

From all accounts the question of whether there will be a tax increase is academic. The question really is, "How much?"

McCANDLESS, McCLUSKEY ARE ELECTED AS COMMISSIONERS

June 5, 1967 will become a date to remember in Burkburnett's history. On that day a special election was held to elect two men to the City Council, bringing the total number of Commissioners to seven—a first in the history of the city.

A total of 325 votes were cast for seven candidates seeking two seats on the board of commissioners. Of that number, 148 votes were won by Reid McCandless, owner and operator of The Gun Shop; Joe Ray McCluskey and Eldon Morris tied at 146; Jess Whatley received 119; Willis Fartley got 52; Marvin Henderson got 19 and Dee Underwood nine.

The vote was canvassed that night at the regular meeting of the commissioners and it then became necessary to flip a coin, as is authorized by the charter, to break a tie between McCluskey and Morris. Mayor Lohofener did the honors and McCluskey became the seventh man to sit on the Council.

McCandless was sworn for a two year term and McCluskey will serve one year. Joe Jancke, city attorney, administered the oaths.

JUNE 14 IS FLAG DAY

Fly your Stars and Stripes proudly tomorrow. It is still the best flag in the world. Our country may not be perfect, but it is still the best in the world.

Those who criticize our government the loudest would probably be the loudest if they were told they must honor the flag of another country.

Show the world we stand behind our leaders and are proud of our flag, our heritage and stand, "one Nation under God, indivisible, with liberty and justice for all."

Neighbors, Not Foreigners

It is probable that before too long bulletin boards at a number of major air terminals scattered throughout the nation will be announcing departure and arrival times of direct flights to such exotic sounding places as Hong Kong, Bangkok, Tahiti and many others.

According to recent press releases, a major U. S. international airline is seeking government authority to operate flights from five major East Coast and Midwest cities to the Pacific and the Far East. The best part of the proposed expanded air service from the standpoint of the traveling public are the projected fares. They would be 20 to 30 per cent less than at present. A round-trip excursion from New York to Tokyo, for example, would be offered at \$629. New York to Hawaii would cost \$400 round trip. New long-range Super-jets will make such service possible. All of this means that the world in effect is becoming smaller and more accessible to the average person.

In the past, a comparative handful of people were able to enjoy the experience of becoming acquainted with the customs and peoples of other lands—peoples who, in the minds of most individuals, were all lumped together in one category that was somehow suspect. They were "foreigners." It is not too much to hope that one day, instead of foreigners, there will be only neighbors. This has been the dream of pioneers in the world of international air transport for many years.

Policyholder Questions Answered by the Institute of Life Insurance 277 Park Ave., N.Y., N.Y., 10017

Q. Can an employer provide life insurance for his employees under a profit-sharing plan?

A. Many profit-sharing trusts use part of the funds to buy life insurance for employees. There are several advantages in doing so, including possible savings to employees on their income and estate taxes. Probably the biggest advantage is that, when an employee dies prematurely, the life insurance provides more money for his family than he could otherwise have accumulated under the plan. On the other hand, if he lives out a normal lifespan, he can use the cash value of his policy for extra retirement income. Or he may keep his policy in force beyond retirement by either assuming the premium payments himself or converting to a smaller amount of paid-up insurance.

Many types of policies can be purchased under a profit-sharing trust, although whole life policies are most frequently used.

For a profit-sharing trust to qualify for Federal income tax exemption, the life insurance must be "incidental" to the plan as a whole. This means not more than 49 per cent of an employee's share in the plan may be used to pay premiums. Many plans limit the outlay for premiums to one-third or one-fourth of an employee's average share in the yearly profits. Some plans also delay buying life insurance on an employee until he has participated three to five years. The equity he accumulates in these early years provides a "cushion" in case a future dip in profits should create a problem in meeting premium payments.

Q. Can an employer buy life insurance on an employee without the employee's consent?

A. Absolutely not. Life insurance is never issued without consent of the person whose life is insured.

Mother-Daughter Poets Honored

Mother and daughter poets, Mrs. Clark Gresham and Mrs. Clifford (Joy Gresham) Hagstrom, were honored June 6, in the National Room of the First National Bank, for their achievements.

Mrs. E. E. Clack was hostess to the friends and writers who attended to congratulate the poets. The guest book, tended by Mrs. A. H. Lohofener, was signed by 63 persons.

Each read several of her poems and between readings, entertainment was furnished by Miss Betsy Dixon, folk singer and guitarist.

The mother and daughter have won many prizes and statewide recognition for the poetry which they began writing about four years ago.

Mrs. Gresham has been poet laureate of Santa Rosa District, Texas Federation of Women's Clubs and Joy has been poet

laureate for the district and state federation.

Both have won eight major prizes; in the Poetry Society of Texas and the Wichita Falls Poetry Society.

They were congratulated by fellow writers from Devol, Grandfield, Electra and Chillicothe.

Mrs. F. G. Jeffers served at the punch bowl table, where cookies were also served.

"It is an experience we shall never forget," said the ladies.

Sylvia Ann Campbell, Tommy Lloyd Sparks Exchange Wedding Vows

Mrs. Tommy Lloyd Sparks

Sylvia Ann Campbell and Tommy Lloyd Sparks exchanged wedding vows June 10 in the First Baptist Church of Duncan, Oklahoma. Rev. T Hollis Epton officiated.

The bride wore a silk linen gown with a portrait neckline, an empire waist, A-line skirt and bracelet length sleeves trimmed with venise lace. The chapel train and skirt hem were accented with bands of matching lace. Her shoulder length veil fell from a lace diem cap scattered with sequins and pearls.

The crescent styled bridal bouquet of white orchids and stephanotis was decorated with white pearl leaves and satin showers.

The bride's aisle was covered with aisle cloth, leading to an archway of lemon leaves. Candelabra arrangements of white mums and pommons stood at the left, while on the outside of the archway, candle trees decorated with lemon leaves completed the altar area.

The pews were resplendent with cathedral candles, lemon leaves and white satin bows.

The bride was given in marriage by her father. She is the daughter of Mr. and Mrs. Carl T. Campbell, of 1102 Crescent Drive, Duncan, Oklahoma.

The groom is the son of Mrs. R. V. Sparks, of 713 Elm, Duncan, and the late R. V. Sparks.

Miss Carole Campbell, sister of the bride, was maid of honor and wore an A-line dress of apricot satin back shantung,

fashioned with an empire waist, bell sleeves and floating back panel. The sleeves and panel were accented with white venise lace. Her headpiece was of apricot illusion attached to a Dior bow. She carried a long line crescent styled bouquet of white french carnations.

The bridesmaids, Misses Virginia Montgomery, Janie Waggon, Linda Sutton and Ginger Youree, all of Duncan, wore dresses identical to the maid of honor and carried like bouquets.

Best man was R. W. Sparks, brother of the groom, of Santa Fe, New Mexico.

The groomsmen were Gary Williamson, Mike Blake, Dick Hill and Lyndon Allen.

Ushers were Steve Newell, Leon Gregston, Russ Bartee, all of Oklahoma City and Dennis Lee of Tulsa.

Miss Viki Sparks, niece of the groom, Santa Fe, N.M., and Miss Suzanne Castro, Norman, Okla. were the candlelighters and their dresses were the same as the maid of honor.

Miss Jamie Dryden, daughter of Mr. and Mrs. Jim Dryden, 1305 Normandy Drive, Duncan, was the flower girl, while Jeff Gregston, son of Dr. and Mrs. Jack L. Gregston, 1209 North 13, Duncan, was the ringbearer.

The bride's mother chose a turquoise silk suit with white accessories, and a corsage of white orchids.

Mother of the groom wore a pink silk shantung suit with matching accessories and a corsage of white orchids.

The organist was Miss Hazel Bell, who accompanied Bob Wolley, vocalist, with renditions of Walk Hand in Hand, Because and The Lord's Prayer.

Following the wedding, a reception was held in the Elk's Country Club.

The seven-tiered wedding cake, decorated in garlands of apricot colored roses and topped with cherubs, rested on a table covered with white organza, with clusters of silver and apricot petals holding swags at the corners of the floor-length material. Two cherub containers holding Woburn Abbey roses, were centered on the table.

A silver punch bowl was surrounded with leather fern and flowers. The table was complimented by jade trees on each end.

The matching guest book table held a similar arrangement and a tray of rice bags in shades of apricot, and was flanked by a floor candelabra entwined with simlax and decorated with cherubs holding garlands of flowers and apricot roping.

The receiving line formed before a screen background further carrying out the cherub theme.

Rice bags were distributed to the guests by Pam Morton, of Duncan and Joani Castro, of Norman.

Following a honeymoon trip to Arrowhead State Park, and Lake Eufaula, the new Mr. and Mrs. Tommy Sparks will reside at 2013 Delaware, Norman, Oklahoma.

The bride is a graduate of Duncan High School and also attended Oklahoma Baptist University, Shawnee and the University of Oklahoma at Norman.

The bridegroom also graduated from Duncan High School and attended Oklahoma Baptist University, and is currently majoring in Pharmacy at the University of Oklahoma.

He is a member of Lamba Chi Alpha Social Fraternity at the University of Oklahoma.

Baby Care Tips

If you were the mother of a new baby about a hundred years ago, the doctor would deliver your child at home, and might suggest that you keep your baby's skin healthy by smearing the child with hog's lard.

The baby's diapers would be homemade from sheets of thick, coarse canvas and naturally, would be washed at home in a steaming boiler on top of the stove.

Made At Home

The baby's powder would be mixed by mother from cornstarch and rice because there were no ready-made baby products in stores.

These and other fascinating historical methods of baby care are detailed in a colorful booklet from the makers of Desitin baby products. Illustrations show old-fashioned ways of weighing babies, bathing babies, and diapering. Also included is modern advice, instructing how to hold an infant, how to bathe it, and how to take precautions against diaper rash.

Free Baby Booklet

Titled "Health Tips on Baby Care—Then and Now," the 16-page booklet may be obtained at no charge by writing Desitin Consumer Services, Pfizer Learning Division, 235 East 42nd St., New York 10017.

FOUNDATION

Our nation is witnessing a building boom, such as has never before been seen. Every day new foundations are being dug and laid. Any builder will tell you that it takes a firm foundation to support today's skyscraper.

Our Lord, in His sermon on the mount, compared those that heed His word, to the wise man that built his house upon a rock, and those that did not heed His word to the foolish man that built his house upon sand and it was washed away.

Build your house upon a rock... Attend church regularly.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

NATIONAL QUEEN TO APPEAR HERE FOR BOOMTOWN RODEO LT. GOV. PRESTON SMITH TO OPEN BOOMTOWN RODEO, ANNIVERSARY CELEBRATION

Carolyn Coker, of Irving, Texas, National Queen of the American Association of Sheriffs' Poses and Riding Clubs, will be here June 15, to take part in the Rodeo

Lieutenant Governor Preston Smith

The Burkburnett Chamber of Commerce 60th Anniversary Committee, headed by Mr. Carl Dixon announces that the Honorable Preston Smith, Lt. Gov. of Texas will be the guest of the Chamber and main speaker for the opening ceremony of the Boomtown Rodeo and 60th anniversary celebration. The program will begin at 11:00 a.m. at the MKT railroad station. At this time a special train will arrive from Wichita Falls with the following guests aboard: Lt. Gov. Preston Smith, Jack Hightower, Senator, J. H. Galloway, Vice President Humble Oil and Refinery, Mr. Barriger, President MKT, General E. H. Nigro, Commander of Sheppard AFB, Mr. Joe Ward, Graham Purcell, U.S. Congressman, Mayor A. H. Lohofener, Jim Frye President C of C, Carl Dixon, Jack Mathis and Joe Janeke.

The principal speakers at the depot will be Mr. Barriger and Lt. Gov. Preston Smith. Everyone is encouraged to come to the railroad station at 11:00 a.m. The Sheppard Air Force Band will provide the music.

Preston Smith, 38th Lieutenant Governor of Texas, the office he first won in 1962. He is a 55-year-old businessman from Lubbock whose slogan is: "Working for Texas."

He knows the meaning of that word "work." Born on a farm near Georgetown, the seventh child of a family that came to count 13 children, Preston Smith attended public schools in Williamson and Gaines Counties. He worked his way through high school at Lamesa, Texas, and college at Texas Tech. He never left Lubbock after that, except when official duties took him to Austin and other Texas centers.

Those official duties began with his election to the House of Representatives in 1944. He served six years before voluntarily giving up that place. In 1956 he was returned from an 11-county district. After six years he moved up into the Lieutenant Governor's race and won the Democratic nomination

enlarge the state's higher education system, regulate small-loan companies, extend women's legal rights in the areas of property ownership and transfer, and create the Texas Tourist Development Agency. Gov. Smith has made many talks throughout the state on the need for expanding tourism and industrialization in Texas. He is firmly convinced that this would improve the general economy and provide employment.

These activities will also add to our tax resources, he points out. Preston Smith never gets too far from his "anchor" of fiscal responsibility in government.

He has said that he doesn't mind spending money for things necessary and worthwhile, but that the government and the people ought to keep in mind that new expenditures and new taxes go hand-in-hand.

Preston Smith has a wholesome respect for the office he now holds. He has said:

"I believe the office of Lieutenant Governor is most important to the future of Texas because it affects the welfare and property of all our families, all kinds of organizations, and every business. The office thus has a powerful influence upon life and commerce at every economic level. Such responsibility must be firmly and conscientiously met."

The Smiths are Methodists. Preston is a steward at St. John's Methodist Church in Lubbock. He and Mrs. Smith (Ima) have two children; a son, Mickey, 26, and a daughter, Jan, 22, senior at Texas Tech.

There will be a Bar-B-Q at Hardin Park at 12:00 noon on the same day June 15th following the opening ceremony at the railroad station. EVERYONE IS INVITED TO ATTEND. Advanced tickets only. There will be no tickets sold at the park. The tickets are \$1.50 each and are on sale at the Chamber of Commerce, Texas Electric, Underwood's, Underwood's Shopping Center, and Underwoods in Burkburnett. play as you go
By Mary Whitman
A long trip often inspires good stories.
The author of *Pals*, a book for youngsters from Whitman Publishing Company of Racine, Wisconsin, is Melissa Dow Funk. She travels with her mineral-collecting husband. Melissa published a poem at age 8 in *Cleveland*. A Californian now, she writes and tests stories on grandchildren. She also teaches school. A pupil who once heard her husband say, "Everything she knows I taught her," exclaimed, "Boy, he sure has taught you a lot!" But, she adds, children have taught her too.

Asia is the new inspiration of another California author. Alice Means Reeve and her husband just visited their children in Burma. Story ideas galore came on the trip. "An elephant working in the teak, big black water buffaloes cooling off in streams — all were things I hope to put into books," Alice says. One of her recent animal stories, domestic variety, appears in a *Teen-Age* book from Whitman Publishing Company called *That's Our Clio*.

Jean Fiedler, who lives on the East Coast, found story inspiration in Mexico last year. Jean wrote at age 11 and had a kitten story printed in a *Pittsburgh* paper. Later she did social work, wrote for a store, taught English. Today she tries out current writing on her artist-husband and young daughters. The author of fifteen books, her latest for Whitman is *My Special House*.
When your child buys a book, he's buying the work of wide-ranging authors. It often happens that children who want to write grow up to be writers of children's books. And they call it a long and rewarding trip.
