BE PREPARED TO PAY

When you pick up your daily newspaper, you look to see what new shooting war has started.

Then you turn to the latest strike news to see how many men have been added to the unemployment list.

The issues involved in strikes seem as complicated as those affecting cease-fire decisions. Rulers hate to give up power for peace.

In strikes, it is no longer a question of just wages or working conditions, but of grabs for power and control just the same as between nations.

If you think you don't pay for gun shooting warfare, just watch the prices edging up steadily for commodities, and check your total tax bills (hidden and direct) for the past 10 years.

Increased taxes force increased wages and the two force increased prices. No fine spun reasoning of the economists can change this hard fact.

As long as it is necessary to tolerate wars and strikes, be prepared to pay for them.

How To Get Bled White

Food, shelter and clothing are the basic necessities of life. They represent a major part of the total spending of the American people.

But a still larger part of the national spending goes for very different purposes. This is spending by government.

During 1965 the First National Bank of Boston reports that spending by local, state and federal governments will come to \$203 billion. The outlays for food, clothing and shelter, on the other hand, will be \$183 billion... or \$20 billion less. Fifteen years ago, the Bank adds, the reverse was true.

All that government spending must eventually come out of our pockets... or, if collection is deferred through borrowings, the pockets of our children.

Much of the enormous increase in government spending can be attributed to efforts to create a welfare state at any and all costs. If that kind of acting and thinking prevails, we'll be bled white.

Haskell County History

30 YEARS AGO

(October 24, 1935)

T. A. Gardner of Weinert transacted business in Haskell Saturday.

The Haskell Indians plucked a few tail feathers to wear in their war bonnets last Friday night when they took the fast Abilene Eagles to camp to the narrow margin of 6-0. Kimbrough made the lone tally with only four minutes left.

The Haskell Lions Club in their regular meeting Tuesday in the Tonkawa Coffee Shop voted to appoint committees to raise the necessary funds to meet the quota set to keep Haskell as a member of the West Texas Chamber of Commerce for another year. John A. Couch and W. A. Holt will serve on this committee. A committee composed of Courtney Hunt, Judge Chas. M. Conner and Dr. T. W. Williams will work with the directors of the Brazos River Conservation work.

The Haskell County Golden Jubilee Fair and Old Settler's Reunion was a huge success.

Mrs. W. H. Overton left Sunday for California for an extended visit with relatives.

W. A. Duncan made a business trip to Greenville and other East Texas cities the latter part of last week.

Herbert Arbuckle Jr., of Abilene, spent Friday in Haskell with his uncle, Mr. and Mrs. Travis Arbuckle and attended the football game.

Miss Frances Walling and Louise Turner spent the weekend in Abilene, the guest of Miss Anna Maud Taylor.

Sheriff Giles Kemp and District Attorney H. F. Grindstaff, were visitors in Wichita Falls, Tuesday.

Gladys Fouts, who was supposed to be at the show on a certain night last week was not there, we wonder why?

Although hampered by a cold norther and sand blowing across the lighted area, one of the most spectacular and colorful pageants ever held was presented in front of the grandstand at Rice Springs Park last Thursday night, Oct. 17. Mr. and Mrs. Ed Ehumway directed the pageant.

40 YEARS AGO

(October 23, 1925)

Dr. J. M. Baker of this city returned Friday morning from Dallas where he attended the Electric Medical Association which convened last Wednesday and Thursday. Dr. Roberts taking in the State Fair at night, while in Dallas. He reports an enthusiastic meeting and a good state fair.

J. F. Kennedy returned from a Dallas Sanitarium where he underwent an operation, and is getting along nicely. He was away from business several weeks, and his many friends are glad to see him back again.

"If Winter Comes," the light customers of Haskell are assured of a farm welcome when they visit the office of the West Texas Utilities Co. The Company has just installed one of the most modern heating plants in West Texas, and this is the first installation of its kind in Haskell. The plant is the Arcola System, consisting of Arcola No. 8 furnace and four 16 section radiators.

Mrs. Alfred Pierson and little daughter, Louise, attended the Dallas Fair the past week and visited relatives.

Mrs. C. M. Kaigler has been quite ill for the past week and is still confined to her bed.

Mrs. F. G. Alexander visited her daughter, Mrs. W. C. Hickley and family of Abilene.

Mrs. Aldon Holt and little daughter of Lubbock are guests of her parents, Mr. and Mrs. N. T. Smith.

Miss Inez Woodard spent last

weekend in Abilene visiting home folks.

Judge and Mrs. J. G. Foster and little son, J. G. Jr., and Mrs. Foster's mother, Mrs. Emmett Loe, have returned home from a visit with relatives in Dallas.

Mr. N. I. McCollum went to Dallas this week and was accompanied by Mrs. McCollum who has been to see her daughter, Miss Marguerite, at school and visiting a sister in Dallas.

Misses J. U. Fields and H. D. Neff left for Vernon Wednesday where they will be the special guests of the President of City Federation of Clubs who will be hostess on Wednesday afternoon to the Federation.

60 YEARS AGO

(October 28, 1905)

Judge H. G. McCollum attended District Court this week in Aspermont.

By interviews with farmers, merchants and inspection of the public weigher's books, we find up to October the 26th there have been 954 bales of cotton received at this point, against 1,155 bales received to the same date last season.

The public weigher says at this time last year there were at least 500 bales of unsold cotton on his yard, where as there is now only 85 bales unsold.

Customers, we have carried your account during the year; now we desire that you settle with us November 1, Collier Drugstore, N. E. corner square.

Mr. J. B. Fortenberry of the North Side had business in the county capital Tuesday.

Messrs. D. R. Livingood, J. D. Stodgill, Robert Lee and D. S. Ketron, substantial citizens of the Paint Creek neighborhood, were seen in town Tuesday.

We understand that the Haskell Railroad Committee have agreed with Col. Morgan Jones, president of the Wichita Valley Railroad Company, on the terms of a contract for the extension of his road by way of Haskell to a connection with the Central at Stamford, except as to some minor detail in regard to the depot grounds, which it is believed will be adjusted without difficulty. Construction work is expected to begin at an early date. A San Antonio firm has secured the

OIL NOTES

Locations for three field projects were staked in Haskell County.

Harrison & Childress, et al, of Abilene No. 5 Leona Partain was spotted two miles northwest of Stamford in the regular field.

Permit depth applied for is 2,850 feet with rotary.

Site for No. 5 Partain is on a 160 acre lease, spotting 2,431 feet from the north and 330 feet from the east lines of C. W. Jones Survey, A-782.

The venture is a southwest offset to J. R. Jennings No. 1 Cannon, a Swastika Sand discovery prorated in the regular field.

M. E. Morrell, et al, of Albany staked the other two projects.

No. 5-C T. G. Hendrick Estate was spotted 20 miles southeast of Haskell in the regular field.

The planned 1,900-foot rotary King Sand venture is on a 160-acre lease. It spots 1,179 feet from the north and 1,210 feet from the east lines of Section 5, ETRR Survey.

No. 11 T. G. Hendrick Estate is a proposed 2,000-foot rotary venture. It is 25 miles southeast of Haskell in the Wolfcamp (Swastika) Field.

Site is 330 feet from the south and 660 feet from the west lines of J. Mathews Survey 104.

Man Shelley Serving With Patrol Squadron

F. Haskell, is serving with Patrol Squadron 50, currently deployed with the Seventh Fleet in the Western Pacific.

The primary mission of the squadron is all-weather anti-submarine warfare. In support of its mission, the squadron flies the Martin "Marlin" seaplane to detect, track and destroy submarines in time of war.

When provided logistics by a seaplane tender, the "Marlin" can be operated from semi-protected waters in all areas of the world.

When not deployed with the Seventh Fleet, Patrol Squadron 50 is normally based at Naval Air Station, North Island, San Diego, Calif.

FIREMEN ANSWER CALL

The Haskell Volunteer Fire Department answered a call at 6:00 p. m., Wednesday of last week, just after the Free Press had been printed, to the Trinity Lutheran Parsonage, Throckmorton Highway.

A pan of grease caught fire, but little damage was reported. Mrs. Johannes had just stepped outside for a few minutes when the blaze from the hot grease flared-up, resulting in some smoke damage.

PROGRESSIVE STUDY CLUB OBSERVES NATIONAL ART WEEK

The Progressive Study Club entertained its members and guests last Thursday, 7:30 p. m., in the Community Room of the Haskell National Bank...

become complacent. Don't think it can't happen here!

There were 80 million people executed when communists took over. They were told they should get rid of 100 million—when this was done, then they clamped down on them and they could not leave, they started re-organizing the country.

During the business session, Mrs. W. O. Holden, Mrs. Bill Woodson and Mrs. R. A. Lane were elected to serve on the nominating committee with Mrs. Garvin Foote and Mrs. Glen Sammons as chairman.

She showed the four different flags along with the Christian flag that flew over their Christian compound. After the Japanese came back—many who were married, left—she, not having the "handicap", or "asset" of a husband—chose to stay.

Mrs. Bill Woodson introduced the guest speaker, Miss Blanche Groves, a retired Baptist missionary from China after 40 years.

They destroyed all of their machinery in the factories that had not already been moved to Hong Kong. Which very few did—those that did are producing in Hong Kong now.

She stated that there are 700 million Chinese people in China. Never has a country been so cut off from the rest of the world as China.

Miss Groves stated that when she first went there they only wore silks and satins, beaded and embroidered with lots of handwork—cotton at that time was too expensive, silk was woven on the streets.

Hong Kong in time. She concluded her talk with an open discussion period where many questions were asked and discussed.

Mrs. Burkett Installs Naomi Class Officers

The Naomi S. S. Class of the First Baptist Church met Monday night, Oct. 25, in the Youth Center for their regular business and social meeting.

A delicious salad supper was served from tables with appointments of silver and crystal. After enjoying the delicious food, Mrs. Artie Mae Burkett installed the class officers in an impressive candlelight service.

Magazine Club Begins Year's Work With Re-Assembly Luncheon, Oct. 15

The Magazine Club began its 1965-'66 year with a "Re-assembly Luncheon" in the dining room of Felker's Drive-In Friday, October 15, at 1 o'clock.

The tables were arranged in "U" form with a beautiful flower arrangement on the speaker's table. An attractive bouquet of fashion roses from Mrs. Joe Thiipen's garden, adorned the registration table.

The social committee headed by Mrs. T. R. Foster planned the lovely plate, served to 24 ladies and one guest, Emily Thiipen.

Mrs. Wallace Cox Sr., gave the invocation. Recognized were District President, Mrs. Ramon Liles; chairman teacher of the year, Mrs. C. T. Jones.

Mrs. C. O. Holt distributed the year books, course of study, "All About Money." Speaking on "What Our Bank Books Tell," Mrs. Robert Wheatley said: "In February of 1961 there was an issue of Look Magazine devoted to the subject: All about Money. That magazine in-

spired this year's study course. "The introductory paragraph in Look Magazine said: 'A new breed of money-maker is among us. He gets rich more readily, more creatively, in a greater variety of ways and at a younger age than men ever did before. He gives more money away at home, he is increasingly despised—thus posing for us one of the most perplexing questions of our time: 'Can we afford to be as rich as we are?'"

"It is Mrs. Weaver's plan that we include all those ideas in our study plus a few more. I can't remember a time when I haven't heard the expression, 'Money doesn't grow on trees, you know.' Maybe this study course can help us all to understand just what money is, how it DOES grow, what GOOD it does and what good it CAN do."

"I notice that the topic assigned me for today is 'What Our Bank Books Tell Us.' Instead, I will take that topic to mean a quick, general look at America's incomes. 'Look Magazine reports, 'It is easier to get rich in the United States today than ever before.' That statement probably surprises those of us who may think that tax laws have killed opportunity. Nonetheless, fig-

ures of the Internal Revenue Service indicate that more fortunes have been made since World War II than in any comparable period. They are still being made, and in a great variety of ways. Some of America's new millionaires are natural geniuses or mechanical wizards. Some are investors who chose the right growth stocks. A few are just hard workers.

"So we are rich, and, barring some catastrophe, bound to get richer. So what, Look asks? Are we fulfilled? Is ours The Answer to the needs of the world? If our system is so good, why is it so popular abroad to consider us bad? Is it that the world sees our obsession with prosperity as malignant? Admittedly that well-being is a factor in human happiness, is there no other good in progress? Must it corrupt?"

"It is these things that might be kept in mind as we study the programs called 'All About Money.' Or, we might have titled it the same as one of Ogden Nash's poems, 'Hymn to the Thing That Makes the Wolf GO.' And he says: O money, money, money I am not necessarily One of those who think thee holy."

But I often stop to wonder How thou canst go out so fast When thou comest in so slowly."

Haskell Garden Club Members Hear Facts On New Abstract Arrangements

The Haskell Garden Club met in the Community Room of the Haskell National Bank building, Wednesday, Oct. 20, for their regular meeting.

Hostesses, Mrs. C. B. Rhae and Mrs. E. L. Wyche served a refreshment plate of cake and coffee, and the meeting was called to order by the president, Mrs. M. E. Overton.

Mrs. E. L. Wyche introduced Mrs. Jack Watson of Stamford

who gave a very educational and interesting program on the new abstract arrangements. She had eight or ten most unusual abstracts to demonstrate the technique. "There are two classes of abstract arrangements," said Mrs. Watson. "One, objective-ism, may be pure or total abstract with no idea in mind except design. It expresses only what the arranger wishes it to express—"

November meeting of the Council. There will be a demonstration given by Mrs. Dunwoody on November 19th on Christmas Food Decorations at the Community Room, Haskell National Bank.

A luncheon and tour of homes and also a short council meeting will be held November 17 at Felker's Cafe. Those planning to attend the luncheon are asked to report to Agent Barbara Elliott, prior to Nov. 12.

Division Veterans Meeting Stated

and Mrs. John Payne, of Oklahoma, and possibly others, this year's meeting will be held at the 90th Division of the World War I, to be held at the Oklahoma Lodge, Kingston, Oklahoma, on November 4, 5, 6 and 7. The first week of November of each year the group meets at the Lodge for a week of recreation and old time dancing.

The 90th Division of World War I was known as the "TO," Oklahoma, due to the fact that the majority of men in that division were from Texas and Oklahoma. However, there were men from many other states of the United States. The Division was organized at Camp Travis, San Antonio, Texas, in August, 1917, and went to France as a member of the American Expeditionary Forces. It took part in the battle of St. Mihiel and an important part in the Lorraine offensive and the Meuse-Argonne offensive. The Division was demobilized at Camp Pike, Ark. The 90th Division of World War I was organized at Camp Haskell, Texas, in 1941. It was

also sent to Europe and took active parts in France and Germany. The Division was also known as "TO" but instead of a Texas-Oklahoma, it derived its name from "Tough Ombre."

The meeting at the Lodge this year, will probably be attended by over 500 men and their wives.

The Good Earth

by MRS. B. F. COBB

Pansies have made their way to the nurseries and are just waiting for some loving gardener to give them a home.

Unless the temperature drops below 10 degrees, pansies need no protection to make the winter. If a cold spell comes that is too severe, cover pansies with twigs and leaves or straw until the weather settles down.

Pansies are at home in the rock garden and add much charm and color even through winter months.

It is not uncommon to see the flowers peeping their saucy faces up through the snow.

Once planted, pansies take very little care. An occasional drink or a light feeding of liquid fertilizer. Be sure to keep faded flowers picked off. If not the plant puts all its energy into producing seed. The plant will soon stop blooming and often die if it is allowed to seed.

An interesting and rewarding pastime can be had by potting cuttings from coleus, Joseph's coat of geranium to take as gifts for shut-ins.

A little pot of bright colored foliage or blossoms can bring many peaceful moments to one who is not able to be outdoors.

October and November are good months to root cuttings of roses, hedge plants, weeping willow and numerous other woody plants.

I like to take cuttings when the moon is waning. This method also applies to planting root crops.

I've seen radishes planted in the light of the moon quickly run up to seed and completely fail to produce radishes. The same thing will happen to turnips, beets and carrots when they are planted on light nights.

Mrs. Elsie McGregor of Abilene has offered me some banana plants. I wish the gardeners in Haskell could see her yard. Banana plants as high as her house grow the full length of one wing on the south side. The row is at least 4 foot wide, maybe more.

Another large cluster of banana plants cast a shade on the

Lineman And Back of the Week

BILL PERRY, Lineman

TIM EVERETT, Back

In the meeting of the Indian Booster Club Monday night, Bill Perry was selected lineman of the week, and Tim Everett, back.

Perry, Everett Lineman And Back Of The Week

Forty-three members of the Indian Booster club met in regular session at the high school lunchroom, on Monday night, with president, Harold Spain, presiding.

Mrs. Howard Perry reported that her committee had met and plans had been formulated for the Dad's night program at the Anson game here, Friday night.

Coach Everett announced that the 7th grade team lost to Hamlin, 20-0, and Coach Bennett, reported a loss by the 8th graders to Hamlin by a score of 18-14. Coach Middleton reported the "B" team downed Hamlin 12 to 6.

R. C. Couch, Jr., was the recipient of the door prize, two gallons of Prestone Antifreeze, donated by Gilmore Implement Company.

Coach Bennett reported that Anson plays hot and cold, and in the game here Friday night, the team with the most desire would likely win.

Coach Everett commented and showed the film on the Haskell-Hamlin game.

Tim Everett was selected as back of the week, and Bill Perry lineman.

Kissin' Cousins From Australia Visit Relatives In Haskell

Beryl and Evelyn Cummings from Australia, cousins of Mrs. E. L. Cummings and Mrs. Gene Tonn, visited in the Tonn home last week and also visited Gene Tonn, who is in the Abilene Hospital.

They enjoyed their trip in our "vast" country—and had a very extensive trip from their home in Melbourne, Australia. They boarded their boat, the S. S. Himalaya at Melbourne, on August 2, 1965—visited Sydney, Australia, New Zealand, Queensland, Hong Kong, Cobe, Japan; Yokohama, Japan; Tokyo, Japan—then stopped at Hawaii, visiting Honolulu and Waikiki Beach; Vancouver, Canada and landed at San Francisco, Calif., where they visited with Mrs. Tonn's brother at Mill Valley, Calif. It was through this brother who has completed a family tree of the family, that the Haskell relatives learned of these cousins a few years ago.

Miss Beryl and Miss Evelyn then boarded a Greyhound bus for their tour of the United States. They visited Portland, Oregon, then Seattle, Washington; stopped at Chicago, Ill., then to Niagara Falls—over into Canada for a short stop; then to New York City, Philadelphia and Valley Forge, Atlantic City and Longport, N. J., where they visited with Mrs. Tonn's sister, Mr. and Mrs. J. J. Jameson; then Washington, D. C., then to New Orleans, La., touring cities along the way—then Houston and Galveston, Texas, where they visited with some Australian friends at Jamaica Beach, Texas, and arrived in Haskell from Abilene Thursday, Oct. 21.

They left Haskell for El Paso, and expected to cross into Mexico at that point. They will go to Las Vegas, Nevada, then Los Angeles, Calif., Hollywood, and will depart from San Francisco, Calif., on Nov. 13. Their return trip by SS Canberra will take three weeks—but the first part of their trip was 6 weeks. They told the Haskell cousins they will never forget the hospitality and friendliness of the American people, enjoyed the beauty of the countryside all along the way and the "wide open spaces" of this part of Texas.

B&PW Members And Guests Hear "Book Review"

Forty members and guests were present Tuesday evening at the Community Room, Haskell National Bank, to hear Mrs. Phil Simmons, of Rochester, review the very heart-warming book: "Where the Heart Is" at the meeting of the Business and Professional Women's Club.

Attractively arranged Spanish decorations emphasized the theme of the book, reviewed by Mrs. Simmons.

Hostesses, Mrs. W. A. Lyles, Mrs. Stella Trice, Dr. Robinson, and Mrs. Lois Jones; the president, Mrs. Roy Johnson, and Mrs. Simmons were dressed in Spanish costumes.

Mrs. Johnson presided over the meeting, and Mrs. Lyles introduced the speaker.

Punch, cookies, nuts and mints were served by the hostesses from a beautifully arranged tea table.

In reviewing the book, Mrs. Simmons was very poised and

PAINT CREEK... COMMUNITY NEWS

BY MRS. GENE OVERTON

Edwin Livengood of Texas Tech spent the weekend with his folks, Mr. and Mrs. Homer Livengood and Steve.

Vern Howard of Cisco Junior College spent the weekend with his folks, Mr. and Mrs. Vern Howard.

Waller Overton and his mother, Mrs. Gene Overton, spent the weekend in College Station visiting Cadet Mike Overton. They attended the Town Hall program featuring the Letterman, Friday night and visited with Bobby Black and his roommate, Bobby Jones A&M (when he isn't hating it), and is a good freshman. He is making good grades, too, holding an A in math, and nothing lower than a C, which is something for a fish in the Corps at A&M. Saturday, after the Baylor game, which we will forget, they visited with Barry O'Neal of Haskell and his roommate, David May of Rule, who are Baylor students. Oh yes, about the game, the papers wrote a lot about the wonderful passer, Stockdale of Baylor, but they didn't tell much about that Baylor line that held those Aggies away from him like a brick wall. I was watching a big old number 86 on right end, and he got the Aggie ball carrier about a third of the time, and interfered with other Aggies the rest of the time. I asked Waller to look at his program and see who that boy was, and lo and behold, it was Haskell's David Anderson. He is a wheel horse on that Baylor team, and I was so proud of him, even if he did cause a lot of trouble for the Aggies.

Layne Wells, who farms Mr. McCoy's land at Trent, had a serious accident Thursday when his glove caught in a post hole digger. His hand was broken, his fore arm fractured and ligaments pulled in the upper arm. He was rushed to the hospital where it was feared his arm might have to be amputated, but they hope now they can save it.

I never had all the Homecoming news in the column. Mr. and Mrs. Morris Haynes had their son, Morris Jr., and his wife and two pretty daughters from Fort Worth here that weekend. Morris Jr. is teaching in a Fort Worth Junior High School as well as his work at the Seminary.

Mr. and Mrs. Raymond Bounds had their daughter and family, Mr. and Mrs. Harry Logan and two sons of Lubbock, and Mr. and Mrs. Ray Gressett and daughters of Dimmitt and son, Gene, and his family of Stamford.

Mr. and Mrs. Harvey Terrell had son, Edwin, and his family, including a handsome son in Ranger uniform, Mrs. Edwina Seth and her children, and Mr. and Mrs. W. A. Howard and children of San Angelo.

Mr. and Mrs. Hoyt Perry had son, Gene, his wife and children of Stanton, son Don, his wife and daughter of Haskell, and Mr. Perry's sister, Thelma Bricker, and her mother, Mrs. Wayne Perry of Abilene.

Mr. and Mrs. Martin Coleman and daughter spent a recent weekend in New Mexico visiting his brother and family. Mr. and Mrs. Sonny Coleman and Mark.

Paint Creek people of the old Plainview community lost a neighbor in the death of Mrs. Mike Flores in Stamford. Mike brought Mrs. Flores to the Overby farm as a bride about 36 years ago, and they reared their family there. When she lost Mike several years ago, Mrs. Flores moved into Stamford. They had three children to graduate from Paint Creek. Gregory, who is Mrs. Johnny Gonzales in Stamford, graduated in 1953; Alberta graduated in 1955, and Tony graduated in 1956.

VOTE NO

ON AMENDMENTS 4 and 10

Four year terms for governor may be all right in two party states, but this is a one-party state, and amendment four would confirm one-party, big business control of Texas. We have almost reached the point where the conservative Democrats and the State government are the same thing. We must turn back from this dangerous way of political life.

Four-year terms for members of the Texas House would give them longer terms than congressmen. The people have a right to rule on their state representatives every two years. There is already too little democratic pressure on these men in a one-party state; now they want even less.

Governor John B. Connally pushed amendment four through the legislature for his benefit. Then the state representatives pushed through amendment ten for theirs.

We hope the people have had enough of politicians jimmying the very structure of state government for their own personal interests and will vote NO on Four and Ten.

Connally has announced for the first four-year term. This would give him eight years in office—longer than any Texas governor in history. His appointees would totally dominate every state agency.

Amendment Four would have the governor running in the off-presidential years and consequently diminish rather than stimulate voter participation. If amendment Ten was adopted too, half of the legislators would run when the governor wasn't running, and he would be able to campaign to defeat anybody in the House who had not taken his orders. "A powerful, popular governor would be able to virtually determine the make-up of the legislature in a one-party state." If Connally gets the four-year term, he will in effect be seeking his third and fourth terms in the one election next year. No wonder the lobbyists are so devoted to the four-year term. They can spend a quarter million dollars on passing it and still come out ahead.

We urge the citizens of Haskell County

Awards Presented At Cub Scout Pack 36 Meet

Cub Scout Pack No. 36 held its monthly Pack Meeting on Monday night, October 25, in the Elementary Cafetorium. The Cub Scouts presented the Flag Ceremony, and recited the Pledge of Allegiance.

Assistant Cub Master, Johnny Smith talked to the Cubs about fire prevention in the home and urged the Cubs to make a safety check of their homes, and draw a sketch showing the exits in case of a fire.

Den 1 gave a skit on "litter bugs." Mrs. E. W. Pruett is Den Mother.

The following awards were presented by Cub Master E. W. Pruett: David Parker, Bobcat; Gregg Thompson, Wolf Badge, one gold and two silver arrow points; Danny Smith, Lion Badge and Gold Arrow Point; Ed Walling, gold and silver arrow point under the Lion.

Vernon Pruett and James McCoy each received their two-year service stars.

Den 6 won the Cubby with 18 present. They also were in charge of the closing ceremony, reciting the key words to the Scout Law and Oath. Their Den mother is Mrs. R. A. Colbert.

The next Pack meeting will be Tuesday, Nov. 22, 7:00 p. m., in the Elementary school cafetorium.

Doreas Class Hold Meeting In Marr Home

The Doreas Class of the East Side Baptist Church met in the home of Mrs. Bill Marr, for the regular class meeting and social. Everyone came dressed in Halloween costumes.

Mrs. Dick Andrews brought a very interesting devotional found in Colossians, 3rd chapter. Mrs. Fred Howard, class mother, led the prayer, and psalm were revealed.

Hot luck supper was enjoyed by the following: Virginia Daniels, Doris Roberts, Pauline Reding, LaVerne New, Opal Rose, Louise Smith, Alta Faye Harvey, Bennie Faye Shelton, Lillian Hodgkin, and visitors, Mrs. Dick Andrews, Nelda Jetton and Shelia, Mrs. Fred Howard and the hostess, Marie Marr.

The next social will be in the home of Opal Rose.

The class voted to have a Thanksgiving supper for all the class and their families, on November 22.

On October 10, 1845, the Naval School was established at Fort Severn, Annapolis, Md. Five years later it was named the U. S. Naval Academy.

The Junior High School Drill team crowned their Football Hero and Sweetheart at the last game on Tuesday night, October 19. Delle Davis was crowned football sweetheart and Winston May was crowned pep squad hero.

First and second runner-ups and helping in the crowning were: First runner-ups: Bonnie Morin and Denny Barbee; Second runner-ups were: Marilyn Moore and Eddie Bryant.

The Rule Senior Class will have a fried chicken dinner Sunday, October 31, at the school cafeteria. Tickets are on sale by members of the senior class.

The Annual Queen Coronation will be in the school auditorium on Thursday night, October 28, at 7:30. A high school queen will be crowned and a princess in junior high and elementary school. School personalities will be introduced.

The Rule Chapter of the Future Farmers of America have elected their officers for the coming year. They are: Dennis Barbee, president; Billy Dave Kittley, vice president; Lyndel Norwood, secretary; Johnny Westbrook, treasurer; W. L. Wolf, reporter; Dennia Riggins, sentinel. Thomas Kutch is the faculty sponsor. The group attended the Texas State Fair in Dallas last weekend.

IN APPRECIATION

The members of the Ratliff family express their deep appreciation for all of the flowers, cards, letters and words of sympathy, and other acts and deeds of kindness and courtesy extended to them in the loss of their brother, Roy Ratliff. May God's richest blessings rest upon all of you. —The Ratliffs.

Former Haskell Band Director Passes Away

Mr. Joe Meacham, 1408 Lincoln Avenue, Amarillo, former Haskell School Band Director, died Saturday, October 23, at 8:00 a. m., of a heart attack. Mr. Meacham left Haskell in 1942, and was 83 years old at the time of his death, Joe Mapples said.

Funeral services were Tuesday in Amarillo.

The following information concerning Mr. Meacham was taken from the "Warhoop," of the October 31, 1935, edition. "We are presenting for this week's Warhoop 'Chief' Mr. Joe Meacham who has been the leader and director of the Haskell High School and Municipal Bands for the past eight years.

"Mr. Meacham was born in Clarinda, Iowa, and moved with his family to Oklahoma, where he lived until after he graduated from high school. He finished his musical education in

Chicago, graduating from the Quinton School of Music. After a post graduate course in band music he joined the Ringling Brothers Circus band and remained with them two years. During the World War he enlisted in a military band and while in Europe he visited ten countries of the old world. He has played with musical organizations in every state in the union, Canada and old Mexico. He has been a member of the Chicago Symphony Orchestra, a Scotch Orchestra in Montreal, Canada, and many other nationally known orchestras.

"After making Chicago his headquarters for a number of years, Mr. Meacham moved to Dallas where he remained for a short time before coming to Haskell. In addition to his band work here he has had a large class in music and is making an outstanding success in his chosen profession. Mr. Meacham is a citizen whom we are proud to name as this week's Warhoop 'Chief.'

Haskell "B" Team Pops Pied Pipers 12-6

The Haskell Indian "B" team rolled over the Hamlin Pied Piper "B" team by a score of 12 to 6 here, Thursday night, with a pass interception providing the hosts with the decisive margin.

Haskell received the opening kick-off and began a drive which gained the Indians five first downs and covered 74 yards. Indian halfback Keith Chapman, blasted through the left side of the line for the final five yards and the opening Haskell touchdown. The try for extra points failed, and the Indians led 6-0 through the first quarter.

But the tide turned early in the second period, as the Pipers marched to paydirt on about a 38-yard drive. The Indians stopped them short on the try for extra points, and the score was deadlocked at 6-6.

With about 1:07 left in the second quarter, with Hamlin

deep in Indian territory, Haskell's Walter Felker intercepted a Piper pass and scampered some 86 yards for the Indians' second TD. A pass from Riley Couch to end Tom Schwartz was broken up, preventing two extra points and halftime, the Indians led by a score of 12 to 6.

Though the second half scoreless, Hamlin drove to Haskell four-yard line late in the fourth stanza before rugged Haskell defense held them for downs. The changed hands twice on fumbles, and then the Indians out the clock.

This is the Indians' second victory over Hamlin this season, the first being 6 to 0, boosts Haskell's record to wins and two losses.

Hallowe'en Dance At Legion Hall Saturday Night

A Hallowe'en Dance will held Saturday night, October 30th, at the American Legion Hall. Music will be furnished by the "Whippoorwill" country and western band.

TEXAS NEEDS THE 4 YEAR TERM FOR BETTER STATE GOVERNMENT!

- Enables our governor and other officials to concentrate on the complex problems facing Texas.
- Eliminates forcing our state men to spend almost half their time running for office (39 other states already have the 4-year term.)
- Makes possible increased effectiveness and influence for Texas leadership in national affairs.

HASKELL COUNTY HOSPITAL NEW RULES AND REGULATIONS

Effective October 15, 1965

Due to the financial condition of the Hospital, the Board has been forced to change the rules and regulations that were effective in the past. The hospital installed adequate X-ray and laboratory equipment in January, 1965, and employed a registered medical technologist for the benefit of all patients. The aim of the board is to make our hospital something for every citizen to be proud of, and for the very best service possible.

1. Upon admission, if you are covered by Hospital Insurance, you must bring the policy with you on any medical, surgical or maternity admission.
2. In filing for hospital insurance claims, on Blue Cross and all commercial insurance, all laboratory and x-ray work must be done in the hospital in order to include this in your claim.
3. If you do not have hospitalization insurance, we require all O. B. admissions to put up \$100.00 deposit.
4. Upon dismissal from the hospital, you will be expected to pay the amount deductible for medical admissions, and any balance your Insurance does not cover. In the event your policy should pay more than we anticipate, we will send you a refund check.
5. All patients not covered by hospitalization must pay the total account before leaving the hospital. You will be asked to come by the office, make settlement, and take your dismissal slip to the nurses station before leaving the hospital on all admissions.

Signed by the Hospital Board

Annual Convention of Farmers Union Is Slated November 4th

Farmers from Haskell County and all over the state will convene on Abilene for the 62nd Annual Convention of the Texas Farmers Union which opens Thursday morning, Nov. 4, at the Windsor Hotel.

From Haskell County

The delegates to the Texas Farmers Union Convention from Haskell County who will attend the Abilene convention are Mr. and Mrs. Oliver Cunningham, Mr. and Mrs. Don Nanny, Mr. and Mrs. Allen Davis, Mr. and Mrs. Duward Campbell.

Others from the Haskell area who will attend are: Mr. and Mrs. J. A. Mayfield, Mr. and Mrs. Ted Jetton, Mr. and Mrs.

Henry Druessedow, Mr. and Mrs. Johnnie Earles, Mr. and Mrs. Herbert Fischer.

To Sing

Haskell's talented "Nine-Teens," under the direction of Mr. and Mrs. Hubert Bell, will sing November 5 at 7:30 p. m. at the banquet.

Rule's Velveteens, sponsored by Mrs. Don Davis will sing at 11:00 a. m., Friday, Nov. 5.

At 2:45, on November 5, a group of FFA members from Paint Creek, sponsored by Willie Lee Medford, will present a brief program on "American Agriculture Heritage."

The delegates to the state Farmers Union meeting will

celebrate the passage of the 1965 Farm Bill which, according to the officials of the organization, "bears the unmistakable stamp of Farmers Union."

State Farmers Union President Jay Naman says that the "delegates to the state convention will be charged with the responsibility of adopting a program that will assure that the provisions of the recently passed farm bill operate to increase farm income and accomplish the other long-range objectives that Farmers Union has sought traditionally through the approach clearly defined in this Farmers Union farm bill."

Those on the program drafting committee who have been charged with the responsibility of combining the resolutions from the county Farmers Union organizations into a program

to be considered by the convention are: Chairmen Foy Mitchell of Roby and Bobby Traweck of Dublin and members Chas. Hensley of Cameron, Jamie Blackwell of Alvin, C. C. Burnett of Dumas, S. L. Garrison of Hereford, Hollis Madden of Hamlin, Joe Rankin of Ralls, Claude Fuller of Gorman and Frederick Leopold of Nada. The Program Committee will meet in continuous session from Monday, Nov. 1, until the program is drafted and ready to be submitted to the assembled delegates.

A record attendance is expected at the Abilene meeting because of the unprecedented growth Farmers Union has enjoyed in 1965. It is expected that this might well be the largest state convention in Texas Farmers Union history. An interest-packed two-day

schedule includes speeches by Senator Ralph Yarborough, Congressman Graham Purcell, Congressman Jim Wright, and National Farmers Union Insurance Manager Ray Novak, and other state and national figures. NFU President James G. Patton's speech at the annual banquet session on Friday evening will highlight the convention activities.

Other convention speakers will be H. M. Baggaly, country editor of the Tulsa Herald, Southwest Regional Director Bill Crawford of the Neighborhood Youth Corps, and Lyle Robinson, Swisher County Electric Cooperative Manager, recently returned from Viet Nam. Minnesota Farmers Union Secretary-Treasurer Archie Baumann of St. Paul, an accomplished cartoonist and humorist, will speak to a special youth

breakfast early Saturday.

The officers for 1966 will be elected during the convention and the delegates to represent the Texas affiliate at the National Farmers Union convention in March will also be chosen.

Attending Annual LVN Convention Assn. of Texas

Faye Jetton, president of Division 39, Haskell, Faye Fowler and Evelyn Mercer will be in San Angelo, October 28-31, to participate in the 16th Annual Convention of the Licensed Vocational Nurses Association of Texas. Designed as a continuing educational experience, leaders in the fields of nursing, medicine, business and education will convene to exchange information on the entire range of issues affecting vocational nursing and better patient care. Expected attendance for the four-day conference at the Cactus Hotel, numbers over 400 and includes Licensed Vocational Nurses, Professional Nurses, Doctors, Educators and Student Vocational Nurses.

Keynote speaker is Doctor William McCaw, Gynecologist, who will speak on the theme of the convention, "The Challenge of Service." Other experts will deal with national health problems such as mental retardation, the aging citizens, mental health and alcoholism. New developments in the practice of nursing as well as ethics in nursing will be emphasized.

The LVNA of Texas is the oldest and strongest association for vocational nurses in Texas. Founded in 1950, it serves over 3,000 members and is governed by a ten-member board of directors. Membership is composed of Licensed Vocational Nurses, and provisional members who are students enrolled in vocational nursing schools of which there are 147 throughout the State of Texas.

Former Haskell Resident Serving Her Community

Mrs. M. D. Porterfield, of Victoria, Texas, recently returned from Memphis, Tenn., where she completed a course of training to better prepare her for the position of "Welcome Wagon Hostess," which she now holds at Victoria. Mrs. Porterfield, the former Nancy Furth, daughter of Mr. and Mrs. Stanley Furth, of Haskell, is a graduate of Haskell High School, and of Texas Tech, Lubbock. Mrs. Porterfield resides at 5301 Lila, Victoria, and is one of Welcome Wagon's approximately 5,000 hostesses who are making approximately a million calls annually on families in the United States, Provinces of Canada, United Kingdom, Puerto Rico and Trinidad, embracing more than 3,000 cities. These calls on behalf of Welcome Wagon's approximately 80,000 sponsors are made on such important family occasions as the birth of a baby, sixteenth birthdays, engagement announcements; also when families move locally in a community and when they arrive in a community as new residents. Calls are made on special occasions such as Golden Wedding anniversaries, and other special family events. Welcome Wagon service is not only of public relations, but, more important, it meets a present day need in the field of human relations. Mrs. Porterfield, on behalf of her sponsors in Victoria, will take Religious and Civic information to the families on whom she calls. With her baskets of gifts, she will extend for those sponsors to the people of her community the old-fashioned hospitality for which Welcome Wagon is so well known. Mrs. Porterfield knows the community she serves; she is interested in its welfare and in its progress, including the well-being of its citizens.

Federal Grant Is Approved At Rochester

The Texas Education Agency has approved a \$20,863.93 application for Rochester School District for a federal grant under the new Aid to Education program.

There are 107 students eligible for assistance in the Rochester schools, according to the 1960 census. The basis for eligibility is the number of children aged 5 to 17 as shown on the 1960 census who are from families with income of less than \$2,000 a year.

Rochester's plans for use of this grant, according to Phil Simmons, superintendent of schools, is first a pre-school program. Teacher of the pre-school group is Mrs. Truett Alvis. The program began on Monday at 8:30 a. m.

There is a reading program to give special and extra help to pupils to grades 1-8 who need help in reading. Mrs. Cecil Jetton is teaching this class.

Another part of the program will be books, supplies and equipment. Also free lunches for those who need them.

Visitors in the home of Mr. and Mrs. Dudley Phelps Sunday were their children and "adopted" children, Mr. and Mrs. Kenneth Campbell and Karen, Mr. and Mrs. Gerald Payne of Haskell, Mr. and Mrs. Ronnie Timms and Mr. and Mrs. Arvil J. McFadden and Sheila, of Rule.
