from service because of a service-incurred disability will be given until July 25, 1967, despite lack of qualifying length of service.

Q—I receive a non-service-connected pension from the VA.

Can I also receive Social Security benefits when I reach age 65?

A—A veteran may receive a non-service-connected pension, if otherwise eligible, as long as

The Good Earth

by MRS. B. F. COBB

When the ground thaws again tree planting will begin in earnest. We do not have many more weeks of planting time left.

Well-rotted compost in the planting hole will help to eradicate nematodes. It will also give food to the tree as it struggles to become established.

Agitating the tree as it is watered will force out air pockets. Once the soil is well settled around plants, all air pockets are sealed out.

Give pot plants a feeding at least once a month. Hypoxex is easy to use and very good. Ferti-foam is good also. I use 1 teaspoon of it to a 4 or 6 inch pot. Applied once a month, this fertilizer keeps my plants healthy, with dark green luxuriant foliage.

At this writing we have nine amaryllis buds from 1 inch high to six inches. It will possibly be a week or more before the blossoms are open.

The collards in our planter box are interesting to watch during this changeable weather. When a hard freeze comes, the collards wilt down and look black. Then a thaw comes and the greens spring back up, their color as dark green as before they froze.

There is a new chemical on the market that will be a boon to the busy gardener. A liquid spray that will keep grass from growing. The grass is mowed a week after using the chemical, then it doesn't have to be mowed again for weeks.

It would be expensive to use on a complete lawn, but would be great to use near sidewalks, around flower beds and shrubs. Just think, no more trimming the edges of the lawn, or around flower beds. Roots of the grass are not injured by the chemical, neither will it injure flowers if some should wash into the bed.

It will soon be time to make a cold frame to plant our seed for early vegetables. One year we dug a pit about 3 feet wide and 4 feet long. Dirt was removed to the depth of about a foot. We then put in about four inches of manure and finished filling the hole with soil. After planting bell pepper and tomato seed we covered the bed with a large window pane. That year our plants were ready to set out much earlier than when we planted seed in the house.

Be sure to treat the soil with some chemical this winter to eradicate borers. There are

several chemical varieties on the market. Borers go into the ground in the fall and emerge in the spring as flies that lay the egg which hatches into a borer. Haskell Garden Club members have planted around 100 trees and shrubs this last year. This will help to enrich the "Good Earth."

TAX MAN SAM SEZ:

A few years ago Internal Revenue reported that taxpayers were not paying several billion dollars in income taxes they owed on interest and dividend income. Most of us are reporting our dividend and interest income nowadays. It's a good idea to check your interest and dividend income before you file that 1965 federal income tax return. Even the Savings and Loan Association dividends are taxable. A payment on time could keep the tax man from your door.

OUR HEALTH

by J. M. Amberson, M.D.

Fighting The "Flu"

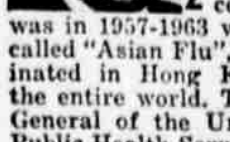

Influenza by any name—and it has several—is an uncomfortable, acutely contagious respiratory infection. Sometimes called gripe, or "English Sweat", and usually simply referred to as "flu", it has been one of mankind's biggest banes.

World-wide pandemics (wide-spread epidemics) seem to occur in 20 to 50 year cycles with minor local epidemics occurring every two to three years.

The most recent flu crisis was in 1957-1963 when the so-called "Asian Flu", which originated in Hong Kong, swept the entire world. The Surgeon General of the United States Public Health Service indicates that this probably will be another "flu" year.

Medicine has come a long way since 1918 when 10 million died throughout the world as a result of having influenza. No country was spared. 450 thousand deaths occurred among 20 million cases of flu in the United States in the 1918-1919 epidemic.

While there is no modern "cure", there are definite preventive measures to be taken. Persons of all ages are attacked, but the incidence is highest in young adults. Flu inoculations are recommended, with booster shots for "high-risk" groups—people whose very lives may be endangered

by the complications associated with influenza. This group includes anyone over 45, pregnant women, and persons suffering from chronic heart disease, bronchitis, asthma, diabetes, and nursing-home patients. The initial immunization should consist of two doses about two months apart.

Influenza symptoms are sudden in onset and include high fever, headache and muscular pains, prostration, congestion and some sneezing.

When influenza is suspected, consultation with your family physician is mandatory, for the above symptoms require medical diagnosis and treatment.

Sore throats constitute another winter health hazard. Again, because a sore throat may be the first indication of a more severe illness, one should seek the advice of his family physician whenever a sore throat is persistent, accompanied by high fever or other complications. But, for prompt temporary relief from the pain and discomfort of throat soreness due to colds or other minor conditions, I recommend Chloraseptic, an anesthetic-antiseptic oral solution. Chloraseptic is a non-prescription medication available only in pharmacies.

27TH ANNUAL TEXAS SAFETY CONFERENCE SET MARCH 27-30

The 27th Annual Texas Safety Conference and Governor's Highway Safety Conference will be held March 27-30 at Hotel Adolphus, Dallas, it was announced today by S. Ross Carr of Houston, President of the Texas Safety Association.

He also announced that a statewide Youth Safety Conference will be introduced this year as part of the Annual Conference program to broaden its scope of accident prevention activities.

The event, being co-sponsored by the Woman's Auxiliary to the Texas Medical Association and TSA, will be held March 27-29, inaugurating activities for the Annual Texas Safety Conference.

Some 400 Texas high school students and their adult sponsors are expected to attend the Youth Conference, according to Mrs. William J. Powell of Dallas, Youth Safety Conference Chairman and State Safety Chairman for the TMA Woman's Auxiliary.

The Annual Texas Safety Conference and Governor's Highway Safety Conference is the largest safety meeting held annually in the state and one of the largest in the nation.

Approximately 2,000 persons, including representatives of business and industry, civic organizations, schools, churches and federal, state and local government agencies, are expected to attend the 1966 Conference.

George Wm. Perry of Dallas, General Conference Chairman and Assistant, Reserve Life Insurance Co., said 38 business sessions are planned with some 200 persons participating in the programs.

In addition to business sessions, there will be breakfasts, luncheons, the Annual Banquet and an All-Conference Party—highlight of entertainment functions. Safety equipment manufacturers also will be on hand to show the new developments in their fields. Some 56 exhibitors are expected to participate.

Theme for the Annual Conference is "Today Stress Action."

Registration for the four-day Conference begins at 10 a. m. Sunday, March 27. The General

Assembly, officially opening conference sessions, will be at 10 a. m. Monday, March 28.

Safety section meetings will begin at 2:15 p. m. Monday and will conclude Wednesday afternoon, March 30.

Problems of accident prevention in industry will be discussed in a general industrial session and some 15 other individual industrial sessions on construction, chemical, metal foundry, pulp and paper, food, dairy and beverage, aggregates and concrete materials, manufacturing, petroleum, public utilities, aerospace, marine, industrial hygiene and fire prevention and engineering.

Other section meetings will include sessions for school and college, women's activities, motor transportation, traffic (civilian and military), public employees, farm and ranch, water and gun, home, and church safety.

The annual TSA awards will be presented for women's activities, industrial safety achievements, fleet operations, farm and ranch safety, and home safety programs. The Farm and Ranch Heroism Award, sponsored by the Texas Farm and Ranch Safety Council, also will be presented during the Conference.

Meeting in conjunction with the 27th Annual Texas Safety Conference will be regional chapters of American Society of Safety Engineers, Veterans of Safety and the Southwestern Region, Federal Safety Council.

The Youth Safety Conference will stress traffic safety in its business sessions, featuring some of the nation's leading experts in the field as speakers and youth delegates as participants in panel discussions.

Registration for the Youth

Safety Conference begins at 10 a. m. Saturday, March 26. Business sessions for the group begin at 1 p. m. Saturday, and conclude at 12 noon Sunday. A Saturday night banquet for youth delegates will highlight entertainment activities for the group.

The Texas Safety Association, which sponsors the Annual Safety Conference, is an independent, non-profit organization. It was chartered in 1939 to "promote the conservation of human life in Texas through the prevention of accidents."

J. O. Musick of Austin is General Manager of the Association.

Senior Citizens Should Plan Balanced Meals

By Barbara Elliott, H. D. Agent

Older citizens need to eat well-balanced meals just as much as do youngsters. But too often they neglect to do it.

A problem that often makes cooking seem dull is using the leftovers that tend to accumulate in cooking for only one or two people. One can cut this problem down to size by using the leftovers imaginatively, instead of just serving them the same way over and over.

Home economists with the U. S. Department of Agriculture and Extension home economists offer these tips:

1. Combine leftovers in a one-dish meal. Meat combines beautifully with vegetables, macaroni or rice. Add a cheese or tomato sauce or just plain white sauce and heat in a baking dish. Get extra flavor by adding chopped tomatoes or green onions or chives.
2. Top a tossed salad with cut strips of leftovers cooked meat or poultry.
3. Mix leftover cooked vegetables with raw fresh ones, such as chopped celery, cucumber slices, tomatoes, green pepper, and shredded cabbage.
4. Cream vegetables, meat, fish or chicken. Or serve them with a tasty sauce. Use a can of tomatoes, or mushroom soup for quick and easy sauce. If the dish is a bit skimpy, a hard-cooked egg may stretch it to serving size.

Add a bit of relish, snappy cheese or sliced cucumber to a cooked dressing for meat or vegetable salad.

JOIN THE DODGE BOYS REBELLION

Polara

Kick the dull driving habit in a car that's really going places. Polara is loaded with looks, luxury and performance. It's big and solid, with wide sweeping lines. And Polara gives you a lot of standard extras (like a 383 cubic inch V8).

Monaco

Take a look at Dodge's top gun. For luxury performance this is the one. Combines performance, comfort and glamour at a reasonable price. By far the most dazzling car in the '66 Dodge lineup of dazzlers. Monaco! Hardtop, wagon or sedan.

Coronet

Here's a car that fills the bill for Rebels who want a brand new thrill. The Coronet is sharp, smart and zippy—and it goes like no other car in its class. Coronet is also loaded with luxury the higher-priced cars haven't caught onto yet. Lots of power in a spunky Six—and a fistful of brawny V8's.

Dart

This is a rebel in the compact class—bigger than any, with a lot more sass. Big on the inside. Big on the outside. Beautiful any way you look at it. (About the only way it resembles an ordinary compact is in the way it saves you money). Your choice of two quick Sixes and two great Eights.

NEWS OF INTEREST TO WOMEN

MRS. CHARLES DEAN RICHMOND
... formerly Margaret Ann Wall

MISS MARGARET ANN WALL WED TO CHARLES DEAN RICHMOND

Margaret Ann Wall and Charles Dean Richmond exchanged double ring wedding vows Saturday, January 25, at 3:00 p. m. in the Chapel of the First Baptist Church, Haskell. Dr. Ray Ellis, Bible Professor at Hardin-Simmons University, Abilene, read the vows.

Parents of the couple are Mr. and Mrs. Virgil Wall, of Haskell, and Mr. and Mrs. M. D. Richmond, Alamogordo, N. M.

Maid of honor was Rita Wells, of Abilene, student at Hardin-Simmons University.

Patte Jewel, of Haskell, was organist and Judy Gibson, student at Cisco Junior College, was soloist.

Best man was Larry Parrish, of Abilene, student at Hardin-Simmons University. James Wall, of Haskell, brother of the bride, ushered.

Chapel decorations consisted

of an arch entwined with greenery and white gladiolus centered with wedding bells, emphasized with a basket of white gladiolus arranged in center, back of arch.

Given in marriage by her father, the bride wore a white wool dress and accessories to match. Her veil was a white tulle over a small wool covered pill-box hat. The bride's bouquet was a white cymbidium orchid centered on a white Bible and surrounded by feathered carnations.

The maid of honor wore a blue silk shantung suit with a white lace blouse. She carried a white train centered in blue ribbon.

MRS. JAMES ADAM BYNUM
... formerly Janice Carol Burson

MISS JANICE CAROL BURSON WED TO JAMES ADAM BYNUM

Wedding vows for Janice Carol Burson and James Adam Bynum were read Saturday, January 29th, at 7:00 o'clock in the evening in the First Baptist Church, Haskell.

Parents of the couple are Mr. and Mrs. Leon Burson and Mr. and Mrs. J. A. Bynum of Haskell.

Fred Custis, minister of the Church of Christ in Roswell, N. M., officiated. Mrs. Carl Bailey was organist and Judy Anderson was soloist.

Mrs. Johnny Matthews of Haskell was matron of honor, and Bobby Gibson of Wichita Falls was best man.

Bridesmaids were Toni Graham, of Abilene; Cecile Cobb, of Stamford; Charlotte Bland, and Vickie Burson (cousin of the bride), of Haskell.

Randy and Marc Burson, cousins of the bride, of Abilene, attired in black dinner jackets, were candlelighters. Joseph McCoy of Haskell served as ring-bearer. Flower girl was Julie Burson (cousin of the bride), Abilene. Ushers were Mickey Packwood (cousin of the bride), Abilene; Tony Burson and Tim Burson, cousins of the bride, and Wayne Perrin, Dick Frierson and Jimmy Aycock, all of Haskell.

Given in marriage by her father, the bride wore a formal-length gown of silk peau de soie and re-embroidered Alencon lace. The molded bodice was etched in candlelight lace which formed natural scallops around the high rounded neckline. Tiny half pleats gave bouffance to the full length chapel train. Her three-tiered veil of silk illusion fell from a lace and pearl coil. She carried orchids and white roses.

The matron of honor and the bridesmaids wore identical emerald-green taffeta gowns with portrait necklines, brief sleeves and bell skirts. Emerald-green

pillbox hats with circlet veils. They carried a white muff ornamented with English ivy.

Groomsmen were Wendell Coston, Mike Felker, Steve Harper and Monte Wayne Frierson, all of Haskell.

Hosted by the bride's parents, a reception was held at the Magazine Club. Reception assistants were Linda Rumsey, Odessa (cousin of the bride), Nelda Burson, Abilene (cousin of the bride), Donna Sue Packwood, Abilene (cousin of the bride), Lucy Lynn Williamson, Plainview (cousin of the bride), Debby Wiseman, Jennabeth Pittman, Bonnie Howard, Debby Burson (cousin of the bride) of Haskell, and Debby Packwood, Abilene (cousin of the bride).

The bride is a 1965 graduate of Haskell High School. She attended Tarleton State College and is now attending Tech, Lubbock.

The groom is a graduate of Haskell High School and is now attending Lubbock.

The bridegroom, Mr. and Mrs. Bynum, hosted the rehearsal day, January 28th, at the Restaurant.

Following a short trip to Fort Worth, they reside in Lubbock.

In South Vietnam, the groom is serving in the military. He is part of its Food Corps, uses contributions from his family to buy rice and other foods for Vietnam war victims.

MRS. EDDIE DAWSON MCKEEVER
... formerly Billie Faye Cockerell

COCKERELL-MCKEEVER WEDDING VOWS READ AT PAINT CREEK

Wedding vows for Billie Faye Cockerell and Eddie Dawson McKeever were read Saturday evening, January 29th, in the Paint Creek Baptist Church, The Rev. Ken Neely, pastor, officiated.

Parents of the couple are Mr. and Mrs. F. S. (Bill) Cockerell, Route 2, Haskell, and Mr. and Mrs. Leo McKeever, Route 1, Lueders.

Given in marriage by her father, the bride wore a full length gown fashioned of white bridal taffeta. Alencon lace outlined the neck of the fitted bodice and formed a panel which cascaded down the front of the side gathered skirt. Side gathers caught-up in the back to form a pouff bustle from which fell the chapel length train. Her veil was elbow length illusion with a crown of pearls. She carried a bouquet of white symbidium orchids and feathered carnations on a white Bible.

Matron of Honor was Mrs. Billy Sellers of Haskell and bridesmaids were Brenda Price of Abilene and Connie Harris of Fort Worth. They wore identical dresses of green polished cotton overlaid with lace with scooped necks and long sleeves and carried single long-stemmed white carnations.

Best man was Jay Lyndon Watts, of Lubbock, and groomsmen were Butch Kohout, Stamford, and Dudley Cockerell, brother of the bride. Kenny Cockerell, brother of the bride, and Joe D. Mickler were candle-lighters.

Mrs. James R. Mickler and Mrs. Tammie Mickler presented the wedding music and Phyllis Middlebrook was the organ accompanist.

The groom is also a graduate of Paint Creek High School and is attending Hardin-Simmons University, Abilene.

The groom is also a graduate of Paint Creek High School and attended Cisco Junior College. He is employed by the Texas Highway Department.

Following a short wedding trip the couple will be at home at 2157 Cedar Street, Abilene.

County H. D. Council Hear District Agent

Miss Fern Hodge, District Agent, of Vernon, spoke to the members of the Haskell County Home Demonstration Council in a meeting held Wednesday, Jan. 26th, at 3:00 p. m., in the office of Mrs. Barbara Elliott, courthouse.

"We as club women are making ways for a better and happier life when we set a high goal and work to reach it," Miss Hodge said.

Six clubs were represented at the meeting, including 15 members and five visitors.

Each club will have a nominee at the February Council meeting. Delegates will be elected at the time to attend the District Meeting to be held in Breckenridge, March 29th.

Mrs. H. H. Hines, chairman, presided over the meeting and presented the 1966 standing rules of the Council to each member.

Alana Williams Is Selected For All-State Band Tryouts At Grand Prairie

ALANA WILLIAMS

Alana Williams was selected for the All-State Band in tryouts at Grand Prairie, Saturday, Jan. 29. This contest is sponsored by the Texas Music Education Association and to be eligible for the try-outs, a student had to be chosen for the All-Region Band, Saturday tryouts picked eight members to play alto clarinets. Alana was the only clarinet selected in the Abilene, Dallas and Wichita Falls region.

Miss Williams is a junior in Rochester High School and has been a member of the Rochester Steer Band for six years. She has served the band as Majorette for the last two years and was Junior High Majorette for two years previous to high school.

She was a member of the all-District Band in 1963-64, Regional Winner in 1964-65 and will participate in the all-State Band Concert which will be held in Dallas February 10, 11, 12.

She was elected as band manager in 1964-65 and is serving the band as secretary for the

highest ranking student in her class for 1965, has been an officer of the Rochester FHA for two years and at this time working on her State Degree in FHA.

She serves the Baptist Church in Rochester as full time pianist, also plays the organ, alto saxophone, B-flat clarinet as well as the alto clarinet.

She is the 16-year-old daughter of Mr. and Mrs. Herman Williams, and band director is David Venable. This is the first year that Rochester has had a member of the Steer Band to make All-State Band.

Other activities have included being a member of the stage band, the regional "Make It with Wool" contest in Lubbock.

Farm Program Administration Needs Adjustment, Cong. Rogers States

Congressman Walter Rogers has called for Agriculture Secretary Freeman to bring his administration of government farm programs in line with the intent of Congress in passing new farm legislation last year. In a letter to Secretary Freeman, Congressman Rogers said grain sorghum producers would "face an average loss in total gross income of about \$3 per base acre" because of administration adjustments made between the 1965 and 1966 programs.

farm bill last year would not have done so "had they known what was going to happen when your Department undertook to write the rules."

The Congressman said USDA regulations affecting grain sorghum producers failed to live up to Secretary Freeman's stated objective "to maintain farm income." He asked the Secretary "to state whether or not you intend to take any action at the administrative level to make adjustments of a corrective nature."

In his letter to Secretary Freeman, Congressman Rogers said "a substantial number" of Congressmen who voted for the

Peace Corps To Test On February 12

Haskell area residents interested in putting their skills to use in developing nations around the world are invited to take the Peace Corps placement test at 9 a. m. on Saturday, February 12, at Room 2201, New Post Office Building, Abilene.

The Peace Corps uses the placement test to determine how an applicant can best be utilized overseas. The test measures general aptitude and the ability to learn a language, not education or achievement. (If test scores indicated a limited language-learning ability, for example, the Peace Corps tries to place the applicant in an English-speaking country.) The placement test requires no preparation and is non-competitive — an applicant can neither pass nor fail.

The application form, not the placement test, is the most important factor in the selection of volunteers. Persons interested in serving in the Peace Corps must fill out an application, if they have not already done so, and present it to the tester before taking the test. Applications may be obtained from local post offices or from the Peace Corps, Washington, D. C. 20525.

The placement test takes about an hour and a half. An optional achievement test for applicants who have studied Spanish or French requires another hour.

Sagerton News

By MRS. DELBERT LEFEVRE

The snow that came last week end with the strong north wind, added to that still on the ground from the week before, made some of the east-west roads impassable Saturday. Many farmers "dug out" with blades on their tractors to feed their cattle. An estimated 12 inches of snow fell in all.

Laty Quade, son of Mr. and Mrs. Glyn Quade, is expected home this week to spend a few days here between semesters from Texas University in Austin.

Mr. and Mrs. A. C. Knippling are visiting their daughters and their families at West Columbia.

Tom Thorne was taken to the Stamford Hospital Sunday. Leonard Kiehn is home after undergoing surgery at the Haskell Hospital.

L. O. C. R. D. CLUB SLATES MEETING

The L.O.C. Home Demonstration Club will meet in the home of Mrs. Herbert Strimling on Thursday, Feb. 18, at 1:30 p. m. Mrs. Barbara Ehnert, Haskell County Home Demonstration Agent, will conduct the program. The meeting was postponed from this week so that she could meet with the ladies

STOCKHOLDER'S MEET
The annual stockholders meeting of the Sagerton Water Corporation was held at the Community Center Wednesday Jan. 26. A. C. Knippling, president, presided. Bomb Harpree of Stamford, gave the auditor's report. Don Perry, FEA representative from Haskell, was also present.

The election of directors for 1968 was held. They are: Chas. Clark, Fred Kupatt, A. C. Knippling, Delbert LeFevre, Barney Ross, Eugene Teichmeier and Alvin Ulmer. The nominating committee consisted of Melvin New, Joe Swafford and Lewis Corzate.

There was a discussion about the water rate for 1968. It was brought to the stockholders attention that water rates would have to be increased since there was a \$425 loss in 1965. The amount of the raise will be decided by the Board of Directors at the next meeting during February.

Tommy Nierdeck, a Texas A&M student, was home between semesters visiting his parents, Mr. and Mrs. Herbert Nierdeck.
Mr. and Mrs. Harvey Jordan were called to O'Donnell last

week to the bedside of Mrs. Jordan's mother.

Jana Ulmer, who teaches at Whiteface, was home last weekend to go to her doctor to check her broken ankle. She is now on a walking cast and will get around better. Mr. and Mrs. Ulmer took her back Sunday.

Terry and Billy Sellers, sons of Mr. and Mrs. M. J. Sellers, were home between semesters from Chaco Junior College.

Mrs. Paul Nieman is a resident at Rice Springs Rest Home in Haskell until she regains her strength and the weather gets warmer.

The Mothers March of Dimes for polio and birth defects in the community will be held Tuesday, Feb. 8.

OIL NOTES

J. R. Christie of Breckenridge will drill No. 4-B T. G. Hendrick Trust as a deep test in a shallow producing area 20 miles southeast of Haskell in the regular field.

The planned 5,000-foot rotary test is on a 244-acre lease.

It spots 3,376 feet from the north and 3,533 feet from the west lines of Section 3, ETRR Survey.

Harding Brothers Oil & Gas Co. of Dallas will drill No. 1 R. R. DeBunk in the 5-well Turnbow (Straw) Field four miles north of Haskell.

Saving a proposed depth of 4,750 feet with rotary, it spots 1,292 feet from the north and 467 feet from the east lines of E. McGary Survey, 4-327. The lease is composed of 248 acres.

Staked in Haskell County Regular Field 6 1/2 miles northwest of Weinert was D. H. Eo-

lin of Wichita Falls No. 4 M. S. Lowrey.

Dedicate is 1,330 feet from the north and 1,980 feet from the west lines of Section 29L, Block 45, H&TC Survey. Proposed depth is 4,950 feet with rotary to test the Straw.

The Bureau of Texas, in addition to providing value and producing products used in our daily lives, has many other values. They help regulate stream flow and aid in erosion control, provide food and habitat for wildlife, furnish recreation opportunities for picnicking, hiking, camping, fishing and bird watching, and provide scenic beauty conducive to tourism. The Texas Forest Service, through its many activities, helps make these benefits available.

Services Held At Rule For Joe Lowrey

Funeral was held at 3:00 p. m. last Thursday from the Church of Christ, Rule, for Joe Lowrey, 74. A resident of Rule since 1908, he passed away at 3:30 p. m. Wednesday, January 26, in St. Ann Hospital, Abilene, following a serious illness of some three months. He had been a patient in the Abilene hospital for two days.

Travis Boyd and John Green officiated at the services. Burial was in the Rule Cemetery under direction of Pinkard Funeral Home.

Born April 22, 1891, Mr. Lowrey was married to Mertie Gay Miller on April 16, 1911. She preceded him in death August 8, 1964. Mrs. Lowrey, who moved to Rule in 1908 from Paducah, was a retired farmer. He was a member of Rule Church of Christ.

Surviving are two sons, Leroy of Albuquerque, N. M., and Allen of Knox City; a daughter, Mrs. Joe Ruth Lisle of Rule; eight grandchildren; four great grandchildren; two brothers, George of Bastrop and Ernest of Dearks, Ark.; and two sisters, Mrs. Alice Doak of Lubbock, and Mrs. Bessie McGuire of Stillwater, Okla.

Now Is Time To File Income Tax Returns

Now is the time to file your 1965 Federal income tax return. District Director of Internal Revenue Ellis Campbell Jr. reminds northern Texas taxpayers. Taxpayers who have a refund coming will find that early filing expedites their checks. Many taxpayers who owe small amounts prefer to file early, Mr. Campbell says. All taxpayers are encouraged to file their 1965 returns early.

HASKELL VISITORS

Mr. and Mrs. R. H. Mc Campbell of San Jose, Calif., are visiting relatives here. Mrs. McCampbell spent Thursday visiting her aunt, Mrs. Ralph Merchant and Mrs. Alvy Mitchell.

Mrs. McCampbell is the former Ferrell Mayfield, daughter of the late Mrs. Lura Mayfield.

Rites Held For Former Rochester Man

Lester Brown, 54, passed away at 3:45 a. m. Sunday in Corpus Christi General Hospital following a year's illness.

He had lived in Rochester before moving to Corpus Christi 1 1/2 years ago. Mr. Brown was a retired farmer. He was born June 3, 1911, in Rochester.

Funeral was held at 1 p. m. Tuesday in Rochester Church of Christ with Ab Martin, minister, officiating. Burial was in Rochester Cemetery with Smith Funeral Home in charge.

Survivors include three brothers, Harley of Rochester, Estes of Austin and Alton of Corpus Christi; three sisters, Mrs. Eta Jenkins of Victoria, Mrs. Willie Lea McBeth of Hale Center and Mrs. Mable Wyatt of Victoria; and one daughter, Mrs. Louise Stall of Houston.

Soil And Water Group To Sound "Crisis" Note

"Crisis in the Countryside" is to be the theme of this year's Soil Stewardship Week, May 15-22. The event is sponsored by the National Association of Soil and Water Conservation Districts.

The "crisis" theme is developed in a booklet to be distributed as part of the observance. The booklet points up themes such as the waste and loss of soil ("The Price of Plenty") and the loss of population on ("Our Departing Sons").

A school survey in a typical community in Cyprus shows at least 1 out of every 3 pupils is undernourished. Contributions to the CARE Food Crusade, New York 19016, provide school lunches for 60,000 children in Turkish and Greek schools throughout the island.

Change In Draft Policy Is Announced

Men who receive orders from draft boards to report for armed service will no longer have their orders cancelled if they subsequently join reserve or national guard units.

This change in draft policy was announced Tuesday by Col. Morris S. Schwartz, state Selective Service director.

A man will still be able to enlist in the regular active-duty forces under the same circumstances, Col. Schwartz said, if a representative of the regular armed forces is prepared to enlist him on or before the date set for his induction.

Col. Schwartz said the new policy, announced January 20 by Lieutenant General Lewis B. Hershey, director of Selective Service, reached him and Texas draft boards recently. Action was taken after the

following recommendation was received by the director of Selective Service from the assistant secretary of defense for manpower. "I...recommend that you re-

Draft Boards To Induct 1,372 Men In February

State draft boards are scheduled to induct 1,372 men into the armed forces in February.

This compares with a quota of 1,475 in January and 1,523 in December. The February quota of 1,372 is the Texas share of a national call for 29,400 men.

Local board quotas for both induction and examination already have been figured and sent to the state's 137 local boards.

The February quota for induction will be filled with single and childless married men, 19 through 25 years old, and volunteers who have not attained the age of 26.

No married man with children or an expected child, will be selected to fill the February call.

"Draft boards must have the information about children, of course," Col. Schwartz said, "and an unborn child must be certified by a physician. Otherwise, a young husband and father may find himself selected."

Haskell Indians Scalp Stamford 69-64

The Haskell Indians moved into a first-place tie with Anson Tuesday night by edging the Stamford Bulldogs 69-64, in a big District 5-AA basketball game.

Haskell joins Anson at the top of the league race with identical 5-2 win-loss records. Colorado City upset the front-running Tigers to shove Haskell into the tie for the district leadership.

Randy Turnbow rammed in 23 points to lead the Indians, but three other teammates also hit in double figures with Doug Bartley and Thornton Gilmore bagging 12 each and Johnny Josselot netting 11.

For the Bulldogs the top scorer was Don Cobb with 13 points.

Haskell and Stamford played on nearly even terms for the first two quarters with the Indians owning a slim 33-28 lead. Then in the third quarter Haskell scored 16 points and limited the Bulldogs to only nine to ice the crucial district victory.

In the preliminary game, the Stamford B-boys took a 53-47 decision as Don Anders hit 14 for the winners, while Stanley Martin tallied 14 for Haskell.

Stamford (64): Yelldell 5 1 11; Seldan 4 2 10; Cobb 4 5 13; Link 5 0 10; Jones 1 1 3; Anderson 2 0 4; Russell 1 4 6.

The Sportsman's Corner

by Dr. Joe Lindholm, Hamilton Wild Life Report

150th ANNIVERSARY

In the early days of our nation, farmers on the frontier had to be always alert to the dangers of crop damage from wild animals and the ever-present threat of raids from marauding Indians.

In 1816, Eliphalet Remington started making firearms in his father's forge near Utica, New York. To Americans of the time, guns were a household necessity, both for protection and for bagging game for thearder.

This year, the Remington Arms Company is celebrating its 150th anniversary. A large industrial complex, the company today concentrates on firearms and ammunition to meet the needs of America's sportsmen.

CAGE RESULTS

RULE BOBCATS STILL ON TOP IN 12-B

The Rule Bobcats downed the Mattson Mustangs 52-39, Tuesday night to remain way out front in the District 12-B race with an 11-0 mark.

Johnny Westbrook was the leading scorer for the winners with 13 points, while Roger Leonard led the Mustangs with 14 points.

Rule won a junior high boys preliminary game 49-42 over Mattson.

ROCHESTER RIPS PAINT CREEK

Rochester's Steers rolled to a 66-51 victory over the Paint Creek Pirates in a District 12-B game at Rochester Tuesday night. It was the second win in 10 starts for the Steers, while the Pirates dropped to a 4-8 mark.

Olson LeFevre was high for Rochester with 16, while Ronnie Medford canned 23 in a losing cause. Paint Creek won the B-team game, 56-51, and the girls' game, 54-50. The latter win tied things in league play.

WEINERT WOLLOPS O'BRIEN 61-25

Paced by the scoring of Cecil Davis, the Weinert Bulldogs downed O'Brien by a 61-25 score at Weinert Tuesday night in District 12-B basketball.

Weinert girls won 34-31 in earlier play. Sandra Mathison led the hosts with 19 points while Roxey Daye scored 20 for O'Brien.

Foursquare Church Pastors To Attend Convention In L.A.

The Rev. and Mrs. John Russell, pastors of the Haskell Foursquare Church, will leave immediately after the morning service Sunday, February 6, for Los Angeles, Calif., to attend the annual convention of the L.I.F.E. Bible College.

Rev. and Mrs. Roy Herricks of Weinert will have charge of the Sunday night service and Rev. Katherine Byrd of Rochester will conduct the services on Sunday night, February 13. Both are former pastors of the Haskell Church.

A cordial invitation is extended everyone to attend any or all services.

Chamber of Commerce Membership Drive Is Off To A Good Start

The Board of Directors of the Haskell Chamber of Commerce met February 2nd at Felker's Restaurant for a breakfast session. Abe Turner, acting president, presided. At this time, the five new directors, Douglas Finch, Dr. Kemp, Jimmy Medley, Robert Greenroy and Wallace Cox Jr. were recognized, also Desmond Dulaney, who will serve an unexpired term recently vacated by a Director.

Dr. Williams, chairman of the nominating committee, announced the names of the Officers for the new year. Several outstanding members were discussed for nomination. The five selected by the committee were: Raja Hassen, president; Abe Turner, vice-president; Mattie Felker, second vice-president, and Bob Wheatley, treasurer. A motion was made by Dr. Cadenhead that the officers named be elected. Judge Alvis seconded the motion with a unanimous vote of the members.

The President again reminded members of the Annual Banquet to be held February 25th, the speaker for the event being Lee D. Herring of Grand Prairie. A discussion followed concerning the Stenwinder awards presented to outstanding citizens at the banquet. It was voiced that the awards create interest for the occasion but that more than one person should be recognized for their efforts throughout the year. A motion was made by Dr. Williams and carried, that an Honor Roll should be organized this year. In another motion by Dr. Williams, it was suggested not more than five names be added to the roll each year. A unanimous vote supported this motion.

The membership drive recently launched, headed by Wallace Cox Jr., is off to a good start. Some six or eight members in working with the chairman, have signed Fieldan Motel, Western Auto Store, Cobb Lumber Co and G. H. Sloan as new members. More prospects are expected to sign in the next few days.

Douglas Finch, chairman of the industrial committee and a new director, gave an enthusiastic report of the meeting held in Wichita Falls February 1st. With Mr. Finch were Dr. Williams, Abe Turner, Raja Hassen and Luther Walker. Mr. Finch stressed the importance of churches, cultural activities and a friendly atmosphere in the community. Dr. Williams added that some 280 had registered for the Wichita
