Man Disappears After Accident

Wednesday, January 14th at 11:30 p.m. a 1977 Toyota failed to stop at the intersection of Hyws 287 and 54. The driver, Seyed Mohammad Askari, an Iranian national, from San Antonio, crossed the centerstrip and struck the 1986 Kenworth driven by Michael Richard Lee of Fremont, Ca. The truck driver was not injured. Askari was taken to Northwest Texas Hospital by the Stratford Ambulance Service. After arriving at the hospital he refused treatment and left the hospital.

Accident In Town

Thursday morning, January 15th, Tammy Binger and Paul Aduddell collided at the intersection of North 5th and Pearl street. Tammy was pulling into the intersection from a yield sign and was clipped by Paul. There was extensive damage to the Chevrolet pickup belonging to Bill Christy but only minor damage to Paul Aduddell's Dodge pickup. Miss Binger was taken to the Stratford Clinic and sent home.

Railroad Donates Money

The St. Louis Southwestern Railway Company (Cotton Belt) has announced the donation of checks totalling \$100 each to the United Way of Goodwell, the United Way of Texhoma, and the Community Foundation of Stratford.

The checks, delivered in December, were entirely corporate in nature, and represented no employee contributions whatsoever.

Cotton Belt annually donates corporate checks to United Way campaigns held in communities on its nine-state railroad system.

City Council

You may start signing up to run for City Council Election to be held on April 4, 1987 on January 19, 1987 and the last day will be February 18, 1987. There is three places to fill, as Kirk McWilliams, Wanda Riffe and R. J. Hill terms will be expiring.

NOTICE

There will be Citizenship classes, January 21 at St. Joseph's Parish Hall at 7:00 p.m. For more information contact Viola Kautz.

NOTICE

The Texas Retired Teachers meeting was canceled for Jan 16. It will be 2:00 p.m. Friday Jan. 23 at the 1st National Bank in Dalhart. If weather is inclement it will be Feb. 6

Please send volunteer service records to Mrs. Elsie Nettleton at, 801 Keeler, Dalhart, Texas. 79022.

If you have lost a dish after the benefit for Nannette Boardman Barrett you may pick it up at the County Extension office. All dishes not claimed by January 23rd, will be donated to the County Barn kitchens.

There will be a Bean Supper Jan. 27th from 5:00-8:00 p.m. in the Jr. High Cafeteria in Spearman. All you can eat for \$2.00 per person-preschoolers free. We will be serving beans with trimmings, cornbread, desert and drinks. This is a Scholarship Fund raiser by the Music Booster Club. Everyone is welcome to come eat with us before or after the game.

Baskin

Elected

Chairman

T. F. Baskin III was elected Chairman of the Sherman County Appraisal District board at their first meeting in 1987. Les Dodson was elected as secretary. The board approved the final financial report for 1986, with certain line item adjustments. The board approved reimbursement to the taxing entities of the unused funds. Of the 1986 budget, a total of 6% of the budget is being refunded. This compares with refunds in previous years of 7% of the budget in 1985, 5% in 1984, and 12% in 1982.

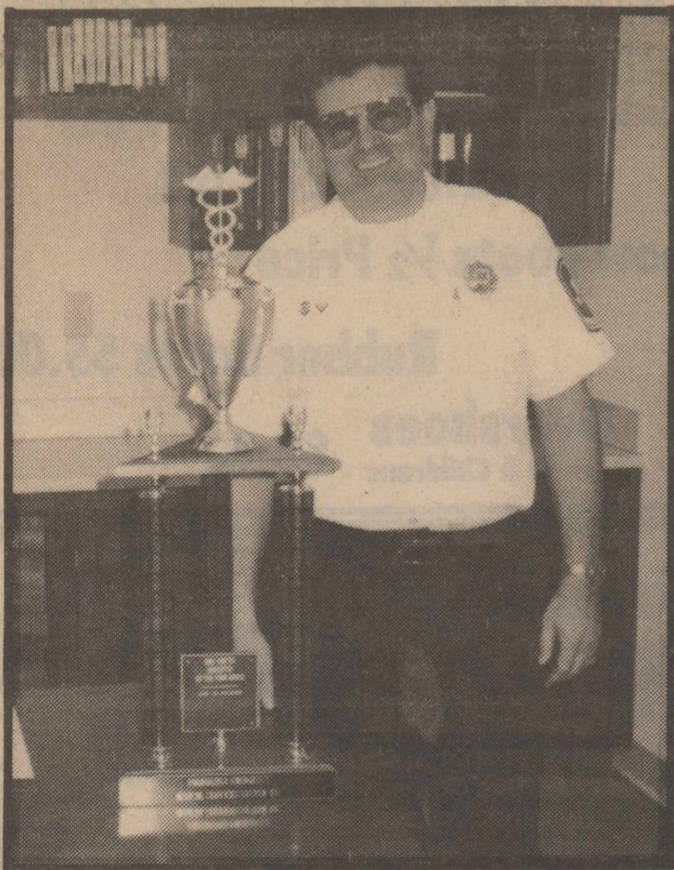

Only one bid was received for Lots 1-2, Block 21. The bid was rejected because it was below the minimum set.

Chief Appraiser Marillyn Albert reported on current collections, delinquent tax suits and other litigation. She also reported that the representative from the Municipal Advisory Council of Texas had been in the office to secure information for the Council. Albert stated that he had expressed satisfaction with the quality of records and information in the Appraisal District Office. Albert also reported that a seminar on taxes was to be held in Amarillo on January 16, and that Les Dodson was one of the speakers.

Motion by Commissioner Dale Hamilton seconded by Commissioner Boyd Spurlock that the Justice of the Peace Precinct 3, Sherman County be determined as a full time permanent position. All ayes. Motion carried.

Lewis Receives Award

On January 9, 1987 the Panhandle Emergency Medical Services System, Inc. annual Board of Directors Meeting was held. Executive Director Dave Clark in giving the annual report stressed that PEMSS, Inc. had a very good year. In 1986 all 53 Ambulance Services located in the 26 Counties of the panhandle had paid their fee for service. These fees help to offset the costs of the communication center which is located in Amarillo. This is how the EMT's and Paramedics in the 26 county area can be assured of having Medical Control 24 hours a day.

A trophy was given to Dumas Ambulance Service for the most improved ambulance service in the panhandle. Dumas has come from the days of a nurse on board the ambulance to a full Advanced Life Support Service. This is due in a great part to the efforts of Leland Lewis, Manager of Stratford Ambulance Service. Leland gave many exhausting hours to teach a paramedic class which included 3 paramedics from Dumas.

Leland Lewis was presented with the Kay Caster,

Educator of the year Award. Leland has been extremely busy in the fiscal year of 1985 and 1986 teaching and helping teach EMT's EMT-Special Skills, and EMT Paramedics in this year. Leland also has taught numerous Life Support Class, A Pharmacology Class, An EKG Recognition class, and helped teach 2 Pre-hospital Trauma Life Support Classes in Amarillo. In addition Leland has helped test skills for classes in Spearman, Dalhart, and Dumas. Leland has also chaired a committee that restructured the EMT-Special Skills curriculum, and that curriculum is now being taught in 3 EMT-SS classes throughout the panhandle.

Leland states that this award has a very special meaning to him. The man, Kay Caster, in whose name it is presented was in the paramedic class in 1980 with Leland. Kay Caster was a very meticulous man and a man who continually tried to upgrade the volunteer ambulance service in Claude, Texas. Kay died in 1985 with a massive heart attack at the age of 42. I feel that I have been honored indeed to have been chosen the Educator of

the Year, especially when you consider that I have been chosen instead of professional Educators such as those in the Amarillo College Paramedic Program.

Dear Readers

Dear Readers:

Old Man Winter has been visiting for the past few days. The much needed moisture is certainly appreciated. I would like to take this opportunity to say how good the streets of Stratford have been kept cleaned. A lot of man hours have gone into this to make it possible. I want to also give a Great Big THANKS to Larry Norris for keeping us movable in our area. Duane and I appreciate it. A person is very lucky indeed when he has good neighbors.

I want to also congratulate Leland Lewis on his award. Leland has put in many long hours so others could be helped.

Everytime that you are in another town let people know you are from Stratford, the finest town in the Panhandle.

Janis and I would like to also thank Mr. Delvin Howard for loaning us a timer until our new one arrives. We could not have kept going at the paper if he had not done this. Thanks.

Finally, the next time you see Joyce McBryde, tell her she should be Miss America. She'll know what you mean.

Marty

Letter To Editor

Dear Editor,

I would like to take this means to give a "BIG THANK YOU" on behalf of my husband, myself and numerous people that I have heard comment, to the Stratford maintenance crew and our city manager for the good work done over the weekend to clear our streets. It is saving on vehicles, people, and the streets to clear them as soon as

possible. I doubt if there is another town in the Panhandle of this size that does as good a job. Also to our Amarillo Paper delivery couple for wrapping and delivering the paper on these cold unpleasant mornings.

Our town may be shrinking in size but not in the quality of citizens, nor the quality of services.

Sincerely,
Jack & Glennell Dettle

SCOT Notes

by Timmie Brown

A good, coolish morning to Sherman Co. Older Texas and friends! The snow has been beautiful and helpful for our dry earth and has given Senior Citizens occasion to really count our blessings.

This week is a busy one for SCOT members besides three regular quilting meetings, with Friday, Jan. 23 being a 9-4:30 affair, the regular Board meeting was at 10:00 a.m. Tuesday, Jan. 20th-with 10 newly elected board members beginning a 3 year tenure of service. These people are Wayland Brown, Homer L. Halle, Darrell Cotney, R.J. Hill, Mary Hill, James Lowe, Luzelle Lowe, Susie Harlow, Elsie Pickens, Minnie Reeder. We welcome them and express thanks to those leaving the board. The S.C.O.T. Board of Directors is composed of 30 citizens of the community. Each year a slate of ten members is chosen to serve for three years. Members having one year remaining are Paul Chesmer, Barbara Chumley, J.A. Lasley, Timmie Brown,

LeRayne Donelson, Sue Smith, Bernice Christian, Chuck Wilson, Baskin Brown and Ed Smith. Those who have 2 years to serve are: Jim Allison, Howard Ethridge, Ken Metzger, Pat Johnson, Kathleen King, Sharon Harrington, Max Stephenson, David Harker, Doris Parker, and Arthur Judd. Contact any of these mentioned if you have a suggestion for the good of the order.

Jan. 22, Thursday at noon is the date and time for S.C.O.T. regular meeting. We are sure that all folks are looking forward to this meeting. So plan big to be present with your happiest smile and neighborly greetings, prepared to have a happy time. Remember a dish of edibles!

Olive Boston is home from Dumas Hospital-Dovey Fedric is in High Plains but making progress, Lois Fedric reports.

Leo and Garnet Meek of Dumas have a 51st wedding anniversary coming up the last week in Jan., we think.

The Owen Hudson's were visiting in Stratford one day on their way to Amarillo. they and their family had spent wonderful Christmas Holidays in their mountain home in Colo. They all thought surroundings ideal for the occasion and plan to meet there again.

Some readers may remember an old timer Owen Stockman. He has been deceased for several years. News in our Christmas mail was that his remaining sister died in May 1984. We have had no word of Stockman's partner, Carl Britian, for years.

We wonder who read the article in Amarillo News, Jan. 11, Page 17A entitled "Longtime Amarillo resident recalls 1918 flu epidemic". Our remembrance of that time in Sherman Co. is of Dr. Norvell, his treatment of soda and aspirin plus staying in bed-result one fatality. What is your recall? We have no recall of these dire circumstances in Amarillo. News was scarce, then.

Since the sun is shining we are sure the earth will soon warm up, the snow will melt and everyone will be out and around. We expect to see you at Scot Hall Thursday, Jan. 22 at noon. Until then encourage yourself and others by thoughts and acts of Christian love. Happy Days!

Grain Sorghum Research And Utilization Conference Scheduled

Sorghum's Role in the Farm Crisis is the theme for the fifteenth Biennial Grain Sorghum Research and Utilization Conference scheduled February 16 and 17 at the Holiday Inn Civic Center in Lubbock, Texas.

The National Grain Sorghum Producers Association (National GSPA), the Sorghum Improvement Conference of North America (SICNA) and the Sorghum Promotion Federation are sponsoring the conference which is being held in conjunction with the National GSPA Annual Meeting and Awards Banquet.

According to Ron Presley, Associate Director of National GSPA, this year's conference will highlight methods to increase nutritional value of grain sorghum and report on changes in sorghum production methods.

"The purpose of the conference is to share new information that will help producers improve the grain product and reduce production costs. The meetings bring together two important groups (those involved in sorghum utilization and plant breeders) to share research developments and solve breeding or production problems," said Mr. Presley.

Discussions in the morning session on February 16 will present new research on utilization of sorghum for feeding poultry and cattle. Other topics to be discussed will include: grain sorghum physiology, entomology, - cultural and management practices, and grain sor-

ghum breeding and genetics.

"This is probably the most important conference to date," said Dr. Ron Duncan, Associate Professor of Sorghum Breeding and Physiology at the University of Georgia and Secretary-Treasurer of SICNA, a worldwide organization of sorghum workers. "Our goals are simple; to keep the farmer in business and growing grain sorghum."

U.S. sorghum producers established the National GSPA in 1955 to develop a strong program of market development, research and

legislative representation for their industry. In 1959, National GSPA held the first Grain Sorghum Research and Utilization Conference. They have co-sponsored the conferences biennially since that time.

The conference is open to all persons interested in grain sorghum research and utilization. A registration fee of \$65 covers the conference, awards banquet and printed proceedings. A special fee of \$35 is available for students. For hotel reservations, contact Holiday Inn (806)-763-1200.

Poly Clean Joins War Against Drug Abuse

Stratford Poly Clean is joining the entire U.S. drycleaning industry in the battle to combat drug abuse among the nation's young people. Bill Riffe is initiating a community program to inform people about drug problems and help raise funds for PRIDE, a national education resource and clearinghouse devoted to combating drug abuse.

Bill is calling on members of the community to make contributions to help PRIDE continue its crusade against this expanding problem. PRIDE (National Parent's Resource Institute on Drug Education) provides drug education and serves as a resource to guide parents and young people in establishing drug abuse prevention programs in their own neighborhoods.

PRIDE can also refer people to an appropriate treatment facility if necessary.

ry. PRIDE has a toll free computerized information center that can be accessed by touch tone telephone. The number is 1-800-241-7946.

Nancy Reagan was honored last year at PRIDE's annual convention. The convention was also attended by First Ladies from nine other countries and by 5,500 youth and adult participants from 70 countries.

Bill is displaying a collection carton with the PRIDE logo as well as a poster outlining the hazards of drug abuse. Bill will collect money throughout January and February and submit contributions to the International Fabricare Institute (IFI). IFI will present all funds collected by the industry to PRIDE at its annual convention in March.

For more information about Bill Riffe's campaign against drug abuse contact Bill at 396-2151.

Cowin's To Speak At Assembly of God Church

Perry and Polly Cowin, widely known speakers will present a series of messages of Rebuilding the Walls of our Personality at First Assembly of God Church Jan. 25-27. On Jan. 25 the times will be 10:45 a.m. and 6:00 p.m. Jan. 26 and 27 they will be at 7:00 p.m..

The Cowins have gained national recognition for their seminars, classes and retreats to the church family.

This seminar is designed to go way beyond the problem and offer down to

earth solutions. Over the past years Perry and Polly have proven this with intensive teaching practices.

Perry and Polly have the experience and background to speak with authority on problems that have caused the breakdown in the personality.

They have developed ideals and principles based on the Bible and explain in understandable language how to rebuild the broken down walls, stone by stone.

#3 of 4 articles on "Principles of the Faith" written by Dr. Derrel D. Lewis, pastor of First Baptist Church.

Principle #3-"The Christian's Capabilities"-Text - Philippians 3:8-14, 4:6-19

Tragically among Christians, there is a tendency to be so concerned about the things we can't do that we never do stop and think about what we can do.

Anyone who has served on a church nominating committee or had the responsibility of securing people for certain jobs, is very familiar with the two words "I can't".

In my first article of this series I dealt with the "first mile". In the second I dealt with the church as the body of Christ and each of us Christians as a member [that God chooses] to make it function. In this article we learn how to do the job of the members God wants us to be. We have certain capabilities that help us in the "second mile" portion of our Christian pilgrimage. Paul sums it up by saying, "I can do all things through Christ which strengtheneth me" [Philippians 4:13]. Paul has had to recognize some things to being him to this point. He has recognized the need of [1] Submission to Christ as Lord, [2] Jesus rightful ownership of our lives, [3] the proper role and order of the church and [4] his own capabilities. I list here the capabilities of every real Christian: [1] The Christian is capable of agape love, a sacrificing love like that Jesus had when he went to the cross. [2] The Christian is capable of being trained and growing spiritually [Eph. 4:11-15]. [3] The Christian is capable of using his spiritually bestowed gifts [1 Cor. 12: 4-27] and [4] The Christians is capable of submission to Christ as Lord of his life and [5] The Christian is capable of bearing witness to the worthiness of Christ.

Within these capabilities is the needed resources to be a dedicated, fruitful, growing and happy Christian. Within these capabilities are the resources to say, "I can." The question of serving the Lord then is not whether we can, but whether we will.

Prospectus Study Club

GFWC Prospectus Study Club Education Department is encouraging parents and grandparents to make a special effort to read aloud to your children. There is evidence suggesting that reading aloud, beginning in infancy, develops children's language, attention span, imagination and their interest in books. Sherman County Library has many interesting books for all ages.

Last year we placed a copy of "I Can Jump The Rainbow" and 3 booklets by Barbara Scheiber in the local library. These booklets contains a variety of suggestions for helping children with learning disabilities.

This year Prospectus subscribed to Short Story International for the library. This is a bi-monthly publication of the best stories of the current world. The stories enlighten us as they entertain. Each book contains 160 pages. Stories are by world-wide authors and each story is followed by a photo of the author and a biographical note. How much more interesting are the tales when we know more about the tellers!

Prospectus is also participating in the GFWC "Adopt a Teacher" project. Club members have adopted kindergarten through the sixth grade. This is sponsored by the National Association for the advancement of Humane Education and is called "Kids and Kindness". The aim of this project is to develop a sense of compassion and kindness in youth through humane education. "Humane Education" is the teaching of justice, goodwill and humanity toward all life. The cultivation of the spirit of kindness to animals is but the starting point toward the larger humanity which includes one's fellow of every race and cline.

We feel that reading is fundamental. We gave a 65-page "laps" books of "See Me Read" to Mary Allen's Kindergarten and first grade. We also gave the "TLC" nursery a copy and Dr. Harlow purchased one for the Stratford Clinic. This is a step-by-step process to introduce the skill of reading by the phonics method.

Prospectus Study Club also gives scholarships and helps sponsor a Sophomore student to the Hugh O'Brien youth Foundation Leadership Training Program. Over 100,000 sophomores representing as many high schools have benefited from this leadership training since it was started in 1958. Dana Williams, Monica Dettle, Pete White, Mayle Heiskell and Christie Willey have attended.

Hamilton, Smith Elected

Vice Presidents of SPS

The Board of Directors of Southwestern Public Service Company (SPS) has elected Henry H. Hamilton and Albert A. "Pete" Smith as vice presidents of the Company.

Hamilton, 48, was named vice president of production. Smith, 42, was named vice president of generation plant design and construction.

Hamilton was born in Carlsbad, N.M. He received his bachelor's degree in mechanical engineering from New Mexico State University. He is a veteran of the U.S. Army.

He joined SPS in 1963 as a plant engineer at Cunningham Station power plant near Hobbs, N.M. He has been plant manager at Cunningham, at Nichols Station near Amarillo, and at Harrington Station near Amarillo. In 1976 he was named production superintendent; he was promoted to group manager of production in 1977; he was promoted to manager of production in 1985. He had been director of production since January 1986.

Hamilton is a member of the Texas Society of Professional Engineers, the American Society of Mechanical Engineers and the Amarillo West Rotary Club.

Smith was born in Shamrock, Texas. He received his bachelor's degree in electrical engineering from Texas Tech University. He first worked for SPS in 1965 as a division engineer as part of the Company's summer intern program.

He began permanent employment in 1966 as a design engineer in generation plant design. He served in the U.S. Navy from 1969 to 1972, then rejoined SPS as a supervisory engineer in generation plant design. He later was promoted to senior engineer, principal engineer, manager of construction, and then manager of engineering, all within generation plant design. He became director of generation plant design and construction in January 1986.

Grass Seed
by Richie Brotherton

Native grass seed should be purchased, that was grown in an area of climatic adaption so it will grow here. This is about 200 miles north, 300 miles south, 200 miles east and 100 miles west. You don't want to buy seed that won't grow.

What's Happening !!

Dr. Howard Hesby and thirty students from Texas A&M were hosted by local friends and Aggies on Tuesday night with a barbeque and Wednesday morning with breakfast. The school gym was used for the nights lodging and the Poly Clean stayed open until 11:30 p.m. so the students could do their laundry. Visiting and serving the students Tuesday night were: Walter & Laverne Lasley, Frances Watson, Alfred, Jimmie, Fred and David Pronger, Selma Pendleton, Leslie and Terry Flores. Also hosting the group were Ed and Catherine Crabtree and Bill Pendleton. The Texas A&M Animal Science Dept. sponsors the credit hour Field Study course. University vans took the students on a twelve days, 3,000 mile trip to study and visit more than 35 operations across the state and included a trip to Denver to the Block and Bridle Club Convention of 600 students from 70 colleges.

James Rice Wilson III, son of Mr. and Mrs. Dexter Wilson of Port Arthur, Texas and Jim Wilson of Seattle, Washington was recently initiated into the National Honor Society. The ceremony was held in Thomas Jefferson High School Auditorium in Port Arthur, Texas.

The purpose of this organization shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in students of Thomas Jefferson High School.

Out of an enrollment of 2200 students there were nine seniors, forty-nine juniors inducted and fifty-seven students who maintained membership from the 1985 initiation.

James is the grandson of Mrs. Lorraine Mehner and the nephew of Bill Ross of Stratford.

Russchelle Hanbury of Dalhart is shown above with the winners of the 1st. Novice meet of 1986-87 year held Saturday, Saturday, January 10th at Dalhart. In the girls there was Kamber Sherrrod-3 6-7 1B and Jessica Bryson-4; Ashby Stoy-1 and Tami Davis-3 in 6-7 2A. In 8-9 2A was Kelli Wight-1 and in 10-11 2A was Sheila Fedric-1. Teams of Texas Tumbleweeds comprised of 43 Dalhart and Stratford competitors coached by Russchelle Hanbury and the All American Gymnastics from Amarillo, being 47 competitors coached by Tina Hall, Lisa Young and Polly

McCoy.

Texas Tumbleweeds was 1st team in overall Tumbling, The All American Gymnastics was 1st team in overall Trampoline. (Traveling trophies-must win each meet winner in District Qualifier, keeps trophy for the 86-87 year.)

The next Novice meet will be in March hosted by the All-American Gymnastics in Amarillo.

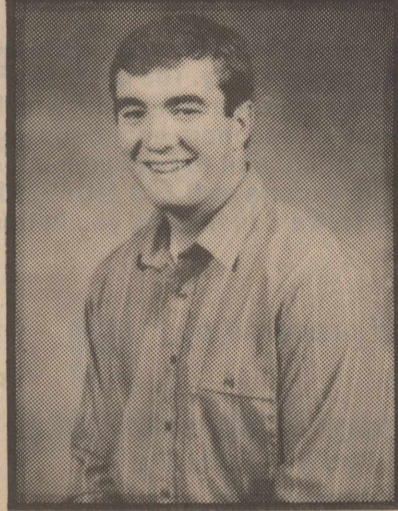

Pleyer & Nelson Make Dean's List

Six hundred eighty-eight West Texas State University students were included on the Dean's List for the Fall 1986 semester.

Students must achieve a semester grade-point average of at least 3.25 (of a possible 4.0) with a class load of at least 12 semester

hours to be included on the Dean's List. Students whose GPAs are 3.85 or better are listed on the President's List.

Janet L. Pleyer from Stratford with a 3.857 GPA and Kristine S. Nelson from Texhoma with a GPA of 3.267

Stratford native David White is among 29 students at Wayland Baptist University who have been named for inclusion in the 1987 edition of "Who's Who Among Students in American Universities and Colleges."

Campus nominating committees and editors of the annual directory have included the names of the Wayland students based on their academic achievement, service to the community, leadership in extracurricular activities, and potential for continued success.

They join an elite group of students selected from more than 1,400 institutions nationwide and several foreign countries.

White is a senior biology major at Wayland, where he has been active in the Baptist Student Union.

He is the son of Mr. and Mrs. Glenn D. White of Route 2, Stratford.

Chapman Graduates Basic Training

Airman Nancy M. Chapman, daughter of Vyrion H. and Merry M. Wilson of 906 N. Maple, Stratford, Texas, has graduated from Air Force basic training at Lackland Air Force Base, Texas.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the community college of the Air Force.

She is a 1981 graduate of Texhoma High School, Okla.

Drop by and say hello to Art or Carlos. Your business is always appreciated at the FEED STORE in Guymon.

### ENMR Telephone Cooperative

When we consider the area around us, including all of the businesses and the different types of enterprises, it is hard to overlook one prominent name. That is the ENMR TELEPHONE COOPERATIVE, located at 7111 North Prince, in Clovis, New Mexico, phone 1-505-389-5100.

Through their efforts to provide the best telephone service, they have come to be known as an important part of the backbone in the economic structure of this area. From their beginning, they have striven to provide the most up-to-date telephone service, with friendly, conscientious efforts at the most modest price.

The ENMR TELEPHONE COOPERATIVE employs many people throughout the area, thus aiding in the financial strength and growth of the area they serve.

Without their dependable telephone service, the area that they serve would not have been able to progress and prosper as they have. The management of the ENMR TELEPHONE COOPERATIVE are to be commended for their efforts to provide excellent service ... which they do. They look forward to continuing good service for you in 1987!
